Stockton Municipal Code
Chapter 5.08.290
Photographers—Transient.

A. Each transient photographer shall pay a license fee of \$150.00 per year, \$50.00 per quarter or \$5.00 per day.

B. General Provisions.

1. Applicants for a license to photograph, solicit to take orders for photographs or photographic work, or selling or giving coupons for photographic work, and requiring a deposit in advance of the final delivery of any such work or services, and having no fixed place of business within the City, as hereinafter defined in this section, shall file with the Director of Finance, in duplicate, a sworn affidavit in writing on a form to be furnished by the Director of Finance giving such information as may be requested and including the names of two (2) residents of the City who will certify as to the applicant's good character and business responsibility or in lieu of such names, such other available evidence as to the good character and business responsibility of the applicant as will enable the Chief of Police to evaluate such character and business responsibility.

2. Upon receipt of such application, the original shall be transmitted to the Chief of Police who shall cause such investigation of the applicant's business background and moral character to be made as the Chief deems necessary for the protection of the public welfare. Each transient photographer shall pay an application and investigation fee to the Director of Finance of the City in an amount as may be fixed or established from time to time by resolution of the City Council. If as the result of such investigation, the applicant's character or business responsibility is found to be unsatisfactory, or if the applicant has been convicted of any violation of this title, a felony, a misdemeanor involving moral turpitude, or a violation of any narcotics law, the Chief of Police shall endorse on such application disapproval and the reasons for the same and return the application to the Director of Finance who shall notify the applicant that said application is disapproved and that no license will be issued. If, however, as the result of the investigation by the Chief of Police, the Chief of Police shall endorse approval on the application and transmit the same to the Director of Finance, the Director of Finance shall upon payment of the license fee herein prescribed deliver the license to the applicant.

3. Any person aggrieved by the action of the Chief of Police or by the Director of Finance in the denial of a license as provided in this section shall have the right of appeal to the City Council as provided in Section [5.04.210](#).

4. This section shall not apply to any person who for a period of at least six (6) continuous months, has operated and is continuing to operate a photographic business from a regular established place of business within the City. A "regular established place of business" as said term is used in this section means a business which is kept open for at least six (6) hours between the hours of 8:00 a.m. and 5:00 p.m. at least five (5) days a week, and at which place of business a bona fide effort is made to actually conduct a photographic business, other than the mere developing of pictures on the premises. (Prior code § 6-034.23)
