1.0 BACKGROUND/SUMMARY

The City of Stockton Animal Shelter (Shelter) is the largest open-admission municipal animal shelter in the City of Stockton and San Joaquin County, with an annual intake of approximately 7,000 animals. Our mission is to enhance the well-being of these animals and the quality of services extended to the community. We achieve this by upholding animal safety regulations, administering exceptional veterinary care, and offering other crucial services to the residents of Stockton and San Joaquin County.

On occasion, shelter staff must send sick or injured dogs, cats, puppies, or kittens to receive medical attention outside of the shelter. This may include but is not restricted to:

- When an injured animal needs a radiograph,
- A sick animal needs overnight care when the Shelter is closed, or
- An officer or citizen finds an injured animal in the community and the animal needs emergency care.
- When a shelter volunteer needs after-hours veterinary care for a shelter owned animal.

The Shelter intends to establish contracts with one (1) or more qualified proponents who shall provide emergency and-or after-hours veterinarian care on an as needed basis for a three (3) year term with two (2) one (1) year options to renew.

2.0 SCOPE OF SERVICES

2.1 AFTER-HOURS EMERGENCY CARE

Emergency and after-hours care shall be provided on an as needed basis for the Shelter and be available between the hours of, Monday through Friday, 5 PM to 8 AM, 24-hour (s) on Saturday and Sunday, and all State, Federal, or Local holidays.

Proponent(s) shall possess and maintain a valid California Veterinarian License and Veterinarian Premise License, as well as any professional certifications that may be required to perform the work specified in this document.

Proponents shall offer job-specific billing levels at bundled pricing (Attachment D). Successful Proponents shall have their billing levels approved by the Police Services Manager (PSM) or Police Services Administrator (PSA) prior to providing services.

Bundled after-hours emergency care packages (Attachment D) for animals transferring from the shelter to the hospital shall include:

- A. Initial doctor's examination and case review,

- B. Hospitalization from the time of arrival until 8:00 AM the following morning for overnight shifts, or 24 hours for weekend shifts, and all State, Federal or Local holidays,
- C. Nursing and doctor care and monitoring,
- D. Communications and updates on status changes during shifts,
- E. Summary and medical plan provided upon discharge,
- F. Hospitalization in isolation area if appropriate,
- G. A thorough medical record in digital form (email or pdf) must accompany the animal when it leaves the Proponent's care and returns to the Shelter.

The proponent must obtain the Shelter's permission before taking more than two (2) radiograph views of any animal. Radiographs shall be provided to the Shelter on CDs supplied by the Shelter.

To receive payment for radiographs, the Proponent shall supply radiographs that are clear and free from obstructions for the Shelter Veterinarian to diagnose the animal and prescribe a course of treatment. The Shelter reserves the right to refuse payment for unusable radiographs as determined by the Shelter Veterinarian.

The Proponent shall obtain the Shelter's permission prior to charging for any additional services not included in bundle pricing.

2.2 GENERAL CONDITION

- A. The Shelter, its officers, and employees shall not be liable for any loss, damage, or injury of any kind or nature as may arise out of any acts, duties, or obligations on the part of the Proponent, its agents, or employees, under this agreement; nor any materials or equipment used in performing the service.
- B. The Proponent shall promptly answer inquiries and complaints of the Shelter relative to any service charges, damages, or any other questions that may arise as a result of operations by the Proponent.

- D. The Shelter shall decide all questions which may arise as to the quality of acceptability of services performed, and as to the manner of performance and rate of progress of the services, and all questions which arise as to the interpretation of the specifications. All services performed by the Proponent shall be done to the satisfaction of the Shelter.

- E. All equipment and tools shall be furnished, fully operable, operated, and maintained by the Proponent. There shall be no extra charge made to the Shelter for the same, except as may be pre-approved by the Shelter.
- F. An appropriate and thorough medical record, in like kind provided to owned animals, shall be required in digital format for each animal treated. Proponent shall provide communication regarding cases within five (5) business days. Proponent shall communicate with Shelter medical staff regarding each animal treated, whether the animal is returned to the Shelter, euthanized, or otherwise deceased.
