

NOTICE INVITING PROPOSALS

NOTICE IS HEREBY GIVEN that sealed proposals will be received no later than **Thursday, December 14, 2023 at 2:00 pm (local time)** by the City of Stockton, California for ENGINEERING AND PERMITTING CONSULTING SERVICES FOR BUCKLEY COVE DREDGING PROJECT– PUR 24-015 in strict accordance with the specifications.

The City of Stockton, herein after referred to as the “City”, is requesting proposals from firms or individuals, herein after referred to as “Proponent” to provide engineering and permitting services for the maintenance dredging of Buckley Cove. The City is seeking a qualified Consultant to manage and submit all necessary documentation to complete the required permitting process(es) to dredge the Buckley Cove inlet, draft dredging construction scope, support City in technical responses required by potential bidders, and manage the construction dredging project through to completion including any final document filing required by jurisdictional agencies.

Each sealed proposal shall be marked "PROPOSAL" and shall indicate the project name, number, and proposal opening date, and shall be mailed or delivered to the address below at or before the hour stated. Each Proponent must be licensed in accordance with applicable California State Law.

Proposal forms and specifications are available on the City's website at www.stocktonca.gov/eddbid. Sealed proposals must be delivered to the Office of the City Clerk, City Hall, 425 North El Dorado Street, Stockton, CA 95202 unless electronic mail delivery to city.clerk@stocktonca.gov is applicable. Proponents will only be identified as responding to the RFP; no proposals will be opened or read aloud.

The City reserves the right to reject any/or all proposals received and re-advertise.
