

## QUESTIONS – ANSWERS – CLARIFICATIONS

### VAN BUSKIRK COMMUNITY CENTER GYM FLOOR INSTALLATION PROJECT NO. OM-22-030

---

1. Question: Can proposers return to the job site for moisture testing of the concrete?

Answer: Yes, please contact the Project Manager, Cristina Pfeffer, via email at [Cristina.pfeffer@stocktonca.gov](mailto:Cristina.pfeffer@stocktonca.gov) to coordinate a date and time for moisture testing prior to the proposal submission deadline.

2. Question: What type of floor system/wood grade does the City want installed?

Answer: The City did not specify floor system/wood grade in the RFP. Proposals should emphasize conformity with the RFP's instructions and requirements. Different floor systems/wood grades can be included in the proposal as alternate items.

3. Question: Will proposals be accepted for application of the moisture barrier only?

Answer: No, only proposals for the entire project will be accepted.

4. Question: Are bid, performance and labor and material bonds required?

Answer: Only performance and labor and material bonds are required. Bid bonds are not required.

5. Question: When are proposals due?

Answer: **Proposals are due by 3:00 pm on Thursday, March 3, 2022.**
