3. CONTRACTOR REGISTRATION REQUIREMENTS

A Contractor or subcontractor shall not be qualified to propose on, be listed in a bid proposal, subject to the requirements of Section 4104 of the Public Contract Code or engage in the performance of any contract for public work, as defined in this chapter, unless currently registered and qualified to perform public work pursuant to Labor Code Section 1725.5. It is not a violation of this section for an unregistered Contractor to submit a proposal that is authorized by Section 7029.1 of the Business and Professions Code or by Section 10164 or 20103.5 of the Public Contract Code, provided the Contractor is registered to perform public work pursuant to Section 1725.5 at the time the contract is awarded.

For example, A&E tasks that are subject to public works laws would be surveying, soil testing, material testing, and building/construction inspection, as there are prevailing wage determination for these works.

No contractor or subcontractor may be listed on a proposal for a public works project unless registered with the Department of Industrial Relations pursuant to Labor Code section 1725.5 [with limited exceptions from this requirement for bid purposes only under Labor Code section 1771.1(a)].

No contractor or subcontractor may be awarded a contract for public work on a public works unless registered with the Department of Industrial Relations pursuant to Labor Code Section 1725.5.

Department of Industrial Relations- Contractor Registration information and web link: <http://www.dir.ca.gov/Public-Works/PublicWorks.html>

For subcontractor proof of registration that could not be included with the bid, the contractor will be allowed to submit subcontractor registration proof no later than four business days after bid opening.

Proposer shall complete and include with their proposal a signed Department of Industrial Relations Labor Compliance Self-Certification Form (**Exhibit A**).

This project is subject to compliance monitoring and enforcement by the Department of Industrial Relations. Contractors must submit their certified payroll records directly to the Division of Labor Standards Enforcement Compliance Monitoring Unit, as well as the City of Stockton.

5. DISCRIMINATION AND HARASSMENT POLICY

The City of Stockton has a Discrimination and Harassment Policy (**Exhibit C**). The purpose of this policy is to reaffirm the City's commitment to demonstrating respect for all individuals by strictly prohibiting discrimination and harassment, including sexual harassment in the workplace, to define the types of behavior and conduct prohibited by this policy, and to set forth a procedure for reporting, investigating and resolving complaints of discrimination and harassment in the workplace.

6. LABOR STANDARDS PROVISIONS/CALIFORNIA LABOR CODE

The proposer shall understand that conditions set forth in Chapter 1, Part 7, Division 2 of the California Labor Code shall be considered part of the contract agreement. https://leginfo.legislature.ca.gov/faces/codes_displayText.xhtml?lawCode=LAB&division=2.&title=&part=7.&chapter=1.&article=2.

PREVAILING WAGE RATES- The prime Contractor to whom the contract is awarded and any subcontractor must pay the general prevailing wage rates when applicable to this project. In accordance with the provisions of Section 1773 of the Labor Code, the Director of the Department of Industrial Wages of the State of California has determined the general prevailing rate of wages and employer payments for health and welfare, pension, vacation, travel time, and subsistence pay as provided for in Section 1773.1, apprenticeship or other training programs authorized by Section 3093, and similar purposes applicable to the work to be done. These wages are set forth in the General Prevailing Wage Rates for this project and are available from the California Department of Industrial Relations' internet website at <http://www.dir.ca.gov/OPRL/pwd/Determinations/Northern/Northern.pdf>.

The final contract documents signed by the local agency and the Contractor, will physically include the federal Wage Rates, or federal Wage Rates as revised by addendums, if any such addendums have been issued. Contractor is responsible to comply with the most recent wage rates.

The Contractor performing the work shall be responsible for obtaining a copy of the State wage rate determination. Pursuant to 1773.2 of the Labor Code, the Contractor shall be responsible for posting said wage rate at a prominent location at the work site and shall maintain same in a good readable condition for the duration of the work.

Title 40, Chapter 31(VI), Section 3143 of the United States Code applies. If any laborer or mechanic employed by the Contractor or any subcontractor directly on the site of the work covered by the contract is discovered to have been paid a rate of wages less than the contract requires, then the City by written notice may terminate the Contractor's right to proceed with the work in question. The City may have the work completed, by contract or otherwise, and the Contractor and the Contractor's sureties shall be liable to the City for any excess costs the City incurs.

Attention is directed to the federal minimum wage rate requirements of this contract. If there is a difference between the minimum wage rates predetermined by the Secretary of Labor and the general prevailing wage rates determined by the Director of the California Department of Industrial Relations for similar classifications of labor, the Contractor and subcontractors shall pay not less than the higher wage rate. The City will not accept lower State wage rates not specifically included in the federal minimum wage determinations. This includes "helper" (or other classifications based on hours of experience) or any other classification not appearing in the federal wage determinations. Where federal wage determinations do not contain the State wage rate determination otherwise available for use by the Contractor and subcontractors, the

Contractor and subcontractors shall pay not less than the Federal minimum wage rate which most closely approximates the duties of the employees in question.

Deliverables must conform with all applicable federal, state, and local laws. Such conformity includes compliance with federal sanctions, and Contractor certifies that it has not and will not engage in prohibited transactions with sanctioned persons or entities.

(A) PAYROLL RECORDS- The prime Contractor to whom the contract is awarded shall insure that the prime and each subcontractor will, in accordance with Section 1776 of the Labor Code, maintain certified payroll records. A copy of said records shall be provided with each invoice to the Public Works Department, Attention: Contract Compliance Officer. It shall be the prime Contractor’s responsibility to obtain copies of the current prevailing wage rate determination for all subcontractors.

(B) APPRENTICESHIP STANDARDS - The prime Contractor shall comply with the provisions established in Section 1777.5 of the Labor Code concerning the (1) certified approval by local joint apprenticeship committees for the employment and training of apprentices, and (2) contribution of funds to administer and conduct apprenticeship programs.

Maintenance of proper insurance coverage is a material element of this contract and that failure to maintain or renew coverage or to provide evidence of renewal may be treated as a material breach of contract.

The Proponent shall satisfy these insurance requirements concurrently with the signing of the contract prior to commencement of work. Please contact City of Stockton Risk Services at (209) 937-5037. Any exceptions to this language may result in a non-responsive proposal.

It shall be a requirement under this agreement that any available insurance proceeds broader than or in excess of the specified minimum Insurance coverage requirements and/or limits shall be available to the Additional Insured.

Furthermore, the requirements for coverage and limits shall be (1) the minimum coverage and limits specified in this Agreement; or (2) the broader coverage and maximum limits of coverage of any Insurance policy or proceeds available to the named Insured; whichever is greater.

The Additional Insured coverage under the Contractor's policy shall be "primary and non-contributory" and will not seek contribution from the City of Stockton's insurance or self-insurance and shall be at least as broad as CG 20 01 04 13.

The limits of insurance required in this agreement may be satisfied by a combination of primary and umbrella or excess insurance. Any umbrella or excess Insurance shall contain or be endorsed to contain a provision that such coverage shall also apply on a primary and non-contributory basis for the benefit of the City of Stockton (if agreed to in a written contract or agreement) before the City of Stockton's own Insurance or self-insurance shall be called upon to protect it as a named insured.

All self-insured retentions (SIR) must be disclosed to Risk Management for approval and shall not reduce the limits of liability. Payment Bond in the amount of the self-insured retention (SIR) may be required.

Policies containing any self-insured retention (SIR) provision shall provide or be endorsed to provide that the SIR may be satisfied by either the named Insured or the City of Stockton.

The City of Stockton reserves the right to obtain a full certified copy of any Insurance policy and endorsements. Failure to exercise this right shall not constitute a waiver of right to exercise later.

Contractor shall maintain insurance as required by this contract to the fullest amount allowed by law and shall maintain insurance for a minimum of five years following the completion of this project. In the event Contractor fails to obtain or maintain completed operations coverage as required by this agreement, the city at its sole discretion may purchase the coverage required and the cost will be paid by Contractor.

Contractor agrees to include with all subcontractors in their subcontract the same requirements and provisions of this agreement including the indemnity and insurance requirements to the extent they apply to the scope of the Subcontractor's work. Subcontractors hired by Contractor agree to be bound to Contractor and the City of Stockton in the same manner and to the same extent as Contractor is bound to the City of Stockton under the Contract Documents. Subcontractor further agrees to include these same provisions with any Sub-subcontractor. A copy of the City of Stockton Contract Document Indemnity and Insurance provisions will be furnished to the Subcontractor upon request. The General Contractor shall require all sub-contractors to provide a valid certificate of insurance and the required endorsements included in the agreement prior to commencement of any work and Contractor will provide proof of compliance to the City.

Consultant shall not be obligated to indemnify or defend City for claims finally determined by a court of law or arbitrator to arise from the negligence or willful misconduct of the City. It is the intent of the Parties that this indemnity obligation is at

Pursuant to Section 22300 of the Public Contract Code, CONTRACTOR will be permitted, at its request and sole expense, to substitute securities for any monies withheld by the CITY to ensure performance under the contract. Said securities will be deposited either with the CITY or with a State or federally chartered bank as escrow agent. Securities eligible for this substitution are those listed in Section 16430 of the California Government Code or bank or savings and loan certificates of deposit. CONTRACTOR shall be the beneficial owner of any securities substituted for monies withheld and shall receive any interest thereon.

3. INSURANCE. During the term of this Contract, CONTRACTOR shall maintain in full force and effect at its own cost and expense the insurance coverage as set forth in the attached Exhibit D (Insurance Requirements and Forms) which is attached to this contract and incorporated by this reference, and shall otherwise comply with the other provisions of Exhibit D (Insurance Requirements and Forms). Maintenance of proper insurance coverage is a material element of this contract and that failure to maintain or renew coverage or to provide evidence of renewal may be treated as a material breach of contract.

CONTRACTOR shall not commence any work before obtaining, and shall maintain in force at all times during the duration and performance of this contract, the policies of insurance specified in Exhibit D, which is attached to this contract and incorporated by this reference, and as provided in the "contract documents" including Section 7-1.06 of the City of Stockton Standard Specifications and Plans as adopted on September 27, 2016, by Council Resolution No. 2016-09-27-1213, effective September 27, 2016.

It shall be a requirement under this agreement that any available insurance proceeds broader than or in excess of the specified minimum insurance coverage requirements

and/or limits shall be available to the Additional Insured. Furthermore, the requirements for coverage and limits shall be (1) the minimum coverage and limits specified in this Agreement; or (2) the broader coverage and maximum limits of coverage of any insurance policy or proceeds available to the named Insured; whichever is greater.

The Additional Insured coverage under the CONTRACTOR's policy shall be "primary and non-contributory" and will not seek contribution from the City of Stockton's insurance or self-insurance and shall be at least as broad as ISO CG 20 01 04 13.

The limits of insurance required in this agreement may be satisfied by a combination of primary and umbrella or excess insurance. Any umbrella or excess insurance shall contain or be endorsed to contain a provision that such coverage shall also apply on a primary and non-contributory basis for the benefit of the City of Stockton (if agreed to in a written contract or agreement) before the City of Stockton's own insurance or self-insurance shall be called upon to protect it as a named insured.

All self-insured retentions (SIR) must be disclosed to the CITY's Risk Management for approval and shall not reduce the limits of liability. Payment Bond in the amount of the self-insured retention (SIR) may be required.

Policies containing any self-insured retention (SIR) provision shall provide or be endorsed to provide that the SIR may be satisfied by either the named insured or the CITY.

The CITY reserves the right to obtain a full certified copy of any insurance policy and endorsements. Failure to exercise this right shall not constitute a waiver of right to exercise later.

CONTRACTOR shall maintain insurance as required by this contract to the fullest amount allowed by law and shall maintain insurance for a minimum of five years following the completion of this project. In the event contractor fails to obtain or maintain completed operations coverage as required by this agreement, the CITY at its sole discretion may purchase the coverage required and the cost will be paid by CONTRACTOR.

CONTRACTOR agrees to include with all Subcontractors in their subcontract the same requirements and provisions of this agreement including the indemnity and insurance requirements to the extent they apply to the scope of the Subcontractor's work. Subcontractors hired by CONTRACTOR agree to be bound to CONTRACTOR and the CITY in the same manner and to the same extent as CONTRACTOR is bound to the CITY under the Contract Documents. CONTRACTOR further agrees to include these same provisions with any subcontractor regardless of tier. A copy of the CITY Contract Document Indemnity and Insurance provisions will be furnished to the Subcontractor upon request. The CONTRACTOR shall require all Subcontractors to provide a valid certificate of insurance and the required endorsements included in the agreement prior to commencement of any work and contractor will provide proof of compliance to the CITY.

4. INDEMNITY AND HOLD HARMLESS. With the exception that this section shall in no event be construed to require indemnification by CONTRACTOR to a greater extent than permitted under the public policy of the State of California, CONTRACTOR shall indemnify, protect, defend with counsel approved by CITY and at CONTRACTOR'S sole cost and expense, and hold harmless CITY, its Mayor, Council, officials, representatives, agents, employees, and volunteers from and against any and all claims, causes of action, liabilities, judgments, awards, losses, liens, claims, stop notices, damages, expenses, and costs (including without limitation attorneys' fees, expert and consultant fees, and other expenses of litigation) of every nature, including, but not limited to, death or injury to persons, or damage to property, which arise out of or are in any way connected with the work performed, materials furnished, or services provided under this Agreement, or from any violation of any federal, State, or municipal law or ordinance, or City Policy, by CONTRACTOR or CONTRACTOR'S officers, agents, employees, volunteers or subcontractors. CONTRACTOR shall not be obligated to indemnify or defend CITY for claims finally determined by a court of law or arbitrator to arise from the active negligence or willful misconduct of the CITY. It is the intent of the Parties that this indemnity obligation is at least as broad as is permitted under California law. To the extent California Civil Code sections 2782, et seq., limit the defense or indemnity obligations of CONTRACTOR to CITY, the intent hereunder is to provide the maximum defense and indemnity obligations allowed by CONTRACTOR under the law. The indemnity set forth in this section shall not be limited by insurance requirements or by any other provision of this Agreement.

With exception that this section shall in no event be construed to require indemnification, including the duty to defend, by CONTRACTOR to a greater extent than permitted under the public policy of the State of California, the parties agree that CONTRACTOR'S duty to defend CITY is immediate and arises upon the filing of any claim against the CITY for damages which arise out of or are in any way connected with the work performed, materials furnished, or services provided under this Agreement by CONTRACTOR or CONTRACTOR'S officers, agents, employees, volunteers or subcontractors. CONTRACTOR'S duties and obligations to defend the CITY shall apply regardless of whether or not the issue of the CITY'S liability, breach of this Agreement, or other obligation or fault has been determined. CONTRACTOR shall be immediately obligated to pay for CITY'S defense costs of the claim, including, but not limited to, court costs, attorney's fees and costs, expert consultant and witness fees and costs, other witness fees, document reproduction costs, arbitration fees, and, if after final judgment an appeal is pursued, all of such costs for the appeal. At the conclusion of the claim, if there is any determination or finding of sole active negligence or willful misconduct on the part of the CITY, CITY will then reimburse CONTRACTOR for amounts paid in excess of CONTRACTOR'S proportionate share of responsibility for the damages within 30 days after CONTRACTOR provides CITY with copies of all bills and expenses incurred in the defense of the claim(s). It is agreed between the parties that this reimbursement provision assures CONTRACTOR is not obligated to defend or indemnify CITY in an amount greater than provided for under California law, including, without limitation, California Civil Code sections 2782, 2782.6, and 2782.8.
