

**CITY OF STOCKTON - PUBLIC WORKS DEPARTMENT
QUESTIONS & ANSWERS**

Project: Sewer Large Diameter Lines Rehabilitation

Location: Fisher Court between I-5 and Plymouth Road, and in UPRR right-of-way between El Dorado Street and Perlman Drive in Stockton, CA

Questions & Answers No. 1 – April 6, 2023

Q1: Is the project locally funded (no federal funding)?

A1: Project consists of local funds only.

Q2: Has the City already cleared this project environmentally before or does the consultant need to prepare any documents required to obtain permits?

A2: No environmental permitting has been done, and the consultant is responsible for all required permits. Proposals should identify what level of environmental permitting is anticipated to fully cover the project.
