

## CITY OF STOCKTON – PUBLIC WORKS DEPARTMENT

### QUESTIONS & ANSWERS

#### 2022 NEIGHBORHOOD TRAFFIC MANAGEMENT PROGRAM CITY PROJECT NO. WT16008

1. Question: I wanted to see if the Type 1B post would be provided with radar feedback sign or is that something we need to provide?

Answer: One location is on an existing street light pole and the 2<sup>nd</sup> location will be City furnished 1B pole where an existing pole and radar feedback sign were knocked down in an accident.
2. Question: I can't seem to find any plan/spec on bid items #12 and #13. Can you direct me as to what the City of Stockton is looking to have installed?

Answer: Bid item 12 (Rectangular Rapid Flashing Beacon) can be referenced in Section 77-1.05 of the specifications. Bid item 13(Radar Feedback Sign) can be referenced in Section 87. It may help if you review City furnished items as well.
3. Question: Will there be demo footing for the replacement 1B pole and Radar Sign on Feather River Drive?

Answer: No demo footing at this location.
4. Question: Bid item #13 Install Radar Feedback Sign has a unit of LS and a quantity of 2. Should this be 2 EA or 1 LS? please advise.

Answer: 1 Lump Sum which consists of 2 separate locations.
5. Question: Will you be sending out or posting a new bid sheet?

Answer: I will post a letter of clarification and update the Bid Schedule.
