

INSTRUCTIONS TO PROPOSERS

1. INSTRUCTIONS

The proposer shall carefully examine the instructions contained herein and satisfy himself/herself as to the conditions with which he/she must comply prior and with the conditions affecting the eventual award of a Professional Services Contract. Proposers shall state in their proposal that they have read these Instructions and will comply with the contract.

2. PROPOSAL SUBMISSION

Submittals shall be placed in a clearly marked envelope with the Project Name and Number marked clearly on the envelope. The suggested fee for the service shall be submitted in a separate, sealed envelope. Proposals shall be delivered or mailed to:

City of Stockton
Public Works Department
22 E. Weber Avenue, Room 301
Stockton, CA 95202
Attn.: "Name of Project Manager"

3. CONTRACTOR REGISTRATION REQUIREMENTS

A Contractor or subcontractor shall not be qualified to propose on, be listed in a proposal, subject to the requirements of Section 4104 of the Public Contract Code, or engage in the performance of any contract for public work, as defined in this chapter, unless currently registered and qualified to perform public work pursuant to Labor Code Section 1725.5. It is not a violation of this section for an unregistered Contractor to submit a proposal that is authorized by Section 7029.1 of the Business and Professions Code or by Section 10164 or 20103.5 of the Public Contract Code, provided the Contractor is registered to perform public work pursuant to Section 1725.5 at the time the contract is awarded.

Only vendors/contractors that are subject to the public works statutes would be required to register. A&E firms that are not doing or subcontracting out tasks subject to public work requiring prevailing wages are not subject to registration and public works laws. Design work is not subject to prevailing wages and, therefore, not considered public work, and the firm does not have to register. For example, A&E tasks that are subject to public works laws would be surveying, soil testing, material testing, and building/construction inspection, as there are prevailing wage determination for these works.

No contractor or subcontractor may be listed on a proposal for a public works project unless registered with the Department of Industrial Relations pursuant to Labor Code section 1725.5 [with limited exceptions from this requirement for bid purposes only under Labor Code section 1771.1(a)].

No contractor or subcontractor may be awarded a contract for public work on a public works project unless registered with the Department of Industrial Relations pursuant to Labor Code Section 1725.5.

Department of Industrial Relations- Contractor Registration information and web link: <http://www.dir.ca.gov/Public-Works/PublicWorks.html>

In compliance with Senate Bill 854 and the California Labor Code, all proposers shall include with their proposal proof of registration from the Department of Industrial Relations (DIR) that includes the contractor's Legal Name, Registration Number, License Type/Number, Registration Date and Expiration Date, for every contractor and subcontractor, regardless of tier. For subcontractor proof of registration that could not be included with the bid, the contractor will be allowed to submit subcontractor registration proof no later than four business days after bid opening.

Proposer shall complete and include with their proposal a signed Department of Industrial Relations Labor Compliance Self-Certification Form (Exhibit A).

This project is subject to compliance monitoring and enforcement by the Department of Industrial Relations. Contractors must submit their certified payroll records directly to the Division of Labor Standards Enforcement Compliance Monitoring Unit, as well as the City of Stockton.

4. DISADVANTAGED BUSINESS ENTERPRISE (DBE) PROGRAM

This project is subject to Title 49, Part 26.13(b), Code of Federal Regulations [49 CFR 26.13(b)]:

The contractor, sub recipient or subcontractor shall not discriminate on the basis of race, color, national origin, or sex in the performance of this contract. The contractor shall carry out applicable requirements of 49 CFR Part 26 in the award and administration of DOT-assisted contracts. Failure by the contractor to carry out these requirements is a material breach of this contract, which may result in the termination of this contract or such other remedy as the recipient deems appropriate.

You are required to take necessary and reasonable steps to ensure that Disadvantaged Business Enterprises (DBEs) have opportunity to participate in the contract (49 CFR 26). The term "Disadvantaged Business Enterprise" or "DBE" means a for-profit small business concern owned and controlled by a socially and economically disadvantaged person(s) as defined in 49 CFR 26.5.

To ensure there is equal participation of the DBE groups specified in 49 CFR 26.5, the City will specify a DBE goal for each Federal-aid transportation contract.

You are required to make work available to DBEs and select work parts consistent with available DBE subcontractors and suppliers.

You are required to either, A) meet the calculated DBE goal, or B) demonstrate that you have made adequate good faith efforts to meet this goal.

FAILURE TO MEET EITHER A) OR B) REQUIREMENTS, ABOVE, WILL RENDER THE PROPOSAL NON-RESPONSIVE.

It is your responsibility to verify that a subcontracting firm is properly certified as a DBE. For a list of DBEs certified by the California Unified Certification Program, go to: http://www.dot.ca.gov/hq/bep/find_certified.htm.

Credit for materials or supplies you purchase from DBEs counts towards the goal in the following manner:

1. 100 percent counts if the materials or supplies are obtained from a DBE manufacturer.
2. 60 percent counts if the materials or supplies are obtained from a DBE regular dealer.
3. Only fees, commissions, and charges for assistance in the procurement and delivery of materials or supplies count if obtained from a DBE that is neither a manufacturer nor regular dealer. 49 CFR 26.55 defines "manufacturer" and "regular dealer."

4.1 DBE COMMITMENT SUBMITTAL- Proposers are required to submit DBE information on the form "Consultant Proposal DBE Commitment," Exhibit 10-O1. Additionally, the successful Proposer must complete and submit to the project Engineer form "Consultant Contract DBE Information," Exhibit 10-O2. Current Caltrans forms can be accessed at the following website:

<http://www.dot.ca.gov/hq/LocalPrograms/lam/forms/lapmforms.htm>.

Proposers are required to submit written confirmation from each DBE stating that it is participating in the contract. Include confirmation with the DBE Exhibit 10-O1 form. A copy of a DBE's quote will serve as written confirmation that the DBE is participating in the contract.

When 100 percent of a contract item of work is not to be performed or furnished by a DBE, a description of the exact portion of that work to be performed or furnished by that DBE should be included in the DBE information, including the planned location of that work. A successful Proposer certified as a DBE should describe the work it has committed to performing with its own forces as well as any other work that it has committed to be performed by DBE subconsultant.

If you do not submit the DBE Exhibit 10-O1 form with the proposal, the City will find your proposal nonresponsive.

4.2 GOOD FAITH EFFORTS SUBMITTAL- If you have not met the DBE goal, you must complete and submit the "DBE Information - Good Faith Efforts," Exhibit 15-H, form with

the proposal showing that you made adequate good faith efforts to meet the goal. Current Caltrans forms can be accessed at the following website:

<http://www.dot.ca.gov/hq/LocalPrograms/lam/forms/lapmforms.htm>.

If your DBE Exhibit 10-O1 form shows that you have met the DBE goal, you may also submit good faith efforts documentation to protect your eligibility for award of the contract in the event the City finds that the DBE goal has not been met.

Good faith efforts documentation must include at a minimum the following information and supporting documents:

1. Items of work you have made available to DBE firms. Identify those items of work you might otherwise perform with your own forces and those items that have been broken down into economically feasible units to facilitate DBE participation. For each item listed, show the dollar value and percentage of the total contract. It is your responsibility to demonstrate that sufficient work to meet the goal was made available to DBE firms.
2. Names of certified DBEs and dates on which they were solicited to submit a quote on the project. Include the items of work offered. Describe the methods used for following up initial solicitations to determine with certainty if the DBEs were interested, and the dates of the follow-up. Attach supporting documents such as copies of letters, memos, facsimiles sent, telephone logs, telephone billing statements, and other evidence of solicitation. You are reminded to solicit certified DBEs through all reasonable and available means and provide sufficient time to allow DBEs to respond.
3. Name of selected firm and its status as a DBE for each item of work made available. Include name, address, and telephone number of each DBE that provided a quote and their price quote. If the firm selected for the item is not a DBE, provide the reasons for the selection.
4. Name and date of each publication in which you requested DBE participation for the project. Attach copies of the published advertisements.
5. Names of agencies and dates on which they were contacted to provide assistance in contacting, recruiting, and using DBE firms. If the agencies were contacted in writing, provide copies of supporting documents.
6. List of efforts made to provide interested DBEs with adequate information about the plans, specifications, and requirements of the contract to assist them in responding to a solicitation. If you have provided information, identify the name of the DBE assisted, the nature of the information provided, and date of contact. Provide copies of supporting documents, as appropriate.
7. List of efforts made to assist interested DBEs in obtaining bonding, lines of credit, insurance, necessary equipment, supplies, and materials, excluding supplies and equipment that the DBE subcontractor purchases or leases from the prime contractor or its affiliate. If such assistance is provided by you, identify the name of the DBE assisted, nature of the assistance offered, and date. Provide copies of supporting documents, as appropriate.
8. Any additional data to support demonstration of good faith efforts.

Please note that you may risk losing the project if you rely on good faith efforts documentation in lieu of meeting the DBE goal. If your good faith efforts are found to be inadequate, your proposal will be deemed nonresponsive. In determining whether a proposer has made good faith efforts, the City will take into account the performance of other proposers in meeting the contract. For example, if the apparent successful proposer fails to meet the contract goal, but others meet it, the City may reasonably raise the question of whether, with additional reasonable efforts, the apparent successful proposer could have met the goal. Proposers not meeting a DBE contract goal are cautioned to not automatically assume that their documentation will be adequate to pass the good faith efforts test. All documentation will be very carefully scrutinized.

4.3 SUBCONTRACTOR AND DBE RECORDS- The Consultant shall maintain records showing the name and business address of each first-tier subconsultant. The records shall also show the name and business address of every DBE subcontractor, ethnicity and gender of DBE firm owner as shown in the Caltrans Unified Certification Program database (http://www.dot.ca.gov/hq/bep/find_certified.htm). The records shall show the date of payment and the total dollar figure paid to all of these firms. DBE prime consultants shall also show the date of work performed by their own forces along with the corresponding dollar value of the work.

By the end of every month during the contract or as requested, Consultant shall submit reports of payments made to all DBE subconsultants regardless of tier to the Engineer. Upon completion of the contract, a summary of these records shall be prepared on "Final Report-Utilization of Disadvantaged Business Enterprises (DBE), First-Tier Subcontractors" Form CEM-2402(F) (Exhibit 17-F) and certified correct by the Consultant or the Consultant's authorized representative, and shall be furnished to the Engineer. The form shall be furnished to the Engineer within 90 days from the date of contract acceptance. The amount of \$10,000 will be withheld from payment until a satisfactory form is submitted. Current Caltrans forms can be accessed at the following website: <http://www.dot.ca.gov/hq/LocalPrograms/lam/forms/lapmforms.htm>

4.4 DBE CERTIFICATION STATUS & PERFORMANCE OF SUBCONSULTANTS- If a DBE is decertified during the life of the project, the decertified DBE shall notify the Consultant in writing with the date of decertification. If a subconsultant becomes a certified DBE during the life of the project, the DBE shall notify the Consultant in writing with the date of certification. The Consultant shall furnish the written documentation to the Engineer.

Upon completion of the contract, "Disadvantaged Business Enterprises (DBE) Certification Status Change" Form CEM-2403(F) (Exhibit 17-O) indicating the DBEs' existing certification status shall be signed and certified correct by the Contractor. The certified form shall be furnished to the Engineer within 90 days from the date of contract acceptance. Current Caltrans forms can be accessed at the following website: <http://www.dot.ca.gov/hq/LocalPrograms/lam/forms/lapmforms.htm>.

If a listed DBE subconsultant is terminated, you must make good faith efforts to find another DBE to substitute for the original DBE. The substitute DBE must perform at least the same amount of work as the original DBE under the contract to the extent needed to meet the DBE goal.

The substitute DBE must be certified as a DBE at the time of request for substitution. The City will not pay for work or materials unless it is performed or supplied by the listed DBE, unless the DBE is terminated in accordance with this section.

5. TITLE VI

Title VI of the Civil Rights Act of 1964 requires that “no person in the United States shall, on the grounds of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving federal financial assistance.” (42 USC Section 2000d).

<http://www.dol.gov/oasam/regs/statutes/titlevi.htm>

Proposer shall complete and include with their proposal a signed Title VI Self-Certification Form (Exhibit B).

The City of Stockton is committed to complying with the requirements of Title VI in all of its federally funded programs and activities. Proposers for work with the City of Stockton must meet the requirements of Title VI at all times.

6. DISCRIMINATION AND HARASSMENT POLICY

The City of Stockton has a Discrimination and Harassment Policy (Exhibit C). The purpose of this policy is to reaffirm the City’s commitment to demonstrating respect for all individuals by strictly prohibiting discrimination and harassment, including sexual harassment in the workplace, to define the types of behavior and conduct prohibited by this policy, and to set forth a procedure for reporting, investigating and resolving complaints of discrimination and harassment in the workplace.

7. NON-COLLUSION DECLARATION

The proposer shall execute a Non-Collusion Declaration in the appropriate space provided in the bid form. Any bid made without such declaration or in violation thereof, and also any contract let thereunder shall be absolutely void unless a correct declaration is received after the bid deadline with approval of the City Council.

Proposer shall complete and include with their quote a signed Non-Collusion Declaration Form (Exhibit D).

8. LABOR STANDARDS PROVISIONS/CALIFORNIA LABOR CODE

The proposer shall understand that conditions set forth in Chapter 1, Part 7, Division 2 of the California Labor Code shall be considered part of the contract agreement. https://leginfo.legislature.ca.gov/faces/codes_displayText.xhtml?lawCode=LAB&division=2.&title=&part=7.&chapter=1.&article=2.

PREVAILING WAGE RATES- The prime Contractor to whom the contract is awarded and any subcontractor must pay the higher general prevailing wage rates when applicable to this project. In accordance with the provisions of Section 1773 of the Labor Code, the Director of the Department of Industrial Wages of the State of California has determined the general prevailing rate of wages and employer payments for health and welfare, pension, vacation, travel time, and subsistence pay as provided for in Section 1773.1, apprenticeship or other training programs authorized by Section 3093, and similar purposes applicable to the work to be done. These wages are set forth in the General Prevailing Wage Rates for this project and are available from the California Department of Industrial Relations' internet website at:

<http://www.dir.ca.gov/OPRL/pwd/Determinations/Northern/Northern.pdf>, and from the federal Department of Labor at: www.wdol.gov.

The final contract documents signed by the local agency and the Contractor, will physically include a copy of the wage rates. The Contractor is responsible to comply with the most recent wage rates.

Pursuant to 1773.2 of the Labor Code, the Contractor shall be responsible for posting said wage rate at a prominent location at the work site and shall maintain same in a good readable condition for the duration of the work. In those projects where federal funds are involved, as indicated by reference to or the inclusion of the Federal Wage Determination in these contract documents, the minimum wages to be paid shall be the highest of either the State or federal prevailing wage rates.

Title 40, Chapter 31(VI), Section 3143 of the United States Code applies. If any laborer or mechanic employed by the Contractor or any subcontractor directly on the site of the work covered by the contract is discovered to have been paid a rate of wages less than the contract requires, then the City by written notice may terminate the Contractor's right to proceed with the work in question. The City may have the work completed, by contract or otherwise, and the Contractor and the Contractor's sureties shall be liable to the City for any excess costs the City incurs.

Attention is directed to the federal minimum wage rate requirements of this contract. If there is a difference between the minimum wage rates predetermined by the Secretary of Labor and the general prevailing wage rates determined by the Director of the California Department of Industrial Relations for similar classifications of labor, the Contractor and subcontractors shall pay not less than the higher wage rate. The City will not accept lower State wage rates not specifically included in the federal minimum wage determinations. This includes "helper" (or other classifications based on hours of experience) or any other classification not appearing in the federal wage determinations. Where federal wage determinations do not contain the State wage rate determination otherwise available for use by the Contractor and subcontractors, the Contractor and subcontractors shall pay not less than the Federal minimum wage rate which most closely approximates the duties of the employees in question.

The U.S. Department of Transportation (DOT) provides a toll-free "hotline" service to report bid rigging activities. Bid rigging activities can be reported Monday through

Friday, between 8 a.m. and 5 p.m., eastern time, Telephone No. 1-800-424-9071. Anyone with knowledge of possible bid rigging, proposer collusion, or other fraudulent activities should use the “hotline” to report these activities. The “hotline” is part of the DOT’s continuing effort to identify and investigate highway construction contract fraud and abuse and is operated under the direction of the DOT Inspector General. All information will be treated confidentially and caller anonymity will be respected.

(A) PAYROLL RECORDS- The prime Contractor to whom the contract is awarded shall insure that the prime and each subcontractor will, in accordance with Section 1776 of the Labor Code, maintain certified payroll records. A copy of said records shall be provided with each invoice to the Public Works Department, Attention: Contract Compliance Officer. It shall be the prime Contractor’s responsibility to obtain copies of the current prevailing wage rate determination for all subcontractors.

(B) APPRENTICESHIP STANDARDS - The prime Contractor shall comply with the provisions established in Section 1777.5 of the Labor Code concerning the (1) certified approval by local joint apprenticeship committees for the employment and training of apprentices, and (2) contribution of funds to administer and conduct apprenticeship programs.

9. LABOR NON-DISCRIMINATION

Attention is directed to the following notice that is required by Chapter 5, Division 4 of Title 2, California Code of Regulations “NOTICE OF REQUIREMENT FOR NONDISCRIMINATION PROGRAM” (GOV. CODE, SECTION 12990). Your attention is directed to the “Nondiscrimination Clause” set forth elsewhere, “Labor Non-discrimination,” which is applicable to Nonexempt State contracts and subcontracts, and to the “Standard California Nondiscrimination Construction Contract Specifications”: set forth therein. The Specifications are applicable to all Non-exempt State construction contracts of \$5,000 or more.

10. FEDERAL LOBBYING RESTRICTIONS

Section 1352, Title 31, United States Code prohibits federal funds from being expended by the recipient or any lower tier sub-recipient of a federal-aid contract to pay for any person for influencing or attempting to influence a federal agency or Congress in connection with the awarding of a federal-aid contract, the making of any federal grant or loan, or the entering into of any cooperative agreement. If any funds other than federal funds have been paid or the same purposes in connection with this federal-aid contract, the recipient shall submit an executed certification, and if required, submit a completed disclosure form as part of the bid documents.

A certification for federal aid contracts regarding payment of funds to lobby Congress or a federal agency is included in the proposal. Standard Form–LLL, “*Disclosure of Lobbying Activities*,” with instructions for completion of the Standard Form–LLL, “*Disclosure of Lobbying Activities*,” is also included in the Proposal. Signing the proposal shall constitute signature of the Certification.

The above referenced certification and disclosure of lobbying activities shall be included in each subcontract and any lower-tier contracts exceeding \$100,000. All disclosure forms, but not certifications, shall be forwarded from tier to tier until received by the Project Manager. The Contractor, subcontractors, and any lower-tier contractors shall file a disclosure form at the end of each calendar quarter in which there occurs any event that requires disclosure or materially affects the accuracy of the information contained in any disclosure form previously filed by the Contractor, subcontractors, and any lower-tier contractors. An event that materially affects the accuracy of the information reported includes:

- (A) A cumulative increase of \$25,000 or more in the amount paid or expected to be paid for influencing or attempting to influence a covered federal action; or
- (B) A change in the person(s) or Individual(s) influencing or attempting to influence a covered federal action; or
- (C) A change in the officer(s), employee(s), or member(s) contracted to influence or attempt to influence a covered federal action.

11. SANCTIONS

Deliverables must conform with all applicable federal, state, and local laws. Such conformity includes compliance with federal sanctions, and Contractor certifies that it has not and will not engage in prohibited transactions with sanctioned persons or entities.

12. BUSINESS LICENSE

The successful proposer must obtain and maintain a valid City of Stockton business license throughout the fiscal periods embraced by the duration of the contract.

13. INSURANCE

Contractor shall not commence any work before obtaining, and shall maintain in force at all times during the duration and performance of this agreement the policies of insurance specified in Exhibit E, which is attached to this agreement and incorporated by this reference.

Maintenance of proper insurance coverage is a material element of this contract and that failure to maintain or renew coverage or to provide evidence of renewal may be treated as a material breach of contract.

The Proponent shall satisfy these insurance requirements concurrently with the signing of the contract prior to commencement of work. Please contact City of Stockton Risk Services at (209) 937-5037. Any exceptions to this language may result in a non-responsive proposal.

It shall be a requirement under this agreement that any available insurance proceeds broader than or in excess of the specified minimum Insurance coverage requirements and/or limits shall be available to the Additional Insured.

Furthermore, the requirements for coverage and limits shall be (1) the minimum coverage and limits specified in this Agreement; or (2) the broader coverage and maximum limits of coverage of any Insurance policy or proceeds available to the named Insured; whichever is greater.

The Additional Insured coverage under the Contractor's policy shall be "primary and non-contributory" and will not seek contribution from the City of Stockton's insurance or self-insurance and shall be at least as broad as CG 20 01 04 13.

The limits of Insurance required in this agreement may be satisfied by a combination of primary and umbrella or excess insurance. Any umbrella or excess Insurance shall contain or be endorsed to contain a provision that such coverage shall also apply on a primary and non-contributory basis for the benefit of the City of Stockton (if agreed to in a written contract or agreement) before the City of Stockton's own Insurance or self-insurance shall be called upon to protect it as a named insured.

All self-insured retentions (SIR) must be disclosed to Risk Management for approval and shall not reduce the limits of liability. Payment Bond in the amount of the self-insured retention (SIR) may be required.

Policies containing any self-insured retention (SIR) provision shall provide or be endorsed to provide that the SIR may be satisfied by either the named Insured or the City of Stockton.

The City of Stockton reserves the right to obtain a full certified copy of any Insurance policy and endorsements. Failure to exercise this right shall not constitute a waiver of right to exercise later.

Contractor shall maintain insurance as required by this contract to the fullest amount allowed by law and shall maintain insurance for a minimum of five years following the completion of this project. In the event Contractor fails to obtain or maintain completed operations coverage as required by this agreement, the city at its sole discretion may purchase the coverage required and the cost will be paid by Contractor.

Contractor agrees to include with all subcontractors in their subcontract the same requirements and provisions of this agreement including the indemnity and insurance requirements to the extent they apply to the scope of the Subcontractor's work. Subcontractors hired by Contractor agree to be bound to Contractor and the City of Stockton in the same manner and to the same extent as Contractor is bound to the City of Stockton under the Contract Documents. Subcontractor further agrees to include these same provisions with any Sub-subcontractor. A copy of the City of Stockton Contract Document Indemnity and Insurance provisions will be furnished to the

Subcontractor upon request. The General Contractor shall require all sub-contractors to provide a valid certificate of insurance and the required endorsements included in the agreement prior to commencement of any work and Contractor will provide proof of compliance to the City.

13. INDEMNIFICATION AND HOLD HARMLESS

Proposers should be aware that the Professional Services contract entered into with the City of Stockton and the Contractor will include the following language, which will not be modified:

With the exception that this section shall in no event be construed to require indemnification by Consultant to a greater extent than permitted under the public policy of the State of California, Consultant shall indemnify, and hold harmless City, its Mayor, Council, officials, and employees from and against any and all claims and causes of action which result in liabilities, judgments, awards, losses, damages, expenses, and costs (including reasonable attorneys' fees, expert and consultant fees, and other expenses of litigation) including, but not limited to, death or injury to persons, or damage to property, which arise out of any violation of federal, state, or municipal law or ordinance, to the extent damages are caused by the Consultant's negligent services provided under this Agreement, or are in any way caused by the negligent performance of work by the Consultant or Consultant's officers, agents, employees, or subconsultants. Consultant shall not be obligated to indemnify or defend City for claims finally determined by a court of law or arbitrator to arise from the negligence or willful misconduct of the City. It is the intent of the Parties that this indemnity obligation is at least as broad as is permitted under California law. To the extent California Civil Code sections 2782, et seq., limit the defense or indemnity obligations of Consultant to City, the intent hereunder is to provide the maximum defense and indemnity obligations allowed by Consultant under the law. The indemnity set forth in this section shall not be limited by insurance requirements or by any other provision of this Agreement.

With the exception that this section shall in no event be construed to require indemnification by Consultant to a greater extent than permitted under the public policy of the State of California, and in addition to the other indemnity obligations in this Agreement, Consultant shall indemnify, defend, and hold harmless City, its Mayor, Council, officials, representatives, and employees from and against claims, losses, expenses, and costs including, but not limited to, reasonable attorneys' fees, arising out of any claim brought against the City by an employee of Consultant, regardless of whether such claim may be covered by any applicable workers compensation insurance. Consultant's indemnification obligation is not limited in any way by any limitation on the amount or type of damages, compensation, or benefits payable by or for the Consultant under workers' compensation acts, disability acts, or other employee benefit acts.

14. EQUAL EMPLOYMENT OPPORTUNITY (EEO) GOALS

The City of Stockton reserves the right to identify employment goals to be applied to proposers of City contracts, requests for proposal, and materials and supplies. Proposers are required to certify (Forms EEO-1A and 1B- Exhibit F) their participation in previous contract subject(s) to the equal opportunity clauses, and ongoing attempts to recruit and hire minorities and women into their permanent workforce.

15. SAMPLE CONTRACT

A sample contract is attached (Exhibit G) and could be subject to change.

16. PLANHOLDERS LIST

Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to the City of Stockton.

Other Insurance Provisions

The insurance policies are to contain, or be endorsed to contain, the following provisions:

Additional Insured Status

The City of Stockton, its officers, officials, employees, and volunteers are to be covered as additional insureds on the CGL policy with respect to liability arising out of work or operations performed by or on behalf of the Contractor including materials, parts, or equipment furnished in connection with such work or operations. General liability coverage can be provided in the form of an endorsement to the Contractor's insurance (at least as broad as ISO Form CG 20 10 11 85 or if not available, through the addition of **both** CG 20 10, CG 20 26, CG 20 33, or CG 20 38; **and** CG 20 37 if a later edition is used). Primary Coverage

For any claims related to this contract, the **Contractor's insurance coverage shall be primary and non-contributory** and at least as broad as ISO CG 20 01 04 13 as respects the City of Stockton, its officers, officials, employees, and volunteers. Any insurance or self-insurance maintained by the City of Stockton, its officers, officials, employees, or volunteers shall be excess of the Contractor's insurance and shall not contribute with it. This requirement shall also apply to any Excess or Umbrella liability policies. The City of Stockton does not accept endorsements limiting the Contractor's insurance coverage to the sole negligence of the Named Insured.

Umbrella or Excess Policy

The Contractor may use Umbrella or Excess Policies to provide the liability limits as required in this agreement. This form of insurance will be acceptable provided that all of the Primary and Umbrella or Excess Policies shall provide all of the insurance coverages herein required, including, but not limited to, primary and non-contributory, additional insured, Self-Insured Retentions (SIRs), indemnity, and defense requirements. The Umbrella or Excess policies shall be provided on a true "following form" or broader coverage basis, with coverage at least as broad as provided on the underlying Commercial General Liability insurance. No insurance policies maintained by the Additional Insureds, whether primary or excess, and which also apply to a loss covered hereunder, shall be called upon to contribute to a loss until the Contractor's primary and excess liability policies are exhausted.

Notice of Cancellation

Each insurance policy required above shall provide that coverage shall not be canceled, except with notice to the City of Stockton.

Waiver of Subrogation

Contractor hereby grants to City of Stockton a waiver of any right to subrogation which any insurer of said Contractor may acquire against the City of Stockton by virtue of the payment of any loss under such insurance. Contractor agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation, but this provision applies regardless of whether or not the City of Stockton has received a waiver of subrogation endorsement from the insurer.

Self-Insured Retentions

Self-insured retentions must be declared to and approved by the City of Stockton. The City of Stockton may require the Contractor to purchase coverage with a lower retention or provide proof of ability to pay losses and related investigations, claim administration, and defense expenses within the retention. The policy language shall provide, or be endorsed to provide, that the self-insured retention may be satisfied by either the named insured or City of Stockton. The CGL and any policies, including Excess liability policies, may not be subject to a self-insured retention (SIR) or deductible that exceeds \$25,000 unless approved in writing by City of Stockton. Any and all deductibles and SIRs shall be the sole responsibility of Contractor or subcontractor who procured such insurance and shall not apply to the Indemnified Additional Insured Parties. City of Stockton may deduct from any amounts otherwise due Contractor to fund the SIR/deductible. Policies shall NOT contain any self-insured retention (SIR) provision that limits the satisfaction of the SIR to the Named. The policy must also provide that Defense costs, including the Allocated Loss Adjustment Expenses, will satisfy the SIR or deductible. City of Stockton reserves the right to obtain a copy of any policies and endorsements for verification.

Acceptability of Insurers

Insurance is to be placed with insurers authorized to conduct business in the state with a current A.M. Best's rating of no less than A:VII, unless otherwise acceptable to the City of Stockton.
