

QUESTIONS - ANSWERS - CLARIFICATIONS

**CITY OF STOCKTON
SIDEWALK, CURB, AND GUTTER REPAIRS PROGRAM FY2021-22 SB1
CITY PROJECT NO.: WD22004**

DEADLINES FOR QUESTIONS: MARCH 3, 2022

- 1. We would respectfully request that a Letter of Clarification be issued to allow properly licensed specialty contractors (combined C-8 and C-12) to bid on this project as a Prime bidder.**

Answer: The contractor is required to have a class A license to bid the project.

- 2. Who is responsible for construction survey if needed?**

Answer: The contractor's land surveyor is responsible for conducting the monument survey. Please refer to section 5-1.09 'Preservation and Perpetuation of Existing Survey Monuments' on page SP12-SP13 of the Special Provisions.

- 3. Who is responsible for compaction testing (again if needed)?**

Answer: The City will perform compaction testing.

- 4. Will there be a cost for water?**

Answer: Full compensation for construction water shall be considered as included in the prices paid for the various contract items of work involved, and no additional compensation will be allowed. Please refer to section 5-1.12 Encroachment Permit from City, County, Utilities, Railroads, and Others (Construction Water Section) on page SP15 of the Special Provisions.
