

BIDDING SCHEDULE

Only prime contractors enlisted in the Council approved Pre-Qualified Bidder's List are allowed to submit a construction bid for this project.

Each Bidder shall bid each item, including all alternate bid(s). Failure to bid an item shall be just cause for considering the bid as non-responsive. Line-item costs should include all Contractor's overhead and profit and indirect costs. Bids not presented on City forms shall be cause for considering the bid as non-responsive. The basis of the contract award will be the lower responsive and responsible bidder for the Total Base Bid Price. It is the City's sole discretion to add, or not add, the Alternative Bid(s) to the Base Bid contract.
