WITNESSETH:

WHEREAS, plans and specifications for the construction of **PROJECT NAME (PROJECT NO. xx)**, hereinafter called "PROJECT," were regularly adopted by **Council Motion –OR- Council Resolution No. _____**, on _____; and

WHEREAS, the contract for said work was regularly awarded to CONTRACTOR, by **Council Motion –OR- Council Resolution No. _____**, on _____.

NOW, THEREFORE, in consideration of the promises and of the mutual covenants herein contained, the parties hereto expressly agree as follows:

CONTRACTOR agrees:

1. SCOPE OF SERVICES. To do the work and furnish all the labor, materials, tools, equipment, and insurance required for the construction of PROJECT in accordance with the plans and specifications adopted on _____, by **Council Motion –OR- Council Resolution No. _____**. The "contract documents," which include the bid documents, project plans, specifications, all letters of clarification, and the City of Stockton Standard Specifications and Plans, are incorporated into and made a part of this contract by this reference to the same extent as if fully set forth.

2. COMPENSATION. To do and perform the work contemplated hereby in a good and workmanlike manner and to furnish all labor, materials, tools, and equipment necessary therefore at the prices specified in Exhibit A, attached hereto and by reference made a part hereof, under the direction of and to the complete satisfaction of the Director of Public Works of the City of Stockton. Total compensation for services and reimbursement for costs shall not exceed **ENTER CONTRACT AMOUNT**, or as otherwise mutually agreed to in a Contract Change Order.

3. INSURANCE. CONTRACTOR shall not commence any work before obtaining, and shall maintain in force at all times during the duration and performance of this contract, the policies of insurance specified in Exhibit B, which is attached to this contract and incorporated by this reference, and as provided in the "contract documents" including Section 7-1.06 of the City of Stockton Standard Specifications and Plans as

adopted on September 27, 2016, by Council Resolution No. 2016-09-27, effective September 27, 2016.

It shall be a requirement under this agreement that any available insurance proceeds broader than or in excess of the specified minimum insurance coverage requirements and/or limits shall be available to the Additional Insured.

Furthermore, the requirements for coverage and limits shall be (1) the minimum coverage and limits specified in this Agreement; or (2) the broader coverage and maximum limits of coverage of any insurance policy or proceeds available to the named Insured; whichever is greater.

The Additional Insured coverage under the CONTRACTOR's policy shall be "primary and non-contributory" and will not seek contribution from the City of Stockton's insurance or self-insurance and shall be at least as broad as ISO CG 20 01 04 13.

The limits of insurance required in this agreement may be satisfied by a combination of primary and umbrella or excess insurance. Any umbrella or excess insurance shall contain or be endorsed to contain a provision that such coverage shall also apply on a primary and non-contributory basis for the benefit of the City of Stockton (if agreed to in a written contract or agreement) before the City of Stockton's own insurance or self-insurance shall be called upon to protect it as a named insured.

All self-insured retentions (SIR) must be disclosed to the CITY's Risk Management for approval and shall not reduce the limits of liability. Payment Bond in the amount of the self-insured retention (SIR) may be required.

Policies containing any self-insured retention (SIR) provision shall provide or be endorsed to provide that the SIR may be satisfied by either the named insured or the CITY.

The CITY reserves the right to obtain a full certified copy of any insurance policy and endorsements.

Failure to exercise this right shall not constitute a waiver of right to exercise later.

CONTRACTOR shall maintain insurance as required by this contract to the fullest amount allowed by law and shall maintain insurance for a minimum of five years following the completion of this project. In the event contractor fails to obtain or maintain completed operations coverage as required by this agreement, the City at its sole discretion may purchase the coverage required and the cost will be paid by contractor.

CONTRACTOR agrees to include with all Subcontractors in their subcontract the same requirements and provisions of this agreement including the indemnity and insurance requirements to the extent they apply to the scope of the Subcontractor's work. Subcontractors hired by CONTRACTOR agree to be bound to CONTRACTOR and the CITY in the same manner and to the same extent as CONTRACTOR is bound to the

CITY under the Contract Documents. Subcontractor further agrees to include these same provisions with any Sub-subcontractor. A copy of the CITY Contract Document Indemnity and Insurance provisions will be furnished to the Subcontractor upon request. The General CONTRACTOR shall require all sub-contractors to provide a valid certificate of insurance and the required endorsements included in the agreement prior to commencement of any work and contractor will provide proof of compliance to the City.

4. INDEMNITY AND HOLD HARMLESS. With the exception that this section shall in no event be construed to require indemnification by Contractor to a greater extent than permitted under the public policy of the State of California, Contractor shall indemnify, protect, defend with counsel approved by City and at Contractor's sole cost and expense, and hold harmless the City, its officers, officials, employees, and volunteers from and against any and all claims, causes of action, liabilities, judgments, awards, losses, liens, claims, stop notices, damages, expenses, and costs (including without limitation attorneys' fees, expert and consultant fees, and other expenses of litigation) of every nature, including, but not limited to, death or injury to persons, or damage to property, which arise out of or are in any way connected with the work performed, materials furnished, or services provided under this Agreement, or from any violation of any federal, State, or municipal law or ordinance, or City Policy, by Contractor or Contractor's officers, agents, employees, volunteers or subcontractors. Contractor shall not be obligated to indemnify or defend City for claims finally determined by a court of law or arbitrator to arise from the active negligence or willful misconduct of the City. It is the intent of the Parties that this indemnity obligation is at least as broad as is permitted under California law. To the extent California Civil Code sections 2782, et seq., limit the defense or indemnity obligations of Contractor to City, the intent hereunder is to provide the maximum defense and indemnity obligations allowed by Contractor under the law. The indemnity set forth in this section shall not be limited by insurance requirements or by any other provision of this Agreement.

With exception that this section shall in no event be construed to require indemnification, including the duty to defend, by Contractor to a greater extent than permitted under the public policy of the State of California, the parties agree that Contractor's duty to defend City is immediate and arises upon the filing of any claim against the City for damages which arise out of or are in any way connected with the work performed, materials furnished, or services provided under this Agreement by Contractor or Contractor's officers, agents, employees, volunteers or subcontractors. Contractor's duties and obligations to defend the City shall apply regardless of whether or not the issue of the City's liability, breach of this Agreement, or other obligation or fault has been determined. Contractor shall be immediately obligated to pay for City's defense costs of the claim, including, but not limited to, court costs, attorney's fees and costs, expert consultant and witness fees and costs, other witness fees, document reproduction costs, arbitration fees, and, if after final judgment an appeal is pursued, all of such costs for the appeal. At the conclusion of the claim, if there is any determination or finding of sole active negligence or willful misconduct on the part of the City, City will then reimburse Contractor for amounts paid in excess of Contractor's proportionate share of responsibility for the damages within 30 days after Contractor provides City with copies

of all bills and expenses incurred in the defense of the claim(s). It is agreed between the parties that this reimbursement provision assures Contractor is not obligated to defend or indemnify City in an amount greater than provided for under California law, including, without limitation, California Civil Code sections 2782, 2782.6, and 2782.8.

With the exception that this section shall in no event be construed to require indemnification by Contractor to a greater extent than permitted under the public policy of the State of California, and in addition to the other indemnity obligations in this Agreement, Contractor shall indemnify, defend, and hold harmless the City, its officers, officials, employees, and volunteers from and against all claims, losses, expenses, and costs including, but not limited to, attorneys' fees, arising out of any claim brought against the City by an employee, office, agent, or volunteer of Contractor, regardless of whether such claim may be covered by any applicable workers compensation insurance. Contractor's indemnification obligation is not limited in any way by any limitation on the amount or type of damages, compensation, or benefits payable by or for the Contractor under workers' compensation acts, disability acts, or other employee benefit acts.

The City's acceptance of the insurance certificates required under this Agreement does not relieve the CONTRACTOR from its obligation under this paragraph. The indemnification obligations of this section shall survive the termination of this agreement. Any exceptions to this language may result in a proposal being deemed non-responsive. CONTRACTOR/Subcontractor's responsibility for such defense and indemnity obligations shall survive the termination or completion of this agreement for the full period of time allowed by law.

The defense and indemnification obligations of this agreement are undertaken in addition to, and shall not in any way be limited by, the insurance obligations contained in this agreement. If any section, subsection, sentence, clause or phrase of this indemnification is for any reason held to be invalid or unconstitutional, such decision shall not affect the validity of the remaining portions of this indemnification.

5. STANDARD PLANS AND SPECIFICATIONS. The performance of said work and the furnishing of said materials shall be executed in accordance with Section 8-1.04B of the City of Stockton Standard Specifications and Plans as adopted on September 27, 2016, by Council Resolution No. 2016-09-27-1213, effective September 27, 2016, and the provisions of the issued project specifications.

The Director of Public Works will furnish CONTRACTOR a weekly statement showing the number of days charged to the contract for the preceding week, the number of days specified for completion of the contract, and the number of days remaining to complete the contract. CONTRACTOR will be allowed one (1) week in which to file a written protest setting forth in what respects said weekly statement is incorrect, otherwise the statement shall be deemed to have been accepted by CONTRACTOR as correct.

6. WORKING DAYS. This work shall be diligently prosecuted to completion before the expiration of **XXX** WORKING DAYS beginning on the tenth calendar day after

the date shown on the Notice to Proceed. It is further agreed that in case the work called for under the contract is not finished and completed in all parts and requirements within the number of days as specified, the CITY shall have the right to increase the number of days or not, as may seem best to serve the interest of CITY, and if the CITY decides to increase the said number of days, the CITY shall further have the right to charge to CONTRACTOR, CONTRACTOR's heirs, assigns or sureties, and to deduct from the final payment for the work, all or any part, as may be deemed proper, the liquidated damages as specified or the actual cost of engineering, inspection, superintendence, and other overhead expenses which are directly chargeable to the contract, and which accrue during the period of such extension, whichever is greater, except the cost of final surveys and preparation of final estimate shall not be included in such charges.

A working day shall not include, nor shall CONTRACTOR be assessed with liquidated damages nor the additional cost of engineering and inspection during any delay beyond the time named for the completion of the work caused by acts of God or of the public enemy, acts of CITY, fire, floods, epidemics, quarantine restrictions, strikes, and freight embargoes and subject to approval by the Director of Public Works, inability to get materials ordered by CONTRACTOR or subcontractor due to such causes provided that CONTRACTOR shall notify the Director of Public Works in writing of the causes of delay within five (5) working days from the beginning of any such delay, and the Director shall ascertain the facts and the extent of the delay, and Director's findings of the facts thereon shall be final and conclusive.

If CONTRACTOR is delayed by reason of alterations made in these specifications, or by any act of the Director of Public Works or of the CITY, not contemplated by the contract, the time of completion shall be extended proportionately and CONTRACTOR shall be relieved during the period of such extension of any claim for liquidated damages, engineering or inspection charges or other penalties. CONTRACTOR shall have no claim for any other compensation for any such delay.

7. CONFORMANCE TO APPLICABLE LAWS. Contractor shall comply with all applicable Federal, State, and Municipal laws, rules and ordinances. Contractor shall not discriminate in the employment of persons or in the provision of services under this

WHEREAS, due to the lack of jobs, much of the work force residing in Stockton is forced to commute long distances to find work, causing increased traffic, increased pollution, and other serious environmental impacts; and

WHEREAS, because of the shortage of local jobs, many residents of Stockton must leave for work very early in the morning and return late in the evening, often leaving children and teenagers alone and unsupervised during the day; and

WHEREAS, absentee parents and unsupervised youth can result in increased problems for families, communities, and the City as a whole; and

This Agreement covers all onsite fabrication work over which the City or any Contractor(s)/Employer(s) possess the right of control (including work done for the Project in any temporary yard or area established for the Project.) This Agreement also covers all off-site work, including fabrication traditionally performed by the Unions, that is part of the Project, provided such off-site work is covered by a current "Master Agreement" or local addenda to a National Agreement of the applicable Union(s) that is in effect as of the execution date of this Agreement. The furnishing of supplies, equipment or materials which are stockpiled for later use shall not be considered Covered Work; however, the delivery of ready-mix, asphalt, aggregate, sand or other fill material which are directly incorporated into the construction process as well as the off-hauling of debris and excess fill, material and/or mud shall be covered by the terms and conditions of this Agreement. 2.4.4 This Agreement shall not apply to any work performed on or near or leading to the site of work covered by this Agreement that is undertaken by state, county, City or other governmental bodies or their contractors; or by public or private utilities or their contractors that is not part of the Project.

2.4.5 This Agreement shall not apply to the Project where the Agreement is prohibited by state or federal law or where the express conditions for the receipt of non-de minimis state or federal funding prohibit the City from applying this Agreement to the Project.

2.5 Project Labor Disputes: All Project labor disputes involving the application or interpretation of the Master Agreement to which a signatory Contractor(s)/Employer(s) and a signatory Union are parties shall be resolved pursuant to the resolution procedures of the Master Agreement. All disputes relating to the interpretation or application of this Agreement shall be subject to resolution by the Grievance Committee and the Grievance and Arbitration Procedure set forth in Article XII.

2.6 Work covered by this Agreement within the following craft jurisdictions shall be performed under the terms of their National Agreements as follows: the National Transient Lodge ("NTL") Articles of Agreement, the National Stack/Chimney Agreement, the National Cooling Tower Agreement, and the National Agreement of Elevator Constructors, and any instrument calibration work and loop checking shall be performed under the terms of the UA/IBEW Joint National Agreement for Instrument and Control Technicians, with the exception that Articles IV, XII, XIII of this Agreement shall apply to such work.

2.7 Award of Contracts. It is understood and agreed that the City has the absolute right to select any qualified bidder for the award of contracts under this Agreement. The bidder need only be willing, ready and able to execute and comply with this Agreement. It is further agreed that this Agreement shall be included in all invitations to bid or solicitations for proposals from contractors or subcontractors for work on the Project that are issued on and after the effective date of this Agreement.

ARTICLE III
EFFECT OF AGREEMENT

3.1 By executing the Agreement, the Unions and the City agree to be bound by each and all of the provisions of the Agreement.

3.2 This Agreement shall be included as a condition of the award of Construction Contracts for the Project. By accepting the award of a Construction Contract for the Project, whether as contractor or subcontractor, the Contractor(s)/Employer(s) agrees to be bound by each and every provision of the Agreement and agrees that it will evidence its acceptance prior to the commencement of work by executing the Agreement to be Bound in the form attached hereto as Addendum A.

3.3 At the time that any Contractor(s)/Employer(s) enters into a subcontract with any subcontractor providing for the performance of a Construction Contract, the Contractor(s)/Employer(s) shall provide a copy of this Agreement to said subcontractor and shall require the subcontractor as a part of accepting an award of a construction subcontract to agree in writing, to be bound by each and every provision of this Agreement prior to the commencement of work by executing the Agreement to be Bound in the form attached hereto as Addendum A.

3.4 This Agreement shall only be binding on the signatory parties hereto, their successors and assigns, and shall not apply to the parents, affiliates, subsidiaries, or other ventures of any such party. Each Contractor shall alone be liable and responsible for its own individual acts and conduct and for any breach or alleged breach of this Agreement. Any dispute between the Union(s) and the Contractor(s) respecting compliance with the terms of the Agreement, shall not affect the rights, liabilities, obligations and duties between the signatory Union(s) and other Contractor(s)/Employer(s) party to this Agreement.

3.5 It is mutually agreed by the parties that any liability by a signatory Union to this Agreement shall be several and not joint. Any alleged breach of this Agreement by a signatory Union shall not affect the rights, liabilities, obligations and duties between the signatory Contractor(s) and the other Union(s) party to this Agreement.

3.6 The provisions of this Agreement, including the Master Agreements of the Local Unions having jurisdiction over the work on the Project, incorporated herein by reference, shall apply to the work covered by this Agreement, notwithstanding the provisions of any other local, area and/or national agreements which may conflict with or differ from the terms of this Agreement. Where a subject covered by the provisions of this Agreement is also covered by a Master Agreement, the provisions of this Agreement shall prevail. Where a subject is covered by the provisions of a Schedule A and is not covered by this Agreement, the provisions of the Master Agreement shall prevail.

ARTICLE IV
WORK STOPPAGES, STRIKES, SYMPATHY
STRIKES AND LOCKOUTS

4.1 The Unions, City and Contractor(s)/Employer(s) agree that for the duration of the Project:

(1) There shall be no strikes, sympathy strikes, work stoppages, picketing, hand billing or otherwise advising the public that a labor dispute exists, or slowdowns of any kind, for any reason, by the Unions or employees employed on the Project, at the job site of the Project or at any other facility of the City because of a dispute on the Project. Nor shall the Unions or any employees employed on the Project participate in any strikes, sympathy strikes, work stoppages, picketing, hand billing, slowdowns, or otherwise advising the public that a labor dispute exists at the jobsite of the Project because of a dispute between Unions and Contractor(s)/Employer(s) on any other project. It shall not be considered a violation of this Article if labor is withheld by a Union due to lack of payments to a Trust Fund or failure to make payroll on the Project. Nothing stated in this Agreement shall prevent Unions from participating in the actions mentioned in this section on jobsites other than the Project jobsite because of disputes between the Unions and Contractor(s)/Employer(s) on projects other than the Project.

(2) As to employees employed on the Project, there shall be no lockout of any kind by a Contactor(s)/Employer(s) covered by the Agreement.

(3) If a Master Agreement between a Contractor(s)/Employer(s) and the Union expires before the Contractor(s)/Employer(s) completes the performance of a Construction Contract for work covered under this Agreement and the Union or Contractor(s)/Employer(s) gives notice of demands for a new or modified Master Agreement, the Union agrees that it will not strike the Contractor(s)/Employer(s) on said contract for work covered under this Agreement and the Union and the Contractor(s)/Employer(s) agree that the expired Master Agreement shall continue in full force and effect for work covered under this Agreement until a new or modified Master Agreement is reached between the Union and Contractor(s)/Employer(s). If the new or modified Master Agreement reached between the Union and Contractor(s)/Employer(s) provides that any terms of the Master Agreement shall be retroactive, the Contractor(s)/Employer(s) agrees to comply with any retroactive terms of the new or modified Master Agreement which is applicable to employees employed on the Project within seven (7) days after the effective date of the new or modified Master Agreement.

4.1.1. Notification: If the City contends that any Union has violated this Article, it will notify in writing (including email) the Senior Executive of the Council and the Senior Executive of the Union, setting forth the facts alleged to violate the Article, prior to instituting the expedited arbitration procedure set forth below. The Senior Executive of Council will immediately use his/her best efforts to cause the cessation of any violation of this Article. The Senior Executive of the Union will immediately inform the membership of their obligations under this Article. A Union complying with this obligation shall not be held responsible for unauthorized acts of employees it represents.

4.2 Expedited Arbitration: Any party to this Agreement shall institute the following procedure, prior to initiating any other action at law or equity, when a breach of this Article is alleged to have occurred:

(1) A party invoking this procedure shall notify Robert Hirsch, as the permanent arbitrator, or, William Riker, as the alternate under this procedure. In the event that the permanent arbitrator is unavailable at any time, the alternate will be contacted. If neither is available, then a selection shall be made from the list of arbitrators in Article XII. Notice to the arbitrator shall be

Attachment A

by the most expeditious means available, with notices by facsimile, electronic mail or telephone to the party alleged to be in violation, to the City, to the Council and to the involved Local Union if a Union is alleged to be in violation.

(2) Upon receipt of said notice, the City will contact the designated arbitrator named above or his alternate who will attempt to convene a hearing within twenty-four (24) hours if it is contended that the violation still exists.

(3) The arbitrator shall notify the parties by facsimile or telephone of the place and time for the hearing. Said hearing shall be completed in one session, which, with appropriate recesses at the arbitrator's discretion, shall not exceed twenty-four (24) hours unless otherwise agreed upon by all parties. A failure of any party to attend said hearings shall not delay the hearing of evidence or the issuance of any award by the arbitrator.

(4) The sole issue at the hearing shall be whether or not a violation of Article IV, Section 4.1 of the Agreement has occurred. The arbitrator shall have no authority to consider any matter of justification, explanation or mitigation of such violation or to award damages, which issue is reserved for court proceedings, if any. The award shall be issued in writing within three (3) hours after the close of the hearing, and may be issued without a written opinion. If any party desires a written opinion, one shall be issued within fifteen (15) days, but its issuance shall not delay compliance with or enforcement of the award. The arbitrator may order cessation of the violation of this Article and other appropriate relief and such award shall be served on all parties by hand or registered mail upon issuance.

(5) Such award may be enforced by any Court of competent jurisdiction upon the filing of this Agreement and all other relevant documents referred to above in the following manner. Written notice of the filing of such enforcement proceedings shall be given to the other party. In the proceeding to obtain a temporary order enforcing the arbitrator's award as issued under Section 4.2 of this Article, all parties waive the right to a hearing and agree that such proceedings may be *ex-parte*. Such agreement does not waive any party's right to participate in a hearing for a final order or enforcement. The Court's order or orders enforcing the arbitrator's award shall be served on all parties by hand or delivered by certified mail.

(6) Any rights created by statute or law governing arbitration proceedings inconsistent with the above procedure, or which interfere with compliance, are waived by the parties.

(7) The fees and expenses of the arbitrator shall be divided equally between the party instituting the arbitration proceedings provided in this Article and the party alleged to be in breach of its obligation under this Article.

ARTICLE V
PRE-CONSTRUCTION CONFERENCE

5.1 The Project Manager shall convene a pre-construction conference to be held at least fourteen (14) days prior to the commencement of each construction phase, at a time and location mutually agreeable to the Council. Such conference shall be attended by a representative each from the participating Contractor(s)/Employer(s) and Union(s) and the Project Manager.

5.2 Review Meetings: In order to ensure the terms of this Agreement are being fulfilled and all concerns pertaining to the City, the Unions, and the Contractors are addressed, the Project Manager, General Contractor and Senior Executive of the Council or designated representatives thereof shall meet on a periodic basis during the term of construction. The City and the Council shall have the right to call a meeting of the appropriate parties to ensure the terms of this Agreement are being fulfilled.

ARTICLE VI
NO DISCRIMINATION

6.1 The Contractor(s)/Employer(s) and Unions agree to comply with all anti-discrimination provisions of federal, state and local law, to protect employees and applicants for employment, on the Project.

ARTICLE VII
UNION SECURITY

7.1 The Contractor(s)/Employer(s) recognize the Union(s) as the sole bargaining representative of all craft employees working within the scope of this Agreement.

7.2 All employees performing work covered by this Agreement shall, as a condition of employment on or before the eighth (8th) cumulative day of employment on the Project, be responsible for the payment of the applicable periodic working dues and fees uniformly required for union membership in the Local Union that is a signatory to this Agreement for the duration of his or her employment on the Project. Nothing in this Agreement is intended to prevent any non-union employees from joining the Local Union.

7.3 Authorized representatives of the Unions shall have access to the Project whenever work covered by this Agreement is being, has been, or will be performed on the Project.

ARTICLE VIII
REFERRAL

8.1 Contractor(s)/Employer(s) performing construction work on the Project described in the Agreement shall, in filling craft job requirements, utilize and be bound by the registration facilities and referral systems established or authorized by the Local Unions ("Job Referral System"). Such Job Referral System shall be operated in a non-discriminatory manner and in full compliance with all federal, state, and local laws and regulations, including those which require

equal employment opportunities and non-discrimination. The Contractor(s)/Employer(s) shall have the right to reject any applicant referred by the Union(s), in accordance with the applicable Master Agreement.

8.2 The Contractor(s)/Employer(s) shall have the unqualified right to select and hire directly all supervisors above general foreman it considers necessary and desirable, without such persons being referred by the Union(s).

8.3 In the event that referral facilities maintained by the Union(s) are unable to fill the requisition of a Contractor(s)/Employer(s) for employees within a forty-eight (48) hour period (Saturdays, Sundays and Holidays excluded) after such requisition is made by the Contractor(s)/Employer(s), the Contractor(s)/Employer(s) shall be free to obtain work persons from any source. A Contractor who hires any personnel to perform covered work on the Project pursuant to this Section shall immediately provide the appropriate Union with the name and address of such employee(s) and shall immediately refer such employee(s) to the appropriate Union to satisfy the requirements of Article VII of this Agreement.

8.4 Unions will exert their utmost efforts to recruit sufficient numbers of skilled craft persons to fulfill the requirements of the Contractor(s)/Employer(s). Recognizing the special needs of the Project and the acute shortage of skilled craftspeople, the Unions shall consider a Contractor's request to transfer key employees to work on this Project in a manner consistent with the Union's referral procedures.

8.5 The parties to this Agreement support the development of increased numbers of skilled construction workers from the City of Stockton and San Joaquin County. To the extent allowed by law, and consistent with the Local Union's hiring hall provisions, and as long as they possess the requisite skills and qualifications, Local Area Residents, including journeymen and apprentices, shall be referred for Project work covered by this Agreement.

ARTICLE IX **WAGES AND BENEFITS**

9.1 All Contractors/Employers agree to pay contributions to the established vacation, pension and other form of deferred compensation plan, apprenticeship, and health benefit funds established by the applicable Master Agreement for each hour worked on the Project in the amounts designated in the Master Agreements of the appropriate Local Unions.

9.2 By signing this Agreement, the Contractor(s)/Employer(s) adopts and agrees to be bound by the written terms of the legally established Trust Agreements, as described in section 9.1, specifying the detailed basis on which payments are to be made into, and benefits paid out of, such Trust Funds established by such appropriate local agreements. The Contractor(s)/Employer(s) authorizes the parties to such local trust agreements to appoint trustees and successor trustees to administer the trust funds and hereby ratify and accept the trustees so appointed as if made by the Contractor(s)/Employer(s).

9.3 Wages, Hours, Terms and Conditions of Employment: The wages, hours and other terms and conditions of employment on the Project shall be governed by the Master Agreement of the respective crafts, copies of which shall be on file with the City to the extent such Master

Agreement is not inconsistent with this Agreement. All employees covered by this Agreement shall be classified and paid in accordance with the classification and wage scales contained in the appropriate local agreements which have been negotiated by the historically recognized bargaining entity and in compliance with the applicable general prevailing wage determination made by the Director of Industrial Relations pursuant to the California Labor Code.

9.4 During the period of construction on this Project, the Contractor(s)/Employer(s) agrees to recognize and put into effect such increases in wages and recognized fringe benefits as shall be negotiated between the various Unions and the historically recognized local bargaining entity on the effective date as set forth in the applicable agreement. The Unions shall notify the Contractor(s)/Employer(s) in writing of the specific increases in wages and recognized fringe benefits and the date on which they become effective.

9.5 Holidays: Holidays shall be in compliance with the applicable Schedule A agreement.

ARTICLE X **EMPLOYEE GRIEVANCE PROCEDURE**

10.1 All disputes involving discipline and/or discharge of employees working on the Project shall be resolved through the grievance and arbitration provision contained in the Master Agreement for the craft of the affected employee. No employee working on the Project shall be disciplined or dismissed without just cause.

ARTICLE XI **COMPLIANCE**

11.1 It shall be the responsibility of the Contractor(s)/Employer(s) and Unions to investigate and monitor compliance with the provisions of the Agreement contained in Article IX. Nothing in this agreement shall be construed to interfere with or supersede the usual and customary legal remedies available to the Unions and/or employee benefit Trust Funds to collect delinquent Trust Fund contributions from Employers on the Project. The City shall monitor and enforce compliance with the prevailing wage requirements of the state and Contractors'/Employers' compliance with this Agreement.

ARTICLE XII **GRIEVANCE ARBITRATION PROCEDURE**

12.1 The parties understand and agree that in the event any dispute arises out of the meaning, interpretation or application of the provisions of this Agreement, the same shall be settled by means of the procedures set out herein. No grievance shall be recognized unless the grieving party (Local Union or City on its own behalf, or on behalf of an employee whom it represents, or a contractor on its own behalf) provides notice in writing to the signatory party with whom it has a dispute within five (5) days after becoming aware of the dispute but in no event more than thirty (30) days after it reasonably should have become aware of the event giving rise to the dispute. The time limits in this Section 12.1 may be extended by mutual written agreement of the parties.

Attachment A

12.2 Grievances shall be settled according to the following procedures:

- Step 1: Within five (5) business days after the receipt of the written notice of the grievance, the Business Representative of the involved Local Union or City, or his/her designee, or the representative of the employee, and the representative of the involved Contractor(s)/Employer(s) shall confer and attempt to resolve the grievance.
- Step 2: In the event that the representatives are unable to resolve the dispute within the five (5) business days after the meeting to resolve the dispute in Step 1, the International Union Representative and the Contractor(s)/Employer(s) involved shall meet within seven (7) working days of the referral of the dispute to this second step to arrive at a satisfactory settlement thereof. Meeting minutes shall be kept by the Contractor. In the event that these representatives are unable to resolve the dispute after its referral to Step 2, either involved party may submit it within three (3) business days to the Grievance Committee, which shall meet within five (5) business days after such referral (or such longer time as is mutually agreed upon by all representatives on the Grievance Committee), to confer in an attempt to resolve the grievance. The Grievance Committee shall be comprised of two (2) representatives of the City; and one (1) representative of the Project Manager, and three (3) representatives of the San Joaquin Building & Construction Trades Council. If the dispute is not resolved within such time (five (5) business days after its referral or such longer time as mutually agreed upon) it may be referred within five (5) business days by either party to Step 3.
- Step 3: If the grievance is not settled in Step 2 within five (5) business days, either party may request the dispute be submitted to arbitration or the time may be extended by mutual consent of both parties. Within five (5) business days after referral of a dispute to Step 3, the representatives shall choose a mutually agreed upon arbitrator for final and binding arbitration. If the parties are unable to agree on an arbitrator, an arbitrator shall be selected by the alternate striking method from the list of five (5) below. The order of striking names from the list of arbitrators shall be determined by a coin toss, the winner of which shall decide whether they wish to strike first or second. If any of the arbitrators listed below or in Article 4 is no longer working as a labor arbitrator at the time of selection, the City and the Council shall mutually agree to a replacement. In addition, the City and the Council may mutually agree to add additional arbitrators to those listed below.

1. William Riker
2. Barry Winogard
3. Thomas Angelo
4. Robert Hirsch
5. William Engler

12.3 The Arbitrator shall arrange for a hearing on the earliest available date from the date of his/her selection. A decision shall be given to the parties within five (5) calendar days after completion of the hearing unless such time is extended by mutual agreement. A written opinion may be requested by a party from the presiding arbitrator. The decision of the Arbitrator shall be

final and binding on all parties. The Arbitrator shall have no authority to change, amend, add to or detract from any of the provisions of the Agreement. The expense of the Arbitrator shall be borne equally by both parties.

12.4 The time limits specified in any step of the Grievance Procedure set forth in Section 12.2 may be extended by mutual agreement of the parties initiated by the written request of one party to the other, at the appropriate step of the Grievance Procedure. However, failure to process a grievance, or failure to respond in writing within the time limits provided above, without an agreed upon extension of time, shall be deemed a waiver of such grievance without prejudice, or without precedent to the processing of and/or resolution of like or similar grievances or disputes. In order to encourage the resolution of disputes and grievances at Steps 1 and 2 of this Grievance Procedure, the parties agree that such settlements shall not be precedent setting.

ARTICLE XIII **WORK ASSIGNMENTS AND JURISDICTIONAL DISPUTES**

13.1 The assignment of Covered Work will be solely the responsibility of the Employer performing the work involved; and such work assignments will be in accordance with the Plan for the Settlement of the Jurisdictional Disputes in the Construction Industry (the "Plan") or any successor Plan.

13.2 All jurisdictional disputes on this Project between or among the building and construction trades Unions and the Employers parties to this Agreement, shall be settled and adjusted according to the present Plan established by the Building and Construction Trades Department or any other plan or method of procedure that may be adopted in the future by the Building and Construction Trades Department. Decisions rendered shall be final, binding and conclusive on the Employers and Unions parties to this Agreement.

13.3 If a dispute arising under this Article involves the Northern California Carpenters Regional Council or any of its subordinate bodies, an Arbitrator shall be chosen by the procedures specified in Article V, Section 5, of the Plan from a list composed of John Kagel, Thomas Angelo, Robert Hirsch, and Thomas Pagan, and the Arbitrator's hearing on the dispute shall be held at the offices of the California State Building and Construction Trades Council in Sacramento, California within fourteen (14) days of the selection of the Arbitrator. All other procedures shall be as specified in the Plan.

13.4 All jurisdictional disputes shall be resolved without the occurrence of any strike, work stoppage, or slow-down of any nature and the Employer's assignment shall be adhered to until the dispute is resolved. Individual employees violating this section shall be subject to immediate discharge. Each Employer will conduct a pre-job conference with the Council prior to commencing work. The Project Manager and City will be advised in advance of all such conferences and may participate if they wish. Pre-job conferences for different Employers may be held together.

**ARTICLE XIV MANAGEMENT
RIGHTS**

14.1 The Contractor(s)/Employer(s) shall retain full and, exclusive authority for the management of their operations, including the right to direct their workforce in their sole discretion. Except as provided by Section 2.3 and by the lawful manning provisions in the applicable Master Agreement, no rules, customs or practices shall be permitted or observed which limit or restrict production, or limit or restrict the working efforts of employees.

**ARTICLE XV
HELMETS TO HARDHATS**

15.1 The Contractor(s)/Employer(s) and the Unions recognize a desire to facilitate the entry into the building and construction trades of veterans and members of the National Guard and Reserves who are interested in careers in the building and construction industry. The Contractor(s)/Employer(s) and Unions agree to utilize the services of the Center for Military Recruitment, Assessment and Veterans Employment (hereinafter "Center"), a joint Labor-Management Cooperation Trust Fund, established under the authority of Section 6(b) of the Labor-Management Cooperation Act of 1978, 29 U.S.C. Section 175(a), and Section 302(c)(9) of the Labor-Management Relations Act, 29 U.S.C. Section 186(c)(9), and a charitable tax exempt organization under Section 501(c)(3) of the Internal Revenue Code, and the Center's "Helmets to Hardhats" program to serve as a resource for preliminary orientation, assessment of construction aptitude, referral to apprenticeship programs or hiring halls, counseling and mentoring, support network, employment opportunities and other needs as identified by the parties.

15.2 The Unions and Contractor(s)/Employer(s) agree to coordinate with the Center to participate in an integrated database of veterans and members of the National Guard and Reserves interested in working on the Project and of apprenticeship and employment opportunities for this Project. To the extent permitted by law, the Unions will give credit to such veterans for bona fide, provable past experience.

15.3 Nothing in this Article shall be interpreted to preclude any Contractor(s)/Employer(s) that is not signatory to a Master Agreement to utilize an alternative plan or program for recruiting, training and facilitating construction industry employment opportunities for military veterans and members of the National Guard and Reserves. Before utilizing such alternative program on the Project, such Contractor(s)/Employer(s) shall provide the City with a description of such plan or program.

**ARTICLE XVI
DRUG & ALCOHOL TESTING**

16.1 The use, sale, transfer, purchase and/or possession of a controlled substance, alcohol and/or firearms at any time during the work day is prohibited.

16.2 The Parties agree to recognize and use the Substance Abuse Program contained in each applicable Union's Schedule A.

ARTICLE XVII
TERM SAVINGS CLAUSE

17.1 The parties agree that in the event any article, provision, clause, sentence or word of the Agreement is determined to be illegal or void as being in contravention of any applicable law, by a court of competent jurisdiction, the remainder of the Agreement shall remain in full force and effect. The parties further agree that if any article, provision, clause, sentence or word of the Agreement is determined to be illegal or void, by a court of competent jurisdiction, the parties shall substitute, by mutual agreement, in its place and stead, an article, provision, clause, sentence or word which will meet the objections to its validity and which will be in accordance with the intent and purpose of the article, provision, clause, sentence or work in question.

17.2 The parties also agree that in the event that a decision of a court of competent jurisdiction materially alters the terms of the Agreement such that the intent of the parties is defeated, then the entire Agreement shall be null and void.

17.3 If a court of competent jurisdiction determines that all or part of the Agreement is invalid and/or enjoins the City from complying with all or part of its provisions and the City accordingly determines that the Agreement will not be required as part of an award to a Contractor(s)/Employer(s), the unions will no longer be bound by the provisions of Article IV.

ARTICLE XVIII
LOCAL HIRE, PRIORITY APPRENTICE AND WORKFORCE
DEVELOPMENT PROGRAM

18.1 The objective of the City in creating this Local Hire, Priority Apprenticeship and Workforce Development Program is to enhance and encourage employment opportunities for Stockton residents and to enable effective construction career pathways for Local Area Residents through California State approved Joint Apprenticeship Programs. To that end, as part of the Agreement, the City establishes goals for the hiring, training and retention of Local Area Residents.

18.2 Local Hire. The City establishes the following Local Hire goals and commitments:

18.2.1 The parties agree to make a good faith effort to refer on a priority basis, consistent with the non-discriminatory referral procedures of the applicable Union, qualified and available, Local Area Residents for Project work. The parties agree to a goal that Stockton residents shall perform a minimum of 50% of the hours worked on the Project by the Contractors' total construction workforce. In the event that a sufficient number of Stockton residents are not available to fulfill the 50% local hire requirement, the next tier of residents shall come from anywhere in San Joaquin County. The Contractor(s) shall make good faith efforts to reach this goal through the utilization of the Unions' hiring hall procedures. The Unions shall exercise their best efforts in their recruiting and training of Stockton resident workers and in utilizing their hiring hall procedures to facilitate this 50% goal.

18.2.2 The parties also recognize and support the City's commitment to provide opportunities for participation on the Project to Stockton businesses through the City's Local Business Preference Ordinance. In furtherance of this commitment, the parties agree that such

Attachment A

Stockton contractors and subcontractors awarded work on the Project may request by name, and the Local Union will honor, referral of persons who have applied to the Local Union for Project work, and who demonstrate the following qualifications:

- (1) possess any license required by state or federal law for the Project work to be performed;
 - (2) have worked a total of at least two thousand (2,000) hours in the construction craft during the prior two (2) years;
 - (3) were on the Contractor's active payroll for at least ninety (90) out of the one hundred and twenty (120) calendar days prior to the contract award;
 - (4) have the ability to perform safely the basic functions of the applicable trade;
- and
- (5) are Stockton residents.

The Union will refer to such Contractor one journeyman employee from the hiring hall out-of-work list for the affected trade or craft, and will then refer one of such Contractor's "core" employees as a journeyman and shall repeat the process, one and one, until such Contractor's crew requirements are met or until such Contractor has hired five (5) "core" employees, whichever occurs first. Thereafter, all additional employees in the affected trade or craft shall be hired exclusively from the hiring hall out-of-work list(s). For the duration of the Contractor's work, the ratio shall be maintained and when the Contractor's workforce is reduced, employees shall be reduced in the same ratio of core employees to hiring hall referrals as was applied in the initial hiring.

18.2.3 The Contractor shall notify the appropriate Union of the name and social security number of each direct hire and each direct hire shall register with the Union's hiring hall and comply with Article VII before commencing Project work. If there is any question regarding an employee's eligibility under Section 18.2, the City, at a Union's request, shall obtain satisfactory proof of such from the Contractor.

18.3 Priority Apprenticeship and Workforce Development

18.3.1 Recognizing the need to develop adequate numbers of competent workers in the construction industry, the Contractor(s)/Employer(s) shall employ apprentices of a California State approved Joint Apprenticeship Program in the respective crafts to perform such work as is within their capabilities and which is customarily performed by the craft in which they are indentured. The apprentice ratios will be in compliance with the applicable provisions of the California Labor Code and Prevailing Wage Rate Determination.

18.3.2 The parties agree to a goal that 50% of apprentices employed on the Project shall be residents of the City of Stockton or other Local Area Residents. In achieving this goal, at-risk youth who reside in the following zip codes within the City of Stockton, shall be given priority in the apprenticeship recruitment process: 95202, 95203, 95204, 95205, and 95206. If sufficient numbers of Stockton residents are not available, then a good faith effort will be made by the Unions to utilize residents of San Joaquin County. All apprentices referred to Contractors under this

Attachment A

Agreement shall be enrolled in State of California approved Joint Apprenticeship Programs. Subject to any legal restrictions, the parties agree to a goal that apprentices will perform twenty percent (20%) of the total craft hours worked on the Project unless an applicable Master Agreement provides for a greater percentage. The Unions agree to cooperate with the Contractors in furnishing apprentices as requested and they shall be properly supervised and paid in accordance with the provisions of the applicable Master Agreement.

18.3.3 The Contractors and Unions shall make good faith efforts to reach the apprenticeship goals set forth in this Section 18.3 through the utilization of normal hiring hall and apprentice procedures and, when appropriate, the identification of potentially qualified apprentices through community-based organizations working in collaboration with the apprentice programs. The Unions are committed to working with the Contractors and community based organizations to achieve these goals. At least annually, the Unions and the City will each conduct a Community Career Fair to provide at-risk youth, veterans and others an opportunity to learn about each craft and the process for entering their apprenticeship program.

18.4 Good Faith Efforts. A Contractor or subcontractor must take the following good faith steps to demonstrate that it has made every effort to reach the Local Hire, Priority Apprenticeship and Workforce Development Program goals of the City. The Contractor or subcontractor shall attend scheduled Pre-Job meetings held under this Agreement and shall submit written workforce projections and projected work hours on a craft-by-craft basis.

18.4.1 Within seven (7) calendar days after Notice to Proceed, the Contractor or subcontractor shall meet with the Unions and the City to present its plan for reaching the Local Hire, Priority Apprenticeship and Workforce Development Program goals.

18.4.2 The Contractor or subcontractor shall notify the Project Manager of the City by U.S. Mail or electronic mail if a Union hiring hall cannot, upon request by the Contractor or subcontractor, dispatch Local Area Residents to the Project. It shall be the responsibility of the Contractor or subcontractor to retain all evidence of such good faith efforts.

18.4.3 The Contractor or subcontractor may use the "Name Call", "Rehire" or other available hiring hall procedures to reach the goals of this Article XVIII.

18.5 Enforcement, Compliance and Reporting

18.5.1 Contractors will be required to submit Certified Weekly Payrolls to the City along with monthly workforce utilization reports documenting the Contractor's compliance with the requirements described in this Article. At a minimum, the monthly reports must include: 1) data on Stockton and Local Area Residents work hour utilization on the Project and Local Area Residents; and 2) documentation showing any requests made to the Union dispatchers for Stockton residents and the Union's response to the request.

18.5.2 The City staff shall monitor the operation of the Local Hire, Priority Apprenticeship and Workforce Development Program and shall consider allegations of non-compliance with the goals stated in this Article. If there is a determination by the City that a Contractor or subcontractor has not complied with the goals or demonstrated good faith efforts to

Attachment A

do so, the City and the Contractor or subcontractor shall meet and confer in order to identify necessary actions to resolve the issue and ensure a good faith effort to achieve the objectives of this Article.
