1. **Commercial General Liability (CGL):** Insurance Services Office Form CG 00 01 covering CGL on an "occurrence" basis, including products and completed operations, property damage, bodily injury and personal & advertising injury with limits no less than **\$1,000,000** per occurrence. If a general aggregate limit applies, either the general aggregate limit shall apply separately to this project/location or the general aggregate limit shall be twice the required occurrence limit.
2. **Automobile Liability (AL):** ISO Form Number CA 00 01 covering any auto (Code 1), or if Contractor has no owned autos, hired, (Code 8) and non-owned autos (Code 9), with limit no less than **\$1,000,000** per accident for bodily injury and property damage.
3. **Workers' Compensation:** as required by the State of California, with Statutory Limits, and Employer's Liability Insurance with limit of no less than **\$1,000,000** per accident for bodily injury or disease.

General liability coverage can be provided in the form of an endorsement to the Contractor's insurance (**at least as broad as** ISO Form CG 20 10 11 85 or if not available, through the addition of both CG 20 10 and CG 20 37 if a later edition is used).

Exhibit 1

- **Subcontractors**

If the Contractor should subcontract all or any portion of the work to be performed in this contract, the Contractor shall cover the sub-contractor, and/or require each sub-contractor to adhere to all subparagraphs of these Insurance Requirements section. SAMPLE CONTRACT

CONTRACT FOR SERVICES

THIS CONTRACT is entered into this ___ day of _____ 2016, between the CITY OF STOCKTON, a municipal corporation ("CITY), and **CONTRACTOR** a **STATE OF CALIFORNIA SOLE PROPRIETORSHIP OR OTHER**, with a business address at **XXXX**, hereinafter called "CONTRACTOR.," THIS CONTRACT is for the **PATROL VEHICLE BUILD** hereinafter referred to as "SERVICE".

RECITALS

- A. CONTRACTOR represents that it is licensed in the State of California and is qualified, willing and able to provide the services proposed in the SCOPE OF WORK section of this Contract.

- B. CITY finds it necessary and advisable to use the services of the CONTRACTOR for the purposes provided in this Contract.

NOW THEREFORE, in consideration of the mutual promises, covenants and conditions in this Contract, CITY and CONTRACTOR agree as follows:

1. **SCOPE OF SERVICES.** Subject to the terms and conditions set forth in this Contract, CONTRACTOR shall undertake and complete the services described in **Exhibit "A" (scope and specifications)**. CONTRACTOR shall provide said services at the time, place and in the manner specified in Exhibit A and compatible with the standards of the profession. CONTRACTOR agrees that it shall provide fully complete services including all labor, materials, tools, equipment and insurance required and that are acceptable to the CITY.

2. **COMPENSATION.** CITY shall pay CONTRACTOR for services outlined in **Exhibit "A" (scope and specifications)** according to the fee not to exceed the schedule detailed in **Exhibit "B" (fee schedule)**, which is attached to this Contract and incorporated by this reference. CONTRACTOR agrees this fee is for full remuneration for performing all services and furnishing all staffing, materials and tools called for in the scope of services. The payments shall be made on a monthly basis upon receipt and approval of CONTRACTOR'S invoice for completed work. Total compensation for services and reimbursement for costs shall not exceed **\$XX** or as otherwise mutually agreed to in a Contract Change Order.

Invoices submitted by CONTRACTOR to CITY must contain a brief description of work performed, location of work, time used, materials and special equipment and City project number. Payment shall be made within thirty (30) days of approval of invoice by City.

Upon completion of work and acceptance by CITY, CONTRACTOR shall have sixty (60) days in which to submit final invoicing for payment. An extension may be granted by CITY upon receiving a written request thirty (30) days in advance of said time limitation. CITY shall have no obligation or liability to pay any invoice for work performed which CONTRACTOR fails or neglects to submit within sixty (60) days, or any extension thereof granted by the CITY, after work is accepted by CITY.

3. SCHEDULE AND TERM. CONTRACTOR shall perform the scope of work as described in **Exhibit "A" (scope and specifications)** according to the schedule detailed in **Exhibit "A" (scope and specifications)**, which is attached to this Contract and incorporated by this reference. This contract shall commence **six (6) weeks from the date of the Notice to Proceed** and shall expire in **one (1) year**, unless extended by mutual agreement through the issuance of a Contract Change Order. This contract provides for two (2), one (1) year extensions at the same rates and terms as outlined in **Exhibit "A" (scope and specifications)** and **Exhibit "B" (fee schedule)**.

4. CHANGE ORDERS. CITY reserves the right to make such alterations, deviations, additions to or omissions from the plans and specifications, including the right to increase or decrease the quantity of any item or portion of the work, as may be deemed by the Project Manager to be necessary or advisable and to require such extra work as may be determined by the Project Manager to be required for the proper completion of the whole work contemplated. Any such changes will be set forth in a contract change order which will specify, in addition to the work done in connection with the change made, adjustment of contract time, if any, and the basis of compensation for such work.

5. LIQUIDATED DAMAGES. Time is of the essence of this Contract. If the Contractor shall neglect, fail, or refuse to complete the Work within the time specified for Substantial Completion in the Contract, then the Contractor does hereby agree, as a part consideration for the awarding of this Contract, to pay to the City, as liquidated damages and not as a penalty, the sum of \$ 250.00 per day for each calendar day beyond the dates set forth in the Agreement that the Contractor fails to achieve Substantial Completion for the Project. The said amount is fixed and agreed on by and between the Contractor and the City because of the impracticability and extreme difficulty of fixing and ascertaining the true value of the damages which the City will sustain by failure of the Contractor to complete the Work on time, some of which are indefinite and not susceptible of easy proof, said amount is agreed to be a reasonable estimate of the amount of damages which the City will sustain and said amount shall be deducted from any monies due or that may become due to the Contractor, and if said monies are insufficient to cover said damages, then the Contractor shall pay the amount of the difference.

6. **RIGHTS AND DUTIES OF CITY.** CITY shall make available to CONTRACTOR all data and information in the possession of CITY which both parties deem necessary to complete the work, and CITY shall actively aid and assist CONTRACTOR in obtaining such information as may be deemed necessary from other agencies and individuals.

7. **OBLIGATIONS OF CONTRACTOR.** Throughout the term of this Contract, CONTRACTOR represents and warrants that it has or will have at the time this Contract is executed, all licenses, permits, qualifications, insurance, and approvals of whatsoever nature which are legally required for the CONTRACTOR to practice its professions, and CONTRACTOR shall, at its own cost and expense, keep in effect during the life of this Contract all such licenses, permits, qualifications, insurance, and approvals CONTRACTOR shall meet with the Public Works Director or other personnel of CITY or third parties as necessary on all matters connected with the carrying out of CONTRACTOR'S services. Such meetings shall be held at the request of either party hereto. CONTRACTOR further warrants that it will follow the best current, generally accepted and professional practices to make findings, render opinions, prepare factual presentations, and provide professional advice and recommendations regarding this project.

8. **TERMINATION.** This Agreement is effective on the Effective Date. The City may terminate this Contract and work pursuant to any of all SOW's at any time by mailing a notice in writing to Contractor. The Contract shall then be deemed terminated and no further work shall be performed by Contractor. If the Contract is so terminated, the Contractor shall be paid for that percentage of work actually completed at the time the notice of termination is received.

9. **CONTRACTOR STATUS.** In performing the obligations set forth in this Contract, CONTRACTOR shall have the status of an independent contractor and CONTRACTOR shall not be considered to be an employee of the City for any purpose. All persons working for or under the direction of CONTRACTOR are its agents and employees, and are not agents of the CITY. Subcontractors shall not be recognized as having any direct or contractual relationship with the CITY. The persons engaged in the work, including employees of subcontractors and suppliers will be considered employees of CONTRACTOR. The CONTRACTOR shall be responsible for the work of subcontractors, which shall be subject to the provisions of this Contract. The CONTRACTOR is responsible to the CITY for the acts and omissions of its subcontractors and persons directly or indirectly employed by them.

a. If in the performance of this Contract any third persons are employed by CONTRACTOR, such persons shall be entirely and exclusively under the direction, supervision and control of CONTRACTOR. All terms of employment including hours, wages, working conditions, discipline, hiring, and discharging or any other term of employment or requirement of law shall be determined by CONTRACTOR.

- i. It is further understood and agreed that CONTRACTOR must issue W-2 forms or other forms as required by law for income and employment tax purposes for all of CONTRACTOR'S personnel.
- ii. As an independent contractor, CONTRACTOR hereby indemnifies and holds CITY harmless from any and all claims that may be made against the CITY based upon any contention by any third party that employer-employee relationship exists by reason of this Contract.

10. ASSIGNMENT. CONTRACTOR shall not assign, sublet, or transfer this Contract or any interest or obligation in the Contract without the prior written consent of the CITY, and then only upon such terms and conditions as CITY may set forth in writing. CONTRACTOR shall be solely responsible for reimbursing subcontractors.

11. INDEMNITY AND HOLD HARMLESS. With the exception that this section shall in no event be construed to require indemnification by CONTRACTOR to a greater extent than permitted under the public policy of the State of California, CONTRACTOR shall indemnify, protect, defend with counsel approved by CITY and at CONTRACTOR'S sole cost and expense, and hold harmless CITY, its Mayor, Council, officials, representatives, agents employees and volunteers from and against any and all claims, causes of action, liabilities, judgments, awards, losses, liens, claims, stop notices, damages, expenses, and costs (including without limitation attorneys' fees, expert and consultant fees, and other expenses of litigation) of every nature, including, but not limited to, death or injury to persons, or damage to property, which arise out of or are in any way connected with the work performed, materials furnished, or services provided under this Agreement, or from any violation of any federal, state, or municipal law or ordinance, or City Policy, by CONTRACTOR or CONTRACTOR'S officers, agents, employees, volunteers or subcontractors. CONTRACTOR shall not be obligated to indemnify or defend CITY for claims finally determined by a court of law or arbitrator to arise from the active negligence or willful misconduct of the CITY. It is the intent of the Parties that this indemnity obligation is at least as broad as is permitted under California law. To the extent California Civil Code sections 2782, et seq., limit the defense or indemnity obligations of CONTRACTOR to CITY, the intent hereunder is to provide the maximum defense and indemnity obligations allowed by CONTRACTOR under the law. The indemnity set forth in this section shall not be limited by insurance requirements or by any other provision of this Agreement.

With exception that this section shall in no event be construed to require indemnification, including the duty to defend, by CONTRACTOR to a greater extent than permitted under the public policy of the State of California, the parties agree that CONTRACTOR'S duty to defend CITY is immediate and arises upon the filing of any claim against the CITY for damages which arise out of or are in any way connected with the work performed, materials furnished, or services provided under this Agreement by CONTRACTOR or CONTRACTOR'S officers, agents, employees, volunteers or subcontractors. CONTRACTOR'S duties and obligations to defend the CITY shall apply regardless of whether or not the issue of the CITY'S liability, breach of this Agreement, or other obligation or fault has been determined. CONTRACTOR shall be immediately obligated to pay for CITY'S defense costs of the claim, including, but

not limited to, court costs, attorney's fees and costs, expert consultant and witness fees and costs, other witness fees, document reproduction costs, arbitration fees, and, if after final judgment an appeal is pursued, all of such costs for the appeal. At the conclusion of the claim, if there is any determination or finding of sole active negligence or willful misconduct on the part of the CITY, CITY will then reimburse CONTRACTOR for amounts paid in excess of CONTRACTOR'S proportionate share of responsibility for the damages within 30 days after CONTRACTOR provides CITY with copies of all bills and expenses incurred in the defense of the claim(s). It is agreed between the parties that this reimbursement provision assures CONTRACTOR is not obligated to defend or indemnify CITY in an amount greater than provided for under California law, including, without limitation, California Civil Code sections 2782, 2782.6, and 2782.8.

With the exception that this section shall in no event be construed to require indemnification by CONTRACTOR to a greater extent than permitted under the public policy of the State of California, and in addition to the other indemnity obligations in this Agreement, CONTRACTOR shall indemnify, defend, and hold harmless CITY its Mayor, Council, officials, representatives, agents employees and volunteers from and against all claims, losses, expenses, and costs including but not limited to attorneys' fees, arising out of any claim brought against the CITY by an employee, office, agent, or volunteer of CONTRACTOR, regardless of whether such claim may be covered by any applicable workers compensation insurance. CONTRACTOR indemnification obligation is not limited in any way by any limitation on the amount or type of damages, compensation, or benefits payable by or for the CONTRACTOR under workers' compensation acts, disability acts, or other employee benefit acts.

CONTRACTOR'S obligation to defend, indemnify, and hold the CITY, its agents, officers, and employees harmless under the provisions of this paragraph is not limited to or restricted by any requirement in this Contract for CONTRACTOR to procure and maintain a policy of insurance.

CONTRACTOR/Subcontractor's responsibility for such defense and indemnity obligations shall survive the termination or completion of this agreement for the full period of time allowed by law.

If any section, subsection, sentence, clause or phrase of this indemnification is for any reason held to be invalid or unconstitutional, such decision shall not affect the validity of the remaining portions of this indemnification.

12. INSURANCE. During the term of this Contract, CONTRACTOR shall maintain in full force and effect at its own cost and expense the insurance coverage as set forth in the attached **Exhibit "C" (Insurance Requirements and Forms)** which is attached to this contract and incorporated by this reference, and shall otherwise comply with the other provisions of **Exhibit "C" (Insurance Requirements and Forms)**. Maintenance of proper insurance coverage is a material element of this contract and that failure to

maintain or renew coverage or to provide evidence of renewal may be treated as a material breach of contract.

CONTRACTOR shall not commence any work before obtaining, and shall maintain in force at all times during the duration and performance of this contract, the policies of insurance specified in **Exhibit C**, which is attached to this contract and incorporated by this reference, and as provided in the “contract documents” including Section 7-1.12 of the City of Stockton Standard Specifications and Plans as adopted on November 25, 2003, by Council Resolution No. 03-0707, effective December 1, 2003.

It shall be a requirement under this agreement that any available insurance proceeds broader than or in excess of the specified minimum insurance coverage requirements and/or limits shall be available to the Additional Insured. Furthermore, the requirements for coverage and limits shall be (1) the minimum coverage and limits specified in this Agreement; or (2) the broader coverage and maximum limits of coverage of any insurance policy or proceeds available to the named Insured; whichever is greater.

The Additional Insured coverage under the CONTRACTOR's policy shall be “primary and non-contributory” and will not seek contribution from the City of Stockton's insurance or self-insurance and shall be at least as broad as ISO CG 20 01 04 13.

The limits of insurance required in this agreement may be satisfied by a combination of primary and umbrella or excess insurance. Any umbrella or excess insurance shall be following form and contain or be endorsed to contain a provision that such coverage shall also apply on a primary and non-contributory basis for the benefit of the City of Stockton (if agreed to in a written contract or agreement) before the City of Stockton's own insurance or self-insurance shall be called upon to protect it as a named insured.

All self-insured retentions (SIR) must be disclosed to the CITY's Risk Management for approval and shall not reduce the limits of liability. Payment Bond in the amount of the self-insured retention (SIR) may be required.

Policies containing any self-insured retention (SIR) provision shall provide or be endorsed to provide that the SIR may be satisfied by either the named insured or the CITY.

The CITY reserves the right to obtain a full certified copy of any insurance policy and endorsements. Failure to exercise this right shall not constitute a waiver of right to exercise later.
