Good morning,  
Some additional UHC questions.

Page 12 (regarding membership)

If the bidding TPA is providing a self-funded solution, should our bid only assume an enrollment of 452 subscribers or should we also include the Kaiser population of 713 and provide a bid assuming the entire enrollment is self-funded at 1,165 subscribers, please clarify?

**The City is asking for the claim adjudication function for the Modified and Original Plans. The TPA will have to remit premium payments only to other fully insured vendors including Kaiser and maintain all eligibility system for all participants for all vendors as well as perform all of the service listed in RFP.**

Question #15

*Confirm that your firm is approved to administer claims under the Anthem Joint Administration Agreement. YES – NO*

Please provide further clarification on this Requirement, is this an Anthem Blue Cross agreement?

**Anthem Joint Administration Agreement (JAA) is a platform where the TPA is trained and approved by Anthem to adjudicate claims and has the necessary electronic data interface.**

Thank you.
