“The information in this document is based on Resolution No. 2016-06-28-1503-01, which was approved by the City Council on June 28, 2016, and became effective on December 27, 2016. This document should only be used as a guide and does not replace the need for an applicant’s due diligence in determining whether a prospective medical marijuana-related project and site comply with applicable requirements of the Stockton Municipal Code (SMC).”

	DISPENSARY	CULTIVATION
<b>Use Permit required.</b> A Planning Commission approved Use Permit is required to establish or operate.	✓	✓
<b>Operators permit required.</b> After acquiring a Use Permit, a medical cannabis dispensary/cultivation business must obtain and maintain at all times a valid medical cannabis Operators Permit, as required by Chapter 5.100 of the Stockton Municipal Code (SMC).	✓	✓
<b>Conditions of Approval.</b> The Planning Commission may address development and operational standards through conditions on the Use Permit as it is determined to be necessary or appropriate for the medical cannabis dispensary/cultivation site Use Permit under consideration; provided that conditions shall not conflict with the provisions of SMC Chapter 5.100, relating to operation requirements of medical cannabis dispensaries/cultivation sites and shall be subordinate to conditions placed on the medical cannabis Operators Permit issued under Chapter 5.100.	✓	✓
<b>Parking.</b> Off-street parking shall be provided as required under SMC Chapter 16.64.	✓	✓
<b>Application.</b> The application for a Use Permit for a medical cannabis dispensary/cultivation business shall include a floor plan, site plan, neighborhood context map, and security and lighting plan.	✓	✓
<b>Pre-existing medical cannabis businesses-nonconforming.</b> No medical cannabis dispensary operating or purporting to operate without a valid business license and Use Permit prior to the adoption of this ordinance shall be deemed to have been a legally established use under the provisions of the SMC, nor shall the operation of such dispensary be deemed a legal nonconforming use under Title 16 of the SMC.	✓	✓
<b>Additional grounds for revocation of medical cannabis dispensary/cultivation business Use Permit.</b> In addition to the grounds stated in Section 16.108.030 (B) for revocation of a Use Permit, a medical cannabis business may be revoked on either of the following grounds, in accordance with procedures in SMC Section 16.80.195.A.8 and B.11:  A. The medical cannabis business is operated in a manner that violates any of the provisions of State Law or the SMC; or  B. The medical cannabis business does not have a valid medical cannabis Operators Permit, as required by Chapter 5.100.	✓	✓
<b>Ownership/Operation.</b> No medical cannabis cultivation site shall be operated by a person or entity that operates a medical cannabis dispensary and no medical cannabis dispensary owner may own or operate a medical cannabis cultivation site in the City of Stockton.	✓	✓
<b>Limit on Growth Square Footage.</b> The cumulative area used for cultivation on the premises of a medical cannabis cultivation site shall not exceed twenty-two thousand (22,000) square feet.		✓
