Appendix C – Release of Claims
ARTICLE 1. RECOGNITION

(a) The Stockton City Employees’ Association, (hereinafter the “Association” or “SCEA”) decertified from the San Joaquin Public Employees’ Association pursuant to Resolution No. 99-0099, adopted by the City Council on February 23, 1999.

(b) The Association is the exclusively recognized employee organization having the right to represent employees of the following bargaining units with the City of Stockton:
   (1) Administrative, Clerical and Services Unit; and
   (2) Professional and Technical Unit

(c) Any City of Stockton employee employed in one of these bargaining units is referred to in this Memorandum of Understanding as a “bargaining unit employee.”

(d) The Association, and representatives of the City of Stockton have met and conferred in good faith regarding items within the scope of representation, have exchanged freely information, opinions and proposals, and have endeavored to reach agreement on matters within the scope of representation.

(e) This Memorandum is entered into pursuant to the Meyers-Milias-Brown Act (Government Code Sections 3500 et seq.) and has been jointly prepared by the parties.

(f) This Memorandum shall be presented to the City Council of the City of Stockton, as the joint recommendations of the undersigned, for the period commencing the date of execution, unless specifically stated otherwise, and ending June 30, 2013-2014.
ARTICLE 2. ASSOCIATION SECURITY

2.1 Dues Deduction

(a) General

(1) The Association may have the regular dues of its members within the representation unit deducted from employees’ paychecks under procedures prescribed by the City for such deductions. The Association has the exclusive privilege of dues deduction for its members.

(2) Authorization, cancellation or modification of payroll deductions shall be made upon forms provided or approved by the City. The payroll deduction authorization shall remain in effect until cancelled or modified by the employee by written notice to the City or until the first day of the calendar month following the transfer of the employee to a unit represented by another employee organization as the representative of the unit to which the employee is assigned, or until employment with the City is terminated.

(3) Additional authorization shall not be required for deduction of increased membership dues when such increase has been duly approved by the membership of the Association. Notification of such approval shall be forwarded to the City in the form of written notice of official Association letterhead and signed by the Association President or other duly authorized Association official. Upon receipt of notification, the City shall authorize the payroll deduction of the increased amount.

[ADDED from 11/13/2009 SIDELETTER]

(4)(5) Amounts deducted and withheld by the City shall be transmitted to the officer designated in writing by the Association as the person authorized to receive such funds, at the address specified.

[ADDED from 11/13/2009 SIDELETTER]
(5)(6) The employee’s earnings must be sufficient after all other required deductions are made, to cover the amount of the deductions herein authorized. When an employee is in a nonpaid status for an entire pay period, no withholdings will be made to cover that pay period from future earnings nor will the employee deposit the amount with the City which would have been withheld if the employee had been in pay status during that period. In the case of an employee who is in a nonpaid status during a part of the pay period and the salary is not sufficient to cover the full withholding, no deduction shall be made. In this connection, all other required deductions have priority over the employee organization deduction.

(b) **Indemnity and Refund**

The Association shall indemnify, defend and hold the City harmless against any claim made and against any suit initiated against the City on account of check off of Association dues or premiums for benefits. In addition, the Association shall refund to the City any amounts paid to it in error upon presentation of supporting evidence.

### 2.2 Agency Fee

(a) **Employee Rights**

(1) The City and the Association recognize the right of employees to form, join and participate in lawful activities of employee organizations and the equal, alternative right of employees to refuse to form, join and participate in employee organizations. Neither party shall exert pressure upon or discriminate against an employee in the exercise of these alternative rights.

(2) Accordingly, membership in the Association shall not be compulsory. A bargaining unit employee has the right to join the Association as a member, not join the Association but instead pay the Association an agency fee for representation services, or to refrain from either of the above courses of action if qualifying as a religious/conscientious objector as described in Article 2.2, Section (f).
(b) **Bargaining Unit Employees’ Obligation to Exclusive Representative**

1. A bargaining unit employee who does not fall within one of the exempted categories as set forth in Article 2.2, Section (f), and who has not voluntarily made application for membership in the Association within the sixtieth (60) calendar day following the date upon which said employee has been formally hired by the City as a bargaining unit employee, must as a condition of continued employment in the City pay to the Association an agency fee, in exchange for representation services necessarily performed by the Association in conformance with its legally imposed duty of fair representation on behalf of said bargaining unit employee who is not a member of the Association.

2. In the event that a bargaining unit employee does not become a member of the Association or pay such fee directly to the Association, the City shall begin automatic payroll deduction. There shall be no charge to the Association for such mandatory agency fee deductions.

3. Prior to beginning such automatic payroll deduction, the President of the Association will certify to the City in writing that the employee whose pay is to be affected by the deduction has: 1) refused to join the Association; and 2) has refused to tender the amount of the agency fee as defined herein; and 3) has not applied for an exemption under Article 2.2, Section (f). In addition the Association must also certify that it has provided the employee with a copy of the fee verification required by Article 2.2, Section (e).

(c) **Definition of Agency Fee**

1. The agency fee collected pursuant to Article 2.2, Section (b) from bargaining unit employees who are not members of the Association shall be an amount not to exceed the standard initiation fee, periodic dues and general assessments of the Association for the duration of this Memorandum of Understanding, minus any amount which is prohibited by the Constitution because such funds pay for political or ideological purposes not related to collective bargaining.

2. Any dispute as to the amount of the agency fee shall be resolved pursuant to the provisions of Article 2.2, Section (h).
(d) **Exceptions**

Bargaining unit employees on leave without pay and bargaining unit employees who are in laid off status shall be exempt from these provisions herein; except that the election as to membership or payment of a fee as set forth herein must be exercised within the first ten (10) work days upon return to paid status.

(e) **Annual Verification of Agency Fee by Association**

As required by Government Code section 3502.5, the Association shall make available annually, to the City and to the employees who are members of the Association, within sixty (60) days after the end of its fiscal year, a detailed written financial report thereof in the form of a balance sheet and an operating statement, certified as to accuracy by its president and treasurer or corresponding principal officer, or by a certified public accountant.

(f) **Employees Exempted From Obligation to Pay Agency Fee**

(1) Any bargaining unit employee shall be exempt from the requirements of Article 2.2, Section (b), if such employee has a bona fide religious objection as defined by Section 3502.5 of the California Government Code to the payment of any fee in support of an Association or “employee organization” as defined in Section 3501(a) of the California Government Code.

(2) The employee qualifying as exempt from payment of the agency fee (hereinafter the “agency fee objector”) shall, as an alternative to payment of an agency fee to the Association, pay an amount equivalent to such agency fee to:

   (A) Women’s Center of San Joaquin County

   (B) United Way

   (C) Any charity jointly agreed in writing by the parties
(3) If a bargaining unit employee desires to be exempted for reasons set forth in Article 2.2, Section (f), the bargaining unit employee must first request such exemption in writing from the Association setting forth with particularity the rationale for the exemption. If the Association notifies the bargaining unit employee in writing that the Association will not honor the request, then the matter shall be referred automatically to a panel for determination according to the procedure set forth below. The panel shall be composed of one (1) person selected by the Association, one (1) person selected by the bargaining unit employee, and an arbitrator selected by the parties chosen from a list submitted by the State of California Mediation and Conciliation Services. If either one or both parties fail to nominate a panel member, the process of hearing will continue without that party’s panel member.

(4) The panel shall first receive arguments and evidence from the bargaining unit employee requesting the exemption. Thereafter the Association may present any arguments or evidence. The proceedings shall be conducted in an informal manner, and the rules of evidence will not apply. The arbitrator shall act as chair and rule on all matters before the panel, with the exception of the final determination of the panel. The panel shall prepare a written decision within fifteen (15) calendar days of the completion of the hearing, which shall be final and binding upon the parties. Any expenses of the panel shall be borne by the parties incurring them; provided, however, that the City shall not be obligated to pay any arbitration panel fees or costs.

(5) Upon receipt of the decision of the panel, the City shall release any funds held in escrow to the Association or to the charity. Any decision by the panel shall apply for the duration of this Memorandum of Understanding.

(6) In addition, the Association may require such exempt bargaining unit employee to submit proof of payment of an amount equivalent to such agency fee to one (1) of the alternative funds or organizations listed above. If the bargaining unit employee has not provided payment, the City will institute deductions pursuant to Article 2.2, Section (b)(2) and forward such monies to a charity listed in Article 2.2, Section (f)(2).

(7) Such payments shall be made on or before January 31 of each year or no more than thirty (30) days after commencing duties for any newly hired employee.

(g) Escrow Account
If any bargaining unit employee either disputes the amount of the fee or disputes whether or not an exemption was appropriately denied, the City shall deposit the fee which was deducted and place such amount into a special escrow account established by the Association for such purposes.

(h) **Procedure for a Bargaining Unit Employee Who Contests the Amount of the Fee**

(1) The parties agree that in order to provide a uniform definition of the agency fee, any disputes involving the amount of such fee shall be referred to the Association’s procedure for determination, provided that the parties have first complied with the other provisions of this Article.

(2) The Association shall notify the City in writing within twenty (20) days after it becomes aware that any employee disputes the amount of the fee.

(3) The Association will verify in writing to the City that all of the conditions of Article 2.2, Section (b)(3) have been met prior to the City’s initiation of the fee deductions set forth in Article 2.2, Section (b)(2). Thereafter, the City will notify the affected employee in writing that such deductions will commence and a copy of the Association’s written verification will be attached to the City’s notice. Thereafter, the City will begin the deductions.

(4) The monies held in escrow shall be released to the appropriate party upon the rendering of a final decision by the Association’s internal procedure.

(i) **Payment Method/Payroll Deduction**

(1) A bargaining unit employee may voluntarily sign and deliver to the City a written assignment authorizing deduction of the properly established agency fee as defined in Article 2.2, Section (c), subject to the conditions set forth elsewhere in this Memorandum of Understanding for payroll deductions, or the amount of the fee will be deducted automatically in accordance with Article 2.2, Section (b)(2) herein.

(2) The City is under no obligation to make payroll deductions for the periods during which a bargaining unit employee is either terminated from active employment, or not on the City’s active payroll for any reason, including, but not limited to, layoff and voluntary leave of absence for more than thirty (30) days.
(3) Upon the rehiring of any bargaining unit employee, or upon the recalling of any bargaining unit employee from layoff status, the City will resume or initiate dues deductions for such bargaining unit employee.

(j) **Obligations of Parties**

(1) **City’s Obligations**

The City’s obligation under this Article is to notify any bargaining unit employee who has failed to comply with the provisions of this Article that, as a condition of continued employment with the City, such bargaining unit employee must become an Association member, or pay a agency fee, or establish an exemption status and make payment pursuant to provisions of Article 2.2, Sections 0 and 0. Under no circumstances shall the City be required to dismiss or otherwise discipline any unit member for failure to fulfill his/her obligations to pay the fees established herein.

The City will provide to the Association the name, classification, department, home address and telephone number for each new employee each month.

(2) **Association’s Obligations**

Except as specified herein, the Association and not the City, shall be responsible for requiring bargaining unit employees to fulfill obligations defined herein. It is the obligation of the Association to collect any initiation fees, periodic assessments, members dues and/or agency fees which may be due and payable to the Association in consideration for its services as the exclusive representative of unit employees.

(k) **Hold Harmless Provision**

The Association shall hold the City harmless, and shall fully and promptly reimburse the City for any fees, costs, charges or penalties incurred in responding to or defending against any claims, disputes, challenges, whether formal or informal, which are actually brought, or attempted or threatened to be brought, against the City or any of its agents, or employees, in connection with the interpretation, application, administration or enforcement of any Article of this Memorandum of Understanding pertaining to agency fees. Such reimbursement shall include, but not be limited to, court costs, litigation expenses, and attorney’s fees incurred by the City. The City shall have the right to be represented by its own attorney in any action in which it is a named party to the action. Disputes over the amount of reimbursement shall be automatically submitted to the arbitration provisions of this Memorandum, Article 0.
2.3 Use of City Facilities

(a) The Association shall be allowed use of space on available bulletin boards and reasonable use of City computer systems and networks for communications having to do with official Association business, such as times and places of meetings, provided such use does not interfere with the needs of the City.

(b) Any representative of the Association shall give notice to the department head or designated representative when contacting department employees on City facilities during the duty period of the employees, provided that solicitation for membership or other internal Association business shall be conducted during the non-duty hours of all employees concerned. Prearrangement for routine contact may be made with individual department heads and when made shall continue until revoked by the department head.

(c) City buildings and other facilities may be made available for use by bargaining unit employees and their Association representative(s) in accordance with such administrative procedures as may be established by the City Manager, Director of Human Resources, or department heads concerned.

2.4 Advance Notice

(a) Except in cases of emergency, reasonable advance written notice shall be given to the Association if affected by any ordinance, resolution, rule or regulation directly relating to matters within the scope of representation proposed to be adopted by the City and shall be given the opportunity to negotiate if requested with the designated management representatives prior to adoption.

(b) In cases of emergency when the foregoing procedure is not practical or in the best public interest, the City may adopt or put into practice immediately such measures as are required. At the earliest practicable date thereafter the Association shall be provided with the notice described above and be given an opportunity if requested to negotiate changes to said notice with the management representatives designated by the City Manager.
### 2.5 Attendance at Meetings by Employees

City employees who are official representatives or unit representatives of the Association shall be given reasonable time off with pay to attend meetings with City management representatives, or be present at City hearings where matters within the scope of representation or grievances are being considered. Time spent for this purpose during the representative’s scheduled hours of work shall count as time worked. Attendance at meetings during nonworking hours will not be counted as time worked except in extraordinary circumstances as determined by the City. **Time spent for these purposes while a representative is not scheduled to work shall not be compensated by the City and shall not be considered as hours worked.** Such employee representatives shall submit a request for excused absence to their respective department heads, in a manner satisfactory prior to the scheduled meeting whenever possible. Except by mutual agreement the number of employees excused for such purposes shall not exceed three (3) per recognized bargaining unit.

### 2.6 Employee Rights

(a) Employees covered by this Memorandum shall have the right to join and to participate in the activities of the Association for purposes representation under California Government Code Section 3500 et seq., and shall also have the right to refrain from participation of any such activities.

(b) Employees covered by this Memorandum have the right to be free from interference, intimidation, restraint, coercion, discrimination or reprisal on the part of the City, covered under California Government Code Section 3500 et seq.

(c) The above provisions shall not be subject to the grievance procedure, herein, but shall be subject to enforcement through the established administrative procedures and the provisions for enforcement of the California Government Code Section 3500 et seq.

### 2.7 Assignment of Classifications

New job classifications established by the City shall be assigned to the bargaining unit, pursuant to the City’s Employer–Employee Relations Resolutions, after providing notice and the opportunity to consult with the Association regarding such matters.
ARTICLE 3. NON-DISCRIMINATION

The City and the Association agree that there shall be no discrimination of any kind because of age (over 40), race, creed, color, religion, national origin, ancestry, veterans status, physical or mental disability, marital status, sexual orientation, sex, (sexual, gender based, pregnancy/childbirth), physical or mental disability, political affiliation, sexual orientation, concerted labor activity or other protected activity or status, or on any other basis prohibited by applicable federal and State law against any employee or applicant for employment; and to the extent prohibited by applicable State and Federal law there shall be no discrimination because of age. In addition, the Union shall cooperate with the City, to the extent authorized by federal and State laws and regulations, in furthering the City’s objective of promoting equal employment opportunities.

The Association shall cooperate with the City, to the extent authorized by federal and State laws and regulations, in the objective of Equal Employment Opportunities, as defined by Federal and State regulations.
ARTICLE 4. PROBATION

4.1 Purpose

The probationary period shall be utilized for closely observing the employee’s work, for securing the most effective adjustment of a new employee to a position, and for rejecting any probationary employee whose performance does not meet the required standards of work.

4.2 Original Entrance and Promotional Positions

Employees hired or promoted after the effective date of this Memorandum of Understanding will be subject to the following:

(a) All original appointments shall be tentative and subject to probationary period of not less than twelve (12) months.

(b) All promotional appointments shall be tentative and subject to a probationary period of not less than six (6) months.

(c) Original and promotional probationary periods may be extended up to an additional six (6) months in those cases where the appointing authority and the Director of Human Resources agree that an extension would be beneficial to the employee and the City due to specific and documented performance problems.

4.3 Retention/Rejection of Probationer

(a) At the end of the probationary period, if the service of the probationary employee has been satisfactory to the appointing authority, then the appointing authority shall file with the Director of Human Resources a statement in writing to such effect and stating that the retention of such employee in the service is desired. The City will make a good faith effort to notify a probationary employee two (2) weeks before the end of the probationary period whether or not regular status is granted; however, a failure on the part of the appointing authority to file such a statement at the end of the probationary period shall constitute a rejection of the probationer as defined in Civil Service Rules.
(b) During the probationary period an employee may be rejected at any time by the appointing authority. Any employee rejected during the probationary period following a promotional appointment, shall be reinstated to the position from which promoted unless charges are filed and the employee is discharged in the manner provided in 0 of this Memorandum of Understanding and in the Civil Service Ordinance and Civil Service Rules, which are consistent therewith.

(c) If an employee is rejected from his/her probationary period, the employee shall receive the salary at the same step prior to promotion.
ARTICLE 5. PERFORMANCE EVALUATIONS

5.1 Preparation of Draft and Discussion with Employee

(a) Performance evaluations shall normally be prepared in draft form and discussed with the employee prior to finalization and inclusion in the official personnel file.

(b) Employees shall be evaluated according to the established procedures set forth in City policies. Evaluations should include, where practicable, narrative remarks to support the ratings.

(c) Ratings of less than satisfactory in any of the major categories shall include a statement of the deficiency, suggested plans for correction, and a time frame for improvement.

(d) Employees may respond in writing to a performance evaluation and have such response attached to their official personnel file.

5.2 Employee Disagreement with Rating

If an employee does not agree with the performance evaluation, the employee may submit a written response to the department head raising specific issues of disagreement. The department head shall investigate the evaluation and render a written decision on all issues raised by the employee within twenty (20) working days of receipt of the appeal. If the employee is not satisfied with the department head’s response, the employee may prepare a written response as described above.

5.3 Annual Evaluations

(a) The City may institute annual evaluations of bargaining unit employees beyond the sixth year of employment on a department-by-department basis.

(b) In the event a supervisor or manager does not complete a represented employee’s performance evaluation on time resulting in a delay in the employee’s step or merit increase, the supervisor or manager shall promptly complete the necessary payroll form(s) (e.g. form CS-23) to implement the step or merit increase.
## ARTICLE 6. PERSONNEL RECORDS

### 6.1 Inspection

Employees covered by this Memorandum of Understanding shall have the right to inspect and review the contents of their official personnel file in the Human Resources Department or duplicate file kept in the department at “reasonable intervals” and upon prior notice and approval of the employee’s immediate supervisor. This right shall not extend to letters of reference, preemployment matters, and reports concerning criminal investigations of the employee.

### 6.2 Review and Response Before Adverse Action

The City will not take any adverse action based upon any documented incident or any document, unless the bargaining unit employee first receives a copy of the document and has an opportunity to respond in writing to that document. This requirement does not apply to supervisor’s anecdotal records which will be kept separate from the official personnel file or the departmental duplicate file. Such anecdotal records may be maintained for preparation of an evaluation or for notations related to potential discipline.

### 6.3 Request for Removal of Records

An employee or an official representative of the Association upon written, dated, authorization by the individual employee may seek removal of any material placed into their official file according to the City’s Discipline Policy. This paragraph does not apply to records required by law to be kept, or as set forth in Article 0 above.
ARTICLE 7. LAYOFF

7.1 Layoff

Any employee may be laid off by an appointing authority in the event of the abolition of the employee’s position by the City Council, or if a shortage of work or funds requires a reduction in personnel. In doing so, the City shall follow the layoff procedure set forth herein below.

7.2 Layoff Scope

(a) The City shall designate the number of layoffs in each bargaining unit classification for each department of the City.

(b) Departments of the City are defined as follows:
   (1) City Attorney
   (2) City Auditor
   (3) City Clerk
   (4) City Manager
   (5) Community Development
   (6) Community Services
   (7) Economic Development
   (8) Financial Management
   (9) Fire
   (10) Housing and Redevelopment
   (11) Human Resources
   (12) Information Technology
   (13) Library
   (14) Municipal Utilities
   (15) Police
   (16) Public Works
### 7.3 Notice of Layoff

The City will give advance written notice of at least two (2) weeks to employees who will be laid off.

### 7.4 Precedence by Employment Status

No bargaining unit employee having regular status shall be laid off while employees working in seasonal, temporary, provisional, or probationary status are retained in the same or comparable classification as such regular employee. (d) Military Leave

(1) The City of Stockton complies with the Uniformed Services Employment and Reemployment Rights Act (USERRA) and nothing contained herein is intended to limit or abrogate rights guaranteed under USERRA.

(2) An employee of the City who is a member of the National Guard or Naval Militia or a member of the reserve corps or force of the Federal Military, Naval, or Marine Service and is ordered to duty shall be granted leave with pay while engaged therein, provided the leave does not exceed thirty (30) days in any calendar year.

(3) All regular employees in the service of the City shall be allowed leave of absence without pay for the duration of a national emergency who have been inducted into the Army, Navy, Marine Corps, Air Force, or any other branch of the Military Service of the United States or the State of California. Said employees shall be reinstated in the position they held when they were inducted into Military Service, except as hereinafter stated, providing they are physically fit as shown by a medical examination by the City Physician or other physician appointed to make a medical examination.

(4) In the case of a probationary employee having served a minimum probationary period of six (6) months at the time of induction, it shall be optional with the department head and the City Manager to grant regular status to said employee before induction.
(5) All probationary employees inducted into Military Service not having served the minimum probationary period of six (6) months, or having served the minimum probationary period of six (6) months, but not having received regular status shall be allowed leave of absence without pay for the duration of a national emergency, but said employees shall be placed at the head of the eligible list for such position in the order of their seniority of employment and when appointed to a vacant position, they must be physically fit as above specified and shall serve the balance of their probationary period before attaining the status of a regular employee.

(6) Two or more regular employees granted military leave of absence without pay from the same position shall be reemployed according to their seniority of employment providing they are physically fit as above specified.

(e) **Parental Participation in Children’s School Activities**

(1) A parent or guardian of a child or children enrolled in kindergarten through grade 12, or attending a licensed day care facility, may take up to 40 hours each year off work (not to exceed 8 hours in any calendar month) to participate in the activities of the school or licensed child day care facility. The employee should provide as much advance notice as reasonably possible to the City of the planned absence. The employee must use vacation, compensatory, or holiday leave. If requested, the employee must provide documentation from the school verifying the date and time the parent participated in school activities.

(2) A parent or guardian required by the school to attend a hearing regarding the suspension or expulsion of a child will be permitted to attend the meeting. The employee must provide advance notice and may use accrued vacation, compensatory, or holiday leave.

(f) **Maternity Leave**

Time off the job for pregnancy, childbirth and related medical conditions will be covered as required by State and Federal law and City policy consistent therewith. Employees may use sick leave, leave without pay, LTD, vacation leave or a combination of these benefits depending on the nature of the case and the time medically required to recuperate. Generally a six (6) week recovery period after delivery is medically indicated.
11.4 **Workers’ Compensation Leave**

(a) Workers’ Compensation Benefits shall be provided in accordance with State law and schedules whenever an employee is absence from duty because of disability caused by illness or injury arising out of and in the course of employment which has been declared to be compensable under the Workers’ Compensation Law.

Eligibility for Salary Continuation benefits shall be effective upon completion of the initial probationary period and shall be payable from the first day of covered absence.

(b) **Payment**

Workers’ Compensation Leave (Salary Continuation) will be paid as follows:

1. Employees who have completed their probationary period shall be afforded a maximum of twelve (12) months Salary Continuation for each industrial illness or injury.

2. In the event employees are absent due to service connected disability, and Salary Continuation Benefits are exhausted, they may, at their option, use their accumulated sick leave or vacation leave to such extent as, when added to any temporary disability indemnity receivable by them under Section 4650 et seq. of the California Labor Code, will enable them to receive full salary until their accumulated sick leave/vacation leave is exhausted. In such event, their accumulated sick/vacation leave will be charged only in proportion to the amount required to supplement temporary disability payments to enable the payment of full salary. Employees electing to receive such full salary in the foregoing manner, shall as a condition of such receipt, endorse to the City any temporary disability checks received by them. The City will in turn issue warrants to the employees for their full salary with normal deductions for retirement (if any), Federal and State income taxes, and any other authorized deductions.
(c) **Forms and Procedures**

*Workers’ compensation processing shall be consistent with City procedures and in accordance with state workers’ compensation regulations.* Any employee who sustains a work-related injury or illness shall immediately inform his/her supervisor no matter how minor an on-the-job injury may appear. An employee who sustains a work-related injury or illness is required to seek medical care at facilities designated by the City unless they have filed a pre-designation of personal physician prior to sustaining the work-related injury or illness. Salary Continuation approval will follow the same procedure as for sick leave approval. Salary Continuation payments will be contingent on the City’s acceptance of the injury as compensable under Workers’ Compensation Law. — For a list of City designated medical care facilities and/or physicians, please contact Human Resources.

If an employee exhausts all salary continuation benefits and temporary disability payments in accordance with this Article, the employee may request a Leave of Absence Without Pay pursuant to Article 0, not to exceed a total of twelve (12) months for the entire period of absence from active duty.

### 11.5 Leave of Absence Without Pay

(a) **Entitlement**

Employees shall not be entitled to Leave of Absence Without Pay as a matter of right, but only upon the determination of the City that it is in the best interest of public service and that there is a presumption that the employee intends to return to work upon the expiration of the leave of absence. The granting of a leave of absence provides the employee the right to return to the position vacated.

(b) **Approval**

All leave without pay must be recommended by the department head and approved by the Director of Human Resources. No such leave may extend beyond twelve (12) months, except in the case of absence due to job incurred disability where a determination may be made based upon the needs of public service or in the event an application for service connected disability retirement has been filed.

Leaves of absence without pay may only be approved following the expiration of entitlement of sick leave and vacation.
(c) An employee on a Leave of Absence Without Pay has an option to participate in the Health benefits by monthly prepayment of the required premium to the City.

(d) **Maternity/Pregnancy/Paternal/Adoption Leave**

Upon verification of a newborn, adoption of a newborn or preschooleer, an employee shall be granted a six (6) week leave of absence, without pay, upon request. **Family medical leave shall be in accordance with the Family Medical Leave Act (“FMLA”) of 1993, the California Family Rights Act (“CFRA”), or Pregnancy Disability Leave (“PDL”) and/or other applicable state and federal laws.** An employee may combine, but shall not be required to combine, any paid leave time with unpaid leave. In no circumstance may such leave exceed a total of six (6) weeks, unless otherwise approved by the employee’s department head and Director of Human Resources.

(3) **Option 3: Vacation or Compensatory Time.** The department head or designee may approve the use of vacation leave or compensatory time, and/or may approve any additional alternative schedule to formulate an acceptable 40-hour work schedule.

(4) Employee preferences among the above approved scheduling options during the Asparagus Festival will be considered and accommodated by the City unless infeasible. Employees must notify their department heads of their scheduling preferences through their line of supervision.

12.2 **Meal Periods and Rest Periods**

Employees shall receive a one (1) hour or a thirty (30) minute meal period without pay each day and a fifteen (15) minute paid rest period during the first half of the work day and a second fifteen (15) minute paid rest period during the second half of the work day. Except for Police Telecommunicators and Fire Telecommunicators, bargaining unit employees shall be completely relieved of duty during unpaid meal periods. Employees who exceed the time limits prescribed above for lunch and/or rest periods shall have their pay reduced accordingly.

12.3 **Hourly Employees**

(a) Effective the date of this Memorandum of Understanding, those employees working 19½ hours a week or less (substitutes), may only work a total of 1,014 hours or less during any twelve (12) month period.

(b) The Association will be provided with a listing of all 19½ hours or less employees related to classifications within this bargaining unit. This listing will be provided quarterly.

(c) Overtime will not be worked by 19½ hour or less employees (substitutes), if full-time or regular part-time employees are available for such overtime work.
12.4 **Regular Part-Time Employees**

(a) Regular part-time employees (those employees regularly scheduled to work 20 hours or more per week) will be provided prorated sick leave and vacation benefits according to existing practice; will be eligible to participate in health and welfare benefits on a prorated basis according to provisions of this Memorandum of Understanding and will receive merit increases based upon the proration of time worked to the total hours in a full year of employment.

(b) The City will not employ hourly personnel in order to reduce the number of regular part-time employees which existed at the execution of this Memorandum of Understanding.

12.5 **Job Sharing**

(a) Any two regular full-time employees within the same department holding positions in the same classification may petition their department head in writing to allow them to share one (1) of said positions.

(b) The approval of a job share position shall be at the sole discretion of the City and must be approved in writing by the Director of Human Resources prior to implementation. The entrance into and termination of such job sharing shall be at the sole discretion of the City.

(c) Employees who request and have approved job sharing arrangements shall be entitled to the rights and benefits which accrue to regular part-time employees.

12.6 **Reporting to Work**

(a) Repeated failure to report to work on time may result in appropriate discipline as set forth below:

1. For the first time in a six (6) month period, a Memorandum of Discussion.

2. For the second time within a six (6) month period, a Letter of Reprimand.

3. For any subsequent time within a six (6) month period, suspension from work; or at any time four (4) or more incidents occur within a six (6) month period, the employee may be discharged.
(b) If an employee reports to the worksite after the designated starting time, the employee will be paid only for time actually worked; however, the employee may be allowed to utilize vacation leave for lost pay, provided the employee’s supervisor approves.

(c) Any Memorandum of Discussion or Letter of Reprimand regarding tardiness which is more than six (6) months old, will be automatically sealed and can only be reopened upon court order.

### 12.7 Shift Bidding

(a) Employees in the Police Department who work on a twenty-four (24) hour shift schedule shall be allowed to bid on shift preference on the basis of seniority within class. The shift selected in this manner shall remain in effect for twelve (12) months, except in cases of emergency or work load requirements.

### 12.8 Work Furloughs

(a) 48 Furlough Hours in Fiscal Years 2012-2013 and 2013-2014. Each employee, except Fire Telecommunicators and Police Telecommunicators, shall be required to take forty-eight (48) furlough hours (leave from work without pay) between July 1, 2012 and June 30, 2013 and again between July 1, 2013 and June 30, 2014.

(b) 80 Furlough Hours in Fiscal Year 2008-2009. Each bargaining unit employee shall take eighty (80) furlough hours (leave from work without pay) between October 22, 2008, and June 30, 2009.

(b) Equalized Payroll Deductions. Payroll deductions for the forty-eight (48) furlough hours in Fiscal Years 2012-2013 and 2013-2014 shall be equalized so that each bargaining unit employee shall have two (2) hours at the employee’s regular hourly rate of pay deducted from each of the twenty-four (24) pay warrants in Fiscal Year 2012-2013 and Fiscal Year 2013-2014. The City shall publish and provide the citywide Furlough Schedule in June 2012 for the fiscal year 2012-2013 and June 2013 for the fiscal year 2013-2014.
(b) **Equalized Payroll Deductions.** Payroll deductions for the eighty (80) furlough hours described in Article 12.8, paragraph (a) herein above shall be equalized so that each bargaining unit employee shall have 4.444 hours at the employee’s regular hourly rate of pay deducted from each of the following eighteen (18) pay warrants: October 22, 2008; November 7, 2008; November 22, 2008; December 7, 2008; December 22, 2008; January 7, 2009; January 22, 2009; February 7, 2009; February 22, 2009; March 7, 2009; March 22, 2009; April 7, 2009; April 22, 2009; May 7, 2009; May 22, 2009; June 7, 2009; June 22, 2009; and July 7, 2009.

(c) **Standard Furlough Days.** Except as provided in Article 12.8(d) herein below, each bargaining unit employee shall take the following furlough days:

1. Monday, November 10, 2008 (8 hours);
2. Monday, November 24, 2008 (8 hours);
3. Tuesday, November 25, 2008 (8 hours);
4. Wednesday, November 26, 2008 (8 hours);
5. Wednesday, December 24, 2008 (8 hours);
6. Friday, December 26, 2008 (8 hours);
7. Monday, December 29, 2008 (8 hours);
8. Tuesday, December 30, 2008 (8 hours);
9. Wednesday, December 31, 2008 (8 hours); and
10. Friday, January 2, 2009 (8 hours).
(c) **Exception to Standard Furlough Days for Some Employees.** Bargaining unit employees shall adhere to the standard work furlough days shown in the **citywide Furlough Calendar** Article 12.8(c) herein above; except where it is impracticable for certain City departments or operations (such as Police Telecommunicators, Fire Telecommunicators, and other public safety and essential services functions), those employees must schedule eighty (80) furlough hours **with his/her manager or supervisor** accordance with Article 11.1, paragraph (b), of this Memorandum, and use eighty (80) furlough hours no later than June 30, of each corresponding year 2009. In the event the vacation scheduling of eighty (80) furlough hours causes any SCEA represented member to exceed the maximum vacation carryover provisions pursuant to Article 11.1, paragraph (a)(6), of this Memorandum, such bargaining unit employee shall be allowed to carryover into the 2009 calendar year the equivalent number of vacation hours not used as a result of the furlough occurrence to ensure that the bargaining unit employee is not adversely affected. To the extent any bargaining unit employee exceeds the maximum carryover provisions of Article 11.1, paragraph (a)(6), of this Memorandum for the 2010 calendar year, such hours shall be automatically cashed out on an hour-for-hour basis at the end of the 2010 calendar year.

(d) If a furlough (leave from work without pay) is scheduled before or after a City holiday, the employee will nevertheless be eligible for holiday pay.

(e) **No Adverse Affect on CalPERS.** The City represents and warrants based on information provided by the California Public Employees Retirement System (CalPERS) that the furlough deductions described in this Article 12.8 shall not reduce or otherwise adversely affect the employee’s Final Compensation for retirement purposes under the CalPERS. The City shall continue to report the employee’s full-time pay rate as noted in the agreed upon salary schedule(s). SCEA has relied on the accuracy of this representation by the City with the City’s knowledge and consent. As an express condition of this Section, should any SCEA represented employee suffer a reduction or adverse affect in his or her Final Compensation for retirement purposes through CalPERS solely as a result of the furlough deductions, the City, upon notification, shall thoroughly review and communicate the adverse affect to CalPERS, on behalf of the employee, to ensure the employee is made whole.
(f) **Furlough Deductions Non-Taxable to the Employee.** The City represents and warrants that the furlough deductions described in this Article 12.8 shall not be subject to income tax, payroll tax, or otherwise taxable to the employee. SCEA has relied on this representation by the City with the City’s knowledge and consent. As an express condition of this Section, should any SCEA represented employee be taxed on any furlough deduction amount, the City, upon notification, shall thoroughly review and make the appropriate correction.

(g) **Use of Accrued Leaves in Coordination with Furloughs.** Bargaining unit employees shall be permitted to use accrued vacation leave, sick leave, and/or compensatory time off (CTO) on non-furlough days by reason of the occurrence of furloughs. Employees shall be permitted to coordinate the use of their accrued vacation leave, sick leave, and/or compensatory time off (CTO) on a coordinated basis (e.g. adjacent to) furlough days unless approval of such leave creates an undue hardship on the City.

(h) **Fringe Benefits Not Affected.** Notwithstanding the occurrence of furloughs, SCEA members shall continue to receive the full amount and application of all fringe benefits including, without limitation and by way of illustration, City contribution to health and welfare benefits, accrued vacation leave, accrued sick leave, etc.

(i) **SCEA Bargaining Unit Overtime.** Any vacancies created for SCEA represented positions shall not be filled on an overtime basis (time-and-a-half) by any non-SCEA represented employee. For example, Stockton Police Officers Association and/or Stockton Police Management Association represented employees shall not be hired on an overtime basis to backfill Police Telecommunicator I/II vacancies in the Police Department’s telecommunications center. As another example, Local 456 and/or Stockton Fire Management represented employees will not be hired on an overtime basis to backfill Fire Telecommunicator I/II vacancies. As another example, Operating Engineers Local Union No. 3 and/or B&C Management represented employees and/or unrepresented employees shall not be hired on an overtime basis to backfill any SCEA represented employee vacancies. Instead, those overtime opportunities will be offered to SCEA-represented employees. The foregoing examples are illustrative and not exhaustive. If the City does hire an employee not represented by SCEA to perform work in SCEA’s bargaining unit(s) on an overtime basis, then the City shall, as a remedy, pay the SCEA-represented employee(s) deprived of that lost overtime opportunity the monetary value of the lost overtime.
(j) **Separation from City Service before July 7, 2013.** Any B&C represented employee who separates from City service before the final 2 hour furlough deduction on July 7, 2013, and after having used furlough hours shall have his or her final compensation reduced by the sum of the number of furlough hours the employee has actually used minus the number of furlough hours actually deducted from the employee’s pay warrants multiplied by the employee’s regular rate of pay. Conversely, any employee who separates from City service before July 7, 2013, having suffered furlough deductions in excess of the actual number of furlough hours the employee has used shall have his or her final compensation credited by a like amount.

(k) **Separation from City Service before July 7, 2009.** Any SCEA represented employee who separates from City service before the final 4.444 hour furlough deduction on July 7, 2009, and after having used furlough hours shall have his or her final compensation reduced by the sum of the number of furlough hours the employee has actually used minus the number of furlough hours actually deducted from the employee’s pay warrants multiplied by the employee’s regular hourly rate of pay. Conversely, any employee who separates from City service before July 7, 2009, having suffered furlough deductions in excess of the actual number of furlough hours the employee has used shall have his or her final compensation credited by a like amount.

(l) **Up to 96 Furlough Hours in Fiscal Year 2009-2010.** Each bargaining unit employee shall be required to take up to ninety-six (96) furlough hours (leave from work without pay) between approximately July 1, 2009, and June 30, 2010, in the event that growth assumptions for City revenues are 2.5% or less. Payroll deductions for the ninety-six (96) furlough hours in Fiscal Year 2009-2010, if implemented, shall be equalized in the same manner as furlough deductions for Fiscal Year 2008-09 so that each bargaining unit employee shall have up to 4 hours at the employee’s regular hourly rate of pay deducted from each of the twenty-four (24) pay warrants in Fiscal Year 2009-2010. The City and the Association shall meet and confer to develop the furlough calendar for Fiscal Year 2009-2010.
Up to 96 Furlough Hours in Fiscal Year 2010-2011. Each bargaining unit employee, except Fire Telecommunicators and Police Telecommunicators, shall be required to take ninety-six (96) furlough hours (leave from work without pay) between July 1, 2010, and June 30, 2011. Payroll deductions for the ninety-six (96) furlough hours in Fiscal Year 2010-2011 shall be equalized in the same manner as furlough deductions for Fiscal Year 2009-2010 so that each bargaining unit employee shall have up to 4 hours at the employee’s regular hourly rate of pay deducted from each of the twenty-four (24) pay warrants in Fiscal Year 2010-2011. The City and the Association shall meet and confer to develop the furlough calendar for Fiscal Year 2010-2011.

Separation from City Service before July 7, 2011. Any SCEA represented employee who separates from City service before the final 4 hour furlough deduction on July 7, 2011, and after having used furlough hours shall have his or her final compensation reduced by the sum of the number of furlough hours the employee has actually used minus the number of furlough hours actually deducted from the employee’s pay warrants multiplied by the employee’s regular hourly rate of pay. Conversely, any employee who separates from City service before July 7, 2011, having suffered furlough deductions in excess of the actual number of furlough hours the employee has used shall have his or her final compensation credited by a like amount.

96 Furlough Hours in Fiscal Year 2011-2012. Each employee, except Fire Telecommunicators and Police Telecommunicators, shall be required to take ninety-six (96) furlough hours (leave from work without pay) between July 1, 2011 and June 30, 2012. Payroll deductions for the ninety-six (96) furlough hours in Fiscal Year 2011-2012 shall be equalized in the same manner as furlough deductions for Fiscal years 2009-2010 and 2010-2011, so that each bargaining unit employee shall have 4 hours at the employee’s regular hourly rate of pay deducted from each of the twenty-four (24) pay warrants in Fiscal Year 2011-2012. The City and SCEA shall meet and confer to develop the furlough calendar for Fiscal Year 2011-2012, which will be substantially the same as Fiscal Year 2010-2011.

[Added from Emergency Measures]
Separation from City Service before July 7, 2012. Any SCEA represented employee who separates from City service before the final 4-hour furlough deduction on July 7, 2012, and after having used furlough hours shall have his or her final compensation reduced by the sum of the number of furlough hours the employee has actually used minus the number of furlough hours actually deducted from the employee's pay warrants multiplied by the employee's regular hourly rate of pay. Conversely, any employee who separates from City service before July 7, 2012, having suffered furlough deductions in excess of the actual number of furlough hours the employee has used shall have his or her final compensation credited by a like amount.

[Added from Emergency Measures]
ARTICLE 13. OVERTIME

13.1 Overtime Authorization

All compensable overtime must be authorized by the department head or his designated representative in advance of the overtime being worked. If prior authorization is not feasible because of emergency conditions a confirming authorization must be made on the next regular working day following the date on which the overtime was worked.

13.2 Definition

The following provisions pertaining to authorized statutorily required overtime work shall apply to non FLSA exempt employees whose normal work period is eight (8) hours per day and forty (40) hours per week, or (10) hours per day and forty (40) hours per week:

(a) Statutory overtime shall be paid on actual time worked in excess of forty (40) hours in any workweek. Such overtime shall be paid for at time and one-half (1-1/2) including employees employed on a per hour or per day basis or except as provided elsewhere herein. Furlough hours shall be considered as actual time. Sick leave, vacation, holiday, or other time taken as compensated time off shall not be considered as actual time worked. The overtime rate as used in this Memorandum of Understanding means one and one-half (1½) times the employee’s regular rate of pay.

(b) Except Fire Telecommunicators assigned to a 56-hour workweek and bargaining unit employees working an alternative work schedule, all time worked in excess of 8 hours per workday and/or 40 hours per seven day workweek shall be compensated at the overtime rate.

(c) Fire Telecommunicators work 24 hour shifts, resulting in a regular schedule averaging 2912 hours per year / 56 hours per week (832 hours of overtime). In approximately 2000, the parties agreed to add the regularly scheduled FLSA overtime pay into the base, in order to ensure a regular and level payment of overtime over the course of a year. This methodology withstood a legal challenge in Huges, et al. vs. City of Stockton, et al. For additional overtime hours, the City shall pay overtime at one and one-half (1 ½) time the employee’s regular rate of pay for all hours worked over forty (40) in a workweek.

(d) Bargaining unit employees assigned to an alternate work schedule (e.g. 4/10, 9/80, etc.) shall be compensated at the overtime rate for all time worked in excess of their regularly scheduled hours.

16.7 Elimination of Retiree Medical Benefits for Unit Members Hired on or after July 1, 2011

The City will not provide a retiree medical allowance, retiree medical supplement, a defined contribution, a retiree medical trust or any other retiree medical benefit for employees in this unit hired on or after July 1, 2011.
16.5 **Retirement Medical Supplement for Bargaining Unit Employees Hired Prior to January 1, 2009**

Bargaining unit employees hired before January 1, 2009, and retiring on or after January 1, 1997, who are eligible for retirement medical allowance under Article 16.4, which includes one (1) dependent, will continue to be covered under the City’s Modified Employee Medical Plan which includes changes to the City’s Modified Plan effective September 1, 2011, when they reach age sixty-five (65), as supplemental and secondary coverage to Medicare, or any other medical plan available through the employee or the employee’s spouse. The affected employee shall be responsible for paying any associated costs for Medicare coverages Part A and B.

[ADDED BY EMERGENCY MEASURES]

16.6 **Defined Contribution for Retiree Medical for Bargaining Unit Employees Hired on or After January 1, 2009 but prior to July 1, 2011.**

(a) Bargaining unit employees hired on or after January 1, 2009, shall have retiree health benefits provided under a City-established defined contribution Retiree Medical Trust (“Trust”).

(b) Bargaining unit employees hired on or after January 1, 2009, shall contribute three percent (3%) of their base salary to the Trust. Additionally, the City shall contribute to the Trust an amount equal to two percent (2%) of the employee’s base salary. Thus, the combined total of the City and the employee contribution to the Trust shall be five percent (5%).

(c) For bargaining unit employees hired after January 1, 2009, the amount of any distribution will depend entirely on the amount of the employee and City contributions and the terms of the Trust.

(d) Bargaining unit employees hired on or after January 1, 2009, shall not be eligible for either the regular Retiree Medical Allowance (to age 65) or the Supplemental Allowance (after age 65) as set forth in Article 16.4 and Article 16.5 of this Memorandum of Understanding.
16.7 *Retiree Medical Trust for Unit Members Hired on or After January 1, 2009 but prior to July 1, 2011.*

(a) As soon as practicable, after January 1, 2009, the City shall establish a Retiree Medical Trust ("Trust") that will be governed by Trustees selected by the Association and the City for purposes of receiving employee and City contributions, and for paying a monthly distribution to the City’s health plan to subsidize premiums on behalf of eligible retirees.

(b) The City will seek an IRS ruling so that employee and City contributions will be pre-tax, including the contribution of employee accrued sick leave pay-off. The City will also seek tax-exempt status for the Trust’s earnings and the benefits paid from the Trust.
ARTICLE 17. SALARIES

17.1 Salary Adjustments

(a) Effective on each of the following six (6) listed dates, the City shall increase the salaries of all bargaining unit employees by a percentage based on the Revenue Growth Formula of ninety percent (90%) of the actual growth from prior year in the City of Stockton’s General Fund for: (1) property tax; (2) sales and use tax; (3) utility user tax; and (4) business license tax as determined by comparing the actual year-end amounts reported in the Comprehensive Annual Financial Reports (CAFRs) according to the following table; provided, however, that each salary increase shall be not less than two and one-half percent (2.5%) and not more than seven percent (7%).

(b) The City agrees to notify the Association of any change in accounting procedures, legislative changes, and the like, that may materially affect the determination of growth in City revenues as described in Article 17.1(a), and to negotiate with the Association an agreed-upon Revenue Growth Formula should any such change occur.

(c) In the event the City hereafter agrees to a higher percentage than ninety percent (90%) of any index for any other employee organization or group for determination of salary adjustments, the City shall notify the Association and the higher percentage shall also apply to the Association when determining salary adjustments.

(d) The City and the Association agree to reopen this Article 17.1 to discuss the revenue growth formula used to determined across-the-board salary increases. If the parties fail to reach an agreement on any changes that may be proposed by either party, the existing provisions of Article 17.1 shall remain unchanged.

17.2 Salary Upon Appointment

Except as herein otherwise provided, the entrance salary for a new employee entering the classified service shall be minimum salary for the class to which that employee is appointed. When circumstances warrant, the Director of Human Resources or Director’s designee may approve an entrance salary which is more than the minimum salary for the class to which that employee is appointed. Such a salary may not be more than the maximum salary for the class to which the employee is appointed.

17.3 Salary Equivalents

Any monthly, daily or hourly rate of pay may be converted into any equivalent rate of pay or to any other time bases when such a conversion is appropriate. In determining equivalent amounts on different time bases, the City shall provide tables or regulations for the calculation of payment for service of less than full-time, and for use converting monthly salaries to hourly rates, as well as for calculating hourly rates. Overtime rate and premium pay shall be calculated according to the provisions of the Fair Labor Standards Act.
17.4 **Salary Step Plan**

Salary ranges for bargaining unit classifications shall consist of six (6) salary steps in each range.

(1) The first step shall be the minimum rate and shall be the normal hiring rate for the class. (In a case where a person possesses unusual qualifications, the Director of Human Resources or Director’s designee may authorize appointment above the first step after receiving the recommendation of the department head. The same provision shall apply to hourly-paid and part-time employees.)

If a department head recommends withholding increases to salary steps two (2) through six (6) because an employee has not achieved the level of performance required, notice must be received by the Director of Human Resources at least four weeks in advance of the employee’s eligibility date. The affected employee shall be furnished a copy of the department head’s recommendation. Failure to abide by the above four week limitation shall not automatically cause a step increase to be granted; however, if an employee does not receive notice by the actual anniversary date, the increase shall be automatically granted.

(2) The second step shall be paid upon the satisfactory completion of the probationary period.

(3) The third step shall be paid upon the satisfactory completion of one year of service at the second step.

(4) The fourth step shall be paid upon the satisfactory completion of one year of service at the third step.

(5) The fifth step shall be paid upon the satisfactory completion of one year of service at the fourth step and upon written recommendation of the department head.

(6) The sixth step shall be paid upon the satisfactory completion of one year of service at the fifth step and upon written recommendation of the department head.

Regardless of an employee’s length of service, step advancements in any given class may be made upon recommendation of the department head with the approval of the Director of Human Resources, but not above Step No. 6 for a given range.

Salary step increases shall be effective the first day of the pay period following appointment or revision. If the date of appointment or revision is the first day of a pay period, salary step increases shall be as of that date.
Changes in an employee’s salary because of promotion, demotion, postponement of salary step increase, or special merit increase will set a new salary anniversary date for that employee, which date shall be as stated in the preceding paragraph.

Salary range adjustments for a classification will not set a new salary anniversary date for employees’ serving in that classification.

17.5 Salary Step After Military Leave

All employees who have been granted military leave shall, upon their return to the City service, be entitled to the automatic salary advances within the range of their classification for the period they were in the military service.

17.6 Salary Step When Salary Range Is Increased

Whenever the monthly schedule of compensation for a class is revised, each incumbent in a position to which the revised schedule applies shall be entitled to the step in the revised range which corresponds to the employee’s step held in the previous range, unless otherwise specifically provided for by the Director of Human Resources.

17.7 Salary Step After Promotion or Demotion

(a) When an employee is promoted from a position in one class to a position in a higher class, and at the time of promotion is receiving a salary equal to, or greater than the minimum rate for the higher class, that employee shall be entitled to the next step in the salary scale of the higher class which is approximately five percent (5%) above the employee’s current salary, except that the next step shall not exceed the maximum salary of the higher class.

(b) When an employee is demoted, whether such demotion is voluntary or otherwise, that employee’s compensation shall be adjusted to the salary prescribed for the class to which demoted.

1. If the salary of an employee is reduced for cause or disciplinary reasons, the employee shall receive the salary at the step ordered by the Appointing Authority.

2. If the salary of the employee is reduced through no fault of the employee (i.e., layoff), the employee shall be placed at the highest step in the lower salary range that does not exceed the employee's monthly salary immediately prior to the reduction.

(c) “Y” Rate
When an employee’s classification is changed to a lower paid classification as the result of a classification study or other action, the employee may be placed on a “Y” rate. A “Y” rate means that the monthly compensation for the employee shall remain in effect until such time as further changes in the pay range of the new classification exceeds the “Y” rate.

### 17.8 Salary on Transfer

An employee may be transferred from a class in one department, or to a position of the same class in another department, or to a comparable class, with the approval of both the employee and department heads. In the case of a comparable class, the employee must be qualified, as determined by the Director of Human Resources. The Director of Human Resources, in making such a determination, must assure that the maximum salary rate for the classes in question are within two and one-half percent (2½ %), and shall consider, among other things, whether the employee possesses the minimum qualifications for such class, and is able to demonstrate through education, experience, or successful completion of pertinent test, that he/she is qualified for the transfer. If the transfer involves a change from the jurisdiction of one appointing authority to another, both must consent thereto.

### 17.9 Salary on Reinstatement

If a former employee is reinstated in the same position previously held or to one carrying a similar salary range, the salary shall not be higher than the salary at the time of employee’s separation unless there has been an increase within the salary range.

### 17.10 Acting Pay

Any employee who is assigned in writing to work in a higher paid classification and who performs a majority of the duties of that higher position, shall receive the rate of pay at a step in the range of the higher classification which would have been received if the employee had been promoted into that classification. Such written authorization must be made by the appointing authority and must be made prior to the effective date of the acting assignment. Compensation for acting pay will be based on each full shift worked.

Time in acting status does not normally qualify an employee for future step increases.
17.11 **Special Assignment Pay**

The City Manager may approve additional compensation in an amount not to exceed one additional salary step for bargaining unit employees assigned for the duration of special assignment to additional duties, responsibilities or hours.

17.12 **Salary Survey Implementation**

The salary recommendations contained in the Fiscal Year 2008 Salary Survey shall be implemented in the following manner:

(a) Effective January 1, 2009, the City shall implement the results of the classification and compensation salary survey (Appendix B) by increasing the base salary of the affected classifications by one-half (1/2) of the dollar amount shown on Appendix B.

(b) Effective January 1, 2010, the City shall further implement the results of the classification and compensation salary survey (Appendix B) by increasing the base salary of the affected classifications by the remaining one-half (1/2) of the dollar amount shown on Appendix B.

(c) The City shall conduct a classification and compensation study based on July 1, 2011, classification and compensation data. The City shall have no obligation to implement the survey data findings. The data gathered shall be used for information and discussion purposes between the City and the Association during year 2011 reopeners concerning retirement, health care, and Revenue Growth Formula calculations.

17.13 **Pay Equity Adjustments**

The City recognizes that there may be a need for pay equity salary adjustments for selected classifications, as a result of recruitment problems, reclassifications, and/or organizational changes during the year. The City, in its sole discretion, may make such pay equity adjustments, but agrees to discuss such changes with the Association.
ARTICLE 18. VOLUNTARY TRANSFER

A bargaining unit employee may apply for a transfer to a position in the same or comparable classification in accordance with the City Civil Service Rules. Such request must be submitted in writing to the Human Resources Department. The names of such bargaining unit employees together with other eligible applicants, will be forwarded to the department head to fill existing vacancies. Such bargaining unit employees will not be accorded any hiring preference.
ARTICLE 19. SEVERABILITY OF PROVISIONS

In the event that any provision of this Memorandum of Understanding is declared by a court of competent jurisdiction to be illegal or unenforceable, that provision of the Memorandum shall be null and void but such nullification shall not affect any of the other provisions of this Memorandum of Understanding, all of which shall remain in full force and effect.

In the event that Federal Legislation changes the current applicability of the Fair Labor Standards Act, both parties agree to consult and/or confer on the impacts of such legislation to the extent required by law.
ARTICLE 20. PAST PRACTICES AND EXISTING MEMORANDA OF UNDERSTANDING

Continuance of working conditions and practices not specifically authorized by ordinance or by resolution of the City Council is not guaranteed by this Memorandum of Understanding.

This Memorandum of Understanding shall supersede all existing Memoranda of Understanding between the City and the Association.
ARTICLE 21. SCOPE OF AGREEMENT

Except as otherwise specifically provided herein this Memorandum of Understanding fully and completely incorporates the understanding of the parties hereto and constitutes the sole and entire agreement between the parties on any and all matters subject to meeting and conferring. Neither party shall, during the term of this Memorandum of Understanding, demand any change therein nor shall either party be required to negotiate with respect to any matter; provided that nothing herein shall prohibit the parties from changing the terms of this Memorandum of Understanding by mutual agreement.
ARTICLE 22. DURATION OF AGREEMENT

This Memorandum of Understanding shall be effective the date of execution, and shall remain in full force and effect to and including the 30th day of June 2013, and shall continue thereafter from year to year unless at least sixty (60) days prior to its expiration, either party gives written notice to the other of its desire to amend, modify, or terminate this Memorandum of Understanding.
ARTICLE 23. MAINTENANCE OF OPERATIONS/CITY RIGHTS

(a) It is recognized that the need for continued and uninterrupted operation of City services is of paramount importance. Therefore, the Association and each employee represented thereby agrees that from the date of execution through and inclusive of June 30, 2014, or six (6) months following receipt of a notice of request for reopening of this Memorandum of Understanding by either party consistent with provisions of 0, or six months following the date of mutual agreement to reopen the Memorandum consistent with 0, the Association or any person acting in its behalf, or each employee in a classification represented by the Association, shall not cause, authorize, engage in, encourage, or sanction a work stoppage, slowdown, or refusal of overtime work, refusal to operate designated equipment (provided such equipment is safe and sound), or picketing, other than informational picketing, against the City or the individual or concerted failure to report for duty or abstinence from the full and faithful performance of the duties of employment, including compliance with the request of another labor organization or bargaining unit to engage in such activity in an attempt to induce a change in wages, hours, and other terms and conditions of employment.

(b) An employee shall not be entitled to any wages or City paid benefits whatsoever if the City Council, by majority vote, determines to its satisfaction, that the employee is, or has, engaged in any activity prohibited by Section (a) of this Article. The City may take other action, which it deems appropriate.

(c) If the City Council, by majority vote, determines to its satisfaction, that Section (a) of this Article has been violated by the Association, the City may take such remedial action as it deems appropriate.

(d) The Association recognizes the duty and obligation of its representatives and members to comply with the provisions of this Memorandum of Understanding and to make every effort toward inducing all employees in this unit to fully and faithfully perform their duties. In the event of any activity prohibited by Subsection (a) hereinafore, the Association agrees to take supererogatory steps necessary to assure compliance with this Memorandum of Understanding.

(e) The Rights of the City as set forth in Section 5 of Resolution #32,538, dated August 4, 1975, are incorporated herein by reference.
IN WITNESS WHEREOF this Memorandum of Understanding was ratified by a membership vote of the Association on October 12, 2008, and by an affirmative vote of the Stockton City Council on December 9, 2008. The parties hereto have executed this Memorandum of Understanding this day of December 2008.

1. The Stockton City Employees’ Association (defined herein as including without limitation the SCEA’s members, bargaining unit members, officials, attorneys and affiliates) agrees to release the City of Stockton (including without limitation its officers, employees, council members, attorneys, agents and assigns) from any and all liability arising out of or related to the City’s declaration of fiscal emergency on May 17, 2011 (Resolution No. 11-0114) and February 28, 2012 (Resolution No. 1502-01), including any and all actions taken by the City of Stockton and its employees, officers, council members, attorneys, agents and assigns prior to the effective date of this Release pursuant to the declarations of fiscal emergency, including but not limited to, the Resolution affecting the terms and conditions of employment of past, present or future employees of the City in the SCEA bargaining unit (Resolution Nos. 11-0166 and 1502-02). By entering this agreement, the SCEA releases the City of any and all liability related to loss of wages and benefits, and other changes to terms and conditions of employment that resulted from or are related to the City’s 2011 emergency declarations and related actions taken pursuant to those declarations prior to the effective date of this Release.

2. SCEA and the City understand and expressly agree that this Release extends to all claims of every nature and kind, known or unknown, suspected or unsuspected, past, present or future, arising from or attributable to the City’s emergency declarations for actions taken prior to the effective date of this Release pursuant to those declarations. The parties acknowledge that any and all rights granted to the parties under Section 1542 of the California Civil Code or any analogous state or federal law or regulation, are hereby expressly waived. The parties recognize and acknowledge that the factors which have induced them to enter into this Agreement might turn out to be incorrect or different from what they had previously anticipated, and the parties expressly assume all of the risks of this waiver of California Civil Code Section 1542. Section 1542 of the California Civil Code, reads as follows:

A general release does not extend to claims which the creditor does not know or suspect to exist in his or her favor at the
time of executing the release, which if known by him or her must have materially affected his settlement with the debtor.

3. In consideration of the foregoing promises and other considerations, the SCEA, for itself, its attorneys, members, officers, directors, represented employees and affiliates, hereby fully and forever releases, discharges and covenants not to sue or otherwise institute in any way, actively participate in or voluntarily assist in any legal or administrative proceedings against the City connected to the actions or omissions occurring on or before the effective date of this Release. This includes the immediate withdrawal of all litigation, grievances, demands for arbitration, and administrative claims.

4. The effective date of the Release shall be the date of the City Council’s approval of the 2012 – 2013 MOU between the City and the Stockton City Employees’ Association; provided, however, that the parties agree to stay all litigation, arbitration, or other legal or administrative proceedings as of the effective date of this Release until both parties have an adequate opportunity to ratify. The parties shall inform all courts, arbitrators or administrative bodies in which any matter released herein is pending that the matter has been temporarily stayed pending ratification by the parties.

5. All parties expressly waive any right to recover attorneys’ fees and costs.

20  Maintenance of Operations/City Rights........................................45-46
AB 506 Labor Mediation Proposal

Section 1. Recognition

Operating Engineers’ Local 3, AFL-CIO, hereinafter referred to as the "Union," is the recognized employee organization for the Operations and Maintenance Unit, certified pursuant to the Employer-Employee Relations Ordinance (Stockton Municipal Code §§ 2-200, et seq.).

Section 2. Union Security

2.1 Dues Deduction

(a) General. The Union may have the regular dues of its members within the representation unit deducted from employees’ paychecks under procedures prescribed by the City for such deductions. The Union has the exclusive privilege of dues deduction for its members.

Authorization, cancellation or modification of payroll deductions shall be made upon forms provided or approved by the City. The payroll deduction authorization shall remain in effect until canceled or modified by the employee by written notice to the City or until the first day of the calendar month following the transfer of the employee to a unit represented by another employee organization as the representative of the unit to which the employee is assigned, or until employment with the City is terminated.

Additional authorization shall not be required for deduction of increased membership dues when such increase has been duly approved by the membership of the Union. Notification of such approval shall be forwarded to the City in the form of written notice on official Union letterhead and signed by the duly authorized Union official. Upon receipt of notification, the City shall authorize the payroll deduction of the increased amount.

If an employee is promoted to a position which is represented by another employee organization or to an unrepresented unit, membership dues for the former unit will not be deducted from the employee's paycheck by the City.

Amounts deducted and withheld by the City shall be transmitted to the officer designated in writing by the Union as the person authorized to receive such funds, at the address specified.

In addition to the deduction of dues, the City will deduct from the paychecks of Union members who request it, premiums for group insurance and investment plans sponsored by the Union. Such deductions shall be made in one lump sum
and only upon signed authorization from the employee upon a form satisfactory to the City. Such authorizations may be made or changed no more frequently than twice yearly.

[MODIFICATION FROM 2009 SIDE LETTER RE: UNION SECURITY ARRANGEMENT.]

The employee’s earnings must be sufficient after all other required deductions are made, to cover the amount of the deductions herein authorized. When an employee is in a non-pay status for an entire pay period, no withholdings will be made to cover that pay period from future earnings nor will the employee deposit the amount with the City which would have been withheld if the employee had been in pay status during that pay period. In the case of an employee who is in a non-pay status during a part of the pay period, and the salary is not sufficient to cover the full withholding, no deduction shall be made.

In this connection, all other required deductions have priority over the employee organization deduction.

(b) Indemnity and Refund. The Union shall indemnify, defend and hold the City harmless against any claim made and against any suit initiated against the City on account of check off of Union dues or premiums for benefits. In addition, the Union shall refund to the City any amounts paid to it in error upon presentation of supporting evidence.

2.2 Agency Fee

(a) Employee Rights

(1) The City and the Union recognize the right of employees to form, join, and participate in lawful activities of employee organizations and the equal, alternative right of employees to refuse to form, join and participate in employee organizations. Neither party shall exert pressure upon or discriminate against an employee in the exercise of these alternative rights.

(2) Accordingly, membership in the Union shall not be compulsory. A unit member has the right to choose, either: to become a member of the Union; or, to pay to the Union a fee for representation services; or, to refrain from either of the above courses of action upon the grounds set forth in Section (f) below.

(b) Unit Members’ Obligation to Exclusive Representative
(1) A bargaining unit member who does not fall within one (1) of the exempted categories as set forth in Section (f) below, and who has not voluntarily made application for membership in the Union within the sixtieth (60) day following the date upon which said employee has been formally hired by the City as a bargaining unit employee, must as a condition of continued employment in the City pay to the Union a representation fee, in exchange for representation services necessarily performed by the Union in conformance with its legally imposed duty of fair representation on behalf of said unit member who is not a member of the Union.

(2) In the event that a unit member does not become a member of the Union or pay such fee directly to the Union, the City shall begin automatic payroll deduction. There shall be no charge to the Union for such mandatory agency fee deductions.

(3) Prior to beginning such automatic payroll deduction, the Business Representative of the Union will certify to the City in writing that the employee whose pay is to be affected by the deduction has: 1) refused to join the Union; and 2) has refused to tender the amount of the agency fee as defined herein; and 3) has not applied for an exemption under Section (f) herein. In addition the Union must also certify that it has provided the employee with a copy of the fee verification required by Section (e) herein.

(c) Definition of Agency Fee

(1) The agency fee collected pursuant to Section (b) above from unit members who are not members of the Union shall be an amount not to exceed the standard initiation fee, periodic dues and general assessments of the Union for the duration of this Agreement, minus any amount which is prohibited by the Constitution because such funds pay for political or ideological purposes not related to collective bargaining.

(2) Any dispute as to the amount of the representation fee shall be resolved pursuant to the provisions of Section (h) herein.

(d) Exceptions. Unit members on leave without pay and unit members who are in laid-off status shall be exempt from these provisions herein; except that the election as to membership or payment of a fee as set forth herein must be exercised within the first ten (10) work days upon return to paid status.
AB 506 Labor Mediation Proposal

(e) **Annual Verification of Agency Fee by the Union.** Prior to January 31, of each year and before the collection of an agency fee from any unit member pursuant to these provisions herein, the Union shall submit a written certification to the fee payers verifying that the total amount of its representation fee conforms to Section (c) above, and itemizing all component parts of such fee which shall provide an adequate explanation for the basis of the fee. Each year such amount shall be verified and submitted in writing to the fee payers by the Union prior to January 31st. The Union will submit a copy of such verification to the Director of Human Resources of the City. The parties agree that such annual verification is a condition precedent to the collection by either the City or the Union of a representation fee from a unit member.

(f) **Employees Exempted From Obligation to Pay Union**

(1) Any unit member shall be exempt from the requirements of Section (b) above, if such employee has a bona fide religious objection as defined by Section 3502.5 of the Government Code to the payment of any fee in support of a Union or "employee organization" as defined in Section 3540.1(d) of the Government Code.

(2) Such exempt unit member shall, as an alternative to payment of a representation fee to the Union, pay an amount equivalent to such representation fee to:

a. United Way.
b. American Cancer Society.
c. Any charity jointly agreed in writing by the parties.

(3) If a unit member desires to be exempted for reasons set forth in Section (f) herein, the unit member must first request such exemption in writing from the Union setting forth briefly the rationale for the exemption. If the Union notifies the unit member in writing that the Union will not honor the request, then the matter shall be referred automatically to a panel for determination according to the procedure set forth below. The panel shall be composed of one (1) person selected by the Union, one (1) person selected by the unit member, and an arbitrator selected by the parties chosen from a list submitted by the State Conciliation Service. If either one or both parties fail to nominate a panel member, the process of hearing will continue without that party’s panel member.

(4) The panel shall first receive arguments and evidence from the unit member requesting the exemption. Thereafter the Union may present any
arguments or evidence. The proceedings shall be conducted in an informal manner, and the rules of evidence will not apply. The arbitrator shall act as chair and rule on all matters before the panel with the exception of the final determination of the panel. The panel shall prepare a written decision within fifteen (15) calendar days of the completion of the hearing which shall be final and binding upon the parties. Any expenses of the panel shall be borne by the parties incurring them.

(5) Upon receipt of the decision of the panel, the City shall release any funds held in escrow to the Union or to the charity. Any decision by the panel shall apply for the duration of this Memorandum of Understanding.

(6) In addition, the Union may require such exempt unit member to submit proof of payment of an amount equivalent to such representation fee to one (1) of the alternative funds or organizations listed above. If the bargaining unit member has not provided payment, the City will institute deductions pursuant to Section (b)(2), and forward such monies to a charity listed in Section (f)(2).

(7) Such payments shall be made on or before January 31, of each year or no more than thirty (30) days after commencing duties for any newly hired employee.

(g) Escrow Account. If any unit member either disputes the amount of the fee or disputes whether or not an exemption was appropriately denied, the City shall deposit the fee which was deducted and place such amount into a special escrow account established by the Union for such purposes.

(h) Procedure for a Unit Member Who Contests the Amount of the Fee

(1) The parties agree that in order to provide a uniform definition of the representation fee, any disputes involving the amount of such fee shall be referred to the Union’s procedure for determination, provided that the parties have first complied with the other provisions of this Section.

(2) The Union shall notify the City in writing within twenty (20) days after it becomes aware that any employee disputes the amount of the fee.

(3) The Union will verify in writing to the City that all of the conditions of Section (b)(3) have been met prior to the City’s initiation of the fee deductions set forth in Section (b)(2). Thereafter, the City will notify the affected employee in writing that such deductions will commence and a copy of the Union’s written verification will be attached to the City’s notice.
AB 506 Labor Mediation Proposal

Thereafter, the City will begin the deductions.

The monies held in escrow shall be released to the appropriate party upon the rendering of a final decision by the Union’s internal procedure.

(i) Payment Method/Payroll Deduction

(1) A unit member may voluntarily sign and deliver to the City a written assignment authorizing deduction of the properly established representation fee as defined in Section (c) above, subject to the conditions set forth elsewhere in this agreement for payroll deductions, or the amount of the fee will be deducted automatically in accordance with Section (b)(2) herein.

(2) The City is under no obligation to make payroll deductions for the periods during which a unit member is either terminated from active employment, or not on the City’s active payroll for any reason, including, but not limited to, layoff and voluntary leave of absence for more than thirty (30) days.

(3) Upon the rehiring of any unit member, or upon the recalling of any unit member from layoff status, the City will resume or initiate dues deductions for such unit member.

(j) Obligations of Parties

(1) City’s Obligations. The City’s obligation under this Article is to notify any unit member who has failed to comply with the provisions of this Section that, as a condition of continued employment with the City, such unit member must become an Union member, or pay a representation fee, or establish an exemption status and make payment pursuant to provisions of Sections (b) and (f) of this Agreement. Under no circumstances shall the City be required to dismiss or otherwise discipline any unit member for failure to fulfill their obligations to pay the fees established herein.

(2) Union’s Obligations. Except as specified herein, the Union and not the City, shall be responsible for requiring unit members to fulfill obligations defined herein. It is the obligation of the Union to collect any representation fees which may be due and payable to the Union in consideration for its services as the exclusive representative of unit employees.
(k) **Hold Harmless Provision.** The Union shall hold the City harmless, and shall fully and promptly reimburse the City for any fees, costs, charges or penalties incurred in responding to or defending against any claims, disputes, challenges, whether formal or informal, which are actually brought, or attempted or threatened to be brought, against the City or any of its agents, or employees, in connection with the interpretation, application, administration or enforcement of any Section of this Agreement pertaining to representation fee. Such reimbursement shall include, but not be limited to, court costs, litigation expenses, and attorney’s fees incurred by the City. The City shall have the right to be represented by its own attorney in any action in which it is a named party to the action. Disputes over the amount of reimbursement shall be automatically submitted to the arbitration provisions of this Memorandum, Section 8.3(e).

2.3 **Use of City Facilities**

(a) The Union shall be allowed by the City department in which it represents employees’ use of space on available bulletin boards for communications having to do with official Union business, such as times and places of meetings, provided such use does not interfere with the needs of the department. The Union may submit to the City Employee Relations Officer written communications having to do with official Union business for distribution by the City to identified shop stewards. Distribution may be by e-mail.

(b) Any representative of the Union shall give notice to the department head or designated representative when contacting department employees on City facilities during the duty period of the employees, provided that solicitation for membership or other internal Union business shall be conducted during the non-duty hours of all employees concerned. Pre-arrangement for routine contact may be made with individual department heads and when made shall continue until revoked by the department head.

(c) City buildings and other facilities may be made available for use by City Employees of the Union or their representatives in accordance with such administrative procedures as may be established by the City Manager or department heads concerned.

2.4 **Advance Notice**

Except in cases of emergency, reasonable advance written notice shall be given to the Union if affected by any ordinance, resolution, rule or regulation directly relating to matters within the scope of representation proposed to be adopted by
the City and shall be given the opportunity to negotiate if requested with the designated management representatives prior to adoption.

In cases of emergency when the foregoing procedure is not practical or in the best public interest, the City may adopt or put into practice immediately such measures as are required. At the earliest practicable date thereafter the Union shall be provided with the notice described above and be given an opportunity if requested to negotiate changes to said notice with the management representatives designated by the City Manager.

2.5 Attendance at Meetings by Employees

City employees who are official representatives or unit representatives of the Union shall be given reasonable time off with pay to attend meetings with City management representatives, or be present at City hearings where matters within the scope of representation or grievances are being considered. Such employee representatives shall submit a request for excused absence to their respective department heads, in a manner satisfactory prior to the scheduled meeting whenever possible. **Time spent for these purposes while a representative is not scheduled to work shall not be compensated by the City and shall not be considered as hours worked.** Except by mutual agreement the number of the employees excused for such purposes shall not exceed three (3) per recognized bargaining unit.

**Time spent for this purpose during the representative’s scheduled hours of work count as hours worked.** Time spent for this purpose which may exceed the representative’s regularly scheduled hours of work shall be compensated as overtime or compensatory time.

2.6 Maintenance of Membership

All employees in the Operations and Maintenance unit who are members of the Union, tendering periodic dues at the execution of this agreement, and all employees who thereafter become members of the Union shall, as a condition of employment, pay dues to the Union for the duration of this Memorandum of Understanding, and each year thereafter. For a period of thirty (30) days prior to January 1, 2009 and thirty (30) days prior to any January 1, thereafter, any employee in the aforementioned unit who is a member of the Union shall have the right to withdraw from the Union discontinuing dues payments and retain employment in the City, subject to provisions of Section 2.2. **Agency Fee.** Said withdrawal shall be communicated by the employee in writing to the City. The provisions of this section shall be operative only to the extent that they are permissible under California law.
2.7 Assignment of Classifications

New job classifications established by the City shall be assigned to the bargaining unit pursuant to Section 8 (b) of the City’s Employer-Employee Relations Resolution after providing notice and the opportunity to consult with the Union regarding such matters.

2.8 Contract Ratification

Ratification votes for Contract will be handled on city time during the day.

Section 3. Compliance with Federal Laws/Safety

3.1 Non-Discrimination. The City and the Union agree that there shall be no discrimination of any kind because of age (over 40), race, creed, color, religion, national origin, ancestry, veterans status, physical or mental disability, marital status, sexual orientation, sex (sexual, gender based, pregnancy/childbirth), political affiliation or legitimate union activity or on any other basis prohibited by applicable federal and State law against any employee or applicant for employment. In addition, the Union shall cooperate with the City, to the extent authorized by federal and State laws and regulations, in furthering the City’s objective of promoting equal employment opportunities. And to the extent prohibited by applicable State and Federal law there shall be no discrimination because of age.

3.2 Fair Labor Standards Act. The Union agrees to cooperate with the City to insure its members’ compliance with the provisions of the Fair Labor Standards Act.

3.3 Safety. The Union shall cooperate with the City in promoting safety objectives as defined in Federal, State and local regulations by actively supporting safety programs, promoting safe work habits of members and encouraging an ongoing, active participation by its members in safety related procedures and practices as offered and promulgated by the City of Stockton.

Section 4. Probation

4.1 Purpose

The probationary period shall be utilized for closely observing the employee’s work, for securing the most effective adjustment of a new employee to a position, and for rejecting any probationary employee whose performance does not meet the required standards of work.
4.2 **Original Entrance and Promotional Positions**

All original and promotional appointments shall be tentative and subject to a probationary period of six (6) months, unless a longer probationary period is stated in the class specification. The probationary period may be extended up to an additional six (6) months in those cases where the appointing authority and the Director of Human Resources agree that such extension would be beneficial to the employee and the City.

4.3 **Retention/Rejection of Probationer**

At the end of the probationary period, if the service of the probationary employee has been satisfactory to the appointing authority, then the appointing authority shall file with the Director of Human Resources a statement in writing to such effect and stating that the retention of such employee in the service is desired. The City will make a good faith effort to notify a probationary employee two (2) weeks before the end of the probationary period whether or not permanent status is granted; however, a failure on the part of the appointing authority to file such a statement at the end of the probationary period shall constitute a rejection of the probationer as defined in Civil Service Rules.

During the probationary period an employee may be rejected at any time by the appointing authority. Any employee rejected during the probationary period following a promotional appointment, shall be reinstated to the position from which promoted unless charges are filed and the employee is discharged in the manner provided in Section 7 of this Memorandum of Understanding and in the Civil Service Ordinance and Civil Service Rules, which are consistent therewith.

4.4 **Alcohol and Drug Testing**. All original and reemployed appointments must pass a drug and alcohol screening prior to being offered City employment. This shall include non-represented part-time, seasonal, provisional, and temporary appointments.

**Section 5. Layoff**

5.1 **Layoff**

Any employee may be laid off by an appointing authority in the event of the abolition of the employee's position by the City Council, or if a shortage of work or funds requires a reduction in personnel.

5.2 **Layoff Scope**
AB 506 Labor Mediation Proposal

(a) Layoffs shall be within departments of the City.

(b) Departments of the City are defined as follows:

(1) Administrative Services
(2) City Attorney
(3) City Auditor
(4) City Clerk
(5) City Manager
(6) Community Development
(7) Fire
(8) Housing and Redevelopment
(9) Human Resources
(10) Information Technology
(11) Library
(12) Municipal Utilities
(13) Parks and Recreation
(14) Police
(15) Public Works

5.3 Notice of Layoff

The City will give advance written notice of at least one pay period to employees who will be laid off.

5.4 Precedence by Employment Status

(a) No permanent employees shall be laid off while employees working in an extra help, seasonal, temporary, provisional, or probationary status are retained in the same classification as such permanent employee. The order of layoff among employees not having permanent status shall be according to the following categories:

(1) extra help or seasonal
(2) provisional
(3) temporary
(4) probationary

Layoffs shall be by job classification according to reverse order of seniority as determined by total service in the City, except as specified above. For the purpose of this procedure part-time classes shall be considered as separate from regular full-time classes.
The following provisions shall apply in computing total continuous service:

(1) Time worked in a permanent or probationary status shall count as service.
(2) Time spent on military leave shall count as service in the event the leave was taken subsequent to entry.
(3) Time worked in an extra help, seasonal, provisional, temporary, grant or other limited term status shall not count as service.

If two (2) or more employees have the same seniority, **order of seniority shall be determined by their respective ranking on the eligibility list for hire.**

If two (2) or more employees have the same seniority, but were not hired from a ranked eligibility list, the order of seniority shall be determined by lot.

If two (2) or more employees have the same seniority, but were hired from separate ranked eligibility lists, the order of seniority shall be determined by lot.

(b) Any employee in the Operations and Maintenance Unit who is laid off may complete a City employment application for any position currently staffed by a part time, provisional, or temporary employee. The Human Resources Department will evaluate the employment application. If the laid off employee meets the minimum qualifications of that position, he/she shall have the option of displacing the part time, provisional, or temporary employee.

5.5 Employee Options

Employees laid off shall have any of the following choices:

(a) Displacing the employee in the same department and in the same or clearly comparable classification as determined by the Director of Human Resources as having the least (total service) seniority. This option shall be exercised before any other option.

(b) Taking a voluntary demotion within the department to a classification in which the employee had prior permanent status, thus displacing the employee working in the classification who has the least (total service) seniority.
5.6 Health and Welfare Benefits during Layoff

Permanent employees who are laid off will have an option of maintaining their existing health and welfare benefits for thirty-six (36) months from the date of layoff, provided timely payments of the premiums by the employee are made to the City, according to City regulations, and provided the employee otherwise meets the requirements of Federal and State regulations.

Section 6. Reemployment

(a) The name of each employee who is laid off in accordance with Section 5. shall be placed at the head of the eligibility list for the class of positions which that employee held, and shall be given preference in filling vacancies in that class.

(b) An employee laid off in accordance with this Section shall be placed on the eligibility list or lists for any lower or comparable class or classes in the same department, provided that the appointing authority and the department head in charge of this lower or comparable class determine that the employee is competent to perform the duties thereof in strict accordance with the class specifications. This right of a laid off employee shall remain effective for two (2) years from the date of latest separation from the service. The employee shall not be placed on said eligibility list or lists without first submitting a written request. Employee’s place on said list or lists shall be at the head of the eligibility list for the class of positions for which qualified as hereinabove set forth and shall be given preference in filling vacancies except for those persons placed on said list or lists of reemployment in the same positions previously held. An employee who waives reemployment shall have his/her name removed from this reemployment list unless mutually agreed to by the Department and employee. If the issue is not resolved within the department within twenty (20) calendar days from the day of presentation or if the employee elects to submit the grievance directly to the Union recognized as the representative of that employee’s classification, or if the employee/Union official notifies the Director of Human Resources, in writing, that a grievance exists, the procedure hereinafter specified may be invoked.

(b) Step 2 - Director of Human Resources Review. (c) Step 3 - Adjustment Board. If the parties are unable to reach a mutually satisfactory accord on any grievance which arises and is present during the terms of this Memorandum of Understanding, within twenty (20) calendar days of the receipt of the level three response, such grievance shall be submitted to an Adjustment Board comprised of two (2) Union representatives, no more than one (1) of whom shall be either an employee of the City or an elected or appointed official of the Union and two (2) representatives of the City, no more than one (1) of whom shall be either an employee of the City or a member of the staff of any organization employed to represent the City in the meeting and conferring process.

8.5 Other Provisions

If the Director of Human Resources or City Manager, in pursuance of the procedures outlined above, resolves a grievance which involved suspension or discharge, they may agree to payment for lost time or to reinstatement with or without payment for lost time, but in the event the dispute is referred to arbitration and the arbitrator finds that the City had cause to take the action complained of, the arbitrator may not substitute his judgement for the judgment of management and if the findings are that the City had such right, the arbitrator may not order reinstatement and may not assess any penalty upon the City.

Complaints which allege the employee is not being compensated in accordance with the provisions of this Memorandum of Understanding shall be considered as grievances and processed pursuant to Section 8.3. Any other matters of compensation are to be resolved in the meeting and conferring process and if not detailed in the Memorandum of Understanding which results from such meeting and conferring process shall be deemed withdrawn until the meeting and conferring process is next open for such decision. If a department head recommends to withhold increases to salary steps two (2) through seven (7) because an employee has not achieved the level of performance required, notice must be received by the City Manager at least four (4) weeks in advance of the employee’s eligibility date. The affected employee shall be furnished a copy of the department head’s recommendation. Failure to abide by the above four-week limitation shall not automatically cause a step increase to be granted; however, if an employee does not receive notice by the actual anniversary date, the increase shall be automatically granted.

The second step shall be paid upon the satisfactory completion of six (6) months service at the first step.

The third step shall be paid upon the satisfactory completion of one (1) year service at the second step.

The sixth step shall be paid upon the satisfactory completion of one (1) year service at the fifth step and upon written recommendation of the department head.

The seventh step shall be paid upon the satisfactory completion of one (1) year service at the sixth step and upon written recommendation of the department head.

Regardless of an employee’s length of service, step advancements in any given class may be made upon recommendation of the department head with the approval of the Director of Human Resources, but not above Step No. 7 for a given range.

Salary step increases shall be effective the first day of the pay period following appointment or revision. If the date of appointment or revision is the first day of a pay period, salary step increases shall be as of that date.
Changes in an employee’s salary because of promotion, demotion, postponement of salary step increase or special merit increase will set a new salary anniversary date for that employee, which date shall be as stated in the preceding paragraph.

Salary range adjustments for a classification will not set a new salary anniversary date for employees serving in that classification.

(b) Salary Step Entry-Level Classifications. The City Manager may create a ten percent (10%) salary step reduction to any entry-level classification represented by this bargaining unit. The next and all subsequent salary steps shall be paid upon the satisfactory completion of one (1) year service at current salary step.

All employees who have been granted military leave shall, upon their return to the City service, be entitled to the automatic salary advancements within the range of their classification for the period they were in the military service.

15.7 Salary Step When Salary Range is Increased

Whenever the monthly schedule of compensation for a class is revised, each incumbent in a position to which the revised schedule applies shall be entitled to the step in the revised range which corresponds to the employee’s step held in the previous range, unless otherwise specifically provided for by the Director of Human Resources.

15.8 Salary Step After Promotion or Demotion

(a) When an employee is promoted from a position in one class to a position in a higher class, and at the time of promotion is receiving a salary equal to, or greater than, the minimum rate for the higher class, that employee shall be entitled to the next step in the salary scale of the higher class which is "approximately" five percent (5%) above the employee’s current salary, except that the next step shall not exceed the maximum salary of the higher class.

(b) When an employee is demoted, whether such demotion is voluntary or otherwise, that employee’s compensation shall be adjusted to the salary prescribed for the class to which demoted.

(1) If the salary of the employee is reduced for cause or
AB 506 Labor Mediation Proposal

disciplinary reasons, the employee shall receive the salary at the same step prior to promotion.

(2) If the salary of the employee is reduced through no fault of the employee (i.e., layoff), the salary at demotion shall be at the nearest lower salary to that which was received prior to the demotion.

15.9 Transfer

An employee may be transferred from a class in one department, or to a position of the same class in another department, or to a comparable class, with the approval of both the employee and Department Heads. In the case of a comparable class, the employee must be qualified, as determined by the Director of Human Resources. The Director of Human Resources, in making such a determination, must assure that the maximum salary rate for the classes in question must be equal to or less than the employee’s current top step salary, and shall consider, among other things, whether the employee possesses the minimum qualifications for such class, and is able to demonstrate through education, experience, or successful completion of pertinent tests, that he/she is qualified for the transfer. If the transfer involves a change from the jurisdiction of one appointing authority to another, both must consent thereto.

15.10 Salary on Reinstatement

If a former employee is reinstated in the same position previously held or to one carrying a similar salary range, the employee’s salary shall not be higher than the salary at the time of separation unless there has been an increase within the salary range.

If a former employee is reinstated to a position in a lower class, the employee’s salary shall be set at the same step previously held, but in the pay range of the lower classification.

15.11 "Y" Rate

When an employee’s classification is changed to a lower paid classification as the result of a classification study or other action, the employee may be placed on a "Y" rate. A "Y" rate means that the monthly compensation for the employee shall remain in effect until such time as further changes in the pay range of the new classification exceeds the "Y" rate.

15.12 Acting Pay
(a) General Provisions. Any employee in this unit who is assigned by a supervisor to work in a higher paid classification for two (2) or more hours in one (1) day, shall receive the rate of pay in the step of the higher classification which would have been received if the employee had been promoted into that classification, or at least five percent (5%) more than the employee’s salary in the present classification, whichever is greater. Out-of-class assignment pay during overtime status will commence at the first hour worked.

(b) When there is an existing promotional eligibility list, and acting pay assignment is expected to be for more than twenty (20) work days, acting pay shall be assigned from the top three (3) on the promotional eligibility list. If the assignment is for twenty work days or less, the highest ranking employee on the promotional list within the division shall be assigned. When there is no eligible list, section (c) below shall apply.

(c) If there is no existing list, acting pay selection shall be made from the five (5) most qualified employees in the section.

(1) Sections are defined, for the purpose of this clause only, as the sub-groups listed: (a) Water, (b) Sewer, (c) Wastewater Operations, and (d) Wastewater Maintenance; and

(2) Qualifications for the purpose of this Section, as determined by the department head or designee, shall include all the following equal factors:

(a) Seniority in grade within any class immediately below the vacant position.

(b) Worker experience relative to the vacant position.

(c) Prior job performance and attendance.

(d) Certificates or other formal qualification devices such as eligibility lists.

If all things are equal based on above factors, the seniority within the City shall be considered.

(3) The opportunity for acting Pay shall be rotated among the five (5) most qualified employees within each section.
AB 506 Labor Mediation Proposal

(d) Assignments from other than a promotional eligibility list shall not exceed 120 days per fiscal year per employee.

15.13 Special Assignment Pay

The City Manager may approve additional compensation in an amount not to exceed one additional salary step when an employee is assigned in writing by the supervisor to perform additional duties and responsibilities for the duration of the special assignment.

Any Senior Plant Operator who is assigned in writing by an appropriate authority to assume supervisory authority over another Senior Plant Operator shall receive an additional five percent (5%) special assignment pay per shift when so assigned.

15.14 Special Certification Pay

Water Systems Operator and/or Senior Water Systems Operators who possess a Distribution Operator Certificate issued by the California Department of Health Services shall receive an additional three percent (3%) of base pay.

[CITY WILL DELETE LETTER OF UNDERSTANDING ON SPECIAL CERTIFICATE PAY SINCE THE LANGUAGE ON THE 3% PREMIUMS HAS BEEN INTEGRATED.]

In the event that any provision of this Memorandum of Understanding is declared by a court of competent jurisdiction to be illegal or unenforceable that provision of the Memorandum of Understanding shall be null and void but such nullification shall not affect any other provisions of this Memorandum of Understanding, all of which other provisions shall remain in full force and effect.

In the event that Federal legislation changes the current applicability of the Fair Labor Standards Act, both parties agree to consult and/or confer on the impacts of such legislation to the extent required by law.

Section 17. Past Practices and Existing Memoranda of Understanding

Continuance of working conditions and practices not specifically authorized by ordinance or by resolution of the City Council is not guaranteed by this Memorandum of Understanding.

This Memorandum of Understanding shall supersede all existing Memoranda of
AB 506 Labor Mediation Proposal

Understanding between the City and the Union.

Section 18. Scope of Agreement

Except as otherwise specifically provided herein, this Memorandum of Understanding including Appendices “A”, “B”, and “C” which are attached to this Agreement and by this reference incorporated herein, and fully and completely incorporates the understanding of the parties hereto and constitutes the sole and entire agreement between the parties on any and all matters subject to meeting and conferring. Neither party shall, during the term of this Memorandum of Understanding, demand any change therein nor shall either party be required to negotiate with respect to any matter; provided that nothing herein shall prohibit the parties from changing the terms of this Memorandum of Understanding by mutual agreement.

Section 19. Duration of Agreement

This Memorandum of Understanding shall be effective the date of execution through June 30, 2013.

Section 20. Maintenance of Operations/City Rights

(a) It is recognized that the need for continued and uninterrupted operation of City services is of paramount importance. Therefore, the Union and each employee represented thereby agrees that from the date of execution, through exhaustion of the impasse process/mediation/fact finding as set forth in the Employer/Employee Relations Resolution Section 12 (g) the Union or any person acting in its behalf, or each employee in a classification represented by the Union, shall not cause, authorize, engage in, encourage, or sanction a work stoppage, slowdown, refusal of overtime work, refusal to operate designated equipment (provided such equipment is safe and sound), or picketing, other than informational picketing, against the City or the individual or concerted failure to report for duty or abstinence from the full and faithful performance of the duties of employment, including compliance with the request of another labor organization or bargaining unit to engage in such activity in an attempt to induce a change in wages, hours, and other terms and conditions of employment.

(b) An employee shall not be entitled to any wages or City paid benefits whatsoever if the City Council, by majority vote, determines to its satisfaction, that the employee is, or has, engaged in any activity prohibited by subsection (a) of this Section. The City may take other action which it deems appropriate.

(c) If the City Council, by majority vote, determines to its satisfaction, that subsection (a) of this Section has been violated by the Union, the City may take such remedial action as it deems appropriate.
(d) The Union recognizes the duty and obligation of its representatives and members to comply with the provisions of this Memorandum of Understanding and to make every effort toward inducing all employees in this unit to fully and faithfully perform their duties. In the event of any activity prohibited by subsection (a) hereinabove, the Union agrees to take supererogatory steps necessary to assure compliance with this Memorandum of Understanding.

The rights of the City as set forth in Section 5 of Resolution No. 32,538, dated August 4, 1975, are incorporated herein by reference.

IN WITNESS WHEREOF the parties hereto have executed this Memorandum of Understanding on this ___ day of __________ 2012.

AB 506 Labor Mediation Proposal

Section 1. Recognition

Operating Engineers’ Local 3, AFL-CIO, hereinafter referred to as the "Union," is the recognized employee organization for the Trades and Maintenance Unit, certified pursuant to the Employer-Employee Relations Ordinance (Stockton Municipal Code §§ 2-200, et seq.).
Section 2. Union Security

2.1 Dues Deduction

(a) General. The Union may have the regular dues of its members within the representation unit deducted from employees’ paychecks under procedures prescribed by the City for such deductions. The Union has the exclusive privilege of dues deduction for its members.

Authorization, cancellation or modification of payroll deductions shall be made upon forms provided or approved by the City. The payroll deduction authorization shall remain in effect until canceled or modified by the employee by written notice to the City or until the first day of the calendar month following the transfer of the employee to a unit represented by another employee organization as the representative of the unit to which the employee is assigned, or until employment with the City is terminated.

Additional authorization shall not be required for deduction of increased membership dues when such increase has been duly approved by the membership of the Union. Notification of such approval shall be forwarded to the City in the form of written notice on official Union letterhead and signed by the duly authorized Union official. Upon receipt of notification, the City shall authorize the payroll deduction of the increased amount.

If an employee is promoted to a position which is represented by another employee organization or to an unrepresented unit, membership dues for the former unit will not be deducted from the employee’s paycheck by the City.

Amounts deducted and withheld by the City shall be transmitted to the officer designated in writing by the Union as the person authorized to receive such funds, at the address specified.

In addition to the deduction of dues, the City will deduct from the paychecks of Union members who request it, premiums for group insurance and investment plans sponsored by the Union. Such deductions shall be made in one lump sum and only upon signed authorization from the employee upon a form satisfactory to the City. Such authorizations may be made or changed no more frequently than twice yearly.

[MODIFICATION FROM 2009 SIDE LETTER RE: UNION SECURITY ARRANGEMENT.]

CITY OF STOCKTON
AB 506 Labor Mediation Proposal

The employee's earnings must be sufficient after all other required deductions are made, to cover the amount of the deductions herein authorized. When an employee is in a non-pay status for an entire pay period, no withholdings will be made to cover that pay period from future earnings nor will the employee deposit the amount with the City which would have been withheld if the employee had been in pay status during that pay period. In the case of an employee who is in a non-pay status during a part of the pay period, and the salary is not sufficient to cover the full withholding, no deduction shall be made.

In this connection, all other required deductions have priority over the employee organization deduction.

(b) Indemnity and Refund. The Union shall indemnify, defend and hold the City harmless against any claim made and against any suit initiated against the City on account of check off of Union dues or premiums for benefits. In addition, the Union shall refund to the City any amounts paid to it in error upon presentation of supporting evidence.

2.2 Agency Fee

(a) Employee Rights

(1) The City and the Union recognize the right of employees to form, join, and participate in lawful activities of employee organizations and the equal, alternative right of employees to refuse to form, join and participate in employee organizations. Neither party shall exert pressure upon or discriminate against an employee in the exercise of these alternative rights.

(2) Accordingly, membership in the Union shall not be compulsory. A unit member has the right to choose, either: to become a member of the Union; or, to pay to the Union a fee for representation services; or, to refrain from either of the above courses of action upon the grounds set forth in Section (f) below.

(b) Unit Members' Obligation to Exclusive Representative

(1) A bargaining unit member who does not fall within one (1) of the exempted categories as set forth in Section (f) below, and who has not voluntarily made application for membership in the Union within the sixtieth (60) day following the date upon which said employee has been formally hired by the City as a bargaining unit employee, must as a condition of continued employment in the City pay to the Union a
representation fee, in exchange for representation services necessarily performed by the Union in conformance with its legally imposed duty of fair representation on behalf of said unit member who is not a member of the Union.

(2) In the event that a unit member does not become a member of the Union or pay such fee directly to the Union, the City shall begin automatic payroll deduction. There shall be no charge to the Union for such mandatory agency fee deductions.

(3) Prior to beginning such automatic payroll deduction, the Business Representative of the Union will certify to the City in writing that the employee whose pay is to be affected by the deduction has: 1) refused to join the Union; and 2) has refused to tender the amount of the agency fee as defined herein; and 3) has not applied for an exemption under Section (f) herein. In addition the Union must also certify that it has provided the employee with a copy of the fee verification required by Section (e) herein.

(c) Definition of Agency Fee

(1) The agency fee collected pursuant to Section (b) above from unit members who are not members of the Union shall be an amount not to exceed the standard initiation fee, periodic dues and general assessments of the Union for the duration of this Agreement, minus any amount which is prohibited by the Constitution because such funds pay for political or ideological purposes not related to collective bargaining.

(2) Any dispute as to the amount of the representation fee shall be resolved pursuant to the provisions of Section (h) herein.

(d) Exceptions. Unit members on leave without pay and unit members who are in laid-off status shall be exempt from these provisions herein; except that the election as to membership or payment of a fee as set forth herein must be exercised within the first ten (10) work days upon return to paid status.

(e) Annual Verification of Agency Fee by the Union. Prior to January 31, of each year and before the collection of an agency fee from any unit member pursuant to these provisions herein, the Union shall submit a written certification to the fee payers verifying that the total amount of its representation fee conforms to Section (c) above, and itemizing all component parts of such fee which shall provide an adequate explanation.
AB 506 Labor Mediation Proposal

for the basis of the fee. Each year such amount shall be verified and submitted in writing to the fee payers by the Union prior to January 31st. The Union will submit a copy of such verification to the Director of Human Resources of the City. The parties agree that such annual verification is a condition precedent to the collection by either the City or the Union of a representation fee from a unit member.

(f) Employees Exempted From Obligation to Pay Union

(1) Any unit member shall be exempt from the requirements of Section (b) above, if such employee has a bona fide religious objection as defined by Section 3502.5 of the Government Code to the payment of any fee in support of a Union or "employee organization" as defined in Section 3540.1(d) of the Government Code.

(2) Such exempt unit member shall, as an alternative to payment of a representation fee to the Union, pay an amount equivalent to such representation fee to:

   a. United Way.
   b. American Cancer Society.
   c. Any charity jointly agreed in writing by the parties.

(3) If a unit member desires to be exempted for reasons set forth in Section (f) herein, the unit member must first request such exemption in writing from the Union setting forth briefly the rationale for the exemption. If the Union notifies the unit member in writing that the Union will not honor the request, then the matter shall be referred automatically to a panel for determination according to the procedure set forth below. The panel shall be composed of one (1) person selected by the Union, one (1) person selected by the unit member, and an arbitrator selected by the parties chosen from a list submitted by the State Conciliation Service. If either one or both parties fail to nominate a panel member, the process of hearing will continue without that party’s panel member.

(4) The panel shall first receive arguments and evidence from the unit member requesting the exemption. Thereafter the Union may present any arguments or evidence. The proceedings shall be conducted in an informal manner, and the rules of evidence will not apply. The arbitrator shall act as chair and rule on all matters before the panel with the exception of the final determination of the panel. The panel shall prepare a written decision within fifteen (15) calendar days of the completion of the hearing which shall be final and binding upon the parties. Any expenses
of the panel shall be borne by the parties incurring them.

(5) Upon receipt of the decision of the panel, the City shall release any funds held in escrow to the Union or to the charity. Any decision by the panel shall apply for the duration of this Memorandum of Understanding.

(6) In addition, the Union may require such exempt unit member to submit proof of payment of an amount equivalent to such representation fee to one (1) of the alternative funds or organizations listed above. If the bargaining unit member has not provided payment, the City will institute deductions pursuant to Section (b)(2), and forward such monies to a charity listed in Section (f)(2).

(7) Such payments shall be made on or before January 31, of each year or no more than thirty (30) days after commencing duties for any newly hired employee.

(g) Escrow Account. If any unit member either disputes the amount of the fee or disputes whether or not an exemption was appropriately denied, the City shall deposit the fee which was deducted and place such amount into a special escrow account established by the Union for such purposes.

(h) Procedure for a Unit Member Who Contests the Amount of the Fee

(1) The parties agree that in order to provide a uniform definition of the representation fee, any disputes involving the amount of such fee shall be referred to the Union’s procedure for determination, provided that the parties have first complied with the other provisions of this Section.

(2) The Union shall notify the City in writing within twenty (20) days after it becomes aware that any employee disputes the amount of the fee.

(3) The Union will verify in writing to the City that all of the conditions of Section (b)(3) have been met prior to the City’s initiation of the fee deductions set forth in Section (b)(2). Thereafter, the City will notify the affected employee in writing that such deductions will commence and a copy of the Union’s written verification will be attached to the City’s notice. Thereafter, the City will begin the deductions.

The monies held in escrow shall be released to the appropriate party upon the rendering of a final decision by the Union’s internal procedure.

(i) Payment Method/Payroll Deduction
AB 506 Labor Mediation Proposal

(1) A unit member may voluntarily sign and deliver to the City a written assignment authorizing deduction of the properly established representation fee as defined in Section (c) above, subject to the conditions set forth elsewhere in this agreement for payroll deductions, or the amount of the fee will be deducted automatically in accordance with Section (b)(2) herein.

(2) The City is under no obligation to make payroll deductions for the periods during which a unit member is either terminated from active employment, or not on the City's active payroll for any reason, including, but not limited to, layoff and voluntary leave of absence for more than thirty (30) days.

(3) Upon the rehiring of any unit member, or upon the recalling of any unit member from layoff status, the City will resume or initiate dues deductions for such unit member.

(j) Obligations of Parties

(1) City’s Obligations. The City’s obligation under this Article is to notify any unit member who has failed to comply with the provisions of this Section that, as a condition of continued employment with the City, such unit member must become an Union member, or pay a representation fee, or establish an exemption status and make payment pursuant to provisions of Sections (b) and (f) of this Agreement. Under no circumstances shall the City be required to dismiss or otherwise discipline any unit member for failure to fulfill their obligations to pay the fees established herein.

(2) Union’s Obligations. Except as specified herein, the Union and not the City, shall be responsible for requiring unit members to fulfill obligations defined herein. It is the obligation of the Union to collect any representation fees which may be due and payable to the Union in consideration for its services as the exclusive representative of unit employees.

(k) Hold Harmless Provision. The Union shall hold the City harmless, and shall fully and promptly reimburse the City for any fees, costs, charges or penalties incurred in responding to or defending against any claims, disputes, challenges, whether formal or informal, which are actually brought, or attempted or threatened to be brought, against the City or any of its agents, or employees, in connection with the interpretation, application, administration or enforcement of any Section of this Agreement.

Agreement pertaining to representation fee. Such reimbursement shall include, but not be limited to, court costs, litigation expenses, and attorney’s fees incurred by the City. The City shall have the right to be represented by its own attorney in any action in which it is a named party to the action. Disputes over the amount of reimbursement shall be automatically submitted to the arbitration provisions of this Memorandum, Section 8.3(e).

2.3 Use of City Facilities

(a) The Union shall be allowed by the City department in which it represents employees’ use of space on available bulletin boards for communications having to do with official Union business, such as times and places of meetings, provided such use does not interfere with the needs of the department. The Union may submit to the City Employee Relations Officer written communications having to do with official Union business for distribution by the City to identified shop stewards. Distribution may be by e-mail.

(b) Any representative of the Union shall give notice to the department head or designated representative when contacting department employees on City facilities during the duty period of the employees, provided that solicitation for membership or other internal Union business shall be conducted during the non-duty hours of all employees concerned. Pre-arrangement for routine contact may be made with individual department heads and when made shall continue until revoked by the department head.

(c) City buildings and other facilities may be made available for use by City Employees of the Union or their representatives in accordance with such administrative procedures as may be established by the City Manager or department heads concerned.

2.4 Advance Notice

Except in cases of emergency, reasonable advance written notice shall be given to the Union if affected by any ordinance, resolution, rule or regulation directly relating to matters within the scope of representation proposed to be adopted by the City and shall be given the opportunity to negotiate if requested with the designated management representatives prior to adoption.

In cases of emergency when the foregoing procedure is not practical or in the best public interest, the City may adopt or put into practice immediately such measures as are required. At the earliest practicable date thereafter the Union shall be provided with the notice described above and be given an opportunity if
AB 506 Labor Mediation Proposal

requested to negotiate changes to said notice with the management representatives designated by the City Manager.

2.5 Attendance at Meetings by Employees

City employees who are official representatives or unit representatives of the Union shall be given reasonable time off with pay to attend meetings with City management representatives, or be present at City hearings where matters within the scope of representation or grievances are being considered. Such employee representatives shall submit a request for excused absence to their respective department heads, in a manner satisfactory prior to the scheduled meeting whenever possible. **Time spent for these purposes while a representative is not scheduled to work shall not be compensated by the City and shall not be considered as hours worked.** Except by mutual agreement the number of the employees excused for such purposes shall not exceed three (3) per recognized bargaining unit.

Time spent for this purpose during the representative’s scheduled hours of work shall count as hours worked. Time spent for this purpose which may exceed the representative’s regularly scheduled hours of work shall be compensated as overtime or compensatory time.

2.6 Maintenance of Membership

All employees in the Trades and Maintenance unit who are members of the Union, tendering periodic dues at the execution of this agreement, and all employees who thereafter become members of the Union shall, as a condition of employment, pay dues to the Union for the duration of this Memorandum of Understanding, and each year thereafter. For a period of thirty (30) days prior to January 1, 1989, and thirty (30) days prior to any January 1, thereafter, any employee in the aforementioned unit who is a member of the Union shall have the right to withdraw from the Union discontinuing dues payments and retain employment in the City, subject to provisions of Section 2.2. **Agency Fee.** Said withdrawal shall be communicated by the employee in writing to the City. The provisions of this section shall be operative only to the extent that they are permissible under California law.

2.7 Assignment of Classifications

New job classifications established by the City shall be assigned to the bargaining unit pursuant to section 2-208 of Employer-Employee Relations Ordinance (Stockton Municipal Code §§2-200, et seq.) after providing notice and the opportunity to consult with the Union regarding such matters.
Section 3. Compliance with Federal Laws/Safety

3.1 **Non-Discrimination.** The City and the Union agree that there shall be no discrimination of any kind because of **age (over 40)**, race, creed, color, religion, national origin **(ancestry)**, **veterans status, physical or mental disability, marital status, sexual orientation, sex (sexual, gender based, pregnancy/childbirth)**, political affiliation or legitimate union activity or on any other basis prohibited by applicable federal and State law against any employee or applicant for employment. **In addition, the Union shall cooperate with the City, to the extent authorized by federal and State laws and regulations, in furthering the City’s objective of promoting equal employment opportunities.** And to the extent prohibited by applicable State and Federal law there shall be no discrimination because of age.

3.2 **Fair Labor Standards Act.** The Union agrees to cooperate with the City to insure its members’ compliance with the provisions of the Fair Labor Standards Act.

3.3 **Safety.** The Union shall cooperate with the City in promoting safety objectives as defined in Federal, State and local regulations by actively supporting safety programs, promoting safe work habits of members and encouraging an ongoing, active participation by its members in safety related procedures and practices as offered and promulgated by the City of Stockton.
AB 506 Labor Mediation Proposal

Section 4. Probation

4.1  Purpose

The probationary period shall be utilized for closely observing the employee’s work, for securing the most effective adjustment of a new employee to a position, and for rejecting any probationary employee whose performance does not meet the required standards of work.

4.2  Original Entrance and Promotional Positions

All original and promotional appointments shall be tentative and subject to a probationary period of six (6) months, unless a longer probationary period is stated in the class specification. The probationary period may be extended up to an additional six (6) months in those cases where the appointing authority and the Director of Human Resources agree that such extension would be beneficial to the employee and the City.

4.3  Retention/Rejection of Probationer

At the end of the probationary period, if the service of the probationary employee has been satisfactory to the appointing authority, then the appointing authority shall file with the Director of Human Resources a statement in writing to such effect and stating that the retention of such employee in the service is desired. The City will make a good faith effort to notify a probationary employee two (2) weeks before the end of the probationary period whether or not regular status is granted; however, a failure on the part of the appointing authority to file such a statement at the end of the probationary period shall constitute a rejection of the probationer as defined in Civil Service Rules.

During the probationary period an employee may be rejected at any time by the appointing authority. Any employee rejected during the probationary period following a promotional appointment, shall be reinstated to the position from which promoted unless charges are filed and the employee is discharged in the manner provided in Section 7 of this Memorandum of Understanding and in the Civil Service Ordinance and Civil Service Rules, which are consistent therewith.

4.4  Alcohol and Drug Testing.  All original and reemployed appointments must pass a drug and alcohol screening prior to being offered City employment. This shall include non-represented part-time, seasonal, provisional, and temporary appointments.
AB 506 Labor Mediation Proposal

Section 5. Layoff

5.1 Layoff

Any employee may be laid off by an appointing authority in the event of the abolition of the employee’s position by the City Council, or if a shortage of work or funds requires a reduction in personnel.

5.2 Layoff Scope

(a) Layoffs shall be within departments of the City.

(b) Departments of the City are defined as follows:

1. City Attorney
2. City Auditor
3. City Clerk
4. City Manager
5. Community Development
6. Community Services
7. Financial Management
8. Fire
9. Housing and Redevelopment
10. Human Resources
11. Information Technology
12. Library
13. Municipal Utilities
14. Police
15. Public Works

5.3 Notice of Layoff

The City will give advance written notice of at least one pay period to employees who will be laid off.

5.4 Precedence by Employment Status

(a) No regular employees shall be laid off while employees working in an extra help, seasonal, temporary, provisional, or probationary status are retained in the same classification as such regular employee. The order of layoff among employees not having regular status shall be according to the following categories:
AB 506 Labor Mediation Proposal

(1) Limited term (i.e., part-time, provisional, and temporary)
(2) Probationary

Layoffs shall be by job classification according to reverse order of seniority as determined by total service in the City, except as specified above. For the purpose of this procedure part-time classes shall be considered as separate from regular full-time classes.

The following provisions shall apply in computing total continuous service:

(1) Time worked in a regular or probationary status shall count as service.
(2) Time spent on military leave shall count as service in the event the leave was taken subsequent to entry.
(3) Time worked in a limited term status (i.e., part-time, provisional, and temporary) shall not count as service.

If two (2) or more employees have the same seniority, the order of seniority shall be determined by their respective ranking on the eligibility list for hire. The most recent performance evaluation shall determine seniority.

If two (2) or more employees have the same seniority, but were not hired from a ranked eligibility list, the order of seniority shall be determined by lot.

If two (2) or more employees have the same seniority, but were hired from separate ranked eligibility lists, the order of seniority shall be determined by lot.

(b) Any employee in the Trades and Maintenance Unit who is laid off may complete a City employment application for any position currently staffed by a part time, provisional, or temporary employee. The Human Resources Department will evaluate the employment application. If the laid off employee meets the minimum qualifications of that position, he/she shall have the option of displacing the part time, provisional, or temporary employee.

5.5 Employee Options

Employees laid off shall have any of the following choices:
AB 506 Labor Mediation Proposal

(a) Displacing the employee in the same department and in the same or clearly comparable classification as determined by the Director of Human Resources as having the least (total service) seniority. This option shall be exercised before any other option.

(b) Taking a voluntary demotion within the department to a classification in which the employee had prior regular status, thus displacing the employee working in the classification who has the least (total service) seniority.

5.6 Health and Welfare Benefits during Layoff

Regular employees who are laid off will have an option of maintaining their existing health and welfare benefits for thirty-six (36) months from the date of layoff, provided timely payments of the premiums by the employee are made to the City, according to City regulations, and provided the employee otherwise meets the requirements of Federal and State regulations.
Section 6. Reemployment

(a) The name of each employee who is laid off in accordance with Section 5 shall be placed at the head of the eligibility list for the class of positions which that employee held, and shall be given preference in filling vacancies in that class.

(b) An employee laid off in accordance with this Section shall be placed on the eligibility list or lists for any lower or comparable class or classes in the same department, provided that the appointing authority and the department head in charge of this lower or comparable class determine that the employee is competent to perform the duties thereof in strict accordance with the class specifications. This right of a laid off employee shall remain effective for two (2) years from the date of latest separation from the service. The employee shall not be placed on said eligibility list or lists without first submitting a written request. Employee’s place on said list or lists shall be at the head of the eligibility list for the class of positions for which qualified as hereinabove set forth and shall be given preference in filling vacancies except for those persons placed on said list or lists of reemployment in the same positions previously held. An employee who waives reemployment shall have his/her name removed from this reemployment list unless mutually agreed to by the Department and employee. Upon certification for appointment to a new position never having been held by this employee, the probationary period must be completed as required in this Memorandum of Understanding.
AB 506 Labor Mediation Proposal

Section 7. Discipline

Disciplinary action, including discharge, suspension, reduction in pay or demotion, may be taken against any employee for cause.

7.1 Predisciplinary Rights

An employee facing potential disciplinary action will be entitled to the following predisciplinary rights:

(a) Notice of proposed discipline.
(b) Date(s) proposed discipline will be effective.
(c) Reasons for the proposed discipline, the specific grounds and particular facts upon which the action is taken.
(d) Ten (10) calendar days in which an employee or the representative may respond either orally or in writing to the department head.
(e) The employee must be provided with any written materials, reports and documents upon which the action is based.

7.2 Administrative Leave

The City may place an employee on administrative leave pending the completion of the predisciplinary process.

7.3 Provisions

The appointing authority may discharge, suspend or demote any employee in the classified service provided the Stockton Municipal Code provisions and the rules and regulations of the Civil Service Commission and any applicable provisions of law are followed. Such provisions allow the employee suspended, demoted or discharged to appeal such action. The employee may take only one (1) of the following actions:

(a) File no appeal.

(b) File an appeal with the Civil Service Commission within ten (10) calendar days of written notification of the action. (Such filing will foreclose use of the grievance procedure.)
AB 506 Labor Mediation Proposal

(c) File a grievance as provided for in Section 8 within ten (10) calendar days of written notification of the action.

If the employee fails to do (b) or (c) above within the prescribed time frames, these rights will have been waived.
AB 506 Labor Mediation Proposal

Section 8. Grievance Procedures

8.1 Definition

A grievance is any dispute which involves the interpretation or application of those rules, regulations and resolutions which have been, or may hereafter be, adopted by the City Council to govern personnel practices and working conditions, including such rules, regulations and resolutions as may be adopted by either the City Council or the Civil Service Commission to affect Memoranda of Understanding which result from the meeting and conferring process.

8.2 Filing Deadline

(a) No grievance involving demotion, suspension, discharge or other employment penalty will be entertained unless it is filed in writing with the Director of Human Resources within ten (10) calendar days of the time at which the affected employee received written notification of such action. All other grievances must be filed within thirty (30) calendar days from the time the employee knew or had reason to know of the facts giving rise to the grievance.

(b) With written consent of the City Manager or his/her designee and the Union Business Agent or his/her designee, time limits may be extended and/or Steps 1, 2 and/or 3 of the Grievance Procedure waived.

8.3 Grievance Processing

(a) Step 1 - Departmental Review. Any employee claiming to have a grievance may discuss the complaint with such management official in the department where employed as the department head may designate. If the issue is not resolved within the department within twenty (20) days from the day of presentation or if the employee elects to submit the grievance directly to the Union recognized as the representative of that employee’s classification, or if the employee/Union official notifies the Director of Human Resources in writing, that a grievance exists, the procedure hereinafter specified may be invoked.

(b) Step 2 - Director of Human Resources Review. If the employee is not satisfied with the response at level one, then the employee may appeal the grievance to the Director of Human Resources within twenty (20) calendar days of the receipt of written response at level one. Such appeal must state with particularity: 1) the specific policy, rule or provision which is alleged to have been violated; 2) the statement of facts comprising the violation; and 3) the requested remedy. The Union may file and process grievance(s) on behalf of the specifically named employee. The Director of Human Resources shall have
twenty (20) calendar days in which to investigate the issues, meet with the complainant and attempt to reach a satisfactory resolution of the problem. No grievance may be processed under the following two (2) paragraphs which has not first been filed and investigated in accordance with this paragraph, except for the resolution of compensation complaints.

(c) Step 3 - Adjustment Board. If the parties are unable to reach a mutually satisfactory accord on any grievance which arises and is present during the terms of this Memorandum of Understanding, within twenty (20) calendar days of the receipt of the level three response, such grievance shall be submitted to an Adjustment Board comprised of two (2) Union representatives, no more than one (1) of whom shall be either an employee of the City or an elected or appointed official of the Union and two (2) representatives of the City, no more than one (1) of whom shall be either an employee of the City or a member of the staff of any organization employed to represent the City in the meeting and conferring process.

(c) (d) Step 3 4 - Arbitration. If the parties are unable to reach a mutually satisfactory accord on the grievance at Step 2 an Adjustment Board is unable to arrive at a majority decision, within twenty (20) calendar days either the Union or the City may require that the grievance be referred to an impartial arbitrator mutually selected by the parties, or if the parties are unable to mutually agree, from a list of seven (7) arbitrators provided by the State Conciliation Service. The arbitrator shall be chosen by the alternative strike method, with first choice being determined by lot. The fees and expenses of the arbitrator and of a court reporter shall be shared equally by the Union and City. Each party, however, shall bear the cost of its own presentation, including preparation and post hearing briefs, if any.

(d) (e) Effect of Decision. Decisions of Adjustment Boards and arbitrators on matters properly before them shall be final and binding on the parties hereto except as provided otherwise herein.

8.4 Scope of Arbitration

(a) No Adjustment Board and no arbitrator shall entertain, hear, decide or make recommendations on any dispute unless such dispute involves a position in a unit represented by the Union and unless such dispute falls within the definition of a grievance as set forth in paragraph 8.1.

(b) Proposals to add to or change this Memorandum of Understanding or written agreements or addenda supplementary hereto shall not be arbitrable and no proposal to modify, amend or terminate this Memorandum of Understanding,
nor any matter or subject arising out of or in connection with such proposal, may be referred to arbitration under this Section. No Board of Adjustment or arbitrator selected pursuant to this Section shall have the power to amend or modify this Memorandum of Understanding or written agreements or addenda supplementary hereto or to establish any new terms or conditions of employment.

(c) No changes in this Memorandum of Understanding or interpretations thereof (except interpretations resulting from Board of Adjustment or arbitration proceedings hereunder) will be recognized unless agreed to by the Director of Human Resources and the Union.

8.5 Other Provisions

If the Director of Human Resources or City Manager, in pursuance of the procedures outlined above, resolves a grievance which involved suspension or discharge, they may agree to payment for lost time or to reinstatement with or without payment for lost time, but in the event the dispute is referred to arbitration and the arbitrator finds that the City had cause to take the action complained of, the arbitrator may not substitute his judgment for the judgment of management and if the findings are that the City had such right, the arbitrator may not order reinstatement and may not assess any penalty upon the City.

Complaints which allege the employee is not being compensated in accordance with the provisions of this Memorandum of Understanding shall be considered as grievances and processed pursuant to Section 8.3. Any other matters of compensation are to be resolved in the meeting and conferring process and if not detailed in the Memorandum of Understanding which results from such meeting and conferring process shall be deemed withdrawn until the meeting and conferring process is next open for such decision. No adjustment shall be retroactive for more than thirty (30) days from the date upon which the complaint was filed.

Specified time limits may be modified only in writing. All appeals and responses must be provided in writing.

A grievant will be provided release time without loss of pay for all required meetings with management. The City cannot discriminate or retaliate in any manner against an employee for filing a grievance or exercising rights under this Section.

The provisions of this Section shall not abridge any rights to which an employee may be entitled under the Stockton Municipal Code and/or Civil Service Rules.
AB 506 Labor Mediation Proposal

and Regulations, nor shall it be administered in a manner which would abrogate any power which, under the Stockton Municipal Code, may be within the sole province and discretion of the Civil Service Commission.

All grievances of employees in representation units represented by the Union shall be processed under this Section. If the Stockton Municipal Code and/or Civil Service Rules and Regulations requires that a differing option be available to the employee, no action under paragraph (c) (d) or (e) of Subsection 8.3 above shall be taken unless it is determined that the employee is not utilizing such option.

No action under paragraph (c) or (d) of Subsection 8.3 above shall be taken if action on the complaint or grievance has been taken by the Civil Service Commission or if the complaint or grievance is pending before the Civil Service Commission.

If any award by a Board of Adjustment or arbitrator requires action by the City Council or the Civil Service Commission before it can be placed in effect, the City Manager and the Director of Human Resources will recommend to the City Council or the Civil Service Commission, as appropriate, that it follow such award.
9.1 Vacation Leaves

(a) Vacation Allowance. All regular employees, excluding provisional and temporary shall accrue vacation leave with pay in accordance with the following schedule:

(1) Less than one and one-half (1-1/2) years continuous employment ........................................... 80 hours/year.

For employees who on July 1, 2012 have vacation balances that exceed their maximum shall have until June 30, 2013 to use sufficient vacation to get under the maximum allowed. If an employee does not get below the maximum by June 30, 2013, they shall retain their existing earned vacation, but shall not earn any additional vacation until they are under the maximum vacation accrual allowed.

For every year of service beyond 29, the employee is allowed to add an additional seven (7) hours to the maximum accrual cap.

(c) (b) Vacation Scheduling. Vacation leaves shall be scheduled with due consideration for the wishes of the employee and so as to not interfere with the normal operation of the City business. Vacation requests are accepted on a day for day basis.

Section 1. Recognition

Operating Engineers' Local 3, AFL-CIO, hereinafter referred to as the "Union," is the recognized employee organization for the Supervisory Unit, certified pursuant to Resolution No., adopted by the City Council on.

Section 2. Union Security

2.1 Dues Deduction

(a) General. The Union may have the regular dues of its members within the representation unit deducted from employees’ paychecks under procedures prescribed by the City for such deductions. The Union has the exclusive privilege of dues deduction for its members.

Authorization, cancellation or modification of payroll deductions shall be made upon forms provided or approved by the City. The payroll deduction authorization shall remain in effect until canceled or modified by the employee by written notice to the City or until the first day of the calendar month following the transfer of the employee to a unit represented by another employee organization as the representative of the unit to which the employee is assigned, or until employment with the City is terminated.

Additional authorization shall not be required for deduction of increased membership dues when such increase has been duly approved by the membership of the Union. Notification of such approval shall be forwarded to the City in the form of written notice on official Union letterhead and signed by the duly authorized Union official. Upon receipt of notification, the City shall authorize the payroll deduction of the increased amount.

If an employee is promoted to a position which is represented by another employee organization or to an unrepresented unit, membership dues for the former unit will not be deducted from the employee’s paycheck by the City.

Amounts deducted and withheld by the City shall be transmitted to the officer designated in writing by the Union as the person authorized to receive such funds, at the address specified.

In addition to the deduction of dues, the City will deduct from the paychecks of Union members who request it, premiums for group insurance and investment plans sponsored by the Union. Such deductions shall be made in one lump sum and only upon signed authorization from the employee upon a form satisfactory
AB 506 Labor Mediation Proposal

to the City. Such authorizations may be made or changed no more frequently than twice yearly.

The employee’s earnings must be sufficient after all other required deductions are made, to cover the amount of the deductions herein authorized. When an employee is in a non-pay status for an entire pay period, no withholdings will be made to cover that pay period from future earnings nor will the employee deposit the amount with the City which would have been withheld if the employee had been in pay status during that pay period. In the case of an employee who is in a non-pay status during a part of the pay period, and the salary is not sufficient to cover the full withholding, no deduction shall be made.

In this connection, all other required deductions have priority over the employee organization deduction.

(b) Indemnity and Refund. The Union shall indemnify, defend and hold the City harmless against any claim made and against any suit initiated against the City on account of check off of Union dues or premiums for benefits. In addition, the Union shall refund to the City any amounts paid to it in error upon presentation of supporting evidence.

[NOTE: INCORPORATED FROM 2009 SIDE LETTER RE: UNION SECURITY.]

2.2 Agency Fee

(a) Employee Rights

(1) The City and the Union recognize the right of employees to form, join, and participate in lawful activities of employee organizations and the equal, alternative right of employees to refuse to form, join and participate in employee organizations. Neither party shall exert pressure upon or discriminate against an employee in the exercise of these alternative rights.

(2) Accordingly, membership in the Union shall not be compulsory. A unit member has the right to choose, either: to become a member of the Union; or, to pay to the Union a fee for representation services; or, to refrain from either of the above courses of action upon the grounds set forth in Section (f) below.

(b) Unit Members’ Obligation to Exclusive Representative

(1) A bargaining unit member who does not fall within one (1) of the
exempted categories as set forth in Section (f) below, and who has not voluntarily made application for membership in the Union within the sixtieth (60) day following the date upon which said employee has been formally hired by the City as a bargaining unit employee, must as a condition of continued employment in the City pay to the Union a representation fee, in exchange for representation services necessarily performed by the Union in conformance with its legally imposed duty of fair representation on behalf of said unit member who is not a member of the Union.

(2) In the event that a unit member does not become a member of the Union or pay such fee directly to the Union, the City shall begin automatic payroll deduction. There shall be no charge to the Union for such mandatory agency fee deductions.

(3) Prior to beginning such automatic payroll deduction, the Business Representative of the Union will certify to the City in writing that the employee whose pay is to be affected by the deduction has: 1) refused to join the Union; and 2) has refused to tender the amount of the agency fee as defined herein; and 3) has not applied for an exemption under Section (f) herein. In addition the Union must also certify that it has provided the employee with a copy of the fee verification required by Section (e) herein.

(c) Definition of Agency Fee

(1) The agency fee collected pursuant to Section (b) above from unit members who are not members of the Union shall be an amount not to exceed the standard initiation fee, periodic dues and general assessments of the Union for the duration of this Agreement, minus any amount which is prohibited by the Constitution because such funds pay for political or ideological purposes not related to collective bargaining.

(2) Any dispute as to the amount of the representation fee shall be resolved pursuant to the provisions of Section (h) herein.

(d) Exceptions. Unit members on leave without pay and unit members who are in laid-off status shall be exempt from these provisions herein; except that the election as to membership or payment of a fee as set forth herein must be exercised within the first ten (10) work days upon return to paid status.

(e) Annual Verification of Agency Fee by the Union. Prior to January 31, of each year and before the collection of an agency fee from any unit
AB 506 Labor Mediation Proposal

member pursuant to these provisions herein, the Union shall submit a written certification to the fee payers verifying that the total amount of its representation fee conforms to Section (c) above, and itemizing all component parts of such fee which shall provide an adequate explanation for the basis of the fee. Each year such amount shall be verified and submitted in writing to the fee payers by the Union prior to January 31st. The Union will submit a copy of such verification to the Director of Human Resources of the City. The parties agree that such annual verification is a condition precedent to the collection by either the City or the Union of a representation fee from a unit member.

(f) Employees Exempted From Obligation to Pay Union

(1) Any unit member shall be exempt from the requirements of Section (b) above, if such employee has a bona fide religious objection as defined by Section 3502.5 of the Government Code to the payment of any fee in support of a Union or "employee organization" as defined in Section 3540.1(d) of the Government Code.

(2) Such exempt unit member shall, as an alternative to payment of a representation fee to the Union, pay an amount equivalent to such representation fee to:

   a. United Way.
   b. American Cancer Society.
   c. Any charity jointly agreed in writing by the parties.

(3) If a unit member desires to be exempted for reasons set forth in Section (f) herein, the unit member must first request such exemption in writing from the Union setting forth briefly the rationale for the exemption. If the Union notifies the unit member in writing that the Union will not honor the request, then the matter shall be referred automatically to a panel for determination according to the procedure set forth below. The panel shall be composed of one (1) person selected by the Union, one (1) person selected by the unit member, and an arbitrator selected by the parties chosen from a list submitted by the State Conciliation Service. If either one or both parties fail to nominate a panel member, the process of hearing will continue without that party's panel member.

(4) The panel shall first receive arguments and evidence from the unit member requesting the exemption. Thereafter the Union may present any arguments or evidence. The proceedings shall be conducted in an informal manner, and the rules of evidence will not apply. The arbitrator
shall act as chair and rule on all matters before the panel with the exception of the final determination of the panel. The panel shall prepare a written decision within fifteen (15) calendar days of the completion of the hearing which shall be final and binding upon the parties. Any expenses of the panel shall be borne by the parties incurring them.

(5) Upon receipt of the decision of the panel, the City shall release any funds held in escrow to the Union or to the charity. Any decision by the panel shall apply for the duration of this Memorandum of Understanding.

(6) In addition, the Union may require such exempt unit member to submit proof of payment of an amount equivalent to such representation fee to one (1) of the alternative funds or organizations listed above. If the bargaining unit member has not provided payment, the City will institute deductions pursuant to Section (b)(2), and forward such monies to a charity listed in Section (f)(2).

(7) Such payments shall be made on or before January 31, of each year or no more than thirty (30) days after commencing duties for any newly hired employee.

(g) Escrow Account. If any unit member either disputes the amount of the fee or disputes whether or not an exemption was appropriately denied, the City shall deposit the fee which was deducted and place such amount into a special escrow account established by the Union for such purposes.

(h) Procedure for a Unit Member Who Contests the Amount of the Fee

(1) The parties agree that in order to provide a uniform definition of the representation fee, any disputes involving the amount of such fee shall be referred to the Union’s procedure for determination, provided that the parties have first complied with the other provisions of this Section.

(2) The Union shall notify the City in writing within twenty (20) days after it becomes aware that any employee disputes the amount of the fee.

(3) The Union will verify in writing to the City that all of the conditions of Section (b)(3) have been met prior to the City’s initiation of the fee deductions set forth in Section (b)(2). Thereafter, the City will notify the affected employee in writing that such deductions will commence and a copy of the Union’s written verification will be attached to the City’s notice. Thereafter, the City will begin the deductions.
The monies held in escrow shall be released to the appropriate party upon the rendering of a final decision by the Union’s internal procedure.

(i) Payment Method/Payroll Deduction

(1) A unit member may voluntarily sign and deliver to the City a written assignment authorizing deduction of the properly established representation fee as defined in Section (c) above, subject to the conditions set forth elsewhere in this agreement for payroll deductions, or the amount of the fee will be deducted automatically in accordance with Section (b)(2) herein.

(2) The City is under no obligation to make payroll deductions for the periods during which a unit member is either terminated from active employment, or not on the City’s active payroll for any reason, including, but not limited to, layoff and voluntary leave of absence for more than thirty (30) days.

(3) Upon the rehiring of any unit member, or upon the recalling of any unit member from layoff status, the City will resume or initiate dues deductions for such unit member.

(j) Obligations of Parties

(1) City’s Obligations. The City’s obligation under this Article is to notify any unit member who has failed to comply with the provisions of this Section that, as a condition of continued employment with the City, such unit member must become an Union member, or pay a representation fee, or establish an exemption status and make payment pursuant to provisions of Sections (b) and (f) of this Agreement. Under no circumstances shall the City be required to dismiss or otherwise discipline any unit member for failure to fulfill their obligations to pay the fees established herein.

(2) Union’s Obligations. Except as specified herein, the Union and not the City, shall be responsible for requiring unit members to fulfill obligations defined herein. It is the obligation of the Union to collect any representation fees which may be due and payable to the Union in consideration for its services as the exclusive representative of unit employees.

(k) Hold Harmless Provision. The Union shall hold the City harmless, and shall fully and promptly reimburse the City for any fees, costs, charges or penalties incurred in responding to or defending against any claims,
AB 506 Labor Mediation Proposal

disputes, challenges, whether formal or informal, which are actually brought, or attempted or threatened to be brought, against the City or any of its agents, or employees, in connection with the interpretation, application, administration or enforcement of any Section of this Agreement pertaining to representation fee. Such reimbursement shall include, but not be limited to, court costs, litigation expenses, and attorney’s fees incurred by the City. The City shall have the right to be represented by its own attorney in any action in which it is a named party to the action. Disputes over the amount of reimbursement shall be automatically submitted to the arbitration provisions of this Memorandum, Section 8.3(e).

2.3 Use of City Facilities

(a) The Union shall be allowed by the City department in which it represents employees’ use of space on available bulletin boards for communications having to do with official Union business, such as times and places of meetings, provided such use does not interfere with the needs of the department. The Union may submit to the City Employee Relations Officer written communications having to do with official Union business for distribution by the City to identified shop stewards. Distribution may be by e-mail.

(b) Any representative of the Union shall give notice to the department head or designated representative when contacting department employees on City facilities during the duty period of the employees, provided that solicitation for membership or other internal Union business shall be conducted during the non-duty hours of all employees concerned. Pre-arrangement for routine contact may be made with individual department heads and when made shall continue until revoked by the department head.

(c) City buildings and other facilities may be made available for use by City Employees of the Union or their representatives in accordance with such administrative procedures as may be established by the City Manager or department heads concerned.

2.4 Advance Notice

Except in cases of emergency, reasonable advance written notice shall be given to the Union if affected by any ordinance, resolution, rule or regulation directly relating to matters within the scope of representation proposed to be adopted by the City and shall be given the opportunity to negotiate if requested with the designated management representatives prior to adoption.
AB 506 Labor Mediation Proposal

In cases of emergency when the foregoing procedure is not practical or in the best public interest, the City may adopt or put into practice immediately such measures as are required. At the earliest practicable date thereafter the Union shall be provided with the notice described above and be given an opportunity if requested to negotiate changes to said notice with the management representatives designated by the City Manager.

2.5 Attendance at Meetings by Employees

City employees who are official representatives or unit representatives of the Union shall be given reasonable time off with pay to attend meetings with City management representatives, or be present at City hearings where matters within the scope of representation or grievances are being considered. Such employee representatives shall submit a request for excused absence to their respective department heads, in a manner satisfactory prior to the scheduled meeting whenever possible. **Time spent for these purposes while a representative is not scheduled to work shall not be compensated by the City and shall not be considered as hours worked.** Except by mutual agreement the number of the employees excused for such purposes shall not exceed three (3) per recognized bargaining unit.

Time spent for this purpose during the representative’s scheduled hours of work count as hours worked. Time spent for this purpose which may exceed the representative’s regularly scheduled hours of work shall be compensated as overtime or compensatory time.

2.6 Maintenance of Membership

All employees in the Supervisory Unit who are members of the Union, tendering periodic dues at the execution of this agreement, and all employees who thereafter become members of the Union shall, as a condition of employment, pay dues to the Union for the duration of this Memorandum of Understanding, and each year thereafter. For a period of thirty (30) days prior to January 1, 2009 and thirty (30) days prior to any January 1, thereafter, any employee in the aforementioned unit who is a member of the Union shall have the right to withdraw from the Union discontinuing dues payments and retain employment in the City, subject to provisions of Section 2.2. **Agency Fee.** Said withdrawal shall be communicated by the employee in writing to the City. The provisions of this section shall be operative only to the extent that they are permissible under California law.

2.7 Assignment of Classifications
AB 506 Labor Mediation Proposal

New job classifications established by the City shall be assigned to the bargaining unit pursuant to Section 8 (b) of the City’s Employer-Employee Relations Resolution after providing notice and the opportunity to consult with the Union regarding such matters.

2.8 Contract Ratification

Ratification votes for Contract will be handled on city time during the day.

Section 3. Compliance with Federal Laws/Safety

3.1 Non-Discrimination. The City and the Union agree that there shall be no discrimination of any kind because of age (over 40), race, creed, color, religion, national origin, ancestry, veterans status, physical or mental disability, marital status, sexual orientation, sex (sexual, gender based, pregnancy/childbirth), political affiliation or legitimate union activity or on any other basis prohibited by applicable federal and State law against any employee or applicant for employment. In addition, the Union shall cooperate with the City, to the extent authorized by federal and State laws and regulations, in furthering the City’s objective of promoting equal employment opportunities; and to the extent prohibited by applicable State and Federal law there shall be no discrimination because of age.

3.2 Fair Labor Standards Act. The Union agrees to cooperate with the City to insure its members’ compliance with the provisions of the Fair Labor Standards Act.

3.3 Safety. The Union shall cooperate with the City in promoting safety objectives as defined in Federal, State and local regulations by actively supporting safety programs, promoting safe work habits of members and encouraging an ongoing, active participation by its members in safety related procedures and practices as offered and promulgated by the City of Stockton.

Section 4. Probation

4.1 Purpose

The probationary period shall be utilized for closely observing the employee’s work, for securing the most effective adjustment of a new employee to a position, and for rejecting any probationary employee whose performance does not meet the required standards of work.

4.2 Original Entrance and Promotional Positions
AB 506 Labor Mediation Proposal

All original and promotional appointments shall be tentative and subject to a probationary period of six (6) months. The probationary period shall not be extended. The probationary period may be extended up to an additional six (6) months in those cases where the appointing authority and the Director of Human Resources agree that such extension would be beneficial to the employee and the City.

4.3 Retention/Rejection of Probationer

At the end of the probationary period, if the service of the probationary employee has been satisfactory to the appointing authority, then the appointing authority shall file with the Director of Human Resources a statement in writing to such effect and stating that the retention of such employee in the service is desired. The City will make a good faith effort to notify a probationary employee two (2) weeks before the end of the probationary period whether or not regular status is granted; however, a failure on the part of the appointing authority to file such a statement at the end of the probationary period shall constitute a rejection of the probationer as defined in Civil Service Rules.

During the probationary period an employee may be rejected at any time by the appointing authority. Any employee rejected during the probationary period following a promotional appointment, shall be reinstated to the position from which promoted unless charges are filed and the employee is discharged in the manner provided in Section 7 of this Memorandum of Understanding and in the Civil Service Ordinance and Civil Service Rules, which are consistent therewith.

Section 5. Layoff

5.1 Layoff

Any employee may be laid off by an appointing authority in the event of the abolition of the employee's position by the City Council, or if a shortage of work or funds requires a reduction in personnel.

5.2 Layoff Scope

(a) Layoffs shall be within departments of the City.

(b) Departments of the City are defined as follows:

(1) Administrative Services
(2) City Attorney
(3) City Auditor
AB 506 Labor Mediation Proposal

(4) City Clerk
(5) City Manager
(6) Community Development
(7) Community Services
(8) Economic Development
(9) Fire
(10) Human Resources
(11) Municipal Utilities
(12) Police
(13) Public Works

5.3 Notice of Layoff

The City will give advance written notice of at least one pay period to employees who will be laid off.

5.4 Precedence by Employment Status

(a) No regular employees shall be laid off while employees working in an extra help, seasonal, temporary, provisional, or probationary status are retained in the same classification as such regular employee. The order of layoff among employees not having regular status shall be according to the following categories:

(1) extra help or seasonal
(2) provisional
(3) temporary
(4) probationary

Layoffs shall be by job classification according to reverse order of seniority as determined by total service in that class, except as specified above. For the purpose of this procedure part-time classes shall be considered as separate from regular full-time classes.

The following provisions shall apply in computing total continuous service:

(1) Time worked in a regular or probationary status shall count as service.
(2) Time spent on military leave shall count as service in the event the leave was taken subsequent to entry.
(3) Time worked in an extra help, seasonal, provisional, temporary, grant or other limited term status shall not count as service.
If two (2) or more employees have the same seniority, the **order of seniority shall be determined by their respective ranking on the eligibility list for hire**. Most recent performance evaluation shall determine seniority.

If two (2) or more employees have the same seniority, but were not hired from a ranked eligibility list, the order of seniority shall be determined by lot.

If two (2) or more employees have the same seniority, but were hired from separate ranked eligibility lists, the order of seniority shall be determined by lot.

(b) Any employee in the Supervisory Unit who is laid off may complete a City employment application for any position currently staffed by a part time, provisional, or temporary employee. The Human Resources Department will evaluate the employment application. If the laid off employee meets the minimum qualifications of that position, he/she shall have the option of displacing the part time, provisional, or temporary employee.

5.5 Employee Options

Employees laid off shall have any of the following choices:

(a) Displacing the employee in the same department and in the same or clearly comparable classification as determined by the Director of Human Resources as having the least seniority in that classification. This option shall be exercised before any other option.

15.2 Salary upon Appointment

Except as herein otherwise provided, the entrance salary for a new employee entering the classified service shall be the minimum salary for the class to which appointed. When circumstances warrant, the Director of Human Resources may approve an entrance salary which is more than the minimum salary for the class to which an employee is appointed. Such a salary may not be more than the maximum salary for the class to which that employee is appointed.

15.3 Salary Equivalents

Any monthly, daily or hourly rate of pay may be converted into an equivalent rate
of pay or to any other time bases when, in the judgment of the City Manager, such a conversion is advisable. In determining equivalent amounts on different time bases the City shall provide tables or regulations for the calculation of payment for service of less than full time, and for use in converting monthly salaries to hourly rates, as well as for calculating hourly rates. The same provision shall apply to hourly paid and part-time employees.)

The affected employee shall be furnished a copy of the department head’s recommendation. Failure to abide by the above four-week limitation shall not automatically cause a step increase to be granted; however, if an employee does not receive notice by the actual anniversary date, the increase shall be automatically granted.

The second step shall be paid upon the satisfactory completion of six (6) months service at the first step.

The third step shall be paid upon the satisfactory completion of one (1) year service at the second step.

The fourth step shall be paid upon the satisfactory completion of one (1) year service at the third step.

The fifth step shall be paid upon the satisfactory completion of one (1) year service at the fourth step and upon written recommendation of the department head.

The sixth step shall be paid upon the satisfactory completion of one (1) year service at the fifth step and upon written recommendation of the department head.

Changes in an employee’s salary because of promotion, demotion, postponement of salary step increase or special merit increase will set a new salary anniversary date for that employee, which date shall be as stated in the preceding paragraph.

Salary range adjustments for a classification will not set a new salary anniversary date for employees serving in that classification.

15.5 Salary Step after Military Leave

All employees who have been granted military leave shall, upon their return to the City service, be entitled to the automatic salary advancements within the range of their classification for the period they were in the military service.

15.7 Salary Step After Promotion or Demotion

(a) When an employee is promoted from a position in one class to a position in a higher class, and at the time of promotion is receiving base salary equal to, or greater than, the minimum rate for the higher class, that employee shall be entitled to the next step in the base salary of the higher class which is a minimum of five percent (5.0%) above the employee’s current salary, except that the next step shall not exceed the maximum salary of the higher class.

(b) When an employee is demoted, whether such demotion is voluntary or otherwise, that employee’s compensation shall be adjusted to the salary
prescribed for the class to which demoted.

(1) If the salary of the employee is reduced for cause or disciplinary reasons, the employee shall receive the salary at the same step prior to promotion.

(2) If the salary of the employee is reduced through no fault of the employee (i.e., layoff), the salary at demotion shall be at the nearest lower salary to that which was received prior to the demotion.

15.8 Transfer

An employee may be transferred from a class in one department, or to a position of the same class in another department, or to a comparable class, with the approval of both the employee and Department Heads. In the case of a comparable class, the employee must be qualified, as determined by the Director of Human Resources. The Director of Human Resources, in making such a determination, must assure that the maximum salary rate for the classes in question must be equal to or less than the employee’s current top step salary, and shall consider, among other things, whether the employee possesses the minimum qualifications for such class, and is able to demonstrate through education, experience, or successful completion of pertinent tests, that he/she is qualified for the transfer. If the transfer involves a change from the jurisdiction of one appointing authority to another, both must consent thereto.

15.10 Salary on Reinstatement

If a former employee is reinstated in the same position previously held or to one carrying a similar salary range, the employee’s salary shall not be higher than the salary at the time of separation unless there has been an increase within the salary range.

If a former employee is reinstated to a position in a lower class, the employee’s salary shall be set at the same step previously held, but in the pay range of the lower classification.

15.10 "Y" Rate

When an employee’s classification is changed to a lower paid classification as the result of a classification study or other action, the employee may be placed on a "Y" rate. A "Y" rate means that the monthly compensation for the employee shall remain in effect until such time as further changes in the pay range of the
AB 506 Labor Mediation Proposal

new classification exceeds the "Y" rate.

15.11 Acting Pay

Any employee in this unit who is assigned by a supervisor to work in a higher paid classification for two (2) or more hours in one (1) day, shall receive the rate of pay in the step of the higher classification which would have been received if the employee had been promoted into that classification, or at least five percent (5%) more than the employee’s salary in the present classification, whichever is greater. Out-of-class assignment pay during overtime status will commence at the first hour worked.

15.12 Special Assignment Pay

The department head with the concurrence of the Director of Human Resources may approve additional compensation in an amount not to exceed one additional salary step when an employee is assigned in writing by the supervisor to perform additional duties and responsibilities for the duration of the special assignment.

15.13 Special Certification Pay

Water Operations Supervisor who possesses a Distribution Operator Certificate issued by the California Department of Health Services shall receive an additional three percent (3.0%) of base pay.

15.14 Salary Adjustments

The City recognizes that there may be a need for special salary adjustments for selected classifications as a result of recruitment problems, reclassifications, and/or organizational changes. The City, in its sole discretion, may make such adjustments, but agrees to discuss with the Supervisory Unit.

15.15 Work Furloughs

(a) 96 48 Furlough Hours in Fiscal Years 2011-2012 2012-2013 and 2013-2014. Each bargaining unit employee shall take forty eight (48) ninety six (96) furlough hours (leave from work without pay)

(b) Equalized Payroll Deductions. Payroll deductions for the ninety six (96) furlough hours described in section 10.4, paragraph (a), shall be equalized so that each bargaining unit employee shall have a deduction representing a per pay period reduction of 2.31% 4.62%. Since this agreement was not reached by July 1, 2011, the 2.31% 4.62% will be increased to include the additional amount
AB 506 Labor Mediation Proposal

needed to ensure annualized savings of 2.31% 4.62%.

(c) Furlough Bank. Employees must use the 48 96 hour furlough bank by June 31, 2013 2 or forfeit the furlough bank. The Furlough has no cash value and any furlough hours deducted and banked but not take off by June 30, 2013 2 shall be forfeited by the employee.

(d) Furlough hours will be counted as time worked for purposes of overtime.

(e) If a furlough is scheduled before or after a City holiday, the employee will, nevertheless, be eligible for holiday pay.

(f) Separation from City Service before June 30, 2013 2. Any employee who separates from City service before the final furlough deduction on July 7, 2013 2 for the pay period ending June 30, 2013 2, and after having used furlough hours, shall have his or her final compensation reduced by the sum of the number of furlough hours the employee has actually used minus the number of furlough hours actually deducted from the employee’s pay warrants multiplied by the employee’s regular hourly rate of pay. Conversely, any employee who separates from City service before June 30, 2013, having suffered furlough deductions in excess of the actual number of furlough hours the employee has used, shall have his or her final compensation credited by like amount.
AB 506 Labor Mediation Proposal

In the event that any provision of this Memorandum of Understanding is declared by a court of competent jurisdiction to be illegal or unenforceable that provision of the Memorandum of Understanding shall be null and void but such nullification shall not affect any other provisions of this Memorandum of Understanding, all of which other provisions shall remain in full force and effect.

In the event that Federal legislation changes the current applicability of the Fair Labor Standards Act, both parties agree to consult and/or confer on the impacts of such legislation to the extent required by law.

Section 17. Past Practices and Existing Memoranda of Understanding

Continuance of working conditions and practices not specifically authorized by ordinance or by resolution of the City Council is not guaranteed by this Memorandum of Understanding.

This Memorandum of Understanding shall supersede all existing Memoranda of Understanding between the City and the Union.

Section 18. Scope of Agreement

Except as otherwise specifically provided herein, this Memorandum of Understanding including Appendices “A” and “B”, which are attached to this Agreement and by this reference incorporated herein, and fully and completely incorporates the understanding of the parties hereto and constitutes the sole and entire agreement between the parties on any and all matters subject to meeting and conferring. Neither party shall during the term of this Memorandum of Understanding, demand any change therein nor shall either party be required to negotiate with respect to any matter; provided that nothing herein shall prohibit the parties from changing the terms of this Memorandum of Understanding by mutual agreement.

Section 19. Duration of Agreement

This Memorandum of Understanding shall be effective the date of execution, through June 30, 2013.
Section 20. Maintenance of Operations/City Rights

(a) It is recognized that the need for continued and uninterrupted operation of City services is of paramount importance. Therefore, the Union and each employee represented thereby agrees that from the date of execution, through exhaustion of the impasse process/mediation/fact finding as set forth in the Employer/Employee Relations Resolution, the Union or any person acting in its behalf, or each employee in a classification represented by the Union, shall not cause, authorize, engage in, encourage, or sanction a work stoppage, slowdown, refusal of overtime work, refusal to operate designated equipment (provided such equipment is safe and sound), or picketing, other than informational picketing, against the City or the individual or concerted failure to report for duty or abstinence from the full and faithful performance of the duties of employment, including compliance with the request of another labor organization or bargaining unit to engage in such activity in an attempt to induce a change in wages, hours, and other terms and conditions of employment.

(b) An employee shall not be entitled to any wages or City paid benefits whatsoever if the City Council, by majority vote, determines to its satisfaction, that the employee is, or has, engaged in any activity prohibited by subsection (a) of this Section. The City may take other action which it deems appropriate.

(c) If the City Council, by majority vote, determines to its satisfaction, that subsection (a) of this Section has been violated by the Union, the City may take such remedial action as it deems appropriate.

(d) The Union recognizes the duty and obligation of its representatives and members to comply with the provisions of this Memorandum of Understanding and to make every effort toward inducing all employees in this unit to fully and faithfully perform their duties. In the event of any activity prohibited by subsection (a) hereinabove, the Union agrees to take supererogatory steps necessary to assure compliance with this Memorandum of Understanding.

The rights of the City as set forth in Section 5 of Resolution No. 32,538, dated August 4, 1975, are incorporated herein by reference.

3. **Employees retiring with over 30 years of full time service with the City of Stockton as a regular employee** shall receive a City contribution of $450 a month towards the cost of retiree medical insurance.

4. **Employees with less than 10 years of service for the City** shall not be eligibility for a city contribution towards retiree medical and may not be enrolled in the City sponsored plans.

5. **Benefits for part time employees who retire are prorated based on their full time equivalent.**

7. Retirees who are enrolled in city-sponsored plans may enroll their eligible dependents at their own expense.

(c) Elimination of Retiree Medical Program effective June 30, 2013

Effective June 30, 2013, the City shall no longer provide a contribution towards the cost of retiree medical insurance for current employees (future retirees) and current retiree. Retirees shall not be eligible to participate in the City’s medical plans.

For unit members hired prior to July 1, 2007, the City shall pay a premium for the purpose of providing hospital medical and prescription benefits for each employee who has retired. Such coverage shall include one dependent and include the following:

(1) Normal Service Retirement. Eligibility for the allowance provided by this section is limited to employees who have retired subsequent to October 1, 1980, and who have retired at age fifty (50) or later. Such allowance shall terminate at age sixty-five (65) or at the age when eligible for Medicare, whichever occurs later.

(2) Disability Retirement. Eligibility for the allowance provided by this section is limited to employees who have retired subsequent to October 1, 1980, and such allowance shall be limited to a maximum of fifteen (15) years or the attainment of age sixty-five (65), whichever occurs first.

(3) Prescription Coverage. Prescription coverage will be provided for retirees and one (1) dependent.

(4) Medical Plan. The medical plan for employees retiring shall be the City’s Modified medical benefits Plan.

(c) For unit members hired prior to July 1, 2007, any and all subsequent increased premium costs required to maintain the benefits provided in this Section shall be the responsibility of the retiree and said increased costs shall be
charged to the retiree as may be necessary for the months subsequent to June 30, 2012, unless otherwise agreed to by the parties hereto.

(d) (e) Supplemental Retiree Medical Insurance Allowance and Coordination with Medicare after Age 65. For unit members hired prior to July 1, 2007, an employee retiring on or after July 1, 2006, and eligible for retiree medical insurance allowance as provided in this section, shall continue to be eligible to participate in the City’s for retired employee and one (1) eligible dependent when both persons reach age sixty-five (65) or at the age when eligible for Medicare, whichever occurs later. The City’s retiree medical insurance plan shall be supplemental and secondary to Medicare medical coverage or any other medical benefit coverage available to the retired employee and eligible dependent.

(e) Medicare Supplemental Coverage Requirements only. Those retiring after July 1, 2006, who must pay a premium to Medicare in order to obtain Part A coverage, will be reimbursed by the City for their Medicare Part A premium. The City’s medical coverage shall continue on a coordinated basis with the City as a secondary payer after Medicare pays as the primary provider.

There may be occasions when paying the premium cost for Medicare Part A may not be in the City’s best interest or the retiree may not be eligible. If such circumstances exist, the City’s supplemental medical plan would then be the primary coverage plan.

The City reserves the right to terminate reimbursement payments for Part A Medicare coverage, in which event the retiree will receive the City’s as the primary health coverage, with the premiums for such coverage to be paid by the City. The coverage provided pursuant to this section shall apply to the retiree and his/her spouse.

(f) Unit members hired on or after July 1, 2007 will not be eligible for either the regular Retirement Benefit Allowance (to age 65) or the Supplemental Allowance (after age 65) as set forth above in section 14.(a) through 14.4(e).

14.5 Alternative Retirement Medical Plans

The parties have negotiated that employees may choose to enroll in one or more additional health plans instead of the City Modified Plan (including but not limited to Kaiser Sr. Advantage).

This language sets forth the conditions in which current employees, when they retire from the City and otherwise qualify for a retiree medical benefit from the City as stated in Sections 14.2 and 14.4 of this MOU, may also choose to enroll in City sponsored alternative plans in the same manner as when they were employees, as well as retiree only medical plans. The following conditions shall apply:

(a) If an employee is in a City sponsored alternative plan at the time of retirement, the employee shall be allowed to continue in that Plan. Employees in the union sponsored plans authorized by the City at the time of retirement shall be allowed to continue in that Plan. (Operating Engineers units). Employees not in an alternative Plan at the time of retirement shall not be allowed to enroll in any alternative plan.
A retiree may only enroll in alternative plans other than the City Modified Plan when:

(a) The retiree selecting plans other than the City's Modified Plan must agree that the City’s financial contribution to a premium payment for any other Plan shall not exceed the current contribution amount the City would pay if the retiree is enrolled in the City Modified Plan, and

(b) The individual retirees will be required to sign a form that indicates their agreement with these conditions.

The City reserves the right to eliminate these additional plans and the choice of multiple plans is not a vested right. Like the City Modified Plan, the City reserves the right to make plan design changes as necessary in these Alternative Plans.

14.6 Medicare Supplemental Coverage Requirements only for Employees hired on or before June 30, 2011

The City reserves the right to terminate reimbursement payments for Part A Medicare coverage, in which event the retiree will receive the City's modified medical plan which includes medical design changes effective September 1, 2011 as the primary health coverage, with the premiums for such coverage to be paid by the City. The coverage provided pursuant to this section shall apply to the retiree and his/her spouse.

Under the federal Health Care Reform Plan, sponsors may modify the medical benefits provided to retirees only. The City will modify its retiree health care plan to reflect the following:

(a) Return Plan benefits for Acupuncture to 12 visits per year (instead of unlimited) and returns the payment percentage paid to 60% (instead of 80%);

(b) Step 2 - Director of Human Resources Review. Any employee or any official of the Association may notify the Director of Human Resources in writing that a grievance exists stating the particulars of the grievance and, if possible, the nature of the determination desired. The Director of Human Resources shall have fourteen (14) business days in which to investigate the issues, meet with the complainant and attempt to reach a satisfactory resolution of the problem. Failure to complete this step within sixty (60) business days shall result in the grievance automatically proceeding to step four (4) of the grievance procedure.

(d) **Step 4 - Adjustment Board.** If the parties are unable to reach a mutually satisfactory accord on any grievance which arises and is presented during the term of this Memorandum of Understanding, such grievance shall be submitted to an Adjustment Board comprised of three (3) Association representatives, no more than one (1) of whom shall be either an employee of the City or an elected or appointed official of the Association and three (3) representatives of the City, no more than one (1) of whom shall be either an employee of the City or a member of the staff of any organization employed to represent the City in the meeting and conferring process.

If the Director of Human Resources in pursuance of the procedures outlined
above, or the City Manager in pursuance of the provisions outlined above resolve
a grievance which involves suspension or discharge, they may agree to payment
for lost time or to reinstatement with or without payment for lost time, but in the
event the dispute is referred to arbitration and the arbitrator finds that the City
had cause to take the action complained of, the arbitrator may not substitute his
judgment for the judgment of management and if he finds that the City had such
right, he may not order reinstatement and may not assess any penalty upon the
City.

All complaints involving or concerning the payment of compensation shall be
initially filed in writing with the City Manager. Only complaints which allege the

Retiree Medical Benefit Allowance For Unit Members Employed Before July 1, 2007

A. Eligibility For Retiree Medical Benefit Allowance Until Age 65

Subject to the provisions of this Section, effective April 1, 1983, the City shall pay a premium for the purpose of providing hospital-medical and prescription benefits under the City’s insurance plans for each City employee employed before July 1, 2007, who has retired. Such coverage shall include one (1) eligible dependent and the following provisions shall apply:

1. Normal Service Retirement. Eligibility for the allowance provided by this Section is limited to employees employed before July 1, 2007, who have retired subsequent to October 1, 1980, and who have retired at age fifty (50) or later. Such allowance shall terminate at age sixty-five (65) or at the age when eligible for Medicare, whichever occurs later.

2. Disability Retirement. Eligibility for the allowance provided by this Section is limited to employees employed before July 1, 2007, who have retired subsequent to October 1, 1980, and such allowance shall be limited to a maximum of fifteen (15) years or the attainment of age sixty-five (65), whichever occurs first.

B. Supplemental Retiree Medical Benefit Allowance And Coordination With Medicare After Age 65

An employee retiring on or after August 1, 1998, and eligible for a retiree medical insurance allowance as provided in this section, shall continue to be eligible to participate in the City’s medical plan for retired employee and one (1) eligible dependent when both persons reach age sixty-five (65) or at the age when eligible for Medicare, whichever occurs later. The City’s retiree medical insurance plan shall be supplemental and secondary to Medicare medical coverage or any other medical benefit coverage available to the retired employee and eligible dependent.

Each retired employee and each spouse are required by the City to apply for Medicare Part A and Part B coverage and to accept Medicare coverage if eligible, upon reaching age sixty-five (65) or the age of eligibility for Medicare, whichever occurs later. Those retiring after July 1, 2006, who must pay a premium to Medicare in order to obtain Part A coverage, will be reimbursed by the City for their Medicare Part A
premium. The City’s medical coverage shall continue on a coordinated basis with the City as a secondary payer after Medicare pays as the primary provider.

There may be occasions when paying the premium cost for Medicare Part A may not be in the City’s best interest or the retiree may not be eligible. If such circumstances exist, the City’s supplemental medical plan would then be the primary coverage plan.

The City reserves the right to terminate reimbursement payments for Part A Medicare coverage, in which event the retiree will receive the City’s modified medical plan as the primary health coverage, with the premiums for such coverage to be paid by the City. The coverage provided pursuant to this section shall apply to the retiree and his/her spouse.

C. Major Medical Deductible

Effective July 1, 1994, the major medical deductible will be one hundred and fifty dollars ($150.00) per person per calendar year.

D. Amount Of Retiree Medical Benefit Allowance For Unit Members Employed Before July 1, 2007, And Who Retire Before July 1, 2012

The amount of the retiree medical insurance allowance for unit members employed before July 1, 2007, and who retire before July 1, 2012, shall consist of the full entitlement under the above Sections 14.2 (A) and (B).

E. Limit On City’s Retiree Medical Benefit Allowance For Unit Members Employed Before July 1, 2007, Who Retire After June 30, 2012, And Subsidy Of Premiums From Trust

1. Limit On City’s Allowance After June 30, 2012

Unit members employed before July 1, 2007, and who retire after June 30, 2012, will receive from the City a retiree medical insurance allowance limited to the cost of the medical insurance premium as of June 30, 2012.

Notwithstanding the expiration date of June 30, 2010 for this Agreement, the parties agree that the City’s contribution for healthcare premiums shall be capped effective July 1, 2012, and shall not increase. Any cost increase in healthcare premiums
AB 506 LABOR MEDIATION PROPOSAL

effective July 1, 2012, shall be the responsibility of the member
and/or retiree electing healthcare coverage through the City.

2. Premium Subsidy

However, those individuals employed before July 1, 2007, who
retire after June 30, 2012, will be eligible for retiree medical
insurance premium subsidies payable to the City’s health plan from
the Retiree Medical Trust Fund, as set forth below in subsection
14.4.

14.3 Alternative Retirement Medical Plans

The parties have negotiated that employees may choose to enroll in one or
more additional health plans instead of the City Modified Plan (including
but not limited to Kaiser Sr. Advantage).

This language sets forth the conditions in which current employees, when
they retire from the City and otherwise qualify for a retiree medical benefit
from the City as stated in Sections 14.2 and 14.4 of this MOU, may also
choose to enroll in City sponsored alternative plans in the same manner as
when they were employees, as well as retiree only medical plans. The
following conditions shall apply:

(a) If an employee is in a City sponsored alternative plan at the time of
retirement, the employee shall be allowed to continue in that Plan.
Employees in the union sponsored plans authorized by the City at
the time of retirement shall be allowed to continue in that Plan
(Operating Engineers units). Employees not in an alternative Plan at
the time of retirement shall not be allowed to enroll in any alternative
plan except that; any retiree may voluntarily enroll in a City
sponsored retiree only Plan.

A retiree may only enroll in alternative plans other than the City Modified Plan
when:

(a) The retiree selecting plans other than the City’s Modified Plan must
agree that the City’s financial contribution to a premium payment for
any other Plan shall not exceed the current contribution amount the
City would pay if the retiree is enrolled in the City Modified Plan, and;

(b) The individual retirees will be required to sign a form that indicates
their agreement with these conditions.
The City reserves the right to eliminate these additional plans and the choice of multiple plans is not a vested right. Like the City Modified Plan, the City reserves the right to make plan design changes as necessary in these Alternative Plans.

14.4 Medicare Supplemental Coverage Requirements only for Employees hired on or before June 30, 2011

The City reserves the right to terminate reimbursement payments for Part A Medicare coverage, in which event the retiree will receive the City’s modified medical plan which includes medical design changes effective September 1, 2011 as the primary health coverage, with the premiums for such coverage to be paid by the City. The coverage provided pursuant to this section shall apply to the retiree and his/her spouse.

Under the federal Health Care Reform Plan, sponsors may modify the medical benefits provided to retirees only. The City will modify its retiree health care plan to reflect the following:

(a) Return Plan benefits for Acupuncture to 12 visits per year (instead of unlimited) and returns the payment percentage paid to 60% (instead of 80%);
(b) Return Plan benefits for Alcohol and Drug Treatment admissions to 30 days and 3 lifetime admissions (instead of unlimited);
(c) Return Plan benefits for Outpatient Mental Health or Nervous Disorder services to 15 visit maximum (instead of unlimited);
(d) Change Plan benefits for Preventative care and wellness to 80% instead of current 100%;
(e) Return Plan benefits on the lifetime cap on plan benefits to $2.5 million (instead of unlimited);
(f) Return Plan benefits on the maximum age of dependent children to be enrolled in the Plan to age 19 unmarried, and not serving in the armed forces to 23 if attending school full time and qualifies as a dependent for federal income tax purposes (instead of age 26);
(g) Change Plan benefits for Emergency room benefits.

14.3 Defined Contribution For Retiree Medical For Unit Members Hired On Or After July 1, 2007

Note: Language from September 10, 2007 Side Letter noted in BOLD below.
AB 506 LABOR MEDIATION PROPOSAL

For unit members hired on or after July 1, 2007, the City will establish a defined contribution for retiree medical that operates through a Retiree Medical Trust ("Trust").

City monthly contribution of $108.63 for each unit member, and an employee contribution of $162.56, three (3.0%) percent of the base salary, and a City contribution of two (2.0%) percent of base salary. The contributions will be paid into the Retiree Medical Trust. Provisions for the distributions of premium subsidies from the Trust are contained in Section 14.4.

These unit members will not be eligible for either the regular Retiree Medical Allowance (to age 65) or the Supplemental Allowance (after age 65) as set forth in Section 14.2 of this Agreement.

14.45 No Retirement Medical Allowance Requirements

14.4 Retiree Medical Trust

A. Establishment Of Retiree Medical Trust

As soon as practicable, the City will establish a Retiree Medical Trust ("Trust") that will be governed by Trustees selected by the unit members and the City for purposes of receiving employee and City contributions, and for paying a monthly distribution to the City’s health plan to subsidize premiums on behalf of eligible retirees retiring after June 30, 2012.

B. Tax Issues

The City will seek an IRS ruling so that employee and City contributions will be pre-tax, including the contribution of employee accrued sick leave pay-off. The City will also seek tax-exempt status for the Trust’s earnings and the benefits paid from the Trust.

C. Required Contributions To The Retiree Medical Trust

Note: Language from September 10, 2007 Side Letter noted in BOLD below.

1. Contributions To The Trust For Unit Members Hired Before July 1, 2007, Regardless Of Retirement Date

For purpose of this section, “base salary” as defined in this paragraph shall refer to the top salary step for a Police Officer.
Effective with the first pay period for July 2007, or as soon thereafter upon establishment of the Trust, the City will contribute two percent (2.0%) of the June 30, 2007 base salary, or $108.376 per month, into the Trust for each unit member hired prior to July 1, 2007, and the employee will shall contribute an additional one percent (1.0%) of the June 30, 2007 base salary, or $54.198 per month, for a total City and employee monthly contribution of $162.54 three percent (3.0%) into the Trust, with an increase each fiscal year based on the May Consumer Price Index (“CPI”) for Urban Wage Earners’ and Clerical Workers’ U.S. City Average. The CPI shall be a minimum of two and one-half percent (2.5%); and a maximum of six percent (6.0%).

(Refer to changes made in Section 13.13(f) “Deferred Compensation” of this Agreement regarding City paid contribution to the Deferred Compensation Plan of four percent (4%) of the employee’s current base salary shall be reduced by $108.36 per month per unit member.)

2. Contributions To The Trust For Unit Members Hired On Or After July 1, 2007

Note: Language from September 10, 2007 Side Letter noted in BOLD below.

For purpose of this section, “base salary” as defined in this paragraph shall refer to the top salary step for a Police Officer.

As required by Section 14.3 and effective with the first pay period for July 2007, or as soon thereafter upon establishment of the Trust, the City will contribute $108.36 per month two percent (2.0%) of the June 30, 2007 base salary, or $108.37, into the Trust for each unit member hired on or after July 1, 2007, and the employee shall contribute an additional three percent (3.0%) of the June 30, 2007 base salary, or $162.56 per month, for a total City and employee contribution of $270.92 five percent (5.0%) into the Trust, with an increase each fiscal year based on the May Consumer Price Index (“CPI”) for Urban Wage Earners’ and Clerical Workers’ U.S. City Average. The CPI shall be a minimum of two and one-half percent (2.5%); and a maximum of six percent (6.0%).
D. Distributions From The Trust To Subsidize Retiree Medical Benefit Premiums

Beginning July 1, 2012, the Trust will make monthly distributions payable to the City’s health plan on behalf of eligible retirees to subsidize the retiree premiums for City medical insurance.

For unit members hired before July 1, 2007, who retire after June 30, 2012, the amount of any distribution will be determined solely by the amount of the funds available to actuarially support the distribution, and maintain an actuarially sound fund balance. This distribution will vary to some extent with each retiree depending on:

- the time of retirement;
- the amount of the individual’s contributions to the Trust; and
- the funds’ actuarial status.

The Board of Trustees will establish the amount of the monthly distribution that will be expressed as a percentage of the individual retiree’s premium cost above the City’s base payment. The Board’s goal will be to keep those percentages within a ten percent (10%) range of each other.

For example, suppose in 2015 that the total premium cost is $1,500 per month and the City’s base payment is $1,000 of that total, and the monthly distribution to individual retiree A is $250; then the Trust’s distribution percentage is 50% of A’s premium cost above the City’s base. ($250 is 50% of the difference between the $1500 and the $1,000.) Suppose also that retiree B’s monthly distribution from the Trust is $225, or 45% of B’s premium cost above the City’s base. ($225 is 45% of the difference between $1,500 and $1,000.) The Trust’s distributions to A and B are within the 10% band of each other when reduced to percentages (B’s 45% is within a 10% range of A’s 50%).

2. Distribution For Unit Members Hired After July 1, 2007

For unit members hired after July 1, 2007, the amount of any distribution will depend entirely on the amount of the employee and City contributions.
E. **Non-Vesting**

The amount of the distribution is not a vested right under any circumstances. A distribution level may be reduced, discontinued, or interrupted by the Board of Trustees upon determination of insufficient funds to support the current level of distributions. Under no circumstances may the Trust reduce the distribution below a monthly amount that can be supported actuarially by the employee’s mandatory contributions.

F. **Eligibility For Trust Distributions**

Unit members hired before July 1, 2007, who retire before July 1, 2012, are not eligible for distributions from the Retiree Medical Trust.

To be eligible for any monthly distribution from the employer’s contribution to the Trust, a unit member must have retired after June 30, 2012, must have made contributions to the Trust while employed. In addition, for those employed after July 1, 2007, eligibility shall include at least fifteen (15) consecutive years of City service, which includes time credited under City reemployment rights.

Upon leaving the service of the City without satisfying these criteria, the unit member will be eligible to receive in benefit only the amount of his or her employee contributions to the Trust plus interest, as reasonably calculated by the Trustees, toward reimbursement of premiums.

G. **Trust Structure And Governance**

There shall be eight (8) voting Trustees, four (4) elected by participating labor organizations and four (4) selected by participating employers, as follows:

1. The labor Trustees shall include three (3) elected by participating employees and one (1) designated by the Stockton Police Officers’ Association.

2. The employer Trustees shall include the Director of Human Resources and the Chief Financial Officer of the City of Stockton, and two appointed by the City Manager of the City of Stockton, at least one (1) of whom shall be an employee of the City of Stockton. The City Manager shall have the power to relinquish two (2) Trustee positions to other participating employers, by giving notice in writing to the Trustees.

The Board of Trustees will be responsible for all issues of governance
including plan design within parameters established by this MOU, the selection of the professional investment manager and other professional services, and the selection of investment vehicles. The Trustees shall manage the Trust for the exclusive benefit of the participating employees and retirees.

14.56. Life Insurance

Effective January 1, 2000, the City shall provide each employee group term life insurance coverage equal with a face value of fifty thousand dollars ($50,000.00) their annual salary rounded to the nearest one thousand dollars ($1,000.00).

14.67. Long Term Disability Insurance

Effective January 1, 1999, the City shall contribute to the Association the amount of twenty dollars ($20.00) per month per employee for the purpose of purchasing a Preferred Long Term Disability Program selected by the Association in lieu of providing long term disability coverage through the City’s Long Term Disability Program.

Effective July 1, 2012, the City shall reduce the base pay of employees in this unit by twenty dollars ($20.00) per month, and instead shall provide to each bargaining unit member twenty dollars ($20.00) per month for the purpose of purchasing Long Term Disability Insurance. The Association recognizes and agrees that it is their responsibility for purchasing a Preferred Long Term Disability Program for its represented employees or otherwise investing such payments pursuant to this section as it deems appropriate.

Effective January 1, 1999, the amount of twenty dollars ($20.00) shall be converted to base pay for all represented employees as best fitted to the City’s Salary Schedule Matrix.

The parties’ agreement is set forth in full in Appendix C, attached.

15.2 Salary Ranges

The salary ranges for all classifications in the aforementioned representation unit will be as set forth in Appendix A, which are attached hereto and made a part hereof. The rates of pay set forth in the Appendix A, represent for each classification the standard rate of pay for full-time employment, effective on the dates noted in the Appendices, unless the schedule specifically indicates otherwise.

15.3 Salary Upon Appointment

Except as herein otherwise provided, the entrance salary step for a new employee entering the classified service shall be the minimum salary step for the class to which appointed. When circumstances warrant, the City Manager may approve an entrance salary, which is more than the minimum salary step for the class to which that employee is appointed. Such a salary may not be more than the maximum salary for the class to which that employee is appointed.

15.4 Salary Equivalents

Any monthly, daily or hourly rate of pay may be converted into any equivalent rate of pay or to any other time bases when in the judgment of the City Manager, such a conversion is advisable. In determining equivalent amounts on different time bases, the City shall provide tables or regulations for the calculation of payment for service of less than full-time, and for use in converting monthly salaries to hourly rates, as well as for calculating hourly rates.
There shall be nine (9) salary steps for the classification of Police Officer. There shall be six (6) salary steps for the classification of Police Sergeant.

In a case where a person possesses unusual qualifications, the City Manager may authorize appointment above the first salary step after receiving the recommendation of the department head. The same provisions shall apply to hourly-paid and part-time persons.

The first salary step shall be the minimum salary rate and shall be the normal hiring rate for the classification of Non-Sworn Police Officer Trainee.

The second salary step shall be paid upon the Trainee's passing all the requirement of the Basic Officer Academy and the transfer to Sworn Officer status.

The third salary step shall be paid upon the employee’s satisfactory completion of six (6) months service at the second salary step and upon the written recommendation of the department head.

The fourth salary step shall be paid upon the employee’s satisfactory completion of six (6) months service at the third salary step and upon the written recommendation of the department head.

The fifth salary step shall be paid upon the employee’s satisfactory completion of six (6) months service at the fourth salary step and upon the recommendation of the department head.

The sixth salary step shall be paid upon the employee’s satisfactory completion of one (1) year of service at the fifth salary step and upon the recommendation of the department head.

The seventh salary step shall be paid upon the employee’s satisfactory completion of one (1) year of service at the sixth salary step and upon the recommendation of the department head.

The eighth salary step shall be paid upon the employee’s satisfactory completion of one (1) year of service at the seventh salary step and upon the recommendation of the department head.

The ninth salary step shall be paid upon the employee’s satisfactory completion of six (6) months of service at the eighth salary step and upon the recommendation of the department head.
AB 506 LABOR MEDIATION PROPOSAL

Regardless of an employee’s length of service, salary step advancements in any given class may be made upon recommendation of the department head with the approval of the City Manager, but not above Step 3 for a given range.

Salary step increases shall be effective the first day of the pay period following appointment or revision. If the date of appointment or revision is the first day of a pay period, salary step increases shall be as of that date.

If a department head recommends to withhold salary increases from salary steps two (2) through nine (9) because an employee has not achieved the level of performance required to the position, the recommendation of notice must be received by the City Manager at least four (4) weeks in advance of the employee’s eligibility date. The affected employee shall be furnished a copy of the department head’s recommendation.

Changes in an employee’s salary because of promotion, demotion, postponement of salary step increase or special merit increase will set a new salary anniversary date for that employee, which date shall be as stated in the preceding paragraph.

Salary range adjustments for the classification will not set a new salary anniversary date for employees serving in that classification.

15.56 Salary Step Plan – Non-Sworn Police Officer Trainee Status

An employee with only the status of Non-Sworn Police Officer Trainee shall be paid at Step 1 of the salary range. Upon passing all the requirements of the Basic Peace Officer Academy and transfer to the sworn position of Police Officer, the employee shall be paid at Step 2 of the salary range of Police Officer. The Trainee shall not qualify for Safety status while in the Academy.

15.67 Salary Step After Military Leave

All employees who have been granted a military leave shall, upon their return to the City service, are entitled to the automatic salary advancements within the range scale of the established wage schedule of their classifications for the period they were in the military service.

15.78 Salary Step When Salary Range Is Increased

Whenever the monthly schedule of compensation for a class is revised, each incumbent in a position to which the revised schedule applies shall be entitled to the step in the revised range which corresponds to the employee’s step held in the previous range, unless otherwise specifically provided by the City Manager.
15.89 Salary Step After Promotion or Demotion

When an employee is promoted from a position in one class to a position in a higher class, and at the time of promotion is receiving a salary equal to, or greater than, the minimum rate for the higher class, that employee shall be entitled to the next step in the salary scale of the higher class which is approximately five percent (5%) but in no case less than four percent (4%) above the rate he has been receiving, except that the next step shall not exceed the maximum salary of the higher class. When an employee is demoted, whether such demotion is voluntary or otherwise, that employee’s compensation shall be adjusted to the salary prescribed for the class to which he is demoted, and the specific rate of pay within the range shall be final.

15.910 Salary On Reinstatement

If a former employee is reinstated in the same position previously held or to one carrying a similar salary range, his salary shall not be higher than his salary at the time of his separation unless there has been an increase within the salary range.

15.10 Market Salary Survey

The City and the Association agree to conduct a joint “total compensation” survey of six (6) agencies above and six (6) agencies below the population of the City of Stockton, as determined by the most updated publication of the U.S. Bureau of the Census or a State of California Department of Finance publication, whichever is most current. The purpose of the survey shall be to determine the City’s position among the agencies surveyed and enable the City to make such adjustments as may be necessary to bring the City to a position at the bottom of the top one-third (1/3) of agencies surveyed.

The first survey shall be applied January 1, 2006, as set forth in Appendix A. The second survey will be applied in conjunction with the July 1, 2008, salary adjustment listed in Appendix A.

The City and the Association agree to begin the joint total compensation survey on October 1, 2005, for the adjustment to be made effective January 1, 2006, and May 1, 2008, for the adjustment to be made effective July 1, 2008.

For purposes of the survey, “total compensation” shall consist of the top step of base salary for the position of Police Officer, plus the dollar equivalent value of the following benefits: City-paid employer and employee P.E.R.S. contributions; City-paid deferred compensation contributions; City-paid contributions to retiree medical for other than the ‘pay-as-you-go’ amount for current retiree (beginning with 2008 study); the City cost to provide the City health (employee + family

coverage), dental, vision, life insurance, long-term disability; City-paid uniform allowance, P.O.S.T. intermediate certificates, holidays, vacation, sick leave, educational incentive-pay, longevity pay at sixth year of service, and any other specialty pay affecting 50% of the unit members. To the extent possible, comparisons with the surveyed agencies shall be made between like positions and benefits.

Application Method For Market Salary Survey July 1, 2008

Examples of how this provision shall be applied on July 1, 2008, is as follows: If the total compensation survey conducted in 2008 indicates that as of July 1, 2008, it would take an increase of five percent (5.0%) to bring total compensation (as defined in this section) to a position at the bottom of the top one-third (1/3) of the surveyed agencies, the Association’s members would receive on July 1, 2008, a two and one-half percent (2.5%) increase as set forth in Appendix A based on the CPI percentage, plus an additional two and one-half percent (2.5%) increase as a result of this section. If, on the other hand, the total compensation survey conducted in 2008 indicates that as of July 1, 2008, it would take an increase of two percent (2.0%) to bring the total compensation figure to a position at the bottom of the top one-third (1/3) of the surveyed agencies, the Association’s members would receive on July 1, 2008, a two and one-half percent (2.5%) increase as set forth in Appendix A based on the CPI percentage, but no additional increase as a result of this section.

All Market Salary Survey adjustments shall be calculated to the nearest one-tenth of one percent, and shall be made at the first step of the salary range for each classification covered by this Memorandum of Understanding.

CITY OF STOCKTON

MID-MANAGEMENT/SUPERVISORY LEVEL
MEMORANDUM OF UNDERSTANDING

The Stockton Mid-Management/Supervisory Level bargaining unit and representatives of the City of Stockton have met and conferred in good faith regarding wages, hours and other terms and conditions of employment of employees employed in the representation unit identified in Section 1, have exchanged freely information, opinions, and proposals and have endeavored to reach agreement on all matters relating to the employment conditions and employer-employee relations of such employees.

This Memorandum of Understanding is entered into pursuant to the Meyers-Milias-Brown Act (Government Code Sections 3500-3511) and has been jointly prepared by the parties.

This Memorandum of Understanding shall be presented to the Stockton City Council as the joint recommendations of the undersigned for salary and employee benefit adjustments for the period commencing January 1, 2009, and ending June 30, 2013.
SECTION 1. RECOGNITION

1.1 City Recognition

The City Manager, or any person or organization duly authorized by the City Manager, is the representative of the City of Stockton, hereinafter referred to as the "City" in employer-employee relations as provided in Resolution No. 32,538, adopted by the City Council on August 4, 1975.

1.2 Association Recognition

The City of Stockton Management B & C Employees Group, hereinafter referred to as "Association", is the recognized employee organization for the Mid-Management/Supervisory Level Bargaining Unit certified pursuant to Resolution No. 91-0014, adopted by the City Council on January 2, 1991.
SECTION 2. ASSOCIATION SECURITY

2.1 Dues Deduction

(a) General. The Association may have the regular dues of its members within the representation unit deducted from employees' paychecks under the procedures prescribed by the City for such deductions. The Association has exclusive privilege of dues deduction for its members.

Payroll deduction shall be for a specified amount and consistent for all employee members of the Association and shall not include fines, fees, and/or assessments.

(b) Authorization Required. Authorization, cancellation or modification of the payroll deduction shall be made upon forms provided or approved by the City. The payroll deduction authorized shall remain in effect until cancelled or modified by the employee by written notice to the City or until the first day of the calendar month following the transfer of the employee to a unit represented by another employee organization as the representative of the unit to which the employee is assigned, or until employment with the City is terminated.

(c) Authorization Not Required to Dues Increases. Additional authorization shall not be required for deduction of increased membership dues when such increase has been duly approved by the membership of the Association. Notification of such approval shall be forwarded to the City in the form of written notice of official Association letterhead and signed by the Association President or other duly authorized Association official. Upon receipt of notification, the City shall authorize the payroll deduction of the increased amount.

(d) Transmittal of Association Dues. Amounts deducted and withheld by the City shall be transmitted to the officer designated in writing by the Association as the person authorized to receive such funds, at the address specified.

(e) Other Deductions. In addition to the deduction of dues, the City will deduct from the paychecks of Association members who request it, premiums for group insurance and investment plans sponsored by the Association. Such deduction shall occur only upon signed authorization from the employee upon a form satisfactory to the City. Such authorization may be made or changed no more frequently than yearly.
MEMORANDUM OF UNDERSTANDING (MID-MANAGEMENT/SUPERVISORY LEVEL)

(f) **Effect of Non-Pay Status on Dues Check-Off.** The employee’s earnings must be sufficient, after all other required deductions are made, to cover the amount of the deductions herein authorized. When an employee is in a non-pay status for an entire pay period, no withholding will be made to cover that pay period from future earnings nor will the employee deposit the amount with the City which would have been withheld if the employee had been in a pay status during the period. In the case of an employee who is in a non-pay status during a part of the pay period, and the salary is not sufficient to cover the full withholding, no deduction shall be made. In this connection, all other required deductions have priority over the employee organization deduction.

(b)(g) **Indemnity and Refund.** The Association shall indemnify, defend and hold the City harmless against any claim made and against any suit initiated against the City on the account of check-off of Association dues or premiums for benefits. In addition, the Association shall refund to the City any amounts paid to it in error upon presentation of a written document demonstrating the error.

[ALL ADDITIONS ADDED BY 2009 SIDELETTER]

2.2 **Use of City Facilities**

The Association shall be allowed by the City department in which it represents employees’ use of space on available bulletin boards for communications having to do with official Association business, such as times and places of meetings, provided such use does not interfere with the needs of the department.

Any representative of the Association shall give notice to the department head or his designated representative when contacting department employees on City facilities during the duty period of the employees, provided that solicitation for membership or other internal Association business shall be conducted during the non-duty hours of all employees concerned. Prearrangement for routine contact may be made with the individual department heads and when made shall continue until revoked by the department heads.

City buildings and other facilities may be made available for use by City employees or the Association or their representative in accordance with such administrative procedures as may be established by the City Manager or department heads concerned.

Members of the Association are prohibited from using City equipment and/or time for their own personal use.
2.3 **Advanced Notification**

Except in cases of emergency, reasonable advance written notice shall be given to the Association if related to matters within the scope of representation proposed to be adopted by the City and shall be given the opportunity to negotiate, if requested, with the designated management representatives prior to adoption.

In cases of emergency when the foregoing procedure is not practical or in the best public interest, the City may adopt or put into practice immediately such measures as are required. At the earliest practical date thereafter, the Association shall be provided with the notice described above and be given an opportunity, if requested, to negotiate changes to the content of said notice with the management representatives designated by the City Manager.

2.4 **Attendance at Meetings by Employees**

City employees who are official representatives or unit representatives of the Association shall be given reasonable time off with pay to attend meetings with City Management representatives, or be present at City hearings where matters within the scope of representation or grievances are being considered.

The use of official time for this purpose shall be reasonable and shall not interfere with the performance of City services as determined by the City. **Time spent for these purposes while a representative is not scheduled to work shall not be compensated by the City and shall not be considered as hours worked.** Such employee representatives shall request an excused absence, prior to the scheduled meeting whenever possible. Except by mutual agreement the number of employees excused for such purposes shall not exceed three (3) employees.

2.5 **Maintenance of Membership**

(a) Association membership is not a mandatory condition of employment for any employee covered by this Agreement. However, any employee covered by this Agreement, who is an Association member on or after the date of this Agreement is ratified by the Association membership, shall continue to pay to the Association those dues or fees regularly charged members of the Association in good standing for the life of this Agreement.

(b) Every employee who is a member of the Association shall have the right to withdraw from membership no sooner than 120 days or no later than 60
days of the expiration date of this Agreement, as contained in Section 19 Duration of Agreement. An employee who has properly withdrawn membership as provided herein shall not be subject to the provisions of this Section.

(c) Upon return from leaves of absence, the City shall reinstate the payroll deduction of Association dues for those employees who are on dues check-off immediately prior to taking leave, provided that the employee has not authorized cancellation of dues check-off in accordance with the prescribed provision or the Agreement under which they were a member has not expired.

(d) Enforcement of this Section shall be the responsibility of the Association, utilizing appropriate civil procedures.

A grievance is any dispute which involves the interpretation or application of the Memorandum of Understanding or appropriate disciplinary action (Supervisory Level employees only) in lieu of a Civil Service Commission appeal.

8.2 Filing Deadline

All other grievances must be filed within thirty (30) calendar days from the time the employee knew or had reason to know of the facts giving rise to the grievance.

8.3 Grievance Processing

(a) Step 1 - Departmental Review. Any employee claiming to have a grievance may discuss the complaint with such management official in the department where employed as the department head may designate. No grievance may be processed under the following two (2) paragraphs, which has not first been filed and reviewed in accordance with this paragraph unless the Director of Human Resources fails to respond within the time limit.

(c) Step 3 - The parties may mutually agree to the use of this Step prior to proceeding to Step 4, Arbitration. Either party may with written notice
AB 506 Labor Mediation Proposal

Upon mutual agreement of Step 3, the City will request a representative from the State of California Mediation/Conciliation Service to review the grievance and make non-binding recommendations to assist the parties in resolving the grievance. The State Mediator will not provide any written documents and is limited to the restriction in Labor Code Section 65 and Attorney General opinions 51/183 and 68/77.

(d) Step 4 - Arbitration. If the grievant or the Association is dissatisfied with the response at Step 2 or Step 3, if used, or if the Director of Human Resources fails to respond within the time limit in Step 2, the grievance may be moved to Step 4 within twenty (20) business days. (d) Plan Rules. Employees may insure themselves and their eligible dependents under the medical, vision and dental plans provided by the City, in accordance with the rules and regulations applicable to the selected Plan. Benefits in the Plan shall be in accordance with the Plan document.

(e) Provisional and temporary employees are not eligible for any of the above benefits.
(f) Employees agree to the implementation of the modifications to the City’s Modified Plan, which is referred to in this MOU as “Modified Employee Medical Plan.” Modifications to the City’s Modified Plan shall be effective September 1, 2011.

14.4 **Retirement Medical Allowance for Employees Hired Prior to January 1, 2009**

AB 506 Labor Mediation Proposal

(c) Employees hired on or after January 1, 2009, the amount of any distribution will depend entirely on the amount of the employee and City contributions and the terms of the Trust.

(d) Employees hired on or after January 1, 2009, shall not be eligible for either the regular Retiree Medical Allowance (to age 65) or the Supplemental Allowance (after age 65) as set forth in section 14.4 (a), (b), (c) and section 14.5 of this Memorandum of Understanding.

a. If an employee/retiree is also eligible to cover their dependent child, the child will be allowed to enroll as a dependent on only one employee or retiree’s plan (i.e., a retiree and his or her dependent cannot be covered by more than one City-offered health plan).

b. City Contribution for the period of July 1, 2012 through June 30, 2013. For employees hired on or before June 30, 2011, the City shall provide to employees retiring from the City the following contribution towards the costs of retiree medical insurance from July 1, 2012 through June 30, 2013.

The City’s obligation for retiree medical benefits is to the retiree and shall end upon the death of the retiree. Surviving spouses shall not be eligible for any city paid benefit after the death of the city retiree. Any benefits previously paid to surviving spouses has been paid in error and without the approval of the City Council.

Effective June 30, 2013, the City shall no longer provide a contribution towards the cost of retiree medical insurance for current employees (future retirees) and current retirees. Retirees shall not be eligible to participate in the City’s Medical Plans.

14.2 Alternative Retirement Medical Plans

The parties have negotiated that employees may choose to enroll in one or more additional health plans instead of the City Modified Plan (including but not limited to Kaiser Senior Advantage).

This language sets forth the conditions in which current employees, when they retire from the City and otherwise qualify for a retiree medical benefit from the City as stated in Sections 14.1 of this MOU, may also choose to enroll in City sponsored alternative plans in the same manner as when they were employees, as well as retiree only medical plans. The following conditions shall apply:

(a) If an employee is in a City sponsored alternative plan at the time of retirement, the employee shall be allowed to continue in that Plan. Employees in the union sponsored plans authorized by the City at
the time of retirement shall be allowed to continue in that Plan. (Operating Engineers units).

(b) Employees not in an alternative Plan at the time of retirement shall not be allowed to enroll in any alternative plan except that; any retiree may voluntarily enroll in a City sponsored retiree only Plan. A retiree may only enroll in alternative plans other than the City Modified Plan when:

(a) The retiree selecting plans other than the City’s Modified Plan must agree that the City’s financial contribution to a premium payment for any other Plan shall not exceed the current contribution amount the City would pay if the retiree is enrolled in the City Modified Plan, and

(b) The individual retirees will be required to sign a form that indicates their agreement with these conditions.

The City reserves the right to eliminate these additional plans and the choice of multiple plans is not a vested right. Like the City Modified Plan, the City reserves the right to make plan design changes as necessary in these Alternative Plans.

14.3 Medicare Supplemental Coverage Requirements only for Employees Hired on or Before June 31, 2011.

The City reserves the right to terminate reimbursement payments for Part A Medicare coverage, in which event the retiree will receive the City’s modified medical plan which includes medical design changes effective September 1, 2011 as the primary health coverage, with the premiums for such coverage to be paid by the City. The coverage provided pursuant to this section shall apply to the retiree and his/her spouse. Under the federal Health Care Reform Plan, sponsors may modify the medical benefits provided to retirees only. The City will modify its retiree health care plan to reflect the following:

(a) Return Plan benefits for Acupuncture to 12 visits per year (instead of unlimited) and returns the payment percentage paid to 60% (instead of 80%);

(b) Return Plan benefits for Alcohol and Drug Treatment admissions to 30 days and 3 lifetime admissions (instead of unlimited);
AB 506 Labor Mediation Proposal

(c) Return Plan benefits for Outpatient Mental Health or Nervous Disorder services to 15 visit maximum (instead of unlimited);

(d) Change Plan benefits for Preventative care and wellness to 80% instead of current 100%;

(f) Return Plan benefits on the maximum age of dependent children to be enrolled in the Plan to age 19 unmarried, and not serving in the armed forces to 23 if attending school full time and qualifies as a dependent for federal income tax purposes, (instead of age 26); and

(g) Change Plan benefits for Emergency room benefits.

14.9 Elimination of Retiree Medical Benefits for Unit Members Hired on or after July 1, 2011

The City will not provide a retiree medical allowance, retiree medical supplement, a defined contribution, a retiree medical trust or any other retiree medical benefit for employees in this unit hired on or after July 1, 2011.

(c) In the event the City hereafter agrees to a higher percentage than ninety percent (90%) of any index for any other employee organization or group
for determination of salary adjustments, the City shall notify the Association and the higher percentage shall also apply to the Association when determining salary adjustments (i.e., percentage increase shall match other labor groups).

(d) Reopener. The City and the Association agree to reopen in year 2011 this section 15.1 (a) to discuss the revenue growth formula used to determine across-the-board salary increases. If the parties fail to reach an agreement on any changes that may be proposed by either party, the existing provisions of section 15.1 (a) shall remain unchanged.

(e)(b) Effective July 1, 2009, salary adjustments shall no longer be fitted to the City of Stockton Salary Schedule Matrix, as set forth in the City of Stockton’s Salary Schedule.

In determining equivalent amounts on different time basis, the City shall provide tables or the regulations for the calculation of payment for service of less than full-time, and for use in converting monthly salaries to hourly rates, as well as for calculating hourly rates.

15.3 Salary Step after Military Leave

All employees who have been granted military leave shall, upon their return to the City service, be entitled to the automatic salary advancements within the range scale of the established wage schedule of their classifications for the period they were in the military service.

15.4 Salary Step when Salary Range is Increased

Whenever the monthly schedule of compensation for a class is revised, each incumbent in a position to which the revised schedule applies shall be entitled to the step in the revised range which corresponds to the employee’s step held in the previous range, unless otherwise specifically provided by the Director of Human Resources.

15.5 Salary Step after Promotion or Demotion

When an employee is promoted from a position in one rank to a position in a higher rank and at the time of promotion is receiving a salary equal to, or greater than, the minimum rate for the higher rank, that employee shall be entitled to a step in the range of the higher rank which is at least five percent (5%) above the
rate the employee has been receiving, except that the next step shall not exceed the maximum salary of the higher rank. When an employee is demoted, whether such demotion is voluntary or otherwise, that employee’s compensation shall be adjusted to the salary prescribed for the class to which demoted.
15.6 **Salary On Reinstatement**

15.7 **Acting Pay**

An employee who is assigned in writing to work in a higher paid classification and who performs a majority of the duties of that higher position after five (5) days, shall receive the rate of pay in a step of the higher classification which would have been received if the employee had been promoted into that classification.

The increased rate of pay will commence with the first day of the assignment; however, to qualify the employee must meet the above conditions before being eligible for Acting Pay.

15.8 **Pay Equity Adjustments**

The City recognizes that there may be a need for special salary adjustments for selected classifications as a result of recruitment problems, reclassifications, and/or organizational changes. The City, in its sole discretion, may make such adjustments, but agrees to discuss with the Association.

15.9 **Special Assignment Pay**

The department head and with the concurrence of the Director of Human Resources may approve additional compensation in an amount not to exceed one additional salary step when an employee is assigned to perform additional duties and responsibilities for the duration of the special assignment.

1.1. City Recognition

The City Manager, or any person or organization duly authorized by the City Manager, is the representative of the City of Stockton, hereafter referred to as the "City," in employer-employee relations as provided in Resolution No. 32,538, adopted by the City Council on August 4, 1975.

1.2. Union Recognition

The Stockton Firefighters' Local 456 (formerly Local 1229), International Association of Firefighters, hereafter referred to as the "Union," is the recognized employee organization for the Firefighters' Unit, certified pursuant to Resolution No. 32,548, adopted by the City Council on August 11, 1975.
SECTION 2. UNION SECURITY

2.1. Dues Deduction

a. General. The Union may have the regular dues of its members within the representation unit deducted from employees’ paychecks under procedures prescribed by the City for such deductions. The Union has the exclusive privilege of dues deduction for its members.

Payroll deductions shall be for a specified amount, consistent for all employee-members of the Union, and shall not include fines and fees.

Authorization, cancellation, or modification of payroll deductions shall be made upon forms provided or approved by the City. The payroll deduction authorized shall remain in effect until:

(1) Canceled or modified by the employee through written notice to the City; or

(2) The first day of the calendar month following the employee’s transfer to a position represented by another employee organization; or

(3) The employee terminates his or her employment with the City.

Additional authorization shall not be required for deduction of increased membership dues when such increase has been duly approved by the membership of the Union. Upon receipt of notification, the City shall authorize the payroll deduction of the increased amount.

[MODIFICATIONS IN THIS SECTION DUE TO INCORPORATION OF 2010 SIDE LETTER RE: UNION SECURITY.]

Amounts deducted and withheld by the City shall be transmitted to the officer designated in writing by the Union as the person authorized to receive such funds, at the address specified.

In addition to the deduction of dues, the City will deduct from the paychecks of Union members who request it, premiums for group insurance and investment plans sponsored by the Union. Such deductions shall be made in one lump sum and only upon receipt of a signed authorization from the employee on a form that is satisfactory to the City. Such authorizations may
be made or changed no more frequently than twice yearly. Such deductions shall be payable to the Union who is responsible for distribution to sponsored programs.

[MODIFICATIONS IN THIS SECTION DUE TO INCORPORATION OF 2010 SIDE LETTER RE: UNION SECURITY.]

The employee’s earnings must be sufficient after all other required deductions are made, to cover the amount of the deductions herein authorized. When an employee is in a non pay status for an entire pay period, no withholdings will be made from future earnings to cover that pay period nor will the employee deposit the amount with the City which would have been withheld if the employee had been in a pay status during that period. In the case of an employee who is in a non pay status during part of the pay period and the salary is not sufficient to cover the full withholding, no deduction shall be made. All other required deductions shall have priority over the employee organization deduction.

b. **Indemnity and Refund.** The Union shall indemnify, defend, and hold the City harmless against any claim made or any suit initiated against the City in connection with or as a result of any employee-authorized deduction and/or payment of Union dues or premiums for benefits. 2.3. **Advance Notice**

Except in cases of emergency, the Union shall be given reasonable advance written notice of the proposed change to any ordinance, resolution, rule, or regulation to be adopted by the City that relates to matters within the scope of representation and shall be given the opportunity to negotiate, if requested, with the management representatives designated by the City Manager.

In cases of emergency which constitute an imminent threat to the City’s financial and/or other resources, the City may immediately implement any emergency measures the City deems necessary to prevent the public business and/or the City’s operations from being financially or otherwise impaired and deal with the emergency at hand. At the earliest practicable date thereafter, the Union shall be provided with the notice described above and be given an opportunity, if requested, to negotiate changes to the content of said notice with the management representatives designated by the City Manager.

The Civil Service Commission shall determine this order by impartial investigation based upon consideration of work requirements, the efficiency and conduct of the individual employees, their length of service, and recommendation by the appointing authority and the Fire Chief.

In filling vacancies, eligibles on reemployment lists take precedence over eligibles on any other lists for the same rank in the department for which the lists apply.
[MODIFICATIONS IN THIS SECTION (Other than the sentence above in bold are) DUE TO INCORPORATION OF 2010 LETTER OF AGREEMENT RE: TIE BREAK AND REEMPLOYMENT LIST.]
SECTION 7. DISCIPLINE

Disciplinary action, including discharge, suspension, reduction in pay, demotion, or other employment penalty may be taken against any employee for cause.

The appointing authority may discharge, suspend, or demote any employee in the classified service provided the City Charter provisions, the Rules and Regulations of the Civil Service Commission, and any applicable provisions of law are followed. Such provisions allow the employee suspended, demoted, or discharged to file an appeal to the Civil Service Commission. The employee may take any one (1) of the following actions:

a. File no appeal.

b. File an appeal with the Civil Service Commission within ten (10) business days of receipt of written notification of the action. Such filing will foreclose the use of the grievance procedure.

c. File a grievance as provided for in Section 8.2, below, within ten (10) business days of receipt of written notification of the action.

If the employee fails to do “b” or “c,” above, within the prescribed time frames, those rights will have been waived.
SECTION 8. GRIEVANCE PROCEDURES

8.1. Definition

A grievance is any dispute which involves the interpretation or application of those rules, regulations, and resolutions which have been, or may hereafter be, adopted by the City Council to govern personnel practices and working conditions, including such rules, regulations, and resolutions as may be adopted by either the City Council or the Civil Service Commission to affect Memoranda of Understanding which result from the meeting and conferring process.

8.2. Filing Deadline

No grievance involving demotion, suspension, discharge, or other employment penalty will be entertained unless it is filed in writing with the Director of Human Resources within ten (10) business days of the time the affected employee received written notification of such action.

For purposes of filing appeals and grievances, the City of Stockton’s business hours are Monday through Friday, 8:00 a.m. to 5:00 p.m., excluding City-recognized holidays.

8.3. Grievance Processing

a. Step 1 - Departmental Review. Any employee who believes that he/she has a grievance may discuss the matter with such management official as the Fire Chief may designate. If the issue is not resolved by the Department within seven (7) working days from the day of presentation, or if the employee elects to submit his/her grievance directly to the Union’s recognized representative, the procedures set forth in Step 2, below, may be invoked.

b. Step 2 - Director of Human Resources Review. Any employee or any official of the Union may notify the Director of Human Resources in writing that a grievance exists, stating the particulars of the grievance and, if possible, the nature of the determination desired. The Director of Human Resources shall have fourteen (14) working days in which to investigate the issues, meet with the complainant, and attempt to reach a satisfactory resolution of the problem. No grievance may be processed under the following two (2) paragraphs which has not first been filed and investigated in accordance with this paragraph, except for the resolution of compensation complaints.

c. Step 3 - City Manager Review. Any grievance that has not been resolved by the procedures set forth above may be referred to the City Manager by the
complainant or by the Director of Human Resources. Such referral shall be in writing, detailing the specific issues involved in the referral together with a statement of the resolution desired. The City Manager shall designate a personal representative, who shall not be the Director of Human Resources, to investigate the merits of the complaint, to meet with the complainant, and, if the complainant is not the Union, to meet also with the officials of the Union to settle the grievance or to make recommendations to the City Manager.

d. Step 4 - Arbitration. If the grievance is not resolved at Step 3, either the Union or the City may require that the grievance be referred to an impartial arbitrator who shall be designated by mutual agreement between the Union and the City Manager. The fees and expenses of the arbitrator and of a court reporter shall be shared equally by the Union and the City. Each party, however, shall bear the cost of its own presentation, including preparation and post hearing briefs, if any.

e. Effect of Decision. Decisions of arbitrators on matters properly before them shall be final and binding on the parties, except as otherwise provided herein.

8.4. Scope of Arbitration

No arbitrator shall entertain, hear, decide, or make recommendations on any dispute unless such dispute involves a position in a unit represented by the Union and unless such dispute falls within the definition of a grievance as set forth in paragraph 8.1, above.

Proposals to add to or change this Memorandum of Understanding or written agreements or addenda supplementary hereto shall not be arbitrable and no proposal to modify, amend, or terminate this Memorandum of Understanding, nor any matter or subject arising out of or in connection with such proposal, may be referred to arbitration under this section. The arbitrator selected pursuant to this section shall not have the power to amend or modify this Memorandum of Understanding or written agreements or addenda supplementary hereto or to establish any new terms or conditions of employment.

No changes in this Memorandum of Understanding or interpretations thereof (except interpretations resulting from arbitration proceedings hereunder) will be recognized unless agreed to by the City Manager and the Union.

8.5. Other Provisions

If the Director of Human Resources or the City Manager, in pursuance of the procedures outlined above, resolve a grievance which involves suspension or discharge, they may agree to payment for lost time or to reinstatement with or
without payment for lost time, but in the event the dispute is referred to arbitration and the arbitrator finds that the City had cause to take the action complained of, the arbitrator may not substitute his/her judgment for the judgment of management and if the arbitrator finds that the City had such right, he/she may not order reinstatement and may not assess any penalty upon the City.

All complaints involving or concerning the payment of compensation shall be initially filed in writing with the City Manager. Only complaints that allege the employee is not being compensated in accordance with the provisions of this Memorandum of Understanding shall be considered as grievances. Any other matters of compensation are to be resolved in the meeting and conferring process, and if not detailed in the Memorandum of Understanding which results from such meeting and conferring process, shall be deemed withdrawn until the meeting and conferring process is next open for such decision. No adjustment shall be retroactive for more than sixty (60) days from the date upon which the complaint was filed.

The provisions of this section shall not abridge any rights to which an employee may be entitled under the City Charter, nor shall it be administered in a manner that would abrogate any power which, under the City Charter, may be within the sole province and discretion of the Civil Service Commission.

All grievances of employees in representation units represented by the Union shall be processed under this section. If the City Charter requires that another option be available to the employee, no action under paragraph “d” of subsection 8.3, above, shall be taken unless it is determined that the employee is not availing himself/herself of such option.

No action under paragraph “d” of subsection 8.3, above, shall be taken if action on the complaint or grievance has been taken by the Civil Service Commission, or if the complaint or grievance is pending before the Civil Service Commission.

If any award by an arbitrator requires action by the City Council or the Civil Service Commission before it can be placed in effect, the City Manager and the Director of Human Resources will recommend to the City Council or the Civil Service Commission, as appropriate, that it follow such award.

For a list of City designated medical care facilities and/or physicians, please contact Human Resources.
9.5. Leave of Absence

Employees shall not be entitled to leaves of absence as a matter of right, but only in accordance with the provisions of law and the Stockton Municipal Code. Unless otherwise provided, the granting of a leave of absence also grants to the employee the right to return to a position in the same classification or equivalent classification as the employee held at the time the leave was granted. The granting of any leave of absence shall be based on the presumption that the employee intends to return to work upon the expiration of the leave.

All approval authority over leaves of absence exercised by the Fire Chief under this section shall be subject to review by the City Manager, whose ruling shall be final.

Employees on authorized leaves of absence without pay shall not be entitled to payment by the City of the premiums for their health and dental insurance, except as provided hereafter.

The accrual of compensatory time and the date upon which such time will be taken must be authorized by the Fire Chief or the Fire Chief’s designated representative prior to both the performance of the hours worked and the compensatory absence from duty. In the event the employee determines that he/she is unable to take accrued compensatory time during the same twenty-four (24) twenty-seven (27) day work period in which it is earned, pay for such time shall be provided at straight time or time and one half (1-1/2) depending upon the number of hours worked by the employee during the work period.

c. Department Policy. Compensatory time for sworn 40-hour personnel shall be provided in accordance with the Department’s Policy and Procedures, Article J, Section 3B.

11.3. Fair Labor Standards Act

The City and the Union shall cooperate with each other to promptly resolve any issue that may arise during the term of this Memorandum of Understanding regarding compliance with the Fair Labor Standards Act. Any dispute involving the interpretation or application of the Fair Labor Standards Act may be referred to the
City Manager by the complaining party or by the Director of Human Resources. Such referral shall be in writing, detailing the specific issue(s) involved in the referral together with a statement of the resolution desired. The City Manager shall designate a personal representative who shall not be the Director of Human Resources to investigate the merits of the dispute, meet with the complaining party, and attempt to settle the dispute. The availability of this procedure shall not be deemed to limit or foreclose the rights of an employee to seek relief in such other forums as the law provides.

The interpretation and application of the Fair Labor Standards Act with regard to the following provisions: Work Out of Classification, Training Time, Rank for Rank Relief, Continuing Education for Paramedics, and Calculation of Overtime Pay for Fire Suppression Personnel, shall be administered in accordance with the Letter of Understanding dated May 5, 1986, between the City and the Union, which states:

This is to set forth certain agreements and understandings between the Union and City, through their designated representative, as to the interpretation and application of the Fair Labor Standards Act with regard to the employees in the Fire Unit. The provisions set forth in this section shall be binding on the parties and shall remain in effect for the duration of the existing Memorandum of Understanding.

a. **Work Out of Classification:** Employees assigned to work overtime in a position or classification other than the position or classification to which they are permanently appointed will be paid overtime at the hourly rate attached to the position or classification in which they are performing such overtime work. Individual premium pay to which an employee is regularly entitled shall be included when computing overtime for work performed in a position or classification to which the employee does not hold a permanent appointment.

b. **Training Time.** The time spent by an employee for job-related training in which participation is required by the City as a condition of continued employment shall be considered as hours worked. Said training time shall be viewed as hours worked in lieu of the employee’s normally scheduled shifts for that period. Employees shall participate in such training programs during their normally scheduled hours of work when provided by the City during those hours, unless there is a particular hardship or schedule conflict which precludes the employee’s attendance, in which event approval to obtain such training during off-duty hours must be requested and obtained in advance from the Fire Chief or the Fire Chief’s designated representative.

For example, a Firefighter who would normally work Tuesday and Friday (48 hours), but is sent to Asilomar for the period from Monday through Friday will be credited as though he/she worked his/her normal shifts.
c. Rank for Rank Relief. In providing relief, Fire Unit employees may work in a rank lower than the rank which they currently hold, but may not provide relief by working in a rank above their current rank, except in extraordinary circumstances.

c. Continuing Education for Paramedics. Upon prior approval of the Fire Chief, the City will compensate members of the Fire Unit at their straight time rate for time spent, in an off-duty status, in continuing education necessary to maintain their certification, up to twenty-four (24) hours or less in a 2 year certification period a maximum of forty-four (44) hours per calendar year.

e. Calculation of Overtime Pay for Fire Suppression Personnel. For purposes of computing overtime for Fire Unit employees pursuant to the Fair Labor Standards Act, the City will comply with Section 778.109 of the Department of Labor regulations concerning the calculation of the regular rate. Section 778.109 of the Department of Labor regulations provides that the regular hourly rate of pay of an employee is determined by dividing his/her total remuneration for employment in the applicable work period by the total number of hours actually worked by the employee in that work period for which such compensation was paid. An example of the method of calculating overtime compensation using a Fire Captain working suppression for the City would be as follows:

For illustrative purposes only assume:

—— $2,795 = set salary for the 27-day work period for a Captain
—— 216 = number of “regular hours” worked within the 27-day period

Regular rate is computed as follows:

$2,795/216 = $12.94

If hours worked = 204 through 216, the overtime rate = \( \frac{1}{2} \times 12.94 = 6.47 \)

If hours worked are greater than 216, the overtime rate = \( 1 \frac{1}{2} \times 12.94 = 19.41 \)

If a particular Captain working suppression worked one 24-hour shift of overtime as a Captain within the 27-day work period, overtime would be computed as follows:

—— Hours worked in excess of 216 = 24
—— Regular rate is $12.94 x 1.5 = $19.41
$19.41 \times 24 = $465.84 overtime

If a particular Captain working prevention worked one 24-hour shift as a Firefighter at overtime in suppression within the seven (7)-day work period, overtime would be computed as follows:

- Hours worked in excess of 40 \times 24
- Regular Firefighter \times 1.5 = overtime rate
- Overtime rate \times 24 = overtime

The Union and City, through their designated representative, have attempted in good faith to insure that the policies and practices of the City regarding overtime pay for the members of the Fire Unit are in conformance with the requirements of the Fair Labor Standards Act. Nothing shall prohibit the Union and City from meeting and conferring over provisions of the Fair Labor Standards Act by mutual agreement. In the event it is determined by a court or competent jurisdiction that any policy or practice of the City or authorized by this Memorandum of Understanding is inconsistent with the Fair Labor Standards Act, the designated representatives of the Union and City shall immediately meet and confer and amend such policy or practice to conform with the requirements of the Fair Labor Standards Act.

d. Calculation of Pay While in Fire Academy. While enrolled in the Fire Academy, newly appointed firefighters shall have their pay calculated on a 40-hour work week (this will not include FLSA pay based on a 56-hour work week as an EMSTT, nor will an Unassigned Paramedic add pay be due).
SECTION 12. HOLIDAYS

a. Employees shall receive the following holidays on full pay not to exceed eight (8) hours for any one (1) holiday, unless otherwise provided in this section. The City observes the following holidays on the dates indicated:

(1) New Year's Day  (January 1)
(2) Martin Luther King’s Birthday  (Third Monday in January)

(11) Thanksgiving  (Fourth Thursday in November)
(12) The day following Thanksgiving  (Fourth Friday in November)
(13) Christmas Day  (December 25)
(14) Employee’s Birthday

Effective August 1, 2011, a new salary range for forty (40) hour administrative positions in this unit will be established that will be 5.75% lower than the salary range for fifty-six (56) hour employees as reflected in the City’s Salary Schedule as of March 31, 2011.

Effective August 1, 2011, the differential for Administrative Captain and Other Administrative Positions in section 13.13 and 13.14 will be increased by the 6.34%.

b. Except for employees in administrative assignments who observe holidays, employees in this bargaining unit receive the dollar value of the holidays listed above (as noted in their salary ranges) in lieu of observing holidays. Effective July 1, 2012 the salary ranges for employees, excluding those in administrative assignments, shall have their salary ranges reduced by the value of the one holiday.

c. Effective July 1, 2012 the total differential for Administrative Captain and Other Administrative Positions performing Administration duties, including but not limited to the 6.34% Holiday Pay as specified in Section 12, shall be capped to a maximum of ten percent (10%) for all Administrative related differentials.

d. Holiday Compensation Upon Separation
When an employee is separated from the service between February 17, 2012 and July 1, 2014, the employee’s remaining holiday allowance, if any, shall be paid as follows:

a. Upon separation, employees shall receive one third (1/3) or $10,000, whichever is greater, of the total of his/her unused accumulated holiday hours.

The City participates in the California Public Employees’ Retirement System (PERS) and shall provide the Union’s members hired on or before June 30, 2011 with the following retirement benefits in accordance with state law and the agreement between the City and PERS.

a. **Retirement Contribution Supplement.** The City contributes an amount equal to nine percent (9.0%) of the employee’s current base salary and other compensation as qualified by State law toward PERS benefits. The City will seek an IRS private letter ruling to determine whether or not the IRS permits the employee’s contribution to employer pension cost to be treated on a pre-tax basis. If the IRS issues a private letter ruling allowing employee’s contribution toward employer pension cost on a pre-tax basis, the City will change the deduction from post-tax to pre-tax as soon as administratively possible after the IRS final determination. Additionally, the City will work with PERS to determine whether or not PERS will allow a contract amendment per Section 20516 to allow an employee contribution in
the amount of 9% of the employee’s current base salary (employee contribution) and other compensation as qualified by PERS towards the employer’s share of cost for PERS pension on a pre-tax basis. If PERS determines that the maximum contribution through a PERS Section 20516 amendment is less than the 9% and/or some or all of the contributions sunset at specific time in the future, the parties agree that the City shall deduct the percentage up to 9% not covered by the PERS amendment process through a payroll reduction.

e. Three Percent At Age 50 Retirement Benefits. As soon as possible following the City and Union’s execution of this Memorandum of Understanding, the City shall make application with PERS to provide Government Code section 21362.2 (3.0% at age 50) benefits, with the benefit to be effective for Union’s members on December 16, 2001, or following the approval and adoption by the Stockton City Council and PERS Board of Administration, if after December 16, 2001.

a. The retiree selecting plans other than the City’s Modified Plan must agree that the City’s financial contribution to a premium payment for any other Plan shall not exceed the current contribution amount the City would pay if the retiree is enrolled in the City Modified Plan, and;

b. The individual retirees will be required to sign a form that indicates their agreement with these conditions.

The City reserves the right to eliminate these additional plans and the choice of multiple plans is not a vested right. Like the City Modified Plan, the City reserves the right to make plan design changes as necessary in these Alternative Plans.
14.3.4 Medicare Supplemental Coverage Requirements only for Employees hired on or before June 30, 2011

Upon reaching age sixty-five (65), retired employees are required by the City to apply for Medicare Part A and Part B coverage and to accept Medicare coverage if eligible. Those who must pay a premium to Medicare in order to obtain Part A coverage will be reimbursed by the City for their Medicare Part A premium. The City’s medical coverage shall continue on a coordinated basis with the City as a secondary payer after Medicare pays as the primary provider. There may be occasions when paying the premium cost for Medicare Part A may not be in the City’s best interest or the retiree may not be eligible. If such circumstances exist, the City’s supplemental medical plan would then be the primary coverage plan. The City reserves the right to terminate reimbursement payments for Part A Medicare coverage, in which event the retiree will receive the City’s modified medical plan which includes medical plan design changes effective September 1, 2011 as the primary health coverage, with the premiums for such coverage to be paid by the City. The coverage provided pursuant to this section shall apply to the retiree and his/her spouse.

The City reserves the right to terminate reimbursement payments for Part A Medicare coverage, in which event the retiree will receive the City’s modified medical plan which includes medical design changes effective September 1, 2011 as the primary health coverage, with the premiums for such coverage to be paid by the City. The coverage provided pursuant to this section shall apply to the retiree and his/her spouse.

Under the federal Health Care Reform Plan, sponsors may modify the medical benefits provided to retirees only. The City will modify its retiree health care plan to reflect the following:

(a) Return Plan benefits for Acupuncture to 12 visits per year (instead of unlimited) and returns the payment percentage paid to 60% (instead of 80%);

(b) Return Plan benefits for Alcohol and Drug Treatment admissions to 30 days and 3 lifetime admissions (instead of unlimited);

(c) Return Plan benefits for Outpatient Mental Health or Nervous Disorder services to 15 visit maximum (instead of unlimited);

(d) Change Plan benefits for Preventative care and wellness to 80% instead of current 100%.
(e) Return Plan benefits on the lifetime cap on plan benefits to $2.5 million (instead of unlimited);

(f) Return Plan benefits on the maximum age of dependent children to be enrolled in the Plan to age 19 unmarried, and not serving in the armed forces to 23 if attending school full time and qualifies as a dependent for federal income tax purposes (instead of age 26);

(g) Change Plan benefits for Emergency room benefits.

14.4. No Retirement Medical Allowance Requirements

The City does not provide any retiree medical program, allowance, or City contribution for employees hired on or after July 1, 2011. As soon as administratively possible the parties agree to establish an HRA for employees to use for current and future medical expenses and that the City will contribute an amount equal to one percent (1%) of the employee’s current base salary that was previously contributed towards deferred compensation and now shall be directed into an HRA. The City will hold the 1% contribution effective July 1, 2011 in the payroll fund and will confer those contributions to the HRA accounts when established.

14.5. Life Insurance

Effective July 1, 2012, the City shall provide each employee group term life insurance coverage with a face value of fifty thousand dollars ($50,000.00).

14.3.6 Long Term Disability Insurance

The City rolled its contribution of long term disability (LTD) insurance into base pay and no longer provides a LTD program. Employees can purchase LTD insurance through the Union. Effective July 1, 2012, the City shall reduce the base pay of employees in this unit by seventeen dollars ($17.00) per month, and shall instead provide to each bargaining unit member seventeen dollars ($17.00) per month for the purpose of purchasing Long Term Disability Insurance. The Union recognizes and agrees that it is their responsibility for purchasing such insurance for its represented employees or otherwise investing such payments pursuant to this section as it deems appropriate.

14.7 Survivors’ Medical Benefit

The City in accordance with State law and its provisions shall provide medical, dental, prescription and vision benefits to the surviving spouse and children of unit employees killed in the line of duty. These benefits shall
discontinue upon marriage of the Battalion Chief’s surviving spouse. The medical coverage shall be secondary at age sixty-five (65).
SECTION 15. SALARY PLAN

15.1. **Salary Ranges**

The salary ranges for all employees in this unit shall be as set forth in the City’s Salary Schedule. The rates of pay set forth in the City’s Salary Schedule represent the standard rates of pay for full time employment for each classification, unless the schedule specifically indicates otherwise.

15.2. **Salary Upon Appointment**

Except as herein otherwise provided, the entrance salary for a new employee entering the classified service shall be the minimum salary for the class to which the employee is appointed. When circumstances warrant, the City Manager may approve an entrance salary that is more than the minimum salary for the class. Such a salary may not be more than the maximum salary for the class to which that employee is appointed.

15.3. **Salary Equivalents**

Any monthly, daily, or hourly rate of pay may be converted into any equivalent rate of pay or to any other time bases only when, in the judgment of the City Manager, such a conversion is advisable. In determining equivalent amounts on different time bases the City shall provide tables or regulations for the calculation of payment for service of less than full time, and for use in converting monthly salaries to hourly rates, as well as for calculating hourly rates.

15.4. **Salary Step Plan-Sworn Ranks**

There shall be nine (9) salary steps for the classification of Firefighter. There shall be six (6) salary steps in each range for the classifications of Firefighter/Engineer and Fire Captain.

The first step shall be the minimum rate and shall be the normal hiring rate for the class. (In a case where a person possesses unusual qualifications, the City Manager may authorize appointment above the first step after receiving the recommendation of the department head. The same provisions shall apply to hourly paid and part-time employees.)

If a department head recommends to withhold increases to salary steps two (2) through nine (9) because an employee has not achieved the level of performance required, notice must be received by the City Manager at least four (4) weeks in
advance of the employee’s eligibility date. The affected employee shall be furnished a copy of the department head’s recommendation.

The second step shall be paid upon the employee’s satisfactory completion of the Fire Academy and upon the written recommendation of the department head.

The third step shall be paid upon the satisfactory completion of six (6) months of service at the second step.

The fourth step shall be paid upon the satisfactory completion of six (6) months of service at the third step.

The fifth step shall be paid upon the satisfactory completion of one (1) year of service at the fourth step.

The sixth step shall be paid upon the satisfactory completion of one (1) year of service at the fifth step.

The seventh step shall be paid upon the satisfactory completion of one (1) year of service at the sixth step.

The eighth step shall be paid upon the satisfactory completion of one (1) year of service at the seventh step.

The ninth step shall be paid upon the satisfactory completion of six (6) months of service at the eighth step and upon the written recommendation of the department head.

As an exception to the foregoing, employees promoted to the rank of Fire Captain shall be eligible for step increases upon the satisfactory completion of six (6) months’ service in each step of the Fire Captain salary range. Also, employees holding the rank of Firefighter/Engineer shall be subject to step increase intervals of one (1) year. However, the Firefighter/Engineer rank shall be limited to six (6) salary steps. Regardless of an employee’s length of service, step advancements may be made upon recommendation of the department head with the approval of the City Manager, but not above Step No. 6 of the Firefighter/Engineer and Fire Captain salary ranges, and not above Step No. 9 of the Firefighter salary range.

Salary step increases shall be effective the first day of the pay period following appointment or revision. If the date of appointment or revision is the first day of a pay period, salary step increases shall be as of that date.
Changes in an employee’s salary because of promotion, demotion, postponement of salary step increase or special merit increase will set a new salary anniversary date for that employee.

Salary range adjustments for the classification will not set a new salary anniversary date for employees serving in that classification.

15.5. **Salary Step After Military Leave**

All employees who have been granted military leave shall, upon their return to the City service, be entitled to the automatic salary advancements within the range scale of the established wage schedule of their classifications for the period they were in the military service.

15.6. **Salary Step When Salary Range is Increased**

Whenever the monthly schedule of compensation for a class is revised, each incumbent in a position to which the revised schedule applies shall be entitled to the step in the revised range which corresponds to the employee’s step held in the previous range, unless otherwise specifically provided by the City Manager.

15.7. **Salary Step After Promotion or Demotion**

When an employee is promoted from a position in one rank to a position in a higher rank and at the time of promotion is receiving a salary equal to, or greater than, the minimum rate for the higher rank, that employee shall be entitled to a step in the salary range of the higher rank which is at least five percent (5.0%) above the current base pay salary on the salary schedule of the current base pay rate the employee has been receiving, except that the new step shall not exceed the maximum salary of the higher rank. When an employee is demoted, whether such demotion is voluntary or otherwise, that employee’s compensation shall be adjusted to the salary prescribed for the rank to which demoted.

15.8. **Salary on Reinstatement**

If a former employee is reinstated to the same position previously held or to one carrying a similar salary range, his/her salary shall not be higher than his/her salary at the time of his/her separation unless there has been an increase within the salary range.
15.9. **Salary Adjustments**

The 8.5% Salary Survey increase initially effective on July 1, 2010 and the 3.68% Cost of Living increases initially included in the 2003 – 2007 MOU shall be eliminated retroactively and prospectively.

The Salary Schedule as of March 31, 2011 and attached in Appendix A shall provide salary rates for the duration of the contract except for the changes to the salary schedule that establishes a new salary range for forty (40) hour employees in this unit, effective August 1, 2011 in accordance with the changes in holiday pay in Section 12. There shall be no salary increases for the duration of the contract.

### SECTION 16. SEPARABILITY OF PROVISIONS

In the event that any provisions of this Memorandum of Understanding are declared by a court of competent jurisdiction to be illegal or unenforceable, that provision of the Memorandum of Understanding shall be null and void but such nullification shall not affect any other provisions of this Memorandum of Understanding, all of which other provisions shall remain in full force and effect.

### SECTION 17. PRACTICES AND EXISTING MEMORANDA OF UNDERSTANDING

Continuance of working conditions and practices not specifically authorized by ordinance or by resolution of the City Council is not guaranteed by this Memorandum of Understanding.

In the event that PERS changes its interpretation concerning the compensability of the former procedure for the Earned Time Allowance, the parties commit to return to the Earned Time Allowance procedure for employees with twenty-two (22) or more years of continuous service.

This Memorandum of Understanding shall supersede all existing Memoranda of Understanding between the City and the Union.

### SECTION 18. SCOPE OF AGREEMENT

Except as otherwise specifically provided herein, this Memorandum of Understanding fully and completely incorporates the understanding of the parties hereto and constitutes the sole and entire agreement between the parties on any and all matters subject to meeting and conferring.
SECTION 19. DURATION OF AGREEMENT

All provisions of this Memorandum of Understanding shall be effective as of the date of execution unless otherwise indicated herein, and shall remain in full force and effect up to and including June 30, 2012 2013.

SECTION 20. MAINTENANCE OF OPERATIONS

a. It is recognized that the need for continued and uninterrupted operation of City services is of paramount importance. Therefore, the Union and each employee represented thereby agrees that from the date of execution of this Memorandum of Understanding, through and inclusive of June 30, 2012 2013, the Union or any person acting on its behalf, or each employee in a classification represented by the Union, shall not cause, authorize, engage in, encourage, or sanction a work stoppage, slowdown, refusal of overtime work, refusal to operate designated equipment (provided such equipment is safe and sound), or picketing (other than informational picketing), against the City or the individual or concerted failure to report for duty or abstinence from the full and faithful performance of the duties of employment (including compliance with the request of another labor organization or bargaining unit to engage in such activity) in an attempt to induce a change in wages, hours, and other terms and conditions of employment.

b. An employee shall not be entitled to any wages or City paid benefits whatsoever if the City Council, by majority vote, determines to its satisfaction that the employee is or has engaged in any activity prohibited by subsection “a” of this section. In addition, the City may take other action that it deems appropriate.

c. If the City Council, by majority vote, determines to its satisfaction that subsection “a” of this section has been violated by the Union, the City may take such remedial action as it deems appropriate.

d. The Union recognizes the duty and obligation of its representatives and members to comply with the provisions of this Memorandum of Understanding and to make every effort toward inducing all employees in this unit to fully and faithfully perform their duties.
In the event any activity prohibited by subsection “a” occurs, the Union agrees to take any and all steps necessary to assure compliance with this Memorandum of Understanding.

IN WITNESS WHEREOF, the parties hereto have executed this Memorandum of Understanding this __________ day of ____________.

SECTION 1. RECOGNITION

1.1. City Recognition

The City Manager, or any person or organization duly authorized by the City Manager, is the representative of the City of Stockton, hereafter referred to as the "City," in employer employee relations as provided in Resolution No. 32,538, adopted by the City Council on August 4, 1975.

1.2. Union Recognition

Pursuant to Resolution No. 36,011, adopted by the Stockton City Council on February 14, 1979, Stockton Firefighters’ Local 456 (formerly Local 1229), International Association of Firefighters, is the recognized employee organization representing the Fire Services Management Unit, hereafter referred to as the “Union.”
SECTION 2. UNION SECURITY

2.1. Dues Deduction

a. General. The Union may have the regular dues of its members within the representation unit deducted from employees’ paychecks under procedures prescribed by the City for such deductions. The Union has the exclusive privilege of dues deduction for its members.

Payroll deductions shall be for a specified amount, consistent for all employee-members of the Union, and shall not include fines and fees.

Authorization, cancellation, or modification of payroll deductions shall be made upon forms provided or approved by the City. The payroll deduction authorized shall remain in effect until:

(1) Canceled or modified by the employee through written notice to the City; or

(2) The first day of the calendar month following the employee’s transfer to a position represented by another employee organization; or

(3) The employee terminates his or her employment with the City.

Additional authorization shall not be required for deduction of increased membership dues when such increase has been duly approved by the membership of the Union. Notification of such approval shall be forwarded to the City in the form of written notice on official Union letterhead and signed by the Union President or other duly authorized Union official. Upon receipt of notification, the City shall authorize the payroll deduction of the increased amount.

[MODIFICATIONS IN THIS SECTION DUE TO INCORPORATION OF 2010 SIDE LETTER RE: UNION SECURITY.]

Amounts deducted and withheld by the City shall be transmitted to the officer designated in writing by the Union as the person authorized to receive such funds, at the address specified.

In addition to the deduction of dues, the City will deduct from the paychecks of Union members who request it, premiums for group insurance and investment plans sponsored by the Union. Such deductions shall be made in one lump sum and only upon receipt of a signed authorization from the employee on a form that is satisfactory to the City. Such authorizations may
be made or changed no more frequently than twice yearly. Such deductions shall be payable to the Union who is responsible for distribution to sponsored programs.

[MODIFICATIONS IN THIS SECTION DUE TO INCORPORATION OF 2010 SIDE LETTER RE: UNION SECURITY.]

The employee’s earnings must be sufficient after all other required deductions are made, to cover the amount of the deductions herein authorized. When an employee is in a non pay status for an entire pay period, no withholdings will be made from future earnings to cover that pay period nor will the employee deposit the amount with the City which would have been withheld if the employee had been in a pay status during that period. In the case of an employee who is in a non-pay status during part of the pay period and the salary is not sufficient to cover the full withholding, no deduction shall be made. All other required deductions shall have priority over the employee organization deduction.

b. Indemnity and Refund. The Union shall indemnify, defend, and hold the City harmless against any claim made or any suit initiated against the City in connection with or as a result of any employee authorized deduction and/or payment of Union dues or premiums for benefits. In addition, upon presentation of supporting evidence, the Union shall refund to the City any amounts paid to it in error.

2.2. Use of City Facilities

The Union shall be allowed by the City department in which it represents employees use of space on available bulletin boards for communications having to do with official Union business, such as times and places of meetings, provided such use does not interfere with the needs of the department.

Any representative of the Union shall give notice to the Fire Chief or the Fire Chief’s designated representative when contacting Department employees on City facilities during the duty period of the employees, provided that solicitation for membership or other internal Union business shall be conducted during the non duty hours of all employees concerned. Prearrangement for routine contact may be made with the Fire Chief or the Fire Chief’s designated representative and when made shall continue until revoked by the Fire Chief.

City buildings and other facilities may be made available for use by City employees and the Union or their representatives in accordance with such administrative
procedures as may be established by the City Manager or department heads concerned.

Members of the Union are prohibited from using City equipment and/or time for their personal use.

2.3. **Advance Notice**

Except in cases of emergency, the Union shall be given reasonable advance written notice of the proposed change to any ordinance, resolution, rule, or regulation to be adopted by the City that relates to matters within the scope of representation and shall be given the opportunity to negotiate, if requested, with the management representatives designated by the City Manager.

In cases of emergency which constitute an imminent threat to the City’s financial and/or other resources, the City may immediately implement any emergency measures the City deems necessary to prevent the public business and/or the City’s operations from being financially or otherwise impaired and deal with the emergency at hand. At the earliest practicable date thereafter, the Union shall be provided with the notice described above and be given an opportunity, if requested, to negotiate changes to the content of said notice with the management representatives designated by the City Manager.

2.4. **Attendance at Meetings by Employees/Release Time**

a. **Release Time Related to Meet and Confer.** City employees who are official representatives or unit representatives of the Union shall be given reasonable time off with pay, **in accordance with the MMBA**, to attend meetings with City management representatives or be present at City hearings where matters within the scope of representation or grievances related to this unit are being considered. The use of official release time for this purpose shall be reasonable and shall not interfere, as determined by the City, with the performance of City services. 8.1. Definition

A grievance is any dispute which involves the interpretation or application of those rules, regulations, and resolutions which have been, or may hereafter be, adopted by the City Council to govern personnel practices and working conditions, including such rules, regulations, and resolutions as may be adopted by either the City Council or the Civil Service Commission to affect Memoranda of Understanding which result from the meeting and conferring process.

8.2. Filing Deadline

No grievance involving demotion, suspension, discharge, or other employment penalty will be entertained unless it is filed in writing with the Director of Human Resources within ten (10) business days of the time the affected employee received written notification of such action.

For purposes of filing appeals and grievances, the City's business days/hours are Monday through Friday, 8:00 a.m. to 5:00 p.m., excluding City-recognized holidays.

8.3. Grievance Processing

a. Step 1 - Departmental Review. Any employee who believes that he/she has a grievance may discuss the matter with such management official as the Fire Chief may designate. If the issue is not resolved by the Department within seven (7) working days from the day of presentation, or if the employee elects to submit his/her grievance directly to the Union’s recognized representative, the procedures set forth in Step 2, below, may be invoked.

b. Step 2 - Director of Human Resources Review. Any employee or any official of the Union may notify the Director of Human Resources in writing that a grievance exists, stating the particulars of the grievance and, if possible, the nature of the determination desired. The Director of Human Resources shall have fourteen (14) working days in which to investigate the issues, meet with the complainant, and attempt to reach a satisfactory resolution of the problem. No grievance may be processed under the following two (2) paragraphs which has not first been filed and investigated in accordance with this paragraph, except for the resolution of compensation complaints.

c. Step 3 - City Manager Review. Any grievance that has not been resolved by the procedures set forth above may be referred to the City Manager by the complainant or by the Director of Human Resources. Such referral shall be
in writing, detailing the specific issues involved in the referral together with a statement of the resolution desired. The City Manager shall designate a personal representative, who shall not be the Director of Human Resources, to investigate the merits of the complaint, to meet with the complainant, and, if the complainant is not the Union, to meet also with the officials of the Union to settle the grievance or to make recommendations to the City Manager.

d. **Step 4 - Arbitration.** If the grievance is not resolved at Step 3, either the Union or the City may require that the grievance be referred to an impartial arbitrator who shall be designated by mutual agreement between the Union and the City Manager. The fees and expenses of the arbitrator and of a court reporter shall be shared equally by the Union and the City. Each party, however, shall bear the cost of its own presentation, including preparation and post hearing briefs, if any.

e. **Effect of Decision.** Decisions of arbitrators on matters properly before them shall be final and binding on the parties, except as otherwise provided herein.

**8.4. Scope of Arbitration**

No arbitrator shall entertain, hear, decide, or make recommendations on any dispute unless such dispute involves a position in a unit represented by the Union and unless such dispute falls within the definition of a grievance as set forth in paragraph 8.1, above.

Proposals to add to or change this Memorandum of Understanding or written agreements or addenda supplementary hereto shall not be arbitrable and no proposal to modify, amend, or terminate this Memorandum of Understanding, nor any matter or subject arising out of or in connection with such proposal, may be referred to arbitration under this section. The arbitrator selected pursuant to this section shall not have the power to amend or modify this Memorandum of Understanding or written agreements or addenda supplementary hereto or to establish any new terms or conditions of employment.

No changes in this Memorandum of Understanding or interpretations thereof (except interpretations resulting from arbitration proceedings hereunder) will be recognized unless agreed to by the City Manager and the Union.

**8.5. Other Provisions**

If the Director of Human Resources or the City Manager, in pursuance of the procedures outlined above, resolve a grievance which involves suspension or discharge, they may agree to payment for lost time or to reinstatement with or without payment for lost time, but in the event the dispute is referred to arbitration
and the arbitrator finds that the City had cause to take the action complained of, the arbitrator may not substitute his/her judgment for the judgment of management and if the arbitrator finds that the City had such right, he/she may not order reinstatement and may not assess any penalty upon the City.

All complaints involving or concerning the payment of compensation shall be initially filed in writing with the City Manager. Only complaints that allege the employee is not being compensated in accordance with the provisions of this Memorandum of Understanding shall be considered as grievances. Any other matters of compensation are to be resolved in the meeting and conferring process, and if not detailed in the Memorandum of Understanding which results from such meeting and conferring process, shall be deemed withdrawn until the meeting and conferring process is next open for such decision. No adjustment shall be retroactive for more than thirty (30) days from the date upon which the complaint was filed.

The provisions of this section shall not abridge any rights to which an employee may be entitled under the City Charter, nor shall it be administered in a manner that would abrogate any power which, under the City Charter, may be within the sole province and discretion of the Civil Service Commission.

All grievances of employees in representation units represented by the Union shall be processed under this section. If the City Charter requires that another option be available to the employee, no action under paragraph “d” of subsection 8.3, above, shall be taken unless it is determined that the employee is not availing himself/herself of such option.

No action under paragraph “d” of subsection 8.3, above, shall be taken if action on the complaint or grievance has been taken by the Civil Service Commission, or if the complaint or grievance is pending before the Civil Service Commission.

If any award by an arbitrator requires action by the City Council or the Civil Service Commission before it can be placed in effect, the City Manager and the Director of Human Resources will recommend to the City Council or the Civil Service Commission, as appropriate, that it follow such award.

c. **Scheduling**

(1) **48/96 Shift Schedule**

The following provisions shall apply, as long as the 48/96 Shift Schedule remains in effect:

A minimum of four (4) shifts of Accrued Vacation must be scheduled per year. The four (4) shift minimum is not required to be scheduled continuously and may be split into two (2) separate vacation periods of a minimum of two (2) consecutive shifts each.

Any Accrued Vacation that is not scheduled contiguous with the required four (4) shifts will be scheduled by mutual agreement of the employee and the Fire Chief.

**Sell-back.** Effective July 1, 2011, employees on a forty (40) hour workweek may sell back a maximum of forty (40) hours of unused Accrued Vacation per year except during furlough or fiscal emergency periods. Employees on a 56 hour workweek may sell back a maximum of (60) hours of unused accrued vacation per year except during furlough or fiscal emergency periods.

9.2. **Sick Leave**

a. **Accrual.** All regular employees on a 40 hour a week schedule, except provisional, temporary, and part time employees, shall accrue sick leave at the rate of eight (8) hours for each full month of service. All regular employees on a 56 hour workweek schedule, except provisional, temporary, and part-time employees shall accrue sick leave at a rate of twelve (12) hours for each month of service. All regular employees, except provisional, temporary, and part time employees, working less than a full month shall accrue sick leave while off duty on authorized sick leave, provided, however, an employee shall not accrue sick leave during any leave or leaves of absence without pay granted to the employee.

b. **Usage.** Employees are entitled to sick leave pay for those days that the employee would normally have worked, to a maximum of sick leave hours accrued by the employee.

An employee may use sick leave for preventive medical, dental, optical care, and for illness, injury, or exposure to contagious disease, which incapacitates him/her from performing his/her duties. This includes disabilities caused or contributed to by pregnancy, miscarriage, abortion, and childbirth and recovery therefrom.
c. **Family Sick Leave.** Employees may utilize **fifty percent (50%) of their annual accrued sick leave to attend to** sick leave in the cases of illness or injury in the employee’s immediate family, when such illness or injury requires personal care. Such sick leave shall be limited by the Fire Chief to the time reasonably required to make other arrangements for such care.

Such leave shall be restricted to the employee’s parents, spouse, **registered domestic partner, mother-in-law, father-in-law, child, stepchild, legal dependent, brother, sister, brother-in-law, sister-in-law, grandparent, and grandchild.**

When the requirement for sick leave is known to the employee in advance of his/her absence, the employee shall request in writing authorization for such sick leave from the Fire Chief prior to such absence.

Before an employee may be paid for the use of accrued sick leave, he/she shall complete and submit to the Fire Chief a signed statement, on a prescribed form, setting forth the dates and hours of absence, the exact reason, and such other information as is necessary for his/her request to be evaluated. If an employee does not return to work prior to the preparation of the payroll, other arrangements may be made with the approval of the Fire Chief.

e. **Doctor’s Certificate or Other Proof.** If an employee’s illness results in an absence from work for more than two (2) consecutive shifts, a doctor’s certificate or other reasonable proof of illness may be required by the Fire Chief.

The Fire Chief or and the Director of Human Resources may make such sick leave usage reviews and may require a **doctor’s certificate or other reasonable proof of illness** such physician’s documentation as they deem necessary to insure proper use of the sick leave benefit. The employee shall be given notice prior to returning to work that he or she will be required to provide such documentation. Employees who have unscheduled absences due to illness on a scheduled work day preceding or following a holiday may be required to bring a doctor’s certificate or other reasonable proof of illness in order to receive an excused absence and sick leave pay.
f. **Use of Sick Leave While on Vacation.** An employee who is injured or who becomes ill while on vacation may be paid for sick leave in lieu of vacation provided that the employee:

1. Was hospitalized during the period for which sick leave is claimed, or

g. **Accessibility and Reporting.** All officers and members of the Department on leave for sickness shall be available by telephone or at their home for consultation with the Fire Chief or the Fire Chief’s designee. Exceptions to this rule shall only be made with the permission of the attending physician and Fire Chief.

All officers and members of the Department on leave for sickness for extended periods of time will make weekly progress reports by telephone to the Fire Chief’s office.

h. **Return to Duty.** Upon availability for return to duty, the employee shall notify the Chief’s Operator, or, if unavailable, the shift Telecommunications Supervisor at the ECD at the earliest reasonable time, but not later than 6:00 p.m. on the day prior to his/her next scheduled duty period. Sick leave may be granted for any period of time approved by the Fire Chief.

i. **Payment for Unused Sick Leave for Unit Employees Hired on or before June 30, 2011.** Upon separation with ten (10) years of more of continuous service or upon termination of employment by reason of death or service or disability retirement, the employee or the employee’s estate will be paid fifty percent (50%) of the total sick leave balance as of June 30, 2011 at its current value as of June 30, 2011. Any sick leave accrued on or after July 1, 2011 shall have no cash value. This provision shall also apply for service or disability retirement. Sick leave accrued after July 1, 2011 shall be deposited into a new sick leave bank. All sick leave hours are available for use.

   **Effective February 17, 2012, all sick leave shall have no cash value upon separation of employment and employees shall not be allowed to cash out unused sick leave. 9.3. Other Leaves with Pay

a. Bereavement Leave. In the event of a death in the immediate family of an employee, the employee shall, upon his/her request, be granted up to three (3) days bereavement leave with pay and without charge to his/her accumulated sick leave credits or vacation eligibility. The City Manager may grant an additional two (2) days bereavement leave upon request, which shall be charged against the employee’s accumulated sick leave credits in cases where extensive travel is required to attend the funeral. For the purposes of this paragraph, “immediate family” shall be restricted to the employee’s parents, spouse, registered domestic partner, mother-in-law, father-in-law, child, stepchild, brother, sister, brother-in-law, sister-in-law, grandparent, and grandchild.

In the event of the death of a person not immediately related to an employee, as defined above, the employee’s department head may grant up to three (3) days leave upon request, which shall be charged against the employee’s accumulated sick leave credits.

b. Court Appearance. Upon approval by the Fire Chief, an employee, other than a provisional or temporary employee, shall be permitted authorized absence from duty for appearance in court for jury service, in obedience to a subpoena, or by direction of proper authority in accordance with the following provisions:

Such absences from duty will be compensated for actual hours with full pay for each day the employee serves on the jury or testifies as a witness in a criminal case, other than as a defendant, including necessary travel time. As a condition of receiving full pay, the employee must remit to the City, within fifteen (15) days after receipt, all fees received, except those specifically allowed for mileage and expenses. The employee shall remit such fees to the City through the employee's department head.
AB 506 LABOR MEDIATION PROPOSAL

MEMORANDUM OF UNDERSTANDING (FIRE SERVICES MANAGEMENT)  Page 22

On-duty employees shall return to work immediately upon release from court.

Absences from duty will be without pay when the employee appears in private litigation to which the City is not a party.

Notwithstanding the foregoing, attendance in court or at a deposition in connection with an employee’s official duties for a case in which the City is a party, together with travel time and necessarily involved, shall not be considered an absence from duty within the meaning of this section.

c. **Maternity Leave.** Time off the job for pregnancy, childbirth, and related medical conditions will be covered as required by State and federal law and applicable City policy. Employees may use sick leave, leave without pay, annual leave, or a combination of these benefits, depending on the nature of the case and the time medically required to recuperate. Generally, a six (6) week recovery period after delivery is medically indicated.

d. **Military Leave.** An employee of the City who is a member of the National Guard or Naval Militia or a member of the Reserve Corps or Force of the Federal Military, Naval, or Marine Service and is ordered to duty shall be granted leave with pay while engaged therein, provided the leave does not exceed thirty (30) calendar days in any calendar year.

All regular employees in the service of the City who have been inducted into the Army, Navy, Marine Corps, Air Force, or any other branch of the Military Service of the United States or the State of California shall be allowed leave of absence without pay for the duration of a national emergency. Except as hereafter stated, said employees shall be reinstated into City service, provided they are physically fit as shown by a medical examination by the City Physician or other physician appointed to make a medical examination.

Two (2) or more regular employees granted military leave of absence without pay from the same position shall be re-employed according to their seniority of employment, provided they are physically fit, as above specified.

9.4. **Workers’ Compensation Leave**

Whenever an employee is disabled, whether temporarily or permanently, by injury or illness arising out of and in the course of his/her duties, he/she shall become entitled, regardless of his/her period of service with the City, to leave of absence, while so disabled, without loss of salary, in lieu of temporary disability payment, if any, which would be payable for the period of such disability but not exceeding one (1) year or until such earlier date as he/she is retired on permanent disability pension.
If injury is claimed to be job-related or a recurrence of a previous job-related sickness or injury, it must be verified with a written physician’s statement. Otherwise, disability leave will not be allowed. Any absence not so approved will be charged to sick leave if verification is not received within three (3) days of the initial absence. The company officer should originate a "Supervisor’s Report of Accident" form (Form 78).

a. **Notification to Department.** The employee should notify the Chief’s Operator or, if unavailable, the shift Telecommunications Supervisor at the ECD at the earliest reasonable time, but not later than 0645 hours of the day scheduled for duty.

b. **Accessibility and Reporting.** All officers and members of the Department on leave for injury (job-related or non job-related) shall be available at their homes or by telephone for consultation with the Fire Chief or the Fire Chief’s designee(s). Exceptions to this rule shall only be made with the permission of the attending physician and the Fire Chief.

All officers and members of the Department on leave for injury (job-related or non job-related) for extended periods of time will make weekly progress reports by telephone to the Fire Chief’s office.

c. **Return to Duty.** Upon availability for return to duty, employees shall notify the Chief’s Operator, or if unavailable, the shift Telecommunications Supervisor at the ECD at the earliest reasonable time, but not later than 6:00 p.m. on the day prior to his/her next scheduled duty period.

d. **Forms and Procedures.** Workers’ compensation processing shall be consistent with City procedures and in accordance with state workers’ compensation regulations. An employee who sustains a work-related injury or illness shall immediately inform his/her supervisor no matter how minor an on-the-job injury may appear. An employee who sustains a work-related injury or illness is required to seek medical care at facilities designated by the City unless they have filed a pre-designation of personal physician prior to sustaining the work-related injury or illness. For a list of City designated medical care facilities and/or physicians, please contact Human Resources.

9.5. **Leave of Absence**

Employees shall not be entitled to leaves of absence as a matter of right, but only in accordance with the provisions of law and the Stockton Municipal Code. Unless otherwise provided, the granting of a leave of absence also grants to the employee the right to return to a position in the same classification or equivalent classification.
as the employee held at the time the leave was granted. The granting of any leave of absence shall be based on the presumption that the employee intends to return to work upon the expiration of the leave.

All approval authority over leaves of absence exercised by the Fire Chief under this section shall be subject to review by the City Manager, whose ruling shall be final.

Employees on authorized leaves of absence without pay shall not be entitled to payment by the City of the premiums for their health and dental insurance, except as provided hereafter.

The entitlement to City-paid premiums shall end on the last day of the month in which the employee was paid except that employees on an authorized leave of absence may continue enrollment in the City health and dental insurance plans by prepayment of the monthly premium during the authorized leave of absence.

Authorized absence without pay that exceeds thirty (30) consecutive calendar days, except military leave, shall not be included in determining salary adjustment rights, based on length of employment. Periods of time during which an employee is required to be absent from his/her position by reason of an injury or disease for which he/she is entitled to and currently receiving Workers’ Compensation benefits shall be included in computing length of service for the purpose of determining that employee’s salary adjustments.

9.6. **Leave of Absence without Pay**

a. **Purpose and Length.** Only employees occupying regular positions on a permanent basis are eligible for leaves of absence without pay under the provisions of the section.

An appointing authority may grant leaves of absence without pay for personal reasons up to a maximum of twelve (12) months with the approval of the Director of Human Resources.

Leaves of absence without pay on account of illness or injury, which are not job related, may be granted for a maximum period of twelve (12) months with the approval of the Director of Human Resources. This includes disabilities caused or contributed to by pregnancy, miscarriage, abortion, and childbirth and recovery therefrom.

Such a leave will be granted only after all accrued sick leave credits have been used and shall be substantiated by a physician’s statement.
b. **Application For and Approval of Leaves of Absence Without Pay.** In order to receive leave without pay, an employee must submit a request on the prescribed form to the Fire Chief and the City Manager. The request shall set forth the reasons for the request and all other information required for the Fire Chief of the Fire Chief’s representative to evaluate the request. Leaves without pay may be canceled by the Fire Department at any time.

9.7. **Absence Without Official Leave (AWOL)**

a. **Denial of Leave Request or Failure to Return After Leave.** Failure to report for duty or failure to report for duty after a leave of absence request has been disapproved, revoked, or canceled by the Department or City Manager or at the expiration of a leave shall be considered an absence without leave.

b. **Voluntary Resignation.** Any employee in this bargaining unit absent without leave for two (2) or more shifts in any calendar month without a satisfactory explanation shall be deemed to have voluntarily resigned from employment with the City.
SECTION 10. DAYS AND HOURS OF WORK

10.1. Workweek

Except in cases of conflagration, flood, or similar emergency, the basic workweek of any member of this unit shall not be more than fifty-six (56) hours per week, averaged over a twelve (12) week period. All working shifts will commence at 8:00 a.m., with the exception of the employees assigned to work in the Fire Department’s Administration Offices, Fire Prevention Bureau employees, and Division of Training employees, whose hours shall be determined by the Fire Chief.

10.2. Shift Trades

Employees in this unit will be allowed to trade shifts. Shift trade privileges shall be determined and administered by the Fire Chief.

10.3. Staffing

The City has management rights to determine staffing and the City will comply with applicable CalOSHA laws.
SECTION 11. OVERTIME

11.1. Overtime Authorization

All compensable overtime must be authorized by the department head or his/her designated representative in advance of being worked. If prior authorization is not feasible because of emergency conditions, a confirming authorization must be made on the next regular working day following the date on which the overtime was worked. Overtime authorization is not required in advance for paramedic continuing education.

11.2. Definition

Those employees whose normal work period is not more than 56 hours per week averaged over a twelve (12) week period shall be paid at the rate of time and one-half for actual hours worked in excess of 182 hours in a twenty-four (24) 246 hours in a twenty-seven (27) day work period. “Hours worked,” as used in this paragraph, shall include all paid time as well as all actual time worked.

11.3. Compensatory Time

a. Definition. As used in this section, the term Compensatory Time refers to that time which an employee is entitled to be absent from duty with pay for hours worked in addition to or in excess of their normal work schedule.

b. Use. Such compensatory time must be taken during the same twenty-four (24) twenty-seven (27) day work period in which it is earned and will be credited on an hour off for hour worked basis. The accrual of compensatory time and the date upon which such time will be taken must be authorized by the Fire Chief or the Fire Chief’s designated representative prior to both the performance of the hours worked and the compensatory absence from duty. In the event the employee determines that he/she is unable to take accrued compensatory time during the same twenty-four (24) twenty-seven (27) day work period in which it is earned, pay for such time shall be provided at straight time or time and one half (1-1/2) depending upon the number of hours worked by the employee during the work period.

c. Department Policy. Compensatory time for sworn 40-hour personnel shall be provided in accordance with the Department’s Policy and Procedures, Article J, Section 3B.
11.4. **Fair Labor Standards Act**

The City and the Union shall cooperate with each other to promptly resolve any issue that may arise during the term of this Memorandum of Understanding regarding compliance with the Fair Labor Standards Act. Any dispute which involves the interpretation or application of the Fair Labor Standards Act may be referred to the City Manager by the complaining party or by the Director of Human Resources. Such referral shall be in writing, detailing the specific issue(s) involved in the referral together with a statement of the resolution desired. The City Manager shall designate a personal representative who shall not be the Director of Human Resources to investigate the merits of the dispute, meet with the complaining party, and attempt to settle the dispute. The availability of this procedure shall not be deemed to limit or foreclose the rights of an employee to seek relief in such other forums as the law provides.

The interpretation and application of the Fair Labor Standards Act with regard to the following provisions: Work Out of Classification, Training Time, and Calculation of Overtime Pay for Fire Suppression Personnel shall be administered in accordance with the Letter of Understanding dated May 5, 1986, between the City and the Union’s bargaining representatives and the memorandum from the Fire Department to the Human Resources Department, dated January 12, 1998. In accordance with the Letter of Understanding and the referenced memorandum, the following provisions shall be binding upon the City and Union and, unless otherwise agreed to by the parties, shall remain in effect for the term of this Memorandum of Understanding.

a. **Work Out of Classification.** Employees assigned to work overtime in a position or classification other than the position or classification, to which they are permanently appointed, will be paid overtime at the hourly rate attached to the position or classification in which they are performing such overtime work. Individual premium pay to which an employee is regularly entitled shall be included when computing overtime for work performed in a position or classification to which the employee does not hold a permanent appointment.

b. **Training Time.** The time spent by an employee for job-related training in which participation is required by the City as a condition of continued employment shall be considered as hours worked. Said training time shall be viewed as hours worked in lieu of the employee’s normally scheduled shifts for that period. Employees shall participate in such training programs during their normally scheduled hours of work when provided by the City during those hours, unless there is a particular hardship or schedule conflict which precludes the employee’s attendance, in which event approval to obtain such training during
off-duty hours must be requested and obtained in advance from the Fire Chief or the Fire Chief’s designated representative.

For example, a Battalion Chief assigned to suppression duties who would normally work Tuesday and Friday (48 hours), but is sent to Asilomar for the period from Monday through Friday will be credited as though he/she has worked his/her normal shifts.

c. Calculation of Overtime Pay for Fire Suppression Personnel. For purposes of computing overtime for Fire Services Management Unit employees pursuant to the Fair Labor Standards Act, the City will comply with Section 778.109 of the Department of Labor regulations concerning the calculation of the regular rate. Section 778.109 of the Department of Labor regulations provides that the regular hourly rate of pay of an employee is determined by dividing his/her total remuneration for employment in the applicable work period by the total number of hours actually worked by the employee in that work period for which such compensation was paid. The following sample calculations use the example of a Fire Captain. However, the same method of calculating overtime would apply in the case of a Battalion Chief assigned to suppression duties:

For illustrative purposes only assume:

  ______ $2,795 = set salary for the 27-day work period for a Captain
  ______ 216 = number of “regular hours” worked within the 27-day period

Regular rate is computed as follows:

  $2,795/216 = $12.94

If hours worked = 204 through 216, the overtime rate = ½ x $12.94 = $6.47

If hours worked are greater than 216, the overtime rate = 1 ½ x $12.94 = $19.41

If a particular Captain working suppression worked one 24-hour shift of overtime as a Captain within the 27-day work period, overtime would be computed as follows:

  Hours worked in excess of 216 = 24
  Regular rate is $12.94 x 1.5 = $19.41
  $19.41 x 24 = $465.84 overtime

If a particular Captain working prevention worked one 24-hour shift as a Firefighter at overtime in suppression within the seven (7)-day work period, overtime would be computed as follows:
The Union and City, through their designated representatives, have attempted in good faith to insure that the policies and practices of the City regarding overtime pay for the members of the Fire Services Management Unit are in conformance with the requirements of the Fair Labor Standards Act, when applicable. Nothing shall prohibit the Union and City from meeting and conferring over provisions of the Fair Labor Standards Act by mutual agreement. In the event it is determined by a court of competent jurisdiction that any policy or practice of the City or authorized by this Memorandum of Understanding is inconsistent with the Fair Labor Standards Act, the designated representatives of the Union and City shall immediately meet and confer and amend such policy or practice to conform with the requirements of the Fair Labor Standards Act.
SECTION 12. HOLIDAYS

a. **Employees shall receive the following holidays on full pay not to exceed eight (8) hours for any one (1) holiday, unless otherwise provided in this section.**

The City observes the following holidays on the dates indicated:

1. New Year’s Day (January 1)
2. Martin Luther King’s Birthday (Third Monday in January)
3. Lincoln’s Birthday (Second Monday in February)
4. Washington’s Birthday (Third Monday in February)
5. Cesar Chavez Day (March 31)
6. Memorial Day (Last Monday in May)
7. Independence Day (July 4)
8. Labor Day (First Monday in September)
9. Columbus Day (Second Monday in October)
10. Veterans’ Day (November 11)
11. Thanksgiving (Fourth Thursday in November)
12. The day following Thanksgiving (Fourth Friday in November)
13. Christmas Day (December 25)
14. Employee’s Birthday

Effective August 1, 2011, a new salary range for forty (40) hour administrative positions in this unit will be established that will be five and three-quarters percent (5.75%) lower than the salary range for fifty-six (56) hour employees as reflected in the City’s Salary Schedule as of March 31, 2011.

Effective August 1, 2011, the differential for Administrative Captain and Other Administrative Positions in section 13.14 and 13.15 will be increased by the 6.34%.

Except for employees in administrative assignments who observe holidays, employees in this bargaining unit receive the dollar value of the holidays listed above (as noted in their salary ranges) in lieu of observing holidays. Effective July 1, 2012 the salary ranges for employees, excluding those in administrative assignments, shall have their salary ranges reduced by the value of the one holiday.

b. **Effective July 1, 2012 the total differential for Administrative Captain and Other Administrative Positions performing Administration duties, including but not limited to the 6.34% Holiday Pay as specified in Section 12, shall be capped to a maximum of ten percent (10%) for all Administrative related differentials.**

CITY OF STOCKTON
SECTION 13. COMPENSATION AND ALLOWANCES OTHER THAN BASE SALARY

13.1. Public Employee Retirement System Benefits for Unit Employees hired on or before June 30, 2011

The City participates in the California Public Employees’ Retirement System (PERS) and shall provide the Union’s members hired on or before June 30, 2011 with the following retirement benefits in accordance with state law and the agreement between the City and PERS.

a. Retirement Contribution Supplement. The City Employees in this unit shall contribute an amount equal to nine percent (9.0%) of the employee’s current base salary and other compensation as qualified by State law toward PERS benefits. The base salary for those employees will be increased by that same additional contribution, here, if any, for the last twelve (12) months of employment (IRS Code § 414H(2) will be concurrently implemented with the PERS amendment).

d. Effective August 1, 2011, employees hired on or before June 30, 2011 shall pay nine percent (9%) of the employee’s current base salary (employee contribution) and other compensation as qualified by state law towards the Public Employees’ Retirement System (P.E.R.S.) towards employer’s share of cost for P.E.R.S. pension on a post-tax basis in the form of a payroll deduction. The City will seek an IRS private letter ruling to determine whether or not the IRS permits the employee’s contribution to the employer’s share of pension cost to be treated on a pre-tax basis. If the IRS issues a private letter ruling allowing employee’s contribution toward employer pension cost on a pre-tax basis, the City will change the deduction from post-tax to pre-tax as soon as administratively possible after the IRS final determination.
e. **Three Percent At Age 50 Retirement Benefits.** As soon as possible following the City and Union’s execution of this Memorandum of Understanding, the City shall make application with PERS to provide Government Code section 21362.2 (3.0% at age 50) benefits, with the benefit to be effective for Union’s members on December 16, 2001, or following the approval and adoption by the Stockton City Council and PERS Board of Administration, if after December 16, 2001.

f. **Additional PERS Benefits.** The following PERS benefits shall remain in effect during the term of this Memorandum of Understanding: Sick Leave Conversion (Government Code section 20965), Survivor Benefit Level 4 (Government Code section 21574), Post-Retirement Survivor Allowance to Continue After Remarriage (Government Code section 21635), and Continuation of Death Benefits After Remarriage (Government Code section 21551).

g. The Union shall have such other PERS benefits as set forth in the agreement between the City and PERS as of the date of execution of this Memorandum of Understanding.

13.2. **Public Employee Retirement System Benefits for Unit Employees Hired on or after July 1, 2011**

The City will contract with PERS to provide a new second tier retirement program of 3% at 55 with three year average salary formula and no other additional PERS enhanced benefits except for those statutorily required for employees hired on or after July 1, 2011 or as soon as administratively possible. Employees in this unit shall be required to follow the Department’s continuing education policy in order to remain eligible for this benefit.

13.5. **Emergency Medical Technician Certification**

Employees in this unit shall be responsible for maintaining EMT certification.

It is the policy of the Stockton fire Department that all sworn employees assigned to line fire suppression activities and working in the rank of Battalion Chief and below shall maintain a current San Joaquin County Emergency Medical Technician (“EMT”) certification or face disciplinary procedures detailed below.

Each member shall secure EMT certification within one year of commencement of employment and maintain that certification throughout his/her career while assigned to line fire suppression activities. In the event a new member does not have EMT certification upon employment, the member shall be provided Emergency Aid Responder (“EAR”) training and certification by the Department’s Division of Training prior to being placed on line.

All periodic re-certifications of EMT certification shall be prepared for and executed during on-duty training sessions conducted by the Division of Training. If a member fails to re-certify after one attempt, the Division of Training shall provide additional resources to assist the member to prepare for a second attempt at re-certification in accordance with State regulations. The Division of Training’s resources will include the following: study guides, textbooks, remedial lectures on deficiencies, and a list of local courses offered by other agencies. The City does not provide any retiree medical program, allowance, or City contribution for employees hired on or after July 1, 2011.

b. **City Contribution for the Period of July 1, 2012 – June 30, 2013.**

c. Elimination of Retiree Medical Program effective June 30, 2013

Effective June 30, 2013, the City shall no longer provide a contribution towards the cost of retiree medical insurance for current employees (future retirees) and current retiree. Retirees shall not be eligible to participate in the City’s medical plans.

14.4. Alternative Retirement Medical Plans

The parties have negotiated that employees may choose to enroll in one or more additional health plans instead of the City Modified Plan (including but not limited to Kaiser Sr. Advantage).

This language sets forth the conditions in which current employees, when they retire from the City and otherwise qualify for a retiree medical benefit from the City as stated in Sections 14.3 and 14.5 of this MOU, may also choose to enroll in City sponsored alternative plans in the same manner as when they were employees, as well as retiree only medical plans. The following conditions shall apply:

a. If an employee is in a City sponsored alternative plan at the time of retirement, the employee shall be allowed to continue in that Plan. Employees in the union sponsored plans authorized by the City such as Kaiser at the time of retirement shall be allowed to continue in that Plan. Employees not in an alternative Plan at the time of retirement shall not be allowed to enroll in any alternative plan except that; any retiree may voluntarily enroll in a City sponsored retiree only Plan.
A retiree may only enroll in alternative plans other than the City Modified Plan when:

a. The retiree selecting plans other than the City’s Modified Plan must agree that the City’s financial contribution to a premium payment for any other Plan shall not exceed the current contribution amount the City would pay if the retiree is enrolled in the City Modified Plan, and;

b. The individual retirees will be required to sign a form that indicates their agreement with these conditions.

The City reserves the right to eliminate these additional plans and the choice of multiple plans is not a vested right. Like the City Modified Plan, the City reserves the right to make plan design changes as necessary in these Alternative Plans.

14.4.5 Medicare Supplemental Coverage Requirements only for Employees hired on or before June 30, 2011

Upon reaching age sixty-five (65), retired employees are required by the City to apply for Medicare Part A and Part B coverage and to accept Medicare coverage if eligible. Those who must pay a premium to Medicare in order to obtain Part A coverage will be reimbursed by the City for their Medicare Part A premium. The City’s medical coverage shall continue on a coordinated basis with the City as a secondary payer after Medicare pays as the primary provider. There may be occasions when paying the premium cost for Medicare Part A may not be in the City’s best interest or the retiree may not be eligible. If such circumstances exist, the City’s supplemental medical plan would then be the primary coverage plan. The City reserves the right to terminate reimbursement payments for Part A Medicare coverage, in which event the retiree will receive the City’s modified medical plan which includes medical plan design changes effective September 1, 2011 as the primary health coverage, with the premiums for such coverage to be paid by the City. The coverage provided pursuant to this section shall apply to the retiree and his/her spouse.

The City reserves the right to terminate reimbursement payments for Part A Medicare coverage, in which event the retiree will receive the City’s modified medical plan which includes medical design changes effective September 1, 2011 as the primary health coverage, with the premiums for such coverage to be paid by the City. The coverage provided pursuant to this section shall apply to the retiree and his/her spouse.
Under the federal Health Care Reform Plan, sponsors may modify the medical benefits provided to retirees only. The City will modify its retiree health care plan to reflect the following:

(a) Return Plan benefits for Acupuncture to 12 visits per year (instead of unlimited) and returns the payment percentage paid to 60% (instead of 80%);

(b) Return Plan benefits for Alcohol and Drug Treatment admissions to 30 days and 3 lifetime admissions (instead of unlimited);

(c) Return Plan benefits for Outpatient Mental Health or Nervous Disorder services to 15 visit maximum (instead of unlimited);

(f) Return Plan benefits on the maximum age of dependent children to be enrolled in the Plan to age 19 unmarried, and not serving in the armed forces to 23 if attending school full time and qualifies as a dependent for federal income tax purposes (instead of age 26);

(g) Change Plan benefits for Emergency room benefits.

14.5. No Retirement Medical Allowance

The City does not provide any retiree medical program, allowance, or City contribution for employees hired on or after July 1, 2011. As soon as administratively possible the parties agree to establish an HRA for employees to use for current and future medical expenses and that the City will contribute an amount equal to one percent (1%) of the employee’s current base salary that was previously contributed towards deferred compensation and now shall be directed into an HRA. The City will hold the 1% contribution effective July 1, 2011 in the payroll fund and will confer those contributions to the HRA accounts when established.

SECTION 15. SALARY PLAN

15.1. Salary Ranges

15.2. Salary Upon Appointment

Employees henceforth promoted to the classification of Battalion Chief will receive a five percent (5%) salary increase above current base pay salary on the salary schedule six (6) months after their advancement to the Battalion Chief classification, and may be moved in five percent (5%) increments by the Fire Chief annually until the top of the range is reached. Increases in excess of five percent (5%) may be granted upon recommendation of the Fire Chief and approval of the City Manager.

15.3. Salary Equivalents

Any monthly, daily, or hourly rate of pay may be converted into any equivalent rate of pay or to any other time bases only when, in the judgment of the City Manager, such a conversion is advisable. In determining equivalent amounts on different time bases the City shall provide tables or regulations for calculating payments for service of less than full-time, and for use in converting monthly salaries to hourly rates, as well as for calculating hourly rates.

15.4. Salary Step After Military Leave

Upon returning to City service, all employees who have been granted military leave shall be entitled to the automatic salary advancements within the range/scale of the established salary range for their classifications for the period they were in the military service.

15.5. Salary Step When Salary Range is Increased

15.6. **Salary Step After Promotion or Demotion**

When an employee is promoted from a position in one rank to a position in a higher rank and, at the time of promotion, is receiving a salary equal to or greater than the minimum rate for the higher rank, that employee shall be promoted to a step in the salary range of the higher rank which is at least five percent (5.0%) above the current base pay salary on the salary schedule of the current base pay rate the employee has been receiving, except that the new step shall not exceed the maximum salary of the higher rank. When an employee is demoted, whether such demotion is voluntary or otherwise, that employee’s compensation shall be adjusted to the salary prescribed for the rank to which demoted.

15.7. **Salary on Reinstatement**

If a former employee is reinstated to the same position previously held or to one carrying a similar salary range, his/her salary shall not be higher than his/her salary at the time of his/her separation, unless there has been an increase within the salary range.

15.8. **Salary Adjustments**

The 8.5% Salary Survey increase initially effective on July 1, 2010 and the 3.68% Cost of Living increases initially included in the 2033 – 2007 MOU shall be eliminated retroactively and prospectively.

The Salary Schedule as of March 31, 2011 and attached in Appendix A shall provide salary rates for the duration of the contract except for the changes to the salary schedule that establishes a new salary range for forty (40) hour employees in this unit, effective August 1, 2011 in accordance with the changes in holiday pay in Section 12. SECTION 16. SEPARABILITY OF PROVISIONS

In the event that any provisions of this Memorandum of Understanding are declared by a court of competent jurisdiction to be illegal or unenforceable, that provision of the Memorandum of Understanding shall be null and void but such nullification shall not affect any other provisions of this Memorandum of Understanding, all of which other provisions shall remain in full force and effect.

SECTION 17. PRACTICES AND EXISTING MEMORANDA OF UNDERSTANDING

Continuance of working conditions and practices not specifically authorized by ordinance or by resolution of the City Council is not guaranteed by this Memorandum of Understanding.

In the event that PERS changes its interpretation concerning the compensability of the former procedure for the Earned Time Allowance, the parties commit to return to the Earned Time Allowance procedure for employees with twenty-two (22) or more years of continuous service.

This Memorandum of Understanding shall supersede all existing Memoranda of Understanding between the City and the Union.

SECTION 18. SCOPE OF AGREEMENT

Except as otherwise specifically provided herein, this Memorandum of Understanding fully and completely incorporates the understanding of the parties hereto and constitutes the sole and entire agreement between the parties on any and all matters subject to meeting and conferring.

SECTION 19. DURATION OF AGREEMENT

Upon its adoption by the Stockton City Council, this Memorandum of Understanding shall be effective as of the date of execution unless otherwise indicated herein, and shall remain in full force and effect up to and including the 30th day of June 2012 2013.

SECTION 20. MAINTENANCE OF OPERATIONS

a. It is recognized that the need for continued and uninterrupted operation of City services is of paramount importance. Therefore, the Union and each employee represented thereby agrees that from the date of execution of this Memorandum of Understanding, through and inclusive of June 30, 2012 2013, the Union or any person acting on its behalf, or each employee in a classification represented by the Union, shall not cause, authorize, engage in, encourage, or sanction a work stoppage, slowdown, refusal of overtime work, refusal to operate designated

Unless otherwise provided, the granting of a leave of absence also grants to the employee the right to return to a position in the same classification or equivalent classification, as the employee held at the same time the leave was granted. The granting
of any leave of absence shall be based on the presumption that the employee intends to return to work upon the expiration of the leave.

All approval authority over leaves of absence exercised by the Department Head under this Section shall be subject to review by the Director of Human Resources, whose ruling shall be final.

(a) **Purpose and Length.** Only employees occupying regular positions on a regular basis are eligible for leaves of absence without pay under the provisions of this Section.

An appointing authority may grant leave of absence without pay for personal reasons up to a maximum of twelve (12) months with approval of the Director of Human Resources.

Leaves of absence without pay on account of illness or injury, which are not job incurred, may be granted for a maximum period of twelve (12) months with approval of the Director of Human Resources.

Such a leave will be granted only after all accrued sick leave credits have been used and shall be substantiated by a physician’s statement.

(b) **Application for and Approval of Leave of Absence Without Pay.**

In order to receive leave without pay, an employee must submit a request on the prescribed form to his/her Department Head and the Director of Human Resources describing the reasons for the request and all other information required for the Department Head, or his/her representative, to evaluate the request. Leaves without pay may be cancelled by the department at any time.
Employees on authorized leaves of absence without pay shall not be entitled to payment by the City of the premiums for their health and dental insurance, except as provided hereinafter.

The entitlement to City payment of premium shall end on the last day of the month in which the employee was paid except that employees on an authorized leave of absence may continue enrollment in the City health and dental insurance plan by prepayment of the full monthly premium during the authorized leave of absence.

Authorized absence without pay which exceeds thirty (30) consecutive calendar days, except military leave, shall not be included in determining salary adjustment rights, based on length of employment. Periods of time during which an employee is required to be absent from his/her position by reason of any injury or disease for which he/she is entitled to and currently receiving Workers’ Compensation benefits shall be included in computing length of service for the purpose of determining that employee’s salary adjustment.

12.2 Absence Without Official Leave (AWOL)

(a) Failure to Report to Duty or Failure to Return After Leave. Failure to report for duty or failure to report for duty after a leave of absence request has been disapproved, revoked, or cancelled or at the expiration for a leave shall be considered an absence without official leave and the employee shall be subject to discipline.

(b) Voluntary Resignation. Any employee without official leave for two (2) or more consecutive days or absent an aggregate of sixteen (16) hours in any calendar month without a satisfactory explanation shall be deemed to have voluntarily resigned from the City of Stockton, except if the absence is due to a verified illness or injury.
Section 13 Salary Plan

13.1 Wage Increases

13.2 Salary Step when Salary Range is Increased

Whenever the monthly schedule of compensation for a class is revised, each incumbent in a position to which the revised schedule applies shall be entitled to the step in the revised range which corresponds to the employee’s step held in the previous range, unless otherwise specifically provided by the Director of Human Resources.

13.3 Salary Step after Promotion or Demotion

When an employee is promoted from a position in one rank to a position in a higher rank and at the time of promotion is receiving a base salary equal to, or greater than, the minimum base step rate for the higher rank, that employee shall be entitled to a step in the range of the higher rank which is at least five percent (5%) above the rate the employee has been receiving, except that the next step shall not exceed the maximum salary of the higher rank. When an employee is demoted, whether such demotion is voluntary or otherwise, that employee’s compensation shall be adjusted to the salary prescribed for the class to which demoted.

13.4 Acting Pay

An employee who is assigned in writing to work in a higher paid classification and who performs a majority of the duties of that higher position after five (5) days shall receive the rate of pay in a step of the
higher classification which would have been received if the employee had been promoted into that classification.

The increased rate of pay will commence with the first day of the assignment; however, to qualify the employee must meet the above conditions before being eligible for Acting Pay.

13.5 Pay Equity Adjustments

The City recognizes that there may be a need for special salary adjustments for selected classifications as a result of recruitment problems, reclassifications, and/or organizational changes. The City, in its sole discretion, may make such adjustments.

13.6 Special Assignment Pay

The Department Head and the concurrence of the Director of Human Resources may approve additional compensation in an amount not to exceed one additional salary step when an employee is assigned to perform additional duties and responsibilities for the duration of the special assignment.

13.7 Salary Step after Military Leave

All employees who have been granted military leave shall, upon their return to City service, are entitled to the automatic salary advancements within the range scale of the established wage schedule of their classifications for the period they were in the military service.
Section 14 Work Furloughs

14.1 Work Furloughs

(a) 48 96 Furlough Hours in Fiscal Years 2011-2012 2012-2013 and 2013-2014. Each unit employee shall take forty eight (48) ninety-six (96) furlough hours (leave from work without pay).

(b) Equalized Payroll Deductions. Payroll deductions for the forty eight (48) ninety-six (96) furlough hours described in section 14.1, paragraph (a) above, shall be equalized so that each unit employee shall have two (2) four (4) hours at the employee’s regular hourly rate of pay deducted from each of the twenty four (24) pay warrants of each fiscal year.

(c) Furlough days off shall be set by the City and shall be in the same manner as for Fiscal Year 2010-11 as designated in the City Office Business Calendar as attached. Furlough days shall be considered time worked for the purposes of overtime.

(d) If a furlough is scheduled before or after a City holiday, the employee will, nevertheless, be eligible for holiday pay.

(e) Separation from City Service before June 30, 2013 2. Any employee who separates from City service before the final four (4) hour furlough deduction on July 7, 2013 2, for the pay period ending June 30, 2013 2, and after having used furlough hours, shall have his or her final compensation reduced by the sum of the number of furlough hours the employee has actually used minus the number of furlough hours actually deducted from the employee’s pay warrants multiplied by the employee’s regular hourly rate of pay. Conversely, any employee who separates from City service before June 30, 2013, having suffered furlough deductions in excess of the actual number of furlough hours the employee has used, shall have his or her final compensation credited by like amount.
Section 15 Work Schedule

15.1 MA, MV, EP, and PP employees shall not be eligible for overtime for extra hours worked to perform duties of their assigned position.

15.2 Department Heads are responsible for personally approving any overtime pay for MW and SP employees within their respective departments, with a report submitted to the City Manager at the end of each pay period explaining the overtime.
