If no Agreement exists, however, Supplier's acknowledgement of, or performance against, this Order shall constitute acceptance of all the terms and conditions stated herein. These terms and conditions will be the complete and exclusive statement of the parties relative to this Order.

3) NON-BINDING COUNTEROFFER

In the event of Supplier does not accept the terms of this Order, and submits a counteroffer to City in writing, Supplier acknowledges and agrees that a binding contract does not exist between the parties on the counter-offered terms proffered by Supplier unless and until City accepts such counteroffer in writing. Any performance by Supplier prior to receipt of City's written acceptance of the terms of a counteroffer shall be under the terms of this Order.

If rejected, Product will be held for disposition at the expense and risk of Supplier. Payment for Product on this Order prior to inspection shall not constitute acceptance of the Product.

Supplier's warranty shall survive delivery of Product and shall not be deemed waived by City's failure to discover defects, acceptance of the Product, or payment therefore.

7) OWNERSHIP

Supplier shall have title to and bear the risk of any loss or damage to the Product until the Product is delivered and accepted by City in conformity with this Order.
