Questions and Answers

Question No. 1

What is the approximate construction project budget?

Response to Question No. 1

The approximate construction project budget is \$12M, as listed in the City's Water Master Plan.

Question No. 2

Are there any wildlife concerns?

Response to Question No. 2

We are not aware of any wildlife concerns.

Question No. 3

Are there any time constraints/drivers for the project?

Response to Question No. 3

There is no immediate time constraint/driver for the project. The only consideration is the need for water supply facilities for future development within the area.

Question No. 4

Has there been any environmental analysis/work performed at the site?

Response to Question No. 4

No.

Question No. 5

Is there a preference between pre-stressed and welded steel tanks?

Response to Question No. 5

No, the City does not have a preference between pre-stressed or welded steel. The design may take either into account.

Question No. 6

Are 11" by 17" pages allowed? If so, will they count for 1 or 2 pages towards the page limit?

Response to Question No. 6

Yes, 11" by 17" pages are allowed. They will count as 1 page.
