Next Steps

Develop a Stockton Community Well Being Index

• The index would combine multiple data sources to measure a full spectrum of factors known to impact one’s wellbeing and ultimately the wellbeing of the community.
Questions to be answered

1. What is the best way to measure community wellbeing?
2. What is the state of Stockton residents’ wellbeing? (police-community relations lens)
3. How can we integrate wellbeing into the work of the CMRB?
4. How can government, community partners, and residents work together to improve wellbeing?
Next Steps

Well Being Index Development Phases

Define wellbeing at the community level

Measure wellbeing using data, resident surveys, social media and other sources

Address wellbeing needs by working with community partners and residents to create effective strategies and tactics
