The undersigned applicant Restaurant seeks a temporary permit to use designated public
space (City-owned public property) for temporary outdoor dining. The applicant
understands and agrees that the permit, once issued, is subject to the following
requirements:

A. The use of City property (public space) shall not interfere with vehicular and
   pedestrian traffic, or access under the Americans with Disabilities Act.

B. No permanent item or structure shall be installed on City-owned public property.

C. Any temporary outdoor dining area fencing shall be placed in a safe manner and
   not exceed three (3) feet in height.

D. Dining tables shall be placed as required by the Public Health Officer or the CDC.

E. A minimum four (4’ 0”) foot wide path of travel shall be provided and maintained
   along all pedestrian walkways from the public right-of-way and/or parking lot to all
   public building entrances. No outdoor use may obstruct this required pedestrian
   clearance in any manner, regardless of the width of the sidewalk.
F. Hours of operation for outdoor uses shall coincide with the hours of operation for the corresponding business with which the outdoor use is granted.

G. All forms of speaker amplification associated with the outdoor dining provided under this order shall be prohibited.

H. Restaurant shall comply with all applicable State and County laws and regulations pertaining to outdoor dining (including, but not limited to sale and consumption of alcoholic beverages) under this provision.

I. No real property right is provided, given, or otherwise conveyed to any person or entity using City-owned public property for outdoor dining purpose. Any such use permitted hereunder shall cease upon termination of the local emergency, and the permittee shall return City-owned public property to the condition existing at the time of permit issuance.

J. The applicant Restaurant shall maintain in full force and effect, at its sole cost and expense, Commercial General Liability insurance coverage for claims of bodily injury and property damage liability not less than $1,000,000 for each occurrence, and shall provide the City with an additional insured endorsement and primary and non-contributory endorsement naming the City of Stockton and its officers, agents and employees as additional insured.

K. The applicant Restaurant shall indemnify, protect, defend, save and hold City, its officers, agents, and employees harmless from any and all claims or causes of action for death or injury to persons, or damage to property resulting from intentional or negligent acts, errors, or omissions of the Restaurant or its officers, employees, volunteers, and agents, or from any violation of any federal, state, or municipal law or ordinance, to the extent caused, in whole or in part, by the willful misconduct, negligent acts, or omissions of the Restaurant or its employees, subcontractors, or agents, or by the quality or character of the Restaurant’s work. It is understood that the duty of Restaurant to indemnify and hold harmless includes the duty to defend as set forth in Section 2778 of the California Civil Code. Acceptance by City of insurance certificates and endorsements required under this Permit does not relieve Restaurant from liability under this indemnification and hold harmless clause. This indemnification and hold harmless clause shall apply to any damages or claims for damages whether or not such insurance policies shall have been determined to apply and shall further survive the expiration or termination of this Permit. By execution of this Application, applicant Restaurant acknowledges and agrees to the provisions of this Section and that it is a material element of consideration.
The City reserves the right to determine on a case-by-case basis the suitability and appropriateness of the public property requested by the Restaurant for outdoor dining.

This permit shall remain in effect until 1) no longer needed by permittee, 2) the Proclamation of a State of Emergency is rescinded, or 3) is revoked by the City of Stockton. Revocation may occur as a result of a violation of the Stockton Municipal Code.
