Candidate Statement of Qualifications (11/7/2013)
CHRISTINA FUGAZI  

AGE: 44

Occupation: High School Teacher

My education and qualifications are: As a lifelong resident of our area, I'm proud to call Stockton home. I want to see Stockton thrive, and prosper to become a great place where we can raise our families and have decent, good paying jobs. That is why I am running for Stockton City Council.

I share your frustrations towards the issues that Stockton faces. I too have been a victim of crime. As an educator in the Stockton area for 19 years, I have felt the frustrations of seeing our youth turn to crime due to the lack of employment opportunities in Stockton. This is why you can count on me to be your independent voice on your City Council.

As your City Councilmember, I will work with police and neighborhood watch groups to help make our streets safe. As a working woman, I have to budget and make sure my bills are paid. As your City Councilmember, I'll make sure our Council acts the same way.

I am happy to say that others believe in my campaign to bring independent leadership to Stockton. I am proud to be endorsed by the men and women who we call Stockton Police Officers, along with our San Joaquin County Deputy Sheriffs. I am proud to have my peers and colleagues who make up the San Joaquin County Educators Association endorse my campaign as well. Today, I ask you to join them, and help me in bringing independent leadership back to our City Council.

Candidate Statement of Qualifications (4/2014)
CHRISTINA FUGAZI

My education and qualifications are: We can’t be one of the lowest staffed police departments in the nation and expect to address the skyrocketing crime plaguing Stockton. Our Council continues to ignore the problem of hiring and retaining officers. My family has been in Stockton since the 1880s, and in the last six years, I have seen a dramatic deterioration in the quality of life in Stockton. I was a victim of a home burglary four times. I experienced first hand our broken public safety system. The Stockton Police Department took four hours to respond to my house because they were dealing with more serious crimes. We need adequate police staffing if we want to combat crime.

It is absolutely essential that our City Council support public safety if we want to have a better quality of life that will attract new businesses and jobs.

As a teacher for the last 19 years working with our Stockton youth, I recognize the challenges Stockton families face everyday. I fought hard for you as a Planning Commissioner and did not support bad decisions of City Council that led us into this mess. I am determined to make sure that we make better decisions going forward. That is why my candidacy has received the endorsement of the Police, Fire, Sheriffs, and Teachers in our community. If you elect me as your City Council representative, I will always put our interests in front of special interests.

CHRISTINA FUGAZI

Occupation: City Councilmember/Teacher

My education and qualifications are: As your city councilmember, I focused on staffing our police department to address the skyrocketing crime. I fought against paying criminals not to commit crimes. My family settled in Stockton in 1880 and I ran for office because of the dramatic deterioration in the quality of life in Stockton. I was a victim of a home burglary four times. I experienced firsthand our broken public safety system. The Stockton Police Department took hours to respond to my 911 call because they were dealing with more serious crimes. We need adequate police staffing if we want to combat crime. While I agree you can’t arrest your way out of our crime problem, you cannot “hug” your way out of it either.

While on the Council, I have asked tough questions about wasteful spending. I have moved the discussion to homelessness, deteriorating roads, and restoring city services. I will never stop asking the hard questions!

As a teacher for the last 24 years, I recognize the challenges Stockton families face every day. I am determined that we make better decisions going forward. If you re-elect me as your representative, I will always put our interests in front of special interests.

What is your vision for Stockton?

A city where you can work, play, and raise a family in a safe environment with clean streets, parks, and extended hours and programming at our libraries, community centers, and a plethora of recreational opportunities. A city where when you call the police for help regarding a law enforcement issue, they come. A city where you can find a livable wage job and housing that fits your budget and your needs. A city where parents don’t have to be gone for 12+ hours a day to work and not be around to encourage, support, and provide guidance to their children. A city that has adequate medical services for a physically and mentally healthy community. A city that honors and supports its historical neighborhoods and businesses from Victory Park to the Miracle Mile, to Swenson Park to the Magnolia District, and Downtown to East Main Street and MLK Blvd. A city with safe roads, smooth sidewalks, and disease/drought-free trees. A city where spending is thoughtful and not frivolous. A city where you can see and feel your tax dollars at work. A city that works with and for its residents in every way to have the best quality of life possible.

How have you been involved in the community?

Teaching Stockton students and teachers for 24 years. Volunteer (started some as early as high school) in the following programs: March of Dimes, Su Salud, Run-Walk Against Hunger, Coastal Clean Up, St. Mary’s Dining Hall, Earth Day, SJCOE Hackathon, Youth sports, Comerciantes Unidos, Little Free Libraries, Stockton 209 Cares, Heavenly Hands Kitchen Outreach, and presenting at various functions on how to get into college. In addition, I financially support with my personal funds many organizations and programs that work on creating positive opportunities for our residents from the Gospel Center Rescue Mission to Fruitful Cherry. In addition, I have been taking Stockton students on weeklong expedition trips to Yosemite National Park where the see the majestic beauty of such things as Half Dome, Hetch Hetchy and Rancheria Falls to North Dome and Yosemite Falls, and even Clouds Rest to Mount Hoffman. These children come back with renewed hope and determination and ultimately make better decisions as they continue their life’s journey.
**Describe any work experience you feel translates to public office.**

Serving 8 years on the Stockton Planning Commission, held position of Chair and Vice Chair, 4th year on city council, 2 years on the San Joaquin Regional Rail Commission (recently named Vice Chair) that brings alternatives to driving a car to get to the Bay area, 1 year on the San Joaquin Valley Air Pollution Control District Board that has brought millions to Stockton to help lower PM2.5, PM10, smog test cars through the Tune In Tune Up program, offering incentives for people to change out their old, smog-producing vehicles, fireplaces, and businesses to get cleaners barbeque grills with collection of smoke, and low, zero-emission equipment such as tractors and buses.

**Why would you make a good Councilmember?**

I have proven leadership, as well as being fair, inclusive, honoring the rules, regulations, and process, highly responsive to citizen requests, visible in the community, strong work ethic, responsible, good communication skills, respectful, Informative, asks questions to gain a deeper understanding of complex issues, and dedicated to the position I hold by showing up and speaking up at ALL council meetings only missing a single meeting to attend a Homeless Taskforce program meeting as the city representative with the city manager.
