

PREPARING KIDS FOR SCHOOL

From Kindergarten to College

August 2021

SUPPORT FOR EVERYDAY ISSUES. EVERY DAY.

After the havoc wreaked by the pandemic last year, you and your child may be feeling a mix of emotions – from excitement and anticipation to anxiety and dread – as the new school year approaches. Having a plan can help.

Halcyon provides confidential counseling, resources and referrals to assist your family's educational journey, no matter what it may look like this year.

WEBINAR

Preparing Kids for School
Available August 1, 2021
Located in the Monthly Feature Tile

Learn strategies to reduce stress and ease back into the school year.
