□ As an owner of the property, or my employees with wages as their sole compensation, will do the work, and the structure is not intended or offered for sale (Sec. 7031.5, Business and Professions Code). The Contractor's License Law does not apply to an owner of property who builds or improves thereof, and who does not construct or improve the work himself or through his own employees, provided that such improvements are not intended or offered for sale. If, however, the building or improvement is sold within one year of completion, the owner-builder will have the burden of proving that he did not build or improve for the purpose of sale.

□ As an owner of the property, am exclusively contracting with licensed contractors to construct the project (Sec. 7044, Business and Professions Code). The Contractor's License Law does not apply to an owner of property who builds or improves thereof, and who contracts for such projects with a contractor(s) licensed pursuant to the Contractor's License Law.

□ I am exempt under Sec. B & P.C. for this reason:
