**OWNER-BUILDER DECLARATION**

I hereby affirm that I am exempt from the Contractor's License Law for the following reason (Sec. 7031.5, Business and Professions Code): Any city or county which requires a permit to construct, alter, improve, demolish, or repair any structure, prior to its issuance, also requires the applicant for such permit to file a signed statement that he is licensed pursuant to the provisions of the Contractor's License Law (Chapter 8 of Division 3 of the Business and Professions Code) or that he is exempt therefrom and the basis for the alleged exemption. Any violation of Section 7031.5 by any applicant for a permit subjects the applicant to a civil penalty of not more than five hundred dollars ($500).

- I, as owner of the property, or my employees with wages as their sole compensation, will do the work, and the structure is not intended or offered for sale (Sec. 7044). Business and Professions Code: The Contractor's License Law does not apply to an owner of property who builds or improves the same, and who does such work himself or through his own employees, provided that such improvements are not intended or offered for sale. If, however, the building or improvement is sold within one year of completion, the owner-builder will have the burden of proving that he did not build or improve for the purpose of sale.

- I, as owner of the property, am exclusively contracting with licensed contractors to construct the project (Sec. 7044, Business and Professions Code): The Contractor's License Law does not apply to an owner of property who builds or improves the same, and who contracts for such projects with a contractor(s) licensed pursuant to the Contractor's License Law.

**WORKERS' COMPENSATION DECLARATION**

I hereby affirm that I have a certificate of insurance, or a certificate of insurance for Workers' Compensation, or a certificate of acceptance (Sec. 3000, Lab. & C.) Policy No. [Number].

**CERTIFICATE OF EXEMPTION FROM WORKERS' COMPENSATION INSURANCE**

This section need not be completed if the permit is for one hundred dollars ($100) or less.

I certify that the performance of the work for which this permit is issued, I shall not employ any person in any capacity so as to become subject to the Workers' Compensation Laws of California.
