STOCKTON BUS. LIC. NO. ________________________________

OWNER-BUILDER DECLARATION

I hereby affirm that I am exempt from the Contractor's License Law for the following reason (Sec. 7031-6 Business and Professions Code). Any city or county which requires a permit to construct, install, improve, dem- olish, or repair any structure, prior to issuance, also requires the applicant for such permit to file a signed statement that he is licensed pursuant to the provisions of the Contractor's License Law (Chapter 9 commencing with Section 7000 of Division 3 of the Business and Professions Code) or that he is exempt therefrom and the basis for the alleged exemption. Any violation of Section 7031.5 by any permit applicant subjects the applicant to a civil penalty of not more than five hundred dollars ($500).

☐ I, as owner of the property, or my employees with wages as their sole compensation, will do the work, and the structure is not intended or offered for sale (Sec. 7044, Business and Professions Code). The Contractor's License Law does not apply to any owner of property who builds or improves therein, and who does such work himself or through his own employees, provided that such improvements are not extended or offered for sale. If, however, the building or improvement is sold within one year after completion, the owner-builder will have the burden of proving that he did not build or improve for the purpose of sale.

The Contractor's License Law does not apply to any owner of property who builds or improves therein, and who contracts for such projects with a contractor(s) licensed pursuant to the Contractor's License Law.

I am exempt under Sec. ________________________________ B & PC for this reason.

NOTE: To protest the imposition of any development fee, dedication, reservation or other action imposed on your project, you must file written notice with the City's Building and Planning Department. You must also provide a statement of the actual elements of the dispute and the legal theory forming the basis for the protest.
