OWNER-CONTRACTOR DECLARATION

I affirm that I am exempt from the Contractor's License Law for the following reason (Sec. 7021.5 Business and Professions Code): Any city or county which requires a permit to construct, alter, improve, demolish, or repair any structure, prior to its issuance, also requires the applicant for such permit to file a signed statement that he is licensed pursuant to the provisions of the Contractor's License Law (Chapter 9 commencing with Section 7000) of Division 3 of the Business and Professions Code so that the builder is exempt from the permit requirements. Any violation of Section 7021.5 by any applicant for a permit subjects the applicant to a civil penalty of not more than five hundred dollars ($500).

☐ I, as owner of the property, or my employees with wages as their sole compensation, will do the work, and the structure is not intended or offered for sale (Sec. 7044). Business and Professions Code: The contractor's license law does not apply to an owner of property who builds or improves the property, and who does such work himself or through his own employees, provided that such improvements are not intended or offered for sale. If, however, the building or improvement is sold within a year of completion, the owner-builder will have the burden of proving that he did not build or improve for the purpose of sale.

☐ I, as owner of the property, am exclusively contracting with licensed contractors to construct the project (Sec. 7044). Business and Professions Code: The contractor's license law does not apply to an owner of property who builds or improves the property, and who contracts for such projects with a contractor licensed pursuant to the Contractor's License Law.

☐ I am exempt under Sec. ____________ , B & P.C. for this reason.

RETURN CHECK POLICY: I AM AWARE IF MY CHECK IS RETURNED TO THE CITY, THIS PERMIT IS REVOKED. I AM ALSO AWARE, IF ANY WORK HAS BEEN STARTED, THE CITY WILL IMPOSE AN INVESTIGATION FEE, (PER SMC 13-304(C)) PLUS ANY OTHER REQUIRED FEES.

NOTE: To protest the imposition of any development fee, dedication, reservation or other action imposed on your project, you must file written notice with the City Clerk's office within 90 days after approval of the project or imposition of the fee, dedications, reservations or other actions stating that the required payment is tendered when due, or that any conditions which have been imposed are provided for or satisfied, under protest, along with a statement of the actual elements of the dispute and the legal theory forming the basis for the protest.
