OWNER- builder Declaration

I hereby affirm that I am exempt from the Contractor's License Law for the following reasons (Sec. 7031.5, Business and Professions Code): Any city or county which requires a permit to construct, alter, improve, demolish, or repair any structure, prior to its issuance, also requires the applicant for such permit to file a signed statement that he is licensed pursuant to the provisions of the Contractor's License Law (Chapter 9 commencing with Section 7900) of Division 3 of the Business and Professions Code) or that he is exempt therefrom and the basis for the alleged exemption. Any violation of Section 7031.5 by any applicant for a permit subjects the applicant to a civil penalty of not more than five hundred dollars ($500).

I, as owner of the property, or my employees with wages as their sole compensation, will do the work, and the structure is not intended or offered for sale (Sec. 7944), Business and Professions Code. The Contractor's License Law does not apply to an owner of property who builds or improves therein, and who does such work himself or through his own employees, provided that such improvements are not intended or offered for sale in the building. However, the building or improvements is sold within one year of completion, the owner-builder will have the burden of proving that he did not build or improve for the purpose of sale.

I, as owner of the property, am exclusively contracting with licensed contractors to construct the project (Sec. 7944, Business and Professions Code). The Contractor's License Law does not apply to an owner of property who builds or improves therein, and who contracts for such projects with a contractor(s) licensed pursuant to the Contractor's License Law.

I am exempt under Sec. 7031.5, Business and Professions Code, for this reason.
