RECOMMENDATION

Adopt a resolution to establish the Parking Attendant Services Unit and to
approve the certification of the International Union of Operating Engineers’ Local
No. 3 ("OE3") as the recognized employee organization of and exclusive
representation for the employees and classification assigned to the Parking
Attendant Services Unit (Exhibit "A") in all matters of employee relations with the
City of Stockton ("City"), pursuant to Stockton City Council Employer-Employee
Relations Resolution No. 32,538 ("EERR") adopted on August 4, 1975, and as
amended on August 26, 2003, by Stockton City Council Resolution No. 03-0508.

Summary

The City’s EERR provides that employees of the City shall have the right to form,
join, and participate in the activities of employee organizations, at their own
choosing, for the purpose of representation on all matters of employee relations.

Pursuant to the City’s EERR, OE3 petitioned for certification as the exclusive
recognized employee organization for representation of those currently excluded
from competitive service, Department Aides (and commonly referred to as
Parking Lot Attendants) assigned to the Central Parking District, a division of the
Housing and Redevelopment Department of the City of Stockton. The City
Employee Relations Officer, designated and authorized by the City Manager as
the City’s management representative in employer-employee relations matters
including the administration of the EERR has determined that the employee
organization petitioning for recognition have demonstrated proof of approval by
the employees whom it purports to represent a “majority” interest for
representation; the appropriate employee representation unit shall be the newly
proposed Parking Attendant Services Unit; and has granted OE3 formal
recognition as the employee organization of those employees assigned to such

AGENDA ITEM 6.06
RESOLUTION APPROVING AND ADOPTING THE ESTABLISHMENT OF THE PARKING ATTENDANT SERVICES UNIT AND CERTIFICATION OF THE INTERNATIONAL UNION OF OPERATING ENGINEERS' LOCAL NO. 3 AS THE RECOGNIZED EMPLOYEE ORGANIZATION OF AND EXCLUSIVE REPRESENTATION FOR THE EMPLOYEES AND CLASSIFICATION ASSIGNED TO THE PARKING ATTENDANT SERVICES UNIT IN ALL MATTERS OF EMPLOYEE RELATIONS WITH THE CITY OF STOCKTON

unit for purposes of meeting and conferring in good faith on matters within the scope of representation.

The Stockton City Council directs and authorizes the City Manager or designated representative to take such action as deemed necessary to carry out the purpose and intent of the EERR.

DISCUSSION

Background

In 1968, the Meyers-Milias-Brown Act ("MMBA") was adopted by the California Legislature and governs local government labor relations issues that affect terms and conditions of employment; and in 1969, the City adopted a series of resolutions relating to employee bargaining units. On August 4, 1975, those resolutions were amended and incorporated into one resolution, know as the Stockton City Council Employer-Employee Relations Resolution No. 32538 ("EERR"), and amended on August 26, 2003, by Stockton City Council Resolution No. 03-0508. The EERR provides that employees of the City shall have the right to form, join, and participate in the activities of employee organizations, at their own choosing, for the purpose of representation on all matters of employee relations.

On August 11, 1975, the International Union of Operating Engineers' Local No. 3 ("OE3") is recognized by the City as the recognized employee organization of and representation for those classified employees assigned to the Trades and Maintenance Unit.

On September 13, 2004, OE3 submitted a formal petition directly to the State Mediation and Conciliation Services ("SMCS") for certification of and recognition as the exclusive representation along with signed Authorization for Representation cards from affected employees. On October 4, 2004, the City received written notification from SMCS that after comparing signed Authorization for Representation cards against a list of employee names assigned to the Central Parking District, SMCS determined that a "majority" of affected employees have requested representation and certified OE3 as the exclusive bargaining agency for representation of those affected employees.
RESOLUTION APPROVING AND ADOPTING THE ESTABLISHMENT OF THE PARKING ATTENDANT SERVICES UNIT AND CERTIFICATION OF THE INTERNATIONAL UNION OF OPERATING ENGINEERS' LOCAL NO. 3 AS THE RECOGNIZED EMPLOYEE ORGANIZATION OF AND EXCLUSIVE REPRESENTATION FOR THE EMPLOYEES AND CLASSIFICATION ASSIGNED TO THE PARKING ATTENDANT SERVICES UNIT IN ALL MATTERS OF EMPLOYEE RELATIONS WITH THE CITY OF STOCKTON

On October 15, 2004, the City Employee Relations Officer informed OE3 that the City had adopted local rules and regulations for the administration of employer-employee relations matters under the MMBA and, therefore, SMCS did not have jurisdiction to certify OE3 as the exclusive employee organization for representation. OE3 filed an unfair labor employment practice charge against the City and later withdrew, and subsequently directed their petition with the City Employee Relations Officer as an employee organization seeking recognition as the exclusive representative of specified employees.

Present Situation

In accordance with section 3. Q. of the EERR, the City Employee Relations Officer has determined SMCS' reported validation that signed Authorization for Representation cards submitted by the petitioning employee organization against those employee names and classification assigned to the Central Parking District as demonstrated proof of employee approval and interest for employee representation.

In accordance with section 8. A. of the EERR, the City Employee Relations Officer considered all factors in determining an appropriate bargaining unit for employees and classification assigned to the Central Parking District. Upon consultation with any challenging employee organization and receiving no opposition the City Employee Relations Officer determined that a newly formed bargaining unit, Parking Attendant Services Unit, and classification to be included in such newly proposed unit shall consist of employees assigned to the Central Parking District. The affected employees are assigned to control the parking of motor vehicles, collect parking fees, enforce parking regulations, provide basic security measures, and to perform other related work as assigned.

In accordance with section 9 of the EERR, the City Employee Relations Officer has determined SMCS' reported validation that a “majority” of affected employees have demonstrated interest for employee representation and certified formal recognition to OE3 as the exclusive employee organization for representation of those employees and classification assigned to the newly proposed bargaining unit.

Upon certification by the Stockton City Council, the City Employee Relations Officer shall commence negotiations with OE3, the recognized employee

organization, for wages, hours, and other terms and conditions of employment for employees and classification assigned to the newly proposed bargaining unit.

Financial Summary

The recommended action shall have no financial impact on the City.

MEMORANDUM OF UNDERSTANDING (PARKING ATTENDANT SERVICES UNIT)

SECTION 1. RECOGNITION

1.1 City Recognition

The City Manager, or any person or organization duly authorized by the City Manager, is the representative of the City of Stockton, hereinafter referred to as the "City" in employer-employee relations as provided in Resolution No. 32,538, adopted by the City Council on August 4, 1975, and as amended on August 26, 2003 by Resolution No. 03-0508.

1.2 Association Recognition

Operating Engineers' Local No. 3, AFL-CIO, hereinafter referred to as the "Union", is the recognized employee organization for the Parking Attendant Services Unit, certified pursuant to Resolution No. 05-0076, adopted by the City Council on March 8, 2005.
SECTION 2. UNION SECURITY

2.1 Dues Deduction

(a) General. The Union may have the regular dues of its members within the representation unit deducted from employees' paychecks under procedures prescribed by the City for such deductions. The Union has the exclusive privilege of dues deduction for its members.

Authorization, cancellation or modification of payroll deductions shall be made upon forms provided or approved by the City. The payroll deduction authorization shall remain in effect until canceled or modified by the employee by written notice to the City or until the first day of the calendar month following the transfer of the employee to a unit represented by another employee organization as the representative of the unit to which the employee is assigned, or until employment with the City is terminated.

If an employee is promoted to a position which is represented by another employee organization or to an unrepresented unit, membership dues for the former unit will not be deducted from the employee's paycheck by the City.

Amounts deducted and withheld by the City shall be transmitted to the officer designated in writing by the Union as the person authorized to receive such funds, at the address specified.

In addition to the deduction of dues, the City will deduct from the paychecks of Union members who request it, premiums for group insurance and investment plans sponsored by the Union. Such deductions shall be made in one lump sum and only upon signed authorization from the employee upon a form satisfactory to the City. Such authorizations may be made or changed no more frequently than twice yearly.

The employee's earnings must be sufficient after all other required deductions are made, to cover the amount of the deductions herein authorized. When an employee is in a non-pay status for an entire pay period, no withholdings will be made to cover that pay period from future earnings nor will the employee deposit the amount with the City which would have been withheld if the employee had been in pay status during that pay period. In the case of an employee who is in a non-pay status during a part of the pay period, and the salary is not sufficient to cover the full withholding, no deduction shall be made.
MEMORANDUM OF UNDERSTANDING (PARKING ATTENDANT SERVICES UNIT)

In this connection, all other required deductions have priority over the employee organization deduction.

(b) Indemnity and Refund. The Union shall indemnify, defend and hold the City harmless against any claim made and against any suit initiated against the City on account of check off of Union dues or premiums for benefits. In addition, the Union shall refund to the City any amounts paid to it in error upon presentation of supporting evidence.
SECTION 3. COMPLIANCE WITH FEDERAL LAWS

3.1 Non-Discrimination.

The City and the Union agree that there shall be no discrimination of any kind because of race, creed, color, religion, national origin, sex, political affiliation or legitimate union activity against any employee or applicant for employment; and to the extent prohibited by applicable State and Federal laws there shall be no discrimination because of age. In addition, the Union shall cooperate with the City, to the extent authorized by Federal and State laws and regulations, in furthering the City's objective of promoting equal employment opportunities.

The Union agrees to cooperate with the City to insure its members' compliance with the provisions of the Fair Labor Standards Act.

5.2 Notice of Layoff

(b) Date(s) proposed discipline will be effective.

(c) Reasons for the proposed discipline, the specific grounds and particular facts upon which the action is taken.

(d) Ten (10) calendar days from the date of receipt of such notice in which an employee or the union representative may respond either orally or in writing or both to the appointing authority.

(e) The employee will be provided copies of written materials, reports, statements and any other materials upon which the action is based.

6.2 Provisions

The employee may file a grievance as provided in Section 7 within ten (10) calendar days of written notification of final action (e.g., suspension or discharge). If the employee fails to file within the prescribed time frame, the employee rights will have been waived.

MEMORANDUM OF UNDERSTANDING (PARKING ATTENDANT SERVICES UNIT)

SECTION 1. RECOGNITION

1.1 City Recognition

The City Manager, or any person or organization duly authorized by the City Manager, is the representative of the City of Stockton, hereinafter referred to as the "City" in employer-employee relations as provided in Resolution No. 32,538, adopted by the City Council on August 4, 1975, and as amended on August 26, 2003 by Resolution No. 03-0508.

1.2 Association Recognition

Operating Engineers' Local No. 3, AFL-CIO, hereinafter referred to as the "Union", is the recognized employee organization for the Parking Attendant Services Unit, certified pursuant to Resolution No. 05-0076, adopted by the City Council on March 8, 2005.
SECTION 2. UNION SECURITY

2.1 Dues Deduction

(a) General. The Union may have the regular dues of its members within the representation unit deducted from employees’ paychecks under procedures prescribed by the City for such deductions. The Union has the exclusive privilege of dues deduction for its members.

Authorization, cancellation or modification of payroll deductions shall be made upon forms provided or approved by the City. The payroll deduction authorization shall remain in effect until canceled or modified by the employee by written notice to the City or until the first day of the calendar month following the transfer of the employee to a unit represented by another employee organization as the representative of the unit to which the employee is assigned, or until employment with the City is terminated.

If an employee is promoted to a position which is represented by another employee organization or to an unrepresented unit, membership dues for the former unit will not be deducted from the employee’s paycheck by the City.

Amounts deducted and withheld by the City shall be transmitted to the officer designated in writing by the Union as the person authorized to receive such funds, at the address specified.

In addition to the deduction of dues, the City will deduct from the paychecks of Union members who request it, premiums for group insurance and investment plans sponsored by the Union. Such deductions shall be made in one lump sum and only upon signed authorization from the employee upon a form satisfactory to the City. Such authorizations may be made or changed no more frequently than twice yearly.

The employee’s earnings must be sufficient after all other required deductions are made, to cover the amount of the deductions herein authorized. When an employee is in a non-pay status for an entire pay period, no withholdings will be made to cover that pay period from future earnings nor will the employee deposit the amount with the City which would have been withheld if the employee had been in pay status during that pay period. In the case of an employee who is in a non-pay status during a part of the pay period, and the salary is not sufficient to cover the full withholding, no deduction shall be made.
MEMORANDUM OF UNDERSTANDING (PARKING ATTENDANT SERVICES UNIT)

In this connection, all other required deductions have priority over the employee organization deduction.

(b) **Indemnity and Refund.** The Union shall indemnify, defend and hold the City harmless against any claim made and against any suit initiated against the City on account of check off of Union dues or premiums for benefits. In addition, the Union shall refund to the City any amounts paid to it in error upon presentation of supporting evidence.
SECTION 3. COMPLIANCE WITH FEDERAL LAWS

3.1 Non-Discrimination.

The City and the Union agree that there shall be no discrimination of any kind because of race, creed, color, religion, national origin, sex, political affiliation or legitimate union activity against any employee or applicant for employment; and to the extent prohibited by applicable State and Federal laws there shall be no discrimination because of age. In addition, the Union shall cooperate with the City, to the extent authorized by Federal and State laws and regulations, in furthering the City's objective of promoting equal employment opportunities.

The Union agrees to cooperate with the City to insure its members' compliance with the provisions of the Fair Labor Standards Act.

AMENDMENT TO THE
MEMORANDUM OF UNDERSTANDING BETWEEN THE
CITY OF STOCKTON AND THE
PARKING ATTENDANT SERVICES UNIT

UNION SECURITY ARRANGEMENT

WHEREAS, the City of Stockton ("City") and Operating Engineers Local 3, AFL-CIO, representing employees covered by the Parking Attendant Services Unit ("Union"), are parties to a Memorandum of Understanding ("MOU") covering the period of July 1, 2006 through June 30, 2009, or until such time as a successor MOU is executed between the City and Union; and

WHEREAS, the parties desire to amend the provisions of the Union Security Agreement relating to dues check-off to modify existing obsolete language to conform to current practices; now, therefore

1. The parties hereto agree that section 2.1 of the MOU is hereby amended, and shall read as follows:

SECTION 2. UNION SECURITY

2.1 Dues Deduction

(a) General. The Union may have the regular dues of its members within the representation unit deducted from employees' paychecks under procedures prescribed by the City for such deductions. The Union has the exclusive privilege of dues deduction for its members.

Authorization, cancellation, or modification of payroll deductions shall be made upon forms provided or approved by the City. The payroll deduction authorization shall remain in effect until canceled or modified by the employee by written notice to the City or until the first day of the calendar month following the transfer of the employee to a unit represented by another employee organization as the representative of the unit to which the employee is assigned, or until employment with the City is terminated.
Additional authorization shall not be required for deduction of increased membership dues when such increase has been duly approved by the membership of the Union. Notification of such approval shall be forwarded to the City in the form of written notice on official Union letterhead and signed by the duly authorized Union official. Upon receipt of notification, the City shall authorize the payroll deduction of the increased amount.

If an employee is promoted to a position that is represented by another employee organization or to an unrepresented unit, membership dues for the former unit will not be deducted from the employee's paycheck by the City.

Amounts deducted and withheld by the City shall be transmitted to the officer designated in writing by the Union as the person authorized to receive such funds, at the address specified.

In addition to the deduction of dues, the City will deduct from the paychecks of Union members who request it, premiums for group insurance and investment plans sponsored by the Union. Such deductions shall be made in one lump sum and only upon signed authorization from the employee upon a form satisfactory to the City.

The employee's earnings must be sufficient after all other required deductions are made, to cover the amount of the deductions herein authorized. When an employee is in a non-pay status for an entire pay period, no withholdings will be made to cover that pay period from future earnings nor will the employee deposit the amount with the City which would have been withheld if the employee had been in pay status during that pay period. In the case of an employee who is in a non-pay status during a part of the pay period, and the salary is not sufficient to cover the full withholding, no deduction shall be made.

In this connection, all other required deductions have priority over the employee organization deduction.

(b) Indemnity and Refund. The Union shall indemnify, defend and hold the City harmless against any claim made and against any suit initiated against the City on account of check off of Union dues or premiums for benefits. In addition, the Union shall refund to the City any amounts paid to it in error upon presentation of supporting evidence.

2. All other terms and conditions of employment set forth in the MOU not specifically changed by this amendment shall remain in full force and effect.
IN WITNESS WHEREOF, this Amendment has been attested to by the City Clerk, the City Seal affixed hereto, and the document subscribed to by the City of Stockton Employee Relations Officer and the duly authorized Representatives for the Parking Attendant Services Unit on the 20th day of May 2010, in accordance with the provisions of the Stockton Municipal Code chapter 2.74.

CITY OF STOCKTON
MEMORANDUM OF UNDERSTANDING (OPERATIONS & MAINTENANCE UNIT)

Section 1. Recognition

Operating Engineers' Local 3, AFL-CIO, hereinafter referred to as the "Union," is the recognized employee organization for the Operations and Maintenance Unit, certified pursuant to Resolution No. 90-006 adopted by the City Council on 3/14/06.

Section 2. Union Security

2.1 Dues Deduction

(a) General. The Union may have the regular dues of its members within the representation unit deducted from employees' paychecks under procedures prescribed by the City for such deductions. The Union has the exclusive privilege of dues deduction for its members.

Authorization, cancellation or modification of payroll deductions shall be made upon forms provided or approved by the City. The payroll deduction authorization shall remain in effect until canceled or modified by the employee by written notice to the City or until the first day of the calendar month following the transfer of the employee to a unit represented by another employee organization as the representative of the unit to which the employee is assigned, or until employment with the City is terminated.

If an employee is promoted to a position which is represented by another employee organization or to an unrepresented unit, membership dues for the former unit will not be deducted from the employee's paycheck by the City.

Amounts deducted and withheld by the City shall be transmitted to the officer designated in writing by the Union as the person authorized to receive such funds, at the address specified.

In addition to the deduction of dues, the City will deduct from the paychecks of Union members who request it, premiums for group insurance and investment plans sponsored by the Union. Such deductions shall be made in one lump sum and only upon signed authorization from the employee upon a form satisfactory to the City. Such authorizations may be made or changed no more frequently than twice yearly.

The employee's earnings must be sufficient after all other required deductions are made, to cover the amount of the deductions herein authorized. When an employee is in a non-pay status for an entire pay period, no withholdings will be made to cover that pay period from future earnings nor will the employee deposit
the amount with the City which would have been withheld if the employee had been in pay status during that pay period. In the case of an employee who is in a non-pay status during a part of the pay period, and the salary is not sufficient to cover the full withholding, no deduction shall be made.

In this connection, all other required deductions have priority over the employee organization deduction.

(b) **Indemnity and Refund.** The Union shall indemnify, defend and hold the City harmless against any claim made and against any suit initiated against the City on account of check off of Union dues or premiums for benefits. In addition, the Union shall refund to the City any amounts paid to it in error upon presentation of supporting evidence.

2.2 **Agency Fee**

(a) **Employee Rights**

(1) The City and the Union recognize the right of employees to form, join, and participate in lawful activities of employee organizations and the equal, alternative right of employees to refuse to form, join and participate in employee organizations. Neither party shall exert pressure upon or discriminate against an employee in the exercise of these alternative rights.

(2) Accordingly, membership in the Union shall not be compulsory. A unit member has the right to choose, either: to become a member of the Union; or, to pay to the Union a fee for representation services; or, to refrain from either of the above courses of action upon the grounds set forth in Section (f) below.

(b) **Unit Members' Obligation to Exclusive Representative**

(1) A bargaining unit member who does not fall within one (1) of the exempted categories as set forth in Section (f) below, and who has not voluntarily made application for membership in the Union within the sixtieth (60) day following the date upon which said employee has been formally hired by the City as a bargaining unit employee, must as a condition of continued employment in the City pay to the Union a representation fee, in exchange for representation services necessarily performed by the Union in conformance with its legally imposed duty of fair representation on behalf of said unit member who is not a member of the Union.
MEMORANDUM OF UNDERSTANDING (OPERATIONS & MAINTENANCE UNIT)

(2) In the event that a unit member does not become a member of the Union or pay such fee directly to the Union, the City shall begin automatic payroll deduction. There shall be no charge to the Union for such mandatory agency fee deductions.

(3) Prior to beginning such automatic payroll deduction, the Business Representative of the Union will certify to the City in writing that the employee whose pay is to be affected by the deduction has: 1) refused to join the Union; and 2) has refused to tender the amount of the agency fee as defined herein; and 3) has not applied for an exemption under Section (f) herein. In addition the Union must also certify that it has provided the employee with a copy of the fee verification required by Section (e) herein.

(c) Definition of Agency Fee

(1) The agency fee collected pursuant to Section (b) above from unit members who are not members of the Union shall be an amount not to exceed the standard initiation fee, periodic dues and general assessments of the Union for the duration of this Agreement, minus any amount which is prohibited by the Constitution because such funds pay for political or ideological purposes not related to collective bargaining.

(2) Any dispute as to the amount of the representation fee shall be resolved pursuant to the provisions of Section (h) herein.

(d) Exceptions. Unit members on leave without pay and unit members who are in laid-off status shall be exempt from these provisions herein; except that the election as to membership or payment of a fee as set forth herein must be exercised within the first ten (10) work days upon return to paid status.

(e) Annual Verification of Agency Fee by the Union. Prior to January 31, of each year and before the collection of an agency fee from any unit member pursuant to these provisions herein, the Union shall submit a written certification to the fee payers verifying that the total amount of its representation fee conforms to Section (c) above, and itemizing all component parts of such fee which shall provide an adequate explanation for the basis of the fee. Each year such amount shall be verified and submitted in writing to the fee payers by the Union prior to January 31st. The Union will submit a copy of such verification to the Director of Human Resources of the City. The parties agree that such annual verification is a condition precedent to the collection by either the City or the Union of a representation fee from a unit member.

(f) Employees Exempted From Obligation to Pay Union
MEMORANDUM OF UNDERSTANDING (OPERATIONS & MAINTENANCE UNIT)

(1) Any unit member shall be exempt from the requirements of Section (b) above, if such employee has a bona fide religious objection as defined by Section 3502.5 of the Government Code to the payment of any fee in support of a Union or "employee organization" as defined in Section 3540.1(d) of the Government Code.

(2) Such exempt unit member shall, as an alternative to payment of a representation fee to the Union, pay an amount equivalent to such representation fee to:

   a. United Way.
   b. American Cancer Society.
   c. Any charity jointly agreed in writing by the parties.

(3) If a unit member desires to be exempted for reasons set forth in Section (f) herein, the unit member must first request such exemption in writing from the Union setting forth briefly the rationale for the exemption. If the Union notifies the unit member in writing that the Union will not honor the request, then the matter shall be referred automatically to a panel for determination according to the procedure set forth below. The panel shall be composed of one (1) person selected by the Union, one (1) person selected by the unit member, and an arbitrator selected by the parties chosen from a list submitted by the State Conciliation Service. If either one or both parties fail to nominate a panel member, the process of hearing will continue without that party's panel member.

(4) The panel shall first receive arguments and evidence from the unit member requesting the exemption. Thereafter the Union may present any arguments or evidence. The proceedings shall be conducted in an informal manner, and the rules of evidence will not apply. The arbitrator shall act as chair and rule on all matters before the panel with the exception of the final determination of the panel. The panel shall prepare a written decision within fifteen (15) calendar days of the completion of the hearing which shall be final and binding upon the parties. Any expenses of the panel shall be borne by the parties incurring them.

(5) Upon receipt of the decision of the panel, the City shall release any funds held in escrow to the Union or to the charity. Any decision by the panel shall apply for the duration of this Memorandum of Understanding.

(6) In addition, the Union may require such exempt unit member to submit proof of payment of an amount equivalent to such representation fee to one
(1) of the alternative funds or organizations listed above. If the bargaining unit member has not provided payment, the City will institute deductions pursuant to Section (b)(2), and forward such monies to a charity listed in Section (f)(2).

(7) Such payments shall be made on or before January 31, of each year or no more than thirty (30) days after commencing duties for any newly hired employee.

(g) Escrow Account. If any unit member either disputes the amount of the fee or disputes whether or not an exemption was appropriately denied, the City shall deposit the fee which was deducted and place such amount into a special escrow account established by the Union for such purposes.

(h) Procedure for a Unit Member Who Contests the Amount of the Fee

(1) The parties agree that in order to provide a uniform definition of the representation fee, any disputes involving the amount of such fee shall be referred to the Union's procedure for determination, provided that the parties have first complied with the other provisions of this Section.

(2) The Union shall notify the City in writing within twenty (20) days after it becomes aware that any employee disputes the amount of the fee.

(3) The Union will verify in writing to the City that all of the conditions of Section (b)(3) have been met prior to the City's initiation of the fee deductions set forth in Section (b)(2). Thereafter, the City will notify the affected employee in writing that such deductions will commence and a copy of the Union's written verification will be attached to the City's notice. Thereafter, the City will begin the deductions.

The monies held in escrow shall be released to the appropriate party upon the rendering of a final decision by the Union's internal procedure.

(i) Payment Method/Payroll Deduction

(1) A unit member may voluntarily sign and deliver to the City a written assignment authorizing deduction of the properly established representation fee as defined in Section (c) above, subject to the conditions set forth elsewhere in this agreement for payroll deductions, or the amount of the fee will be deducted automatically in accordance with Section (b)(2) herein.
MEMORANDUM OF UNDERSTANDING (OPERATIONS & MAINTENANCE UNIT)

(2) The City is under no obligation to make payroll deductions for the periods during which a unit member is either terminated from active employment, or not on the City's active payroll for any reason, including, but not limited to, layoff and voluntary leave of absence for more than thirty (30) days.

(3) Upon the rehiring of any unit member, or upon the recalling of any unit member from layoff status, the City will resume or initiate dues deductions for such unit member.

(j) Obligations of Parties

(1) City's Obligations. The City's obligation under this Article is to notify any unit member who has failed to comply with the provisions of this Section that, as a condition of continued employment with the City, such unit member must become an Union member, or pay a representation fee, or establish an exemption status and make payment pursuant to provisions of Sections (b) and (f) of this Agreement. Under no circumstances shall the City be required to dismiss or otherwise discipline any unit member for failure to fulfill their obligations to pay the fees established herein.

(2) Union's Obligations. Except as specified herein, the Union and not the City, shall be responsible for requiring unit members to fulfill obligations defined herein. It is the obligation of the Union to collect any representation fees which may be due and payable to the Union in consideration for its services as the exclusive representative of unit employees.

(k) Hold Harmless Provision. The Union shall hold the City harmless, and shall fully and promptly reimburse the City for any fees, costs, charges or penalties incurred in responding to or defending against any claims, disputes, challenges, whether formal or informal, which are actually brought, or attempted or threatened to be brought, against the City or any of its agents, or employees, in connection with the interpretation, application, administration or enforcement of any Section of this Agreement pertaining to representation fee. Such reimbursement shall include, but not be limited to, court costs, litigation expenses, and attorney's fees incurred by the City. The City shall have the right to be represented by its own attorney in any action in which it is a named party to the action. Disputes over the amount of reimbursement shall be automatically submitted to the arbitration provisions of this Memorandum, Section 8.3(e).

2.3 Use of City Facilities
MEMORANDUM OF UNDERSTANDING (OPERATIONS & MAINTENANCE UNIT)

(a) The Union shall be allowed by the City department in which it represents employees' use of space on available bulletin boards for communications having to do with official Union business, such as times and places of meetings, provided such use does not interfere with the needs of the department. The Union may submit to the City Employee Relations Officer written communications having to do with official Union business for distribution by the City to identified shop stewards. Distribution may be by e-mail.

(b) Any representative of the Union shall give notice to the department head or designated representative when contacting department employees on City facilities during the duty period of the employees, provided that solicitation for membership or other internal Union business shall be conducted during the non-duty hours of all employees concerned. Pre-arrangement for routine contact may be made with individual department heads and when made shall continue until revoked by the department head.

(c) City buildings and other facilities may be made available for use by City Employees of the Union or their representatives in accordance with such administrative procedures as may be established by the City Manager or department heads concerned.

2.4 Advance Notice

Except in cases of emergency, reasonable advance written notice shall be given to the Union if affected by any ordinance, resolution, rule or regulation directly relating to matters within the scope of representation proposed to be adopted by the City and shall be given the opportunity to negotiate if requested with the designated management representatives prior to adoption.

In cases of emergency when the foregoing procedure is not practical or in the best public interest, the City may adopt or put into practice immediately such measures as are required. At the earliest practicable date thereafter the Union shall be provided with the notice described above and be given an opportunity if requested to negotiate changes to said notice with the management representatives designated by the City Manager.

2.5 Attendance at Meetings by Employees

City employees who are official representatives or unit representatives of the Union shall be given reasonable time off with pay to attend meetings with City management representatives, or be present at City hearings where matters within
MEMORANDUM OF UNDERSTANDING (OPERATIONS & MAINTENANCE UNIT)

the scope of representation or grievances are being considered. Such employee representatives shall submit a request for excused absence to their respective department heads, in a manner satisfactory prior to the scheduled meeting whenever possible. Except by mutual agreement the number of the employees excused for such purposes shall not exceed three (3) per recognized bargaining unit.

Time spent for this purpose during the representative’s scheduled hours of work count as hours worked. Time spent for this purpose which may exceed the representative’s regularly scheduled hours of work shall be compensated as overtime or compensatory time.

2.6 Maintenance of Membership

All employees in the Operations and Maintenance unit who are members of the Union, tendering periodic dues at the execution of this agreement, and all employees who thereafter become members of the Union shall, as a condition of employment, pay dues to the Union for the duration of this Memorandum of Understanding, and each year thereafter. For a period of thirty (30) days prior to January 1, 2009 and thirty (30) days prior to any January 1, thereafter, any employee in the aforementioned unit who is a member of the Union shall have the right to withdraw from the Union discontinuing dues payments and retain employment in the City, subject to provisions of Section 2.2. Agency Fee. Said withdrawal shall be communicated by the employee in writing to the City. The provisions of this section shall be operative only to the extent that they are permissible under California law.

2.7 Assignment of Classifications

New job classifications established by the City shall be assigned to the bargaining unit pursuant to Section 8 (b) of the City’s Employer-Employee Relations Resolution after providing notice and the opportunity to consult with the Union regarding such matters.

2.8 Contract Ratification

Ratification votes for Contract will be handled on city time during the day.

Section 3. Compliance with Federal Laws/Safety

3.1 Non-Discrimination. The City and the Union agree that there shall be no discrimination of any kind because of race, creed, color, religion, national origin,
sex, political affiliation or legitimate union activity against any employee or applicant for employment; and to the extent prohibited by applicable State and Federal law there shall be no discrimination because of age.

3.2 Fair Labor Standards Act. The Union agrees to cooperate with the City to insure its members’ compliance with the provisions of the Fair Labor Standards Act.

3.3 Safety. The Union shall cooperate with the City in promoting safety objectives as defined in Federal, State and local regulations by actively supporting safety programs, promoting safe work habits of members and encouraging an ongoing, active participation by its members in safety related procedures and practices as offered and promulgated by the City of Stockton.

**Section 4. Probation**

4.1 **Purpose**

The probationary period shall be utilized for closely observing the employee’s work, for securing the most effective adjustment of a new employee to a position, and for rejecting any probationary employee whose performance does not meet the required standards of work.

4.2 **Original Entrance and Promotional Positions**

All original and promotional appointments shall be tentative and subject to a probationary period of six (6) months, unless a longer probationary period is stated in the class specification. The probationary period may be extended up to an additional six (6) months in those cases where the appointing authority and the Director of Human Resources agree that such extension would be beneficial to the employee and the City.

4.3 **Retention/Rejection of Probationer**

At the end of the probationary period, if the service of the probationary employee has been satisfactory to the appointing authority, then the appointing authority shall file with the Director of Human Resources a statement in writing to such effect and stating that the retention of such employee in the service is desired. The City will make a good faith effort to notify a probationary employee two (2) weeks before the end of the probationary period whether or not permanent status is granted; however, a failure on the part of the appointing authority to file such a statement at the end of the probationary period shall constitute a rejection of the probationer as defined in Civil Service Rules.
MEMORANDUM OF UNDERSTANDING (OPERATIONS & MAINTENANCE UNIT)

During the probationary period an employee may be rejected at any time by the appointing authority. Any employee rejected during the probationary period following a promotional appointment, shall be reinstated to the position from which promoted unless charges are filed and the employee is discharged in the manner provided in Section 7 of this Memorandum of Understanding and in the Civil Service Ordinance and Civil Service Rules, which are consistent therewith.

4.4 Alcohol and Drug Testing. All original and reemployed appointments must pass a drug and alcohol screening prior to being offered City employment. This shall include non-represented part-time, seasonal, provisional, and temporary appointments.

Section 5. Layoff

5.1 Layoff

Any employee may be laid off by an appointing authority in the event of the abolition of the employee's position by the City Council, or if a shortage of work or funds requires a reduction in personnel.

5.2 Layoff Scope

(a) Layoffs shall be within departments of the City.

5.5 Employee Options

This right of a laid off employee shall remain effective for two (2) years from the date of latest separation from the service. The employee shall not be placed on said eligibility list or lists without first submitting a written request. Employee's place on said list or lists shall be at the head of the eligibility list for the class of positions for which qualified as hereinabove set forth and shall be given preference in filling vacancies except for those persons placed on said list or lists of reemployment in the same positions previously held. Upon certification for appointment to a new position never having been held by this employee, the probationary period must be completed as required in this Memorandum of Understanding.

MEMORANDUM OF UNDERSTANDING (OPERATIONS & MAINTENANCE UNIT)

File a grievance as provided for in Section 8 within ten (10) calendar days of written notification of the action.

If the employee fails to do (b) or (c) above within the prescribed time frames, these rights will have been waived.

All verbal reprimands and written reprimands shall be removed from the employee's record after a period of one year if there has been no reoccurrence of the infraction and the employee has a good work record. All other disciplinary records shall be removed from an employee's work record after two (2) years if there has been no reoccurrence of the infraction and the employee has a good work record.

Section 8. Grievance Procedures

8.1 Definition

A grievance is any dispute which involves the interpretation or application of those rules, regulations and resolutions which have been, or may hereafter be, adopted by the City Council to govern personnel practices and working conditions, including such rules, regulations and resolutions as may be adopted by either the City Council or the Civil Service Commission to affect Memoranda of Understanding which result from the meeting and conferring process.

8.2 Filing Deadline

(a) No grievance involving demotion, suspension, discharge or other employment penalty will be entertained unless it is filed in writing with the Director of Human Resources within ten (10) calendar days of the time at which the affected employee received written notification of such action. All other grievances must be filed within thirty (30) calendar days from the time the employee knew or had reason to know of the facts giving rise to the grievance.

(b) With written consent of the City Manager or his/her designee and the Union Business Agent or his/her designee, time limits may be extended and/or Steps 1, 2 and/or 3 of the Grievance Procedure waived.

8.3 Grievance Processing

(a) Step 1 - Departmental Review. Any employee claiming to have a grievance may discuss the complaint with such management official in the department where
employed as the department head may designate. If the issue is not resolved within the department within twenty (20) calendar days from the day of presentation or if the employee elects to submit the grievance directly to the Union recognized as the representative of that employee's classification, or if the employee/Union official notifies the Director of Human Resources, in writing, that a grievance exists, the procedure hereinafter specified may be invoked.

(b) **Step 2 - Director of Human Resources Review.** If the employee is not satisfied with the response at level one, then the employee may appeal the grievance to the Director of Human Resources within twenty (20) calendar days of the receipt of written response at level one. Such appeal must state with particularity: 1) the specific policy, rule or provision which is alleged to have been violated; 2) the statement of facts comprising the violation; and 3) the requested remedy. The Union may file and process grievance(s) on behalf of the specifically named employee. The Director of Human Resources shall have twenty (20) calendar days in which to investigate the issues, meet with the complainant and attempt to reach a satisfactory resolution of the problem. No grievance may be processed under the following two (2) paragraphs which has not first been filed and investigated in accordance with this paragraph, except for the resolution of compensation complaints.

(c) **Step 3 - Adjustment Board.** If the parties are unable to reach a mutually satisfactory accord on any grievance which arises and is present during the terms of this Memorandum of Understanding, within twenty (20) calendar days of the receipt of the level three response, such grievance shall be submitted to an Adjustment Board comprised of two (2) Union representatives, no more than one (1) of whom shall be either an employee of the City or an elected or appointed official of the Union and two (2) representatives of the City, no more than one (1) of whom shall be either an employee of the City or a member of the staff of any organization employed to represent the City in the meeting and conferring process.

(d) **Step 4 - Arbitration.** If an Adjustment Board is unable to arrive at a majority decision, within twenty (20) calendar days either the Union or the City may require that the grievance be referred to an impartial arbitrator mutually selected by the parties, or if the parties are unable to mutually agree, from a list of seven (7) arbitrators provided by the State Conciliation Service. The arbitrator shall be chosen by the alternative strike method, with first choice being determined by lot. The fees and expenses of the arbitrator and of a court reporter shall be shared equally by the Union and City. Each party, however, shall bear the cost of its own presentation, including preparation and post hearing briefs, if any.
MEMORANDUM OF UNDERSTANDING (OPERATIONS & MAINTENANCE UNIT)

(e) Effect of Decision. Decisions of Adjustment Boards and arbitrators on matters properly before them shall be final and binding on the parties hereto except as provided otherwise herein.

8.4 Scope of Arbitration

(a) No Adjustment Board and no arbitrator shall entertain, hear, decide or make recommendations on any dispute unless such dispute involves a position in a unit represented by the Union and unless such dispute falls within the definition of a grievance as set forth in paragraph 8.1.

(b) Proposals to add to or change this Memorandum of Understanding or written agreements or addenda supplementary hereto shall not be arbitrable and no proposal to modify, amend or terminate this Memorandum of Understanding, nor any matter or subject arising out of or in connection with such proposal, may be referred to arbitration under this Section. No Board of Adjustment or arbitrator selected pursuant to this Section shall have the power to amend or modify this Memorandum of Understanding or written agreements or addenda supplementary hereto or to establish any new terms or conditions of employment.

No changes in this Memorandum of Understanding or interpretations thereof (except interpretations resulting from Board of Adjustment or arbitration proceedings hereunder) will be recognized unless agreed to by the Director of Human Resources and the Union.

8.5 Other Provisions

If the Director of Human Resources or City Manager, in pursuance of the procedures outlined above, resolves a grievance which involved suspension or discharge, they may agree to payment for lost time or to reinstatement with or without payment for lost time, but in the event the dispute is referred to arbitration and the arbitrator finds that the City had cause to take the action complained of, the arbitrator may not substitute his judgement for the judgment of management and if the findings are that the City had such right, the arbitrator may not order reinstatement and may not assess any penalty upon the City.

Complaints which allege the employee is not being compensated in accordance with the provisions of this Memorandum of Understanding shall be considered as grievances and processed pursuant to Section 8.3. Any other matters of compensation are to be resolved in the meeting and conferring process and if not detailed in the Memorandum of Understanding which results from such meeting and conferring process shall be deemed withdrawn until the meeting and conferring
process is next open for such decision. No adjustment shall be retroactive for more than thirty (30) calendar days from the date upon which the complaint was filed.

Specified time limits may be modified only in writing. All appeals and responses must be provided in writing.

A grievant will be provided release time without loss of pay for all required meetings with management. The City cannot discriminate or retaliate in any manner against an employee for filing a grievance or exercising rights under this Section.

The provisions of this Section shall not abridge any rights to which an employee may be entitled under the Stockton Municipal Code and/or Civil Service Rules and Regulations, nor shall it be administered in a manner which would abrogate any power which, under the Stockton Municipal Code, may be within the sole province and discretion of the Civil Service Commission.

All grievances of employees in representation units represented by the Union shall be processed under this Section. If the Stockton Municipal Code and/or the Civil Service Rules and Regulations requires that a differing option be available to the employee, no action under paragraph (d) or (e) of Subsection 8.3 above shall be taken unless it is determined that the employee is not utilizing such option.

No action under paragraph (d) or (e) of Subsection 8.3 above shall be taken if action on the complaint or grievance has been taken by the Civil Service Commission or if the complaint or grievance is pending before the Civil Service Commission.

If any award by a Board of Adjustment or arbitrator requires action by the City Council or the Civil Service Commission before it can be placed in effect, the City Manager and the Director of Human Resources will recommend to the City Council or the Civil Service Commission, as appropriate, that it follow such award.

Section 9. Leaves

9.1 Vacation Leaves

(a) Vacation Allowance. All regular employees, excluding provisional and temporary shall accrue vacation leave with pay in accordance with the following schedule:

(6) An employee may be allowed to carry over up to 120 hours vacation more than the employee’s regular vacation accrued for the preceding calendar year. Whenever an employee’s accumulation of vacation hours exceed the maximum vacation carryover provision, the excess number of vacation hours shall automatically be credited and forwarded to the employee’s sick leave accumulation balance at the end of the calendar year. However, employees may carryover unlimited vacation hours in excess of the maximum allowance when such vacation accrues while remaining in a pay status during a period of illness or injury which precluded liquidating vacation credits in excess of the maximum allowed.

(7) Employees shall accrue vacation on a twice-monthly payroll basis.

(b) Vacation Scheduling. Vacation leaves shall be scheduled with due consideration for the wishes of the employee and so as to not interfere with the normal operation of the City business. Vacation requests are accepted on a day for day basis.

(c) Holiday during Vacation. If any such paid holidays fall within an employee’s vacation leave, the employee will not be charged vacation accrual for that day.

(d) Vacation Allowance for Separated Employees

(1) When an employee is separated from the service, remaining vacation allowance, if any, shall be added to final compensation.
MEMORANDUM OF UNDERSTANDING (OPERATIONS & MAINTENANCE UNIT)

(2) An employee who has resigned in good standing and is subsequently reinstated within two (2) years from the date of resignation shall have prior service counted in determining eligibility for vacation benefits, deducting therefrom the amount of time between the date of resignation and the date of reinstatement which shall not be counted in determining eligibility.

(e) Cash Payment Option for Vacation.

(1) An employee may elect to receive cash payment for up to a maximum of one hundred (100) hours of his/her accumulated vacation balance upon commencement of a scheduled vacation of forty (40) consecutive hours or more.

(2) An employee may elect to receive cash payment for two and one-half (2 1/2) days of his/her accumulated vacation balance for each one (1) day of scheduled vacation taken. Either option may not exceed one hundred (100) hours of cash payment per calendar year.

9.2 Sick Leave

(a) Accrual. All regular full-time employees, except provisional and temporary employees, shall accrue sick leave at the rate of ten (10) hours for each month of completed service.

All regular employees, except provisional and temporary employees, scheduled to work less than a full month shall accrue sick leave on a prorated basis. Unused sick leave shall accrue from year to year. Employees shall continue to accrue sick leave while off duty on authorized sick leave; provided, however, an employee shall not accrue sick leave during any leave or leaves of absence without pay granted to the employee.

(b) Usage. Employees are entitled to sick leave pay for those days which the employee would normally have worked, to a maximum of the hours accrued, described as:

Preventive medical, dental, optical care, illness, injury or exposure to contagious disease which incapacitates the employee from performing normal work duties. This includes disabilities caused or contributed by pregnancy, miscarriage, abortion, childbirth and recovery therefrom.

(c) Family Sick Leave. Employees may utilize up to one-half of their annual sick leave accrual in the case of illness or injury in the employee’s immediate family
MEMORANDUM OF UNDERSTANDING (OPERATIONS & MAINTENANCE UNIT)

when such illness or injury requires personal care that otherwise would not be covered by the FMLA or CFRA leaves.

Such leave shall be restricted to the employee's parents, spouse, mother-in-law, father-in-law, child, stepchild, brother, sister, brother-in-law, sister-in-law, grandparent and grandchild, legal dependant, and registered domestic partnership.

In special cases, with the approval of the Director of Human Resources, a department head may grant the use of sick leave in other circumstances.

It is not the intent of this provision to conflict with any state or federally mandated policies, such as the Family Medical Leave Act (FMLA), the California Family Rights Act (CFRA), or Pregnancy Disability Leave (PDL).

(d) Reporting Procedures for Sick Leave. When the requirement for sick leave is known to the employee in advance of the absence (for example, including but not limited to scheduled medical, dental or vision appointments), the employee shall request authorization for such sick leave from the department head prior to such absence.

If an employee is not able to report due to illness or injury, the employee shall report as soon as possible to the appropriate supervisor, but in no case more than thirty (30) minutes after the start of the work day, except for extenuating circumstances prohibiting giving notice.

Failure to notify as soon as possible and in conforming to the thirty (30) minute notification shall be cause for the following disciplinary action:

(1) For the first time within a six (6) month period, a Memorandum of Discussion.

(2) For the second time within a six (6) month period, a Letter of Reprimand.

(3) For any subsequent time within a six (6) month period, suspension from work; or at any time four (4) or more incidents occur within a six (6) month period, the employee may be discharged.

The six (6) month period will be defined as six (6) months from the most recent incident. If no other incident occurs within six (6) months of the most recent incident, the disciplinary data will be removed from the employee's active file.
(e) **Verification Procedures**

(1) Before being paid for the use of accrued sick leave, the employee shall submit a signed statement to the department head, on a prescribed form, stating the dates and hours of absence, the exact reason, and such other information as is necessary for the request to be evaluated. If an employee doesn't return to work prior to the preparation of the payroll, other arrangements may be made with the department head.

(2) **Doctor's Certificate or Other Proof.** If an employee's illness results in an absence from work for more than three (3) consecutive days, a doctor's certificate or other reasonable proof of illness may be required.

The Director of Human Resources may make such sick leave usage reviews and may require such additional documentation, including a physician's statement, as he deems necessary before approving the sick leave benefit.

(3) If the City has a reasonable basis to believe that an employee is abusing the sick leave benefit, the City or the employee's supervisor must first meet with the employee to: 1) explain the reasonable basis for the believed abuse, and 2) discuss the reasons for the employee's absence. The employee has the right to Union representation at such meeting. After such meeting, and depending on the factual circumstances, the City may:

(a) Place the employee on restricted sick leave for a period of not more than four (4) months, under the direction of the Director of Human Resources pursuant to section (e)(2) above;

(b) Suspend the employee without pay for up to five (5) days for abuse of sick leave; or dismissal from employment if a prior suspension involved abuse of sick leave;

(c) Place the employee in an employee assistance program, if agreed to by the employee.

(f) **Use of Sick Leave While on Vacation.** An employee who is injured or who becomes ill while on vacation may be paid for sick leave in lieu of vacation provided that the employee:

MEMORANDUM OF UNDERSTANDING (OPERATIONS & MAINTENANCE UNIT)

9.3 Other Leaves with Pay

(a) Bereavement Leave. In the event of a death in the immediate family of an employee, the employee shall, upon request be granted up to three (3) days bereavement leave with pay without charge to his accumulated sick leave credits or vacation eligibility. The Director of Human Resources may grant an additional two (2) days bereavement leave upon request which shall be charged against the employee's accumulated sick leave credits in cases where extensive travel is required to attend the funeral. For the purposes of this paragraph, the immediate family shall be restricted to the employee's parents, spouse, mother-in-law, father-in-law, child, stepchild, brother, sister, brother-in-law, sister-in-law, grandparent, and domestic partner.

In the event of the death of a person not immediately related to an employee as defined above, the employee's department head may grant up to three (3) days bereavement leave upon request which shall be charged against the employee's accumulated sick leave credits.

(b) Court Appearance. Upon approval by the department head, an employee, other than a provisional or temporary employee, shall be permitted authorized absence from duty for appearance in Court because of jury service, in obedience to subpoena or by direction of proper authority, in accordance with the following provisions:

Said absence from duty including necessary travel time, will be with full pay for each day the employee serves on jury duty or testifies as a witness in a criminal case, other than as a defendant. As a condition of receiving such pay, the employee must remit to the City, through the employee's department head, within fifteen (15) days after receipt, all fees received except those specifically allowed for mileage and expenses.

Jury duty or witness duty appearances shall be considered in terms of "whole days" (8 hours) or "half days" (4 hours) of service. If an employee is not due to appear for jury duty or as a witness until an afternoon court session, the employee will be
MEMORANDUM OF UNDERSTANDING (OPERATIONS & MAINTENANCE UNIT)

expected to work his usual morning schedule. If an employee is required to appear for a morning court session and is sent home before noon and not required to return in the afternoon, the employee will be expected to work his usual afternoon schedule.

Said absence from duty will be without pay when the employee appears in private litigation to which the City of Stockton is not a party.

Any fees allowed, except for reimbursement of expenses incurred, shall be remitted to the City through the employee's department head.

Notwithstanding the foregoing, attendance in court in connection with an employee's official duties or in behalf of the City of Stockton in connection with a case in which the City of Stockton is a party, together with travel time necessarily involved, shall not be considered absent from duty within the meaning of the Section.

(c) Military Leave. An employee of the City who is a member of the National Guard or Naval Militia or a member of the Reserve Corps or Force of the Federal Military, Naval or Marine Service and is ordered to duty shall be granted leave with pay while engaged therein, provided the leave does not exceed thirty (30) days in any calendar year.

All regular employees in the service of the City shall be allowed leave of absence without pay for duration of a national emergency who have been inducted into the Army, Navy, Marine Corps, Air Force or any other branch of the Military Service of the United States or the State of California. Said employees shall be reinstated in the position they held when they were inducted into Military Service, except as hereinafter stated, providing they are physically fit as shown by a medical examination by the City Physician or other physician appointed to make a medical examination.

In the case of a probationary employee having served a minimum probationary period of six (6) months at the time of induction, it shall be optional with the department head and the City Manager to grant regular status to said employee before induction.

All probationary employees inducted into Military Service not having served the minimum probationary period of six (6) months, or having served the minimum probationary period of six (6) months, but not having received regular status shall be allowed leave of absence without pay for the duration of a national emergency, but said employees shall be placed at the head of the eligible list for such position in the order of their seniority of employment and when appointed to a vacant position, they
must be physically fit as above specified and shall serve the balance of their probationary period before attaining the status of a regular employee.

Two (2) or more regular employees granted military leave of absence without pay from the same position shall be reemployed according to their seniority of employment providing they are physically fit as above specified.

9.4 Workers' Compensation Leave

(a) Workers' Compensation Benefits shall be provided in accordance with State law and schedules whenever an employee is absent from duty because of disability caused by illness or injury arising out of and in the course of employment which has been declared to be compensable under the Workers' Compensation Law.

(b) Payment. Workers' Compensation Leave will be paid in accordance with the following schedule:

Employees who have worked for the City more than twelve (12) months but less than twenty-four (24) continuous months and who are unable to work shall receive their full salary for the term of the disability but not to exceed a period of two (2) months.

Employees who have worked for the City for twenty-four (24) or more continuous months but less than sixty (60) continuous months and who are unable to work shall receive their full salary for the term of the disability but not to exceed a period of three (3) months.

Employees who have worked for the City for sixty (60) or more continuous months and who are unable to work shall receive their full salary for the term of their disability but not to exceed a period of twelve (12) months.

Workers' Compensation Leave shall commence from the first day's absence.

(c) Forms and Procedures. Salary continuation approval will follow the same procedures as for sick leave approval. Salary continuation payments will be contingent on the City's acceptance of the injury as compensable under Workers' Compensation Law.

9.5 Leave of Absence Without Pay

(a) Entitlement. Employees shall not be entitled to leave of absence without pay as a matter of right, but only upon the determination of the City that the granting of
such leave is in the best interest of public service and that there is a presumption that the employee intends to return to work upon the expiration of the leave of absence. The granting of a leave of absence provides the employee the right to return to the position vacated.

(b) **Approval.** All leaves of absence without pay must be recommended by the department head and approved by the Director of Human Resources. No such leave may extend beyond twelve (12) months, except in the case of absence due to job incurred disability where a determination may be made based upon the needs of public service, or in the event an application for service connected disability retirement has been filed.

(c) Leaves of absence without pay for illness may only be approved following the expiration of entitlement of sick leave and vacation where applicable.

9.6 **Absence Without Official Leave (AWOL)**

(a) **Refusal of Leave or Failure to Return after Leave.** Failure to report for duty or failure to report for duty after a leave of absence request has been disapproved, revoked, or canceled, or at the expiration of a leave, shall be considered an absence without official leave.

(b) **Voluntary Resignation.** Any employee in this bargaining unit absent without official leave for two (2) or more consecutive days without a satisfactory explanation shall be deemed to have voluntarily resigned from the City of Stockton. An employee must provide a written statement to the Human Resources Department regarding a "satisfactory explanation", within ten (10) calendar days after the City mails a notice of voluntary resignation to the employee's last known address.

**Section 10. Days and Hours of Work**

10.1 **Workweek**

The normal workweek in this unit consists of five (5) consecutive eight (8) hour days or a total of forty (40) hours, generally Monday through Friday in a seven (7) day work period. Where operational requirements of a department require deviations from this schedule, the department head with City Manager approval may institute alternate work schedules as long as the City meets with the Union over the impact of such schedules and conforms to work period requirements of the Fair Labor Standards Act.

10.2 **Meal Periods and Rest Periods**

CITY OF STOCKTON

(c) For any subsequent time within a six (6) month period, suspension from work; or at any time four (4) or more incidents occur within a six (6) month period, the employees may be discharged.

Any Memorandum of Discussion or Letter of Reprimand regarding tardiness which is more than six (6) months old will be removed from the personnel file upon request.

Section 11. Overtime

11.1 Overtime Authorization

Section 15. Salaries

15.1 Salary Rates

The salary table for all employees in the aforementioned representation unit will be as set forth in Appendix "A," which is attached hereto and made a part hereof.

All salaries rates hereby established and explained in other parts of section 15 shall no longer be fitted to the Stockton Salary Matrix as set forth in the City of Stockton Salary Schedule. Instead, all salary rates hereby established and explained in other parts of section 15 shall be assigned a fixed percentage of 5.00% between salary steps.

The rates of pay set forth in Appendix "A" do not include reimbursement for actual and necessary expenses for traveling, subsistence and general expenses authorized and incurred incident to City employment.

15.2 Salary upon Appointment

Except as herein otherwise provided, the entrance salary for a new employee entering the classified service shall be the minimum salary for the class to which appointed. When circumstances warrant, the Director of Human Resources may approve an entrance salary which is more than the minimum salary for the class to which an employee is appointed. Such a salary may not be more than the maximum salary for the class to which that employee is appointed.

15.3 Salary Equivalents

Any monthly, daily or hourly rate of pay may be converted into an equivalent rate of pay or to any other time bases when, in the judgment of the City Manager, such a conversion is advisable. In determining equivalent amounts on different time bases the City shall provide tables or regulations for the calculation of payment for service of less than full time, and for use in converting monthly salaries to hourly rates, as well as for calculating hourly rates. Overtime rate and premium pay shall be calculated according to the provisions of the Fair Labor Standards Act.

MEMORANDUM OF UNDERSTANDING (OPERATIONS & MAINTENANCE UNIT)

class. (In a case where a person possesses unusual qualifications, the Director of Human Resources may authorize appointment above the first step after receiving the recommendation of the department head. The same provision shall apply to hourly paid and part-time employees.)

If a department head recommends to withhold increases to salary steps two (2) through seven (7) because an employee has not achieved the level of performance required, notice must be received by the City Manager at least four (4) weeks in advance of the employee's eligibility date. The affected employee shall be furnished a copy of the department head's recommendation. Failure to abide by the above four-week limitation shall not automatically cause a step increase to be granted; however, if an employee does not receive notice by the actual anniversary date, the increase shall be automatically granted.

The second step shall be paid upon the satisfactory completion of six (6) months service at the first step.

The third step shall be paid upon the satisfactory completion of one (1) year service at the second step.

The fourth step shall be paid upon the satisfactory completion of one (1) year service at the third step.

The fifth step shall be paid upon the satisfactory completion of one (1) year service at the fourth step and upon written recommendation of the department head.

The sixth step shall be paid upon the satisfactory completion of one (1) year service at the fifth step and upon written recommendation of the department head.

The seventh step shall be paid upon the satisfactory completion of one (1) year service at the sixth step and upon written recommendation of the department head.

Regardless of an employee's length of service, step advancements in any given class may be made upon recommendation of the department head with the approval of the Director of Human Resources, but not above Step No. 7 for a given range.

Salary step increases shall be effective the first day of the pay period following appointment or revision. If the date of appointment or revision is the first day of a pay period, salary step increases shall be as of that date.

Changes in an employee's salary because of promotion, demotion, postponement
MEMORANDUM OF UNDERSTANDING (OPERATIONS & MAINTENANCE UNIT)

of salary step increase or special merit increase will set a new salary anniversary date for that employee, which date shall be as stated in the preceding paragraph.

Salary range adjustments for a classification will not set a new salary anniversary date for employees serving in that classification.

(b) Salary Step Entry-Level Classifications. The City Manager may create a ten percent (10%) salary step reduction to any entry-level classification represented by this bargaining unit. The next and all subsequent salary steps shall be paid upon the satisfactory completion of one (1) year service at current salary step.

All employees who have been granted military leave shall, upon their return to the City service, be entitled to the automatic salary advancements within the range of their classification for the period they were in the military service.

15.6 Salary Step When Salary Range is Increased

Whenever the monthly schedule of compensation for a class is revised, each incumbent in a position to which the revised schedule applies shall be entitled to the step in the revised range which corresponds to the employee’s step held in the previous range, unless otherwise specifically provided for by the Director of Human Resources.

15.7 Salary Step After Promotion or Demotion

(a) When an employee is promoted from a position in one class to a position in a higher class, and at the time of promotion is receiving a salary equal to, or greater than, the minimum rate for the higher class, that employee shall be entitled to the next step in the salary scale of the higher class which is "approximately" five percent (5%) above the employee’s current salary, except that the next step shall not exceed the maximum salary of the higher class.

(b) When an employee is demoted, whether such demotion is voluntary or otherwise, that employee’s compensation shall be adjusted to the salary prescribed for the class to which demoted.

(1) If the salary of the employee is reduced for cause or disciplinary reasons, the employee shall receive the salary at the same step prior to promotion.

CITY OF STOCKTON 41
MEMORANDUM OF UNDERSTANDING (OPERATIONS & MAINTENANCE UNIT)

(2) If the salary of the employee is reduced through no fault of the employee (i.e., layoff), the salary at demotion shall be at the nearest lower salary to that which was received prior to the demotion.

15.8 Transfer

An employee may be transferred from a class in one department, or to a position of the same class in another department, or to a comparable class, with the approval of both the employee and Department Heads. In the case of a comparable class, the employee must be qualified, as determined by the Director of Human Resources. The Director of Human Resources, in making such a determination, must assure that the maximum salary rate for the classes in question must be equal to or less than the employee's current top step salary, and shall consider, among other things, whether the employee possesses the minimum qualifications for such class, and is able to demonstrate through education, experience, or successful completion of pertinent tests, that he/she is qualified for the transfer. If the transfer involves a change from the jurisdiction of one appointing authority to another, both must consent thereto.

15.9 Salary on Reinstatement

If a former employee is reinstated in the same position previously held or to one carrying a similar salary range, the employee's salary shall not be higher than the salary at the time of separation unless there has been an increase within the salary range.

If a former employee is reinstated to a position in a lower class, the employee's salary shall be set at the same step previously held, but in the pay range of the lower classification.

15.10 "Y" Rate

When an employee's classification is changed to a lower paid classification as the result of a classification study or other action, the employee may be placed on a "Y" rate. A "Y" rate means that the monthly compensation for the employee shall remain in effect until such time as further changes in the pay range of the new classification exceeds the "Y" rate.

15.11 Acting Pay

(a) General Provisions. Any employee in this unit who is assigned by a supervisor to work in a higher paid classification for two (2) or more hours in one (1)
MEMORANDUM OF UNDERSTANDING (OPERATIONS & MAINTENANCE UNIT)

day, shall receive the rate of pay in the step of the higher classification which would have been received if the employee had been promoted into that classification, or at least five percent (5%) more than the employee's salary in the present classification, whichever is greater. Out-of-class assignment pay during overtime status will commence at the first hour worked.

(b) When there is an existing promotional eligibility list, and acting pay assignment is expected to be for more than twenty (20) work days, acting pay shall be assigned from the top three (3) on the promotional eligibility list. If the assignment is for twenty work days or less, the highest ranking employee on the promotional list within the division shall be assigned. When there is no eligible list, section (c) below shall apply.

(c) If there is no existing list, acting pay selection shall be made from the five (5) most qualified employees in the section.

(1) Sections are defined, for the purpose of this clause only, as the sub-groups listed:(a) Water, (b) Sewer, (c) Wastewater Operations, and (d) Wastewater Maintenance; and

(d) Assignments from other than a promotional eligibility list shall not exceed 120 days per fiscal year per employee.
MEMORANDUM OF UNDERSTANDING (OPERATIONS & MAINTENANCE UNIT)

15.12 Special Assignment Pay

The City Manager may approve additional compensation in an amount not to exceed one additional salary step when an employee is assigned in writing by the supervisor to perform additional duties and responsibilities for the duration of the special assignment.

15.13 Special Certification Pay

Water Systems Operator and/or Senior Water Systems Operators who posses a Distribution Operator Certificate issued by the California Department of Health Services shall receive an additional three percent (3%) of base pay.

In the event that any provision of this Memorandum of Understanding is declared by a court of competent jurisdiction to be illegal or unenforceable that provision of the Memorandum of Understanding shall be null and void but such nullification shall not affect any other provisions of this Memorandum of Understanding, all of which other provisions shall remain in full force and effect.

In the event that Federal legislation changes the current applicability of the Fair Labor Standards Act, both parties agree to consult and/or confer on the impacts of such legislation to the extent required by law.

Section 17. Past Practices and Existing Memoranda of Understanding

AMENDMENT TO THE
MEMORANDUM OF UNDERSTANDING BETWEEN THE
CITY OF STOCKTON AND THE
OPERATING ENGINEERS LOCAL 3, AFL-CIO
OPERATIONS AND MAINTENANCE UNIT

UNION SECURITY ARRANGEMENT

WHEREAS, the City of Stockton ("City") and Operating Engineers Local 3, AFL-CIO, representing employees covered by the Operations and Maintenance Unit ("Union"), are parties to a Memorandum of Understanding ("MOU") covering the period March 1, 2008 through December 31, 2008, or until such time as a successor MOU is executed between the City and Union; and

WHEREAS, the parties desire to amend the provisions of the Union Security Agreement relating to dues check-off to modify existing obsolete language to conform to current practices; now, therefore

1. The parties hereto agree that section 2.1 of the MOU is hereby amended, and shall read as follows:

SECTION 2. UNION SECURITY

2.1 Dues Deduction

(a) General. The Union may have the regular dues of its members within the representation unit deducted from employees' paychecks under procedures prescribed by the City for such deductions. The Union has the exclusive privilege of dues deduction for its members.

Authorization, cancellation, or modification of payroll deductions shall be made upon forms provided or approved by the City. The payroll deduction authorization shall remain in effect until canceled or modified by the employee by written notice to the City or until the first day of the calendar month following the transfer of the employee to a unit represented by another employee organization as the representative of the unit to which the employee is assigned, or until employment with the City is terminated.
AMENDMENT TO THE
MEMORANDUM OF UNDERSTANDING BETWEEN THE
CITY OF STOCKTON AND THE
OPERATING ENGINEERS LOCAL 3, AFL-CIO
OPERATIONS AND MAINTENANCE UNIT

Additional authorization shall not be required for deduction of increased membership dues when such increase has been duly approved by the membership of the Union. Notification of such approval shall be forwarded to the City in the form of written notice on official Union letterhead and signed by the duly authorized Union official. Upon receipt of notification, the City shall authorize the payroll deduction of the increased amount.

If an employee is promoted to a position that is represented by another employee organization or to an unrepresented unit, membership dues for the former unit will not be deducted from the employee's paycheck by the City.

Amounts deducted and withheld by the City shall be transmitted to the officer designated in writing by the Union as the person authorized to receive such funds, at the address specified.

In addition to the deduction of dues, the City will deduct from the paychecks of Union members who request it, premiums for group insurance and investment plans sponsored by the Union. Such deductions shall be made in one lump sum and only upon signed authorization from the employee upon a form satisfactory to the City.

The employee's earnings must be sufficient after all other required deductions are made, to cover the amount of the deductions herein authorized. When an employee is in a non-pay status for an entire pay period, no withholdings will be made to cover that pay period from future earnings nor will the employee deposit the amount with the City which would have been withheld if the employee had been in pay status during that pay period. In the case of an employee who is in a non-pay status during a part of the pay period, and the salary is not sufficient to cover the full withholding, no deduction shall be made.

In this connection, all other required deductions have priority over the employee organization deduction.

(b) Indemnity and Refund. The Union shall indemnify, defend, and hold the City harmless against any claim made and against any suit initiated against the City on account of check off of Union dues or premiums for benefits. In addition, the Union shall refund to the City any amounts paid to it in error upon presentation of supporting evidence.
2. All other terms and conditions of employment set forth in the MOU not specifically changed by this amendment shall remain in full force and effect.

IN WITNESS WHEREOF, this Amendment has been attested to by the City Clerk, the City Seal affixed hereto, and the document subscribed to by the City of Stockton Employee Relations Officer and the duly authorized Representatives for the Operations and Maintenance Unit on the 16th day of November 2009, in accordance with the provisions of Stockton Municipal Code chapter 2.74.

TO: Mayor and City Council

FROM: Bob Deis, City Manager

SUBJECT: MEMORANDUM OF UNDERSTANDING BETWEEN THE CITY OF STOCKTON AND THE OPERATING ENGINEERS' LOCAL 3, OPERATIONS AND MAINTENANCE UNIT

RECOMMENDATION

It is recommended that the City Council adopt the attached resolution authorizing the City Manager to execute a Memorandum of Understanding between the City of Stockton and the Operating Engineers' Local 3, Operations and Maintenance bargaining unit, effective for the term July 1, 2011 to June 30, 2012. It is further recommended that the Resolution authorize the City Manager to take whatever actions are appropriate to carry out the purpose and intent of this resolution.

Summary

The current Memorandum of Understanding between the City and this bargaining unit expired on June 30, 2011. Representatives of the City have met and conferred and reached agreement with representatives of the Operating Engineers Local 3, Operations and Maintenance unit on a successor Memorandum of Understanding. The City has been notified that the membership of this bargaining unit has ratified the tentative agreement. This agenda item requests the City Council approve the successor MOU for the term July 1, 2011 to June 30, 2012.

DISCUSSION

Background

The City has had substantial fiscal shortfalls over the past several years. In 2010, OE3, Operations and Maintenance agreed to both permanent and temporary concessions for employees in their unit to assist the City in balancing its budget.

On May 17, 2011 the city declared a fiscal emergency due to declines in revenue and rising costs. On June 21, 2011, after taking public testimony, the City Council adopted a final budget for Fiscal 2011/12 that combines program and service reductions with compensation and benefit reductions in order to adjust expenditures to available revenue.

STOCKTON CITY COUNCIL

The City of Stockton (City) representatives and Operating Engineers' Local 3 Operations and Maintenance Unit (OE3/Operations) met and conferred and reached a tentative agreement on terms and conditions of employment for a successor Memorandum of Understanding; and

OE3/Operations notified the City that its membership had ratified the provisions of a successor Memorandum of Understanding; and

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF STOCKTON, AS FOLLOWS:

1. The Memorandum of Understanding with a term of July 1, 2011 to June 30, 2012, between City and OE3/Operations is adopted and reflects the full understanding of the parties as to the terms and conditions of employment for this unit and supersedes any previous amendments thereto, letters of understanding, and side agreements that it may be in conflict with.

2. The City Manager is authorized to execute the Memorandum of Understanding between City and OE3/Operations, a copy of which is attached as Exhibit 1 and incorporated by this reference.
3. The City Manager is hereby authorized to take steps that are appropriate to carry out the purpose and intent of this Resolution.

MEMORANDUM OF UNDERSTANDING (OPERATIONS & MAINTENANCE UNIT)

Section 1. Recognition

Operating Engineers' Local 3, AFL-CIO, hereinafter referred to as the "Union," is the recognized employee organization for the Operations and Maintenance Unit, certified pursuant to Resolution No. _______, adopted by the City Council on July 26, 2011.
Section 2. Union Security

2.1 Dues Deduction

(a) General. The Union may have the regular dues of its members within the representation unit deducted from employees' paychecks under procedures prescribed by the City for such deductions. The Union has the exclusive privilege of dues deduction for its members.

Authorization, cancellation or modification of payroll deductions shall be made upon forms provided or approved by the City. The payroll deduction authorization shall remain in effect until canceled or modified by the employee by written notice to the City or until the first day of the calendar month following the transfer of the employee to a unit represented by another employee organization as the representative of the unit to which the employee is assigned, or until employment with the City is terminated.

Additional authorization shall not be required for deduction of increased membership dues when such increase has been duly approved by the membership of the Union. Notification of such approval shall be forwarded to the City in the form of written notice on official Union letterhead and signed by the duly authorized Union official. Upon receipt of notification, the City shall authorize the payroll deduction of the increased amount.

If an employee is promoted to a position which is represented by another employee organization or to an unrepresented unit, membership dues for the former unit will not be deducted from the employee's paycheck by the City.

Amounts deducted and withheld by the City shall be transmitted to the officer designated in writing by the Union as the person authorized to receive such funds, at the address specified.

In addition to the deduction of dues, the City will deduct from the paychecks of Union members who request it, premiums for group insurance and investment plans sponsored by the Union. Such deductions shall be made in one lump sum and only upon signed authorization from the employee upon a form satisfactory to the City. Such authorizations may be made or changed no more frequently than twice yearly.

The employee's earnings must be sufficient after all other required deductions are made, to cover the amount of the deductions herein authorized. When an employee is in a non-pay status for an entire pay period, no withholdings will be
MEMORANDUM OF UNDERSTANDING (OPERATIONS & MAINTENANCE UNIT)

made to cover that pay period from future earnings nor will the employee deposit the amount with the City which would have been withheld if the employee had been in pay status during that pay period. In the case of an employee who is in a non-pay status during a part of the pay period, and the salary is not sufficient to cover the full withholding, no deduction shall be made.

In this connection, all other required deductions have priority over the employee organization deduction.

(b) **Indemnity and Refund.** The Union shall indemnify, defend and hold the City harmless against any claim made and against any suit initiated against the City on account of check off of Union dues or premiums for benefits. In addition, the Union shall refund to the City any amounts paid to it in error upon presentation of supporting evidence.

2.2 **Agency Fee**

(a) **Employee Rights**

(1) The City and the Union recognize the right of employees to form, join, and participate in lawful activities of employee organizations and the equal, alternative right of employees to refuse to form, join and participate in employee organizations. Neither party shall exert pressure upon or discriminate against an employee in the exercise of these alternative rights.

(2) Accordingly, membership in the Union shall not be compulsory. A unit member has the right to choose, either: to become a member of the Union; or, to pay to the Union a fee for representation services; or, to refrain from either of the above courses of action upon the grounds set forth in Section (f) below.

(b) **Unit Members' Obligation to Exclusive Representative**

(1) A bargaining unit member who does not fall within one (1) of the exempted categories as set forth in Section (f) below, and who has not voluntarily made application for membership in the Union within the sixtieth (60) day following the date upon which said employee has been formally hired by the City as a bargaining unit employee, must as a condition of continued employment in the City pay to the Union a representation fee, in exchange for representation services necessarily performed by the Union in conformance with its legally imposed duty of fair representation on behalf of said unit member who is not a member of
MEMORANDUM OF UNDERSTANDING (OPERATIONS & MAINTENANCE UNIT)

the Union.

(2) In the event that a unit member does not become a member of the Union or pay such fee directly to the Union, the City shall begin automatic payroll deduction. There shall be no charge to the Union for such mandatory agency fee deductions.

(3) Prior to beginning such automatic payroll deduction, the Business Representative of the Union will certify to the City in writing that the employee whose pay is to be affected by the deduction has: 1) refused to join the Union; and 2) has refused to tender the amount of the agency fee as defined herein; and 3) has not applied for an exemption under Section (f) herein. In addition the Union must also certify that it has provided the employee with a copy of the fee verification required by Section (e) herein.

(c) Definition of Agency Fee

(1) The agency fee collected pursuant to Section (b) above from unit members who are not members of the Union shall be an amount not to exceed the standard initiation fee, periodic dues and general assessments of the Union for the duration of this Agreement, minus any amount which is prohibited by the Constitution because such funds pay for political or ideological purposes not related to collective bargaining.

(2) Any dispute as to the amount of the representation fee shall be resolved pursuant to the provisions of Section (h) herein.

(d) Exceptions. Unit members on leave without pay and unit members who are in laid-off status shall be exempt from these provisions herein; except that the election as to membership or payment of a fee as set forth herein must be exercised within the first ten (10) work days upon return to paid status.

(e) Annual Verification of Agency Fee by the Union. Prior to January 31, of each year and before the collection of an agency fee from any unit member pursuant to these provisions herein, the Union shall submit a written certification to the fee payers verifying that the total amount of its representation fee conforms to Section (c) above, and itemizing all component parts of such fee which shall provide an adequate explanation for the basis of the fee. Each year such amount shall be verified and submitted in writing to the fee payers by the Union prior to January 31st. The Union will submit a copy of such verification to the Director of Human
MEMORANDUM OF UNDERSTANDING (OPERATIONS & MAINTENANCE UNIT)

Resources of the City. The parties agree that such annual verification is a condition precedent to the collection by either the City or the Union of a representation fee from a unit member.

(f) Employees Exempted From Obligation to Pay Union

(1) Any unit member shall be exempt from the requirements of Section (b) above, if such employee has a bona fide religious objection as defined by Section 3502.5 of the Government Code to the payment of any fee in support of a Union or "employee organization" as defined in Section 3540.1(d) of the Government Code.

(2) Such exempt unit member shall, as an alternative to payment of a representation fee to the Union, pay an amount equivalent to such representation fee to:

   a. United Way.
   b. American Cancer Society.
   c. Any charity jointly agreed in writing by the parties.

(3) If a unit member desires to be exempted for reasons set forth in Section (f) herein, the unit member must first request such exemption in writing from the Union setting forth briefly the rationale for the exemption. If the Union notifies the unit member in writing that the Union will not honor the request, then the matter shall be referred automatically to a panel for determination according to the procedure set forth below. The panel shall be composed of one (1) person selected by the Union, one (1) person selected by the unit member, and an arbitrator selected by the parties chosen from a list submitted by the State Conciliation Service. If either one or both parties fail to nominate a panel member, the process of hearing will continue without that party's panel member.

(4) The panel shall first receive arguments and evidence from the unit member requesting the exemption. Thereafter the Union may present any arguments or evidence. The proceedings shall be conducted in an informal manner, and the rules of evidence will not apply. The arbitrator shall act as chair and rule on all matters before the panel with the exception of the final determination of the panel. The panel shall prepare a written decision within fifteen (15) calendar days of the completion of the hearing which shall be final and binding upon the parties. Any expenses of the panel shall be borne by the parties incurring them.

(5) Upon receipt of the decision of the panel, the City shall release any
funds held in escrow to the Union or to the charity. Any decision by the panel shall apply for the duration of this Memorandum of Understanding.

(6) In addition, the Union may require such exempt unit member to submit proof of payment of an amount equivalent to such representation fee to one (1) of the alternative funds or organizations listed above. If the bargaining unit member has not provided payment, the City will institute deductions pursuant to Section (b)(2), and forward such monies to a charity listed in Section (f)(2).

(7) Such payments shall be made on or before January 31, of each year or no more than thirty (30) days after commencing duties for any newly hired employee.

(g) Escrow Account. If any unit member either disputes the amount of the fee or disputes whether or not an exemption was appropriately denied, the City shall deposit the fee which was deducted and place such amount into a special escrow account established by the Union for such purposes.

(h) Procedure for a Unit Member Who Contest the Amount of the Fee

(1) The parties agree that in order to provide a uniform definition of the representation fee, any disputes involving the amount of such fee shall be referred to the Union's procedure for determination, provided that the parties have first complied with the other provisions of this Section.

(2) The Union shall notify the City in writing within twenty (20) days after it becomes aware that any employee disputes the amount of the fee.

(3) The Union will verify in writing to the City that all of the conditions of Section (b)(3) have been met prior to the City's initiation of the fee deductions set forth in Section (b)(2). Thereafter, the City will notify the affected employee in writing that such deductions will commence and a copy of the Union's written verification will be attached to the City's notice. Thereafter, the City will begin the deductions.

The monies held in escrow shall be released to the appropriate party upon the rendering of a final decision by the Union's internal procedure.

(i) Payment Method/Payroll Deduction

(1) A unit member may voluntarily sign and deliver to the City a written assignment authorizing deduction of the properly established
MEMORANDUM OF UNDERSTANDING (OPERATIONS & MAINTENANCE UNIT)

representation fee as defined in Section (c) above, subject to the conditions set forth elsewhere in this agreement for payroll deductions, or the amount of the fee will be deducted automatically in accordance with Section (b)(2) herein.

(2) The City is under no obligation to make payroll deductions for the periods during which a unit member is either terminated from active employment, or not on the City's active payroll for any reason, including, but not limited to, layoff and voluntary leave of absence for more than thirty (30) days.

(3) Upon the rehiring of any unit member, or upon the recalling of any unit member from layoff status, the City will resume or initiate dues deductions for such unit member.

(j) Obligations of Parties

(1) City's Obligations. The City's obligation under this Article is to notify any unit member who has failed to comply with the provisions of this Section that, as a condition of continued employment with the City, such unit member must become an Union member, or pay a representation fee, or establish an exemption status and make payment pursuant to provisions of Sections (b) and (f) of this Agreement. Under no circumstances shall the City be required to dismiss or otherwise discipline any unit member for failure to fulfill their obligations to pay the fees established herein.

(2) Union's Obligations. Except as specified herein, the Union and not the City, shall be responsible for requiring unit members to fulfill obligations defined herein. It is the obligation of the Union to collect any representation fees which may be due and payable to the Union in consideration for its services as the exclusive representative of unit employees.

(k) Hold Harmless Provision. The Union shall hold the City harmless, and shall fully and promptly reimburse the City for any fees, costs, charges or penalties incurred in responding to or defending against any claims, disputes, challenges, whether formal or informal, which are actually brought, or attempted or threatened to be brought, against the City or any of its agents, or employees, in connection with the interpretation, application, administration or enforcement of any Section of this Agreement pertaining to representation fee. Such reimbursement shall include, but not be limited to, court costs, litigation expenses, and attorney's fees incurred by the City. The City shall have the right to be
MEMORANDUM OF UNDERSTANDING (OPERATIONS & MAINTENANCE UNIT)

represented by its own attorney in any action in which it is a named party to the action. Disputes over the amount of reimbursement shall be automatically submitted to the arbitration provisions of this Memorandum, Section 8.3(e).

2.3 Use of City Facilities

(a) The Union shall be allowed by the City department in which it represents employees' use of space on available bulletin boards for communications having to do with official Union business, such as times and places of meetings, provided such use does not interfere with the needs of the department. The Union may submit to the City Employee Relations Officer written communications having to do with official Union business for distribution by the City to identified shop stewards. Distribution may be by e-mail.

(b) Any representative of the Union shall give notice to the department head or designated representative when contacting department employees on City facilities during the duty period of the employees, provided that solicitation for membership or other internal Union business shall be conducted during the non-duty hours of all employees concerned. Pre-arrangement for routine contact may be made with individual department heads and when made shall continue until revoked by the department head.

(c) City buildings and other facilities may be made available for use by City Employees of the Union or their representatives in accordance with such administrative procedures as may be established by the City Manager or department heads concerned.

2.4 Advance Notice

Except in cases of emergency, reasonable advance written notice shall be given to the Union if affected by any ordinance, resolution, rule or regulation directly relating to matters within the scope of representation proposed to be adopted by the City and shall be given the opportunity to negotiate if requested with the designated management representatives prior to adoption.

In cases of emergency when the foregoing procedure is not practical or in the best public interest, the City may adopt or put into practice immediately such measures as are required. At the earliest practicable date thereafter the Union shall be provided with the notice described above and be given an opportunity if requested to negotiate changes to said notice with the management representatives designated by the City Manager.
2.5 Attendance at Meetings by Employees

City employees who are official representatives or unit representatives of the Union shall be given reasonable time off with pay to attend meetings with City management representatives, or be present at City hearings where matters within the scope of representation or grievances are being considered. Such employee representatives shall submit a request for excused absence to their respective department heads, in a manner satisfactory prior to the scheduled meeting whenever possible. Except by mutual agreement the number of the employees excused for such purposes shall not exceed three (3) per recognized bargaining unit.

Time spent for this purpose during the representative’s scheduled hours of work count as hours worked. Time spent for this purpose which may exceed the representative’s regularly scheduled hours of work shall be compensated as overtime or compensatory time.

2.6 Maintenance of Membership

All employees in the Operations and Maintenance unit who are members of the Union, tendering periodic dues at the execution of this agreement, and all employees who thereafter become members of the Union shall, as a condition of employment, pay dues to the Union for the duration of this Memorandum of Understanding, and each year thereafter. For a period of thirty (30) days prior to January 1, 2009 and thirty (30) days prior to any January 1, thereafter, any employee in the aforementioned unit who is a member of the Union shall have the right to withdraw from the Union discontinuing dues payments and retain employment in the City, subject to provisions of Section 2.2, Agency Fee. Said withdrawal shall be communicated by the employee in writing to the City. The provisions of this section shall be operative only to the extent that they are permissible under California law.

2.7 Assignment of Classifications

New job classifications established by the City shall be assigned to the bargaining unit pursuant to Section 8 (b) of the City’s Employer-Employee Relations Resolution after providing notice and the opportunity to consult with the Union regarding such matters.

2.8 Contract Ratification

Ratification votes for Contract will be handled on city time during the day.

CITY OF STOCKTON
Section 3. Compliance with Federal Laws/Safety

3.1 Non-Discrimination. The City and the Union agree that there shall be no discrimination of any kind because of race, creed, color, religion, national origin, sex, political affiliation or legitimate union activity against any employee or applicant for employment; and to the extent prohibited by applicable State and Federal law there shall be no discrimination because of age.

3.2 Fair Labor Standards Act. The Union agrees to cooperate with the City to insure its members' compliance with the provisions of the Fair Labor Standards Act.

3.3 Safety. The Union shall cooperate with the City in promoting safety objectives as defined in Federal, State and local regulations by actively supporting safety programs, promoting safe work habits of members and encouraging an ongoing, active participation by its members in safety related procedures and practices as offered and promulgated by the City of Stockton.
Section 4. Probation

4.1 Purpose

The probationary period shall be utilized for closely observing the employee’s work, for securing the most effective adjustment of a new employee to a position, and for rejecting any probationary employee whose performance does not meet the required standards of work.

4.2 Original Entrance and Promotional Positions

All original and promotional appointments shall be tentative and subject to a probationary period of six (6) months, unless a longer probationary period is stated in the class specification. The probationary period may be extended up to an additional six (6) months in those cases where the appointing authority and the Director of Human Resources agree that such extension would be beneficial to the employee and the City.

4.3 Retention/Rejection of Probationer

At the end of the probationary period, if the service of the probationary employee has been satisfactory to the appointing authority, then the appointing authority shall file with the Director of Human Resources a statement in writing to such effect and stating that the retention of such employee in the service is desired. The City will make a good faith effort to notify a probationary employee two (2) weeks before the end of the probationary period whether or not permanent status is granted; however, a failure on the part of the appointing authority to file such a statement at the end of the probationary period shall constitute a rejection of the probationer as defined in Civil Service Rules.

During the probationary period an employee may be rejected at any time by the appointing authority. Any employee rejected during the probationary period following a promotional appointment, shall be reinstated to the position from which promoted unless charges are filed and the employee is discharged in the manner provided in Section 7 of this Memorandum of Understanding and in the Civil Service Ordinance and Civil Service Rules, which are consistent therewith.

4.4 Alcohol and Drug Testing. All original and reemployed appointments must pass a drug and alcohol screening prior to being offered City employment. This shall include non-represented part-time, seasonal, provisional, and temporary appointments.
MEMORANDUM OF UNDERSTANDING (OPERATIONS & MAINTENANCE UNIT)

(b) Departments of the City are defined as follows:

(1) Administrative Services

MEMORANDUM OF UNDERSTANDING (OPERATIONS & MAINTENANCE UNIT)

(1) extra help or seasonal
(2) provisional
(3) temporary
(4) probationary

Layoffs shall be by job classification according to reverse order of seniority as determined by total service in the City, except as specified above. For the purpose of this procedure part-time classes shall be considered as separate from regular full-time classes.

The following provisions shall apply in computing total continuous service:

(1) Time worked in a permanent or probationary status shall count as service.
(2) Time spent on military leave shall count as service in the event the leave was taken subsequent to entry.
(3) Time worked in an extra help, seasonal, provisional, temporary, grant or other limited term status shall not count as service.

If two (2) or more employees have the same seniority, the most recent performance evaluation shall determine seniority.

(b) Any employee in the Operations and Maintenance Unit who is laid off may complete a City employment application for any position currently staffed by a part time, provisional, or temporary employee. The Human Resources Department will evaluate the employment application. If the laid off employee meets the minimum qualifications of that position, he/she shall have the option of displacing the part time, provisional, or temporary employee.

5.5 Employee Options

Employees laid off shall have any of the following choices:

(a) Displacing the employee in the same department and in the same or clearly comparable classification as determined by the Director of Human Resources as having the least (total service) seniority. This option shall be exercised before any other option.

(b) Taking a voluntary demotion within the department to a classification in which the employee had prior permanent status, thus displacing the employee working in the classification who has the least (total service) seniority.
5.6 **Health and Welfare Benefits during Layoff**

Permanent employees who are laid off will have an option of maintaining their existing health and welfare benefits for thirty-six (36) months from the date of layoff, provided timely payments of the premiums by the employee are made to the City, according to City regulations, and provided the employee otherwise meets the requirements of Federal and State regulations.
Section 6. Reemployment

(a) The name of each employee who is laid off in accordance with Section 5. shall be placed at the head of the eligibility list for the class of positions which that employee held, and shall be given preference in filling vacancies in that class.

(b) An employee laid off in accordance with this Section shall be placed on the eligibility list or lists for any lower or comparable class or classes in the same department, provided that the appointing authority and the department head in charge of this lower or comparable class determine that the employee is competent to perform the duties thereof in strict accordance with the class specifications. This right of a laid off employee shall remain effective for two (2) years from the date of latest separation from the service. The employee shall not be placed on said eligibility list or lists without first submitting a written request. Employee's place on said list or lists shall be at the head of the eligibility list for the class of positions for which qualified as hereinabove set forth and shall be given preference in filling vacancies except for those persons placed on said list or lists of reemployment in the same positions previously held. Upon certification for appointment to a new position never having been held by this employee, the probationary period must be completed as required in this Memorandum of Understanding.

7.2 Administrative Leave

The City may place an employee on administrative leave pending the completion of the prediscliplinary process.

7.3 Provisions

The appointing authority may discharge, suspend or demote any employee in the classified service provided the Stockton Municipal Code provisions and the rules and regulations of the Civil Service Commission and any applicable provisions of law are followed. Such provisions allow the employee suspended, demoted or discharged to appeal such action. The employee may take only one (1) of the following actions:

(a) File no appeal.

(b) File an appeal with the Civil Service Commission within ten (10) calendar days of written notification of the action. (Such filing will foreclose use of the grievance procedure.)
(c) File a grievance as provided for in Section 8 within ten (10) calendar days of written notification of the action.

If the employee fails to do (b) or (c) above within the prescribed time frames, these rights will have been waived.

All verbal reprimands and written reprimands shall be removed from the employee's record after a period of one year if there has been no reoccurrence of the infraction and the employee has a good work record. All other disciplinary records shall be removed from an employee's work record after two (2) years if there has been no reoccurrence of the infraction and the employee has a good work record.
Section 8. Grievance Procedures

8.1 Definition

A grievance is any dispute which involves the interpretation or application of those rules, regulations and resolutions which have been, or may hereafter be, adopted by the City Council to govern personnel practices and working conditions, including such rules, regulations and resolutions as may be adopted by either the City Council or the Civil Service Commission to affect Memoranda of Understanding which result from the meeting and conferring process.

8.2 Filing Deadline

(a) No grievance involving demotion, suspension, discharge or other employment penalty will be entertained unless it is filed in writing with the Director of Human Resources within ten (10) calendar days of the time at which the affected employee received written notification of such action. All other grievances must be filed within thirty (30) calendar days from the time the employee knew or had reason to know of the facts giving rise to the grievance.

(b) With written consent of the City Manager or his/her designee and the Union Business Agent or his/her designee, time limits may be extended and/or Steps 1, 2 and/or 3 of the Grievance Procedure waived.

8.3 Grievance Processing

(a) Step 1 - Departmental Review. Any employee claiming to have a grievance may discuss the complaint with such management official in the department where employed as the department head may designate. If the issue is not resolved within the department within twenty (20) calendar days from the day of presentation or if the employee elects to submit the grievance directly to the Union recognized as the representative of that employee's classification, or if the employee/Union official notifies the Director of Human Resources, in writing, that a grievance exists, the procedure hereinafter specified may be invoked.

(b) Step 2 - Director of Human Resources Review. If the employee is not satisfied with the response at level one, then the employee may appeal the grievance to the Director of Human Resources within twenty (20) calendar days of the receipt of written response at level one. Such appeal must state with particularity: 1) the specific policy, rule or provision which is alleged to have been violated; 2) the statement of facts comprising the violation; and 3) the requested remedy. The Union may file and process grievance(s) on behalf of the
specifically named employee. The Director of Human Resources shall have twenty (20) calendar days in which to investigate the issues, meet with the complainant and attempt to reach a satisfactory resolution of the problem. No grievance may be processed under the following two (2) paragraphs which has not first been filed and investigated in accordance with this paragraph, except for the resolution of compensation complaints.

(c) **Step 3 - Adjustment Board.** If the parties are unable to reach a mutually satisfactory accord on any grievance which arises and is present during the terms of this Memorandum of Understanding, within twenty (20) calendar days of the receipt of the level three response, such grievance shall be submitted to an Adjustment Board comprised of two (2) Union representatives, no more than one (1) of whom shall be either an employee of the City or an elected or appointed official of the Union and two (2) representatives of the City, no more than one (1) of whom shall be either an employee of the City or a member of the staff of any organization employed to represent the City in the meeting and conferring process.

(d) **Step 4 - Arbitration.** If an Adjustment Board is unable to arrive at a majority decision, within twenty (20) calendar days either the Union or the City may require that the grievance be referred to an impartial arbitrator mutually selected by the parties, or if the parties are unable to mutually agree, from a list of seven (7) arbitrators provided by the State Conciliation Service. The arbitrator shall be chosen by the alternative strike method, with first choice being determined by lot. The fees and expenses of the arbitrator and of a court reporter shall be shared equally by the Union and City. Each party, however, shall bear the cost of its own presentation, including preparation and post hearing briefs, if any.

(e) **Effect of Decision.** Decisions of Adjustment Boards and arbitrators on matters properly before them shall be final and binding on the parties hereto except as provided otherwise herein.

8.4 **Scope of Arbitration**

(a) No Adjustment Board and no arbitrator shall entertain, hear, decide or make recommendations on any dispute unless such dispute involves a position in a unit represented by the Union and unless such dispute falls within the definition of a grievance as set forth in paragraph 8.1.

(b) Proposals to add to or change this Memorandum of Understanding or written agreements or addenda supplementary hereto shall not be arbitrable and no proposal to modify, amend or terminate this Memorandum of Understanding,
nor any matter or subject arising out of or in connection with such proposal, may be referred to arbitration under this Section. No Board of Adjustment or arbitrator selected pursuant to this Section shall have the power to amend or modify this Memorandum of Understanding or written agreements or addenda supplementary hereto or to establish any new terms or conditions of employment.

No changes in this Memorandum of Understanding or interpretations thereof (except interpretations resulting from Board of Adjustment or arbitration proceedings hereunder) will be recognized unless agreed to by the Director of Human Resources and the Union.

8.5 Other Provisions

If the Director of Human Resources or City Manager, in pursuance of the procedures outlined above, resolves a grievance which involved suspension or discharge, they may agree to payment for lost time or to reinstatement with or without payment for lost time, but in the event the dispute is referred to arbitration and the arbitrator finds that the City had cause to take the action complained of, the arbitrator may not substitute his judgment for the judgment of management and if the findings are that the City had such right, the arbitrator may not order reinstatement and may not assess any penalty upon the City.

Complaints which allege the employee is not being compensated in accordance with the provisions of this Memorandum of Understanding shall be considered as grievances and processed pursuant to Section 8.3. Any other matters of compensation are to be resolved in the meeting and conferring process and if not detailed in the Memorandum of Understanding which results from such meeting and conferring process shall be deemed withdrawn until the meeting and conferring process is next open for such decision. No adjustment shall be retroactive for more than thirty (30) calendar days from the date upon which the complaint was filed.

Specified time limits may be modified only in writing. All appeals and responses must be provided in writing.

A grievant will be provided release time without loss of pay for all required meetings with management. The City cannot discriminate or retaliate in any manner against an employee for filing a grievance or exercising rights under this Section.

The provisions of this Section shall not abridge any rights to which an employee may be entitled under the Stockton Municipal Code and/or Civil Service Rules.
MEMORANDUM OF UNDERSTANDING (OPERATIONS & MAINTENANCE UNIT)

and Regulations, nor shall it be administered in a manner which would abrogate any power which, under the Stockton Municipal Code, may be within the sole province and discretion of the Civil Service Commission.

All grievances of employees in representation units represented by the Union shall be processed under this Section. If the Stockton Municipal Code and/or the Civil Service Rules and Regulations requires that a differing option be available to the employee, no action under paragraph (d) or (e) of Subsection 8.3 above shall be taken unless it is determined that the employee is not utilizing such option.

No action under paragraph (d) or (e) of Subsection 8.3 above shall be taken if action on the complaint or grievance has been taken by the Civil Service Commission or if the complaint or grievance is pending before the Civil Service Commission.

If any award by a Board of Adjustment or arbitrator requires action by the City Council or the Civil Service Commission before it can be placed in effect, the City Manager and the Director of Human Resources will recommend to the City Council or the Civil Service Commission, as appropriate, that it follow such award.

MEMORANDUM OF UNDERSTANDING (OPERATIONS & MAINTENANCE UNIT)

(c) **Vacation Scheduling.** Vacation leaves shall be scheduled with due consideration for the wishes of the employee and so as to not interfere with the normal operation of the City business. Vacation requests are accepted on a day for day basis.

(d) **Holiday during Vacation.** If any such paid holidays fall within an employee’s vacation leave, the employee will not be charged vacation accrual for that day.

(e) **Cash Payment Option for Vacation.**

   (1) An employee may elect to receive cash payment for up to a maximum of forty (40) hours of accumulated hours annually except that all cash outs shall be suspended during furlough periods.

9.2 **Sick Leave**

(a) **Accrual.** All regular full-time employees, except provisional and temporary employees, shall accrue sick leave at the rate of eight (8) hours for each month of completed service.

All regular employees, except provisional and temporary employees, scheduled to work less than a full month shall accrue sick leave on a prorated basis. Unused sick leave shall accrue from year to year. Employees shall continue to accrue sick leave while off duty on authorized sick leave; provided, however, an employee shall not accrue sick leave during any leave or leaves of absence without pay granted to the employee.

(b) **Usage.** Employees are entitled to sick leave pay for those days which the employee would normally have worked, to a maximum of the hours accrued, described as:

Preventive medical, dental, optical care, illness, injury or exposure to contagious disease which incapacitates the employee from performing normal work duties. This includes disabilities caused or contributed by pregnancy, miscarriage, abortion, childbirth and recovery there from.

(c) **Family Sick Leave.** Employees may utilize up to one-half of their annual sick leave accrual in the case of illness or injury in the employee's immediate family when such illness or injury requires personal care that otherwise would not be covered by the FMLA or CFRA leaves.
MEMORANDUM OF UNDERSTANDING (OPERATIONS & MAINTENANCE UNIT)

Such leave shall be restricted to the employee's parents, spouse, mother-in-law, father-in-law, child, stepchild, brother, sister, brother-in-law, sister-in-law, grandparent and grandchild, legal dependant, and registered domestic partnership.

In special cases, with the approval of the Director of Human Resources, a department head may grant the use of sick leave in other circumstances.

It is not the intent of this provision to conflict with any state or federally mandated policies, such as the Family Medical Leave Act (FMLA), the California Family Rights Act (CFRA), or Pregnancy Disability Leave (PDL).

(d) Reporting Procedures for Sick Leave. When the requirement for sick leave is known to the employee in advance of the absence (for example, including but not limited to scheduled medical, dental or vision appointments), the employee shall request authorization for such sick leave from the department head prior to such absence.

If an employee is not able to report due to illness or injury, the employee shall report as soon as possible to the appropriate supervisor, but in no case more than thirty (30) minutes after the start of the work day, except for extenuating circumstances prohibiting giving notice.

Failure to notify as soon as possible and in conforming to the thirty (30) minute notification shall be cause for the following disciplinary action:

(1) For the first time within a six (6) month period, a Memorandum of Discussion.

(2) For the second time within a six (6) month period, a Letter of Reprimand.

(3) For any subsequent time within a six (6) month period, suspension from work; or at any time four (4) or more incidents occur within a six (6) month period, the employee may be discharged.

The six (6) month period will be defined as six (6) months from the most recent incident. If no other incident occurs within six (6) months of the most recent incident, the disciplinary data will be removed from the employee's active file.

(e) Verification Procedures
MEMORANDUM OF UNDERSTANDING (OPERATIONS & MAINTENANCE UNIT)

(2) **Doctor's Certificate or Other Proof.** If an employee's illness results in an absence from work for more than three (3) consecutive days, a doctor's certificate or other reasonable proof of illness may be required.

The Director of Human Resources may make such sick leave usage reviews and may require such additional documentation, including a physician's statement, as he deems necessary before approving the sick leave benefit.

(3) If the City has a reasonable basis to believe that an employee is abusing the sick leave benefit, the City or the employee's supervisor must first meet with the employee to: 1) explain the reasonable basis for the believed abuse, and 2) discuss the reasons for the employee's absence.

The employee has the right to Union representation at such meeting. After such meeting, and depending on the factual circumstances, the City may:

(a) Place the employee on restricted sick leave for a period of not more than four (4) months, under the direction of the Director of Human Resources pursuant to section (e)(2) above;

the leave of absence. The granting of a leave of absence provides the employee
the right to return to the position vacated.

(b) Approval. All leaves of absence without pay must be recommended by
the department head and approved by the Director of Human Resources. No

When circumstances warrant, the Director of Human Resources may approve an entrance salary which is more than the minimum salary for the class to which an employee is appointed. Such a salary may not be more than the maximum salary for the class to which that employee is appointed.

15.4 **Salary Equivalents**

Any monthly, daily or hourly rate of pay may be converted into an equivalent rate of pay or to any other time bases when, in the judgment of the City Manager, such a conversion is advisable. In determining equivalent amounts on different time bases the City shall provide tables or regulations for the calculation of payment for service of less than full time, and for use in converting monthly salaries to hourly rates, as well as for calculating hourly rates. Overtime rate and premium pay shall be calculated according to the provisions of the Fair Labor Standards Act.

15.5 **Salary Step Plan**

(a) There shall be five (5) to seven (7) salary steps in each range.

The first step shall be the minimum rate and shall be the normal hiring rate for the class. (In a case where a person possesses unusual qualifications, the Director of Human Resources may authorize appointment above the first step after receiving the recommendation of the department head. The same provision shall apply to hourly paid and part-time employees.)

If a department head recommends to withhold increases to salary steps two (2) through seven (7) because an employee has not achieved the level of performance required, notice must be received by the City Manager at least four (4) weeks in advance of the employee's eligibility date. The affected employee shall be furnished a copy of the department head's recommendation. Failure to abide by the above four-week limitation shall not automatically cause a step increase to be granted; however, if an employee does not receive notice by the actual anniversary date, the increase shall be automatically granted.

The second step shall be paid upon the satisfactory completion of six (6) months
service at the first step.

The third step shall be paid upon the satisfactory completion of one (1) year service at the second step.

The fourth step shall be paid upon the satisfactory completion of one (1) year service at the third step.

The fifth step shall be paid upon the satisfactory completion of one (1) year service at the fourth step and upon written recommendation of the department head.

The sixth step shall be paid upon the satisfactory completion of one (1) year service at the fifth step and upon written recommendation of the department head.

The seventh step shall be paid upon the satisfactory completion of one (1) year service at the sixth step and upon written recommendation of the department head.

Regardless of an employee's length of service, step advancements in any given class may be made upon recommendation of the department head with the approval of the Director of Human Resources, but not above Step No. 7 for a given range.

Salary step increases shall be effective the first day of the pay period following appointment or revision. If the date of appointment or revision is the first day of a pay period, salary step increases shall be as of that date.

Changes in an employee's salary because of promotion, demotion, postponement of salary step increase or special merit increase will set a new salary anniversary date for that employee, which date shall be as stated in the preceding paragraph.

Salary range adjustments for a classification will not set a new salary anniversary date for employees serving in that classification.

(b) Salary Step Entry-Level Classifications. The City Manager may create a ten percent (10%) salary step reduction to any entry-level classification represented by this bargaining unit. Whenever the monthly schedule of compensation for a class is revised, each incumbent in a position to which the revised schedule applies shall be entitled to the step in the revised range which corresponds to the employee's step held in the previous range, unless otherwise specifically provided for by the Director of Human Resources.

15.8 Salary Step After Promotion or Demotion

(a) When an employee is promoted from a position in one class to a position in a higher class, and at the time of promotion is receiving a salary equal to, or greater than, the minimum rate for the higher class, that employee shall be entitled to the next step in the salary scale of the higher class which is "approximately" five percent (5%) above the employee's current salary, except that the next step shall not exceed the maximum salary of the higher class.

(b) When an employee is demoted, whether such demotion is voluntary or otherwise, that employee's compensation shall be adjusted to the salary prescribed for the class to which demoted.

(1) If the salary of the employee is reduced for cause or disciplinary reasons, the employee shall receive the salary at the same step prior to promotion.

15.9 Transfer

An employee may be transferred from a class in one department, or to a position of the same class in another department, or to a comparable class, with the approval of both the employee and Department Heads. In the case of a comparable class, the employee must be qualified, as determined by the Director of Human Resources. The Director of Human Resources, in making such a
determination, must assure that the maximum salary rate for the classes in question must be equal to or less than the employee’s current top step salary, and shall consider, among other things, whether the employee possesses the minimum qualifications for such class, and is able to demonstrate through education, experience, or successful completion of pertinent tests, that he/she is qualified for the transfer. If the transfer involves a change from the jurisdiction of one appointing authority to another, both must consent thereto.

15.10 Salary on Reinstatement

If a former employee is reinstated in the same position previously held or to one carrying a similar salary range, the employee's salary shall not be higher than the salary at the time of separation unless there has been an increase within the salary range.

If a former employee is reinstated to a position in a lower class, the employee's salary shall be set at the same step previously held, but in the pay range of the lower classification.

15.11 "Y" Rate

When an employee's classification is changed to a lower paid classification as the result of a classification study or other action, the employee may be placed on a "Y" rate. A "Y" rate means that the monthly compensation for the employee shall remain in effect until such time as further changes in the pay range of the new classification exceeds the "Y" rate.

15.12 Acting Pay

(a) General Provisions. Any employee in this unit who is assigned by a supervisor to work in a higher paid classification for two (2) or more hours in one (1) day, shall receive the rate of pay in the step of the higher classification which would have been received if the employee had been promoted into that classification, or at least five percent (5%) more than the employee's salary in the present classification, whichever is greater. Out-of-class assignment pay during overtime status will commence at the first hour worked.

(b) When there is an existing promotional eligibility list, and acting pay assignment is expected to be for more than twenty (20) work days, acting pay shall be assigned from the top three (3) on the promotional eligibility list. If the assignment is for twenty work days or less, the highest ranking employee on the promotional list within the division shall be assigned. MEMORANDUM OF UNDERSTANDING (OPERATIONS & MAINTENANCE UNIT)

(d) Assignments from other than a promotional eligibility list shall not exceed 120 days per fiscal year per employee.

15.13 Special Assignment Pay

The City Manager may approve additional compensation in an amount not to exceed one additional salary step when an employee is assigned in writing by the supervisor to perform additional duties and responsibilities for the duration of the special assignment.

TITLE

MEMORANDUM OF UNDERSTANDING BETWEEN THE CITY OF STOCKTON AND THE PARKING ATTENDANT SERVICES UNIT

RECOMMENDATION

It is recommended that the City Council adopt by motion the attached Memorandum of Understanding (MOU) between the City of Stockton (City) and International Union of Operating Engineers Local No. 3 (Parking Attendants) for a newly established two year term of July 1, 2013 through June 30, 2015. It is further recommended that the City Council authorize the City Manager to execute this agreement with the Parking Attendant Unit. This action also authorizes the City Manager to take appropriate actions to carry out the implementation of the contract.

BODY

Summary

The current MOU between the City and the Parking Attendants has a term agreement of July 1, 2006 through June 30, 2009, containing a provision to continue the contract from year to year until such time either party files written notice of a desire to amend, modify, or terminate the MOU. Neither party has requested bargaining until this year.

The City provided notice to the Parking Attendants on April 2, 2013, of its desire to amend the contract. On April 23, 2013, the Parking Attendants ratified the MOU with the City’s proposed changes.

DISCUSSION

Background

In October 2004, in accordance with our Employee-Employer Relations procedures, the International Union of Operating Engineers’ Local No. 3 (OE3) filed a petition with the City Employee Relations Officer seeking recognition as the exclusive representative of the part-time parking attendants; and on March 8, 2005, Stockton City Council adopted Resolution No. 05-0076 to establish the Parking Attendant Services Unit as represented by OE3. The Parking Attendant classification is a part-time position and is excluded from the classified service and the provisions of the Civil Service Rules. Part-time employees do not receive benefits other than those mandated by state law (e.g., hourly, salary, workers’ compensation). Based on Article XXVI, Section 2602 of the City of Stockton Charter.
and by contractual provision with CalPERS, Parking Attendants are expressly excluded from participation in the CalPERS retirement system. In lieu of social security, part-time employees contribute to deferred compensation, which is paid by the employee.

Present Situation

The new MOU amends the following: wage adjustment schedule to align step one with minimum wage; incorporates the Union Security side-letter of agreement; and updates language to ensure compliance with state and federal laws and regulations. There is no cost of living or any compensation increase provided for in this new MOU.

The changes in this new MOU are summarized as follows:

1. Contract Term - July 1, 2013 to June 30, 2015;
2. Update the listing of protected classes to ensure we are compliant with state and federal anti-discrimination laws;
3. Amend union security language regarding membership dues;
4. Amend the salary schedule to reflect California minimum wage (already being paid to employees).

FINANCIAL SUMMARY

The amendment to the salary range will not cause an increase to the budget since the City has complied with California minimum wage for all employees even though the wage adjustment schedule was not modified. The additional changes to the MOU do not have any fiscal impact to the budget.

SECTION 1. RECOGNITION

1.1 City Recognition

The City Manager, or any person or organization duly authorized by the City Manager, is the representative of the City of Stockton, hereinafter referred to as the “City” in employer-employee relations as provided in Resolution No. 32,538, adopted by the City Council on August 4, 1975, and as amended on August 26, 2003 by Resolution No. 03-0508.

1.2 Association Recognition

Operating Engineers’ Local No. 3, AFL-CIO, hereinafter referred to as the “Union”, is the recognized employee organization for the Parking Attendant Services Unit, certified pursuant to Resolution No. 05-0076, adopted by the City Council on March 8, 2005.
SECTION 2. UNION SECURITY

2.1 Dues Deduction

(a) General. The Union may have the regular dues of its members within the representation unit deducted from employees' paychecks under procedures prescribed by the City for such deductions. The Union has the exclusive privilege of dues deduction for its members.

Authorization, cancellation or modification of payroll deductions shall be made upon forms provided or approved by the City. The payroll deduction authorization shall remain in effect until canceled or modified by the employee by written notice to the City or until the first day of the calendar month following the transfer of the employee to a unit represented by another employee organization as the representative of the unit to which the employee is assigned, or until employment with the City is terminated.

Additional authorization shall not be required for deduction of increased membership dues when such increase has been duly approved by the membership of the Union. Notification of such approval shall be forwarded to the City in the form of written notice on official Union letterhead and signed by the duly authorized Union official. Upon receipt of notification, the City shall authorize the payroll deduction of the increased amount.

If an employee is promoted to a position which is represented by another employee organization or to an unrepresented unit, membership dues for the former unit will not be deducted from the employee's paycheck by the City.

Amounts deducted and withheld by the City shall be transmitted to the officer designated in writing by the Union as the person authorized to receive such funds, at the address specified.

In addition to the deduction of dues, the City will deduct from the paychecks of Union members who request it, premiums for group insurance and investment plans sponsored by the Union. Such deductions shall be made in one lump sum and only upon signed authorization from the employee upon a form satisfactory to the City.

The employee's earnings must be sufficient after all other required deductions are made, to cover the amount of the deductions herein authorized. When an employee is in a non-pay status for an entire pay
period, no withholdings will be made to cover that pay period from future earnings nor will the employee deposit the amount with the City which would have been withheld if the employee had been in pay status during that pay period. In the case of an employee who is in a non-pay status during a part of the pay period, and the salary is not sufficient to cover the full withholding, no deduction shall be made.

In this connection, all other required deductions have priority over the employee organization deduction.

(b) **Indemnity and Refund.** The Union shall indemnify, defend and hold the City harmless against any claim made and against any suit initiated against the City on account of check off of Union dues or premiums for benefits. In addition, the Union shall refund to the City any amounts paid to it in error upon presentation of supporting evidence.
SECTION 3. COMPLIANCE WITH FEDERAL LAWS

3.1 Non-Discrimination.

The City and the Union agree that there shall be no discrimination of any kind against any employee or applicant for employment because of age (over 40), race, creed, color, religion, national origin (ancestry), veterans status, physical or mental disability, marital status, sexual orientation, sex (sexual, gender based, pregnancy/childbirth), political affiliation or legitimate union activity or on any other basis prohibited by applicable Federal and State law. In addition, the Union shall cooperate with the City, to the extent authorized by Federal and State laws and regulations, in furthering the City's objective of promoting equal employment opportunities.

The Union agrees to cooperate with the City to insure its members' compliance with the provisions of the Fair Labor Standards Act.
SECTION 4. EMPLOYMENT STATUS

Employees are considered hourly rate employees serving in an unclassified status and excluded from the Civil Service System of the City by the Stockton Municipal Code, chapter 2; part-time employees working less than an aggregate of twenty (20) hours a week.
SECTION 5. LAYOFF

Any employee may be laid off by the appointing authority in the event of the abolition of his/her position by the City Council or if a shortage of work or funds requires a reduction in personnel.

5.1 Layoff Scope

Layoffs shall be by job classification according to the length of time served in that job classification with the employee having the least amount of time served in the class to be laid off first.

5.2 Notice of Layoff

The City will give advance written notice of at least one (1) pay period to employees who will be laid off.
SECTION 6. DISCIPLINE

Disciplinary action involving suspension or discharge may be taken against any employee for cause.

6.1 Pre-disciplinary Rights

An employee facing a potential suspension or discharge shall be entitled to procedural due process rights prior to final imposition of discipline action.

(a) Notice of proposed discipline.

(b) Date(s) proposed discipline will be effective.

(c) Reasons for the proposed discipline, the specific grounds and particular facts upon which the action is taken.

(d) Ten (10) calendar days from the date of receipt of such notice in which an employee or the union representative may respond either orally or in writing or both to the appointing authority.

(e) The employee will be provided copies of written materials, reports, statements and any other materials upon which the action is based.

6.2 Provisions

The employee may file a grievance as provided in Section 7 within ten (10) calendar days of written notification of final action (e.g., suspension or discharge). If the employee fails to file within the prescribed time frame, the employee rights will have been waived.
SECTION 7. GRIEVANCE PROCEDURES

7.2 Filing Deadline

(a) No grievance involving suspension or discharge will be entertained unless it is filed, in writing, with the Director of Human Resources within ten (10) calendar days of the time at which the affected employee received written notification of such action. All other grievances must be filed within thirty (30) calendar days from the time the employee knew or had reason to know of the facts giving rise to the grievance.

Such appeal shall state: 1) the specific policy, rule or provisions which is alleged to have been violated; 2) the statement of facts comprising the violation; and 3) the requested remedy. The Director of
Human Resources or designee shall have twenty (20) work days in which to investigate the merits of the complaint, meet with the complainant and/or Union, and attempt to reach a satisfactory resolution.

If prior authorization is not feasible because of emergency conditions, a confirming authorization must be made on the next regular working day following the date on which the overtime was worked.

9.2 Provision

SCUSSION

Background

The City has had substantial fiscal shortfalls over the past several years. In 2009, 2010 and 2011, bargaining units agreed to both permanent and temporary concessions for employees in their respective units to assist the City in balancing its budget. In early 2012, union representatives and City representatives participated in the AB506 mediation process in an attempt to reach agreement on new MOU’s for each unit. After the City filed for bankruptcy protection, negotiations with all bargaining units continued and new MOU’s for the SPMA, SCEA, B&C, and the OE3 units were agreed to and adopted by Council on July 24, 2012. These MOU’s superseded the Pendency Plan, and each included a term of one year from July 1, 2012 to June 30, 2013. Therefore, the MOU’s for these bargaining units are now close to expiring.

Present Situation

For the past five years, union representatives have been participating in concession bargaining with City representatives, and employees have received several compensation and benefit reductions as a result of those concessions, or as a result of previous fiscal crisis measures taken by the City. As the current MOU’s for these units are set to expire June 30, 2013, City representatives met separately with each unit’s representatives to discuss proposals on amending the current MOU’s. Independently, each bargaining unit agreed that in the interest of their members, and considering the current financial climate of the City, the terms and conditions of their current respective MOU would rollover” for another year, with the exception of minor amendments to certain sections of the MOU.

Amendments to the respective bargaining unit MOU sections are summarized as follows:

1. Contract Term extended one year - July 1, 2013 through June 30, 2014, without any cost of living increase or other compensation improvement except as listed below.

2. Efficiency Measures - Employee organizations have agreed to a reopener clause to meet and confer upon City’s request on proposed efficiency measures, i.e., organizational, operational or staffing changes that are a result of necessary efficiency implementations.

3. Health Insurance - Employee organizations have agreed to a reopener clause to meet and confer upon City’s request regarding proposals related to City sponsored medical plans and implementation of the Affordable Care Act (ACA).

4. City Contribution Towards Health Insurance – the City has agreed to a small increase to the City’s capped health insurance premium contribution towards employee health insurance premiums. The monthly increase in the City’s contribution will be:

   - $41 per month for Employee Only;
   - $75 per month for Employee plus 1 Dependent; and
   - $97 per month for Employee plus 2 or more Dependents.
The total cost for these MOU terms is $3,004,000 of which $965,000 is a General Fund cost. The increase has been factored in to the 2013/2014 Proposed Budget.

RESOLUTION APPROVING THE MEMORANDUM OF UNDERSTANDING BETWEEN THE CITY OF STOCKTON AND THE OPERATIONS AND MAINTENANCE UNIT

RECOMMENDATION

It is recommended that the City Council adopt by Resolution the attached Operations and Maintenance Unit (O&M) successor Memorandum of Understanding (MOU) effective July 1, 2014 through June 30, 2016. The City Council adoption will: 1) Authorize the City Manager to execute the MOU, 2) Amend the Fiscal Year (FY) 2015/2016 budget to appropriate additional funds, and 3) Take actions appropriate to carry out the implementation of the MOU.

Summary

Representatives of the City began meeting April 16, 2014, with representatives of the International Union of Operating Engineers' Local No. 3 (OE3) - Operations and Maintenance (O&M) Unit on a successor MOU. The O&M MOU expired June 30, 2014, and the City and OE3 - O&M desired to negotiate a successor MOU effective after that expiration. The successor MOU presented herein contains an increase to the City's medical contribution effective the first full pay period after adoption; and a 2% cost of living increase adjustment (COLA) to base pay effective the first full pay period following adoption. Both increases are consistent with the City's Long-Range Financial Plan (L-RFP) as incorporated into the City's plan for exiting bankruptcy. The O&M successor MOU contains similar terms and conditions as the prior two years, with other minor changes. On February 4, 2015, O&M declared impasse, and on April 13, 2015, took action under the Meyers-Milias-Brown Act (MMBA) to submit the remaining disputes to advisory factfinding. On July 22, 2015, the parties held a one-day factfinding hearing. The factfinder issued advisory recommendations received by the City on August 20, 2015. On October 1, 2015, the City received notification from OE3 - O&M that the bargaining unit membership ratified this successor MOU. The successor MOU is attached in redlined format as Attachment A.

DISCUSSION

Background

The City has had substantial fiscal shortfalls over the past several years culminating in the bankruptcy filing in June of 2012. On June 26, 2012, the City Council adopted a final budget for FY 2012/2013 under the Pendency Plan filed for the bankruptcy proceedings. It also adopted as part of its Pendency Plan changes in compensation and benefits. In July 2012, the City Council adopted a successor MOU for O&M with a term of one year, July 1, 2012 through June 30, 2013. For FY 2013/2014, most bargaining units at the City agreed to a "contract rollover" and amendment to extend their MOU for a one-year term through June 30, 2014, with minimal changes. In spring 2014,
City representatives began meeting with seven (7) bargaining units who had MOU’s expiring on June 0, 2014. In spring 2015, City representatives also began meeting with the other two (2) bargaining units who had one year term MOU’s expiring on June 30, 2014. The focus of these negotiations was to obtain a successor MOU with terms and conditions consistent with the City’s L-RFP.

Since negotiations began for fiscal years 14/15 and 15/16, the City Council has adopted successor MOU’s for six out of nine bargaining units with expiring MOU’s; on January 27, 2015, a successor MOU with the Mid-Management/Supervisory Level Unit (B&C) Unit was adopted, on June 23, 2015, a successor MOU with the Stockton Police Officers’ Association (SPOA) was adopted, on July 7, 2015, a successor MOU with the Stockton City Employees’ Association (SCEA) was adopted, on July 21, 2015, a successor MOU with the Fire Unit was adopted, and on August 18, 2015, successor MOU’s were adopted for the Stockton Police Management Association and the Trades and Maintenance Unit. These MOU’s have contract terms ending June 30, 2016. The City Council also approved and amended the Unrepresented Employee Compensation plan on May 5, 2015 and August 18, 2015. The terms and provisions of the O&M successor MOU presented herein are consistent with the employee groups already approved by Council.

Present Situation

The relevant amendments under the successor MOU for O&M are summarized as follows:

1. MOU contract term for two years - July 1, 2014 through June 30, 2016;

2. 2% base pay increase (COLA) effective the first full pay period after Council approval, consistent with the City’s L-RFP (MOU Section 15.1);

3. City contribution towards health insurance - the City has agreed to a small increase to the City’s capped health insurance premium contribution towards employee health insurance premiums effective the first full pay period after Council approval as shown below (MOU Section 14.1(c)). Please note the rates in the successor MOU are being updated from FY 2012/2013 rates; there was an increase included in the FY 2013/2014 rollover and amendment which were not reflected in the MOU document. This explains why the edits appear to be increases greater than those listed below. The City’s overall contribution increase to O&M members’ health insurance premiums from their current contribution levels will be as follows:
   - $21 per month for Employee Only;
   - $38 per month for Employee plus 1 Dependent; and
   - $51 per month for Employee plus 2 or more Dependents;

4. Vacation Cash Payment Option- O&M has agreed to continue the suspension of vacation cash payment option/sell-back during the term of the contract and until a successor MOU is reached (MOU Section 9.1(g));

5. Health Insurance - O&M has agreed to a reopener clause to meet and confer upon City’s request regarding proposals related to City sponsored medical plans and implementation of the Affordable Care Act (ACA) (MOU Section 14.0);
6. Administrative Cost for Operating Engineer Health Plans - O&M has agreed to pay the City's administrative overhead costs associated with the Operating Engineers health plans to the monthly OE3 plan costs. As of July 1, 2015, the cost is $26.98 per month per employee participating in the OE3 plan (MOU Section 14.1(g));

7. Agreement to amend the wastewater operator series quarterly add pay - Changing the provision that only operators are eligible, and to only pay for maintaining a certification one level above the minimum qualification required for the position held (MOU Section 13.10 (d));

8. In conjunction with the operator series quarterly add pay changes, agreement to increase the Senior Plant Operator base salary by 16.7% (MOU Section 15.1). This increase was agreed upon as a market adjustment for a position critical to the utility operations.

9. Agreement to reclassify two (2) positions as exempt from overtime pursuant to the Fair Labor Standards Act (FLSA) (MOU Section 11.2(d));

10. Agreement to limit promotional appointment probationary periods to six (6) months, and cease practice of extending probationary periods for original and promotional appointments (MOU Section 4.2);

11. Agreement for O&M employees to use their floating holidays in one (1) hour increments, and reimburse the City for floating holiday hours used, but not earned upon separation of employment (MOU Section 12.2);

12. Agreement to limit Compensatory Time Off (CTO) annual carryover to a maximum of 40 hours each calendar year (MOU Section 11.5); and

13. Elimination of obsolete language and other language clean-up changes.

FINANCIAL SUMMARY

The cost for the 2% COLA beginning November 16, 2015 is approximately $147,000. O&M employees are funded completely from Municipal Utility Enterprise Funds so there will be no impact on the General Fund cost.

The cost for the health contribution increase effective November 16, 2015 is approximately $46,000. The $26.98 per month contribution for health administrative overhead costs associated with employees enrolled in OE3 health plans will recover approximately $12,000 per year to offset costs incurred in the Health Benefit Internal Service Fund.

Increasing the Senior Plant Operator base salary by 16.7% will cost approximately $157,000 on an annual basis for a total of ten (10) authorized and currently filled positions necessitating a $98,000 increase to the 2015/2016 Annual Budget based on the November 16, 2015 effective date. These amounts include both salary and benefit costs.

Funding for the 2% COLA and Senior Plant Operator salary adjustment will need to be appropriated
from existing Municipal Utility fund and department balances in FY 2015/2016 for the costs associated with this MOU. The City funds that will experience cost increases as a result of this MOU are as follows:

Water Utility Fund $124,000
Wastewater Utility Fund $172,000
Stormwater Utility Fund $8,000

The recommendation authorizes the City Manager to appropriate these funds in the employee services accounts in the respective funds.

While vacation sell-back has been suspended since February 2012, the future cost avoidance from continuing to suspend vacation sell back is $180,000.

OPERATIONS AND MAINTENANCE UNIT SUCCESSOR MOU
TERM: JULY 1, 2014 - JUNE 30, 2016

Section 1. Recognition

Operating Engineers’ Local 3, AFL-CIO, hereinafter referred to as the "Union," is the recognized employee organization for the Operations and Maintenance Unit, certified pursuant to the Employer-Employee Relations Ordinance (Stockton Municipal Code §§ 2-200, et seq.).

Section 2. Union Security

2.1 Dues Deduction

(a) General. The Union may have the regular dues of its members within the representation unit deducted from employees' paychecks under procedures prescribed by the City for such deductions. The Union has the exclusive privilege of dues deduction for its members.

Authorization, cancellation or modification of payroll deductions shall be made upon forms provided or approved by the City. The payroll deduction authorization shall remain in effect until canceled or modified by the employee by written notice to the City or until the first day of the calendar month following the transfer of the employee to a unit represented by another employee organization as the representative of the unit to which the employee is assigned, or until employment with the City is terminated.

Additional authorization shall not be required for deduction of increased membership dues when such increase has been duly approved by the membership of the Union. Notification of such approval shall be forwarded to the City in the form of written notice on official Union letterhead and signed by the duly authorized Union official. Upon receipt of notification, the City shall authorize the payroll deduction of the increased amount.

If an employee is promoted to a position which is represented by another employee organization or to an unrepresented unit, membership dues for the former unit will not be deducted from the employee's paycheck by the City.

Amounts deducted and withheld by the City shall be transmitted to the officer designated in writing by the Union as the person authorized to receive such funds, at the address specified.

In addition to the deduction of dues, the City will deduct from the paychecks of Union members who request it, premiums for group insurance and investment
OPERATIONS AND MAINTENANCE UNIT SUCCESSOR MOU
TERM: JULY 1, 2014 - JUNE 30, 2016

plans sponsored by the Union. Such deductions shall be made in one lump sum and only upon signed authorization from the employee upon a form satisfactory to the City.

The employee’s earnings must be sufficient after all other required deductions are made, to cover the amount of the deductions herein authorized. When an employee is in a non-pay status for an entire pay period, no withholdings will be made to cover that pay period from future earnings nor will the employee deposit the amount with the City which would have been withheld if the employee had been in pay status during that pay period. In the case of an employee who is in a non-pay status during a part of the pay period, and the salary is not sufficient to cover the full withholding, no deduction shall be made.

In this connection, all other required deductions have priority over the employee organization deduction.

(b) Indemnity and Refund. The Union shall indemnify, defend and hold the City harmless against any claim made and against any suit initiated against the City on account of check off of Union dues or premiums for benefits. In addition, the Union shall refund to the City any amounts paid to it in error upon presentation of supporting evidence.

2.2 Agency Fee

(a) Employee Rights

(1) The City and the Union recognize the right of employees to form, join, and participate in lawful activities of employee organizations and the equal, alternative right of employees to refuse to form, join and participate in employee organizations. Neither party shall exert pressure upon or discriminate against an employee in the exercise of these alternative rights.

(2) Accordingly, membership in the Union shall not be compulsory. A unit member has the right to choose, either: to become a member of the Union; or, to pay to the Union a fee for representation services; or, to refrain from either of the above courses of action upon the grounds set forth in Section (f) below.

(b) Unit Members’ Obligation to Exclusive Representative
OPERATIONS AND MAINTENANCE UNIT SUCCESSOR MOU
TERM: JULY 1, 2014 - JUNE 30, 2016

(1) A bargaining unit member who does not fall within one (1) of the exempted categories as set forth in Section (f) below, and who has not voluntarily made application for membership in the Union within the sixtieth (60) day following the date upon which said employee has been formally hired by the City as a bargaining unit employee, must as a condition of continued employment in the City pay to the Union a representation fee, in exchange for representation services necessarily performed by the Union in conformance with its legally imposed duty of fair representation on behalf of said unit member who is not a member of the Union.

(2) In the event that a unit member does not become a member of the Union or pay such fee directly to the Union, the City shall begin automatic payroll deduction. There shall be no charge to the Union for such mandatory agency fee deductions.

(3) Prior to beginning such automatic payroll deduction, the Business Representative of the Union will certify to the City in writing that the employee whose pay is to be affected by the deduction has: 1) refused to join the Union; and 2) has refused to tender the amount of the agency fee as defined herein; and 3) has not applied for an exemption under Section (f) herein. In addition the Union must also certify that it has provided the employee with a copy of the fee verification required by Section (e) herein.

(c) Definition of Agency Fee

(1) The agency fee collected pursuant to Section (b) above from unit members who are not members of the Union shall be an amount not to exceed the standard initiation fee, periodic dues and general assessments of the Union for the duration of this Agreement, minus any amount which is prohibited by the Constitution because such funds pay for political or ideological purposes not related to collective bargaining.

(2) Any dispute as to the amount of the representation fee shall be resolved pursuant to the provisions of Section (h) herein.

(d) Exceptions. Unit members on leave without pay and unit members who are in laid-off status shall be exempt from these provisions herein; except that the election as to membership or payment of a fee as set forth herein must be exercised within the first ten (10) work days upon return to paid status.
OPERATIONS AND MAINTENANCE UNIT SUCCESSOR MOU
TERM: JULY 1, 2014 - JUNE 30, 2016

(e) **Annual Verification of Agency Fee by the Union.** Prior to January 31, of each year and before the collection of an agency fee from any unit member pursuant to these provisions herein, the Union shall submit a written certification to the fee payers verifying that the total amount of its representation fee conforms to Section (c) above, and itemizing all component parts of such fee which shall provide an adequate explanation for the basis of the fee. Each year such amount shall be verified and submitted in writing to the fee payers by the Union prior to January 31st. The Union will submit a copy of such verification to the Director of Human Resources of the City. The parties agree that such annual verification is a condition precedent to the collection by either the City or the Union of a representation fee from a unit member.

(f) **Employees Exempted From Obligation to Pay Union**

(1) Any unit member shall be exempt from the requirements of Section (b) above, if such employee has a bona fide religious objection as defined by Section 3502.5 of the Government Code to the payment of any fee in support of a Union or "employee organization" as defined in Section 3540.1(d) of the Government Code.

(2) Such exempt unit member shall, as an alternative to payment of a representation fee to the Union, pay an amount equivalent to such representation fee to:

   a. United Way.
   b. American Cancer Society.
   c. Any charity jointly agreed in writing by the parties.

(3) If a unit member desires to be exempted for reasons set forth in Section (f) herein, the unit member must first request such exemption in writing from the Union setting forth briefly the rationale for the exemption. If the Union notifies the unit member in writing that the Union will not honor the request, then the matter shall be referred automatically to a panel for determination according to the procedure set forth below. The panel shall be composed of one (1) person selected by the Union, one (1) person selected by the unit member, and an arbitrator selected by the parties chosen from a list submitted by the State Conciliation Service. If either one or both parties fail to nominate a panel member, the process of hearing will continue without that party's panel member.
OPERATIONS AND MAINTENANCE UNIT SUCCESSOR MOU
TERM: JULY 1, 2014 - JUNE 30, 2016

(4) The panel shall first receive arguments and evidence from the unit member requesting the exemption. Thereafter the Union may present any arguments or evidence. The proceedings shall be conducted in an informal manner, and the rules of evidence will not apply. The arbitrator shall act as chair and rule on all matters before the panel with the exception of the final determination of the panel. The panel shall prepare a written decision within fifteen (15) calendar days of the completion of the hearing which shall be final and binding upon the parties. Any expenses of the panel shall be borne by the parties incurring them.

(5) Upon receipt of the decision of the panel, the City shall release any funds held in escrow to the Union or to the charity. Any decision by the panel shall apply for the duration of this Memorandum of Understanding.

(6) In addition, the Union may require such exempt unit member to submit proof of payment of an amount equivalent to such representation fee to one (1) of the alternative funds or organizations listed above. If the bargaining unit member has not provided payment, the City will institute deductions pursuant to Section (b)(2), and forward such monies to a charity listed in Section (f)(2).

(7) Such payments shall be made on or before January 31, of each year or no more than thirty (30) days after commencing duties for any newly hired employee.

(g) Escrow Account. If any unit member either disputes the amount of the fee or disputes whether or not an exemption was appropriately denied, the City shall deposit the fee which was deducted and place such amount into a special escrow account established by the Union for such purposes.

(h) Procedure for a Unit Member Who Contests the Amount of the Fee

(1) The parties agree that in order to provide a uniform definition of the representation fee, any disputes involving the amount of such fee shall be referred to the Union's procedure for determination, provided that the parties have first complied with the other provisions of this Section.

(2) The Union shall notify the City in writing within twenty (20) days after it becomes aware that any employee disputes the amount of the fee.
OPERATIONS AND MAINTENANCE UNIT SUCCESSOR MOU
TERM: JULY 1, 2014 - JUNE 30, 2016

(3) The Union will verify in writing to the City that all of the conditions of Section (b)(3) have been met prior to the City's initiation of the fee deductions set forth in Section (b)(2). Thereafter, the City will notify the affected employee in writing that such deductions will commence and a copy of the Union's written verification will be attached to the City's notice. Thereafter, the City will begin the deductions.

The monies held in escrow shall be released to the appropriate party upon the rendering of a final decision by the Union's internal procedure.

(i) Payment Method/Payroll Deduction

(1) A unit member may voluntarily sign and deliver to the City a written assignment authorizing deduction of the properly established representation fee as defined in Section (c) above, subject to the conditions set forth elsewhere in this agreement for payroll deductions, or the amount of the fee will be deducted automatically in accordance with Section (b)(2) herein.

(2) The City is under no obligation to make payroll deductions for the periods during which a unit member is either terminated from active employment, or not on the City's active payroll for any reason, including, but not limited to, layoff and voluntary leave of absence for more than thirty (30) days.

(3) Upon the rehiring of any unit member, or upon the recalling of any unit member from layoff status, the City will resume or initiate dues deductions for such unit member.

(j) Obligations of Parties

(1) City's Obligations. The City's obligation under this Article is to notify any unit member who has failed to comply with the provisions of this Section that, as a condition of continued employment with the City, such unit member must become an Union member, or pay a representation fee, or establish an exemption status and make payment pursuant to provisions of Sections (b) and (f) of this Agreement. Under no circumstances shall the City be required to dismiss or otherwise discipline any unit member for failure to fulfill their obligations to pay the fees established herein.
OPERATIONS AND MAINTENANCE UNIT SUCCESSOR MOU
TERM: JULY 1, 2014 - JUNE 30, 2016

(2) Union's Obligations. Except as specified herein, the Union and not
the City, shall be responsible for requiring unit members to fulfill
obligations defined herein. It is the obligation of the Union to collect any
representation fees which may be due and payable to the Union in
consideration for its services as the exclusive representative of unit
employees.

(k) Hold Harmless Provision. The Union shall hold the City harmless, and
shall fully and promptly reimburse the City for any fees, costs, charges or
penalties incurred in responding to or defending against any claims,
disputes, challenges, whether formal or informal, which are actually
brought, or attempted or threatened to be brought, against the City or any
of its agents, or employees, in connection with the interpretation,
application, administration or enforcement of any Section of this
Agreement pertaining to representation fee. Such reimbursement shall
include, but not be limited to, court costs, litigation expenses, and
attorney's fees incurred by the City. The City shall have the right to be
represented by its own attorney in any action in which it is a named party
to the action. Disputes over the amount of reimbursement shall be
automatically submitted to the arbitration provisions of this Memorandum,
Section 8.3(e).

2.3 Use of City Facilities

(a) The Union shall be allowed by the City department in which it represents
employees' use of space on available bulletin boards for communications having
to do with official Union business, such as times and places of meetings,
provided such use does not interfere with the needs of the department. The
Union may submit to the City Employee Relations Officer written communications
having to do with official Union business for distribution by the City to identified
shop stewards. Distribution may be by e-mail.

(b) Any representative of the Union shall give notice to the department head
or designated representative when contacting department employees on City
facilities during the duty period of the employees, provided that solicitation for
membership or other internal Union business shall be conducted during the
non-duty hours of all employees concerned. Pre-arrangement for routine contact
may be made with individual department heads and when made shall continue
until revoked by the department head.

(c) City buildings and other facilities may be made available for use by City

2.4 Advance Notice

Except in cases of emergency, reasonable advance written notice shall be given to the Union if affected by any ordinance, resolution, rule or regulation directly relating to matters within the scope of representation proposed to be adopted by the City and shall be given the opportunity to negotiate if requested with the designated management representatives prior to adoption.

In cases of emergency when the foregoing procedure is not practical or in the best public interest, the City may adopt or put into practice immediately such measures as are required. At the earliest practicable date thereafter the Union shall be provided with the notice described above and be given an opportunity if requested to negotiate changes to said notice with the management representatives designated by the City Manager.

2.5 Attendance at Meetings by Employees

City employees who are official representatives or unit representatives of the Union shall be given reasonable time off with pay to attend meetings with City management representatives where matters within the scope of representation or grievances are being considered. Such employee representatives shall submit a request for excused absence to their respective department heads, in a manner satisfactory prior to the scheduled meeting whenever possible. Time spent for these purposes while a representative is not scheduled to work shall not be compensated by the City and shall not be considered as hours worked. Except by mutual agreement the number of the employees excused for such purposes shall not exceed three (3) per recognized bargaining unit.

2.6 Maintenance of Membership

All employees in the Operations and Maintenance unit who are members of the Union, tendering periodic dues at the execution of this agreement, and all employees who thereafter become members of the Union shall, as a condition of employment, pay dues to the Union for the duration of this Memorandum of Understanding, and each year thereafter. For a period of thirty (30) days prior to January 1, 2009 and thirty (30) days prior to any January 1, thereafter, any employee in the aforementioned unit who is a member of the Union shall have

the right to withdraw from the Union discontinuing dues payments and retain employment in the City, subject to provisions of Section 2.2. Agency Fee. Said withdrawal shall be communicated by the employee in writing to the City. The provisions of this section shall be operative only to the extent that they are permissible under California law.

2.7 Assignment of Classifications

New job classifications established by the City shall be assigned to the bargaining unit pursuant to Section 8 (b) of the City's Employer-Employee Relations Resolution after providing notice and the opportunity to consult with the Union regarding such matters.

2.8 Contract Ratification

Ratification votes for Contract will be handled on city time during the day.

Section 4. Probation

4.1 **Purpose**

The probationary period shall be utilized for closely observing the employee's work, for securing the most effective adjustment of a new employee to a position, and for rejecting any probationary employee whose performance does not meet the required standards of work.

4.2 **Original Entrance and Promotional Positions**

All original appointments shall be tentative and subject to a probationary period of one (1) year with a review completed after 6 months from original appointment. Promotional appointments shall be subject to a probationary period of 6 months. The probationary period for original and promotional appointments will not be extended.

4.3 **Retention/Rejection of Probationer**

At the end of the probationary period, if the service of the probationary employee has been satisfactory to the appointing authority, then the appointing authority shall file with the Director of Human Resources a statement in writing to such effect and stating that the retention of such employee in the service is desired. The City will make a good faith effort to notify a probationary employee two (2) weeks before the end of the probationary period whether or not permanent status is granted; however, a failure on the part of the appointing authority to file such a statement at the end of the probationary period shall constitute a rejection of the probationer as defined in Civil Service Rules.

During the probationary period an employee may be rejected at any time by the appointing authority. Any employee rejected during the probationary period following a promotional appointment, shall be reinstated to the position from which promoted unless charges are filed and the employee is discharged in the manner provided in Section 7 of this Memorandum of Understanding and in the Civil Service Ordinance and Civil Service Rules, which are consistent therewith.

4.4 **Alcohol and Drug Testing.** All original and reemployed appointments must pass a drug and alcohol screening prior to being offered City employment. This shall include non-represented part-time, seasonal, provisional, and temporary appointments.

5.6 Health and Welfare Benefits during Layoff

Permanent employees who are laid off will have an option of maintaining their existing health and welfare benefits for thirty-six (36) months from the date of layoff, provided timely payments of the premiums by the employee are made to the City, according to City regulations, and provided the employee otherwise meets the requirements of Federal and State regulations.

This right of a laid off employee shall remain effective for two (2) years from the date of latest separation from the service. The employee shall not be placed on said eligibility list or lists without first submitting a written request. Employee’s place on said list or lists shall be at the head of the eligibility list for the class of positions for which qualified as hereinabove set forth and shall be given preference in filling vacancies except for those persons placed on said list or lists of reemployment in the same positions previously held. An employee who waives reemployment to a full time position three times shall have his/her name removed from this reemployment list unless mutually agreed to by the Department and employee. Upon certification for appointment to a new position never having been held by this employee, the probationary period must be

7.3 Provisions

The appointing authority may discharge, suspend or demote any employee in the classified service provided the Stockton Municipal Code provisions and the rules and regulations of the Civil Service Commission and any applicable provisions of law are followed. All other disciplinary records shall be removed from an employee's work record after two (2) years if there has been no reoccurrence of the infraction and the employee has a good work record.

Section 8. Grievance Procedures

8.1 Definition

A grievance is any dispute which involves the interpretation or application of those rules, regulations and resolutions which have been, or may hereafter be, adopted by the City Council to govern personnel practices and working conditions, including such rules, regulations and resolutions as may be adopted by either the City Council or the Civil Service Commission to affect Memoranda of Understanding which result from the meeting and conferring process.

8.2 Filing Deadline

(a) No grievance involving demotion, suspension, discharge or other employment penalty will be entertained unless it is filed in writing with the Director of Human Resources within ten (10) calendar days of the time at which the affected employee received written notification of such action. All other grievances must be filed within thirty (30) calendar days from the time the employee knew or had reason to know of the facts giving rise to the grievance.
OPERATIONS AND MAINTENANCE UNIT SUCCESSOR MOU
TERM: JULY 1, 2014 - JUNE 30, 2016

(b) With written consent of the City Manager or his/her designee and the Union Business Agent or his/her designee, time limits may be extended and/or Steps 1, 2 and/or 3 of the Grievance Procedure waived.

8.3 Grievance Processing

(a) Step 1 - Departmental Review. Any employee claiming to have a grievance may discuss the complaint with such management official in the department where employed as the department head may designate. If the issue is not resolved within the department within twenty (20) calendar days from the day of presentation or if the employee elects to submit the grievance directly to the Union recognized as the representative of that employee's classification, or if the employee/Union official notifies the Director of Human Resources, in writing, that a grievance exists, the procedure hereinafter specified may be invoked.

(b) Step 2 - Director of Human Resources Review. If the employee is not satisfied with the response at level one, then the employee may appeal the grievance to the Director of Human Resources within twenty (20) calendar days of the receipt of written response at level one. Such appeal must state with particularity: 1) the specific policy, rule or provision which is alleged to have been violated; 2) the statement of facts comprising the violation; and 3) the requested remedy. The Union may file and process grievance(s) on behalf of the specifically named employee. The Director of Human Resources shall have twenty (20) calendar days in which to investigate the issues, meet with the complainant and attempt to reach a satisfactory resolution of the problem. No grievance may be processed under the following two (2) paragraphs which has not first been filed and investigated in accordance with this paragraph, except for the resolution of compensation complaints.

(c) Step 3 - Arbitration. If the parties are unable to reach a mutually satisfactory accord on the grievance at Step 2, within twenty (20) calendar days either the Union or the City may require that the grievance be referred to an impartial arbitrator mutually selected by the parties, or if the parties are unable to mutually agree, from a list of seven (7) arbitrators provided by the State Conciliation Service. The arbitrator shall be chosen by the alternative strike method, with first choice being determined by lot. The fees and expenses of the arbitrator and of a court reporter shall be shared equally by both parties. Each party, however, shall bear the cost of its own presentation, including preparation and post hearing briefs, if any.
OPERATIONS AND MAINTENANCE UNIT SUCCESSOR MOU
TERM: JULY 1, 2014 - JUNE 30, 2016

(d) Effect of Decision. Decisions of arbitrators on matters properly before them shall be final and binding on the parties hereto except as provided otherwise herein.

8.4 Scope of Arbitration

(a) No arbitrator shall entertain, hear, decide or make recommendations on any dispute unless such dispute involves a position in a unit represented by the Union and unless such dispute falls within the definition of a grievance as set forth in paragraph 8.1.

(b) Proposals to add to or change this Memorandum of Understanding or written agreements or addenda supplementary hereto shall not be arbitrable and no proposal to modify, amend or terminate this Memorandum of Understanding, nor any matter or subject arising out of or in connection with such proposal, may be referred to arbitration under this Section. No arbitrator selected pursuant to this Section shall have the power to amend or modify this Memorandum of Understanding or written agreements or addenda supplementary hereto or to establish any new terms or conditions of employment.

No changes in this Memorandum of Understanding or interpretations thereof (except interpretations resulting from arbitration proceedings hereunder) will be recognized unless agreed to by the Director of Human Resources and the Union.

8.5 Other Provisions

If the Director of Human Resources or City Manager, in pursuance of the procedures outlined above, resolves a grievance which involved suspension or discharge, they may agree to payment for lost time or to reinstatement with or without payment for lost time, but in the event the dispute is referred to arbitration and the arbitrator finds that the City had cause to take the action complained of, the arbitrator may not substitute his judgment for the judgment of management and if the findings are that the City had such right, the arbitrator may not order reinstatement and may not assess any penalty upon the City.

Complaints which allege the employee is not being compensated in accordance with the provisions of this Memorandum of Understanding shall be considered as grievances and processed pursuant to Section 8.3. Any other matters of compensation are to be resolved in the meeting and conferring process and if not detailed in the Memorandum of Understanding which results from such meeting and conferring process shall be deemed withdrawn until the meeting and
OPERATIONS AND MAINTENANCE UNIT SUCCESSOR MOU
TERM: JULY 1, 2014 - JUNE 30, 2016

conferring process is next open for such decision. No adjustment shall be
retroactive for more than one-hundred and eighty (180) calendar days from the
date upon which the complaint was filed.

Specified time limits may be modified only in writing. All appeals and responses
must be provided in writing.

A grievant will be provided release time without loss of pay for all required
meetings with management. The City cannot discriminate or retaliate in any
manner against an employee for filing a grievance or exercising rights under this
Section.

The provisions of this Section shall not abridge any rights to which an employee
may be entitled under the Stockton Municipal Code and/or Civil Service Rules
and Regulations, nor shall it be administered in a manner which would abrogate
any power which, under the Stockton Municipal Code, may be within the sole
province and discretion of the Civil Service Commission.

All grievances of employees in representation units represented by the Union
shall be processed under this Section. If the Stockton Municipal Code and/or the
Civil Service Rules and Regulations requires that a differing option be available
to the employee, no action under paragraph (c) of Subsection 8.3 above shall be
taken unless it is determined that the employee is not utilizing such option.

No action under paragraph (c) of Subsection 8.3 above shall be taken if action on
the complaint or grievance has been taken by the Civil Service Commission or if
the complaint or grievance is pending before the Civil Service Commission.

If any award by an arbitrator requires action by the City Council or the Civil
Service Commission before it can be placed in effect, the City Manager and the
Director of Human Resources will recommend to the City Council or the Civil
Service Commission, as appropriate, that it follow such award.

(c) **City Contribution towards the cost of insurance programs.** Effective upon the first full pay period following ratification of this Memorandum of Understanding by the Union and approval by the City Council on its regular agenda in accordance with the Brown Act:

- The City shall contribute up to $543.00 per month toward the cost of the monthly premium for employee-only medical/dental/vision plan coverage.

- The City shall contribute up to $988.00 per month toward the cost of the monthly premium for employee plus one dependent

- The City shall contribute up to $1,313.00 per month toward the cost of the monthly premium for employee plus two or more dependents medical/dental/vision plan coverage.

These contributions are based on full-time employment; regular part-time employees shall receive a prorated contribution based on their percentage of full-time employment. The City shall maintain its IRS 125 Plan to allow for employee contributions for medical/vision/dental to be pre-tax premium conversion.

(d) Plan Rules. Employees may insure themselves and their eligible dependents under the medical, vision and dental plans provided by the City, in accordance with the rules and regulations applicable to the selected Plan. Benefits in the Plan shall be in accordance with the Plan document.

In addition, employees shall have the opportunity to purchase additional voluntary life insurance through their union or through the City's IRS125 vendor.

14.4 Retiree Enrollment in City Sponsored Health Plans

An eligible retiree and eligible dependent may be enrolled in a City offered medical plan either as a subscriber in a City offered medical plan or, as the dependent spouse/registered domestic partner or another eligible City employee/retiree, but not both. If an employee/retiree is also eligible to cover their dependent child, the child will be allowed to enroll as a dependent on only one employee or retiree's plan (i.e., a retiree and his or her dependent cannot be covered by more than one City-offered health plan). However, the City may discontinue the enrollment of retirees in City sponsored medical plans at its discretion as per the City's Bankruptcy plan of Adjustment. The City does not provide any retiree medical program, allowance, or City contribution for employees.

Nothing in this section shall be construed to create vested rights to benefits for employees or retirees after the expiration of this MOU.
14.5 **Long-Term Care**

Employees can purchase optional long term care coverage from PERS to cover home care and nursing home care. The premiums rates are established by PERS based on the age of the participant.

14.6 **Health Reimbursement Account – HRA**

The City will contribute an amount equal to five and one half percent (5.5%) of the employee’s current base salary that was previously contributed to deferred compensation and redirect that same contribution into an IRS qualified HRA for each employee to use for reimbursement of current and retiree medical cost reimbursements.

**Section 15. Salaries**

15.1 **Salary Rates**

The salary table for all employees in the aforementioned representation unit will be as set forth in Appendix "A," which is attached hereto and made a part hereof and shall represent the salaries in effect as of July 1, 2012.

OPERATIONS AND MAINTENANCE UNIT SUCCESSOR MOU
TERM: JULY 1, 2014 - JUNE 30, 2016

15.2 Salary upon Appointment

Except as herein otherwise provided, the entrance salary for a new employee entering the classified service shall be the minimum salary for the class to which appointed. When circumstances warrant, the Director of Human Resources may approve an entrance salary which is more than the minimum salary for the class to which an employee is appointed. Such a salary may not be more than the maximum salary for the class to which that employee is appointed.

15.3 Salary Equivalents

Any monthly, daily or hourly rate of pay may be converted into an equivalent rate of pay, or to any other time bases when, in the judgment of the City Manager, such a conversion is advisable. In determining equivalent amounts on different time bases the City shall provide tables or regulations for the calculation of payment for service of less than full time, and for use in converting monthly salaries to hourly rates, as well as for calculating hourly rates. Overtime rate and premium pay shall be calculated according to the provisions of the Fair Labor Standards Act.

15.4 Salary Step Plan

(a) There shall be five (5) to seven (7) salary steps in each range.

The first step shall be the minimum rate and shall be the normal hiring rate for the class. (In a case where a person possesses unusual qualifications, the Director of Human Resources may authorize appointment above the first step after receiving the recommendation of the department head. The same provision shall apply to hourly paid and part-time employees.)

If a department head recommends to withhold increases to salary steps two (2) through seven (7) because an employee has not achieved the level of performance required, notice must be received by the City Manager at least four (4) weeks in advance of the employee's eligibility date. The affected employee shall be furnished a copy of the department head's recommendation. Failure to abide by the above four-week limitation shall not automatically cause a step increase to be granted; however, if an employee does not receive notice by the actual anniversary date, the increase shall be automatically granted.

The second step shall be paid upon the satisfactory completion of six (6) months
service at the first step.

The third step shall be paid upon the satisfactory completion of one (1) year service at the second step.

The fourth step shall be paid upon the satisfactory completion of one (1) year service at the third step.

The fifth step shall be paid upon the satisfactory completion of one (1) year service at the fourth step and upon written recommendation of the department head.

The sixth step shall be paid upon the satisfactory completion of one (1) year service at the fifth step and upon written recommendation of the department head.

The seventh step shall be paid upon the satisfactory completion of one (1) year service at the sixth step and upon written recommendation of the department head.

Regardless of an employee’s length of service, step advancements in any given class may be made upon recommendation of the department head with the approval of the Director of Human Resources, but not above Step No. 7 for a given range.

Salary step increases shall be effective the first day of the pay period following appointment or revision. If the date of appointment or revision is the first day of a pay period, salary step increases shall be as of that date.

Changes in an employee’s salary because of promotion, demotion, postponement of salary step increase or special merit increase will set a new salary anniversary date for that employee, which date shall be as stated in the preceding paragraph.

Salary range adjustments for a classification will not set a new salary anniversary date for employees serving in that classification.

(b) Salary Step Entry-Level Classifications. The City Manager may create a ten percent (10%) salary step reduction to any entry-level classification represented by this bargaining unit. The next and all subsequent salary steps shall be paid upon the satisfactory completion of one (1) year service at current
salary step.

15.5 Salary Step after Military Leave

All employees who have been granted military leave shall, upon their return to the City service, be entitled to the automatic salary advancements within the range of their classification for the period they were in the military service.

15.6 Salary Step When Salary Range is Increased

Whenever the monthly schedule of compensation for a class is revised, each incumbent in a position to which the revised schedule applies shall be entitled to the step in the revised range which corresponds to the employee's step held in the previous range, unless otherwise specifically provided for by the Director of Human Resources.

15.7 Salary Step After Promotion or Demotion

(a) When an employee is promoted from a position in one class to a position in a higher class, and at the time of promotion is receiving a salary equal to, or greater than, the minimum rate for the higher class, that employee shall be entitled to the next step in the salary scale of the higher class which is "approximately" five percent (5%) above the employee's current base salary, except that the next step shall not exceed the maximum salary of the higher class. Add pays are not included in the calculation of base salary for purposes of this section. When an employee is promoted into another bargaining unit, the new bargaining unit's salary on promotion rules shall apply.

(b) When an employee is demoted, whether such demotion is voluntary or otherwise, that employee's compensation shall be adjusted to the salary prescribed for the class to which demoted.

(1) If the salary of the employee is reduced for cause or disciplinary reasons, the employee shall receive the salary at the same step prior to promotion.

(2) If the salary of the employee is reduced through no fault of the employee (i.e., layoff), the salary at demotion shall be at the nearest lower salary to that which was received prior to the demotion.
15.8 **Transfer**

An employee may be transferred from a class in one department, or to a position of the same class in another department, or to a comparable class, with the approval of both the employee and Department Heads. In the case of a comparable class, the employee must be qualified, as determined by the Director of Human Resources. The Director of Human Resources, in making such a determination, must assure that the maximum salary rate for the classes in question must be equal to or less than the employee’s current top step salary, and shall consider, among other things, whether the employee possesses the minimum qualifications for such class, and is able to demonstrate through education, experience, or successful completion of pertinent tests, that he/she is qualified for the transfer. If the transfer involves a change from the jurisdiction of one appointing authority to another, both must consent thereto.

15.9 **Salary on Reinstatement**

If a former employee is reinstated in the same position previously held or to one carrying a similar salary range, the employee’s salary shall not be higher than the salary at the time of separation unless there has been an increase within the salary range.

If a former employee is reinstated to a position in a lower class, the employee’s salary shall be set at the same step previously held, but in the pay range of the lower classification.

15.10 **"Y" Rate**

When an employee’s classification is changed to a lower paid classification as the result of a classification study or other action, the employee may be placed on a "Y" rate. A "Y" rate means that the monthly compensation for the employee shall remain in effect until such time as further changes in the pay range of the new classification exceeds the "Y" rate.

15.11 **Acting Pay**

(a) **General Provisions.** Any employee in this unit who is assigned by a supervisor to work in a higher paid classification for two (2) or more hours in one (1) day, shall receive the rate of pay in the step of the higher classification which would have been received if the employee had been promoted into that classification, or at least five percent (5%) more than the employee’s salary in the
OPERATIONS AND MAINTENANCE UNIT SUCCESSOR MOU
TERM: JULY 1, 2014 - JUNE 30, 2016

present classification, whichever is greater. Out-of-class assignment pay during overtime status will commence at the first hour worked.

(b) When there is an existing promotional eligibility list, and acting pay assignment is expected to be for more than twenty (20) work days, acting pay shall be assigned from the top three (3) on the promotional eligibility list. If the assignment is for twenty work days or less, the highest ranking employee on the promotional list within the division shall be assigned. When there is no eligible list, section (c) below shall apply.

(c) If there is no existing list, acting pay selection shall be made from the five (5) most qualified employees in the section.

(1) Sections are defined, for the purpose of this clause only, as the sub-groups listed: (a) Water, (b) Sewer, (c) Wastewater Operations, and (d) Wastewater Maintenance; and

(2) Qualifications for the purpose of this Section, as determined by the department head or designee, shall include all the following equal factors:

(a) Seniority in grade within any class immediately below the vacant position.

(b) Worker experience relative to the vacant position.

(c) Prior job performance and attendance.

(d) Certificates or other formal qualification devices such as eligibility lists.

If all things are equal based on above factors, the seniority within the City shall be considered.

(3) The opportunity for acting Pay shall be rotated among the five (5) most qualified employees within each section.

(d) Assignments from other than a promotional eligibility list shall not exceed 120 days per fiscal year per employee.
15.12 **Special Assignment Pay**

The City Manager may approve additional compensation in an amount not to exceed one additional salary step when an employee is assigned in writing by the supervisor to perform additional duties and responsibilities for the duration of the special assignment.

Any Senior Plant Operator who is assigned in writing by an appropriate authority to assume supervisory authority over another Senior Plant Operator shall receive an additional five percent (5%) special assignment pay per shift when so assigned.

15.13 **Special Certification Pay**

Water Systems Operator and/or Senior Water Systems Operators who possess a Distribution Operator Certificate issued by the California Department of Health Services shall receive an additional three percent (3%) of base pay.

**Section 16. Severability of Provisions**

In the event that any provision of this Memorandum of Understanding is declared by a court of competent jurisdiction to be illegal or unenforceable that provision of the Memorandum of Understanding shall be null and void but such nullification shall not affect any other provisions of this Memorandum of Understanding, all of which other provisions shall remain in full force and effect.

In the event that Federal legislation changes the current applicability of the Fair Labor Standards Act, both parties agree to consult and/or confer on the impacts of such legislation to the extent required by law.

Appendix C. Side Letter of Agreement
Longevity Incentive

1. The provisions of this APPENDIX C Side Letter of Agreement only to Employees identified in the corresponding attachment marked as APPENDIX C and cannot be amended, changed, or deleted unilaterally by either party. However, nothing contained herein prohibits the parties from mutually agreeing to changes, but neither party can be compelled to negotiate and/or agree to any changes to this Side Letter of Agreement.

2. Effective March 1, 2008, employees identified in APPENDIX C shall be entitled to receive the amounts noted for each year of service up to a maximum of 5 years. The total amounts shown are intended to be paid on a monthly basis by the date shown (e.g., for amounts totaling $15,000, $1,250.00 shall be paid monthly, so the total amount noted shall have been paid out by 3/1/2009).

3. Employees listed in APPENDIX C shall be entitled only to the amount earned (in paid status) for that month. If an employee terminates employment or is in an unpaid status for a period less than one month, the amount noted shall be prorated for the days in paid status, including paid sick and annual leave. Employees shall not be entitled to payment not earned (unpaid leaves of absences, termination).

4. The amounts noted herein shall not be subject to cost-of-living increases, promotions or other increases to base pay that said employees may earn during the term of this Agreement. Employees who sever their employment relationship with the City and are subsequently reinstated or re-employed, shall not be eligible for any payment herein upon reinstatement or re-employment, except as may be awarded by a court of law or arbitrator.

5. The Longevity Incentive shall be reported to PERS as “PERSable” income by the City.

MEMORANDA OF UNDERSTANDING BETWEEN THE CITY OF STOCKTON AND THE STOCKTON CITY EMPLOYEES' ASSOCIATION, TRADES AND MAINTENANCE UNIT, OPERATIONS AND MAINTENANCE UNIT, WATER SUPERVISORY UNIT, AND MODIFICATIONS TO THE UNREPRESENTED MANAGEMENT/CONFIDENTIAL AND LAW EMPLOYEES' COMPENSATION PLAN

RECOMMENDATION

It is recommended that the City Council adopt by resolution the attached successor Memoranda of Understanding (MOU's) effective July 1, 2016 through June 30, 2019, and amended Unrepresented Compensation Plan, with the following groups:

1. Stockton City Employees' Association (SCEA);
2. Trades and Maintenance Unit (T&M);
3. Operations and Maintenance Unit (O&M);
4. Water Supervisory Unit; and
5. Unrepresented Management/Confidential and Law Employees'

It is further recommended that the City Manager be authorized to take appropriate and necessary actions to carry out the purpose and intent of the resolution, including implementation and funding of these successor MOU's, and Compensation Plan.

Summary

In April 2016, representatives of the City began meeting with labor representatives to discuss successor MOU's. All bargaining unit MOU's are set to expire June 30, 2016, and the City and bargaining units desired to negotiate successor MOU's effective after that expiration. The successor MOU's presented herein, for SCEA, T&M, O&M and the Water Supervisory Unit, include a contract term of three (3) years; contain an increase to the City's health contribution effective July 1, 2016; a 6% cost of living increase adjustment (COLA) to base pay effective July 1, 2016, with no additional COLA's in the following two years of the contract; base pay salary adjustments for positions significantly below market; and a vacation cashout option in years 2 and 3 of the contract. Although COLA increases have been restructured to address market conditions, the overall level of increase is consistent with the City's Long-Range Financial Plan (L-RFP). Additional compensation adjustments have been negotiated to remedy current recruitment and retention difficulties. All compensation increases have been included in an updated L-RFP as described below, and long-term sustainability remains viable. The ability to address market pressures and maintain fiscal sustainability is due to City Council action to set aside funds for Employee Compensation on December 8, 2015, as well as adoption of a new Reserve and Available Fund Balance Policy on March 29, 2016. These successor MOU's contain similar terms and conditions as the prior two years, with other minor changes. The City reached tentative agreements with these units on the following dates: SCEA on May 6, 2016;
and the Operating Engineers' Local 3 Units (T&M, O&M and Water Supervisory Unit) on May 20, 2016. The City has received notification from these bargaining units that their memberships have ratified their respective successor MOU's.

Staff is recommending that the City Council also authorize the City Manager to implement adjustments to the Unrepresented Employees' Compensation Plan which includes general updates to be consistent with the other bargaining units' MOU provisions, and compensation terms. The successor MOU's, and the updated modified Unrepresented Compensation Plan are attached in red-line versions, as Attachments A - E respectively. Finally, Staff recommends the same cost of living, health plan and changes afforded to the unrepresented employees be applied to the unrepresented Council appointed positions of City Manager, City Attorney and City Clerk.

DISCUSSION

Background

The City has had substantial fiscal shortfalls over the past several years culminating in the bankruptcy filing in June of 2012. From 2008 through 2013, employee compensation was impacted through salary and benefit concessions, including base pay reductions due to work furlough. On June 26, 2012, the City Council adopted a final budget for FY 2012-13 under the Pendency Plan filed for the bankruptcy proceedings. It also adopted as part of its Pendency Plan changes in compensation and benefits. In July 2012, the City Council adopted successor MOU's for bargaining units with a term of one year, July 1, 2012 through June 30, 2013. For FY 2013/2014, most bargaining units at the City agreed to a "contract rollover" and amendment to extend their MOU for a one-year term through June 30, 2014, with minimal changes. Employees received no COLA in FY 2013-14 and FY 2014-15. Subsequently, Council approved successor MOU's with the SCEA, T&M, O&M, and Water Supervisory Unit, effective July 1, 2014 through June 30, 2016. The expiring MOU's included a 2% COLA that became effective for members in FY 2015-16, and a small increase to the City's health insurance premium contribution. Unrepresented employees also received the same 2% COLA and small increase to health insurance premium contributions effective July 1, 2015.

Because employee compensation had been reduced or stagnant for several years prior to FY 2015-16, the City's labor market competitiveness was affected negatively. The lack of competitiveness manifested in recruitment difficulty, increased turnover and retention problems. In June 2015, the City hired a compensation consultant who surveyed City positions and other comparable agencies with regards to base salary and total compensation. Numerous positions City-wide and across all bargaining units were identified as being significantly under market (i.e., more than 6% under market) with regards to base salary. The compensation study also identified that the City was significantly under market with regards to the employer paid health insurance premium contribution. City Council took action on April 12, 2016 to improve and increase the options for health care available to employees. The proposed changes include increases to base salary, the employer contribution for health care and other compensation items to maintain market competitiveness.

The City Council identified retention and recruitment of employees as a high priority and took action to set aside funds to address market conditions through the adoption of the General Fund Reserve policy on March 29, 2016 and approval of one-time funding for Employee Compensation on December 8, 2015, Resolution No. 2015-12-08-1502.
Present Situation

The relevant amendments under the successor MOU’s and Unrepresented Compensation Plan are summarized as follows:

1. MOU contract term for three (3) years - July 1, 2016 through June 30, 2019;

2. 6% base pay increase (COLA) effective July 1, 2016, consistent with the City’s L-RFP (SCEA MOU Article 17.1; T&M MOU Section 15.1; O&M MOU Section 15.1; Water Supervisory Unit MOU Section 15.1; Unrep Comp Plan Section 13.1);

3. Market base salary adjustments implemented over 3 years effective July 1, 2016, (SCEA MOU Appendix B; T&M Appendix A; O&M Appendix A; Water Supervisory Unit Appendix A; Unrep Comp Plan Appendix A);

4. City contribution towards health insurance - the City’s capped health insurance premium contribution would be reset at 90% of the lowest cost Kaiser Plan premiums, effective July 1, 2016; effective FY 2016-17 the City’s contribution amount would increase approximately 14% consistent with Council’s one-time funding approval. The monthly increase in the City’s contribution will be:
   - $76 per month for Employee Only;
   - $136 per month for Employee plus 1 Dependent; and
   - $183 per month for Employee plus 2 or more Dependents.

   In FY 2017-18 and FY 2018-19 of the contract, the dollar value of the City’s health insurance premium contribution will increase by 2% each year respectively, consistent with the City’s L-RFP (SCEA MOU Article 16.1(c); T&M MOU Section 14.1 (c); O&M MOU Section 14.1 (c); Water Supervisory Unit MOU Section 14.2 (c); Unrep Comp Plan Section 4.1 (c));

5. Vacation Cash Payment Option- This proposal would allow vacation cash payment option/sell-back during the last two fiscal years of the contract term. The vacation cash payment option was available prior to February, 2012. This option will allow employees to cash out up to 40 hours of vacation each year in FY 2017-18 and FY 2018-19, (SCEA MOU Article 11.1(e); T&M MOU Section 9.1 (f); O&M MOU Section 9.1 (g); Water Supervisory Unit MOU Section 9.1(e); Unrep Comp Plan Section 6 (e));

6. Overtime - Sick leave, jury duty, and bereavement leave will count as time worked for Fair Labor Standards Act (FLSA) overtime calculation purposes (SCEA MOU Article 13.2 (a); T&M MOU Section 11.2 (a); O&M MOU Section 11.2 (a); Water Supervisory Unit MOU Section 11.2 (a); Unrep Comp Plan Section 14.3 (a));

7. Health Insurance - Agreement to a reopener clause to meet and confer upon City’s request regarding proposals related to City sponsored medical plans and implementation of the Affordable Care Act (ACA) (SCEA MOU Article 16.0; T&M MOU Section 14.0; O&M MOU Section 14.0; Water Supervisory Unit MOU Section 14.1);
8. Bi-Weekly Pay Period - Agreement that the City may move to bi-weekly pay as soon as administratively possible (SCEA MOU Article 17.14; T&M MOU Section 15.14; O&M MOU Section 15.15; Water Supervisory Unit MOU Section 15.16);

9. Elimination of obsolete language and other language cleanup changes;

MOU specific amendments are summarized as follows:

**Trades and Maintenance Unit:**

10. Increase annual footwear allowance from $170 to $200, to be consistent with the other Operating Engineers' Local 3 units (T&M MOU Section 13.3 (b));

**Water Supervisory Unit:**

11. City Health Reimbursement Account (HRA) contribution in the amount of 5.5% of base salary for reimbursement of current and retiree medical cost reimbursement, to address compaction issues with the Operations and Maintenance Unit who already receive this benefit (Water Supervisory Unit MOU Section 14.7);

**All Operating Engineers' Local 3 Units (O&M, T&M, Water Supervisory Unit):**

12. State Disability Insurance - The City has agreed for OE3 members to elect to receive State Disability Insurance (SDI) coverage at their own expense (O&M MOU Section 14.3; T&M MOU Section 14.3; Water Supervisory Unit MOU Section 14.6); and

**Unrepresented Compensation Plan:**

13. For equity purposes to provide similar benefits for all Police Safety personnel, staff proposes that the Police Chief and Deputy Police Chief positions receive longevity add pay consistent with the represented Stockton Police Management Association (SPMA), for a maximum 4.5% longevity add pay upon completion of 24 years of service, (Unrep Comp Plan Section 9).

**FINANCIAL SUMMARY**

**COLA**

The total cost for the 6% COLA beginning July 1, 2016 for all five employee groups is $4,243,715 of which $1,632,268 is a General Fund cost. The table below shows COLA increase by bargaining unit for the 3 years. A complete list of all fund and impacts is provided as exhibit 6 to the resolution. Funding for an annual 2% COLA was planned in the L-RFP. The additional cost in the first and second years of front-loading a 6% COLA is offset by costs in year three and beyond due to the elimination of the annual compounding of COLAs and there is not a negative effect on the L-RFP. The additional cost to address market conditions and front load the COLAs in the first year will be funded using one-time savings from prior years.

### Health Insurance Contribution

The cost for the health contribution increase beginning July 1, 2016 for employee groups listed above is $1,388,424 of which $543,291, is a General Fund cost. The health contribution cost increase for FY 2017-18 is $232,284, and FY 2018-19 is $235,284, which is a 2% increase from the FY 2016-17 cost, as planned in the L-RFP. The available fund balance in the City’s Health Internal Service Fund will be used to fund the increased health contribution for the first two years. After these one-time funds have been exhausted, the ongoing cost will be absorbed in the operating funds including the General Fund.

Vacation Sell-Back / Cash-out
The City previously allowed the option to sell-back vacation time, or take cash in lieu of time off, prior to February 2012. Discontinuing the sell-back option was necessary to preserve cash during the fiscal crisis. The annual average cost of restoring this benefit for these employee groups could be as much as $1.2 million of which $471,000 is a General Fund cost. These one-time costs will also be funded from prior year savings and will be made part of the FY 2017-18 and FY 2018-19 annual budgets. However, there could be an offsetting increase in productivity if staff take cash in lieu of time off as the hours worked could increase.

Fair Labor Standards Act (FLSA) Overtime Changes
Counting sick leave, bereavement leave and jury duty leave hours as time worked for FLSA overtime calculation purposes for the three year contract period will be a total cost of $65,919 of which $25,355 is a General Fund cost.

Footwear Allowance Increase for Trades and Maintenance Unit
Amending the T&M footwear allowance from $170 to $200 per year will cost an additional $1,300 per year.

HRA Contribution for Water Supervisory Unit
The cost for the 5.5% HRA contribution is $62,000 per year beginning July 1, 2016.

Longevity Adjustment for Unrepresented Police Safety Personnel
The cost for aligning the Unrepresented Police safety positions to the represented SPMA longevity add pay provision is a cost of $11,000 all which is a General fund cost.

Prior year savings has enabled the City to direct more funds than previously anticipated toward employee compensation in the near term, and will accelerate the City's effort to provide compensation consistent with median market levels. This should improve recruitment and retention efforts, and ultimately reduce costs associated with staff turnover. Most of these compensation changes are ongoing costs to the City and have to be sustainable in the long-term. With the approval of these MOU terms, the General Fund available balance will be diminished. If labor negotiations for the remaining bargaining units result in similar compensation adjustments, the General Fund available balance is projected to drop close to the 5% minimum reserve level in FY 2026-27 as shown in the L-RFP chart below. However, Council adopted a new Reserve and Available Fund Balance Policy in March, 2016 and it is estimated that an additional $15 million would be set aside in reserves for economic uncertainties and unforeseen events. Approval of these MOUs establishes a
fiscal commitment to fill vacancies and meet existing expectations for service. The City's ability to
direct funds toward other priorities and expand City services will continue to be constrained.

The above MOU terms were not included in the FY 2016-17 Proposed Budget as released on May
16, 2016 because confidential labor negotiations were still underway. The recommended action
includes directing the City Manager to incorporate the cost of these labor changes into the proposed
budget in the amounts shown below and in Exhibit 6:

Transfer from GF (010-0000) to Library Fund (041-0000)          $ 138,000
Transfer from GF (010-0000) to Recreation Fund (044-0000)       $  89,000
Increase various Salary & Benefit accounts                        $ 5,051,949

CITY OF STOCKTON
OPERATIONS AND MAINTENANCE UNIT SUCCESSOR MOU
TERM: JULY 1, 2016 - JUNE 30, 2019

Section 1. Recognition
Operating Engineers' Local 3, AFL-CIO, hereinafter referred to as the "Union," is the recognized employee organization for the Operations and Maintenance Unit, certified pursuant to the Employer-Employee Relations Ordinance (Stockton Municipal Code §§ 2-200, et seq.).

Section 2. Union Security

2.1 Dues Deduction

(a) General. The Union may have the regular dues of its members within the representation unit deducted from employees' paychecks under procedures prescribed by the City for such deductions. The Union has the exclusive privilege of dues deduction for its members.

Authorization, cancellation or modification of payroll deductions shall be made upon forms provided or approved by the City. The payroll deduction authorization shall remain in effect until canceled or modified by the employee by written notice to the City or until the first day of the calendar month following the transfer of the employee to a unit represented by another employee organization as the representative of the unit to which the employee is assigned, or until employment with the City is terminated.

Additional authorization shall not be required for deduction of increased membership dues when such increase has been duly approved by the membership of the Union. Notification of such approval shall be forwarded to the City in the form of written notice on official Union letterhead and signed by the duly authorized Union official. Upon receipt of notification, the City shall authorize the payroll deduction of the increased amount.

If an employee is promoted to a position which is represented by another employee organization or to an unrepresented unit, membership dues for the former unit will not be deducted from the employee's paycheck by the City.

Amounts deducted and withheld by the City shall be transmitted to the officer designated in writing by the Union as the person authorized to receive such funds, at the address specified.

In addition to the deduction of dues, the City will deduct from the paychecks of Union members who request it, premiums for group insurance and investment.
OPERATIONS AND MAINTENANCE UNIT SUCCESSOR MOU
TERM: JULY 1, 2016 - JUNE 30, 2019

plans sponsored by the Union. Such deductions shall be made in one lump sum and only upon signed authorization from the employee upon a form satisfactory to the City.

The employee's earnings must be sufficient after all other required deductions are made, to cover the amount of the deductions herein authorized. When an employee is in a non-pay status for an entire pay period, no withholdings will be made to cover that pay period from future earnings nor will the employee deposit the amount with the City which would have been withheld if the employee had been in pay status during that pay period. In the case of an employee who is in a non-pay status during a part of the pay period, and the salary is not sufficient to cover the full withholding, no deduction shall be made.

In this connection, all other required deductions have priority over the employee organization deduction.

(b) Indemnity and Refund. The Union shall indemnify, defend and hold the City harmless against any claim made and against any suit initiated against the City on account of check off of Union dues or premiums for benefits. In addition, the Union shall refund to the City any amounts paid to it in error upon presentation of supporting evidence.

2.2 Agency Fee

(a) Employee Rights

(1) The City and the Union recognize the right of employees to form, join, and participate in lawful activities of employee organizations and the equal, alternative right of employees to refuse to form, join and participate in employee organizations. Neither party shall exert pressure upon or discriminate against an employee in the exercise of these alternative rights.

(2) Accordingly, membership in the Union shall not be compulsory. A unit member has the right to choose, either: to become a member of the Union; or, to pay to the Union a fee for representation services; or, to refrain from either of the above courses of action upon the grounds set forth in Section (f) below.

(b) Unit Members' Obligation to Exclusive Representative

(1) A bargaining unit member who does not fall within one (1) of the
OPERATIONS AND MAINTENANCE UNIT SUCCESSOR MOU
TERM: JULY 1, 2016 - JUNE 30, 2019

exempted categories as set forth in Section (f) below, and who has not voluntarily made application for membership in the Union within the sixtieth (60) day following the date upon which said employee has been formally hired by the City as a bargaining unit employee, must as a condition of continued employment in the City pay to the Union a representation fee, in exchange for representation services necessarily performed by the Union in conformance with its legally imposed duty of fair representation on behalf of said unit member who is not a member of the Union.

(2) In the event that a unit member does not become a member of the Union or pay such fee directly to the Union, the City shall begin automatic payroll deduction. There shall be no charge to the Union for such mandatory agency fee deductions.

(3) Prior to beginning such automatic payroll deduction, the Business Representative of the Union will certify to the City in writing that the employee whose pay is to be affected by the deduction has: 1) refused to join the Union; and 2) has refused to tender the amount of the agency fee as defined herein; and 3) has not applied for an exemption under Section (f) herein. In addition the Union must also certify that it has provided the employee with a copy of the fee verification required by Section (e) herein.

(c) Definition of Agency Fee

(1) The agency fee collected pursuant to Section (b) above from unit members who are not members of the Union shall be an amount not to exceed the standard initiation fee, periodic dues and general assessments of the Union for the duration of this Agreement, minus any amount which is prohibited by the Constitution because such funds pay for political or ideological purposes not related to collective bargaining.

(2) Any dispute as to the amount of the representation fee shall be resolved pursuant to the provisions of Section (h) herein.

(d) Exceptions. Unit members on leave without pay and unit members who are in laid-off status shall be exempt from these provisions herein; except that the election as to membership or payment of a fee as set forth herein must be exercised within the first ten (10) work days upon return to paid status.

(e) Annual Verification of Agency Fee by the Union. Prior to January 31, of each year and before the collection of an agency fee from any unit member
pursuant to these provisions herein, the Union shall submit a written certification to the fee payers verifying that the total amount of its representation fee conforms to Section (c) above, and itemizing all component parts of such fee which shall provide an adequate explanation for the basis of the fee. Each year such amount shall be verified and submitted in writing to the fee payers by the Union prior to January 31st. The Union will submit a copy of such verification to the Director of Human Resources of the City. The parties agree that such annual verification is a condition precedent to the collection by either the City or the Union of a representation fee from a unit member.

(f) **Employees Exempted From Obligation to Pay Union**

(1) Any unit member shall be exempt from the requirements of Section (b) above, if such employee has a bona fide religious objection as defined by Section 3502.5 of the Government Code to the payment of any fee in support of a Union or "employee organization" as defined in Section 3540.1(d) of the Government Code.

(2) Such exempt unit member shall, as an alternative to payment of a representation fee to the Union, pay an amount equivalent to such representation fee to:

a. United Way.

b. American Cancer Society.

c. Any charity jointly agreed in writing by the parties.

(3) If a unit member desires to be exempted for reasons set forth in Section (f) herein, the unit member must first request such exemption in writing from the Union setting forth briefly the rationale for the exemption. If the Union notifies the unit member in writing that the Union will not honor the request, then the matter shall be referred automatically to a panel for determination according to the procedure set forth below. The panel shall be composed of one (1) person selected by the Union, one (1) person selected by the unit member, and an arbitrator selected by the parties chosen from a list submitted by the State Conciliation Service. If either one or both parties fail to nominate a panel member, the process of hearing will continue without that party's panel member.

(4) The panel shall first receive arguments and evidence from the unit member requesting the exemption. Thereafter the Union may present any
OPERATIONS AND MAINTENANCE UNIT SUCCESSOR MOU
TERM: JULY 1, 2016 - JUNE 30, 2019

arguments or evidence. The proceedings shall be conducted in an informal manner, and the rules of evidence will not apply. The arbitrator shall act as chair and rule on all matters before the panel with the exception of the final determination of the panel. The panel shall prepare a written decision within fifteen (15) calendar days of the completion of the hearing which shall be final and binding upon the parties. Any expenses of the panel shall be borne by the parties incurring them.

(5) Upon receipt of the decision of the panel, the City shall release any funds held in escrow to the Union or to the charity. Any decision by the panel shall apply for the duration of this Memorandum of Understanding.

(6) In addition, the Union may require such exempt unit member to submit proof of payment of an amount equivalent to such representation fee to one (1) of the alternative funds or organizations listed above. If the bargaining unit member has not provided payment, the City will institute deductions pursuant to Section (b)(2), and forward such monies to a charity listed in Section (f)(2).

(7) Such payments shall be made on or before January 31, of each year or no more than thirty (30) days after commencing duties for any newly hired employee.

(g) Escrow Account. If any unit member either disputes the amount of the fee or disputes whether or not an exemption was appropriately denied, the City shall deposit the fee which was deducted and place such amount into a special escrow account established by the Union for such purposes.

(h) Procedure for a Unit Member Who Contests the Amount of the Fee

(1) The parties agree that in order to provide a uniform definition of the representation fee, any disputes involving the amount of such fee shall be referred to the Union's procedure for determination, provided that the parties have first complied with the other provisions of this Section.

(2) The Union shall notify the City in writing within twenty (20) days after it becomes aware that any employee disputes the amount of the fee.

(3) The Union will verify in writing to the City that all of the conditions of Section (b)(3) have been met prior to the City's initiation of the fee deductions set forth in Section (b)(2). Thereafter, the City will notify the

CITY OF STOCKTON
OPERATIONS AND MAINTENANCE UNIT SUCCESSOR MOU
TERM: JULY 1, 2016 - JUNE 30, 2019

affected employee in writing that such deductions will commence and a
 copy of the Union's written verification will be attached to the City's notice.
 Thereafter, the City will begin the deductions.

The monies held in escrow shall be released to the appropriate party upon
the rendering of a final decision by the Union's internal procedure.

(i) Payment Method/Payroll Deduction

(1) A unit member may voluntarily sign and deliver to the City a written
assignment authorizing deduction of the properly established
representation fee as defined in Section (c) above, subject to the conditions
set forth elsewhere in this agreement for payroll deductions, or the amount
of the fee will be deducted automatically in accordance with Section (b)(2)
herein.

(2) The City is under no obligation to make payroll deductions for the
periods during which a unit member is either terminated from active
employment, or not on the City's active payroll for any reason, including, but
not limited to, layoff and voluntary leave of absence for more than thirty (30)
days.

(3) Upon the rehiring of any unit member, or upon the recalling of any
unit member from layoff status, the City will resume or initiate dues
deductions for such unit member.

(j) Obligations of Parties

(1) City's Obligations. The City's obligation under this Article is to notify
any unit member who has failed to comply with the provisions of this Section
that, as a condition of continued employment with the City, such unit
member must become an Union member, or pay a representation fee, or
establish an exemption status and make payment pursuant to provisions of
Sections (b) and (f) of this Agreement. Under no circumstances shall the
City be required to dismiss or otherwise discipline any unit member for
failure to fulfill their obligations to pay the fees established herein.

(2) Union's Obligations. Except as specified herein, the Union and not
the City, shall be responsible for requiring unit members to fulfill obligations
defined herein. It is the obligation of the Union to collect any representation
fees which may be due and payable to the Union in consideration for its
services as the exclusive representative of unit employees.

(k) **Hold Harmless Provision.** The Union shall hold the City harmless, and shall fully and promptly reimburse the City for any fees, costs, charges or penalties incurred in responding to or defending against any claims, disputes, challenges, whether formal or informal, which are actually brought, or attempted or threatened to be brought, against the City or any of its agents, or employees, in connection with the interpretation, application, administration or enforcement of any Section of this Agreement pertaining to representation fee. Such reimbursement shall include, but not be limited to, court costs, litigation expenses, and attorney's fees incurred by the City. The City shall have the right to be represented by its own attorney in any action in which it is a named party to the action. Disputes over the amount of reimbursement shall be automatically submitted to the arbitration provisions of this Memorandum, Section 8.3(e).

2.3 **Use of City Facilities**

(a) The Union shall be allowed by the City department in which it represents employees' use of space on available bulletin boards for communications having to do with official Union business, such as times and places of meetings, provided such use does not interfere with the needs of the department. The Union may submit to the City Employee Relations Officer written communications having to do with official Union business for distribution by the City to identified shop stewards. Distribution may be by e-mail.

(b) Any representative of the Union shall give notice to the department head or designated representative when contacting department employees on City facilities during the duty period of the employees, provided that solicitation for membership or other internal Union business shall be conducted during the non-duty hours of all employees concerned. Pre-arrangement for routine contact may be made with individual department heads and when made shall continue until revoked by the department head.

Except in cases of emergency, reasonable advance written notice shall be given to the Union if affected by any ordinance, resolution, rule or regulation directly relating to matters within the scope of representation proposed to be adopted by the City and shall be given the opportunity to negotiate if requested with the designated management representatives prior to adoption.

In cases of emergency when the foregoing procedure is not practical or in the best public interest, the City may adopt or put into practice immediately such measures as are required. At the earliest practicable date thereafter the Union shall be provided with the notice described above and be given an opportunity if requested to negotiate changes to said notice with the management representatives designated by the City Manager.

2.5 Attendance at Meetings by Employees

City employees who are official representatives or unit representatives of the Union shall be given reasonable time off with pay to attend meetings with City management representatives where matters within the scope of representation or grievances are being considered. Such employee representatives shall submit a request for excused absence to their respective department heads, in a manner satisfactory prior to the scheduled meeting whenever possible. Time spent for these purposes while a representative is not scheduled to work shall not be compensated by the City and shall not be considered as hours worked. Except by mutual agreement the number of the employees excused for such purposes shall not exceed three (3) per recognized bargaining unit.

2.6 Maintenance of Membership

All employees in the Operations and Maintenance unit who are members of the Union, tendering periodic dues at the execution of this agreement, and all employees who thereafter become members of the Union shall, as a condition of employment, pay dues to the Union for the duration of this Memorandum of Understanding, and each year thereafter. For a period of thirty (30) days prior to January 1, 2009 and thirty (30) days prior to any January 1, thereafter, any employee in the aforementioned unit who is a member of the Union shall have the right to withdraw from the Union discontinuing dues payments and retain employment in the City, subject to provisions of Section 2.2. Agency Fee. Said withdrawal shall be communicated by the employee in writing to the City. The provisions of this section shall be operative only to the extent that they are permissible under California law.
2.7 Assignment of Classifications

New job classifications established by the City shall be assigned to the bargaining unit pursuant to Section 8 (b) of the City's Employer-Employee Relations Resolution after providing notice and the opportunity to consult with the Union regarding such matters.

2.8 Contract Ratification

Ratification votes for Contract will be handled on city time during the day.

Section 3. Compliance with Federal Laws/Safety

3.1 Non-Discrimination. The City and the Union agree that there shall be no discrimination of any kind because of age (over 40), race, creed, color, religion, national origin, ancestry), veterans status, physical or mental disability, marital status, sexual orientation, sex (sexual, gender based, pregnancy/childbirth), political affiliation or legitimate union activity or on any other basis prohibited by applicable federal and State law against any employee or applicant for employment.

3.2 Fair Labor Standards Act. The Union agrees to cooperate with the City to insure its members' compliance with the provisions of the Fair Labor Standards Act.

3.3 Safety. The Union shall cooperate with the City in promoting safety objectives as defined in Federal, State and local regulations by actively supporting safety programs, promoting safe work habits of members and encouraging an ongoing, active participation by its members in safety related procedures and practices as offered and promulgated by the City of Stockton.

Section 4. Probation

4.1 Purpose

The probationary period shall be utilized for closely observing the employee's work, for securing the most effective adjustment of a new employee to a position, and for rejecting any probationary employee whose performance does not meet the required standards of work.

4.2 Original Entrance and Promotional Positions
All original appointments shall be tentative and subject to a probationary period of one (1) year with a review completed after 6 months from original appointment. Promotional appointments shall be subject to a probationary period of 6 months. The probationary period for original and promotional appointments will not be extended.

4.3 Retention/Rejection of Probationer

At the end of the probationary period, if the service of the probationary employee has been satisfactory to the appointing authority, then the appointing authority shall file with the Director of Human Resources a statement in writing to such effect and stating that the retention of such employee in the service is desired. The City will make a good faith effort to notify a probationary employee two (2) weeks before the end of the probationary period whether or not permanent status is granted; however, a failure on the part of the appointing authority to file such a statement at the end of the probationary period shall constitute a rejection of the probationer as defined in Civil Service Rules.

During the probationary period an employee may be rejected at any time by the appointing authority. Any employee rejected during the probationary period following a promotional appointment, shall be reinstated to the position from which promoted unless charges are filed and the employee is discharged in the manner provided in Section 7 of this Memorandum of Understanding and in the Civil Service Ordinance and Civil Service Rules, which are consistent therewith.

4.4 Alcohol and Drug Testing. All employees hired into original and reemployed appointments in safety-sensitive positions identified by the City must pass a drug and alcohol screening prior to being offered City employment. This shall include non-represented part-time, seasonal, provisional, and temporary appointments.

The order of layoff among employees not having permanent status shall be according to the following categories:

(1) extra help or seasonal

(b) Any employee in the Operations and Maintenance Unit who is laid off may complete a City employment application for any position currently staffed by a part time, provisional, or temporary employee. The Human Resources Department will evaluate the employment application. If the laid off employee meets the minimum qualifications of that position, he/she shall have the option of displacing the part time, provisional, or temporary employee.

5.5 **Employee Options**

Employees laid off shall have any of the following choices:

(a) Displacing the employee in the same department and in the same or clearly comparable classification as determined by the Director of Human Resources as having the least (total service) seniority. This option shall be exercised before any other option.

Permanent employees who are laid off will have an option of maintaining their existing health and welfare benefits for thirty-six (36) months from the date of layoff, provided timely payments of the premiums by the employee are made to the City, according to City regulations, and provided the employee otherwise meets the requirements of Federal and State regulations.

Section 6. Reemployment

(a) The name of each employee who is laid off in accordance with Section 5 shall be placed at the head of the eligibility list for the class of positions which that employee held, and shall be given preference in filling vacancies in that class.

(b) An employee laid off in accordance with this Section shall be placed on the eligibility list or lists for any lower or comparable class or classes in the same department, provided that the appointing authority and the department head in charge of this lower or comparable class determine that the employee is competent to perform the duties thereof in strict accordance with the class specifications. This right of a laid off employee shall remain effective for two (2) years from the date of latest separation from the service. The employee shall not be placed on said eligibility list or lists without first submitting a written request. Employee's place on said list or lists shall be at the head of the eligibility list for the class of positions for which qualified as hereinabove set forth and shall be given preference in filling vacancies except for those persons placed on said list or lists of reemployment in the same positions previously held. An employee who waives reemployment to a full time position three times shall have his/her name removed from this reemployment list unless mutually agreed to by the Department and employee. Upon certification for appointment to a new position never having been held by this employee, the probationary period must be completed as required in this Memorandum of Understanding.

OPERATIONS AND MAINTENANCE UNIT SUCCESSOR MOU
TERM: JULY 1, 2016 - JUNE 30, 2019

All verbal reprimands and written reprimands shall be removed from the employee's record after a period of one year if there has been no reoccurrence of the infraction and the employee has a good work record. All other disciplinary records shall be removed from an employee's work record after two (2) years if there has been no reoccurrence of the infraction and the employee has a good work record.

Section 8. Grievance Procedures

8.1 Definition

A grievance is any dispute which involves the interpretation or application of those rules, regulations and resolutions which have been, or may hereafter be, adopted by the City Council to govern personnel practices and working conditions, including such rules, regulations and resolutions as may be adopted by either the City Council or the Civil Service Commission to affect Memoranda of Understanding which result from the meeting and conferring process.

8.2 Filing Deadline

(a) No grievance involving demotion, suspension, discharge or other employment penalty will be entertained unless it is filed in writing with the Director of Human Resources within ten (10) calendar days of the time at which the affected employee received written notification of such action. All other grievances must be filed within thirty (30) calendar days from the time the employee knew or had reason to know of the facts giving rise to the grievance.

(b) With written consent of the City Manager or his/her designee and the Union Business Agent or his/her designee, time limits may be extended and/or Steps 1, 2 and/or 3 of the Grievance Procedure waived.

8.3 Grievance Processing

(a) Step 1 - Departmental Review. Any employee claiming to have a grievance may discuss the complaint with such management official in the department where employed as the department head may designate. If the issue is not resolved within the department within twenty (20) calendar days from the day of presentation or if the employee elects to submit the grievance directly to the Union recognized as the representative of that employee's classification, or if the employee/Union official notifies the Director of Human Resources, in writing, that
a grievance exists, the procedure hereinafter specified may be invoked.

(b) **Step 2 - Director of Human Resources Review.** If the employee is not satisfied with the response at level one, then the employee may appeal the grievance to the Director of Human Resources within twenty (20) calendar days of the receipt of written response at level one. Such appeal must state with particularity: 1) the specific policy, rule or provision which is alleged to have been violated; 2) the statement of facts comprising the violation; and 3) the requested remedy. The Union may file and process grievance(s) on behalf of the specifically named employee. The Director of Human Resources shall have twenty (20) calendar days in which to investigate the issues, meet with the complainant and attempt to reach a satisfactory resolution of the problem. No grievance may be processed under the following two (2) paragraphs which has not first been filed and investigated in accordance with this paragraph, except for the resolution of compensation complaints.

(c) **Step 3 - Arbitration.** If the parties are unable to reach a mutually satisfactory accord on the grievance at Step 2, within twenty (20) calendar days either the Union or the City may require that the grievance be referred to an impartial arbitrator mutually selected by the parties, or if the parties are unable to mutually agree, from a list of seven (7) arbitrators provided by the State Conciliation Service. The arbitrator shall be chosen by the alternative strike method, with first choice being determined by lot. The fees and expenses of the arbitrator and of a court reporter shall be shared equally by both parties. Each party, however, shall bear the cost of its own presentation, including preparation and post hearing briefs, if any.

(d) **Effect of Decision.** Decisions of arbitrators on matters properly before them shall be final and binding on the parties hereto except as provided otherwise herein.

8.4 **Scope of Arbitration**

(a) No arbitrator shall entertain, hear, decide or make recommendations on any dispute unless such dispute involves a position in a unit represented by the Union and unless such dispute falls within the definition of a grievance as set forth in paragraph 8.1.

(b) Proposals to add to or change this Memorandum of Understanding or written agreements or addenda supplementary hereto shall not be arbitrable and no proposal to modify, amend or terminate this Memorandum of Understanding,
nor any matter or subject arising out of or in connection with such proposal, may be referred to arbitration under this Section. No arbitrator selected pursuant to this Section shall have the power to amend or modify this Memorandum of Understanding or written agreements or addenda supplementary hereto or to establish any new terms or conditions of employment.

No changes in this Memorandum of Understanding or interpretations thereof (except interpretations resulting from arbitration proceedings hereunder) will be recognized unless agreed to by the Director of Human Resources and the Union.

8.5 Other Provisions

If the Director of Human Resources or City Manager, in pursuance of the procedures outlined above, resolves a grievance which involved suspension or discharge, they may agree to payment for lost time or to reinstatement with or without payment for lost time, but in the event the dispute is referred to arbitration and the arbitrator finds that the City had cause to take the action complained of, the arbitrator may not substitute his judgment for the judgment of management and if the findings are that the City had such right, the arbitrator may not order reinstatement and may not assess any penalty upon the City.

Complaints which allege the employee is not being compensated in accordance with the provisions of this Memorandum of Understanding shall be considered as grievances and processed pursuant to Section 8.3. Any other matters of compensation are to be resolved in the meeting and conferring process and if not detailed in the Memorandum of Understanding which results from such meeting and conferring process shall be deemed withdrawn until the meeting and conferring process is next open for such decision. No adjustment shall be retroactive for more than one-hundred and eighty (180) calendar days from the date upon which the complaint was filed.

Specified time limits may be modified only in writing. All appeals and responses must be provided in writing.

A grievant will be provided release time without loss of pay for all required meetings with management. The City cannot discriminate or retaliate in any manner against an employee for filing a grievance or exercising rights under this Section.

The provisions of this Section shall not abridge any rights to which an employee may be entitled under the Stockton Municipal Code and/or Civil Service Rules and Regulations, nor shall it be administered in a manner which would abrogate any
OPERATIONS AND MAINTENANCE UNIT SUCCESSOR MOU
TERM: JULY 1, 2016 - JUNE 30, 2019

power which, under the Stockton Municipal Code, may be within the sole province and discretion of the Civil Service Commission.

All grievances of employees in representation units represented by the Union shall be processed under this Section. If the Stockton Municipal Code and/or the Civil Service Rules and Regulations requires that a differing option be available to the employee, no action under paragraph (c) of Subsection 8.3 above shall be taken unless it is determined that the employee is not utilizing such option.

No action under paragraph (c) of Subsection 8.3 above shall be taken if action on the complaint or grievance has been taken by the Civil Service Commission or if the complaint or grievance is pending before the Civil Service Commission.

If any award by an arbitrator requires action by the City Council or the Civil Service Commission before it can be placed in effect, the City Manager and the Director of Human Resources will recommend to the City Council or the Civil Service Commission, as appropriate, that it follow such award.

(g) *Cash Payment Option for Vacation.*

(1) An employee may elect to receive cash payment for up to a maximum of forty (40) hours of accumulated vacation hours annually except that all cash outs shall be suspended during furlough or fiscal emergency periods and during the term of this MOU and until a successor MOU is reached, however, if this MOU is approved by July 1, 2016, effective for FY 2017/2018 and 2018/2019 only, an employee may elect to receive a cash payment for a maximum of forty (40) hours of his/her unused accumulated vacation balance after the use of a scheduled vacation of forty (40) consecutive hours or more in that same or prior fiscal year. To utilize this option, employees must maintain a balance of (forty) 40 accrued vacation hours after the cash payment. When in effect, this option may be exercised once per fiscal year. Employees may elect this option by December 31 of

Payment for unused vacation shall be made at the final rate of pay. Payment for the unused vacation hours shall be paid post separation date at no later than the second regularly scheduled pay period pay date following separation. All regular employees, except provisional and temporary employees, scheduled to work less than a full month shall accrue sick leave on a prorated basis. Unused sick leave shall accrue from year to year. Employees shall continue to accrue sick leave while off duty on authorized sick leave; provided, however, an employee shall not accrue sick leave during any leave or leaves of absence without pay granted to the employee.

(b) **Usage.** Employees are entitled to sick leave pay for those days which the employee would normally have worked, to a maximum of the hours accrued, described as:

Preventive medical, dental, optical care, illness, injury or exposure to contagious disease which incapacitates the employee from performing normal work duties. This includes disabilities caused or contributed by pregnancy, miscarriage, abortion, childbirth and recovery therefrom.

(c) **Family Sick Leave.** Employees may utilize up to one-half of their annual sick leave accrual in the case of illness or injury in the employee’s immediate family when such illness or injury requires personal care that otherwise would not be

covered by the FMLA or CFRA leaves.

Such leave shall be restricted to the employee's parents, spouse, mother-in-law, father-in-law, child, stepchild, brother, sister, brother-in-law, sister-in-law, grandparent and grandchild, legal dependent, and registered domestic partner.

In special cases, with the approval of the Director of Human Resources, a department head may grant the use of sick leave in other circumstances.

(d) **Reporting Procedures for Sick Leave.** When the requirement for sick leave is known to the employee in advance of the absence (for example, including but not limited to scheduled medical, dental or vision appointments), the employee shall request authorization for such sick leave from the department head prior to such absence.

If an employee is not able to report due to illness or injury, the employee shall report as soon as possible to the appropriate supervisor, but in no case more than thirty (30) minutes after the start of the work day, except for extenuating circumstances prohibiting giving notice. Each Supervisor will have the authority to identify acceptable forms of sick leave notification and will provide acceptable forms of sick leave notification in writing to employees; however, at all times the employee must contact his/her direct supervisor directly when not able to report to work. If the employee's direct supervisor is unavailable, the employee must contact the next-level supervisor.

(2) **Doctor's Certificate or Other Proof.** The Director of Human Resources may require a doctor's certificate or other reasonable proof of illness as he/she deems necessary in order for an employee to receive an excused absence from work and sick leave pay. The employee shall be given notice prior to returning to work that he or she will be required to provide such documentation. Employees who have unscheduled absences due to illness on a scheduled work day preceding or following a holiday may be required to bring a doctor's certificate or other reasonable proof of illness in order to receive an excused absence and sick leave pay. If an employee's illness results in an absence from work for more than three (3) consecutive days, a doctor's certificate or other reasonable proof of illness may be required. In addition, the City may monitor and control the appropriate use of sick leave by employees and if reasonable cause is articulated, can limit use of sick leave and require additional verification.

(3) If the City has a reasonable basis to believe that an employee is abusing the sick leave benefit, the City or the employee's supervisor must first meet with the employee to: 1) explain the reasonable basis for the believed abuse, and 2) discuss the reasons for the employee's absence. The employee has the right to Union representation at such meeting. After such meeting, and depending on the factual circumstances, the City may:

(a) Place the employee on restricted sick leave for a period of not more than four (4) months, under the direction of the Director of Human Resources pursuant to section (e)(2) above;

(b) Suspend the employee without pay for up to five (5) days for abuse of sick leave; or dismissal from employment if a prior suspension involved abuse of sick leave;

(i) Sick Leave Retention Benefit. If, after subtracting the equivalent of one full year of service credit (2080 hours), which may be applied to CalPERS service credit, any balance remaining upon separation shall be paid as follows to employees who have remained in City service until the dates specified:

(1) Separation prior to July 1, 2014, no payment of unused sick leave at separation shall occur for separating employees before this date;

An eligible employee and eligible dependent may be enrolled in a City offered medical plan either as a subscriber in a City offered medical plan or, as the dependent spouse/registered domestic partner or another eligible City employee, but not both. (c) City Contribution towards the cost of insurance programs.

1) Effective July 1, 2016, or upon the first full pay period following ratification of this Memorandum of Understanding by the Union and approval by the City Council on its regular agenda in accordance with the Brown Act:

- Up to $1,146.00 per month toward the cost of the monthly premium for employee plus one dependent medical/dental/vision plan coverage.

- Up to $1,526.00 per month toward the cost of the monthly premium for employee plus two or more dependents medical/dental/vision plan coverage.

3) Effective July 1, 2018, City shall contribute the following:

- Up to $644.00 per month toward the cost of the monthly premium for employee-only medical/dental/vision plan coverage.

- Up to $1,169.00 per month toward the cost of the monthly premium for employee plus one dependent medical/dental/vision plan coverage.

- Up to $1,557.00 per month toward the cost of the monthly premium for employee plus two or more dependents medical/dental/vision plan coverage.

These contributions are based on full-time employment; regular part-time employees shall receive a prorated contribution based on their percentage of full-time employment. Insurance plan premiums that exceed the City's monthly contribution shall be paid by the employee through payroll deductions. The City shall maintain its IRS 125 Plan to allow for employee contributions for medical/visions/dental to be pre-tax premium conversion.

(d) **Plan Rules.** Employees may insure themselves and their eligible dependents under the medical, vision and dental plans provided by the City, in accordance with the rules and regulations applicable to the selected Plan. Benefits in the Plan shall be in accordance with the Plan document.

(e) Employees that promote, demote, or transfer from a classification in the Operations and Maintenance unit to an unrepresented classification shall continue to have the option to retain the Operating Engineers' Local No. 3 Health and Welfare Plan.
(f) Payment of costs for City administrative overhead for Operating Engineers sponsored Plans.

The City costs to administer the health plans offered to employees and retirees are incorporated into the monthly rates for City Sponsored medical, dental and vision insurance paid by the City and the plan participants. Effective July 1, 2014, the City will add to the monthly plan costs for the Operating Engineer Plans offered to employees those City administrative overhead costs associated with these plans in addition to the City sponsored plans. Only costs associated with the OE3 plans will be charged to those plans and will be updated each plan year.

14.2 Long Term Disability Insurance

The City shall provide, at no cost to the employee, long term disability insurance coverage. Plan benefits shall be as described in the Plan document, but shall include:

(a) Each disability – sixty-six and two thirds percent (66 2/3%) of salary up to the maximum salary replacement amount as specified in the City’s long term disability plan.

(b) Disability income payments shall commence after a ninety (90) day waiting period and exhaustion of sick leave accruals.

(c) Benefit payable until age sixty-five (65).

(d) The City shall continue its normal contribution for employee medical premiums during the ninety (90) day waiting period.

14.3 State Disability Insurance (SDI)

At the Union's option, pursuant to procedures established by the state, members may elect to receive State Disability Insurance (SDI) coverage at their own expense. SDI will be coordinated with other benefits.

14.4 Life Insurance

Effective July 1, 2012, the City shall provide, at no cost to the employee, a term life and an accidental death and dismemberment insurance policy with a value of
$50,000. In addition, employees shall have the opportunity to purchase additional voluntary life insurance through their union or through the City’s IRS125 vendor.

14.5 **Retiree Enrollment in City Sponsored Health Plans**

An eligible retiree and eligible dependent may be enrolled in a City offered medical plan either as a subscriber in a City offered medical plan or, as the dependent spouse/registered domestic partner or another eligible City employee/retiree, but not both. If an employee/retiree is also eligible to cover their dependent child, the child will be allowed to enroll as a dependent on only one employee or retiree’s plan (i.e., a retiree and his or her dependent cannot be covered by more than one City-offered health plan). However, the City may discontinue the enrollment of retirees in City sponsored medical plans at its discretion as per the City’s Bankruptcy plan of Adjustment. The City does not provide any retiree medical program, allowance, or City contribution for employees.

Nothing in this section shall be construed to create vested rights to benefits for employees or retirees after the expiration of this MOU.

14.6 **Long-Term Care**

Employees can purchase optional long term care coverage from PERS to cover home care and nursing home care. The premiums rates are established by PERS based on the age of the participant.

14.7 **Health Reimbursement Account – HRA**

The City will contribute an amount equal to five and one half percent (5.5%) of the employee’s current base salary that was previously contributed to deferred compensation and redirect that same contribution into an IRS qualified HRA for each employee to use for reimbursement of current and retiree medical cost reimbursements.

**Section 15. Salaries**

15.1 **Salary Rates**

Effective the latter of July 1, 2016 or upon the first full pay period following ratification of this Memorandum of Understanding by the Union and approval by
the City Council on its regular agenda in accordance with the Ralph M. Brown Act, employees will receive a six percent (6%) cost of living adjustment (COLA).

The classifications listed in Appendix A will receive market salary adjustments throughout the term of this contract, according to the updated salary schedules listed in Appendix A.

The rates of pay set forth in Appendix "A" do not include reimbursement for actual and necessary expenses for traveling, subsistence and general expenses authorized and incurred incident to City employment.

15.2 **Salary upon Appointment**

Except as herein otherwise provided, the entrance salary for a new employee entering the classified service shall be the minimum salary for the class to which appointed. When circumstances warrant, the Director of Human Resources may approve an entrance salary which is more than the minimum salary for the class to which an employee is appointed. Such a salary may not be more than the maximum salary for the class to which that employee is appointed.

15.3 **Salary Equivalents**

Any monthly, daily or hourly rate of pay may be converted into an equivalent rate of pay, or to any other time bases when, in the judgment of the City Manager, such a conversion is advisable. In determining equivalent amounts on different time bases the City shall provide tables or regulations for the calculation of payment for service of less than full time, and for use in converting monthly salaries to hourly rates, as well as for calculating hourly rates. Overtime rate and premium pay shall be calculated according to the provisions of the Fair Labor Standards Act.

15.4 **Salary Step Plan**

(a) There shall be five (5) to seven (7) salary steps in each range.

The first step shall be the minimum rate and shall be the normal hiring rate for the class. (In a case where a person possesses unusual qualifications, the Director of Human Resources may authorize appointment above the first step after receiving the recommendation of the department head. The same provision shall apply to hourly paid and part-time employees.)
If a department head recommends to withhold increases to salary steps two (2) through seven (7) because an employee has not achieved the level of performance required, notice must be received by the City Manager at least four (4) weeks in advance of the employee's eligibility date. The affected employee shall be furnished a copy of the department head's recommendation. Failure to abide by the above four-week limitation shall not automatically cause a step increase to be granted; however, if an employee does not receive notice by the actual anniversary date, the increase shall be automatically granted.

The second step shall be paid upon the satisfactory completion of six (6) months service at the first step.

The third step shall be paid upon the satisfactory completion of one (1) year service at the second step.

The fourth step shall be paid upon the satisfactory completion of one (1) year service at the third step.

The fifth step shall be paid upon the satisfactory completion of one (1) year service at the fourth step and upon written recommendation of the department head.

The sixth step shall be paid upon the satisfactory completion of one (1) year service at the fifth step and upon written recommendation of the department head.

The seventh step shall be paid upon the satisfactory completion of one (1) year service at the sixth step and upon written recommendation of the department head.

Regardless of an employee's length of service, step advancements in any given class may be made upon recommendation of the department head with the approval of the Director of Human Resources, but not above Step No. 7 for a given range.

Salary step increases shall be effective the first day of the pay period following appointment or revision. If the date of appointment or revision is the first day of a pay period, salary step increases shall be as of that date.

Changes in an employee's salary because of promotion, demotion, postponement of salary step increase or special merit increase will set a new salary anniversary date for that employee, which date shall be as stated in the preceding paragraph.
Salary range adjustments for a classification will not set a new salary anniversary date for employees serving in that classification.

(b) **Salary Step Entry-Level Classifications.** The City Manager may create a ten percent (10%) salary step reduction to any entry-level classification represented by this bargaining unit. The next and all subsequent salary steps shall be paid upon the satisfactory completion of one (1) year service at current salary step.

15.5 **Salary Step after Military Leave**

All employees who have been granted military leave shall, upon their return to the City service, be entitled to the automatic salary advancements within the range of their classification for the period they were in the military service.

15.6 **Salary Step When Salary Range is Increased**

Whenever the monthly schedule of compensation for a class is revised, each incumbent in a position to which the revised schedule applies shall be entitled to the step in the revised range which corresponds to the employee's step held in the previous range, unless otherwise specifically provided for by the Director of Human Resources.

15.7 **Salary Step After Promotion or Demotion**

(a) When an employee is promoted from a position in one class to a position in a higher class, and at the time of promotion is receiving a salary equal to, or greater than, the minimum rate for the higher class, that employee shall be entitled to the next step in the salary scale of the higher class which is "approximately" five percent (5%) above the employee's current base salary, except that the next step shall not exceed the maximum salary of the higher class. Add pays are not included in the calculation of base salary for purposes of this section. When an employee is promoted into another bargaining unit, the new bargaining unit's salary on promotion rules shall apply.

(b) When an employee is demoted, whether such demotion is voluntary or otherwise, that employee's compensation shall be adjusted to the salary prescribed for the class to which demoted.

(1) If the salary of the employee is reduced for cause or disciplinary reasons, the employee shall receive the salary at the same step prior
to promotion.

(2) If the salary of the employee is reduced through no fault of the employee (i.e., layoff), the salary at demotion shall be at the nearest lower salary to that which was received prior to the demotion.

15.8 Transfer

An employee may be transferred from a class in one department, or to a position of the same class in another department, or to a comparable class, with the approval of both the employee and Department Heads. In the case of a comparable class, the employee must be qualified, as determined by the Director of Human Resources. The Director of Human Resources, in making such a determination, must assure that the maximum salary rate for the classes in question must be equal to or less than the employee’s current top step salary, and shall consider, among other things, whether the employee possesses the minimum qualifications for such class, and is able to demonstrate through education, experience, or successful completion of pertinent tests, that he/she is qualified for the transfer. If the transfer involves a change from the jurisdiction of one appointing authority to another, both must consent thereto.

15.9 Salary on Reinstatement

If a former employee is reinstated in the same position previously held or to one carrying a similar salary range, the employee’s salary shall not be higher than the salary at the time of separation unless there has been an increase within the salary range.

If a former employee is reinstated to a position in a lower class, the employee’s salary shall be set at the same step previously held, but in the pay range of the lower classification.

15.10 "Y" Rate

When an employee’s classification is changed to a lower paid classification as the result of a classification study or other action, the employee may be placed on a "Y" rate. A "Y" rate means that the monthly compensation for the employee shall remain in effect until such time as further changes in the pay range of the new classification exceeds the "Y" rate.

15.11 Acting Pay
OPERATIONS AND MAINTENANCE UNIT SUCCESSOR MOU
TERM: JULY 1, 2016 - JUNE 30, 2019

(a) **General Provisions.** Any employee in this unit who is assigned by a supervisor to work in a higher paid classification for two (2) or more hours in one (1) day, shall receive the rate of pay in the step of the higher classification which would have been received if the employee had been promoted into that classification, or at least five percent (5%) more than the employee's salary in the present classification, whichever is greater. Out-of-class assignment pay during overtime status will commence at the first hour worked.

(b) When there is an existing promotional eligibility list, and acting pay assignment is expected to be for more than twenty (20) work days, acting pay shall be assigned from the top three (3) on the promotional eligibility list. If the assignment is for twenty work days or less, the highest ranking employee on the promotional list within the division shall be assigned. When there is no eligible list, section (c) below shall apply.

(c) If there is no existing list, acting pay selection shall be made from the five (5) most qualified employees in the section.

1. Sections are defined, for the purpose of this clause only, as the sub-groups listed: (a) Water, (b) Sewer, (c) Wastewater Operations, and (d) Wastewater Maintenance; and

2. Qualifications for the purpose of this Section, as determined by the department head or designee, shall include all the following equal factors:

   (b) Worker experience relative to the vacant position.

   (c) Prior job performance and attendance.

   (d) Certificates or other formal qualification devices such as eligibility lists.

   If all things are equal based on above factors, the seniority within the City shall be considered.

3. The opportunity for acting Pay shall be rotated among the five (5)
most qualified employees within each section.

(d) Assignments from other than a promotional eligibility list shall not exceed 120 days per fiscal year per employee.

15.12 **Temporary Upgrade Pay**

Employees who are assigned to temporarily perform the duties of other employees of a higher level classification shall be paid the hourly or daily rate of the classification to which they are temporarily upgraded. To be eligible for temporary upgrade pay, the employee must perform the full scope of duties of the higher classification and must not perform any of the duties of their own job classification while working in the higher level classification.

15.13 **Special Assignment Pay**

The City Manager may approve additional compensation in an amount not to exceed one additional salary step when an employee is assigned in writing by the supervisor to perform additional duties and responsibilities for the duration of the special assignment.

Any Senior Plant Operator who is assigned in writing by an appropriate authority to assume supervisory authority over another Senior Plant Operator shall receive an additional five percent (5%) special assignment pay per shift when so assigned.

15.14 **Special Certification Pay**

Water Systems Operator and/or Senior Water Systems Operators who possess a Distribution Operator Certificate issued by the California Department of Health Services shall receive an additional three percent (3%) of base pay.

Provisions in this APPENDIX B Side Letter of Agreement pertain only to Employees identified in Exhibit A. However, nothing contained herein prohibits the parties from mutually agreeing to changes, but neither party can be compelled to negotiate and/or agree to any changes to this Appendix B, Side-Letter of Agreement.

Section 1 – Re-employment and Employment

The City shall provide regular full-time employment at the City’s municipal wastewater utility and water utility to all of the employees listed in Agreement electing to accept such employment effective March 1, 2008.

Section 2 – Terms and Conditions of Re-employment and Employment

(a) City’s offer of employment and re-employment shall be unconditional, and shall not be subject to other health, competency or other test, fact, or circumstances relating to an individual employee.

(b) All service with OMI/Thames Water will be counted as service with the City.

(c) Waste Water Certification – Employees outside of the Waste Water Division who hold Waste Water II or higher certification and are available for short-term assignment to the waste water facility will receive an additional five percent (5%) of the top step, which shall be PERS reportable earnings. Appendix C. Side Letter of Agreement

Longevity Incentive

1. The provisions of this APPENDIX C Side Letter of Agreement only to Employees identified in the corresponding attachment marked as APPENDIX C and cannot be amended, changed, or deleted unilaterally by either party. However, nothing contained herein prohibits the parties from mutually agreeing to changes, but neither party can be compelled to negotiate and/or agree to any changes to this Side Letter of Agreement.

2. Effective March 1, 2008, employees identified in APPENDIX C shall be entitled to receive the amounts noted for each year of service up to a maximum of 5 years. The total amounts shown are intended to be paid on a monthly basis by the date shown (e.g., for amounts totaling $15,000, $1,250.00 shall be paid monthly, so the total amount noted shall have been paid out by 3/1/2009).

3. Employees listed in APPENDIX C shall be entitled only to the amount earned (in paid status) for that month. If an employee terminates employment or is in an unpaid status for a period less than one month, the amount noted shall be prorated for the days in paid status, including paid sick and annual leave. Employees shall not be entitled to payment not earned (unpaid leaves of absences, termination).

4. The amounts noted herein shall not be subject to cost-of-living increases, promotions or other increases to base pay that said employees may earn during the term of this Agreement. Employees who sever their employment relationship with the City and are subsequently reinstated or re-employed, shall not be eligible for any payment herein upon reinstatement or re-employment, except as may be awarded by a court of law or arbitrator.

5. The Longevity Incentive shall be reported to PERS as "PERSable" income by the City.
