TO: HONORABLE MAYOR and CITY COUNCIL

FROM: DIANNA R. GARCIA, Director of Human Resources

SUBJECT: MUNICIPAL UTILITIES DEPARTMENT WATER SUPERVISORY UNIT REPRESENTATION

RECOMMENDATION

Adopt a resolution modifying the Mid-Management/Supervisory Level Bargaining Unit by removing 12 positions; placing all Blue Collar Water Supervisors assigned to the Municipal Utilities Department into a separate representation unit; recognizing the Operating Engineers Local Union No. 3 of the International Union of Operating Engineers, AFL-CIO, as the exclusive representative for employees of the Stockton Water Supervisory Unit; and authorizing the Employee Relations Officer to begin negotiations on the wages, hours, and other terms and conditions of employment for Water Supervisory employees.

SUMMARY

The employees holding positions comprising the proposed representation unit are water supervisory employees who, prior to being employed by OMI/Thames Water Stockton, Inc., were exclusively represented by the Mid-Management/Supervisory Level Unit. On March 1, 2008, the Water Supervisory employees were employed or re-employed by the City of Stockton in previously held or comparable positions, all of which are represented by the Mid-Management/Supervisory Level Bargaining Unit.

In accordance with section 10.E. of the Employer-Employee Relations Resolution, the Employee Relations Officer has determined that the Water Supervisors are no longer appropriately represented by the Mid-Management/Supervisory Level Bargaining Unit. In addition, the Water Supervisors have requested recognition as a separate representation unit and that their interests be exclusively represented by Operating Engineers Local Union No. 3.

DISCUSSION

Background

On January 4, 2008, seven Water Supervisory employees of OMI/Thames Water Stockton, Inc. notified Employee Relations Officer Dianna Garcia and Operating Engineers Local Union No. 3 Business Representative Joseph Santella that they wished to form a separate supervisory bargaining unit, which would be exclusively represented by Operating Engineers Local Union No. 3. The notice contained the names and signatures of each of the requesting employees. (Attachment A.)

Present Situation

The City's relationship with its bargaining units is governed by the Meyers-Millas-Brown Act (Gov. Code §§ 3500, et seq.), which provides that "public employees shall have the right to form, join, and participate in the activities of employee organizations of their own choosing for the purpose of representation on all matters of employer-employee relations." (Id., at § 3502.) In considering the Water Supervisors' request, the Employee Relations Officer considered whether the employees had due process in choosing their representation status, whether the proposed members had an opportunity to discuss and vote upon the representation change, and whether substantial continuity would be achieved by the change.

The petition herein seeks to form a new unit, to be represented by Operating Engineers Local Union No. 3, consisting of all Blue Collar Supervisors assigned to the Municipal Utilities Department. In defining this new unit, pursuant to section 8 of the City of Stockton Employer-Employee Relations Resolution, the Employee Relations Officer considered:

- That the Operating Engineers Local Union No. 3, since 1969, has been recognized as the exclusive representative for the Trades and Maintenance Unit and currently represents two bargaining units—the Trades and Maintenance Unit (consisting of all Blue Collar Workers not assigned to the Municipal Utilities Department) and the Operations and Maintenance Unit (consisting of all Blue Collar Workers assigned to the Municipal Utilities Department). Recognizing the Water Supervisors as a unit represented by Operating Engineers Local Union No. 3 provides for efficient administration of employee relations by limiting the number of labor unions with which the City must conduct negotiations and providing continuity of representation for our employees.

- That the Water Supervisors work at the same location as the Operation and Maintenance Unit and are subject to work indoors and outdoors, similar to the Operation and Maintenance Unit, 24 hours a day, seven days a week. In addition, the Water Supervisors have the same certificate and licensing requirements, and perform similar duties, all of which form the basis for a community of interest.

The supervisors petitioned for recognition as a separate representation bargaining unit and interests be exclusively represented by the

Overall, the labor agreement with the Water Supervisory Unit of the Municipal Utilities Department – Operating Engineers’ Local Union No. 3 resembles a combination of the City’s current labor contract with the Operations and Maintenance Unit of Operating Engineers’ Local Union No. 3 and the Mid-Management/Supervisory Level Unit of Management B&C Association.

Section 1. Recognition

Operating Engineers' Local 3, AFL-CIO, hereinafter referred to as the "Union," is the recognized employee organization for the Supervisory Unit, certified pursuant to Resolution No. 08-0143, adopted by the City Council on April 15, 2008.

Section 2. Union Security

2.1 Dues Deduction

(a) General. The Union may have the regular dues of its members within the representation unit deducted from employees' paychecks under procedures prescribed by the City for such deductions. The Union has the exclusive privilege of dues deduction for its members.

Authorization, cancellation or modification of payroll deductions shall be made upon forms provided or approved by the City. The payroll deduction authorization shall remain in effect until canceled or modified by the employee by written notice to the City or until the first day of the calendar month following the transfer of the employee to a unit represented by another employee organization as the representative of the unit to which the employee is assigned, or until employment with the City is terminated.

If an employee is promoted to a position which is represented by another employee organization or to an unrepresented unit, membership dues for the former unit will not be deducted from the employee's paycheck by the City.

Amounts deducted and withheld by the City shall be transmitted to the officer designated in writing by the Union as the person authorized to receive such funds, at the address specified.

In addition to the deduction of dues, the City will deduct from the paychecks of Union members who request it, premiums for group insurance and investment plans sponsored by the Union. Such deductions shall be made in one lump sum and only upon signed authorization from the employee upon a form satisfactory to the City. Such authorizations may be made or changed no more frequently than twice yearly.

The employee's earnings must be sufficient after all other required deductions are made, to cover the amount of the deductions herein authorized. When an employee is in a non-pay status for an entire pay period, no withholdings will be
made to cover that pay period from future earnings nor will the employee deposit the amount with the City which would have been withheld if the employee had been in pay status during that pay period. In the case of an employee who is in a non-pay status during a part of the pay period, and the salary is not sufficient to cover the full withholding, no deduction shall be made.

In this connection, all other required deductions have priority over the employee organization deduction.

(b) Indemnity and Refund. The Union shall indemnify, defend and hold the City harmless against any claim made and against any suit initiated against the City on account of check off of Union dues or premiums for benefits. In addition, the Union shall refund to the City any amounts paid to it in error upon presentation of supporting evidence.

2.2 Agency Fee

(a) Employee Rights

(1) The City and the Union recognize the right of employees to form, join, and participate in lawful activities of employee organizations and the equal, alternative right of employees to refuse to form, join and participate in employee organizations. Neither party shall exert pressure upon or discriminate against an employee in the exercise of these alternative rights.

(2) Accordingly, membership in the Union shall not be compulsory. A unit member has the right to choose, either: to become a member of the Union; or, to pay to the Union a fee for representation services; or, to refrain from either of the above courses of action upon the grounds set forth in Section (f) below.

(b) Unit Members’ Obligation to Exclusive Representative

(1) A bargaining unit member who does not fall within one (1) of the exempted categories as set forth in Section (f) below, and who has not voluntarily made application for membership in the Union within the sixtieth (60) day following the date upon which said employee has been formally hired by the City as a bargaining unit employee, must as a condition of continued employment in the City pay to the Union a representation fee, in exchange for representation services necessarily performed by the Union in conformance with its legally imposed duty of
fair representation on behalf of said unit member who is not a member of the Union.

(2) In the event that a unit member does not become a member of the Union or pay such fee directly to the Union, the City shall begin automatic payroll deduction. There shall be no charge to the Union for such mandatory agency fee deductions.

(3) Prior to beginning such automatic payroll deduction, the Business Representative of the Union will certify to the City in writing that the employee whose pay is to be affected by the deduction has: 1) refused to join the Union; and 2) has refused to tender the amount of the agency fee as defined herein; and 3) has not applied for an exemption under Section (f) herein. In addition the Union must also certify that it has provided the employee with a copy of the fee verification required by Section (e) herein.

(c) Definition of Agency Fee

(1) The agency fee collected pursuant to Section (b) above from unit members who are not members of the Union shall be an amount not to exceed the standard initiation fee, periodic dues and general assessments of the Union for the duration of this Agreement, minus any amount which is prohibited by the Constitution because such funds pay for political or ideological purposes not related to collective bargaining.

(2) Any dispute as to the amount of the representation fee shall be resolved pursuant to the provisions of Section (h) herein.

(d) Exceptions. Unit members on leave without pay and unit members who are in laid-off status shall be exempt from these provisions herein; except that the election as to membership or payment of a fee as set forth herein must be exercised within the first ten (10) work days upon return to paid status.

(e) Annual Verification of Agency Fee by the Union. Prior to January 31, of each year and before the collection of an agency fee from any unit member pursuant to these provisions herein, the Union shall submit a written certification to the fee payers verifying that the total amount of its representation fee conforms to Section (c) above, and itemizing all component parts of such fee which shall provide an adequate explanation for the basis of the fee. Each year such amount shall be verified and submitted in writing to the fee payers by the Union prior to January 31st.
MEMORANDUM OF UNDERSTANDING (SUPERVISORY UNIT – MUNICIPAL UTILITIES DEPARTMENT)

The Union will submit a copy of such verification to the Director of Human Resources of the City. The parties agree that such annual verification is a condition precedent to the collection by either the City or the Union of a representation fee from a unit member.

(f) **Employees Exempted From Obligation to Pay Union**

(1) Any unit member shall be exempt from the requirements of Section (b) above, if such employee has a bona fide religious objection as defined by Section 3502.5 of the Government Code to the payment of any fee in support of a Union or "employee organization" as defined in Section 3540.1(d) of the Government Code.

(2) Such exempt unit member shall, as an alternative to payment of a representation fee to the Union, pay an amount equivalent to such representation fee to:

   a. United Way.
   b. American Cancer Society.
   c. Any charity jointly agreed in writing by the parties.

(3) If a unit member desires to be exempted for reasons set forth in Section (f) herein, the unit member must first request such exemption in writing from the Union setting forth briefly the rationale for the exemption. If the Union notifies the unit member in writing that the Union will not honor the request, then the matter shall be referred automatically to a panel for determination according to the procedure set forth below. The panel shall be composed of one (1) person selected by the Union, one (1) person selected by the unit member, and an arbitrator selected by the parties chosen from a list submitted by the State Conciliation Service. If either one or both parties fail to nominate a panel member, the process of hearing will continue without that party's panel member.

(4) The panel shall first receive arguments and evidence from the unit member requesting the exemption. Thereafter the Union may present any arguments or evidence. The proceedings shall be conducted in an informal manner, and the rules of evidence will not apply. The arbitrator shall act as chair and rule on all matters before the panel with the exception of the final determination of the panel. The panel shall prepare a written decision within fifteen (15) calendar days of the completion of the hearing which shall be final and binding upon the parties. Any expenses of the panel shall be borne by the parties incurring them.
MEMORANDUM OF UNDERSTANDING (SUPERVISORY UNIT – MUNICIPAL UTILITIES DEPARTMENT)

(5) Upon receipt of the decision of the panel, the City shall release any funds held in escrow to the Union or to the charity. Any decision by the panel shall apply for the duration of this Memorandum of Understanding.

(6) In addition, the Union may require such exempt unit member to submit proof of payment of an amount equivalent to such representation fee to one (1) of the alternative funds or organizations listed above. If the bargaining unit member has not provided payment, the City will institute deductions pursuant to Section (b)(2), and forward such monies to a charity listed in Section (f)(2).

(7) Such payments shall be made on or before January 31, of each year or no more than thirty (30) days after commencing duties for any newly hired employee.

(g) Escrow Account. If any unit member either disputes the amount of the fee or disputes whether or not an exemption was appropriately denied, the City shall deposit the fee which was deducted and place such amount into a special escrow account established by the Union for such purposes.

(h) Procedure for a Unit Member Who Contests the Amount of the Fee

(1) The parties agree that in order to provide a uniform definition of the representation fee, any disputes involving the amount of such fee shall be referred to the Union’s procedure for determination, provided that the parties have first complied with the other provisions of this Section.

(2) The Union shall notify the City in writing within twenty (20) days after it becomes aware that any employee disputes the amount of the fee.

(3) The Union will verify in writing to the City that all of the conditions of Section (b)(3) have been met prior to the City’s initiation of the fee deductions set forth in Section (b)(2). Thereafter, the City will notify the affected employee in writing that such deductions will commence and a copy of the Union’s written verification will be attached to the City’s notice. Thereafter, the City will begin the deductions.

The monies held in escrow shall be released to the appropriate party upon the rendering of a final decision by the Union’s internal procedure.
MEMORANDUM OF UNDERSTANDING (SUPERVISING UNIT – MUNICIPAL UTILITIES DEPARTMENT)

(i) Payment Method/Payroll Deduction

(1) A unit member may voluntarily sign and deliver to the City a written assignment authorizing deduction of the properly established representation fee as defined in Section (c) above, subject to the conditions set forth elsewhere in this agreement for payroll deductions, or the amount of the fee will be deducted automatically in accordance with Section (b)(2) herein.

(2) The City is under no obligation to make payroll deductions for the periods during which a unit member is either terminated from active employment, or not on the City's active payroll for any reason, including, but not limited to, layoff and voluntary leave of absence for more than thirty (30) days.

(3) Upon the rehiring of any unit member, or upon the recalling of any unit member from layoff status, the City will resume or initiate dues deductions for such unit member.

(j) Obligations of Parties

(1) City’s Obligations. The City’s obligation under this Article is to notify any unit member who has failed to comply with the provisions of this Section that, as a condition of continued employment with the City, such unit member must become an Union member, or pay a representation fee, or establish an exemption status and make payment pursuant to provisions of Sections (b) and (f) of this Agreement. Under no circumstances shall the City be required to dismiss or otherwise discipline any unit member for failure to fulfill their obligations to pay the fees established herein.

(2) Union’s Obligations. Except as specified herein, the Union and not the City, shall be responsible for requiring unit members to fulfill obligations defined herein. It is the obligation of the Union to collect any representation fees which may be due and payable to the Union in consideration for its services as the exclusive representative of unit employees.

(k) Hold Harmless Provision. The Union shall hold the City harmless, and shall fully and promptly reimburse the City for any fees, costs, charges or penalties incurred in responding to or defending against any claims, disputes, challenges, whether formal or informal, which are actually brought, or attempted or threatened to be brought, against the City or any
MEMORANDUM OF UNDERSTANDING (SUPERVISORY UNIT – MUNICIPAL UTILITIES DEPARTMENT)

of its agents, or employees, in connection with the interpretation, application, administration or enforcement of any Section of this Agreement pertaining to representation fee. Such reimbursement shall include, but not be limited to, court costs, litigation expenses, and attorney’s fees incurred by the City. The City shall have the right to be represented by its own attorney in any action in which it is a named party to the action. Disputes over the amount of reimbursement shall be automatically submitted to the arbitration provisions of this Memorandum, Section 8.3(e).

2.3 Use of City Facilities

(a) The Union shall be allowed by the City department in which it represents employees’ use of space on available bulletin boards for communications having to do with official Union business, such as times and places of meetings, provided such use does not interfere with the needs of the department. The Union may submit to the City Employee Relations Officer written communications having to do with official Union business for distribution by the City to identified shop stewards. Distribution may be by e-mail.

(b) Any representative of the Union shall give notice to the department head or designated representative when contacting department employees on City facilities during the duty period of the employees, provided that solicitation for membership or other internal Union business shall be conducted during the non-duty hours of all employees concerned. Pre-arrangement for routine contact may be made with individual department heads and when made shall continue until revoked by the department head.

(c) City buildings and other facilities may be made available for use by City Employees of the Union or their representatives in accordance with such administrative procedures as may be established by the City Manager or department heads concerned.

2.4 Advance Notice

Except in cases of emergency, reasonable advance written notice shall be given to the Union if affected by any ordinance, resolution, rule or regulation directly relating to matters within the scope of representation proposed to be adopted by the City and shall be given the opportunity to negotiate if requested with the designated management representatives prior to adoption.

In cases of emergency when the foregoing procedure is not practical or in the
best public interest, the City may adopt or put into practice immediately such measures as are required. At the earliest practicable date thereafter the Union shall be provided with the notice described above and be given an opportunity if requested to negotiate changes to said notice with the management representatives designated by the City Manager.

2.5 Attendance at Meetings by Employees

City employees who are official representatives or unit representatives of the Union shall be given reasonable time off with pay to attend meetings with City management representatives, or be present at City hearings where matters within the scope of representation or grievances are being considered. Such employee representatives shall submit a request for excused absence to their respective department heads, in a manner satisfactory prior to the scheduled meeting whenever possible. Except by mutual agreement the number of the employees excused for such purposes shall not exceed three (3) per recognized bargaining unit.

Time spent for this purpose during the representative’s scheduled hours of work count as hours worked. Time spent for this purpose which may exceed the representative’s regularly scheduled hours of work shall be compensated as overtime or compensatory time.

2.6 Maintenance of Membership

All employees in the Supervisory Unit who are members of the Union, tendering periodic dues at the execution of this agreement, and all employees who thereafter become members of the Union shall, as a condition of employment, pay dues to the Union for the duration of this Memorandum of Understanding, and each year thereafter. For a period of thirty (30) days prior to January 1, 2009 and thirty (30) days prior to any January 1, thereafter, any employee in the aforementioned unit who is a member of the Union shall have the right to withdraw from the Union discontinuing dues payments and retain employment in the City, subject to provisions of Section 2.2. Agency Fee. Said withdrawal shall be communicated by the employee in writing to the City. The provisions of this section shall be operative only to the extent that they are permissible under California law.

2.7 Assignment of Classifications

New job classifications established by the City shall be assigned to the bargaining unit pursuant to Section 8 (b) of the City’s Employer-Employee
MEMORANDUM OF UNDERSTANDING (SUPERVISORY UNIT – MUNICIPAL UTILITIES DEPARTMENT)

Relations Resolution after providing notice and the opportunity to consult with the Union regarding such matters.

2.8 Contract Ratification

Ratification votes for Contract will be handled on city time during the day.

Section 3. Compliance with Federal Laws/Safety

3.1 Non-Discrimination. The City and the Union agree that there shall be no discrimination of any kind because of race, creed, color, religion, national origin, sex, political affiliation or legitimate union activity against any employee or applicant for employment; and to the extent prohibited by applicable State and Federal law, there shall be no discrimination because of age.

3.2 Fair Labor Standards Act. The Union agrees to cooperate with the City to insure its members’ compliance with the provisions of the Fair Labor Standards Act.

3.3 Safety. The Union shall cooperate with the City in promoting safety objectives as defined in Federal, State and local regulations by actively supporting safety programs, promoting safe work habits of members and encouraging an ongoing, active participation by its members in safety-related procedures and practices as offered and promulgated by the City of Stockton.

Section 4. Probation

4.1 Purpose

The probationary period shall be utilized for closely observing the employee’s work, for securing the most effective adjustment of a new employee to a position, and for rejecting any probationary employee whose performance does not meet the required standards of work.

4.2 Original Entrance and Promotional Positions

All original and promotional appointments shall be tentative and subject to a probationary period of six (6) months. The probationary period shall not be extended.

4.3 Retention/Rejection of Probationer

At the end of the probationary period, if the service of the probationary employee
MEMORANDUM OF UNDERSTANDING (SUPERVISORY UNIT – MUNICIPAL UTILITIES DEPARTMENT)

has been satisfactory to the appointing authority, then the appointing authority shall file with the Director of Human Resources a statement in writing to such effect and stating that the retention of such employee in the service is desired. The City will make a good faith effort to notify a probationary employee two (2) weeks before the end of the probationary period whether or not regular status is granted; however, a failure on the part of the appointing authority to file such a statement at the end of the probationary period shall constitute a rejection of the probationer as defined in Civil Service Rules.

During the probationary period an employee may be rejected at any time by the appointing authority. Any employee rejected during the probationary period following a promotional appointment, shall be reinstated to the position from which promoted unless charges are filed and the employee is discharged in the manner provided in Section 7 of this Memorandum of Understanding and in the Civil Service Ordinance and Civil Service Rules, which are consistent therewith.

Section 5. Layoff

5.1 Layoff

Any employee may be laid off by an appointing authority in the event of the abolition of the employee's position by the City Council, or if a shortage of work or funds requires a reduction in personnel.

5.2 Layoff Scope

(a) Layoffs shall be within departments of the City.

(b) Departments of the City are defined as follows:

(1) City Attorney
(2) City Auditor
(3) City Clerk
(4) City Manager
(5) Community Development
(6) Financial Management
(7) Fire
(8) Housing and Redevelopment

CITY OF STOCKTON
5.3 Notice of Layoff

The City will give advance written notice of at least one pay period to employees who will be laid off.

5.4 Precedence by Employment Status

(a) No regular employees shall be laid off while employees working in an extra help, seasonal, temporary, provisional, or probationary status are retained in the same classification as such regular employee. The order of layoff among employees not having regular status shall be according to the following categories:

   (1) extra help or seasonal
   (2) provisional
   (3) temporary
   (4) probationary

Layoffs shall be by job classification according to reverse order of seniority as determined by total service in that class, except as specified above. For the purpose of this procedure part-time classes shall be considered as separate from regular full-time classes.

The following provisions shall apply in computing total continuous service:

   (1) Time worked in a regular or probationary status shall count as service.
   (2) Time spent on military leave shall count as service in the event the leave was taken subsequent to entry.
   (3) Time worked in an extra help, seasonal, provisional, temporary, grant or other limited term status shall not count as service.

If two (2) or more employees have the same seniority, the most recent performance evaluation shall determine seniority.

(b) Any employee in the Supervisory Unit who is laid off may complete a City employment application for any position currently staffed by a part time, provisional, or temporary employee. The Human Resources Department will
evaluate the employment application. If the laid off employee meets the minimum qualifications of that position, he/she shall have the option of displacing the part time, provisional, or temporary employee.

5.5 Employee Options

Employees laid off shall have any of the following choices:

(a) Displacing the employee in the same department and in the same or clearly comparable classification as determined by the Director of Human Resources as having the least seniority in that classification. This option shall be exercised before any other option.

(b) Taking a voluntary demotion within the department to a classification in which the employee had prior regular status, thus displacing the employee working in the classification who has the least seniority in that classification.

5.6 Health and Welfare Benefits during Layoff

Regular employees who are laid off will have an option of maintaining their existing health and welfare benefits for thirty-six (36) months from the date of layoff, provided timely payments of the premiums by the employee are made to the City, according to City regulations, and provided the employee otherwise meets the requirements of Federal and State regulations.

Section 6. Reemployment

(a) The name of each employee who is laid off in accordance with Section 5. shall be placed at the head of the eligibility list for the class of positions which that employee held, and shall be given preference in filling vacancies in that class.

(b) An employee laid off in accordance with this Section shall be placed on the eligibility list or lists for any lower or comparable class or classes in the same department, provided that the appointing authority and the department head in charge of this lower or comparable class determine that the employee is competent to perform the duties thereof in strict accordance with the class specifications. This right of a laid off employee shall remain effective for two (2) years from the date of latest separation from the service. The employee shall not be placed on said eligibility list or lists without first submitting a written request. Employee’s place on said list or lists shall be at the head of the eligibility list for the class of positions for which qualified as hereinabove set forth and shall be
given preference in filling vacancies except for those persons placed on said list or lists of reemployment in the same positions previously held. Upon certification for appointment to a new position never having been held by this employee, the probationary period must be completed as required in this Memorandum of Understanding.

Section 7. Discipline

Disciplinary action, including discharge, suspension, reduction in pay or demotion, may be taken against any employee for cause.

Upon the employee's written request and department head's approval, all written reprimands shall be removed from the employee's official personnel file after a period of one (1) year, if there has been no reoccurrence of the infraction and the employee has a good work record. Upon the employee's written request and department head's approval, all other disciplinary records shall be removed from the employee's official personnel file after two (2) years, if there has been no reoccurrence of the infraction and the employee has a good work record. In no event, upon the employee's written request, shall written reprimands remain in the employee's official personnel file after five (5) years from the date of written notice.

7.1 Predisciplinary Rights

An employee facing potential disciplinary action will be entitled to the following predisciplinary rights:

(a) Notice of proposed discipline.

(b) Date(s) proposed discipline will be effective.

(c) Reasons for the proposed discipline, the specific grounds and particular facts upon which the action is taken.

(d) Ten (10) calendar days in which an employee or the representative may respond either orally or in writing to the department head.

(e) The employee must be provided with any written materials, reports and documents upon which the action is based.
7.2 Administrative Leave

The City may place an employee on administrative leave with pay pending the completion of the predisciplinary process.

7.3 Provisions

The appointing authority may discharge, suspend or demote any employee in the classified service provided the Stockton Municipal Code provisions and the rules and regulations of the Civil Service Commission and any applicable provisions of law are followed. Such provisions allow the employee suspended, demoted or discharged to appeal such action. The employee may take only one (1) of the following actions:

(a) File no appeal.

(b) File an appeal with the Civil Service Commission within ten (10) calendar days of written notification of the action. (Such filing will foreclose use of the grievance procedure.)

(c) File a grievance as provided for in Section 8 within ten (10) calendar days of written notification of the action.

If the employee fails to do (b) or (c) above within the prescribed time frames, these rights will have been waived.

Section 8. Grievance Procedures

8.1 Definition

A grievance is any dispute which involves the interpretation or application of those rules, regulations and resolutions which have been, or may hereafter be, adopted by the City Council to govern personnel practices and working conditions, including such rules, regulations and resolutions as may be adopted by either the City Council or the Civil Service Commission to affect Memoranda of Understanding which result from the meeting and conferring process.

8.2 Filing Deadline

(a) No grievance involving demotion, suspension, discharge or other employment penalty will be entertained unless it is filed in writing with the Director of Human Resources within ten (10) calendar days of the time at which
MEMORANDUM OF UNDERSTANDING (SUPERVISORY UNIT – MUNICIPAL UTILITIES DEPARTMENT)

the affected employee received written notification of such action. All other grievances must be filed within thirty (30) calendar days from the time the employee knew or had reason to know of the facts giving rise to the grievance.

(b) With written consent of the Director of Human Resources or his/her designee and the Union Business Agent or his/her designee, time limits may be extended and/or Steps 1, 2 and/or 3 of the Grievance Procedure waived.

8.3 Grievance Processing

(a) Step 1 - Departmental Review. Any employee claiming to have a grievance may discuss the complaint with such management official in the department where employed as the department head may designate. If the issue is not resolved within the department within twenty (20) calendar days from the day of presentation or if the employee elects to submit the grievance directly to the Union recognized as the representative of that employee’s classification, or if the employee/Union official notifies the Director of Human Resources, in writing, that a grievance exists, the procedure hereinafter specified may be invoked.

(a) The City will provide for hospitalization, medical, dental, prescription, and vision benefits.

(b) All bargaining unit members shall be covered under the Operating Engineers' Health and Welfare Trust Fund or the City of Stockton Employee Health Benefits Plan, which consist of medical and prescription coverage administered by Blue Cross for Medical Care, Delta Dental or Pacific Union Dental Plan, and Vision Care Plan (VSP). The premium amount contributed towards the Operating Engineers' Health and Welfare Trust Fund will not decrease during the term of this agreement regardless of any decrease premium that may occur to the City's Modified Employee Medical Plan.

For those employees who choose to remain in Operating Engineers' Health and Welfare Trust Fund, the City will contribute toward their premium, the same
amount as it contributes toward the City's health benefits plan. The employee is responsible for the difference each month if the Operating Engineers' Health and Welfare Trust Fund premium is higher.

(c) This agreement expires pursuant to Section 19, then and in that event, any and all subsequent increased premium costs required to maintain the benefits as provided for in this Section shall be the responsibility of the employees and said increased costs shall be withheld from the employee's paychecks as may be necessary for the months subsequent to December 31, 2008, unless otherwise agreed to by the parties hereto.

(c) Benefit payable until age sixty-five (65).

(d) The City will provide, at no expense to the employee, medical coverage for a period of ninety (90) days.

The parties agree to begin negotiations on the issue of Retirement Medical Allowance no later than August 2008, notwithstanding any other notice to re-open for a successor agreement to this Memorandum of Understanding.

### Section 15. Salaries

15.1 **Salary Rates**

The salary table for all employees in the aforementioned representation unit will be as set forth in Appendix "A," which is attached hereto and made a part hereof.

All salary rates hereby established and explained in other parts of section 15 shall no longer be fitted to the Stockton Salary Matrix as set forth in the City of Stockton Salary Schedule. Instead, all salary rates hereby established and explained in other parts of section 15 shall be assigned a fixed percentage of 5.00% between salary steps.

The rates of pay set forth in Appendix "A" do not include reimbursement for actual and necessary expenses for traveling, subsistence and general expenses authorized and incurred incident to City employment.

15.2 **Salary upon Appointment**

Except as herein otherwise provided, the entrance salary for a new employee entering the classified service shall be the minimum salary for the class to which appointed. When circumstances warrant, the Director of Human Resources may approve an entrance salary which is more than the minimum salary for the class to which an employee is appointed. Such a salary may not be more than the maximum salary for the class to which that employee is appointed.
15.3 Salary Equivalents

Any monthly, daily or hourly rate of pay may be converted into an equivalent rate of pay or to any other time bases when, in the judgment of the City Manager, such a conversion is advisable. In determining equivalent amounts on different time bases the City shall provide tables or regulations for the calculation of payment for service of less than full time, and for use in converting monthly salaries to hourly rates, as well as for calculating hourly rates. Overtime rate and premium pay shall be calculated according to the provisions of the Fair Labor Standards Act.

15.4 Salary Step Plan

There shall be six (6) salary steps in each range.

The first step shall be the minimum rate and shall be the normal hiring rate for the class. (In a case where a person possesses unusual qualifications, the Director of Human Resources may authorize appointment above the first step after receiving the recommendation of the department head. The same provision shall apply to hourly paid and part-time employees.)

If a department head recommends to withhold increases to salary steps two (2) through six (6) because an employee has not achieved the level of performance required, notice must be received by the Human Resources Department at least four (4) weeks in advance of the employee’s eligibility date. The affected employee shall be furnished a copy of the department head’s recommendation. Failure to abide by the above four-week limitation shall not automatically cause a step increase to be granted; however, if an employee does not receive notice by the actual anniversary date, the increase shall be automatically granted.

The second step shall be paid upon the satisfactory completion of six (6) months service at the first step.

The third step shall be paid upon the satisfactory completion of one (1) year service at the second step.

The fourth step shall be paid upon the satisfactory completion of one (1) year service at the third step.

The fifth step shall be paid upon the satisfactory completion of one (1) year service at the fourth step and upon written recommendation of the department head.
MEMORANDUM OF UNDERSTANDING (SUPERVISORY UNIT – MUNICIPAL UTILITIES DEPARTMENT)

The sixth step shall be paid upon the satisfactory completion of one (1) year service at the fifth step and upon written recommendation of the department head.

Regardless of an employee's length of service, step advancements in any given class may be made upon recommendation of the department head with the approval of the Director of Human Resources, but not above Step No. 6 for a given range.

Salary step increases shall be effective the first day of the pay period following appointment or revision. If the date of appointment or revision is the first day of a pay period, salary step increases shall be as of that date.

Changes in an employee's salary because of promotion, demotion, postponement of salary step increase or special merit increase will set a new salary anniversary date for that employee, which date shall be as stated in the preceding paragraph.

Salary range adjustments for a classification will not set a new salary anniversary date for employees serving in that classification.

15.5 Salary Step after Military Leave

All employees who have been granted military leave shall, upon their return to the City service, be entitled to the automatic salary advancements within the range of their classification for the period they were in the military service.

15.6 Salary Step When Salary Range is Increased

Whenever the monthly schedule of compensation for a class is revised, each incumbent in a position to which the revised schedule applies shall be entitled to the step in the revised range which corresponds to the employee's step held in the previous range, unless otherwise specifically provided for by the Director of Human Resources.

15.7 Salary Step After Promotion or Demotion

(a) When an employee is promoted from a position in one class to a position in a higher class, and at the time of promotion is receiving base salary equal to, or greater than, the minimum rate for the higher class, that employee shall be entitled to the next step in the base salary of the higher class which is a minimum
of five percent (5.0%) above the employee's current salary, except that the next step shall not exceed the maximum salary of the higher class.

(b) When an employee is demoted, whether such demotion is voluntary or otherwise, that employee's compensation shall be adjusted to the salary prescribed for the class to which demoted.

(1) If the salary of the employee is reduced for cause or disciplinary reasons, the employee shall receive the salary at the same step prior to promotion.

(2) If the salary of the employee is reduced through no fault of the employee (i.e., layoff), the salary at demotion shall be at the nearest lower salary to that which was received prior to the demotion.

15.8 Transfer

An employee may be transferred from a class in one department, or to a position of the same class in another department, or to a comparable class, with the approval of both the employee and Department Heads. In the case of a comparable class, the employee must be qualified, as determined by the Director of Human Resources. The Director of Human Resources, in making such a determination, must assure that the maximum salary rate for the classes in question must be equal to or less than the employee’s current top step salary, and shall consider, among other things, whether the employee possesses the minimum qualifications for such class, and is able to demonstrate through education, experience, or successful completion of pertinent tests, that he/she is qualified for the transfer. If the transfer involves a change from the jurisdiction of one appointing authority to another, both must consent thereto.

15.9 Salary on Reinstatement

If a former employee is reinstated in the same position previously held or to one carrying a similar salary range, the employee’s salary shall not be higher than the salary at the time of separation unless there has been an increase within the salary range.

If a former employee is reinstated to a position in a lower class, the employee's salary shall be set at the same step previously held, but in the pay range of the lower classification.
15.10 "Y" Rate

When an employee's classification is changed to a lower paid classification as the result of a classification study or other action, the employee may be placed on a "Y" rate. A "Y" rate means that the monthly compensation for the employee shall remain in effect until such time as further changes in the pay range of the new classification exceed the "Y" rate.

15.11 Acting Pay

Any employee in this unit who is assigned by a supervisor to work in a higher paid classification for two (2) or more hours in one (1) day, shall receive the rate of pay in the step of the higher classification which would have been received if the employee had been promoted into that classification, or at least five percent (5%) more than the employee's salary in the present classification, whichever is greater. Out-of-class assignment pay during overtime status will commence at the first hour worked.

15.12 Special Assignment Pay

The department head with the concurrence of the Director of Human Resources may approve additional compensation in an amount not to exceed one additional salary step when an employee is assigned in writing by the supervisor to perform additional duties and responsibilities for the duration of the special assignment.

15.13 Special Certification Pay

Water Operations Supervisor who possesses a Distribution Operator Certificate issued by the California Department of Health Services shall receive an additional three percent (3.0%) of base pay.

15.14 Salary Adjustments

The City recognizes that there may be a need for special salary adjustments for selected classifications as a result of recruitment problems, reclassifications, and/or organizational changes. The City, in its sole discretion, may make such adjustments, but agrees to discuss with the Supervisory Unit.

In the event that any provision of this Memorandum of Understanding is declared by a court of competent jurisdiction to be illegal or unenforceable that provision of the Memorandum of Understanding shall be null and void but such nullification shall not affect any other provisions of this Memorandum of Understanding, all of which other provisions shall remain in full force and effect.

In the event that Federal legislation changes the current applicability of the Fair Labor Standards Act, both parties agree to consult and/or confer on the impacts of such legislation to the extent required by law.

Section 17. Past Practices and Existing Memoranda of Understanding

Continuance of working conditions and practices not specifically authorized by ordinance or by resolution of the City Council is not guaranteed by this Memorandum of Understanding.

This Memorandum of Understanding shall supersede all existing Memoranda of Understanding between the City and the Union.

Section 18. Scope of Agreement

Except as otherwise specifically provided herein, this Memorandum of Understanding including Appendices “A” and “B”, which are attached to this Agreement and by this reference incorporated herein, and fully and completely incorporates the understanding of the parties hereto and constitutes the sole and entire agreement between the parties on any and all matters subject to meeting and conferring. Neither party shall, during the term of this Memorandum of Understanding, demand any change therein nor shall either party be required to negotiate with respect to any matter; provided that nothing herein shall prohibit the parties from changing the terms of this Memorandum of Understanding by mutual agreement.

Section 19. Duration of Agreement

This Memorandum of Understanding shall be effective the date of execution, and shall remain in full force and effect to and including the 31st day of December 2008 and shall continue thereafter from year to year unless at least sixty (60) days prior to December 1 either party shall file written notice with the other of its desire to amend, modify, or terminate this Memorandum of Understanding.
Section 20. Maintenance of Operations/City Rights

(a) It is recognized that the need for continued and uninterrupted operation of City services is of paramount importance. Therefore, the Union and each employee represented hereby agrees that from the date of execution, through exhaustion of the impasse process/mediation/fact finding as set forth in the Employer/Employee Relations Resolution, the Union or any person acting in its behalf, or each employee in a classification represented by the Union, shall not cause, authorize, engage in, encourage, or sanction a work stoppage, slowdown, refusal of overtime work, refusal to operate designated equipment (provided such equipment is safe and sound), or picketing, other than informational picketing, against the City or the individual or concerted failure to report for duty or abstinence from the full and faithful performance of the duties of employment, including compliance with the request of another labor organization or bargaining unit to engage in such activity in an attempt to induce a change in wages, hours, and other terms and conditions of employment.

(b) An employee shall not be entitled to any wages or City paid benefits whatsoever if the City Council, by majority vote, determines to its satisfaction, that the employee is, or has, engaged in any activity prohibited by subsection (a) of this Section. The City may take other action which it deems appropriate.

(c) If the City Council, by majority vote, determines to its satisfaction, that subsection (a) of this Section has been violated by the Union, the City may take such remedial action as it deems appropriate.

(d) The Union recognizes the duty and obligation of its representatives and members to comply with the provisions of this Memorandum of Understanding and to make every effort toward inducing all employees in this unit to fully and faithfully perform their duties. In the event of any activity prohibited by subsection (a) hereinafore, the Union agrees to take supererogatory steps necessary to assure compliance with this Memorandum of Understanding.

The rights of the City as set forth in Section 5 of Resolution No. 32,538, dated August 4, 1975, are incorporated herein by reference.
MEMORANDUM OF UNDERSTANDING (SUPERVISORY UNIT – MUNICIPAL UTILITIES DEPARTMENT)

IN WITNESS WHEREOF the parties hereto have executed this Memorandum of Understanding on this 15 day of October 2008.

AMENDMENT TO THE MEMORANDUM OF UNDERSTANDING BETWEEN THE CITY OF STOCKTON AND THE OPERATING ENGINEERS LOCAL 3, AFL-CIO SUPERVISORY UNIT MUNICIPAL UTILITIES DEPARTMENT

UNION SECURITY ARRANGEMENT

WHEREAS, the City of Stockton ("City") and Operating Engineers Local 3, AFL-CIO, representing employees covered by the Supervisory Unit ("Union"), are parties to a Memorandum of Understanding ("MOU") covering the period March 1, 2008 through December 31, 2008, or until such time as a successor MOU is executed between the City and Union; and

WHEREAS, the parties desire to amend the provisions of the Union Security Agreement relating to dues check-off to modify existing obsolete language to conform to current practices; now, therefore

1. The parties hereto agree that section 2.1 of the MOU is hereby amended, and shall read as follows:

SECTION 2. UNION SECURITY

2.1 Dues Deduction

(a) General. The Union may have the regular dues of its members within the representation unit deducted from employees' paychecks under procedures prescribed by the City for such deductions. The Union has the exclusive privilege of dues deduction for its members.

Authorization, cancellation, or modification of payroll deductions shall be made upon forms provided or approved by the City. The payroll deduction authorization shall remain in effect until canceled or modified by the employee by written notice to the City or until the first day of the calendar month following the transfer of the employee to a unit represented by another employee organization as the representative of the unit to which the employee is assigned, or until employment with the City is terminated.
AMENDMENT TO THE
MEMORANDUM OF UNDERSTANDING BETWEEN THE
CITY OF STOCKTON AND THE
OPERATING ENGINEERS LOCAL 3, AFL-CIO
SUPERVISORY UNIT
MUNICIPAL UTILITIES DEPARTMENT

Additional authorization shall not be required for deduction of increased membership dues when such increase has been duly approved by the membership of the Union. Notification of such approval shall be forwarded to the City in the form of written notice on official Union letterhead and signed by the duly authorized Union official. Upon receipt of notification, the City shall authorize the payroll deduction of the increased amount.

If an employee is promoted to a position that is represented by another employee organization or to an unrepresented unit, membership dues for the former unit will not be deducted from the employee's paycheck by the City.

Amounts deducted and withheld by the City shall be transmitted to the officer designated in writing by the Union as the person authorized to receive such funds, at the address specified.

In addition to the deduction of dues, the City will deduct from the paychecks of Union members who request it, premiums for group insurance and investment plans sponsored by the Union. Such deductions shall be made in one lump sum and only upon signed authorization from the employee upon a form satisfactory to the City.

The employee's earnings must be sufficient after all other required deductions are made, to cover the amount of the deductions herein authorized. When an employee is in a non-pay status for an entire pay period, no withholdings will be made to cover that pay period from future earnings nor will the employee deposit the amount with the City which would have been withheld if the employee had been in pay status during that pay period. In the case of an employee who is in a non-pay status during a part of the pay period, and the salary is not sufficient to cover the full withholding, no deduction shall be made.

In this connection, all other required deductions have priority over the employee organization deduction.

(b) Indemnity and Refund. The Union shall indemnify, defend, and hold the City harmless against any claim made and against any suit initiated against the City on account of check off of Union dues or premiums for benefits. In addition, the Union shall refund to the City any amounts paid to it in error upon presentation of supporting evidence.
2. All other terms and conditions of employment set forth in the MOU not specifically changed by this amendment shall remain in full force and effect.

IN WITNESS WHEREOF, this Amendment has been attested to by the City Clerk, the City Seal affixed hereto, and the document subscribed to by the City of Stockton Employee Relations Officer and the duly authorized Representatives for the Supervisory Unit on the 16th day of November 2009, in accordance with the provisions of Stockton Municipal Code chapter 2.74.

SETTLEMENT AGREEMENT
BETWEEN
CITY OF STOCKTON
AND
OPERATING ENGINEERS’ LOCAL UNION NO. 3

OVERTIME

This Settlement Agreement ("AGREEMENT") is made and entered into by and between the City of Stockton ("CITY"), and the Operating Engineers’ Local Union No. 3 ("UNION"), on this 16th day of May 2008, for the following purpose and with reference to the following facts:

A. On April 2, 2008, UNION filed grievance (#01-08 OE3 No. 1) with CITY in accordance with Section 8 of the Operations and Maintenance Unit Memorandum of Understanding ("MOU") alleging CITY did not implement the terms and conditions of employment set forth in section 11.2 (a) in reference to the "overtime" provision of the MOU and in accordance with City’s past practice.

B. On April 10, 2008, the CITY, pursuant to step two of the Grievance Procedures as contained in the MOU, thoroughly reviewed the matter and determined that the CITY did not act inconsistently with its contractual obligation, and, therefore, denied the grievance at step two of the Grievance Procedures.

C. On April 23, 2008, the UNION, file notice to waive the Board of Adjustment and proceed directly to Arbitration, step four of the Grievance Procedures set forth in the MOU.

D. On May 16, 2008, the CITY and the UNION entered into a pre-arbitration meeting in an effort to discuss possible settlement, to avoid further costs and expenses. The parties now make this AGREEMENT.

NOW THEREFORE, for good and valuable consideration described and contained below, and the compromise, full settlement and dismissal of the UNION’S appeal to binding arbitration, the parties to this Agreement hereby agree as follows:

1. Settlement of Grievance. EMPLOYEE and UNION agree to settle with prejudice the grievance matter (#01-08 OE3 No. 1) under Section 8 of MOU by and between CITY and UNION.

2. Overtime. For the purpose of Section 11.2 (a) the plain language shall read as follows effective May 17, 2008:

Time worked in excess of forty (40) hours in any workweek shall be paid for at time and one-half (1-1/2) including employees employed on a per hour basis or except as
provided elsewhere herein. Time worked shall include time paid for pre-approved leaves.

3. Entire Agreement. This AGREEMENT contains the entire AGREEMENT of the parties regarding the subject matter of this AGREEMENT. Any prior agreements, promises, negotiations, or representations, either oral or written, relating to the subject matter of this AGREEMENT, not expressly set forth in this AGREEMENT, are of no force or effect. Any changes in this AGREEMENT, whether by additions, deletions, waivers, amendments or modifications, may only be made in writing, signed by the parties.

IN WITNESS WHEREOF, the parties hereto have executed this AGREEMENT on this 10th day of May 2008.

SUBJECT: MEMORANDUM OF UNDERSTANDING BETWEEN THE CITY OF STOCKTON AND THE OPERATING ENGINEERS LOCAL 3, WATER SUPERVISORS UNIT

RECOMMENDATION

Adopt the attached resolution authorizing the City Manager to execute a Memorandum of Understanding between the City of Stockton and the Operating Engineers Local 3, Water Supervisors bargaining unit effective for the term July 1, 2011 to June 30, 2012. It is further recommended that the Resolution authorize the City Manager to take whatever actions are appropriate to carry out the purpose and intent of this resolution.

Summary

The current Memorandum of Understanding between the City and this bargaining unit expired on June 30, 2011. Representatives of the City have met and conferred, and reached an agreement with representatives of the Operating Engineers Local 3, Water Supervisors unit on a successor Memorandum of Understanding. The City has been notified that the membership of this bargaining unit has ratified the tentative agreement. This agenda item requests the City Council approve the successor MOU for the term July 1, 2011 to June 30, 2012.

DISCUSSION

Background

The City has had substantial fiscal shortfalls over the past several years. On May 17, 2011, the City declared a fiscal emergency due to declines in revenue and rising costs. On June 21, 2011, after taking public testimony, the City Council adopted a final budget for Fiscal Year 2011/12 that combines program service reductions with compensation and benefit reductions in order to adjust expenditures to available revenue.

Page 2

Present Situation

To help close the budget deficit and make other structural changes, the OE3 Water Supervisors bargaining unit has agreed to a new Memorandum of Understanding that includes but is not limited to the following modifications. The major changes in the compensation for employees in this unit are summarized as follows:

- Implements a Fiscal Year 2011/12 furloughs equal to 96 hours effective July 1, 2011.
- Agrees that any City of Stockton employee hired on or after July 1, 2011 in this unit shall not receive any retiree medical benefit.
- Agrees that the City may amend its PERS contract to provide a new lower benefit level retirement tier/employee pension benefits for any City of Stockton employee hired after the PERS contract is amended but no earlier than July 1, 2011. The City may adopt a new tier that provides 2% @ 50 retirement formula, with a 3-year final average salary, and no other additional benefits.
- Agrees that the employees shall pay 7% of salary towards the Employer's PERS effective August 1, 2011. This contribution shall be on a post tax basis.
- Agrees to the elimination of the Educational Incentive Add Pay of 3% (or flat dollar amount) effective August 1, 2011.
- Agrees to the elimination of the current Longevity Pay Add Pay of 2.5% for all unit employees effective August 1, 2011, except however the current employees in this unit receiving Longevity Pay shall retain their current Longevity Add Pay.
- Agrees to the implementation of Medical Plan design changes in the City's Modified Employee Medical Plan effective September 1, 2011 as summarized in Attachment A. It also expands the number of medical plans offered to employees.
- Establishes effective September 1, 2011, a maximum City contribution towards the employee's costs for the City's Modified Employee Medical Plan or any other City offered Health Plan, or OE3 health plan that the parties have agreed to. The City's maximum contribution shall be $481.00 a month for employee only, $875.00 per month for employee plus one dependent, and $1,165.00 per month for family (2 or more dependents). Employees will be responsible for any costs associated with their health insurance that exceeds these maximum amounts.
- Agrees to a reduction in sick leave accruals from 15 days per year to 12, and makes other changes to sick leave cash out provisions at retirement.
- Agrees to reductions in the vacation leave accruals, and makes other changes to vacation sell back and accrual maximums.
- Has a one-year term and provides for no salary increases during the term.

121
FINANCIAL SUMMARY

The changes in compensation included in this agreement will create approximately $190,000 in non-general fund programs savings in fiscal year 2011/12. (This unit does not receive any funding from the general fund.)

Respectfully submitted,

BOB DEIS
CITY MANAGER

**CITY OF STOCKTON**
Section 1. Recognition

Operating Engineers' Local 3, AFL-CIO, hereinafter referred to as the "Union," is the recognized employee organization for the Supervisory Unit, certified pursuant to Resolution No. 08-0143, adopted by the City Council on April 15, 2008.

Section 2. Union Security

2.1 Dues Deduction

(a) General. The Union may have the regular dues of its members within the representation unit deducted from employees' paychecks under procedures prescribed by the City for such deductions. The Union has the exclusive privilege of dues deduction for its members.

Authorization, cancellation or modification of payroll deductions shall be made upon forms provided or approved by the City. The payroll deduction authorization shall remain in effect until canceled or modified by the employee by written notice to the City or until the first day of the calendar month following the transfer of the employee to a unit represented by another employee organization as the representative of the unit to which the employee is assigned, or until employment with the City is terminated.

Additional authorization shall not be required for deduction of increased membership dues when such increase has been duly approved by the membership of the Union. Notification of such approval shall be forwarded to the City in the form of written notice on official Union letterhead and signed by the duly authorized Union official. Upon receipt of notification, the City shall authorize the payroll deduction of the increased amount.

If an employee is promoted to a position which is represented by another employee organization or to an unrepresented unit, membership dues for the former unit will not be deducted from the employee's paycheck by the City.

Amounts deducted and withheld by the City shall be transmitted to the officer designated in writing by the Union as the person authorized to receive such funds, at the address specified.

In addition to the deduction of dues, the City will deduct from the paychecks of Union members who request it, premiums for group insurance and investment plans sponsored by the Union. Such deductions shall be made in one lump sum
and only upon signed authorization from the employee upon a form satisfactory to the City. Such authorizations may be made or changed no more frequently than twice yearly.

The employee's earnings must be sufficient after all other required deductions are made, to cover the amount of the deductions herein authorized. When an employee is in a non-pay status for an entire pay period, no withholdings will be made to cover that pay period from future earnings nor will the employee deposit the amount with the City which would have been withheld if the employee had been in pay status during that pay period. In the case of an employee who is in a non-pay status during a part of the pay period, and the salary is not sufficient to cover the full withholding, no deduction shall be made.

In this connection, all other required deductions have priority over the employee organization deduction.

(b) Indemnity and Refund. The Union shall indemnify, defend and hold the City harmless against any claim made and against any suit initiated against the City on account of check off of Union dues or premiums for benefits. In addition, the Union shall refund to the City any amounts paid to it in error upon presentation of supporting evidence.

2.2 Agency Fee

(a) Employee Rights

(1) The City and the Union recognize the right of employees to form, join, and participate in lawful activities of employee organizations and the equal, alternative right of employees to refuse to form, join and participate in employee organizations. Neither party shall exert pressure upon or discriminate against an employee in the exercise of these alternative rights.

(2) Accordingly, membership in the Union shall not be compulsory. A unit member has the right to choose, either: to become a member of the Union; or, to pay to the Union a fee for representation services; or, to refrain from either of the above courses of action upon the grounds set forth in Section (f) below.

(b) Unit Members' Obligation to Exclusive Representative

(1) A bargaining unit member who does not fall within one (1) of the
exempted categories as set forth in Section (f) below, and who has not voluntarily made application for membership in the Union within the sixtieth (60) day following the date upon which said employee has been formally hired by the City as a bargaining unit employee, must as a condition of continued employment in the City pay to the Union a representation fee, in exchange for representation services necessarily performed by the Union in conformance with its legally imposed duty of fair representation on behalf of said unit member who is not a member of the Union.

(2) In the event that a unit member does not become a member of the Union or pay such fee directly to the Union, the City shall begin automatic payroll deduction. There shall be no charge to the Union for such mandatory agency fee deductions.

(3) Prior to beginning such automatic payroll deduction, the Business Representative of the Union will certify to the City in writing that the employee whose pay is to be affected by the deduction has: 1) refused to join the Union; and 2) has refused to tender the amount of the agency fee as defined herein; and 3) has not applied for an exemption under Section (f) herein. In addition the Union must also certify that it has provided the employee with a copy of the fee verification required by Section (e) herein.

(c) Definition of Agency Fee

(1) The agency fee collected pursuant to Section (b) above from unit members who are not members of the Union shall be an amount not to exceed the standard initiation fee, periodic dues and general assessments of the Union for the duration of this Agreement, minus any amount which is prohibited by the Constitution because such funds pay for political or ideological purposes not related to collective bargaining.

(2) Any dispute as to the amount of the representation fee shall be resolved pursuant to the provisions of Section (h) herein.

(d) Exceptions. Unit members on leave without pay and unit members who are in laid-off status shall be exempt from these provisions herein; except that the election as to membership or payment of a fee as set forth herein must be exercised within the first ten (10) work days upon return to paid status.

(e) Annual Verification of Agency Fee by the Union. Prior to January 31, of

CITY OF STOCKTON
MEMORANDUM OF UNDERSTANDING (SUPERVISORY UNIT – MUNICIPAL UTILITIES DEPARTMENT)

each year and before the collection of an agency fee from any unit member pursuant to these provisions herein, the Union shall submit a written certification to the fee payers verifying that the total amount of its representation fee conforms to Section (c) above, and itemizing all component parts of such fee which shall provide an adequate explanation for the basis of the fee. Each year such amount shall be verified and submitted in writing to the fee payers by the Union prior to January 31st. The Union will submit a copy of such verification to the Director of Human Resources of the City. The parties agree that such annual verification is a condition precedent to the collection by either the City or the Union of a representation fee from a unit member.

(f) Employees Exempted From Obligation to Pay Union

(1) Any unit member shall be exempt from the requirements of Section (b) above, if such employee has a bona fide religious objection as defined by Section 3502.5 of the Government Code to the payment of any fee in support of a Union or "employee organization" as defined in Section 3540.1(d) of the Government Code.

(2) Such exempt unit member shall, as an alternative to payment of a representation fee to the Union, pay an amount equivalent to such representation fee to:

   a. United Way.
   b. American Cancer Society.
   c. Any charity jointly agreed in writing by the parties.

(3) If a unit member desires to be exempted for reasons set forth in Section (f) herein, the unit member must first request such exemption in writing from the Union setting forth briefly the rationale for the exemption. If the Union notifies the unit member in writing that the Union will not honor the request, then the matter shall be referred automatically to a panel for determination according to the procedure set forth below. The panel shall be composed of one (1) person selected by the Union, one (1) person selected by the unit member, and an arbitrator selected by the parties chosen from a list submitted by the State Conciliation Service. If either one or both parties fail to nominate a panel member, the process of hearing will continue without that party's panel member.

(4) The panel shall first receive arguments and evidence from the unit member requesting the exemption. Thereafter the Union may present any
arguments or evidence. The proceedings shall be conducted in an informal manner, and the rules of evidence will not apply. The arbitrator shall act as chair and rule on all matters before the panel with the exception of the final determination of the panel. The panel shall prepare a written decision within fifteen (15) calendar days of the completion of the hearing which shall be final and binding upon the parties. Any expenses of the panel shall be borne by the parties incurring them.

(5) Upon receipt of the decision of the panel, the City shall release any funds held in escrow to the Union or to the charity. Any decision by the panel shall apply for the duration of this Memorandum of Understanding.

(6) In addition, the Union may require such exempt unit member to submit proof of payment of an amount equivalent to such representation fee to one (1) of the alternative funds or organizations listed above. If the bargaining unit member has not provided payment, the City will institute deductions pursuant to Section (b)(2), and forward such monies to a charity listed in Section (f)(2).

(7) Such payments shall be made on or before January 31, of each year or no more than thirty (30) days after commencing duties for any newly hired employee.

(g) Escrow Account. If any unit member either disputes the amount of the fee or disputes whether or not an exemption was appropriately denied, the City shall deposit the fee which was deducted and place such amount into a special escrow account established by the Union for such purposes.

(h) Procedure for a Unit Member Who Contests the Amount of the Fee

(1) The parties agree that in order to provide a uniform definition of the representation fee, any disputes involving the amount of such fee shall be referred to the Union's procedure for determination, provided that the parties have first complied with the other provisions of this Section.

(2) The Union shall notify the City in writing within twenty (20) days after it becomes aware that any employee disputes the amount of the fee.

(3) The Union will verify in writing to the City that all of the conditions of Section (b)(3) have been met prior to the City's initiation of the fee deductions set forth in Section (b)(2). Thereafter, the City will notify the affected employee in writing that such deductions will commence and a
copy of the Union's written verification will be attached to the City's notice. Thereafter, the City will begin the deductions.

The monies held in escrow shall be released to the appropriate party upon the rendering of a final decision by the Union's internal procedure.

(i) Payment Method/Payroll Deduction

(1) A unit member may voluntarily sign and deliver to the City a written assignment authorizing deduction of the properly established representation fee as defined in Section (c) above, subject to the conditions set forth elsewhere in this agreement for payroll deductions, or the amount of the fee will be deducted automatically in accordance with Section (b)(2) herein.

(2) The City is under no obligation to make payroll deductions for the periods during which a unit member is either terminated from active employment, or not on the City's active payroll for any reason, including, but not limited to, layoff and voluntary leave of absence for more than thirty (30) days.

(3) Upon the rehiring of any unit member, or upon the recalling of any unit member from layoff status, the City will resume or initiate dues deductions for such unit member.

(j) Obligations of Parties

(1) City's Obligations. The City's obligation under this Article is to notify any unit member who has failed to comply with the provisions of this Section that, as a condition of continued employment with the City, such unit member must become an Union member, or pay a representation fee, or establish an exemption status and make payment pursuant to provisions of Sections (b) and (f) of this Agreement. Under no circumstances shall the City be required to dismiss or otherwise discipline any unit member for failure to fulfill their obligations to pay the fees established herein.

(2) Union's Obligations. Except as specified herein, the Union and not the City, shall be responsible for requiring unit members to fulfill obligations defined herein. It is the obligation of the Union to collect any representation fees which may be due and payable to the Union in consideration for its services as the exclusive representative of unit employees.
MEMORANDUM OF UNDERSTANDING (SUPERVISORY UNIT – MUNICIPAL UTILITIES DEPARTMENT)

(k) **Hold Harmless Provision.** The Union shall hold the City harmless, and shall fully and promptly reimburse the City for any fees, costs, charges or penalties incurred in responding to or defending against any claims, disputes, challenges, whether formal or informal, which are actually brought, or attempted or threatened to be brought, against the City or any of its agents, or employees, in connection with the interpretation, application, administration or enforcement of any Section of this Agreement pertaining to representation fee. Such reimbursement shall include, but not be limited to, court costs, litigation expenses, and attorney’s fees incurred by the City. The City shall have the right to be represented by its own attorney in any action in which it is a named party to the action. Disputes over the amount of reimbursement shall be automatically submitted to the arbitration provisions of this Memorandum, Section 8.3(e).

2.3 **Use of City Facilities**

(a) The Union shall be allowed by the City department in which it represents employees' use of space on available bulletin boards for communications having to do with official Union business, such as times and places of meetings, provided such use does not interfere with the needs of the department. The Union may submit to the City Employee Relations Officer written communications having to do with official Union business for distribution by the City to identified shop stewards. Distribution may be by e-mail.

(b) Any representative of the Union shall give notice to the department head or designated representative when contacting department employees on City facilities during the duty period of the employees, provided that solicitation for membership or other internal Union business shall be conducted during the non-duty hours of all employees concerned. Pre-arrangement for routine contact may be made with individual department heads and when made shall continue until revoked by the department head.

(c) City buildings and other facilities may be made available for use by City Employees of the Union or their representatives in accordance with such administrative procedures as may be established by the City Manager or department heads concerned.

2.4 **Advance Notice**

Except in cases of emergency, reasonable advance written notice shall be given
MEMORANDUM OF UNDERSTANDING (SUPERVISORY UNIT – MUNICIPAL UTILITIES DEPARTMENT)

to the Union if affected by any ordinance, resolution, rule or regulation directly relating to matters within the scope of representation proposed to be adopted by the City and shall be given the opportunity to negotiate if requested with the designated management representatives prior to adoption.

In cases of emergency when the foregoing procedure is not practical or in the best public interest, the City may adopt or put into practice immediately such measures as are required. At the earliest practicable date thereafter the Union shall be provided with the notice described above and be given an opportunity if requested to negotiate changes to said notice with the management representatives designated by the City Manager.

2.5 Attendance at Meetings by Employees

City employees who are official representatives or unit representatives of the Union shall be given reasonable time off with pay to attend meetings with City management representatives, or be present at City hearings where matters within the scope of representation or grievances are being considered. Such employee representatives shall submit a request for excused absence to their respective department heads, in a manner satisfactory prior to the scheduled meeting whenever possible. Except by mutual agreement the number of the employees excused for such purposes shall not exceed three (3) per recognized bargaining unit.

Time spent for this purpose during the representative’s scheduled hours of work count as hours worked. Time spent for this purpose which may exceed the representative’s regularly scheduled hours of work shall be compensated as overtime or compensatory time.

2.6 Maintenance of Membership

All employees in the Supervisory Unit who are members of the Union, tendering periodic dues at the execution of this agreement, and all employees who thereafter become members of the Union shall, as a condition of employment, pay dues to the Union for the duration of this Memorandum of Understanding, and each year thereafter. For a period of thirty (30) days prior to January 1, 2009 and thirty (30) days prior to any January 1, thereafter, any employee in the aforementioned unit who is a member of the Union shall have the right to withdraw from the Union discontinuing dues payments and retain employment in the City, subject to provisions of Section 2.2. Agency Fee. Said withdrawal shall be communicated by the employee in writing to the City. The provisions of this section shall be operative only to the extent that they are permissible under
MEMORANDUM OF UNDERSTANDING (SUPERVISORY UNIT - MUNICIPAL UTILITIES DEPARTMENT)

California law.

2.7 Assignment of Classifications

New job classifications established by the City shall be assigned to the bargaining unit pursuant to Section 8 (b) of the City's Employer-Employee Relations Resolution after providing notice and the opportunity to consult with the Union regarding such matters.

2.8 Contract Ratification

Ratification votes for Contract will be handled on city time during the day.

Section 3. Compliance with Federal Laws/Safety

3.1 Non-Discrimination. The City and the Union agree that there shall be no discrimination of any kind because of race, creed, color, religion, national origin, sex, political affiliation or legitimate union activity against any employee or applicant for employment; and to the extent prohibited by applicable State and Federal law there shall be no discrimination because of age.

3.2 Fair Labor Standards Act. The Union agrees to cooperate with the City to insure its members' compliance with the provisions of the Fair Labor Standards Act.

3.3 Safety. The Union shall cooperate with the City in promoting safety objectives as defined in Federal, State and local regulations by actively supporting safety programs, promoting safe work habits of members and encouraging an ongoing, active participation by its members in safety related procedures and practices as offered and promulgated by the City of Stockton.

Section 4. Probation

4.1 Purpose

The probationary period shall be utilized for closely observing the employee's work, for securing the most effective adjustment of a new employee to a position, and for rejecting any probationary employee whose performance does not meet the required standards of work.

4.2 Original Entrance and Promotional Positions
MEMORANDUM OF UNDERSTANDING (SUPERVISORY UNIT – MUNICIPAL UTILITIES DEPARTMENT)

All original and promotional appointments shall be tentative and subject to a probationary period of six (6) months. The probationary period shall not be extended.

4.3 Retention/Rejection of Probationer

At the end of the probationary period, if the service of the probationary employee has been satisfactory to the appointing authority, then the appointing authority shall file with the Director of Human Resources a statement in writing to such effect and stating that the retention of such employee in the service is desired. The City will make a good faith effort to notify a probationary employee two (2) weeks before the end of the probationary period whether or not regular status is granted; however, a failure on the part of the appointing authority to file such a statement at the end of the probationary period shall constitute a rejection of the probationer as defined in Civil Service Rules.

During the probationary period an employee may be rejected at any time by the appointing authority. Any employee rejected during the probationary period following a promotional appointment, shall be reinstated to the position from which promoted unless charges are filed and the employee is discharged in the manner provided in Section 7 of this Memorandum of Understanding and in the Civil Service Ordinance and Civil Service Rules, which are consistent therewith.

5.1 Layoff

Any employee may be laid off by an appointing authority in the event of the abolition of the employee's position by the City Council, or if a shortage of work or funds requires a reduction in personnel.

5.2 Layoff Scope

(a) Layoffs shall be within departments of the City.

(b) Departments of the City are defined as follows:

(1) Administrative Services
(2) City Attorney
(3) City Auditor
(4) City Clerk
(5) City Manager
(6) Community Development
(7) Community Services
(8) Economic Development

(10) Human Resources
(11) Municipal Utilities
(12) Police
(13) Public Works

5.3 Notice of Layoff

The City will give advance written notice of at least one pay period to employees who will be laid off.

5.4 Precedence by Employment Status

(a) No regular employees shall be laid off while employees working in an extra help, seasonal, temporary, provisional, or probationary status are retained in the same classification as such regular employee. The order of layoff among employees not having regular status shall be according to the following categories:

(1) extra help or seasonal
(2) provisional
(3) temporary
(4) probationary

Layoffs shall be by job classification according to reverse order of seniority as determined by total service in that class, except as specified above. For the purpose of this procedure part-time classes shall be considered as separate from regular full-time classes.

The following provisions shall apply in computing total continuous service:

(1) Time worked in a regular or probationary status shall count as service.
(2) Time spent on military leave shall count as service in the event the leave was taken subsequent to entry.
(3) Time worked in an extra help, seasonal, provisional, temporary, grant or other limited term status shall not count as service.

If two (2) or more employees have the same seniority, the most recent
(b) Any employee in the Supervisory Unit who is laid off may complete a City employment application for any position currently staffed by a part time, provisional, or temporary employee. The Human Resources Department will evaluate the employment application. If the laid off employee meets the minimum qualifications of that position, he/she shall have the option of displacing the part time, provisional, or temporary employee.

5.5 Employee Options

Employees laid off shall have any of the following choices:

(a) Displacing the employee in the same department and in the same or clearly comparable classification as determined by the Director of Human Resources as having the least seniority in that classification. This option shall be exercised before any other option.

(b) Taking a voluntary demotion within the department to a classification in which the employee had prior regular status, thus displacing the employee working in the classification who has the least seniority in that classification.

5.6 Health and Welfare Benefits during Layoff

Regular employees who are laid off will have an option of maintaining their existing health and welfare benefits for thirty-six (36) months from the date of layoff, provided timely payments of the premiums by the employee are made to the City, according to City regulations, and provided the employee otherwise meets the requirements of Federal and State regulations.

Section 6. Reemployment

(a) The name of each employee who is laid off in accordance with Section 5, shall be placed at the head of the eligibility list for the class of positions which that employee held, and shall be given preference in filling vacancies in that class.

(b) An employee laid off in accordance with this Section shall be placed on the eligibility list or lists for any lower or comparable class or classes in the same department, provided that the appointing authority and the department head in charge of this lower or comparable class determine that the employee is competent to perform the duties thereof in strict accordance with the class
specifications. This right of a laid off employee shall remain effective for two (2) years from the date of latest separation from the service. The employee shall not be placed on said eligibility list or lists without first submitting a written request. Employee's place on said list or lists shall be at the head of the eligibility list for the class of positions for which qualified as hereinabove set forth and shall be given preference in filling vacancies except for those persons placed on said list or lists of reemployment in the same positions previously held. Upon certification for appointment to a new position never having been held by this employee, the probationary period must be completed as required in this Memorandum of Understanding.

Section 7. Discipline

Disciplinary action, including discharge, suspension, reduction in pay or demotion, may be taken against any employee for cause.

Upon the employee's written request and department head's approval, all written reprimands shall be removed from the employee's official personnel file after a period of one (1) year, if there has been no reoccurrence of the infraction and the employee has a good work record. Upon the employee's written request and department head's approval, all other disciplinary records shall be removed from the employee's official personnel file after two (2) years, if there has been no reoccurrence of the infraction and the employee has a good work record. In no event, upon the employee's written request, shall written reprimands remain in the employee's official personnel file after five (5) years from the date of written notice.

7.1 Predisciplinary Rights

An employee facing potential disciplinary action will be entitled to the following predisciplinary rights:

(a) Notice of proposed discipline.

(b) Date(s) proposed discipline will be effective.

(c) Reasons for the proposed discipline, the specific grounds and particular facts upon which the action is taken.

(d) Ten (10) calendar days in which an employee or the representative may respond either orally or in writing to the department head.
MEMORANDUM OF UNDERSTANDING (SUPERVISORY UNIT – MUNICIPAL UTILITIES DEPARTMENT)

(e) The employee must be provided with any written materials, reports and documents upon which the action is based.

7.2 Administrative Leave

The City may place an employee on administrative leave with pay pending the completion of the predisciplinary process.

7.3 Provisions

The appointing authority may discharge, suspend or demote any employee in the classified service provided the Stockton Municipal Code provisions and the rules and regulations of the Civil Service Commission and any applicable provisions of law are followed. Such provisions allow the employee suspended, demoted or discharged to appeal such action. The employee may take only one (1) of the following actions:

(a) File no appeal.

(b) File an appeal with the Civil Service Commission within ten (10) calendar days of written notification of the action. (Such filing will foreclose use of the grievance procedure.)

(c) File a grievance as provided for in Section 8 within ten (10) calendar days of written notification of the action.

If the employee fails to do (b) or (c) above within the prescribed time frames, these rights will have been waived.

Section 8. Grievance Procedures

8.1 Definition

A grievance is any dispute which involves the interpretation or application of those rules, regulations and resolutions which have been, or may hereafter be, adopted by the City Council to govern personnel practices and working conditions, including such rules, regulations and resolutions as may be adopted by either the City Council or the Civil Service Commission to affect Memoranda of Understanding which result from the meeting and conferring process.

8.2 Filing Deadline
MEMORANDUM OF UNDERSTANDING (SUPERVISORY UNIT – MUNICIPAL UTILITIES DEPARTMENT)

(a) No grievance involving demotion, suspension, discharge or other employment penalty will be entertained unless it is filed in writing with the Director of Human Resources within ten (10) calendar days of the time at which the affected employee received written notification of such action. All other grievances must be filed within thirty (30) calendar days from the time the employee knew or had reason to know of the facts giving rise to the grievance.

(b) With written consent of the Director of Human Resources or his/her designee and the Union Business Agent or his/her designee, time limits may be extended and/or Steps 1, 2 and/or 3 of the Grievance Procedure waived.

8.3 Grievance Processing

(a) Step 1 - Departmental Review. Any employee claiming to have a grievance may discuss the complaint with such management official in the department where employed as the department head may designate. If the issue is not resolved within the department within twenty (20) calendar days from the day of presentation or if the employee elects to submit the grievance directly to the Union recognized as the representative of that employee's classification, or if the employee/Union official notifies the Director of Human Resources, in writing, that a grievance exists, the procedure hereinafter specified may be invoked.

(b) Step 2 - Director of Human Resources Review. If the employee is not satisfied with the response at level one, then the employee may appeal the grievance to the Director of Human Resources within twenty (20) calendar days of the receipt of written response at level one. Such appeal must state with particularity: 1) the specific policy, rule or provision which is alleged to have been violated; 2) the statement of facts comprising the violation; and 3) the requested remedy. The Union may file and process grievance(s) on behalf of the specifically named employee. The Director of Human Resources shall have twenty (20) calendar days in which to investigate the issues, meet with the complainant and attempt to reach a satisfactory resolution of the problem. No grievance may be processed under the following two (2) paragraphs which has not first been filed and investigated in accordance with this paragraph, except for the resolution of compensation complaints.

(c) Step 3 - Adjustment Board. If the parties are unable to reach a mutually satisfactory accord on any grievance which arises and is present during the terms of this Memorandum of Understanding, within twenty (20) calendar days of the receipt of the level three response, such grievance shall be submitted to an Adjustment Board comprised of two (2) Union representatives, no more than one (1) of whom shall be either an employee of the City or an elected or appointed
official of the Union and two (2) representatives of the City, no more than one (1) of whom shall be either an employee of the City or a member of the staff of any organization employed to represent the City in the meeting and conferring process.

(d) **Step 4 - Arbitration.** If an Adjustment Board is unable to arrive at a majority decision, within twenty (20) calendar days either the Union or the City may require that the grievance be referred to an impartial arbitrator mutually selected by the parties, or if the parties are unable to mutually agree, from a list of seven (7) arbitrators provided by the State Conciliation Service. The arbitrator shall be chosen by the alternative strike method, with first choice being determined by lot. The fees and expenses of the arbitrator and of a court reporter shall be shared equally by the Union and City. Each party, however, shall bear the cost of its own presentation, including preparation and post hearing briefs, if any.

(e) **Effect of Decision.** Decisions of Adjustment Boards and arbitrators on matters properly before them shall be final and binding on the parties hereto except as provided otherwise herein.

8.4 **Scope of Arbitration**

(a) No Adjustment Board and no arbitrator shall entertain, hear, decide or make recommendations on any dispute unless such dispute involves a position in a unit represented by the Union and unless such dispute falls within the definition of a grievance as set forth in paragraph 8.1.

(b) Proposals to add to or change this Memorandum of Understanding or written agreements or addenda supplementary hereto shall not be arbitrable and no proposal to modify, amend or terminate this Memorandum of Understanding, nor any matter or subject arising out of or in connection with such proposal, may be referred to arbitration under this Section. No Board of Adjustment or arbitrator selected pursuant to this Section shall have the power to amend or modify this Memorandum of Understanding or written agreements or addenda supplementary hereto or to establish any new terms or conditions of employment.

No changes in this Memorandum of Understanding or interpretations thereof (except interpretations resulting from Board of Adjustment or arbitration proceedings hereunder) will be recognized unless agreed to by the Director of Human Resources and the Union.
8.5 Other Provisions

If the Director of Human Resources or City Manager, in pursuance of the procedures outlined above, resolves a grievance which involved suspension or discharge, they may agree to payment for lost time or to reinstatement with or without payment for lost time, but in the event the dispute is referred to arbitration and the arbitrator finds that the City had cause to take the action complained of, the arbitrator may not substitute his judgment for the judgment of management and if the findings are that the City had such right, the arbitrator may not order reinstatement and may not assess any penalty upon the City.

Complaints which allege the employee is not being compensated in accordance with the provisions of this Memorandum of Understanding shall be considered as grievances and processed pursuant to Section 8.3. Any other matters of compensation are to be resolved in the meeting and conferring process and if not detailed in the Memorandum of Understanding which results from such meeting and conferring process shall be deemed withdrawn until the meeting and conferring process is next open for such decision. No adjustment shall be retroactive for more than thirty (30) calendar days from the date upon which the complaint was filed.

Specified time limits may be modified only in writing. All appeals and responses must be provided in writing.

A grievant will be provided release time without loss of pay for all required meetings with management. The City cannot discriminate or retaliate in any manner against an employee for filing a grievance or exercising rights under this Section.

The provisions of this Section shall not abridge any rights to which an employee may be entitled under the Stockton Municipal Code and/or Civil Service Rules and Regulations, nor shall it be administered in a manner which would abrogate any power which, under the Stockton Municipal Code, may be within the sole province and discretion of the Civil Service Commission.

All grievances of employees in representation units represented by the Union shall be processed under this Section. If the Stockton Municipal Code and/or the Civil Service Rules and Regulations requires that a differing option be available to the employee, no action under paragraph (d) or (e) of Subsection 8.3 above shall be taken unless it is determined that the employee is not utilizing such option.
No action under paragraph (d) or (e) of Subsection 8.3 above shall be taken if action on the complaint or grievance has been taken by the Civil Service Commission or if the complaint or grievance is pending before the Civil Service Commission.

If any award by a Board of Adjustment or arbitrator requires action by the City Council or the Civil Service Commission before it can be placed in effect, the City Manager and the Director of Human Resources will recommend to the City Council or the Civil Service Commission, as appropriate, that it follow such award.

Section 9. Leaves

9.1 Vacation Leaves

(a) Vacation Allowance. All regular employees, excluding provisional and temporary shall accrue vacation leave with pay in accordance with the following schedule:

(1) Less than one and one-half (1-½) years continuous employment 80 hours/year.

(2) After one and one-half (1-½) to seven and one-half (7-½) years continuous employment 108 hours/year.

(3) After seven and one-half (7-½) to fifteen (15) years continuous employment 144 hours/year.

(4) After fifteen (15) to twenty-five (25) years continuous employment 189 hours/year.

Section 15. Salaries

15.1 Salary Rates
MEMORANDUM OF UNDERSTANDING (SUPERVISORY UNIT - MUNICIPAL UTILITIES DEPARTMENT)

There will be no increases to salary ranges during the term of this MOU.

The salary table for all employees in the aforementioned representation unit will be as set forth in Appendix "A," which is attached hereto and made a part hereof.

All salary rates hereby established and explained in other parts of section 15 shall no longer be fitted to the Stockton Salary Matrix as set forth in the City of Stockton Salary Schedule. Instead, all salary rates hereby established and explained in other parts of section 15 shall be assigned a fixed percentage of 5.00% between salary steps.

The rates of pay set forth in Appendix "A" do not include reimbursement for actual and necessary expenses for traveling, subsistence and general expenses authorized and incurred incident to City employment.

15.2 Salary upon Appointment

Except as herein otherwise provided, the entrance salary for a new employee entering the classified service shall be the minimum salary for the class to which appointed. When circumstances warrant, the Director of Human Resources may approve an entrance salary which is more than the minimum salary for the class to which an employee is appointed. Such a salary may not be more than the maximum salary for the class to which that employee is appointed.

15.3 Salary Equivalents

Any monthly, daily or hourly rate of pay may be converted into an equivalent rate of pay or to any other time bases when, in the judgment of the City Manager, such a conversion is advisable. In determining equivalent amounts on different time bases the City shall provide tables or regulations for the calculation of payment for service of less than full time, and for use in converting monthly salaries to hourly rates, as well as for calculating hourly rates. Overtime rate and premium pay shall be calculated according to the provisions of the Fair Labor Standards Act.

15.4 Salary Step Plan

There shall be six (6) salary steps in each range.

The first step shall be the minimum rate and shall be the normal hiring rate for the class. (In a case where a person possesses unusual qualifications, the
MEMORANDUM OF UNDERSTANDING (SUPERVISORY UNIT – MUNICIPAL UTILITIES DEPARTMENT)

Director of Human Resources may authorize appointment above the first step after receiving the recommendation of the department head. The same provision shall apply to hourly paid and part-time employees.

If a department head recommends to withhold increases to salary steps two (2) through six (6) because an employee has not achieved the level of performance required, notice must be received by the Human Resources Department at least four (4) weeks in advance of the employee’s eligibility date. The affected employee shall be furnished a copy of the department head’s recommendation. Failure to abide by the above four-week limitation shall not automatically cause a step increase to be granted; however, if an employee does not receive notice by the actual anniversary date, the increase shall be automatically granted.

The second step shall be paid upon the satisfactory completion of six (6) months service at the first step.

The third step shall be paid upon the satisfactory completion of one (1) year service at the second step.

The fourth step shall be paid upon the satisfactory completion of one (1) year service at the third step.

The fifth step shall be paid upon the satisfactory completion of one (1) year service at the fourth step and upon written recommendation of the department head.

The sixth step shall be paid upon the satisfactory completion of one (1) year service at the fifth step and upon written recommendation of the department head.

Regardless of an employee’s length of service, step advancements in any given class may be made upon recommendation of the department head with the approval of the Director of Human Resources, but not above Step No. 6 for a given range.

Salary step increases shall be effective the first day of the pay period following appointment or revision. If the date of appointment or revision is the first day of a pay period, salary step increases shall be as of that date.

Changes in an employee’s salary because of promotion, demotion, postponement of salary step increase or special merit increase will set a new salary anniversary date for that employee, which date shall be as stated in the
preceeding paragraph.

Salary range adjustments for a classification will not set a new salary anniversary date for employees serving in that classification.

15.5 Salary Step after Military Leave

All employees who have been granted military leave shall, upon their return to the City service, be entitled to the automatic salary advancements within the range of their classification for the period they were in the military service.

15.6 Salary Step When Salary Range is Increased

Whenever the monthly schedule of compensation for a class is revised, each incumbent in a position to which the revised schedule applies shall be entitled to the step in the revised range which corresponds to the employee's step held in the previous range, unless otherwise specifically provided for by the Director of Human Resources.

15.7 Salary Step after Promotion or Demotion

(a) When an employee is promoted from a position in one class to a position in a higher class, and at the time of promotion is receiving base salary equal to, or greater than, the minimum rate for the higher class, that employee shall be entitled to the next step in the base salary of the higher class which is a minimum of five percent (5.0%) above the employee's current salary, except that the next step shall not exceed the maximum salary of the higher class.

(b) When an employee is demoted, whether such demotion is voluntary or otherwise, that employee's compensation shall be adjusted to the salary prescribed for the class to which demoted.

(1) If the salary of the employee is reduced for cause or disciplinary reasons, the employee shall receive the salary at the same step prior to promotion.

(2) If the salary of the employee is reduced through no fault of the employee (i.e., layoff), the salary at demotion shall be at the nearest lower salary to that which was received prior to the demotion.

15.8 Transfer

CITY OF STOCKTON
MEMORANDUM OF UNDERSTANDING (SUPERVISORY UNIT – MUNICIPAL UTILITIES DEPARTMENT)

An employee may be transferred from a class in one department, or to a position of the same class in another department, or to a comparable class, with the approval of both the employee and Department Heads. In the case of a comparable class, the employee must be qualified, as determined by the Director of Human Resources. The Director of Human Resources, in making such a determination, must assure that the maximum salary rate for the classes in question must be equal to or less than the employee’s current top step salary, and shall consider, among other things, whether the employee possesses the minimum qualifications for such class, and is able to demonstrate through education, experience, or successful completion of pertinent tests, that he/she is qualified for the transfer. If the transfer involves a change from the jurisdiction of one appointing authority to another, both must consent thereto.

15.9 Salary on Reinstatement

If a former employee is reinstated in the same position previously held or to one carrying a similar salary range, the employee’s salary shall not be higher than the salary at the time of separation unless there has been an increase within the salary range.

If a former employee is reinstated to a position in a lower class, the employee’s salary shall be set at the same step previously held, but in the pay range of the lower classification.

15.10 "Y" Rate

When an employee’s classification is changed to a lower paid classification as the result of a classification study or other action, the employee may be placed on a "Y" rate. A "Y" rate means that the monthly compensation for the employee shall remain in effect until such time as further changes in the pay range of the new classification exceeds the "Y" rate.

15.11 Acting Pay

Any employee in this unit who is assigned by a supervisor to work in a higher paid classification for two (2) or more hours in one (1) day, shall receive the rate of pay in the step of the higher classification which would have been received if the employee had been promoted into that classification, or at least five percent (5%) more than the employee’s salary in the present classification, whichever is greater. Out-of-class assignment pay during overtime status will commence at the first hour worked.
15.12 **Special Assignment Pay**

The department head with the concurrence of the Director of Human Resources may approve additional compensation in an amount not to exceed one additional salary step when an employee is assigned in writing by the supervisor to perform additional duties and responsibilities for the duration of the special assignment.

15.13 **Special Certification Pay**

Water Operations Supervisor who possesses a Distribution Operator Certificate issued by the California Department of Health Services shall receive an additional three percent (3.0%) of base pay.

15.14 **Salary Adjustments**

The City recognizes that there may be a need for special salary adjustments for selected classifications as a result of recruitment problems, reclassifications, and/or organizational changes. The City, in its sole discretion, may make such adjustments, but agrees to discuss with the Supervisory Unit.

15.15 **Work Furloughs**

(a) **96 Furlough Hours in Fiscal Year 2011-2012.** Each bargaining unit employee shall take ninety six (96) furlough hours (leave from work without pay).

(b) **Equalized Payroll Deductions.** Payroll deductions for the ninety six (96) furlough hours described in section 10.4, paragraph (a) above shall be equalized so that each bargaining unit employee shall have a deduction representing a per pay period reduction of 4.62%. Since this agreement was not reached by July 1, 2011, the 4.62% will be increased to include the additional amount needed to ensure an annualized savings of the 4.62%.

(c) **Furlough Bank.** Employees must use the 96 hour furlough bank by June 30, 2012 or forfeit the furlough bank. The Furlough bank has no cash value and any furlough hours deducted and banked but not taken off by June 30, 2012 shall be forfeited by the employee.

(d) Furlough hours will be counted as time worked for purposes of overtime.

(e) If a furlough is scheduled before or after a City holiday, the employee will, nevertheless, be eligible for holiday pay.
(f) **Separation from City Service before June 30, 2012.** Any employee who separates from City service before the final 4.68 hour furlough deduction on July 7, 2012 for the pay period ending June 30, 2012, and after having used furlough hours, shall have his or her final compensation reduced by the sum of the number of furlough hours the employee has actually used minus the number of furlough hours actually deducted from the employee’s pay warrants multiplied by the employee’s regular hourly rate of pay.

**Section 16. Severability of Provisions**

In the event that any provision of this Memorandum of Understanding is declared by a court of competent jurisdiction to be illegal or unenforceable that provision of the Memorandum of Understanding shall be null and void but such nullification shall not affect any other provisions of this Memorandum of Understanding, all of which other provisions shall remain in full force and effect.

In the event that Federal legislation changes the current applicability of the Fair Labor Standards Act, both parties agree to consult and/or confer on the impacts of such legislation to the extent required by law.

**Section 17. Past Practices and Existing Memoranda of Understanding**

Continuance of working conditions and practices not specifically authorized by ordinance or by resolution of the City Council is not guaranteed by this Memorandum of Understanding.

This Memorandum of Understanding shall supersede all existing Memoranda of Understanding between the City and the Union.

**Section 18. Scope of Agreement**

Except as otherwise specifically provided herein, this Memorandum of Understanding including Appendices “A” and “B”, which are attached to this Agreement and by this reference incorporated herein, and fully and completely incorporates the understanding of the parties hereto and constitutes the sole and entire agreement between the parties on any and all matters subject to meeting and conferring. Neither party shall, during the term of this Memorandum of Understanding, demand any change therein nor shall either party be required to negotiate with respect to any matter; provided that nothing herein shall prohibit the parties from changing the terms of this Memorandum of Understanding by mutual agreement.
Section 19. Duration of Agreement

This Memorandum of Understanding shall be effective the date of execution, through June 30, 2012.

Section 20. Maintenance of Operations/City Rights

(a) It is recognized that the need for continued and uninterrupted operation of City services is of paramount importance. Therefore, the Union and each employee represented thereby agrees that from the date of execution, through exhaustion of the impasse process/mediation/fact finding as set forth in the Employer/Employee Relations Resolution, the Union or any person acting in its behalf, or each employee in a classification represented by the Union, shall not cause, authorize, engage in, encourage, or sanction a work stoppage, slowdown, refusal of overtime work, refusal to operate designated equipment (provided such equipment is safe and sound), or picketing, other than informational picketing, against the City or the individual or concerted failure to report for duty or abstinence from the full and faithful performance of the duties of employment, including compliance with the request of another labor organization or bargaining unit to engage in such activity in an attempt to induce a change in wages, hours, and other terms and conditions of employment.

(b) An employee shall not be entitled to any wages or City paid benefits whatsoever if the City Council, by majority vote, determines to its satisfaction, that the employee is, or has, engaged in any activity prohibited by subsection (a) of this Section. The City may take other action which it deems appropriate.

(c) If the City Council, by majority vote, determines to its satisfaction, that subsection (a) of this Section has been violated by the Union, the City may take such remedial action as it deems appropriate.

(d) The Union recognizes the duty and obligation of its representatives and members to comply with the provisions of this Memorandum of Understanding and to make every effort toward inducing all employees in this unit to fully and faithfully perform their duties. In the event of any activity prohibited by subsection (a) hereinabove, the Union agrees to take supererogatory steps necessary to assure compliance with this Memorandum of Understanding.

The rights of the City as set forth in Section 5 of Resolution No. 32,538, dated August 4, 1975, are incorporated herein by reference.

CITY OF STOCKTON
MEMORANDUM OF UNDERSTANDING (SUPERVISORY UNIT – MUNICIPAL UTILITIES DEPARTMENT)
TO: Mayor and City Council

FROM: Teresia Haase, Director of Human Resources

SUBJECT: MEMORANDUMS OF UNDERSTANDING BETWEEN THE CITY OF STOCKTON AND OPERATING ENGINEERS’ LOCAL 3 UNITS: OPERATIONS AND MAINTENANCE UNIT, TRADES AND MAINTENANCE UNIT AND SUPERVISORY UNIT MUNICIPAL UTILITIES DEPARTMENT

RECOMMENDATION

It is recommended that the City Council adopt by motion the attached Memorandums of Understanding (MOUs), effective July 1, 2012 and expiring June 30, 2013, regarding salary, benefits and other terms and conditions of employment for the Operating Engineers’ Local 3 (OE3) bargaining units of: 1) Operations and Maintenance Unit; 2) Trades and Maintenance Unit; and 3) Supervisory Unit Municipal Utilities Department.

These Memoranda of Understanding shall supersede all previous Memorandums of Understanding for their respective bargaining units, as well as the Pendency Plan that was adopted on June 26, 2012.

City Council shall authorize the City Manager to execute these Memoranda of Understanding between the City of Stockton and Operating Engineers’ Local 3 bargaining units. This action also authorizes the City Manager to take whatever actions are appropriate to carry out the implementation of these Memoranda of Understanding.

Summary

Representatives of the City have met and conferred with representatives of the OE3 bargaining units on new Memorandums of Understanding (MOU) for each of the three separate units. These new MOUs become effective on July 1, 2012 and each has a term of one year, expiring June 30, 2013. These MOUs include proposed reductions in compensation and benefits due to the City of Stockton’s fiscal shortfalls and chapter 9 bankruptcy filing. These MOUs supersede each of the previously adopted Memorandums of Understanding and the Pendency Plan adopted by the Council on June 26, 2012 for these units. These new MOUs also supersede all previous side letters and resolutions not included in the new MOUs.
DISCUSSION

Background

The City has had substantial fiscal shortfalls over the past several years. In 2009, 2010 and 2011, the three separate Operating Engineers' Local 3 bargaining units agreed to both permanent and temporary concessions for employees in their respective units to assist the City in balancing its budget. Beginning in 2012, the City and representatives of OE3 participated in AB 506 mediation with the goal of reaching an agreement on reducing costs to the City. The participants worked very hard during the AB506 mediation process to fully explain and understand the City's financial status, however, the mediation process did not result in agreements with creditors that produced savings sufficient to allow the City to avoid filing for protection under Chapter 9 of the Bankruptcy Code prior to the commencement of FY 2012/2013.

On June 26, 2012, after taking public testimony, the City Council adopted a final budget for Fiscal Year 2012/2013 as a Pendency Plan budget. It also adopted as part of its Pendency Plan, changes in compensation and conditions of employment for each of the OE3 units in order to adjust expenditures to available revenues. The City filed for chapter 9 bankruptcy protection on June 28, 2012.

The hard work and good faith efforts of the OE3 units and the City to negotiate new Memorandums of Understanding and to find solutions that began in the AB506 mediation process continued after the June 26, 2012 expiration of the 90-day AB506 mediation period, with the result being the ratified agreements before you tonight.

Present Situation

The City and OE3 representatives on behalf of its three bargaining units have met and conferred, and reached tentative agreement on new Memorandums of Understanding, each with a term of July 1, 2012 through June 30, 2013. The City has been notified that members of each of the OE3 bargaining units have voted and ratified their tentative agreement. These MOUs are presented to Council for consideration and adoption. If adopted, these MOUs and their provisions will supersede all previous Memoranda of Understanding and will also supersede the Pendency Plans for these three OE3 units adopted by the Council on June 26, 2012.

The major changes in these three new Memoranda of Understanding are summarized as follows:
MEMORANDUMS OF UNDERSTANDING BETWEEN THE CITY OF STOCKTON AND OPERATING ENGINEERS’ LOCAL 3 UNITS: OPERATIONS AND MAINTENANCE UNIT, TRADES AND MAINTENANCE UNIT AND SUPERVISORY UNIT MUNICIPAL UTILITIES DEPARTMENT

(Page 3 of 4)

1. Implementation of a 62 hour employee furlough for FY 2012/2013;
2. Agreement to various reductions in vacation and sick leave benefits (Trades and Maintenance Unit);
3. Agreement to changes in holiday leave time and benefits, also limiting the value of holidays to 8 hours;
4. Agreement to the elimination of City paid salary supplement for employees on workers compensation leave (Trades and Maintenance Unit);
5. Phase out and then elimination of Longevity Pay for employees in these units over the next year;
6. Reduction of benefit value of City paid Life insurance to $50,000;
7. Increase in the disability waiting period benefit for employees to file for City paid long term disability insurance from 30 days to 90 days;
8. Elimination or reduction of the cash out of unused sick leave upon separation;
9. Changes in management of sick leave use by employees;
10. Various changes to standby pay, call back pay and overtime paid to employees, including changing the calculation of overtime eligibility to Federal Fair Labor Standards Act (FLSA) minimum standards;
11. Elimination of dual coverage in City medical plans for employees and retirees, and other medical plan changes in retiree plans;
12. Reduction and then elimination of City paid retiree medical benefits for existing employees over the next fiscal year;
13. Elimination of City contribution to a Retiree Medical Trust that applies to some employees in the Trades and Maintenance Unit;
14. OE3 Units agreement to release and waive all claims in bankruptcy and agreement to support the City’s Plan of Adjustment.

FINANCIAL SUMMARY

Implementation of these three Memorandums of Understanding as recommended will result in approximately $65,670 of General Fund savings and $615,789 in non-general fund programs savings specific to these units compared to the previous MOUs and/or any concessions agreed to under declaration of fiscal emergency in Fiscal Year 2012/2013. Part of these savings represent the OE3 agreements to incorporate reductions imposed in prior years and changes approved in the Pendency Plan in their MOUs. To reach mutual agreement between the parties some elements of the Pendency Plan have been modified by the MOUs.

The reduction of unpaid furloughs from 96 to 62 hours and minor adjustments made to longevity pay were part of the negotiations that resulted in a ratified agreement, and are included in all the negotiated agreements before your Council tonight. These
adjustments will result in a reduction in the cost savings contemplated under the Pendency Plan for all units reaching agreement as of July 12, 2012 in the amount of $1,354,000, of which $442,000 relates to the General Fund.

Funding of General Fund costs for these changes from the Pendency Plan will come primarily from reductions in subsidies from the General Fund to funds that benefit from the savings in these MOUs, like Library and Recreation and from savings in programs that have received grant awards like peacekeepers. Staff will bring forward a detailed budget amendment item when all MOUs now in negotiation are presented for City Council action in August. That budget adjustment will confirm that compensation and benefit reductions imposed in the Pendency Plan are now part of labor agreements and will provide funding for adjustments in the Pendency Plan needed to implement the term of the agreements.

Respectfully submitted,

Section 1. Recognition

Operating Engineers’ Local 3, AFL-CIO, hereinafter referred to as the "Union," is the recognized employee organization for the Water Supervisory Unit, certified pursuant to Resolution No. 08-0143, adopted by the City Council on April 15, 2008.

Section 2. Union Security

2.1 Dues Deduction

(a) General. The Union may have the regular dues of its members within the representation unit deducted from employees’ paychecks under procedures prescribed by the City for such deductions. The Union has the exclusive privilege of dues deduction for its members.

Authorization, cancellation or modification of payroll deductions shall be made upon forms provided or approved by the City. The payroll deduction authorization shall remain in effect until canceled or modified by the employee by written notice to the City or until the first day of the calendar month following the transfer of the employee to a unit represented by another employee organization as the representative of the unit to which the employee is assigned, or until employment with the City is terminated.

Additional authorization shall not be required for deduction of increased membership dues when such increase has been duly approved by the membership of the Union. Notification of such approval shall be forwarded to the City in the form of written notice on official Union letterhead and signed by the duly authorized Union official. Upon receipt of notification, the City shall authorize the payroll deduction of the increased amount.

If an employee is promoted to a position which is represented by another employee organization or to an unrepresented unit, membership dues for the former unit will not be deducted from the employee’s paycheck by the City.

Amounts deducted and withheld by the City shall be transmitted to the officer designated in writing by the Union as the person authorized to receive such funds, at the address specified.

In addition to the deduction of dues, the City will deduct from the paychecks of Union members who request it, premiums for group insurance and investment plans sponsored by the Union. Such deductions shall be made in one lump sum
and only upon signed authorization from the employee upon a form satisfactory to the City.

The employee’s earnings must be sufficient after all other required deductions are made, to cover the amount of the deductions herein authorized. When an employee is in a non-pay status for an entire pay period, no withholdings will be made to cover that pay period from future earnings nor will the employee deposit the amount with the City which would have been witheld if the employee had been in pay status during that pay period. In the case of an employee who is in a non-pay status during a part of the pay period, and the salary is not sufficient to cover the full withholding, no deduction shall be made.

In this connection, all other required deductions have priority over the employee organization deduction.

(b) Indemnity and Refund. The Union shall indemnify, defend and hold the City harmless against any claim made and against any suit initiated against the City on account of check off of Union dues or premiums for benefits. In addition, the Union shall refund to the City any amounts paid to it in error upon presentation of supporting evidence.

2.2 Agency Fee

(a) Employee Rights

(1) The City and the Union recognize the right of employees to form, join, and participate in lawful activities of employee organizations and the equal, alternative right of employees to refuse to form, join and participate in employee organizations. Neither party shall exert pressure upon or discriminate against an employee in the exercise of these alternative rights.

(2) Accordingly, membership in the Union shall not be compulsory. A unit member has the right to choose, either: to become a member of the Union; or, to pay to the Union a fee for representation services; or, to refrain from either of the above courses of action upon the grounds set forth in Section (f) below.

(b) Unit Members’ Obligation to Exclusive Representative

(1) A bargaining unit member who does not fall within one (1) of the exempted categories as set forth in Section (f) below, and who has not
WATER SUPERVISORY UNIT SUCCESSOR MOU
Term: July 1, 2012 – June 30, 2013

voluntarily made application for membership in the Union within the sixtieth (60) day following the date upon which said employee has been formally hired by the City as a bargaining unit employee, must as a condition of continued employment in the City pay to the Union a representation fee, in exchange for representation services necessarily performed by the Union in conformance with its legally imposed duty of fair representation on behalf of said unit member who is not a member of the Union.

(2) In the event that a unit member does not become a member of the Union or pay such fee directly to the Union, the City shall begin automatic payroll deduction. There shall be no charge to the Union for such mandatory agency fee deductions.

(3) Prior to beginning such automatic payroll deduction, the Business Representative of the Union will certify to the City in writing that the employee whose pay is to be affected by the deduction has: 1) refused to join the Union; and 2) has refused to tender the amount of the agency fee as defined herein; and 3) has not applied for an exemption under Section (f) herein. In addition the Union must also certify that it has provided the employee with a copy of the fee verification required by Section (e) herein.

(c) Definition of Agency Fee

(1) The agency fee collected pursuant to Section (b) above from unit members who are not members of the Union shall be an amount not to exceed the standard initiation fee, periodic dues and general assessments of the Union for the duration of this Agreement, minus any amount which is prohibited by the Constitution because such funds pay for political or ideological purposes not related to collective bargaining.

(2) Any dispute as to the amount of the representation fee shall be resolved pursuant to the provisions of Section (h) herein.

(d) Exceptions. Unit members on leave without pay and unit members who are in laid-off status shall be exempt from these provisions herein; except that the election as to membership or payment of a fee as set forth herein must be exercised within the first ten (10) work days upon return to paid status.

(e) Annual Verification of Agency Fee by the Union. Prior to January 31, of each year and before the collection of an agency fee from any unit
member pursuant to these provisions herein, the Union shall submit a written certification to the fee payers verifying that the total amount of its representation fee conforms to Section (c) above, and itemizing all component parts of such fee which shall provide an adequate explanation for the basis of the fee. Each year such amount shall be verified and submitted in writing to the fee payers by the Union prior to January 31st. The Union will submit a copy of such verification to the Director of Human Resources of the City. The parties agree that such annual verification is a condition precedent to the collection by either the City or the Union of a representation fee from a unit member.

(f) **Employees Exempted From Obligation to Pay Union**

(1) Any unit member shall be exempt from the requirements of Section (b) above, if such employee has a bona fide religious objection as defined by Section 3502.5 of the Government Code to the payment of any fee in support of a Union or "employee organization" as defined in Section 3540.1(d) of the Government Code.

(2) Such exempt unit member shall, as an alternative to payment of a representation fee to the Union, pay an amount equivalent to such representation fee to:

   a. United Way.
   b. American Cancer Society.
   c. Any charity jointly agreed in writing by the parties.

(3) If a unit member desires to be exempted for reasons set forth in Section (f) herein, the unit member must first request such exemption in writing from the Union setting forth briefly the rationale for the exemption. If the Union notifies the unit member in writing that the Union will not honor the request, then the matter shall be referred automatically to a panel for determination according to the procedure set forth below. The panel shall be composed of one (1) person selected by the Union, one (1) person selected by the unit member, and an arbitrator selected by the parties chosen from a list submitted by the State Conciliation Service. If either one or both parties fail to nominate a panel member, the process of hearing will continue without that party's panel member.

(4) The panel shall first receive arguments and evidence from the unit member requesting the exemption. Thereafter the Union may present any arguments or evidence. The proceedings shall be conducted in an
WATER SUPERVISORY UNIT SUCCESSOR MOU
Term: July 1, 2012 – June 30, 2013

informal manner, and the rules of evidence will not apply. The arbitrator shall act as chair and rule on all matters before the panel with the exception of the final determination of the panel. The panel shall prepare a written decision within fifteen (15) calendar days of the completion of the hearing which shall be final and binding upon the parties. Any expenses of the panel shall be borne by the parties incurring them.

(5) Upon receipt of the decision of the panel, the City shall release any funds held in escrow to the Union or to the charity. Any decision by the panel shall apply for the duration of this Memorandum of Understanding.

(6) In addition, the Union may require such exempt unit member to submit proof of payment of an amount equivalent to such representation fee to one (1) of the alternative funds or organizations listed above. If the bargaining unit member has not provided payment, the City will institute deductions pursuant to Section (b)(2), and forward such monies to a charity listed in Section (f)(2).

(7) Such payments shall be made on or before January 31, of each year or no more than thirty (30) days after commencing duties for any newly hired employee.

(g) Escrow Account. If any unit member either disputes the amount of the fee or disputes whether or not an exemption was appropriately denied, the City shall deposit the fee which was deducted and place such amount into a special escrow account established by the Union for such purposes.

(h) Procedure for a Unit Member Who Contests the Amount of the Fee

(1) The parties agree that in order to provide a uniform definition of the representation fee, any disputes involving the amount of such fee shall be referred to the Union's procedure for determination, provided that the parties have first complied with the other provisions of this Section.

(2) The Union shall notify the City in writing within twenty (20) days after it becomes aware that any employee disputes the amount of the fee.

(3) The Union will verify in writing to the City that all of the conditions of Section (b)(3) have been met prior to the City's initiation of the fee deductions set forth in Section (b)(2). Thereafter, the City will notify the affected employee in writing that such deductions will commence and a
WATER SUPERVISORY UNIT SUCCESSOR MOU
Term: July 1, 2012 – June 30, 2013

copy of the Union's written verification will be attached to the City's notice. Thereafter, the City will begin the deductions.

The monies held in escrow shall be released to the appropriate party upon the rendering of a final decision by the Union's internal procedure.

(i) Payment Method/Payroll Deduction

(1) A unit member may voluntarily sign and deliver to the City a written assignment authorizing deduction of the properly established representation fee as defined in Section (c) above, subject to the conditions set forth elsewhere in this agreement for payroll deductions, or the amount of the fee will be deducted automatically in accordance with Section (b)(2) herein.

(2) The City is under no obligation to make payroll deductions for the periods during which a unit member is either terminated from active employment, or not on the City's active payroll for any reason, including, but not limited to, layoff and voluntary leave of absence for more than thirty (30) days.

(3) Upon the rehiring of any unit member, or upon the recalling of any unit member from layoff status, the City will resume or initiate dues deductions for such unit member.

(j) Obligations of Parties

(1) City's Obligations. The City's obligation under this Article is to notify any unit member who has failed to comply with the provisions of this Section that, as a condition of continued employment with the City, such unit member must become an Union member, or pay a representation fee, or establish an exemption status and make payment pursuant to provisions of Sections (b) and (f) of this Agreement. Under no circumstances shall the City be required to dismiss or otherwise discipline any unit member for failure to fulfill their obligations to pay the fees established herein.

(2) Union's Obligations. Except as specified herein, the Union and not the City, shall be responsible for requiring unit members to fulfill obligations defined herein. It is the obligation of the Union to collect any representation fees which may be due and payable to the Union in consideration for its services as the exclusive representative of unit employees.
(k) **Hold Harmless Provision.** The Union shall hold the City harmless, and shall fully and promptly reimburse the City for any fees, costs, charges or penalties incurred in responding to or defending against any claims, disputes, challenges, whether formal or informal, which are actually brought, or attempted or threatened to be brought, against the City or any of its agents, or employees, in connection with the interpretation, application, administration or enforcement of any Section of this Agreement pertaining to representation fee. Such reimbursement shall include, but not be limited to, court costs, litigation expenses, and attorney’s fees incurred by the City. The City shall have the right to be represented by its own attorney in any action in which it is a named party to the action. Disputes over the amount of reimbursement shall be automatically submitted to the arbitration provisions of this Memorandum, Section 8.3(e).

2.3 **Use of City Facilities**

(a) The Union shall be allowed by the City department in which it represents employees' use of space on available bulletin boards for communications having to do with official Union business, such as times and places of meetings, provided such use does not interfere with the needs of the department. The Union may submit to the City Employee Relations Officer written communications having to do with official Union business for distribution by the City to identified shop stewards. Distribution may be by e-mail.

(b) Any representative of the Union shall give notice to the department head or designated representative when contacting department employees on City facilities during the duty period of the employees, provided that solicitation for membership or other internal Union business shall be conducted during the non-duty hours of all employees concerned. Pre-arrangement for routine contact may be made with individual department heads and when made shall continue until revoked by the department head.

(c) City buildings and other facilities may be made available for use by City Employees of the Union or their representatives in accordance with such administrative procedures as may be established by the City Manager or department heads concerned.
2.4 **Advance Notice**

Except in cases of emergency, reasonable advance written notice shall be given to the Union if affected by any ordinance, resolution, rule or regulation directly relating to matters within the scope of representation proposed to be adopted by the City and shall be given the opportunity to negotiate if requested with the designated management representatives prior to adoption.

In cases of emergency when the foregoing procedure is not practical or in the best public interest, the City may adopt or put into practice immediately such measures as are required. At the earliest practicable date thereafter the Union shall be provided with the notice described above and be given an opportunity if requested to negotiate changes to said notice with the management representatives designated by the City Manager.

2.5 **Attendance at Meetings by Employees**

City employees who are official representatives or unit representatives of the Union shall be given reasonable time off with pay to attend meetings with City management representatives, or where matters within the scope of representation or grievances are being considered. Such employee representatives shall submit a request for excused absence to their respective department heads, in a manner satisfactory prior to the scheduled meeting whenever possible. Time spent for these purposes while a representative is not scheduled to work shall not be compensated by the City and shall not be considered as hours worked. Except by mutual agreement the number of the employees excused for such purposes shall not exceed three (3) per recognized bargaining unit.

2.6 **Maintenance of Membership**

All employees in the Supervisory Unit who are members of the Union, tendering periodic dues at the execution of this agreement, and all employees who thereafter become members of the Union shall, as a condition of employment, pay dues to the Union for the duration of this Memorandum of Understanding, and each year thereafter. For a period of thirty (30) days prior to January 1, 2009 and thirty (30) days prior to any January 1, thereafter, any employee in the aforementioned unit who is a member of the Union shall have the right to withdraw from the Union discontinuing dues payments and retain employment in the City, subject to provisions of Section 2.2. **Agency Fee.** Said withdrawal shall be communicated by the employee in writing to the City. The provisions of this
section shall be operative only to the extent that they are permissible under California law.

2.7 Assignment of Classifications

New job classifications established by the City shall be assigned to the bargaining unit pursuant to Section 8 (b) of the City’s Employer-Employee Relations Resolution after providing notice and the opportunity to consult with the Union regarding such matters.

2.8 Contract Ratification

Ratification votes for Contract will be handled on city time during the day.

Section 3. Compliance with Federal Laws/Safety

3.1 Non-Discrimination. The City and the Union agree that there shall be no discrimination of any kind because of age (over 40), race, creed, color, religion, national origin, (ancestry), veterans status, physical or mental disability, marital status, sexual orientation, sex (sexual, gender based, pregnancy/childbirth), political affiliation or legitimate union activity or on any other basis prohibited by applicable federal and State law against any employee or applicant for employment.

3.2 Fair Labor Standards Act. The Union agrees to cooperate with the City to insure its members' compliance with the provisions of the Fair Labor Standards Act.

3.3 Safety. The Union shall cooperate with the City in promoting safety objectives as defined in Federal, State and local regulations by actively supporting safety programs, promoting safe work habits of members and encouraging an ongoing, active participation by its members in safety related procedures and practices as offered and promulgated by the City of Stockton.

Section 4. Probation

4.1 Purpose

The probationary period shall be utilized for closely observing the employee's work, for securing the most effective adjustment of a new employee to a position, and for rejecting any probationary employee whose performance does not meet the required standards of work.
4.2 Original Entrance and Promotional Positions

All original and promotional appointments shall be subject to a probationary period of six (6) months. The probationary period may be extended up to an additional six (6) months in those cases where the appointing authority and the Director of Human Resources agree that such extension would be beneficial to the employee and the City.

4.3 Retention/Rejection of Probationer

At the end of the probationary period, if the service of the probationary employee has been satisfactory to the appointing authority, then the appointing authority shall file with the Director of Human Resources a statement in writing to such effect and stating that the retention of such employee in the service is desired. The City will make a good faith effort to notify a probationary employee two (2) weeks before the end of the probationary period whether or not regular status is granted; however, a failure on the part of the appointing authority to file such a statement at the end of the probationary period shall constitute a rejection of the probationer as defined in Civil Service Rules.

During the probationary period an employee may be rejected at any time by the appointing authority. Any employee rejected during the probationary period following a promotional appointment, shall be reinstated to the position from which promoted unless charges are filed and the employee is discharged in the manner provided in Section 7 of this Memorandum of Understanding and in the Civil Service Ordinance and Civil Service Rules, which are consistent therewith.

Section 5. Layoff

5.1 Layoff

Any employee may be laid off by an appointing authority in the event of the abolition of the employee's position by the City Council, or if a shortage of work or funds requires a reduction in personnel.

5.2 Layoff Scope

(a) Layoffs shall be within departments of the City.
(b) Departments of the City are defined as follows:

(1) Administrative Services
(2) City Attorney
(3) City Auditor
(4) City Clerk
(5) City Manager
(6) Community Development
(7) Community Services
(8) Economic Development
(9) Fire
(10) Human Resources
(11) Municipal Utilities
(12) Police
(13) Public Works

5.3 Notice of Layoff

The City will give advance written notice of at least one pay period to employees who will be laid off.

5.4 Precedence by Employment Status

(1) extra help or seasonal
(2) provisional
(3) temporary
(4) probationary

The following provisions shall apply in computing total continuous service:

1. Time worked in a regular or probationary status shall count as service.
2. Time spent on military leave shall count as service in the event the leave was taken subsequent to entry.

(b) Any employee in the Supervisory Unit who is laid off may complete a City employment application for any position currently staffed by a part time, provisional, or temporary employee. The Human Resources Department will evaluate the employment application. 5.5 Employee Options

Employees laid off shall have any of the following choices:

(a) Displacing the employee in the same department and in the same or clearly comparable classification as determined by the Director of Human Resources as having the least seniority in that classification. This option shall be exercised before any other option.

(b) Taking a voluntary demotion within the department to a classification in which the employee had prior regular status, thus displacing the employee working in the classification who has the least seniority in that classification.
5.6 Health and Welfare Benefits during Layoff

Regular employees who are laid off will have an option of maintaining their existing health and welfare benefits for thirty-six (36) months from the date of layoff, provided timely payments of the premiums by the employee are made to the City, according to City regulations, and provided the employee otherwise meets the requirements of Federal and State regulations.

Section 6. Reemployment

(a) The name of each employee who is laid off in accordance with Section 5. shall be placed at the head of the eligibility list for the class of positions which that employee held, and shall be given preference in filling vacancies in that class.

(b) An employee laid off in accordance with this Section shall be placed on the eligibility list or lists for any lower or comparable class or classes in the same department, provided that the appointing authority and the department head in charge of this lower or comparable class determine that the employee is competent to perform the duties thereof in strict accordance with the class specifications. This right of a laid off employee shall remain effective for two (2) years from the date of latest separation from the service. The employee shall not be placed on said eligibility list or lists without first submitting a written request. Employee’s place on said list or lists shall be at the head of the eligibility list for the class of positions for which qualified as hereinabove set forth and shall be given preference in filling vacancies except for those persons placed on said list or lists of reemployment in the same positions previously held. An employee who waives reemployment to a full time position three times shall have his/her name removed from this reemployment list unless mutually agreed to by the Department and employee. Upon certification for appointment to a new position never having been held by this employee, the probationary period must be completed as required in this Memorandum of Understanding.

Section 7. Discipline

Disciplinary action, including discharge, suspension, reduction in pay or demotion, may be taken against any employee for cause.

Upon the employee’s written request and department head’s approval, all written reprimands shall be removed from the employee’s official personnel file after a period of one (1) year, if there has been no reoccurrence of the infraction and the
employee has a good work record. Upon the employee's written request and department head's approval, all other disciplinary records shall be removed from the employee's official personnel file after two (2) years, if there has been no reoccurrence of the infraction and the employee has a good work record. 7.3 Provisions

The appointing authority may discharge, suspend or demote any employee in the classified service provided the Stockton Municipal Code provisions and the rules and regulations of the Civil Service Commission and any applicable provisions of law are followed. Such provisions allow the employee suspended, demoted or discharged to appeal such action. The employee may take only one (1) of the following actions:

(a) File no appeal.
(b) File an appeal with the Civil Service Commission within ten (10) calendar days of written notification of the action. (Such filing will foreclose use of the grievance procedure.)

(c) File a grievance as provided for in Section 8 within ten (10) calendar days of written notification of the action.

If the employee fails to do (b) or (c) above within the prescribed time frames, these rights will have been waived.

Section 8. Grievance Procedures

8.1 Definition

A grievance is any dispute which involves the interpretation or application of those rules, regulations and resolutions which have been, or may hereafter be, adopted by the City Council to govern personnel practices and working conditions, including such rules, regulations and resolutions as may be adopted by either the City Council or the Civil Service Commission to affect Memoranda of Understanding which result from the meeting and conferring process.

8.2 Filing Deadline

(a) No grievance involving demotion, suspension, discharge or other employment penalty will be entertained unless it is filed in writing with the Director of Human Resources within ten (10) calendar days of the time at which the affected employee received written notification of such action. All other grievances must be filed within thirty (30) calendar days from the time the employee knew or had reason to know of the facts giving rise to the grievance.

(b) With written consent of the Director of Human Resources or his/her designee and the Union Business Agent or his/her designee, time limits may be extended and/or Steps 1, 2 and/or 3 of the Grievance Procedure waived.

8.3 Grievance Processing

(a) Step 1 - Departmental Review. Any employee claiming to have a grievance may discuss the complaint with such management official in the department where employed as the department head may designate. If the issue is not resolved within the department within twenty (20) calendar days from the day of presentation or if the employee elects to submit the grievance directly to
the Union recognized as the representative of that employee's classification, or if the employee/Union official notifies the Director of Human Resources, in writing, that a grievance exists, the procedure hereinafter specified may be invoked.

(b) **Step 2 - Director of Human Resources Review.** If the employee is not satisfied with the response at level one, then the employee may appeal the grievance to the Director of Human Resources within twenty (20) calendar days of the receipt of written response at level one. Such appeal must state with particularity: 1) the specific policy, rule or provision which is alleged to have been violated; 2) the statement of facts comprising the violation; and 3) the requested remedy. The Union may file and process grievance(s) on behalf of the specifically named employee. The Director of Human Resources shall have twenty (20) calendar days in which to investigate the issues, meet with the complainant and attempt to reach a satisfactory resolution of the problem. No grievance may be processed under the following two (2) paragraphs which has not first been filed and investigated in accordance with this paragraph, except for the resolution of compensation complaints.

(c) **Step 3 - Arbitration.** If the parties are unable to reach a mutually satisfactory accord on the grievance at Step 2 within twenty (20) calendar days either the Union or the City may require that the grievance be referred to an impartial arbitrator mutually selected by the parties, or if the parties are unable to mutually agree, from a list of seven (7) arbitrators provided by the State Conciliation Service. The arbitrator shall be chosen by the alternative strike method, with first choice being determined by lot. The fees and expenses of the arbitrator and of a court reporter shall be shared equally by the Union and City. Each party, however, shall bear the cost of its own presentation, including preparation and post hearing briefs, if any.

(d) **Effect of Decision.** Decisions of arbitrators on matters properly before them shall be final and binding on the parties hereto except as provided otherwise herein.

8.4 **Scope of Arbitration**

(a) No arbitrator shall entertain, hear, decide or make recommendations on any dispute unless such dispute involves a position in a unit represented by the Union and unless such dispute falls within the definition of a grievance as set forth in paragraph 8.1.

(b) Proposals to add to or change this Memorandum of Understanding or written agreements or addenda supplementary hereto shall not be arbitrable and
no proposal to modify, amend or terminate this Memorandum of Understanding, nor any matter or subject arising out of or in connection with such proposal, may be referred to arbitration under this Section. No arbitrator selected pursuant to this Section shall have the power to amend or modify this Memorandum of Understanding or written agreements or addenda supplementary hereto or to establish any new terms or conditions of employment.

No changes in this Memorandum of Understanding or interpretations thereof (except interpretations resulting from arbitration proceedings hereunder) will be recognized unless agreed to by the Director of Human Resources and the Union.

8.5 Other Provisions

If the Director of Human Resources or City Manager, in pursuance of the procedures outlined above, resolves a grievance which involved suspension or discharge, they may agree to payment for lost time or to reinstatement with or without payment for lost time, but in the event the dispute is referred to arbitration and the arbitrator finds that the City had cause to take the action complained of, the arbitrator may not substitute his judgment for the judgment of management and if the findings are that the City had such right, the arbitrator may not order reinstatement and may not assess any penalty upon the City.

Complaints which allege the employee is not being compensated in accordance with the provisions of this Memorandum of Understanding shall be considered as grievances and processed pursuant to Section 8.3. Any other matters of compensation are to be resolved in the meeting and confering process and if not detailed in the Memorandum of Understanding which results from such meeting and confering process shall be deemed withdrawn until the meeting and confering process is next open for such decision. No adjustment shall be retroactive for more than thirty (30) calendar days from the date upon which the complaint was filed.

Specified time limits may be modified only in writing. All appeals and responses must be provided in writing.

A grievant will be provided release time without loss of pay for all required meetings with management. The City cannot discriminate or retaliate in any manner against an employee for filing a grievance or exercising rights under this Section.

The provisions of this Section shall not abridge any rights to which an employee may be entitled under the Stockton Municipal Code and/or Civil Service Rules
and Regulations, nor shall it be administered in a manner which would abrogate any power which, under the Stockton Municipal Code, may be within the sole province and discretion of the Civil Service Commission.

All grievances of employees in representation units represented by the Union shall be processed under this Section. If the Stockton Municipal Code and/or the Civil Service Rules and Regulations requires that a differing option be available to the employee, no action under paragraph (c) of Subsection 8.3 above shall be taken unless it is determined that the employee is not utilizing such option.

No action under paragraph (c) of Subsection 8.3 above shall be taken if action on the complaint or grievance has been taken by the Civil Service Commission or if the complaint or grievance is pending before the Civil Service Commission.

If any award by an arbitrator requires action by the City Council or the Civil Service Commission before it can be placed in effect, the City Manager and the Director of Human Resources will recommend to the City Council or the Civil Service Commission, as appropriate, that it follow such award.

On or before October 1, 2012, the Unions shall notify the City of whether they in fact are proposing to assume the provision of medical plans for employees and retirees. Should the City and unions in fact agree upon the unions administering their own plan, the terms of that assumption shall be established through meet and confer, as set forth in Appendix C. 14.4 Retirement Medical Allowance For Retirees Hired on or before June 30, 2011

(a) Eligibility. An eligible retiree and eligible dependent may be enrolled in a City offered medical plan either as a subscriber in a City offered medical plan or, as the dependent spouse/registered domestic partner or another eligible City employee/retiree, but not both. If an employee/retiree is also eligible to cover their dependent child, the child will be allowed to enroll as a dependent on only one employee or retiree’s plan (i.e., a retiree and his or her dependent cannot be covered by more than one City-offered health plan).
(b) City Contribution for the period of July 1, 2012 through June 30, 2013. The City shall provide to employees retiring from the City the following contribution towards the costs of retiree medical insurance from July 1, 2012 through June 30, 2013.

(7) Retirees may enroll themselves or their dependents at their own expense in City sponsored medical plans only (dental and vision are not offered to retirees). The City reserves the right to set benefit levels in medical plans for retirees and at it's exclusive option only provide fully insured plan choices to retirees for enrollment. The City reserves the right to discontinue inclusion of retirees in City sponsored medical plans at any time.

The parties have negotiated that employees may choose to enroll in one or more additional health plans instead of the City Modified Plan (including but not limited to Kaiser Senior Advantage).

This language sets forth the conditions in which current employees, when they retire from the City and otherwise qualify for a retiree medical benefit from the City as stated in Sections 14.3 and 14.4 of this MOU, may also choose to enroll in City sponsored alternative plans in the same manner as when they were employees, as well as retiree only medical plans. The following conditions shall apply:

(a) If an employee is in a City sponsored alternative plan at the time of retirement, the employee shall be allowed to continue in that Plan. Employees in the union sponsored plans authorized by the City at the time of retirement shall be allowed to continue in that Plan. (Operating Engineers units).

(b) Employees not in an alternative Plan at the time of retirement shall not be allowed to enroll in any alternative plan except that, any retiree may voluntarily enroll in a City sponsored retiree only Plan.

(a) The retiree selecting plans other than the City’s Modified Plan must agree that the City’s financial contribution to a premium payment for any other Plan shall not exceed the current contribution amount the City would pay if the retiree is enrolled in the City Modified Plan, and

(b) The individual retirees will be required to sign a form that indicates their agreement with these conditions.

The City reserves the right to eliminate these additional plans and the choice of multiple plans is not a vested right. Like the City Modified Plan, the City reserves the right to make plan design changes as necessary in these Alternative Plans.
14.6 Medicare Supplemental Coverage Requirements only

The City reserves the right to terminate reimbursement payments for Part A Medicare coverage, in which event the retiree will receive the City's modified medical plan which includes medical design changes effective September 1, 2011 as the primary health coverage, with the premiums for such coverage to be paid by the City. The coverage provided pursuant to this section shall apply to the retiree and his/her spouse.

Under the federal Health Care Reform Plan, sponsors may modify the medical benefits provided to retirees only. The City will modify its retiree health care plan to reflect the following:

If portions or the whole of the Federal Affordable Care Act is modified subsequent to the adoption of this memorandum of understanding, the City and the Water Supervisors Unit will meet and confer over any identifiable negotiable impact of those modifications.
WATER SUPERVISORY UNIT SUCCESSOR MOU
Term: July 1, 2012 – June 30, 2013

14.7 Elimination of Retiree Medical Benefits for Unit Members Hired on or after July 1, 2011

The City will not provide a retiree medical allowance, retiree medical supplement, a defined contribution, a retiree medical trust or any other retiree medical benefit for employees in this unit hired on or after July 1, 2011.

14.8 It is understood that the terms of this section, other than the terms covering the City’s contributions, may be superseded should the City and unions agree that the medical plans shall be administered by the Unions as set forth in section 14.1(h), above.

14.9 Nothing in this section shall be construed to create vested rights to benefits for employees or retirees after the expiration of this MOU.

Section 15. Salaries

15.1 Salary Rates

There will be no increases to salary ranges during the term of this MOU.

The salary table for all employees in the aforementioned representation unit will be as set forth in Appendix "A," which is attached hereto and made a part hereof.

The rates of pay set forth in Appendix "A" do not include reimbursement for actual and necessary expenses for traveling, subsistence and general expenses authorized and incurred incident to City employment.

15.2 Salary upon Appointment

Except as herein otherwise provided, the entrance salary for a new employee entering the classified service shall be the minimum salary for the class to which appointed. When circumstances warrant, the Director of Human Resources may approve an entrance salary which is more than the minimum salary for the class to which an employee is appointed. Such a salary may not be more than the maximum salary for the class to which that employee is appointed.

15.3 Salary Equivalents

Any monthly, daily or hourly rate of pay may be converted into an equivalent rate of pay or to any other time bases when, in the judgment of the City Manager,
such a conversion is advisable. In determining equivalent amounts on different time bases the City shall provide tables or regulations for the calculation of payment for service of less than full time, and for use in converting monthly salaries to hourly rates, as well as for calculating hourly rates. Overtime rate and premium pay shall be calculated according to the provisions of the Fair Labor Standards Act.

15.4 **Salary Step Plan**

There shall be six (6) salary steps in each range.

The **first step** shall be the minimum rate and shall be the normal hiring rate for the class. (In a case where a person possesses unusual qualifications, the Director of Human Resources may authorize appointment above the first step after receiving the recommendation of the department head. The same provision shall apply to hourly paid and part-time employees.)

If a department head recommends to withhold increases to salary steps two (2) through six (6) because an employee has not achieved the level of performance required, notice must be received by the Human Resources Department at least four (4) weeks in advance of the employee’s eligibility date. The affected employee shall be furnished a copy of the department head’s recommendation. Failure to abide by the above four-week limitation shall not automatically cause a step increase to be granted; however, if an employee does not receive notice by the actual anniversary date, the increase shall be automatically granted.

The **second step** shall be paid upon the satisfactory completion of six (6) months service at the first step.

The **third step** shall be paid upon the satisfactory completion of one (1) year service at the second step.

The **fourth step** shall be paid upon the satisfactory completion of one (1) year service at the third step.

The **fifth step** shall be paid upon the satisfactory completion of one (1) year service at the fourth step and upon written recommendation of the department head.

The **sixth step** shall be paid upon the satisfactory completion of one (1) year service at the fifth step and upon written recommendation of the department head.
Regardless of an employee's length of service, step advancements in any given class may be made upon recommendation of the department head with the approval of the Director of Human Resources, but not above Step No. 6 for a given range.

Salary step increases shall be effective the first day of the pay period following appointment or revision. If the date of appointment or revision is the first day of a pay period, salary step increases shall be as of that date.

Changes in an employee's salary because of promotion, demotion, postponement of salary step increase or special merit increase will set a new salary anniversary date for that employee, which date shall be as stated in the preceding paragraph.

Salary range adjustments for a classification will not set a new salary anniversary date for employees serving in that classification.

15.5 **Salary Step after Military Leave**

All employees who have been granted military leave shall, upon their return to the City service, be entitled to the automatic salary advancements within the range of their classification for the period they were in the military service.

15.6 **Salary Step When Salary Range is Increased**

Whenever the monthly schedule of compensation for a class is revised, each incumbent in a position to which the revised schedule applies shall be entitled to the step in the revised range which corresponds to the employee's step held in the previous range, unless otherwise specifically provided for by the Director of Human Resources.

15.7 **Salary Step After Promotion or Demotion**

(a) When an employee is promoted from a position in one class to a position in a higher class, and at the time of promotion is receiving base salary equal to, or greater than, the minimum rate for the higher class, that employee shall be entitled to the next step in the base salary of the higher class which is a minimum of five percent (5.0%) above the employee's current salary, except that the next step shall not exceed the maximum salary of the higher class.
(b) When an employee is demoted, whether such demotion is voluntary or otherwise, that employee's compensation shall be adjusted to the salary prescribed for the class to which demoted.

(1) If the salary of the employee is reduced for cause or disciplinary reasons, the employee shall receive the salary at the same step prior to promotion.

(2) If the salary of the employee is reduced through no fault of the employee (i.e., layoff), the salary at demotion shall be at the nearest lower salary to that which was received prior to the demotion.

15.8 Transfer

An employee may be transferred from a class in one department, or to a position of the same class in another department, or to a comparable class, with the approval of both the employee and Department Heads. In the case of a comparable class, the employee must be qualified, as determined by the Director of Human Resources. The Director of Human Resources, in making such a determination, must assure that the maximum salary rate for the classes in question must be equal to or less than the employee's current top step salary, and shall consider, among other things, whether the employee possesses the minimum qualifications for such class, and is able to demonstrate through education, experience, or successful completion of pertinent tests, that he/she is qualified for the transfer. If the transfer involves a change from the jurisdiction of one appointing authority to another, both must consent thereto.

15.9 Salary on Reinstatement

If a former employee is reinstated in the same position previously held or to one carrying a similar salary range, the employee's salary shall not be higher than the salary at the time of separation unless there has been an increase within the salary range.

If a former employee is reinstated to a position in a lower class, the employee's salary shall be set at the same step previously held, but in the pay range of the lower classification.
15.10 "Y" Rate

When an employee's classification is changed to a lower paid classification as the result of a classification study or other action, the employee may be placed on a "Y" rate. A "Y" rate means that the monthly compensation for the employee shall remain in effect until such time as further changes in the pay range of the new classification exceeds the "Y" rate.

15.11 Acting Pay

Any employee in this unit who is assigned by a supervisor to work in a higher paid classification for two (2) or more hours in one (1) day, shall receive the rate of pay in the step of the higher classification which would have been received if the employee had been promoted into that classification, or at least five percent (5%) more than the employee's salary in the present classification, whichever is greater. Out-of-class assignment pay during overtime status will commence at the first hour worked.

15.12 Special Assignment Pay

The department head with the concurrence of the Director of Human Resources may approve additional compensation in an amount not to exceed one additional salary step when an employee is assigned in writing by the supervisor to perform additional duties and responsibilities for the duration of the special assignment.

15.13 Special Certification Pay

Water Operations Supervisor who possesses a Distribution Operator Certificate issued by the California Department of Health Services shall receive an additional three percent (3.0%) of base pay.

15.14 Salary Adjustments

The City recognizes that there may be a need for special salary adjustments for selected classifications as a result of recruitment problems, reclassifications, and/or organizational changes. The City, in its sole discretion, may make such adjustments, but agrees to discuss with the Supervisory Unit.

15.15 Work Furloughs

(a) 62 Furlough Hours in Fiscal Year 2012-2013. Each bargaining unit employee shall take sixty-two (62) furlough hours (leave from work without pay).
(b) **Equalized Payroll Deductions.** Payroll deductions for the sixty-two (62) furlough hours described in section 15.15, paragraph (a) above, shall be equalized so that each bargaining unit employee shall have a deduction representing a per pay period reduction of 2.98%.

(c) **Furlough Bank.** Employees must use the 62 hour furlough bank by June 31, 2013 or forfeit the furlough bank. The furlough has no cash value and any furlough hours deducted and banked but not take off by June 30, 2013 shall be forfeited by the employee.

(d) Furlough hours will be counted as time worked for purposes of overtime.

(e) If a furlough is scheduled before or after a City holiday, the employee will, nevertheless, be eligible for holiday pay.

(f) **Separation from City Service before June 30, 2013.** Any employee who separates from City service before the final 2.98% furlough deduction on July 7, 2013 for the pay period ending June 30, 2013, and after having used furlough hours, shall have his or her final compensation reduced by the sum of the number of furlough hours the employee has actually used minus the number of furlough hours actually deducted from the employee’s pay warrants multiplied by the employee’s regular hourly rate of pay. Conversely, any employee who separates from City service before June 30, 2013, having suffered furlough deductions in excess of the actual number of furlough hours the employee has used, shall have his or her final compensation credited by like amount.

**Section 16. Severability of Provisions**

In the event that any provision of this Memorandum of Understanding is declared by a court of competent jurisdiction to be illegal or unenforceable that provision of the Memorandum of Understanding shall be null and void but such nullification shall not affect any other provisions of this Memorandum of Understanding, all of which other provisions shall remain in full force and effect.

In the event that Federal legislation changes the current applicability of the Fair Labor Standards Act, both parties agree to consult and/or confer on the impacts of such legislation to the extent required by law.

organization or bargaining unit to engage in such activity in an attempt to induce a change in wages, hours, and other terms and conditions of employment.

Appendix C. Union Proposal to Assume Administration of City Medical Plans

Union Proposal to Assume Administration of City Medical Plans (agreement between City and coalition representing all city Unions)

The City is supportive in concept of the unions taking over responsibility for providing medical insurance plan, and pledges its full cooperation in providing the necessary data to permit the Unions to assess the viability of such a plan. Acceptance of the plan by the City shall be subject to the following terms and conditions:

1. Such plan would not be City sponsored and the City would not have any responsibility for such plan including administration of the plan and client services, and unions/vendor will hold city harmless for any actions taken by vendor or union in its management of their plans. The City will pay its contributions for employee insurance coverage as set forth in individual MOUs and remit them to the plan administrator per any administrative agreement. City will process employee’s deductions and remit to vendor and such costs of providing this service is part of administrative expense to be paid by union per any agreement achieved pursuant to #12 below.

2. Plan participants to pay all administrative costs of the plan, including HR support and computer/data transfer/integration.

3. Such plan would include all city employees and eligible retirees. All plan enrollees would have same benefits, plan choices, eligibility, access to the network and premium costs and be treated in the same manner, provided, however, that retirees and active employees may remain in separate risk pools. The only exception would be for over age 65 retirees where plan benefits would be integrated with Medicare. In addition, the Union plan may discontinue Original Plan benefits for retirees.

4. The plan would be fully insured, such that all risks would be borne by the insuring company without the possibility of underfunding the benefit.

5. The Unions will not propose CalPERS medical plans.

6. Implementation shall be by January 1, 2013, provided the Unions provide at least 90 days notice to the City (i.e. not later than October 1, 2012).

7. The City will pay all run out claims from the Modified and Original medical plans with respect to any claim incurred prior to January 1, 2013, regardless of when
the claim is paid. The City shall make all reasonable efforts to insure that all claims received are processed timely during the claims run out period. If any funds remain in the ISF fund, the parties will meet to discuss the status of the funds.

8. It is understood that the union plans would stay in effect for at least five years, and the Unions will give the City at least 1 year's notice if they intend to terminate this arrangement. The City may only terminate the agreement with good cause regarding the failure of the plan to provide agreed upon benefits, and with evidence of continuing coverage for affected employees and retirees in the succeeding City sponsored plans. The City makes no commitment to any future arrangement of City administered medical insurance should the union plans be discontinued by the union's actions.

9. The City retains the right to terminate the sponsorship by the unions of any health plan as a result of any legislation that would require the City to provide plans to its employees or pay penalties in lieu of providing such plans, for example, as under the Affordable Care Act or any additional or successor legislation

10. Existing limits on City contributions to medical/dental/vision (agreed or imposed) remain unchanged.

11. It is understood that once the unions obtain quotes for coverage, the parties will meet and confer regarding significant issues regarding the implementation and viability of such plan, including, but not limited to the following:

- Coverage of “tail” claims; Fully fund all reserves for Incurred but Not Reported and Pending Claims;
- Calculation and method of paying administrative costs;
- Hold harmless to City for any actions taken by vendor/union coalition;

The City retains the right to accept or reject any union proposals on a union sponsored plan(s) during meet and confer following union receipt of bids, based upon financial, operational, legal or coverage concerns.
RESOLUTION APPROVING THE MEMORANDUM OF UNDERSTANDING BETWEEN THE CITY OF STOCKTON AND THE WATER SUPERVISORY UNIT

RECOMMENDATION

It is recommended that the City Council adopt by Resolution the attached Water Supervisory Unit successor Memorandum of Understanding (MOU) effective July 1, 2014 through June 30, 2016. The City Council adoption will: 1) Authorize the City Manager to execute the MOU, 2) Amend the Fiscal Year (FY) 2015/2016 budget to appropriate additional funds, and 3) Take actions appropriate to carry out the implementation of the MOU.

Summary

Representatives of the City began meeting April 16, 2014, with representatives of the International Union of Operating Engineers’ Local No. 3 (OE3) - Water Supervisory Unit on a successor MOU. The Water Supervisory Unit MOU expired June 30, 2014, and the City and OE3 desired to negotiate a successor MOU effective after that expiration. The successor MOU presented herein contains an increase to the City’s medical contribution effective the first full pay period after adoption; and a 2% cost of living increase adjustment (COLA) to base pay effective the first full pay period following adoption. Both increases are consistent with the City’s Long-Range Financial Plan (L-RFP) as incorporated into the City’s plan for exiting bankruptcy. The Water Supervisory Unit successor MOU contains similar terms and conditions as the prior two years, with other minor changes. On February 4, 2015, the Water Supervisory Unit declared impasse, and on June 12, 2015, took action under the Meyers-Milias-Brown Act (MMBA) to submit the remaining disputes to advisory factfinding. On August 6, 2015, the parties held a one-day factfinding hearing. The factfinder issued advisory recommendations received by the City on September 29, 2015. On December 17, 2015, the City received notification from OE3 - Water Supervisory Unit that the bargaining unit membership ratified this successor MOU. The successor MOU is attached in redlined format as Attachment A.

DISCUSSION

Background

The City has had substantial fiscal shortfalls over the past several years culminating in the bankruptcy filing in June of 2012. On June 26, 2012, the City Council adopted a final budget for FY 2012/2013 under the Pendency Plan filed for the bankruptcy proceedings. It also adopted as part of its Pendency Plan changes in compensation and benefits. In July 2012, the City Council adopted a successor MOU for the Water Supervisory Unit with a term of one year, July 1, 2012 through June
30, 2013. For FY 2013/2014, most bargaining units at the City agreed to a "contract rollover" and amendment to extend their MOU for a one-year term through June 30, 2014, with minimal changes. In spring 2014, City representatives began meeting with seven (7) bargaining units who had MOU’s expiring on June 30, 2014. In spring 2015, City representatives also began meeting with the other two (2) bargaining units who had one year term MOU’s expiring on June 30, 2014. The focus of these negotiations was to obtain a successor MOU with terms and conditions consistent with the City’s L-RFP.

Since negotiations began for fiscal years 14/15 and 15/16, the City Council has adopted successor MOU’s for seven out of nine bargaining units with expiring MOU’s; on January 27, 2015, a successor MOU with the Mid-Management/Supervisory Level Unit (B&C) Unit was adopted, on June 23, 2015, a successor MOU with the Stockton Police Officers’ Association (SPOA) was adopted, on July 7, 2015, a successor MOU with the Stockton City Employees’ Association (SCEA) was adopted, on July 21, 2015, a successor MOU with the Fire Unit was adopted, on August 18, 2015, successor MOU’s were adopted for the Stockton Police Management Association and the Trades and Maintenance Unit, and on November 3, 2015, a successor MOU with the Operations and Maintenance Unit was adopted. These MOU’s have contract terms ending June 30, 2016. The City Council also approved and amended the Unrepresented Employee Compensation plan on May 5, 2015 and August 18, 2015. The terms and provisions of the Water Supervisory Unit successor MOU presented herein are consistent with the employee groups already approved by Council.

Present Situation

The relevant amendments under the successor MOU for the Water Supervisory Unit are summarized as follows:

1. MOU contract term for two years - July 1, 2014 through June 30, 2016;

2. 2% base pay increase (COLA) effective the first full pay period after Council approval, consistent with the City’s L-RFP (MOU Section 15.1);

3. City contribution towards health insurance - the City has agreed to a small increase to the City’s capped health insurance premium contribution towards employee health insurance premiums effective the first full pay period after Council approval as shown below (MOU Section 14.2(c)). Please note the rates in the successor MOU are being updated from FY 2012/2013 rates; there was an increase included in the FY 2013/2014 rollover and amendment which were not reflected in the MOU document. This explains why the edits appear to be increases greater than those listed below. The City’s overall contribution increase to Water Supervisory Unit members’ health insurance premiums from their current contribution levels will be as follows:
   - $21 per month for Employee Only;
   - $38 per month for Employee plus 1 Dependent; and
   - $51 per month for Employee plus 2 or more Dependents;

4. Vacation Cash Payment Option - Water Supervisory Unit has agreed to continue the suspension of vacation cash payment option/sell-back during the term of the contract and until a successor MOU is reached (MOU Section 9.1(e));
5. Health Insurance - Water Supervisory Unit has agreed to a opener clause to meet and confer upon City's request regarding proposals related to City sponsored medical plans and implementation of the Affordable Care Act (ACA) (MOU Section 14.1);

6. Administrative Cost for Operating Engineer Health Plans - Water Supervisory Unit has agreed to pay the City's administrative overhead costs associated with the Operating Engineers health plans to the monthly OE3 plan costs. As of July 1, 2015, the cost is $26.98 per month per employee participating in the OE3 plan (MOU Section 14.2(g));

7. Agreement to amend the wastewater operator series quarterly add pay - Changing the provision that only operators are eligible, and to only pay for maintaining a certification one level above the minimum qualification required for the position held (MOU Section 13.11 (c));

8. In conjunction with the operator series quarterly add pay changes, agreement to increase the Plant Operations Supervisor base salary by approximately 18% (MOU Section 15.1). This increase was agreed upon as a market adjustment for a position critical to the utility operations.

9. Agreement to reclassify seven (7) positions as exempt from overtime pursuant to the Fair Labor Standards Act (FLSA) (MOU Section 11.2(d));

10. Agreement to limit promotional appointment probationary periods to six (6) months, and cease practice of extending probationary periods for original and promotional appointments (MOU Section 4.2);

11. Agreement for Water Supervisory Unit employees to use their floating holidays in one (1) hour increments, and reimburse the City for floating holiday hours used, but not earned upon separation of employment (MOU Section 12.2);

12. Elimination of obsolete language and other language clean-up changes.

FINANCIAL SUMMARY

The cost for the 2% COLA beginning January 16, 2016 is approximately $10,800. Water Supervisory Unit employees are funded completely from Municipal Utility Enterprise Funds so there will be no impact on the General Fund cost.

The cost for the health contribution increase effective January 16, 2016 is approximately $2,400. The $26.98 per month contribution for health administrative overhead costs associated with employees enrolled in OE3 health plans will recover approximately $2,300 per year to offset costs incurred in the Health Benefit Internal Service Fund.

Increasing the Plant Operations Supervisor base salary by 18% as offset by the reduction in wastewater operator add pay will increase costs by approximately $40,000 on an annual basis for a total of three (3) authorized positions necessitating a $18,000 increase to the 2015/2016 Annual Budget based on the January 16, 2016 effective date. These amounts include both salary and benefit costs.
Funding for the 2% COLA and Plant Operations Supervisor salary adjustment will need to be appropriated from existing Municipal Utility fund balances in FY 2015/2016 for the costs associated with this MOU. The City funds that will experience cost increases as a result of this MOU are as follows:

<table>

<tr>

</tr>
<tr>
<td>Wastewater Utility Fund</td>
<td>$26,000</td>
</tr>
<tr>

</tr>
</tbody>
</table>

The recommendation authorizes the City Manager to appropriate these funds in the employee services accounts in the respective funds.

While vacation sell-back has been suspended since February 2012, the future cost avoidance from continuing to suspend vacation sell back is $18,600.

ATTEST:

BONNIE PAIGE
City Clerk of the City of Stockton
Also on November 17, 2015, the Council extended the current Commercial and Industrial fee reduction program but the extension of the "Greater Downtown Area" residential fee exemption program was inadvertently overlooked; and

Although the 2010 residential and non-residential reductions were subsequently extended on three separate occasions, they are now set to expire upon implementation of the Stockton Economic Stimulus Plan; and

The City Council of the City of Stockton desires to implement an extension of certain Public Facilities Fee Reductions connected to the Greater Downtown Area that expired on December 31, 2016, in order to provide a distinct competitive advantage for downtown which was encouraged in the Economic Development Strategic Plan; and

The extension of certain Public Facilities Fees in the Greater Downtown Area will stimulate new development, attract new businesses, improve the unemployment rate, and continue to stimulate the local economy; now, therefore,

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF STOCKTON, AS FOLLOWS:

1. For new residential development within the “Greater Downtown Area”, the following Public Facilities Fees shall be exempt for:

   a. City Office Space
   b. Community Recreation Centers
   c. Libraries
   d. Police Stations
   e. Street Improvements
   f. Fire Stations
   g. Parkland

   This program will automatically sunset on December 31, 2018, unless extended by the City Council.

2. The Public Facility Fee Administrative Fee will increase to 3.5%, in alignment with the citywide Public Facility Fee Administrative Fee.

3. All other provisions of the Public Facilities Fees Program shall remain in full force and effect.

4. These fee reductions shall take effect immediately upon adoption and apply to applicable building permits issued after the effective date and before the sunset date.

Section 1. Recognition

Operating Engineers' Local 3, AFL-CIO, hereinafter referred to as the "Union," is the recognized employee organization for the Water Supervisory Unit, certified pursuant to Resolution No. 08-0143, adopted by the City Council on April 15, 2008.

Section 2. Union Security

2.1 Dues Deduction

(a) General. The Union may have the regular dues of its members within the representation unit deducted from employees' paychecks under procedures prescribed by the City for such deductions. The Union has the exclusive privilege of dues deduction for its members.

Authorization, cancellation or modification of payroll deductions shall be made upon forms provided or approved by the City. The payroll deduction authorization shall remain in effect until canceled or modified by the employee by written notice to the City or until the first day of the calendar month following the transfer of the employee to a unit represented by another employee organization as the representative of the unit to which the employee is assigned, or until employment with the City is terminated.

Additional authorization shall not be required for deduction of increased membership dues when such increase has been duly approved by the membership of the Union. Notification of such approval shall be forwarded to the City in the form of written notice on official Union letterhead and signed by the duly authorized Union official. Upon receipt of notification, the City shall authorize the payroll deduction of the increased amount.

If an employee is promoted to a position which is represented by another employee organization or to an unrepresented unit, membership dues for the former unit will not be deducted from the employee's paycheck by the City.

Amounts deducted and withheld by the City shall be transmitted to the officer designated in writing by the Union as the person authorized to receive such funds, at the address specified.

In addition to the deduction of dues, the City will deduct from the paychecks of Union members who request it, premiums for group insurance and investment...
plans sponsored by the Union. Such deductions shall be made in one lump sum and only upon signed authorization from the employee upon a form satisfactory to the City.

The employee's earnings must be sufficient after all other required deductions are made, to cover the amount of the deductions herein authorized. When an employee is in a non-pay status for an entire pay period, no withholdings will be made to cover that pay period from future earnings nor will the employee deposit the amount with the City which would have been withheld if the employee had been in pay status during that pay period. In the case of an employee who is in a non-pay status during a part of the pay period, and the salary is not sufficient to cover the full withholding, no deduction shall be made.

In this connection, all other required deductions have priority over the employee organization deduction.

(b) Indemnity and Refund. The Union shall indemnify, defend and hold the City harmless against any claim made and against any suit initiated against the City on account of check off of Union dues or premiums for benefits. In addition, the Union shall refund to the City any amounts paid to it in error upon presentation of supporting evidence.

2.2 Agency Fee

(a) Employee Rights

(1) The City and the Union recognize the right of employees to form, join, and participate in lawful activities of employee organizations and the equal, alternative right of employees to refuse to form, join and participate in employee organizations. Neither party shall exert pressure upon or discriminate against an employee in the exercise of these alternative rights.

(2) Accordingly, membership in the Union shall not be compulsory. A unit member has the right to choose, either: to become a member of the Union; or, to pay to the Union a fee for representation services; or, to refrain from either of the above courses of action upon the grounds set forth in Section (f) below.
WATER SUPERVISORY UNIT SUCCESSOR MOU
Term: July 1, 2014 – June 30, 2016

(b) Unit Members' Obligation to Exclusive Representative

(1) A bargaining unit member who does not fall within one (1) of the exempted categories as set forth in Section (f) below, and who has not voluntarily made application for membership in the Union within the sixtieth (60) day following the date upon which said employee has been formally hired by the City as a bargaining unit employee, must as a condition of continued employment in the City pay to the Union a representation fee, in exchange for representation services necessarily performed by the Union in conformance with its legally imposed duty of fair representation on behalf of said unit member who is not a member of the Union.

(2) In the event that a unit member does not become a member of the Union or pay such fee directly to the Union, the City shall begin automatic payroll deduction. There shall be no charge to the Union for such mandatory agency fee deductions.

(3) Prior to beginning such automatic payroll deduction, the Business Representative of the Union will certify to the City in writing that the employee whose pay is to be affected by the deduction has: 1) refused to join the Union; and 2) has refused to tender the amount of the agency fee as defined herein; and 3) has not applied for an exemption under Section (f) herein. In addition the Union must also certify that it has provided the employee with a copy of the fee verification required by Section (e) herein.

(c) Definition of Agency Fee

(1) The agency fee collected pursuant to Section (b) above from unit members who are not members of the Union shall be an amount not to exceed the standard initiation fee, periodic dues and general assessments of the Union for the duration of this Agreement, minus any amount which is prohibited by the Constitution because such funds pay for political or ideological purposes not related to collective bargaining.

(2) Any dispute as to the amount of the representation fee shall be resolved pursuant to the provisions of Section (h) herein.

(d) Exceptions. Unit members on leave without pay and unit members who are in laid-off status shall be exempt from these provisions herein; except that the election as to membership or payment of a fee as set forth herein
WATER SUPERVISORY UNIT SUCCESSOR MOU
Term: July 1, 2014 – June 30, 2016

must be exercised within the first ten (10) work days upon return to paid status.

(e) Annual Verification of Agency Fee by the Union. Prior to January 31, of each year and before the collection of an agency fee from any unit member pursuant to these provisions herein, the Union shall submit a written certification to the fee payers verifying that the total amount of its representation fee conforms to Section (c) above, and itemizing all component parts of such fee which shall provide an adequate explanation for the basis of the fee. Each year such amount shall be verified and submitted in writing to the fee payers by the Union prior to January 31st. The Union will submit a copy of such verification to the Director of Human Resources of the City. The parties agree that such annual verification is a condition precedent to the collection by either the City or the Union of a representation fee from a unit member.

(f) Employees Exempted From Obligation to Pay Union

(1) Any unit member shall be exempt from the requirements of Section (b) above, if such employee has a bona fide religious objection as defined by Section 3502.5 of the Government Code to the payment of any fee in support of a Union or "employee organization" as defined in Section 3540.1(d) of the Government Code.

(2) Such exempt unit member shall, as an alternative to payment of a representation fee to the Union, pay an amount equivalent to such representation fee to:

a. United Way.
b. American Cancer Society.
c. Any charity jointly agreed in writing by the parties.

(3) If a unit member desires to be exempted for reasons set forth in Section (f) herein, the unit member must first request such exemption in writing from the Union setting forth briefly the rationale for the exemption. If the Union notifies the unit member in writing that the Union will not honor the request, then the matter shall be referred automatically to a panel for determination according to the procedure set forth below. The panel shall be composed of one (1) person selected by the Union, one (1) person selected by the unit member, and an arbitrator selected by the parties chosen from a list submitted by the State Conciliation Service. If either
one or both parties fail to nominate a panel member, the process of hearing will continue without that party’s panel member.

(4) The panel shall first receive arguments and evidence from the unit member requesting the exemption. Thereafter the Union may present any arguments or evidence. The proceedings shall be conducted in an informal manner, and the rules of evidence will not apply. The arbitrator shall act as chair and rule on all matters before the panel with the exception of the final determination of the panel. The panel shall prepare a written decision within fifteen (15) calendar days of the completion of the hearing which shall be final and binding upon the parties. Any expenses of the panel shall be borne by the parties incurring them.

(5) Upon receipt of the decision of the panel, the City shall release any funds held in escrow to the Union or to the charity. Any decision by the panel shall apply for the duration of this Memorandum of Understanding.

(6) In addition, the Union may require such exempt unit member to submit proof of payment of an amount equivalent to such representation fee to one (1) of the alternative funds or organizations listed above. If the bargaining unit member has not provided payment, the City will institute deductions pursuant to Section (b)(2), and forward such monies to a charity listed in Section (f)(2).

(7) Such payments shall be made on or before January 31, of each year or no more than thirty (30) days after commencing duties for any newly hired employee.

(g) Escrow Account. If any unit member either disputes the amount of the fee or disputes whether or not an exemption was appropriately denied, the City shall deposit the fee which was deducted and place such amount into a special escrow account established by the Union for such purposes.

(h) Procedure for a Unit Member Who Contests the Amount of the Fee

(1) The parties agree that in order to provide a uniform definition of the representation fee, any disputes involving the amount of such fee shall be referred to the Union’s procedure for determination, provided that the parties have first complied with the other provisions of this Section.

(2) The Union shall notify the City in writing within twenty (20) days after it becomes aware that any employee disputes the amount of the fee.
(3) The Union will verify in writing to the City that all of the conditions of Section (b)(3) have been met prior to the City's initiation of the fee deductions set forth in Section (b)(2). Thereafter, the City will notify the affected employee in writing that such deductions will commence and a copy of the Union's written verification will be attached to the City's notice. Thereafter, the City will begin the deductions.

The monies held in escrow shall be released to the appropriate party upon the rendering of a final decision by the Union's internal procedure.

(i) Payment Method/Payroll Deduction

(1) A unit member may voluntarily sign and deliver to the City a written assignment authorizing deduction of the properly established representation fee as defined in Section (c) above, subject to the conditions set forth elsewhere in this agreement for payroll deductions, or the amount of the fee will be deducted automatically in accordance with Section (b)(2) herein.

(2) The City is under no obligation to make payroll deductions for the periods during which a unit member is either terminated from active employment, or not on the City's active payroll for any reason, including, but not limited to, layoff and voluntary leave of absence for more than thirty (30) days.

(3) Upon the rehiring of any unit member, or upon the recalling of any unit member from layoff status, the City will resume or initiate dues deductions for such unit member.

(j) Obligations of Parties

(1) City's Obligations. The City's obligation under this Article is to notify any unit member who has failed to comply with the provisions of this Section that, as a condition of continued employment with the City, such unit member must become an Union member, or pay a representation fee, or establish an exemption status and make payment pursuant to provisions of Sections (b) and (f) of this Agreement. Under no circumstances shall the City be required to dismiss or otherwise discipline any unit member for failure to fulfill their obligations to pay the fees established herein.
(2) Union's Obligations. Except as specified herein, the Union and not
the City, shall be responsible for requiring unit members to fulfill
obligations defined herein. It is the obligation of the Union to collect any
representation fees which may be due and payable to the Union in consid-
eration for its services as the exclusive representative of unit employees.

(k) Hold Harmless Provision. The Union shall hold the City harmless, and
shall fully and promptly reimburse the City for any fees, costs, charges or
penalties incurred in responding to or defending against any claims,
disputes, challenges, whether formal or informal, which are actually
brought, or attempted or threatened to be brought, against the City or any
of its agents, or employees, in connection with the interpretation,
application, administration or enforcement of any Section of this
Agreement pertaining to representation fee. Such reimbursement shall
include, but not be limited to, court costs, litigation expenses, and
attorney's fees incurred by the City. The City shall have the right to be
represented by its own attorney in any action in which it is a named party
to the action. Disputes over the amount of reimbursement shall be
automatically submitted to the arbitration provisions of this Memorandum,
Section 8.3(e).

2.3 Use of City Facilities

(a) The Union shall be allowed by the City department in which it represents
employees' use of space on available bulletin boards for communications having
to do with official Union business, such as times and places of meetings,
provided such use does not interfere with the needs of the department. The
Union may submit to the City Employee Relations Officer written communications
having to do with official Union business for distribution by the City to identified
shop stewards. Distribution may be by e-mail.

(b) Any representative of the Union shall give notice to the department head
or designated representative when contacting department employees on City
facilities during the duty period of the employees, provided that solicitation for
membership or other internal Union business shall be conducted during the
non-duty hours of all employees concerned. Pre-arrangement for routine contact
may be made with individual department heads and when made shall continue
until revoked by the department head.

(c) City buildings and other facilities may be made available for use by City
Employees of the Union or their representatives in accordance with such
2.4 Advance Notice

Except in cases of emergency, reasonable advance written notice shall be given to the Union if affected by any ordinance, resolution, rule or regulation directly relating to matters within the scope of representation proposed to be adopted by the City and shall be given the opportunity to negotiate if requested with the designated management representatives prior to adoption.

In cases of emergency when the foregoing procedure is not practical or in the best public interest, the City may adopt or put into practice immediately such measures as are required. At the earliest practicable date thereafter the Union shall be provided with the notice described above and be given an opportunity if requested to negotiate changes to said notice with the management representatives designated by the City Manager.

2.5 Attendance at Meetings by Employees

City employees who are official representatives or unit representatives of the Union shall be given reasonable time off with pay to attend meetings with City management representatives, or where matters within the scope of representation or grievances are being considered. Such employee representatives shall submit a request for excused absence to their respective department heads, in a manner satisfactory to the scheduled meeting whenever possible. Time spent for these purposes while a representative is not scheduled to work shall not be compensated by the City and shall not be considered as hours worked. Except by mutual agreement the number of the employees excused for such purposes shall not exceed three (3) per recognized bargaining unit.

2.6 Maintenance of Membership

All employees in the Supervisory Unit who are members of the Union, tendering periodic dues at the execution of this agreement, and all employees who thereafter become members of the Union shall, as a condition of employment, pay dues to the Union for the duration of this Memorandum of Understanding, and each year thereafter. For a period of thirty (30) days prior to January 1, 2009 and thirty (30) days prior to any January 1, thereafter, any employee in the aforementioned unit who is a member of the Union shall have the right to withdraw from the Union discontinuing dues payments and retain employment in
the City, subject to provisions of Section 2.2. Agency Fee. Said withdrawal shall be communicated by the employee in writing to the City. The provisions of this section shall be operative only to the extent that they are permissible under California law.

2.7 Assignment of Classifications

New job classifications established by the City shall be assigned to the bargaining unit pursuant to Section 8 (b) of the City's Employer-Employee Relations Resolution after providing notice and the opportunity to consult with the Union regarding such matters.

2.8 Contract Ratification

Ratification votes for Contract will be handled on city time during the day.

Section 3. Compliance with Federal Laws/Safety

3.1 Non-Discrimination. The City and the Union agree that there shall be no discrimination of any kind because of age (over 40), race, creed, color, religion, national origin, (ancestry), veterans status, physical or mental disability, marital status, sexual orientation, sex (sexual, gender based, pregnancy/childbirth), political affiliation or legitimate union activity or on any other basis prohibited by applicable federal and State law against any employee or applicant for employment.

3.2 Fair Labor Standards Act. The Union agrees to cooperate with the City to insure its members' compliance with the provisions of the Fair Labor Standards Act.

3.3 Safety. The Union shall cooperate with the City in promoting safety objectives as defined in Federal, State and local regulations by actively supporting safety programs, promoting safe work habits of members and encouraging an ongoing, active participation by its members in safety related procedures and practices as offered and promulgated by the City of Stockton.

Section 4. Probation

4.1 Purpose

The probationary period shall be utilized for closely observing the employee's work, for securing the most effective adjustment of a new employee to a position,
WATER SUPERVISORY UNIT SUCCESSOR MOU
Term: July 1, 2014 – June 30, 2016

and for rejecting any probationary employee whose performance does not meet
the required standards of work.

4.2 Original Entrance and Promotional Positions

All original appointments shall be subject to a probationary period of one (1) year
with a review completed after 6 months from date of original appointment.
Promotional appointments shall be subject to a probationary period of 6 months.
The probationary period for original and promotional appointments will not be
extended.

4.3 Retention/Rejection of Probationer

At the end of the probationary period, if the service of the probationary employee
has been satisfactory to the appointing authority, then the appointing authority
shall file with the Director of Human Resources a statement in writing to such
effect and stating that the retention of such employee in the service is desired.
The City will make a good faith effort to notify a probationary employee two (2)
weeks before the end of the probationary period whether or not regular status is
granted; however, a failure on the part of the appointing authority to file such a
statement at the end of the probationary period shall constitute a rejection of the
probationer as defined in Civil Service Rules.

During the probationary period an employee may be rejected at any time by the
appointing authority. Any employee rejected during the probationary period
following a promotional appointment, shall be reinstated to the position from
which promoted unless charges are filed and the employee is discharged in the
manner provided in Section 7 of this Memorandum of Understanding and in the
Civil Service Ordinance and Civil Service Rules, which are consistent therewith.

Section 5. Layoff

5.1 Layoff

Any employee may be laid off by an appointing authority in the event of the
abolition of the employee's position by the City Council, or if a shortage of work
or funds requires a reduction in personnel.

5.2 Layoff Scope

(a) Layoffs shall be within departments of the City.
WATER SUPERVISORY UNIT SUCCESSOR MOU
Term: July 1, 2014 – June 30, 2016

(b) Departments of the City are defined as follows:

1. Administrative Services
2. City Attorney
3. City Auditor
4. City Clerk
5. City Manager
6. Community Development
7. Community Services
8. Economic Development
9. Fire
10. Human Resources
11. Information Technology
12. Municipal Utilities
13. Police
14. Public Works

5.3 Notice of Layoff

The City will give advance written notice of at least one pay period to employees who will be laid off.

5.4 Precedence by Employment Status

(a) No regular employees shall be laid off while employees working in an extra help, seasonal, temporary, provisional, or probationary status are retained in the same classification as such regular employee. The order of layoff among employees not having regular status shall be according to the following categories:

1. extra help or seasonal
2. provisional
3. temporary
4. probationary

Layoffs shall be by job classification according to reverse order of seniority as determined by total service in that class, except as specified above. For the purpose of this procedure part-time classes shall be considered as separate from regular full-time classes.
The following provisions shall apply in computing total continuous service:

1. Time worked in a regular or probationary status shall count as service.
2. Time spent on military leave shall count as service in the event the leave was taken subsequent to entry.
3. Time worked in an extra help, seasonal, provisional, temporary, grant or other limited term status shall not count as service.

If two (2) or more employees have the same seniority, the order of seniority shall be determined by their respective ranking on the eligibility list for hire.

If two (2) or more employees have the same seniority, but were not hired from a ranked eligibility list, the order of seniority shall be determined by lot.

If two (2) or more employees have the same seniority, but were hired from separate ranked eligibility lists, the order of seniority shall be determined by lot.

(b) Any employee in the Supervisory Unit who is laid off may complete a City employment application for any position currently staffed by a part time, provisional, or temporary employee. The Human Resources Department will evaluate the employment application. If the laid off employee meets the minimum qualifications of that position, he/she shall have the option of displacing the part time, provisional, or temporary employee.

5.5 Employee Options

Employees laid off shall have any of the following choices:

days of written notification of the action. (Such filing will foreclose use of the
grievance procedure.)

(c) File a grievance as provided for in Section 8 within ten (10) calendar days
of written notification of the action.

If the employee fails to do (b) or (c) above within the prescribed time frames,
these rights will have been waived.

Section 8. Grievance Procedures

8.1 Definition

A grievance is any dispute which involves the interpretation or application of
those rules, regulations and resolutions which have been, or may hereafter be,
adopted by the City Council to govern personnel practices and working con-
ditions, including such rules, regulations and resolutions as may be adopted by
either the City Council or the Civil Service Commission to affect Memoranda of
Understanding which result from the meeting and conferring process.

8.2 Filing Deadline

(a) No grievance involving demotion, suspension, discharge or other
employment penalty will be entertained unless it is filed in writing with the
Director of Human Resources within ten (10) calendar days of the time at which
the affected employee received written notification of such action. All other
grievances must be filed within thirty (30) calendar days from the time the
employee knew or had reason to know of the facts giving rise to the grievance.

(b) With written consent of the Director of Human Resources or his/her
designee and the Union Business Agent or his/her designee, time limits may be
extended and/or Steps 1, 2 and/or 3 of the Grievance Procedure waived.

8.3 Grievance Processing

(a) Step 1 - Departmental Review. Any employee claiming to have a
grievance may discuss the complaint with such management official in the
department where employed as the department head may designate. If the issue
is not resolved within the department within twenty (20) calendar days from the
day of presentation or if the employee elects to submit the grievance directly to
the Union recognized as the representative of that employee’s classification, or if
the employee/Union official notifies the Director of Human Resources, in writing, that a grievance exists, the procedure hereinafter specified may be invoked.

(b) **Step 2 - Director of Human Resources Review.** If the employee is not satisfied with the response at level one, then the employee may appeal the grievance to the Director of Human Resources within twenty (20) calendar days of the receipt of written response at level one. Such appeal must state with particularity: 1) the specific policy, rule or provision which is alleged to have been violated; 2) the statement of facts comprising the violation; and 3) the requested remedy. The Union may file and process grievance(s) on behalf of the specifically named employee. The Director of Human Resources shall have twenty (20) calendar days in which to investigate the issues, meet with the complainant and attempt to reach a satisfactory resolution of the problem. No grievance may be processed under the following two (2) paragraphs which has not first been filed and investigated in accordance with this paragraph, except for the resolution of compensation complaints.

(c) **Step 3 - Arbitration.** If the parties are unable to reach a mutually satisfactory accord on the grievance at Step 2 within twenty (20) calendar days either the Union or the City may require that the grievance be referred to an impartial arbitrator mutually selected by the parties, or if the parties are unable to mutually agree, from a list of seven (7) arbitrators provided by the State Conciliation Service. The arbitrator shall be chosen by the alternative strike method, with first choice being determined by lot. The fees and expenses of the arbitrator and of a court reporter shall be shared equally by both parties. Each party, however, shall bear the cost of its own presentation, including preparation and post hearing briefs, if any.

(d) **Effect of Decision.** Decisions of arbitrators on matters properly before them shall be final and binding on the parties hereto except as provided otherwise herein.

8.4 **Scope of Arbitration**

(a) No arbitrator shall entertain, hear, decide or make recommendations on any dispute unless such dispute involves a position in a unit represented by the Union and unless such dispute falls within the definition of a grievance as set forth in paragraph 8.1.

(b) Proposals to add to or change this Memorandum of Understanding or written agreements or addenda supplementary hereto shall not be arbitrable and no proposal to modify, amend or terminate this Memorandum of Understanding,
WATER SUPERVISORY UNIT SUCCESSOR MOU
Term: July 1, 2014 – June 30, 2016

nor any matter or subject arising out of or in connection with such proposal, may be referred to arbitration under this Section. No arbitrator selected pursuant to this Section shall have the power to amend or modify this Memorandum of Understanding or written agreements or addenda supplementary hereto or to establish any new terms or conditions of employment.

No changes in this Memorandum of Understanding or interpretations thereof (except interpretations resulting from arbitration proceedings hereunder) will be recognized unless agreed to by the Director of Human Resources and the Union.

8.5 Other Provisions

If the Director of Human Resources or City Manager, in pursuance of the procedures outlined above, resolves a grievance which involved suspension or discharge, they may agree to payment for lost time or to reinstatement with or without payment for lost time, but in the event the dispute is referred to arbitration and the arbitrator finds that the City had cause to take the action complained of, the arbitrator may not substitute his judgment for the judgment of management and if the findings are that the City had such right, the arbitrator may not order reinstatement and may not assess any penalty upon the City.

Complaints which allege the employee is not being compensated in accordance with the provisions of this Memorandum of Understanding shall be considered as grievances and processed pursuant to Section 8.3. Any other matters of compensation are to be resolved in the meeting and conferring process and if not detailed in the Memorandum of Understanding which results from such meeting and conferring process shall be deemed withdrawn until the meeting and conferring process is next open for such decision. No adjustment shall be retroactive for more than one-hundred and eighty (180) calendar days from the date upon which the complaint was filed.

Specified time limits may be modified only in writing. All appeals and responses must be provided in writing.

A grievant will be provided release time without loss of pay for all required meetings with management. The City cannot discriminate or retaliate in any manner against an employee for filing a grievance or exercising rights under this Section.

The provisions of this Section shall not abridge any rights to which an employee may be entitled under the Stockton Municipal Code and/or Civil Service Rules and Regulations, nor shall it be administered in a manner which would abrogate
any power which, under the Stockton Municipal Code, may be within the sole province and discretion of the Civil Service Commission.

All grievances of employees in representation units represented by the Union shall be processed under this Section. If the Stockton Municipal Code and/or the Civil Service Rules and Regulations requires that a differing option be available to the employee, no action under paragraph (c) of Subsection 8.3 above shall be taken unless it is determined that the employee is not utilizing such option.

No action under paragraph (c) of Subsection 8.3 above shall be taken if action on the complaint or grievance has been taken by the Civil Service Commission or if the complaint or grievance is pending before the Civil Service Commission.

If any award by an arbitrator requires action by the City Council or the Civil Service Commission before it can be placed in effect, the City Manager and the Director of Human Resources will recommend to the City Council or the Civil Service Commission, as appropriate, that it follow such award.

Section 15. Salaries

The salary table for all employees in the aforementioned representation unit will be as set forth in Appendix "A," which is attached hereto and made a part hereof.

The rates of pay set forth in Appendix "A" do not include reimbursement for actual and necessary expenses for traveling, subsistence and general expenses authorized and incurred incident to City employment.

15.2 Salary upon Appointment

Except as herein otherwise provided, the entrance salary for a new employee entering the classified service shall be the minimum salary for the class to which appointed. When circumstances warrant, the Director of Human Resources may approve an entrance salary which is more than the minimum salary for the class to which an employee is appointed. Such a salary may not be more than the maximum salary for the class to which that employee is appointed.

15.3 Salary Equivalents

Any monthly, daily or hourly rate of pay may be converted into an equivalent rate of pay or to any other time bases when, in the judgment of the City Manager, such a conversion is advisable. In determining equivalent amounts on different time bases the City shall provide tables or regulations for the calculation of payment for service of less than full time, and for use in converting monthly salaries to hourly rates, as well as for calculating hourly rates. Overtime rate and premium pay shall be calculated according to the provisions of the Fair Labor Standards Act.

15.4 Salary Step Plan

There shall be six (6) salary steps in each range.

The first step shall be the minimum rate and shall be the normal hiring rate for the class. (In a case where a person possesses unusual qualifications, the Director of Human Resources may authorize appointment above the first step after receiving the recommendation of the department head. The same provision shall apply to hourly paid and part-time employees.)

If a department head recommends to withhold increases to salary steps two (2) through six (6) because an employee has not achieved the level of performance required, notice must be received by the Human Resources Department at least
four (4) weeks in advance of the employee's eligibility date. The affected
employee shall be furnished a copy of the department head's recommendation.
Failure to abide by the above four-week limitation shall not automatically cause a
step increase to be granted; however, if an employee does not receive notice by
the actual anniversary date, the increase shall be automatically granted.

The second step shall be paid upon the satisfactory completion of six (6) months
service at the first step.

The third step shall be paid upon the satisfactory completion of one (1) year
service at the second step.

The fourth step shall be paid upon the satisfactory completion of one (1) year
service at the third.

The fifth step shall be paid upon the satisfactory completion of one (1) year
service at the fourth step and upon written recommendation of the department

The sixth step shall be paid upon the satisfactory completion of one (1) year
service at the fifth step and upon written recommendation of the department head.

Regardless of an employee's length of service, step advancements in any given
class may be made upon recommendation of the department head with the
approval of the Director of Human Resources, but not above Step No. 6 for a
given range.

Salary step increases shall be effective the first day of the pay period following
appointment or revision. If the date of appointment or revision is the first day of a
pay period, salary step increases shall be as of that date.

Changes in an employee's salary because of promotion, demotion,
postponement of salary step increase or special merit increase will set a new
salary anniversary date for that employee, which date shall be as stated in the
preceding paragraph.

Salary range adjustments for a classification will not set a new salary anniversary
date for employees serving in that classification.

15.5 Salary Step after Military Leave
WATER SUPERVISORY UNIT SUCCESSOR MOU
Term: July 1, 2014 – June 30, 2016

All employees who have been granted military leave shall, upon their return to the City service, be entitled to the automatic salary advancements within the range of their classification for the period they were in the military service.

Whenever the monthly schedule of compensation for a class is revised, each incumbent in a position to which the revised schedule applies shall be entitled to the step in the revised range which corresponds to the employee’s step held in the previous range, unless otherwise specifically provided for by the Director of Human Resources.

15.7 Salary Step After Promotion or Demotion

(a) When an employee is promoted from a position in one class to a position in a higher class, and at the time of promotion is receiving base salary equal to, or greater than, the minimum rate for the higher class, that employee shall be entitled to the next step in the base salary of the higher class which is a minimum of five percent (5.0%) above the employee’s current base salary, except that the next step shall not exceed the maximum salary of the higher class. Add pays are not included in the calculation of base salary for purposes of this section. When an employee is promoted into another bargaining unit, the new bargaining unit’s salary on promotion rules shall apply.

(b) When an employee is demoted, whether such demotion is voluntary or otherwise, that employee’s compensation shall be adjusted to the salary prescribed for the class to which demoted.

(1) If the salary of the employee is reduced for cause or disciplinary reasons, the employee shall receive the salary at the same step prior to promotion.

(2) If the salary of the employee is reduced through no fault of the employee (i.e., layoff), the salary at demotion shall be at the nearest lower salary to that which was received prior to the demotion.
WATER SUPERVISORY UNIT SUCCESSOR MOU
Term: July 1, 2014 – June 30, 2016

15.8 Transfer

An employee may be transferred from a class in one department, or to a position of the same class in another department, or to a comparable class, with the approval of both the employee and Department Heads. In the case of a comparable class, the employee must be qualified, as determined by the Director of Human Resources. The Director of Human Resources, in making such a determination, must assure that the maximum salary rate for the classes in question must be equal to or less than the employee’s current top step salary, and shall consider, among other things, whether the employee possesses the minimum qualifications for such class, and is able to demonstrate through education, experience, or successful completion of pertinent tests, that he/she is qualified for the transfer. If the transfer involves a change from the jurisdiction of one appointing authority to another, both must consent thereto.

15.9 Salary on Reinstatement

If a former employee is reinstated in the same position previously held or to one carrying a similar salary range, the employee’s salary shall not be higher than the salary at the time of separation unless there has been an increase within the salary range.

If a former employee is reinstated to a position in a lower class, the employee’s salary shall be set at the same step previously held, but in the pay range of the lower classification.

15.10 "Y" Rate

When an employee’s classification is changed to a lower paid classification as the result of a classification study or other action, the employee may be placed on a “Y” rate. A "Y" rate means that the monthly compensation for the employee shall remain in effect until such time as further changes in the pay range of the new classification exceeds the "Y" rate.

15.11 Acting Pay

Any employee in this unit who is assigned by a supervisor to work in a higher paid classification for two (2) or more hours in one (1) day, shall receive the rate of pay in the step of the higher classification which would have been received if the employee had been promoted into that classification, or at least five percent (5%) more than the employee’s salary in the present classification, whichever is
greater. Out-of-class assignment pay during overtime status will commence at the first hour worked.

15.12 Special Assignment Pay

MEMORANDA OF UNDERSTANDING BETWEEN THE CITY OF STOCKTON AND THE STOCKTON CITY EMPLOYEES’ ASSOCIATION, TRADES AND MAINTENANCE UNIT, OPERATIONS AND MAINTENANCE UNIT, WATER SUPERVISORY UNIT, AND MODIFICATIONS TO THE UNREPRESENTED MANAGEMENT/CONFIDENTIAL AND LAW EMPLOYEES’ COMPENSATION PLAN

RECOMMENDATION

It is recommended that the City Council adopt by resolution the attached successor Memoranda of Understanding (MOU’s) effective July 1, 2016 through June 30, 2019, and amended Unrepresented Compensation Plan, with the following groups:

1. Stockton City Employees’ Association (SCEA);
2. Trades and Maintenance Unit (T&M);
3. Operations and Maintenance Unit (O&M);
4. Water Supervisory Unit; and
5. Unrepresented Management/Confidential and Law Employees’

It is further recommended that the City Manager be authorized to take appropriate and necessary actions to carry out the purpose and intent of the resolution, including implementation and funding of these successor MOU’s, and Compensation Plan.

Summary

In April 2016, representatives of the City began meeting with labor representatives to discuss successor MOU’s. All bargaining unit MOU’s are set to expire June 30, 2016, and the City and bargaining units desired to negotiate successor MOU’s effective after that expiration. The successor MOU’s presented herein, for SCEA, T&M, O&M and the Water Supervisory Unit, include a contract term of three (3) years; contain an increase to the City’s health contribution effective July 1, 2016; a 6% cost of living increase adjustment (COLA) to base pay effective July 1, 2016, with no additional COLA’s in the following two years of the contract; base pay salary adjustments for positions significantly below market; and a vacation cashout option in years 2 and 3 of the contract. Although COLA increases have been restructured to address market conditions, the overall level of increase is consistent with the City’s Long-Range Financial Plan (L-RFP). Additional compensation adjustments have been negotiated to remedy current recruitment and retention difficulties. All compensation increases have been included in an updated L-RFP as described below, and long-term sustainability remains viable. The ability to address market pressures and maintain fiscal sustainability is due to City Council action to set aside funds for Employee Compensation on December 8, 2015, as well as adoption of a new Reserve and Available Fund Balance Policy on March 29, 2016. These successor MOU’s contain similar terms and conditions as the prior two years, with other minor changes. The City reached tentative agreements with these units on the following dates: SCEA on May 6, 2016;
and the Operating Engineers’ Local 3 Units (T&M, O&M and Water Supervisory Unit) on May 20, 2016. The City has received notification from these bargaining units that their memberships have ratified their respective successor MOU’s.

Staff is recommending that the City Council also authorize the City Manager to implement adjustments to the Unrepresented Employees’ Compensation Plan which includes general updates to be consistent with the other bargaining units’ MOU provisions, and compensation terms. The successor MOU’s, and the updated modified Unrepresented Compensation Plan are attached in red-line versions, as Attachments A - E respectively. Finally, Staff recommends the same cost of living, health plan and changes afforded to the unrepresented employees be applied to the unrepresented Council appointed positions of City Manager, City Attorney and City Clerk.

DISCUSSION

Background

The City has had substantial fiscal shortfalls over the past several years culminating in the bankruptcy filing in June of 2012. From 2008 through 2013, employee compensation was impacted through salary and benefit concessions, including base pay reductions due to work furlough. On June 26, 2012, the City Council adopted a final budget for FY 2012-13 under the Pendency Plan filed for the bankruptcy proceedings. It also adopted as part of its Pendency Plan changes in compensation and benefits. In July 2012, the City Council adopted successor MOU’s for bargaining units with a term of one year, July 1, 2012 through June 30, 2013. For FY 2013/2014, most bargaining units at the City agreed to a “contract rollover” and amendment to extend their MOU for a one-year term through June 30, 2014, with minimal changes. Employees received no COLA in FY 2013-14 and FY 2014-15. Subsequently, Council approved successor MOU’s with the SCEA, T&M, O&M, and Water Supervisory Unit, effective July 1, 2014 through June 30, 2016. The expiring MOU’s included a 2% COLA that became effective for members in FY 2015-16, and a small increase to the City’s health insurance premium contribution. Unrepresented employees also received the same 2% COLA and small increase to health insurance premium contributions effective July 1, 2015.

Because employee compensation had been reduced or stagnant for several years prior to FY 2015-16, the City’s labor market competitiveness was affected negatively. The lack of competitiveness manifested in recruitment difficulty, increased turnover and retention problems. In June 2015, the City hired a compensation consultant who surveyed City positions and other comparable agencies with regards to base salary and total compensation. Numerous positions City-wide and across all bargaining units were identified as being significantly under market (i.e., more than 6% under market) with regards to base salary. The compensation study also identified that the City was significantly under market with regards to the employer paid health insurance premium contribution. City Council took action on April 12, 2016 to improve and increase the options for health care available to employees. The proposed changes include increases to base salary, the employer contribution for health care and other compensation items to maintain market competitiveness.

The City Council identified retention and recruitment of employees as a high priority and took action to set aside funds to address market conditions through the adoption of the General Fund Reserve policy on March 29, 2016 and approval of one-time funding for Employee Compensation on December 8, 2015, Resolution No. 2015-12-08-1502.
Present Situation

The relevant amendments under the successor MOU's and Unrepresented Compensation Plan are summarized as follows:

1. MOU contract term for three (3) years - July 1, 2016 through June 30, 2019;

2. 6% base pay increase (COLA) effective July 1, 2016, consistent with the City's L-RFP (SCEA MOU Article 17.1; T&M MOU Section 15.1; O&M MOU Section 15.1; Water Supervisory Unit MOU Section 15.1; Unrep Comp Plan Section 13.1);

3. Market base salary adjustments implemented over 3 years effective July 1, 2016, (SCEA MOU Appendix B; T&M Appendix A; O&M Appendix A; Water Supervisory Unit Appendix A; Unrep Comp Plan Appendix A);

4. City contribution towards health insurance - the City's capped health insurance premium contribution would be reset at 90% of the lowest cost Kaiser Plan premiums, effective July 1, 2016; effective FY 2016-17 the City's contribution amount would increase approximately 14% consistent with Council's one-time funding approval. The monthly increase in the City's contribution will be:
   - $76 per month for Employee Only;
   - $136 per month for Employee plus 1 Dependent; and
   - $183 per month for Employee plus 2 or more Dependents.

In FY 2017-18 and FY 2018-19 of the contract, the dollar value of the City's health insurance premium contribution will increase by 2% each year respectively, consistent with the City's L-RFP (SCEA MOU Article 16.1(c); T&M MOU Section 14.1 (c); O&M MOU Section 14.1 (c); Water Supervisory Unit MOU Section 14.2 (c); Unrep Comp Plan Section 4.1 (c));

5. Vacation Cash Payment Option- This proposal would allow vacation cash payment option/sellback during the last two fiscal years of the contract term. The vacation cash payment option was available prior to February, 2012. This option will allow employees to cash out up to 40 hours of vacation each year in FY 2017-18 and FY 2018-19, (SCEA MOU Article 11.1(e); T&M MOU Section 9.1 (f); O&M MOU Section 9.1 (g); Water Supervisory Unit MOU Section 9.1(e); Unrep Comp Plan Section 6 (e));

6. Overtime - Sick leave, jury duty, and bereavement leave will count as time worked for Fair Labor Standards Act (FLSA) overtime calculation purposes (SCEA MOU Article 13.2 (a); T&M MOU Section 11.2 (a); O&M MOU Section 11.2 (a); Water Supervisory Unit MOU Section 11.2 (a); Unrep Comp Plan Section 14.3 (a));

7. Health Insurance - Agreement to a reopener clause to meet and confer upon City's request regarding proposals related to City sponsored medical plans and implementation of the Affordable Care Act (ACA) (SCEA MOU Article 16.0; T&M MOU Section 14.0; O&M MOU Section 14.0; Water Supervisory Unit MOU Section 14.1);
8. Bi-Weekly Pay Period - Agreement that the City may move to bi-weekly pay as soon as administratively possible (SCEA MOU Article 17.14; T&M MOU Section 15.14; O&M MOU Section 15.15; Water Supervisory Unit MOU Section 15.16);

9. Elimination of obsolete language and other language cleanup changes;

MOU specific amendments are summarized as follows:

Trades and Maintenance Unit:

10. Increase annual footwear allowance from $170 to $200, to be consistent with the other Operating Engineers’ Local 3 units (T&M MOU Section 13.3 (b));

Water Supervisory Unit:

11. City Health Reimbursement Account (HRA) contribution in the amount of 5.5% of base salary for reimbursement of current and retiree medical cost reimbursement, to address compaction issues with the Operations and Maintenance Unit who already receive this benefit (Water Supervisory Unit MOU Section 14.7);

All Operating Engineers’ Local 3 Units (O&M, T&M, Water Supervisory Unit):

12. State Disability Insurance - The City has agreed for OE3 members to elect to receive State Disability Insurance (SDI) coverage at their own expense (O&M MOU Section 14.3; T&M MOU Section 14.3; Water Supervisory Unit MOU Section 14.6); and

Unrepresented Compensation Plan:

13. For equity purposes to provide similar benefits for all Police Safety personnel, staff proposes that the Police Chief and Deputy Police Chief positions receive longevity add pay consistent with the represented Stockton Police Management Association (SPMA), for a maximum 4.5% longevity add pay upon completion of 24 years of service, (Unrep Comp Plan Section 9).

FINANCIAL SUMMARY

COLA
The total cost for the 6% COLA beginning July 1, 2016 for all five employee groups is $4,243,715 of which $1,632,268 is a General Fund cost. The table below shows COLA increase by bargaining unit for the 3 years. A complete list of all fund and impacts is provided as exhibit 6 to the resolution. Funding for an annual 2% COLA was planned in the L-RFP. The additional cost in the first and second years of front-loading a 6% COLA is offset by costs in year three and beyond due to the elimination of the annual compounding of COLAs and there is not a negative effect on the L-RFP. The additional cost to address market conditions and front load the COLAs in the first year will be funded using one-time savings from prior years.

Vacation Sell-Back / Cash-out
The City previously allowed the option to sell-back vacation time, or take cash in lieu of time off, prior to February 2012. Discontinuing the sell-back option was necessary to preserve cash during the fiscal crisis. The annual average cost of restoring this benefit for these employee groups could be as much as $1.2 million of which $471,000 is a General Fund cost. These one-time costs will also be funded from prior year savings and will be made part of the FY 2017-18 and FY 2018-19 annual budgets. However, there could be an offsetting increase in productivity if staff take cash in lieu of time off as the hours worked could increase.

Fair Labor Standards Act (FLSA) Overtime Changes
Counting sick leave, bereavement leave and jury duty leave hours as time worked for FLSA overtime calculation purposes for the three year contract period will be a total cost of $65,919 of which $25,355 is a General Fund cost.

Footwear Allowance Increase for Trades and Maintenance Unit
Amending the T&M footwear allowance from $170 to $200 per year will cost an additional $1,300 per year.

HRA Contribution for Water Supervisory Unit
The cost for the 5.5% HRA contribution is $62,000 per year beginning July 1, 2016.

Longevity Adjustment for Unrepresented Police Safety Personnel
The cost for aligning the Unrepresented Police safety positions to the represented SPMA longevity add pay provision is a cost of $11,000 all which is a General fund cost.

Prior year savings has enabled the City to direct more funds than previously anticipated toward employee compensation in the near term, and will accelerate the City's effort to provide compensation consistent with median market levels. This should improve recruitment and retention efforts, and ultimately reduce costs associated with staff turnover. Most of these compensation changes are ongoing costs to the City and have to be sustainable in the long-term. With the approval of these MOU terms, the General Fund available balance will be diminished. If labor negotiations for the remaining bargaining units result in similar compensation adjustments, the General Fund available balance is projected to drop close to the 5% minimum reserve level in FY 2026-27 as shown in the L-RFP chart below. However, Council adopted a new Reserve and Available Fund Balance Policy in March, 2016 and it is estimated that an additional $15 million would be set aside in reserves for economic uncertainties and unforeseen events. Approval of these MOUs establishes a
fiscal commitment to fill vacancies and meet existing expectations for service. The City’s ability to act funds toward other priorities and expand City services will continue to be constrained.

The above MOU terms were not included in the FY 2016-17 Proposed Budget as released on May 16, 2016 because confidential labor negotiations were still underway. The recommended action includes directing the City Manager to incorporate the cost of these labor changes into the proposed budget in the amounts shown below and in Exhibit 6:

- Transfer from GF (010-0000) to Library Fund (041-0000) $ 138,000
- Transfer from GF (010-0000) to Recreation Fund (044-0000) $ 89,000
- Increase various Salary & Benefit accounts $ 5,051,949

Section 1. Recognition

Operating Engineers' Local 3, AFL-CIO, hereinafter referred to as the "Union," is the recognized employee organization for the Water Supervisory Unit, certified pursuant to Resolution No. 08-0143, adopted by the City Council on April 15, 2008.

Section 2. Union Security

2.1 Dues Deduction

(a) General. The Union may have the regular dues of its members within the representation unit deducted from employees' paychecks under procedures prescribed by the City for such deductions. The Union has the exclusive privilege of dues deduction for its members.

Authorization, cancellation or modification of payroll deductions shall be made upon forms provided or approved by the City. The payroll deduction authorization shall remain in effect until canceled or modified by the employee by written notice to the City or until the first day of the calendar month following the transfer of the employee to a unit represented by another employee organization as the representative of the unit to which the employee is assigned, or until employment with the City is terminated.

Additional authorization shall not be required for deduction of increased membership dues when such increase has been duly approved by the membership of the Union. Notification of such approval shall be forwarded to the City in the form of written notice on official Union letterhead and signed by the duly authorized Union official. Upon receipt of notification, the City shall authorize the payroll deduction of the increased amount.

If an employee is promoted to a position which is represented by another employee organization or to an unrepresented unit, membership dues for the former unit will not be deducted from the employee's paycheck by the City.

Amounts deducted and withheld by the City shall be transmitted to the officer designated in writing by the Union as the person authorized to receive such funds, at the address specified.

In addition to the deduction of dues, the City will deduct from the paychecks of Union members who request it, premiums for group insurance and investment
plans sponsored by the Union. Such deductions shall be made in one lump sum and only upon signed authorization from the employee upon a form satisfactory to the City.

The employee's earnings must be sufficient after all other required deductions are made, to cover the amount of the deductions herein authorized. When an employee is in a non-pay status for an entire pay period, no withholdings will be made to cover that pay period from future earnings nor will the employee deposit the amount with the City which would have been withheld if the employee had been in pay status during that pay period. In the case of an employee who is in a non-pay status during a part of the pay period, and the salary is not sufficient to cover the full withholding, no deduction shall be made.

In this connection, all other required deductions have priority over the employee organization deduction.

(b) **Indemnity and Refund.** The Union shall indemnify, defend and hold the City harmless against any claim made and against any suit initiated against the City on account of check off of Union dues or premiums for benefits. In addition, the Union shall refund to the City any amounts paid to it in error upon presentation of supporting evidence.

2.2 **Agency Fee**

(a) **Employee Rights**

(1) The City and the Union recognize the right of employees to form, join, and participate in lawful activities of employee organizations and the equal, alternative right of employees to refuse to form, join and participate in employee organizations. Neither party shall exert pressure upon or discriminate against an employee in the exercise of these alternative rights.

(2) Accordingly, membership in the Union shall not be compulsory. A unit member has the right to choose, either: to become a member of the Union; or, to pay to the Union a fee for representation services; or, to refrain from either of the above courses of action upon the grounds set forth in Section (f) below.

(b) **Unit Members' Obligation to Exclusive Representative**

(1) A bargaining unit member who does not fall within one (1) of the exempted categories as set forth in Section (f) below, and who has not
voluntarily made application for membership in the Union within the sixtieth (60) day following the date upon which said employee has been formally hired by the City as a bargaining unit employee, must as a condition of continued employment in the City pay to the Union a representation fee, in exchange for representation services necessarily performed by the Union in conformance with its legally imposed duty of fair representation on behalf of said unit member who is not a member of the Union.

(2) In the event that a unit member does not become a member of the Union or pay such fee directly to the Union, the City shall begin automatic payroll deduction. There shall be no charge to the Union for such mandatory agency fee deductions.

(3) Prior to beginning such automatic payroll deduction, the Business Representative of the Union will certify to the City in writing that the employee whose pay is to be affected by the deduction has: 1) refused to join the Union; and 2) has refused to tender the amount of the agency fee as defined herein; and 3) has not applied for an exemption under Section (f) herein. In addition the Union must also certify that it has provided the employee with a copy of the fee verification required by Section (e) herein.

(c) Definition of Agency Fee

(1) The agency fee collected pursuant to Section (b) above from unit members who are not members of the Union shall be an amount not to exceed the standard initiation fee, periodic dues and general assessments of the Union for the duration of this Agreement, minus any amount which is prohibited by the Constitution because such funds pay for political or ideological purposes not related to collective bargaining.

(2) Any dispute as to the amount of the representation fee shall be resolved pursuant to the provisions of Section (h) herein.

(d) Exceptions. Unit members on leave without pay and unit members who are in laid-off status shall be exempt from these provisions herein; except that the election as to membership or payment of a fee as set forth herein must be exercised within the first ten (10) work days upon return to paid status.

(e) Annual Verification of Agency Fee by the Union. Prior to January 31, of each year and before the collection of an agency fee from any unit member pursuant to these provisions herein, the Union shall submit a written certification to the fee payers verifying that the total amount of its
representation fee conforms to Section (c) above, and itemizing all component parts of such fee which shall provide an adequate explanation for the basis of the fee. Each year such amount shall be verified and submitted in writing to the fee payers by the Union prior to January 31st. The Union will submit a copy of such verification to the Director of Human Resources of the City. The parties agree that such annual verification is a condition precedent to the collection by either the City or the Union of a representation fee from a unit member.

(f) **Employees Exempted From Obligation to Pay Union**

(1) Any unit member shall be exempt from the requirements of Section (b) above, if such employee has a bona fide religious objection as defined by Section 3502.5 of the Government Code to the payment of any fee in support of a Union or "employee organization" as defined in Section 3540.1(d) of the Government Code.

(2) Such exempt unit member shall, as an alternative to payment of a representation fee to the Union, pay an amount equivalent to such representation fee to:

a. United Way.
b. American Cancer Society.
c. Any charity jointly agreed in writing by the parties.

(3) If a unit member desires to be exempted for reasons set forth in Section (f) herein, the unit member must first request such exemption in writing from the Union setting forth briefly the rationale for the exemption. If the Union notifies the unit member in writing that the Union will not honor the request, then the matter shall be referred automatically to a panel for determination according to the procedure set forth below. The panel shall be composed of one (1) person selected by the Union, one (1) person selected by the unit member, and an arbitrator selected by the parties chosen from a list submitted by the State Conciliation Service. If either one or both parties fail to nominate a panel member, the process of hearing will continue without that party’s panel member.

(4) The panel shall first receive arguments and evidence from the unit member requesting the exemption. Thereafter the Union may present any arguments or evidence. The proceedings shall be conducted in an informal manner, and the rules of evidence will not apply. The arbitrator shall act as chair and rule on all matters before the panel with the exception of the final
determination of the panel. The panel shall prepare a written decision within fifteen (15) calendar days of the completion of the hearing which shall be final and binding upon the parties. Any expenses of the panel shall be borne by the parties incurring them.

(5) Upon receipt of the decision of the panel, the City shall release any funds held in escrow to the Union or to the charity. Any decision by the panel shall apply for the duration of this Memorandum of Understanding.

(6) In addition, the Union may require such exempt unit member to submit proof of payment of an amount equivalent to such representation fee to one (1) of the alternative funds or organizations listed above. If the bargaining unit member has not provided payment, the City will institute deductions pursuant to Section (b)(2), and forward such monies to a charity listed in Section (f)(2).

(7) Such payments shall be made on or before January 31, of each year or no more than thirty (30) days after commencing duties for any newly hired employee.

(g) Escrow Account. If any unit member either disputes the amount of the fee or disputes whether or not an exemption was appropriately denied, the City shall deposit the fee which was deducted and place such amount into a special escrow account established by the Union for such purposes.

(h) Procedure for a Unit Member Who Contests the Amount of the Fee

(1) The parties agree that in order to provide a uniform definition of the representation fee, any disputes involving the amount of such fee shall be referred to the Union's procedure for determination, provided that the parties have first complied with the other provisions of this Section.

(2) The Union shall notify the City in writing within twenty (20) days after it becomes aware that any employee disputes the amount of the fee.

(3) The Union will verify in writing to the City that all of the conditions of Section (b)(3) have been met prior to the City's initiation of the fee deductions set forth in Section (b)(2). Thereafter, the City will notify the affected employee in writing that such deductions will commence and a copy of the Union's written verification will be attached to the City's notice. Thereafter, the City will begin the deductions.
The monies held in escrow shall be released to the appropriate party upon the rendering of a final decision by the Union's internal procedure.

(i) Payment Method/Payroll Deduction

(1) A unit member may voluntarily sign and deliver to the City a written assignment authorizing deduction of the properly established representation fee as defined in Section (c) above, subject to the conditions set forth elsewhere in this agreement for payroll deductions, or the amount of the fee will be deducted automatically in accordance with Section (b)(2) herein.

(2) The City is under no obligation to make payroll deductions for the periods during which a unit member is either terminated from active employment, or not on the City's active payroll for any reason, including, but not limited to, layoff and voluntary leave of absence for more than thirty (30) days.

(3) Upon the rehiring of any unit member, or upon the recalling of any unit member from layoff status, the City will resume or initiate dues deductions for such unit member.

(j) Obligations of Parties

(1) City's Obligations. The City's obligation under this Article is to notify any unit member who has failed to comply with the provisions of this Section that, as a condition of continued employment with the City, such unit member must become an Union member, or pay a representation fee, or establish an exemption status and make payment pursuant to provisions of Sections (b) and (f) of this Agreement. Under no circumstances shall the City be required to dismiss or otherwise discipline any unit member for failure to fulfill their obligations to pay the fees established herein.

(2) Union's Obligations. Except as specified herein, the Union and not the City, shall be responsible for requiring unit members to fulfill obligations defined herein. It is the obligation of the Union to collect any representation fees which may be due and payable to the Union in consideration for its services as the exclusive representative of unit employees.

(k) Hold Harmless Provision. The Union shall hold the City harmless, and shall fully and promptly reimburse the City for any fees, costs, charges or penalties incurred in responding to or defending against any claims,
disputes, challenges, whether formal or informal, which are actually brought, or attempted or threatened to be brought, against the City or any of its agents, or employees, in connection with the interpretation, application, administration or enforcement of any Section of this Agreement pertaining to representation fee. Such reimbursement shall include, but not be limited to, court costs, litigation expenses, and attorney's fees incurred by the City. The City shall have the right to be represented by its own attorney in any action in which it is a named party to the action. Disputes over the amount of reimbursement shall be automatically submitted to the arbitration provisions of this Memorandum, Section 8.3(e).

2.3 Use of City Facilities

(a) The Union shall be allowed by the City department in which it represents employees' use of space on available bulletin boards for communications having to do with official Union business, such as times and places of meetings, provided such use does not interfere with the needs of the department. The Union may submit to the City Employee Relations Officer written communications having to do with official Union business for distribution by the City to identified shop stewards. Distribution may be by e-mail.

(b) Any representative of the Union shall give notice to the department head or designated representative when contacting department employees on City facilities during the duty period of the employees, provided that solicitation for membership or other internal Union business shall be conducted during the non-duty hours of all employees concerned. Pre-arrangement for routine contact may be made with individual department heads and when made shall continue until revoked by the department head.

(c) City buildings and other facilities may be made available for use by City Employees of the Union or their representatives in accordance with such administrative procedures as may be established by the City Manager or department heads concerned.

2.4 Advance Notice

Except in cases of emergency, reasonable advance written notice shall be given to the Union if affected by any ordinance, resolution, rule or regulation directly relating to matters within the scope of representation proposed to be adopted by the City and shall be given the opportunity to negotiate if requested with the designated management representatives prior to adoption.
WATER SUPERVISORY UNIT SUCCESSOR MOU
Term: July 1, 2016 – June 30, 2019

In cases of emergency when the foregoing procedure is not practical or in the best public interest, the City may adopt or put into practice immediately such measures as are required. At the earliest practicable date thereafter the Union shall be provided with the notice described above and be given an opportunity if requested to negotiate changes to said notice with the management representatives designated by the City Manager.

2.5 Attendance at Meetings by Employees

City employees who are official representatives or unit representatives of the Union shall be given reasonable time off with pay to attend meetings with City management representatives, or where matters within the scope of representation or grievances are being considered. Such employee representatives shall submit a request for excused absence to their respective department heads, in a manner satisfactory prior to the scheduled meeting whenever possible. Time spent for these purposes while a representative is not scheduled to work shall not be compensated by the City and shall not be considered as hours worked. Except by mutual agreement the number of the employees excused for such purposes shall not exceed three (3) per recognized bargaining unit.

2.6 Maintenance of Membership

All employees in the Supervisory Unit who are members of the Union, tendering periodic dues at the execution of this agreement, and all employees who thereafter become members of the Union shall, as a condition of employment, pay dues to the Union for the duration of this Memorandum of Understanding, and each year thereafter. For a period of thirty (30) days prior to January 1, 2009 and thirty (30) days prior to any January 1, thereafter, any employee in the aforementioned unit who is a member of the Union shall have the right to withdraw from the Union discontinuing dues payments and retain employment in the City, subject to provisions of Section 2.2. Agency Fee. Said withdrawal shall be communicated by the employee in writing to the City. The provisions of this section shall be operative only to the extent that they are permissible under California law.

2.7 Assignment of Classifications

New job classifications established by the City shall be assigned to the bargaining unit pursuant to Section 8 (b) of the City’s Employer-Employee Relations Resolution after providing notice and the opportunity to consult with the Union regarding such matters.

2.8 Contract Ratification
Ratification votes for Contract will be handled on city time during the day.

Section 3. Compliance with Federal Laws/Safety

3.1 Non-Discrimination. The City and the Union agree that there shall be no discrimination of any kind because of age (over 40), race, creed, color, religion, national origin, (ancestry), veterans status, physical or mental disability, marital status, sexual orientation, sex (sexual, gender based, pregnancy/childbirth), political affiliation or legitimate union activity or on any other basis prohibited by applicable federal and State law against any employee or applicant for employment.

3.2 Fair Labor Standards Act. The Union agrees to cooperate with the City to insure its members' compliance with the provisions of the Fair Labor Standards Act.

3.3 Safety. The Union shall cooperate with the City in promoting safety objectives as defined in Federal, State and local regulations by actively supporting safety programs, promoting safe work habits of members and encouraging an ongoing, active participation by its members in safety related procedures and practices as offered and promulgated by the City of Stockton.

Section 4. Probation

4.1 Purpose

The probationary period shall be utilized for closely observing the employee's work, for securing the most effective adjustment of a new employee to a position, and for rejecting any probationary employee whose performance does not meet the required standards of work.

4.2 Original Entrance and Promotional Positions

All original appointments shall be subject to a probationary period of one (1) year with a review completed after 6 months from date of original appointment. Promotional appointments shall be subject to a probationary period of 6 months. The probationary period for original and promotional appointments will not be extended.

4.3 Retention/Rejection of Probationer
WATER SUPERVISORY UNIT SUCCESSOR MOU
Term: July 1, 2016 – June 30, 2019

At the end of the probationary period, if the service of the probationary employee has been satisfactory to the appointing authority, then the appointing authority shall file with the Director of Human Resources a statement in writing to such effect and stating that the retention of such employee in the service is desired. The City will make a good faith effort to notify a probationary employee two (2) weeks before the end of the probationary period whether or not regular status is granted; however, a failure on the part of the appointing authority to file such a statement at the end of the probationary period shall constitute a rejection of the probationer as defined in Civil Service Rules.

During the probationary period an employee may be rejected at any time by the appointing authority. Any employee rejected during the probationary period following a promotional appointment, shall be reinstated to the position from which promoted unless charges are filed and the employee is discharged in the manner provided in Section 7 of this Memorandum of Understanding and in the Civil Service Ordinance and Civil Service Rules, which are consistent therewith.

Section 5. Layoff

5.1 Layoff

Any employee may be laid off by an appointing authority in the event of the abolition of the employee's position by the City Council, or if a shortage of work or funds requires a reduction in personnel.

5.2 Layoff Scope

(a) Layoffs shall be within departments of the City.

(b) Departments of the City are defined as follows:

(1) Administrative Services
(2) City Attorney
(3) City Auditor
(4) City Clerk
(5) City Manager
(6) Community Development
(7) Community Services
(8) Economic Development
(9) Fire
(10) Human Resources
5.3 Notice of Layoff

The City will give advance written notice of at least one pay period to employees who will be laid off.

5.4 Precedence by Employment Status

(a) No regular employees shall be laid off while employees working in an extra help, seasonal, temporary, provisional, or probationary status are retained in the same classification as such regular employee. The order of layoff among employees not having regular status shall be according to the following categories:

(1) extra help or seasonal
(2) provisional
(3) temporary
(4) probationary

Layoffs shall be by job classification according to reverse order of seniority as determined by total service in that class, except as specified above. For the purpose of this procedure part-time classes shall be considered as separate from regular full-time classes.

The following provisions shall apply in computing total continuous service:

(1) Time worked in a regular or probationary status shall count as service.
(2) Time spent on military leave shall count as service in the event the leave was taken subsequent to entry.
(3) Time worked in an extra help, seasonal, provisional, temporary, grant or other limited term status shall not count as service.

If two (2) or more employees have the same seniority, the order of seniority shall be determined by their respective ranking on the eligibility list for hire.
WATER SUPERVISORY UNIT SUCCESSOR MOU  
Term: July 1, 2016 – June 30, 2019

If two (2) or more employees have the same seniority, but were not hired from a ranked eligibility list, the order of seniority shall be determined by lot.

If two (2) or more employees have the same seniority, but were hired from separate ranked eligibility lists, the order of seniority shall be determined by lot.

(b) Any employee in the Supervisory Unit who is laid off may complete a City employment application for any position currently staffed by a part time, provisional, or temporary employee. The Human Resources Department will evaluate the employment application. If the laid off employee meets the minimum qualifications of that position, he/she shall have the option of displacing the part time, provisional, or temporary employee.

5.5 Employee Options

Employees laid off shall have any of the following choices:

(a) Displacing the employee in the same department and in the same or clearly comparable classification as determined by the Director of Human Resources as having the least seniority in that classification. This option shall be exercised before any other option.

(b) Taking a voluntary demotion within the department to a classification in which the employee had prior regular status, thus displacing the employee working in the classification who has the least seniority in that classification.

5.6 Health and Welfare Benefits during Layoff

Regular employees who are laid off will have an option of maintaining their existing health and welfare benefits for thirty-six (36) months from the date of layoff, provided timely payments of the premiums by the employee are made to the City, according to City regulations, and provided the employee otherwise meets the requirements of Federal and State regulations.

Section 6. Reemployment

(a) The name of each employee who is laid off in accordance with Section 5 shall be placed at the head of the eligibility list for the class of positions which that employee held, and shall be given preference in filling vacancies in that class.

(b) An employee laid off in accordance with this Section shall be placed on the eligibility list or lists for any lower or comparable class or classes in the same
department, provided that the appointing authority and the department head in charge of this lower or comparable class determine that the employee is competent to perform the duties thereof in strict accordance with the class specifications. This right of a laid off employee shall remain effective for two (2) years from the date of latest separation from the service. The employee shall not be placed on said eligibility list or lists without first submitting a written request. Employee's place on said list or lists shall be at the head of the eligibility list for the class of positions for which qualified as hereinabove set forth and shall be given preference in filling vacancies except for those persons placed on said list or lists of reemployment in the same positions previously held. An employee who waives reemployment to a full time position three times shall have his/her name removed from this reemployment list unless mutually agreed to by the Department and employee. Upon certification for appointment to a new position never having been held by this employee, the probationary period must be completed as required in this Memorandum of Understanding.

Section 7. Discipline

Disciplinary action, including discharge, suspension, reduction in pay or demotion, may be taken against any employee for cause.

Expungement of records will be considered in accordance with the City's Progressive Discipline Policy, HR-08. Memorandums of Discussion or Correction maintained in Department files may be requested to be removed, subject to the Department Head’s approval.

7.1 Predisiplinary Rights

An employee facing potential disciplinary action will be entitled to the following predisiplinary rights:

(a) Notice of proposed discipline.

(b) Date(s) proposed discipline will be effective.

(c) Reasons for the proposed discipline, the specific grounds and particular facts upon which the action is taken.

(d) Ten (10) calendar days in which an employee or the representative may respond either orally or in writing to the department head.
WATER SUPERVISORY UNIT SUCCESSOR MOU

(e) The employee must be provided with any written materials, reports and documents upon which the action is based.

7.2 Administrative Leave

The City may place an employee on administrative leave with pay pending the completion of the predisciplinary process.

7.3 Provisions

The appointing authority may discharge, suspend or demote any employee in the classified service provided the Stockton Municipal Code provisions and the rules and regulations of the Civil Service Commission and any applicable provisions of law are followed. Such provisions allow the employee suspended, demoted or discharged to appeal such action. The employee may take only one (1) of the following actions:

(a) File no appeal.

(b) File an appeal with the Civil Service Commission within ten (10) calendar days of written notification of the action. (Such filing will foreclose use of the grievance procedure.)

(c) File a grievance as provided for in Section 8 within ten (10) calendar days of written notification of the action.

If the employee fails to do (b) or (c) above within the prescribed time frames, these rights will have been waived.

Section 8. Grievance Procedures

8.1 Definition

A grievance is any dispute which involves the interpretation or application of those rules, regulations and resolutions which have been, or may hereafter be, adopted by the City Council to govern personnel practices and working conditions, including such rules, regulations and resolutions as may be adopted by either the City Council or the Civil Service Commission to affect Memoranda of Understanding which result from the meeting and conferring process.
8.2 Filing Deadline

(a) No grievance involving demotion, suspension, discharge or other employment penalty will be entertained unless it is filed in writing with the Director of Human Resources within ten (10) calendar days of the time at which the affected employee received written notification of such action. All other grievances must be filed within thirty (30) calendar days from the time the employee knew or had reason to know of the facts giving rise to the grievance.

(b) With written consent of the Director of Human Resources or his/her designee and the Union Business Agent or his/her designee, time limits may be extended and/or Steps 1, 2 and/or 3 of the Grievance Procedure waived.

8.3 Grievance Processing

(a) **Step 1 - Departmental Review.** Any employee claiming to have a grievance may discuss the complaint with such management official in the department where employed as the department head may designate. If the issue is not resolved within the department within twenty (20) calendar days from the day of presentation or if the employee elects to submit the grievance directly to the Union recognized as the representative of that employee's classification, or if the employee/Union official notifies the Director of Human Resources, in writing, that a grievance exists, the procedure hereinafter specified may be invoked.

(b) **Step 2 - Director of Human Resources Review.** If the employee is not satisfied with the response at level one, then the employee may appeal the grievance to the Director of Human Resources within twenty (20) calendar days of the receipt of written response at level one. Such appeal must state with particularity: 1) the specific policy, rule or provision which is alleged to have been violated; 2) the statement of facts comprising the violation; and 3) the requested remedy. The Union may file and process grievance(s) on behalf of the specifically named employee. The Director of Human Resources shall have twenty (20) calendar days in which to investigate the issues, meet with the complainant and attempt to reach a satisfactory resolution of the problem. No grievance may be processed under the following two (2) paragraphs which has not first been filed and investigated in accordance with this paragraph, except for the resolution of compensation complaints.

(c) **Step 3 - Arbitration.** If the parties are unable to reach a mutually satisfactory accord on the grievance at Step 2 within twenty (20) calendar days either the Union or the City may require that the grievance be referred to an impartial arbitrator mutually selected by the parties, or if the parties are unable to mutually agree, from
a list of seven (7) arbitrators provided by the State Conciliation Service. The arbitrator shall be chosen by the alternative strike method, with first choice being determined by lot. The fees and expenses of the arbitrator and of a court reporter shall be shared equally by both parties. Each party, however, shall bear the cost of its own presentation, including preparation and post hearing briefs, if any.

(d) **Effect of Decision.** Decisions of arbitrators on matters properly before them shall be final and binding on the parties hereto except as provided otherwise herein.

8.4 **Scope of Arbitration**

(a) No arbitrator shall entertain, hear, decide or make recommendations on any dispute unless such dispute involves a position in a unit represented by the Union and unless such dispute falls within the definition of a grievance as set forth in paragraph 8.1.

(b) Proposals to add to or change this Memorandum of Understanding or written agreements or addenda supplementary hereto shall not be arbitrable and no proposal to modify, amend or terminate this Memorandum of Understanding, nor any matter or subject arising out of or in connection with such proposal, may be referred to arbitration under this Section. No arbitrator selected pursuant to this Section shall have the power to amend or modify this Memorandum of Understanding or written agreements or addenda supplementary hereto or to establish any new terms or conditions of employment.

No changes in this Memorandum of Understanding or interpretations thereof (except interpretations resulting from arbitration proceedings hereunder) will be recognized unless agreed to by the Director of Human Resources and the Union.

8.5 **Other Provisions**

If the Director of Human Resources or City Manager, in pursuance of the procedures outlined above, resolves a grievance which involved suspension or discharge, they may agree to payment for lost time or to reinstatement with or without payment for lost time, but in the event the dispute is referred to arbitration and the arbitrator finds that the City had cause to take the action complained of, the arbitrator may not substitute his judgment for the judgment of management and if the findings are that the City had such right, the arbitrator may not order reinstatement and may not assess any penalty upon the City.
Complaints which allege the employee is not being compensated in accordance with the provisions of this Memorandum of Understanding shall be considered as grievances and processed pursuant to Section 8.3. Any other matters of compensation are to be resolved in the meeting and conferring process and if not detailed in the Memorandum of Understanding which results from such meeting and conferring process shall be deemed withdrawn until the meeting and conferring process is next open for such decision. No adjustment shall be retroactive for more than one-hundred and eighty (180) calendar days from the date upon which the complaint was filed.

Specified time limits may be modified only in writing. All appeals and responses must be provided in writing.

A grievant will be provided release time without loss of pay for all required meetings with management. The City cannot discriminate or retaliate in any manner against an employee for filing a grievance or exercising rights under this Section.

The provisions of this Section shall not abridge any rights to which an employee may be entitled under the Stockton Municipal Code and/or Civil Service Rules and Regulations, nor shall it be administered in a manner which would abrogate any power which, under the Stockton Municipal Code, may be within the sole province and discretion of the Civil Service Commission.

All grievances of employees in representation units represented by the Union shall be processed under this Section. If the Stockton Municipal Code and/or the Civil Service Rules and Regulations requires that a differing option be available to the employee, no action under paragraph (c) of Subsection 8.3 above shall be taken unless it is determined that the employee is not utilizing such option.

No action under paragraph (c) of Subsection 8.3 above shall be taken if action on the complaint or grievance has been taken by the Civil Service Commission or if the complaint or grievance is pending before the Civil Service Commission.

If any award by an arbitrator requires action by the City Council or the Civil Service Commission before it can be placed in effect, the City Manager and the Director of Human Resources will recommend to the City Council or the Civil Service Commission, as appropriate, that it follow such award.

The employee will be moved back to his or her former level if he or she obtained the necessary certification within 12 months. Any employee who loses or is denied a certification shall notify his or her supervisor within seven (7) calendar days, and shall submit a copy of any notice received from the state or any other agency.

The Association agrees at the City’s request, to meet and confer on any changes that are within the mandatory scope of bargaining in any City proposals related to its City sponsored medical plans that may be related to the implementation of the Affordable Care Act (ACA).

14.2 **Health and Welfare Benefits and Trust Fund Plan**

(a) **Choice of Health Plans.** Employees in this bargaining unit shall have a choice of enrolling themselves and their eligible dependents in any of the City sponsored medical, dental and visions plans or Operating Engineer Health and Welfare Trust Fund Plan (PPO Plans A, B, C, and D, and Kaiser HMO Plans A and B). The City shall offer two or more medical plans to regular employees.
(b) **Eligibility.** Employees shall become eligible for Medical and Vision insurance on the first day of the month subsequent to completion of thirty (30) days of continuous service with the City. Employees shall become eligible for Dental insurance on the first day of the month subsequent to completion of sixty (60) days continuous service with the City. An eligible employee and eligible dependent may be enrolled in a City offered medical plan either as a subscriber in a City offered medical plan or, as the dependent spouse/registered domestic partner or another eligible City employee, but not both. If an employee is also eligible to cover their dependent child, the child will be allowed to enroll as a dependent on only one employee plan (i.e., an employee and his or her dependent cannot be covered by more than one City-offered health plan).

(c) **City Contribution towards the cost of insurance programs.**

1) Effective July 1, 2016, or upon the first full pay period following ratification of this Memorandum of Understanding by the Union and approval by the City Council on its regular agenda in accordance with the Brown Act, the City will contribute:

- Up to $1,526.00 per month toward the cost of the monthly premium for employee plus two or more dependents medical/dental/vision plan coverage.

3) Effective July 1, 2018, City shall contribute the following:

- Up to $644.00 per month toward the cost of the monthly premium for employee-only medical/dental/vision plan coverage.

- Up to $1,169.00 per month toward the cost of the monthly premium for employee plus one dependent medical/dental/vision plan coverage.

- Up to $1,557.00 per month toward the cost of the monthly premium for employee plus two or more dependents medical/dental/vision plan coverage.

These contributions are based on full-time employment; regular part-time employees shall receive a prorated contribution based on their percentage of full-time employment. Insurance plan premiums that exceed the City’s monthly contribution shall be paid by the employee through payroll deductions. The City shall maintain its IRS 125 Plan to allow for employee contributions for medical/visions/dental to be pre-tax premium conversion.

(d) Plan Rules. Employees may insure themselves and their eligible dependents under the medical, vision and dental plans provided by the City, in accordance with the rules and regulations applicable to the selected Plan. Benefits in the Plan shall be in accordance with the Plan document.

(e) Employees that promote, demote, or transfer from a classification in the Water Supervisors unit to an unrepresented classification shall continue to have the option to retain the Operating Engineers' Local No. 3 Health and Welfare Plan.

(f) Payment of costs for City administrative overhead related to Operating Engineer sponsored plans.

The City costs to administer the health plans offered to employees and retirees are incorporated into the monthly rates for City sponsored medical,
dental and vision insurance paid by the City and the plan participants. Effective upon the first full pay period following ratification of this Memorandum of Understanding by the Union and approval by the City Council on its regular agenda in accordance with the Brown Act the City will add to the monthly plan costs for the Operating Engineer sponsored plans offered to employees those City administrative overhead costs associated with these plans in addition to the City sponsored plans. Only costs associated with the OE3 plans will be charged to those plans and will be updated each plan year.

14.3 Long Term Disability Insurance

The City shall provide, at no cost to the employee, long term disability insurance coverage. Plan benefits shall be as described in the Plan document, but shall include:

(a) Each disability - sixty-six and two thirds percent (66 2/3%) of salary up to the maximum salary replacement amount as specified in the City’s long term disability plan.

(b) Disability income payments shall commence after a ninety (90) day waiting period and exhaustion of sick leave accruals.

(c) Benefit payable until age sixty-five (65).

(d) The City shall continue its normal contribution for employee medical premiums during the ninety (90) day waiting period.

14.4 Life Insurance

Effective July 1, 2012, the City shall provide, at no cost to the employee, a term life and accidental death and dismemberment insurance policy, with a value of $50,000. In addition, employees shall have the opportunity to purchase additional voluntary life insurance through their union or through the City’s IRS125 vendor.

14.5 Retiree enrollment in City sponsored Medical Plans

An eligible retiree and eligible dependent may be enrolled in a City offered medical plan either as a subscriber in a City offered medical plan or, as the dependent spouse/registered domestic partner or another eligible City employee/retiree, but not both. If an employee/retiree is also eligible to
cover their dependent child, the child will be allowed to enroll as a dependent on only one employee or retiree’s plan (i.e., a retiree and his or her dependent cannot be covered by more than one City-offered health plan). However, the City may discontinue the enrollment of retirees in City sponsored medical plans at its discretion as per the City’s Bankruptcy plan of Adjustment. The City does not provide any retiree medical program, allowance, or City contribution for employees.

Nothing in this section shall be construed to create vested rights to benefits for employees or retirees after the expiration of this MOU.

14.6 State Disability Insurance (SDI)

At the Union’s option, pursuant to procedures established by the state, members may elect to receive State Disability Insurance (SDI) coverage at their own expense. SDI will be coordinated with other benefits.

14.7 Health Reimbursement Account (HRA)

The City will contribute an amount equal to five and one half percent (5.5%) of the employee’s current base salary into an IRS qualified HRA for each employee to use for reimbursement of current and retiree medical cost reimbursement.

Section 15. Salaries

15.1 Salary Rates

Effective the latter of July 1, 2016 or upon the first full pay period following ratification of this MOU by the Water Supervisory Unit and approval by the City Council on its regular agenda in accordance with the Ralph M. Brown Act, employees will receive a six percent (6%) cost of living adjustment (COLA).

The classifications listed in Appendix A will receive market salary adjustments throughout the term of this contract, according to the updated salary schedules listed in Appendix A.
The rates of pay set forth in Appendix "A" do not include reimbursement for actual and necessary expenses for traveling, subsistence and general expenses authorized and incurred incident to City employment.

15.2 **Salary upon Appointment**

Except as herein otherwise provided, the entrance salary for a new employee entering the classified service shall be the minimum salary for the class to which appointed. When circumstances warrant, the Director of Human Resources may approve an entrance salary which is more than the minimum salary for the class to which an employee is appointed. Such a salary may not be more than the maximum salary for the class to which that employee is appointed.

15.3 **Salary Equivalents**

Any monthly, daily or hourly rate of pay may be converted into an equivalent rate of pay or to any other time bases when, in the judgment of the City Manager, such a conversion is advisable. In determining equivalent amounts on different time bases the City shall provide tables or regulations for the calculation of payment for service of less than full time, and for use in converting monthly salaries to hourly rates, as well as for calculating hourly rates. Overtime rate and premium pay shall be calculated according to the provisions of the Fair Labor Standards Act.

15.4 **Salary Step Plan**

There shall be six (6) salary steps in each range.

The first step shall be the minimum rate and shall be the normal hiring rate for the class. (In a case where a person possesses unusual qualifications, the Director of Human Resources may authorize appointment above the first step after receiving the recommendation of the department head. The same provision shall apply to hourly paid and part-time employees.)

If a department head recommends to withhold increases to salary steps two (2) through six (6) because an employee has not achieved the level of performance required, notice must be received by the Human Resources Department at least four (4) weeks in advance of the employee’s eligibility date. The affected employee shall be furnished a copy of the department head’s recommendation. Failure to abide by the above four-week limitation shall not automatically cause a step
increase to be granted; however, if an employee does not receive notice by the actual anniversary date, the increase shall be automatically granted.

The second step shall be paid upon the satisfactory completion of six (6) months service at the first step.

The third step shall be paid upon the satisfactory completion of one (1) year service at the second step.

The fourth step shall be paid upon the satisfactory completion of one (1) year service at the third.

The fifth step shall be paid upon the satisfactory completion of one (1) year service at the fourth step and upon written recommendation of the department.

The sixth step shall be paid upon the satisfactory completion of one (1) year service at the fifth step and upon written recommendation of the department head.

Regardless of an employee's length of service, step advancements in any given class may be made upon recommendation of the department head with the approval of the Director of Human Resources, but not above Step No. 6 for a given range.

Salary step increases shall be effective the first day of the pay period following appointment or revision. If the date of appointment or revision is the first day of a pay period, salary step increases shall be as of that date.

Changes in an employee's salary because of promotion, demotion, postponement of salary step increase or special merit increase will set a new salary anniversary date for that employee, which date shall be as stated in the preceding paragraph.

Salary range adjustments for a classification will not set a new salary anniversary date for employees serving in that classification.

15.5 Salary Step after Military Leave

All employees who have been granted military leave shall, upon their return to the City service, be entitled to the automatic salary advancements within the range of their classification for the period they were in the military service.

15.6 Salary Step When Salary Range is Increased
Whenever the monthly schedule of compensation for a class is revised, each incumbent in a position to which the revised schedule applies shall be entitled to the step in the revised range which corresponds to the employee's step held in the previous range, unless otherwise specifically provided for by the Director of Human Resources.

15.7 Salary Step After Promotion or Demotion

(a) When an employee is promoted from a position in one class to a position in a higher class, and at the time of promotion is receiving base salary equal to, or greater than, the minimum rate for the higher class, that employee shall be entitled to the next step in the base salary of the higher class which is a minimum of five percent (5.0%) above the employee's current base salary, except that the next step shall not exceed the maximum salary of the higher class. Add pays are not included in the calculation of base salary for purposes of this section. When an employee is promoted into another bargaining unit, the new bargaining unit's salary on promotion rules shall apply.

(b) When an employee is demoted, whether such demotion is voluntary or otherwise, that employee's compensation shall be adjusted to the salary prescribed for the class to which demoted.

(1) If the salary of the employee is reduced for cause or disciplinary reasons, the employee shall receive the salary at the same step prior to promotion.

(2) If the salary of the employee is reduced through no fault of the employee (i.e., layoff), the salary at demotion shall be at the nearest lower salary to that which was received prior to the demotion.

15.8 Transfer

An employee may be transferred from a class in one department, or to a position of the same class in another department, or to a comparable class, with the approval of both the employee and Department Heads. In the case of a comparable class, the employee must be qualified, as determined by the Director of Human Resources. The Director of Human Resources, in making such a determination, must assure that the maximum salary rate for the classes in
question must be equal to or less than the employee’s current top step salary, and shall consider, among other things, whether the employee possesses the minimum qualifications for such class, and is able to demonstrate through education, experience, or successful completion of pertinent tests, that he/she is qualified for the transfer. If the transfer involves a change from the jurisdiction of one appointing authority to another, both must consent thereto.

15.9 Salary on Reinstatement

If a former employee is reinstated in the same position previously held or to one carrying a similar salary range, the employee’s salary shall not be higher than the salary at the time of separation unless there has been an increase within the salary range.

If a former employee is reinstated to a position in a lower class, the employee’s salary shall be set at the same step previously held, but in the pay range of the lower classification.

15.10 "Y" Rate

When an employee’s classification is changed to a lower paid classification as the result of a classification study or other action, the employee may be placed on a "Y" rate. A "Y" rate means that the monthly compensation for the employee shall remain in effect until such time as further changes in the pay range of the new classification exceeds the "Y" rate.

15.11 Acting Pay

Any employee in this unit who is assigned by a supervisor to work in a higher paid classification for two (2) or more hours in one (1) day, shall receive the rate of pay in the step of the higher classification which would have been received if the employee had been promoted into that classification, or at least five percent (5%) more than the employee’s salary in the present classification, whichever is greater. Out-of-class assignment pay during overtime status will commence at the first hour worked.

15.12 Special Assignment Pay

The department head with the concurrence of the Director of Human Resources may approve additional compensation in an amount not to exceed one additional salary step when an employee is assigned in writing by the supervisor to perform additional duties and responsibilities for the duration of the special assignment.
15.13 Temporary Upgrade Pay

Employees who are assigned to temporarily perform the duties of other employees of a higher level classification shall be paid the hourly or daily rate of the classification to which they are temporarily upgraded. To be eligible for temporary upgrade pay, the employee must perform the full scope of duties of the higher classification and must not perform any of the duties of their own job classification while working in the higher level classification.

15.14 Special Certification Pay

Water Operations Supervisor who possesses a Distribution Operator Certificate issued by the California Department of Health Services shall receive an additional three percent (3.0%) of base pay.

15.15 Salary Adjustments

The City recognizes that there may be a need for special salary adjustments for selected classifications as a result of recruitment problems, reclassifications, and/or organizational changes. The City, in its sole discretion, may make such adjustments, but agrees to discuss with the Supervisory Unit.

15.16 Bi-Weekly Pay Period

The City and the Association agree to move to bi-weekly pay as soon as it is administratively possible within the City. The parties understand that this may not be administratively possible until the City implements a new payroll system.

In the event that any provision of this Memorandum of Understanding is declared by a court of competent jurisdiction to be illegal or unenforceable that provision of the Memorandum of Understanding shall be null and void but such nullification shall not affect any other provisions of this Memorandum of Understanding, all of which other provisions shall remain in full force and effect.

In the event that Federal legislation changes the current applicability of the Fair Labor Standards Act, both parties agree to consult and/or confer on the impacts of such legislation to the extent required by law.
Section 17. Past Practices and Existing Memoranda of Understanding

Continuance of working conditions and practices not specifically authorized by ordinance or by resolution of the City Council is not guaranteed by this Memorandum of Understanding.

This Memorandum of Understanding shall supersede all existing Memoranda of Understanding between the City and the Union.

Section 18. Scope of Agreement

Except as otherwise specifically provided herein, this Memorandum of Understanding including Appendices “A” and “B”, which are attached to this Agreement and by this reference incorporated herein, and fully and completely incorporates the understanding of the parties hereto and constitutes the sole and entire agreement between the parties on any and all matters subject to meeting and conferring. Neither party shall, during the term of this Memorandum of Understanding, demand any change therein nor shall either party be required to negotiate with respect to any matter; provided that nothing herein shall prohibit the parties from changing the terms of this Memorandum of Understanding by mutual agreement.

Section 19. Duration of Agreement

This Memorandum of Understanding shall be effective the date of execution, through June 30, 2019.

Section 20. Maintenance of Operations/City Rights

(a) It is recognized that the need for continued and uninterrupted operation of City services is of paramount importance. Therefore, the Union and each employee represented thereby agrees that from the date of execution, through exhaustion of the impasse process/mediation/fact finding as set forth in the Employer/Employee Relations Resolution, the Union or any person acting in its behalf, or each employee in a classification represented by the Union, shall not cause, authorize, engage in, encourage, or sanction a work stoppage, slowdown, refusal of overtime work, refusal to operate designated equipment (provided such equipment is safe and sound), or picketing, other than informational picketing, against the City or the individual or concerted failure to report for duty or abstinence from the full and faithful performance of the duties of employment, including compliance with the request of another labor organization or bargaining unit to
engage in such activity in an attempt to induce a change in wages, hours, and other terms and conditions of employment.

(b) An employee shall not be entitled to any wages or City paid benefits whatsoever if the City Council, by majority vote, determines to its satisfaction, that the employee is, or has, engaged in any activity prohibited by subsection (a) of this Section. The City may take other action which it deems appropriate.

(c) If the City Council, by majority vote, determines to its satisfaction, that subsection (a) of this Section has been violated by the Union, the City may take such remedial action as it deems appropriate.

(d) The Union recognizes the duty and obligation of its representatives and members to comply with the provisions of this Memorandum of Understanding and to make every effort toward inducing all employees in this unit to fully and faithfully perform their duties. In the event of any activity prohibited by subsection (a) hereinabove, the Union agrees to take supererogatory steps necessary to assure compliance with this Memorandum of Understanding.

The rights of the City as set forth in Section 5 of Resolution No. 32,538, dated August 4, 1975, are incorporated herein by reference.

Section 21. GPS Devices in City Vehicles

The City retains the right to move forward with its RFP process and install Global Positioning Systems (GPS) in City vehicles used by employees in this unit. The Association agrees to meet and confer with respect to the City's proposed GPS policy.
