### City of Stockton Water Rate Adjustment
June 2017

The City of Stockton Municipal Utilities Department is committed to providing clean, safe, reliable drinking water for our customers. To meet this commitment, it was necessary to adjust water rates. After a series of public notices and meetings, a new five-year rate plan was adopted at a Public Hearing on June 28, 2016. The first year adjustment was effective August 1, 2016. Rate adjustments are scheduled to become effective July 1 of 2017, 2018, 2019, and 2020. The rates that will be effective beginning July 1, 2017, are shown below.

### Water Rates—Effective July 1, 2017

<table>

HELPING TO MAKE WATER CONSERVATION A CALIFORNIA WAY OF LIFE

The state has lifted the drought emergency, but all Californians are mandated to continue managing water wisely. Conservation is one of the many tools used to manage water resources, and water use restrictions are still in place for customers within the City of Stockton. Water conservation is now a California way of life.

No Watering Between 11:00 A.M. - 6:00 P.M.

Even Number Addresses
Tuesdays & Fridays

Odd Number Addresses
Mondays & Thursdays

No Watering Within 48 Hours of Measurable Rainfall.

To Help Save Water...

Set a timer & shower for 5 minutes - or sing your favorite song!

Wash only full loads of dishes and clothes.

Invest in a pool cover to reduce evaporation.

Note: Approval is required to drain or refill pools. Call the Water Field Office at (209) 937-7031.

Water early in the morning or after the sun has gone down.

Set lawn mower blades to 3 inches.

Install drip irrigation & a weather-based smart controller.

Set irrigation controller to use less water on grass.

Sprinklers & Leaks - Repair broken sprinklers within 24 hours; fix leaks as soon as possible.

No Runoff - Applying water to outdoor landscapes in a manner that causes runoff is prohibited.

Use Shut off Nozzles - Hoses must be equipped with a shut off nozzle to wash vehicles and windows.

Wasteful Washing - Do not wash down driveways, patios, sidewalks, buildings or other hard surfaces.
